A large rectangular area filled with horizontal lines, resembling a blank sheet of lined paper. The lines are evenly spaced and extend across the entire width of the page.

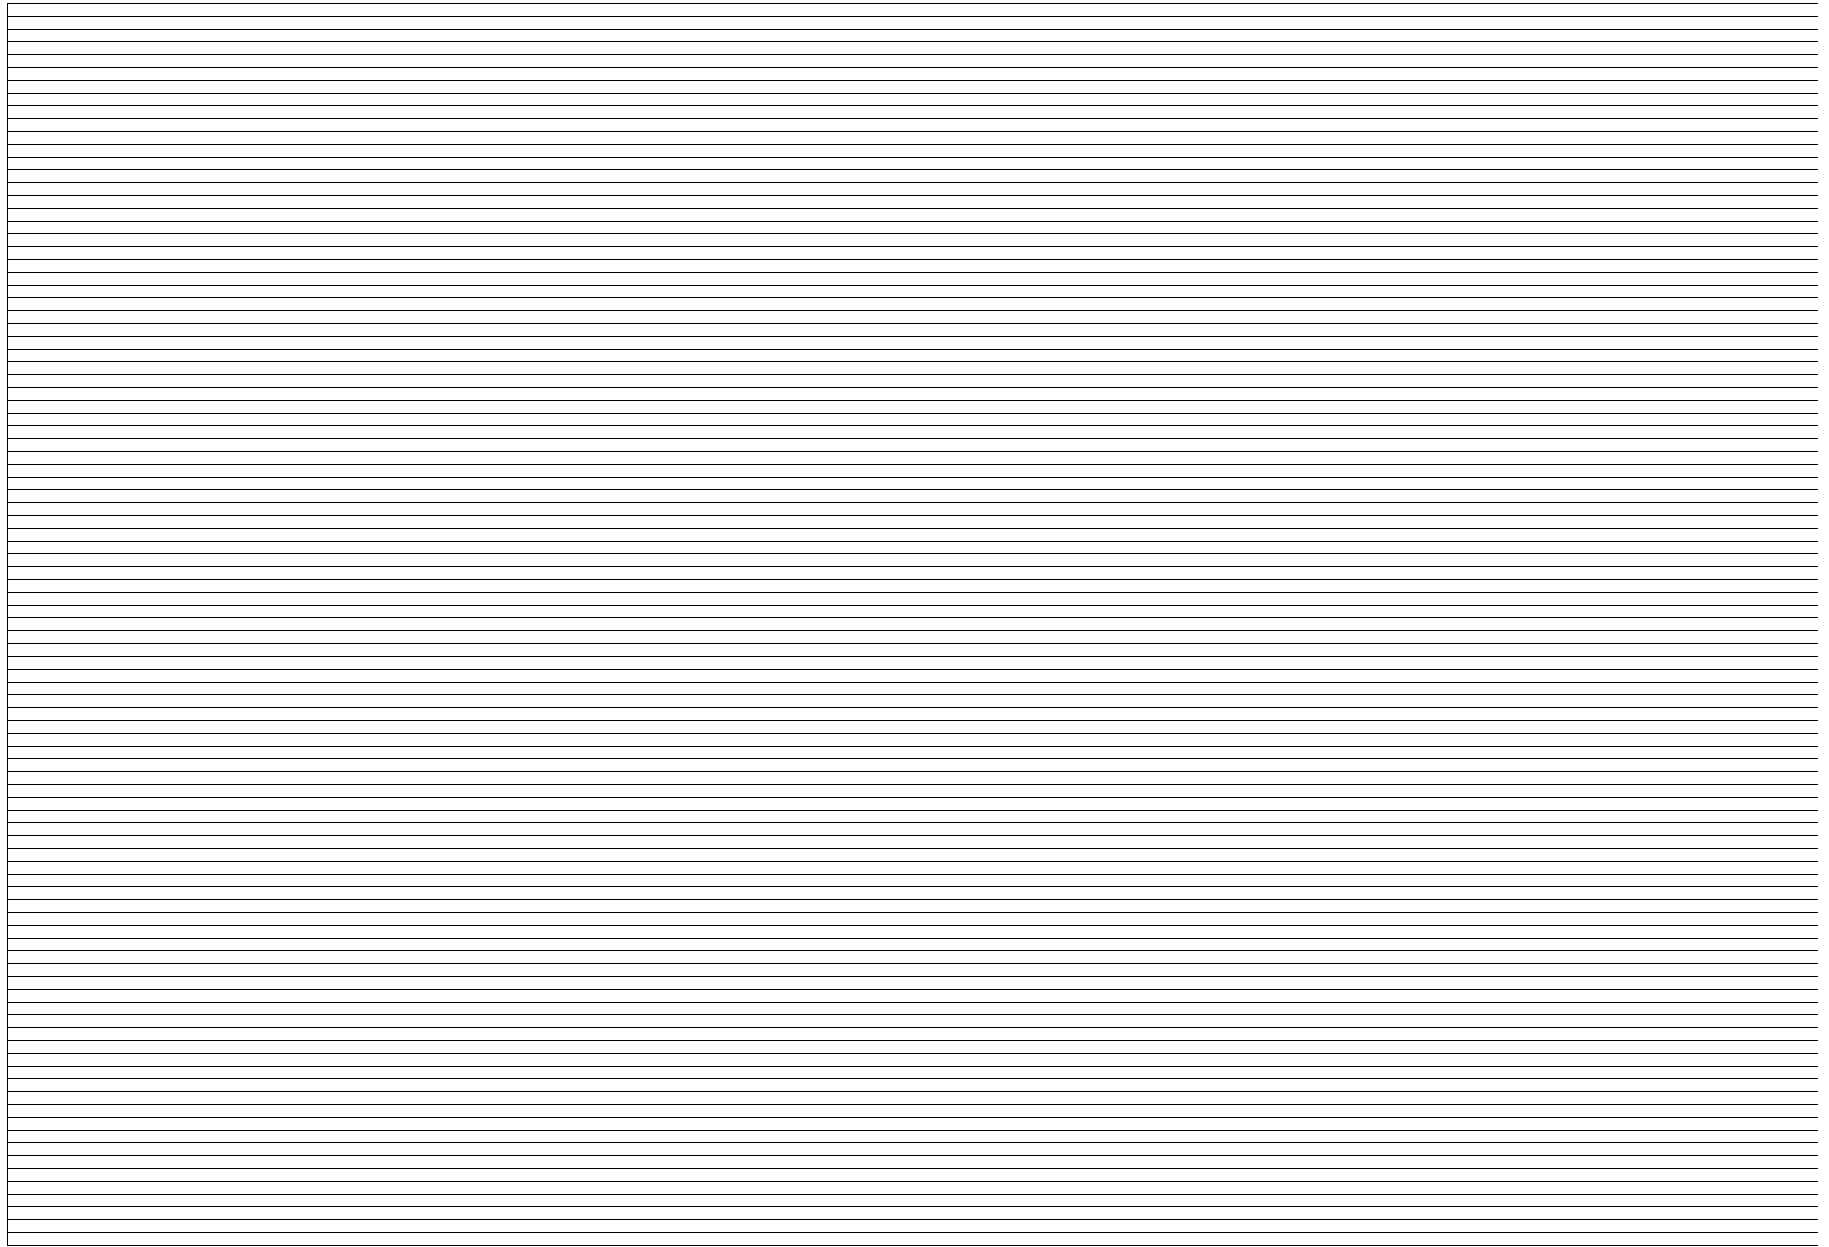

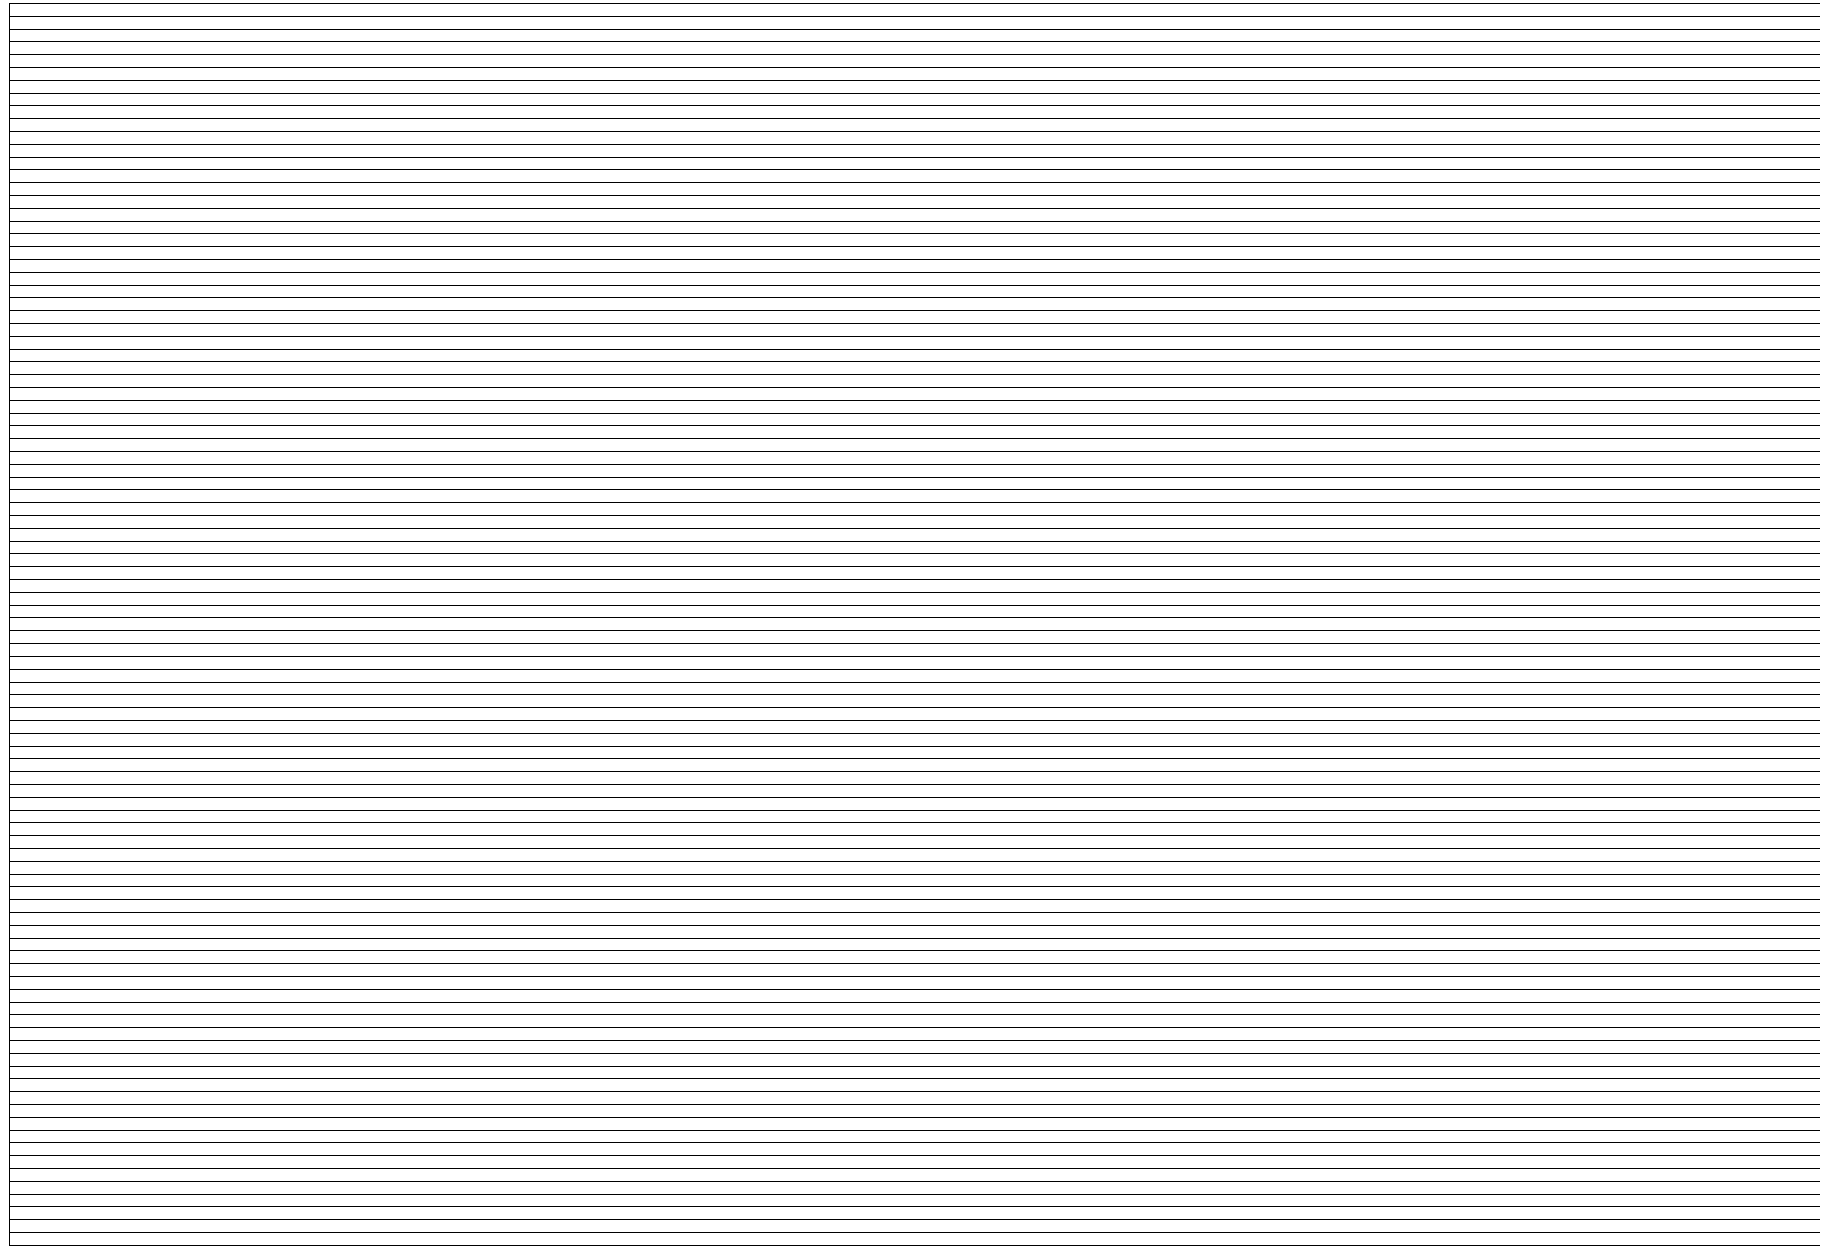

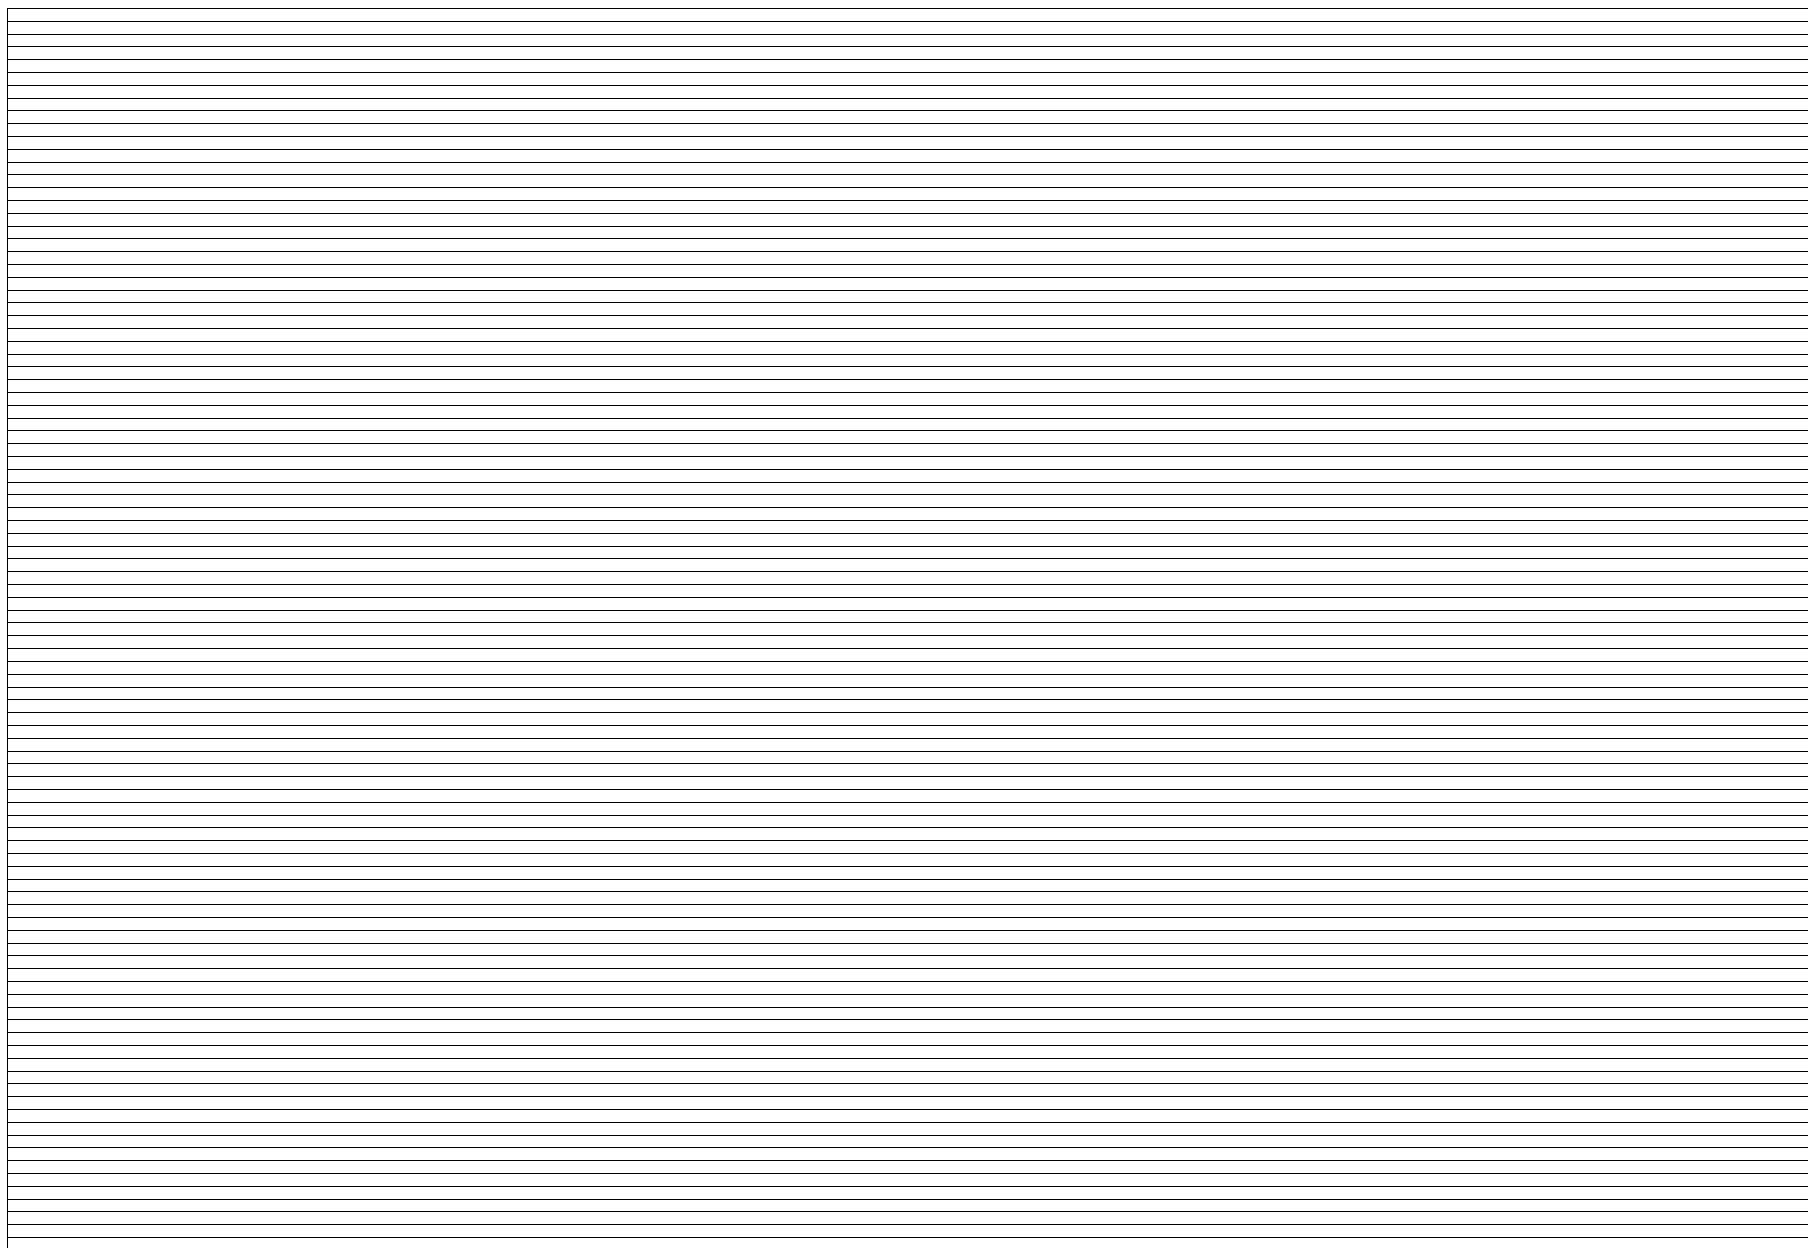

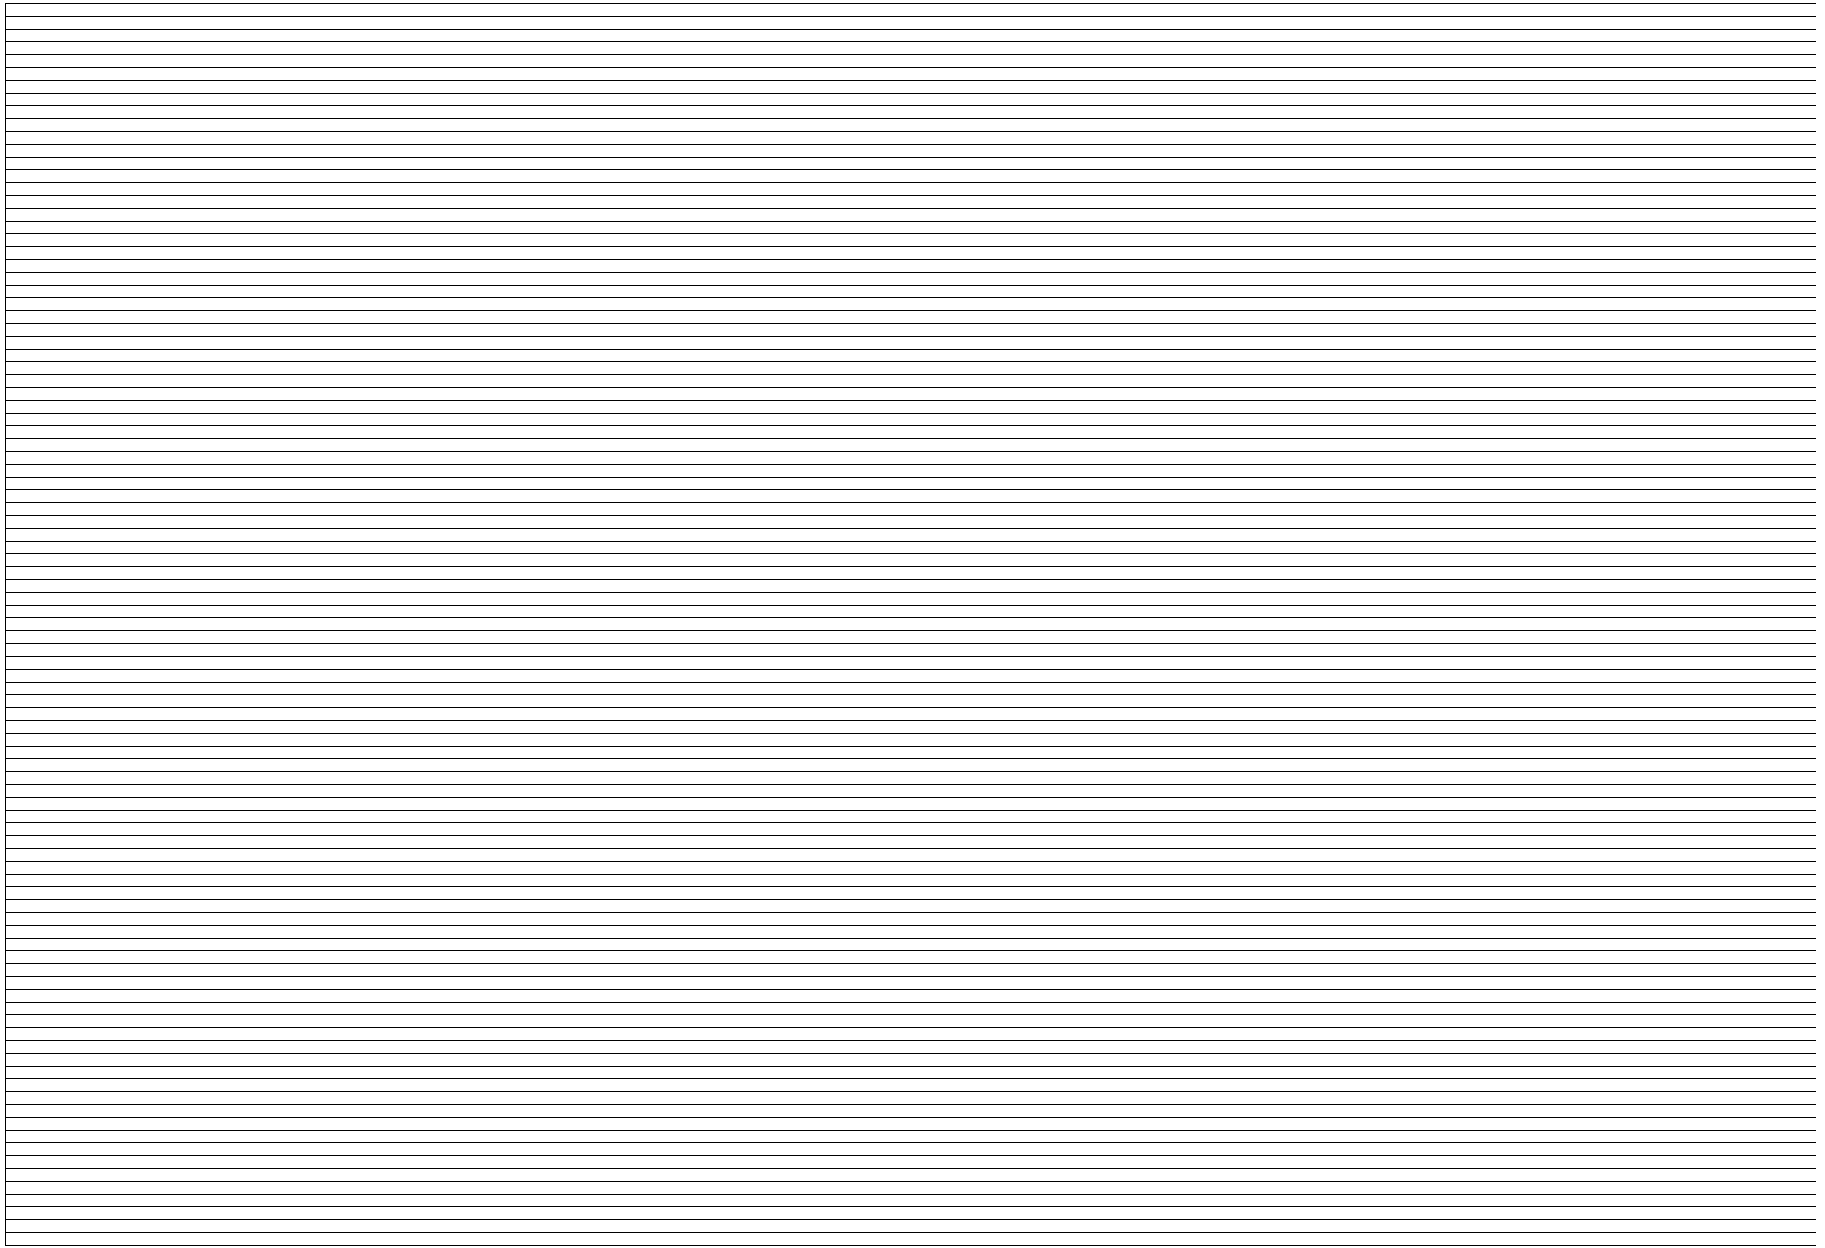

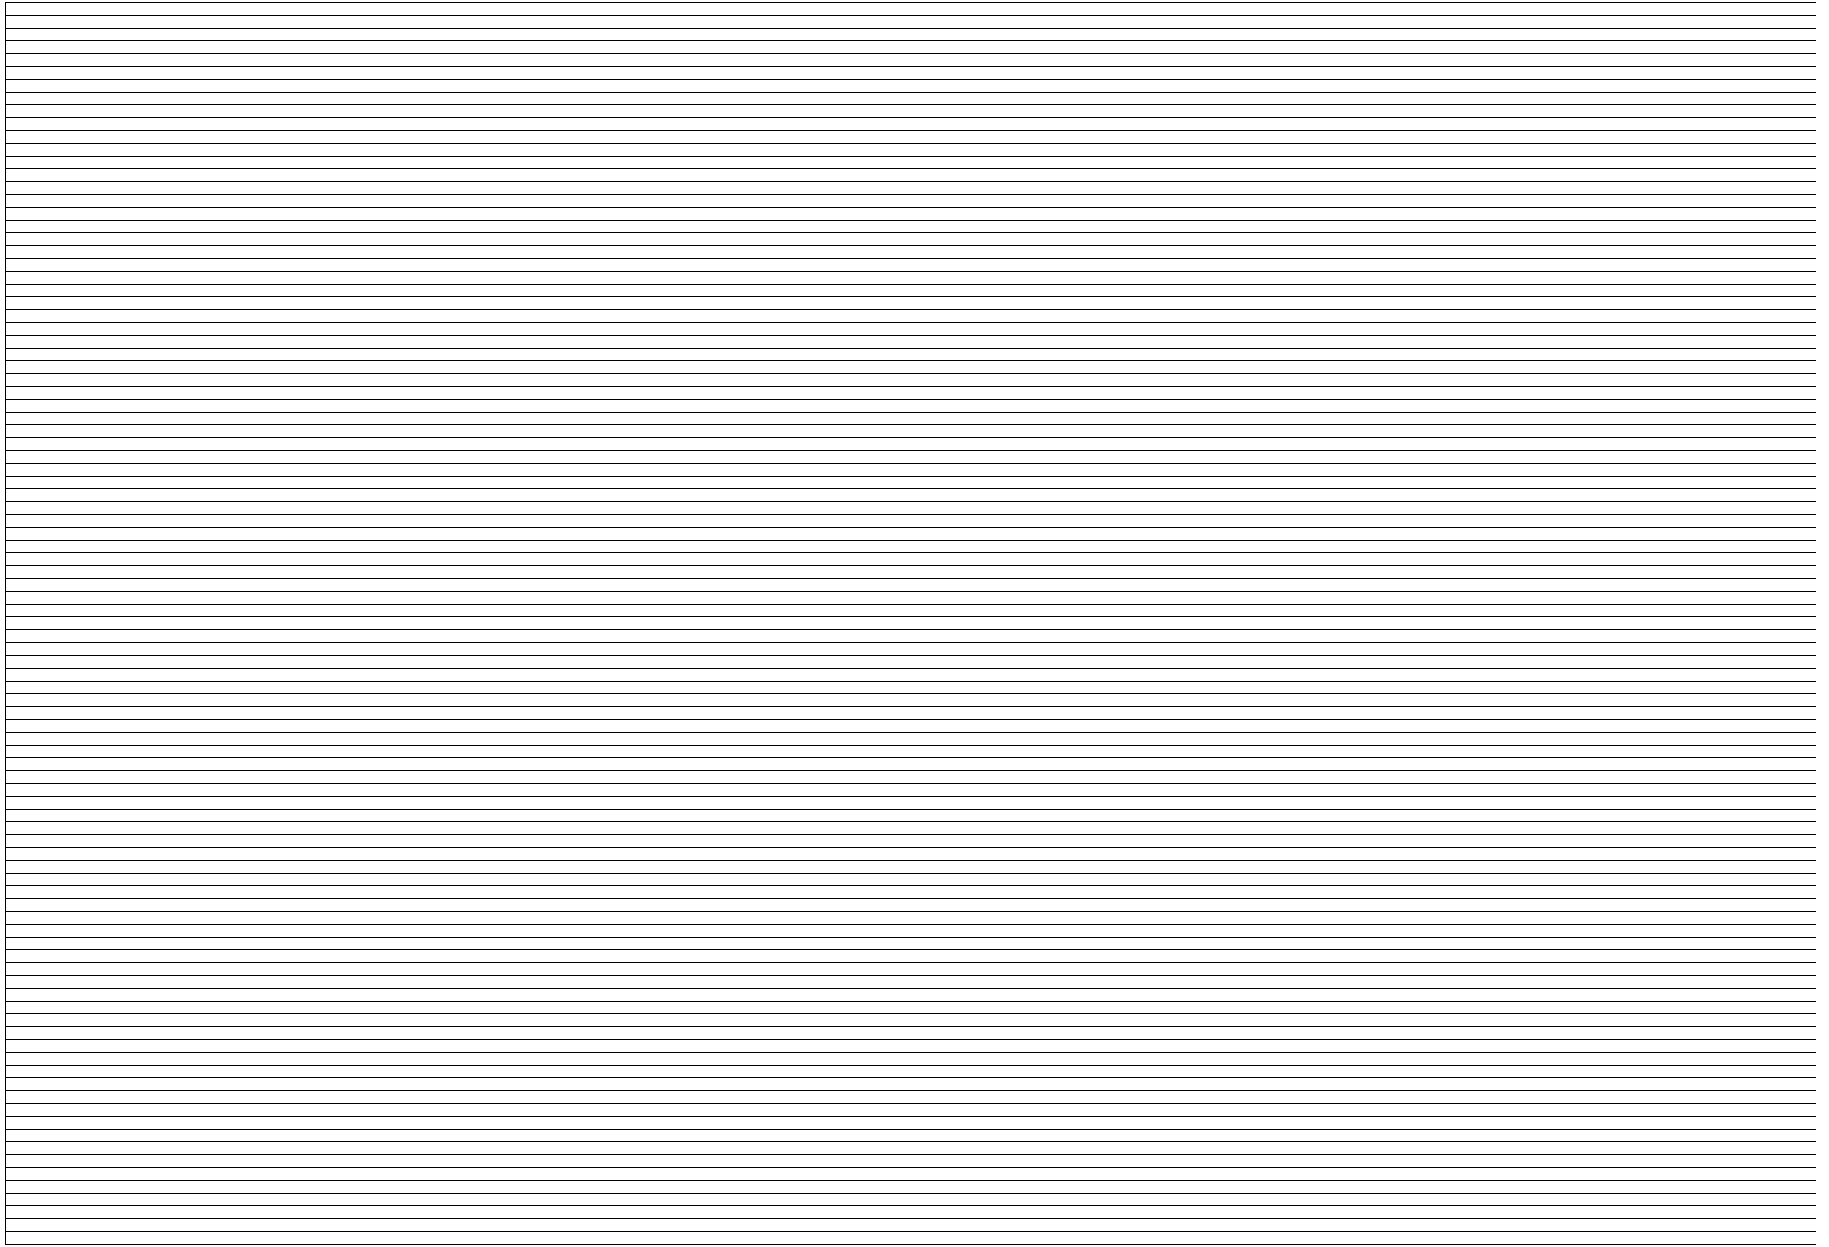

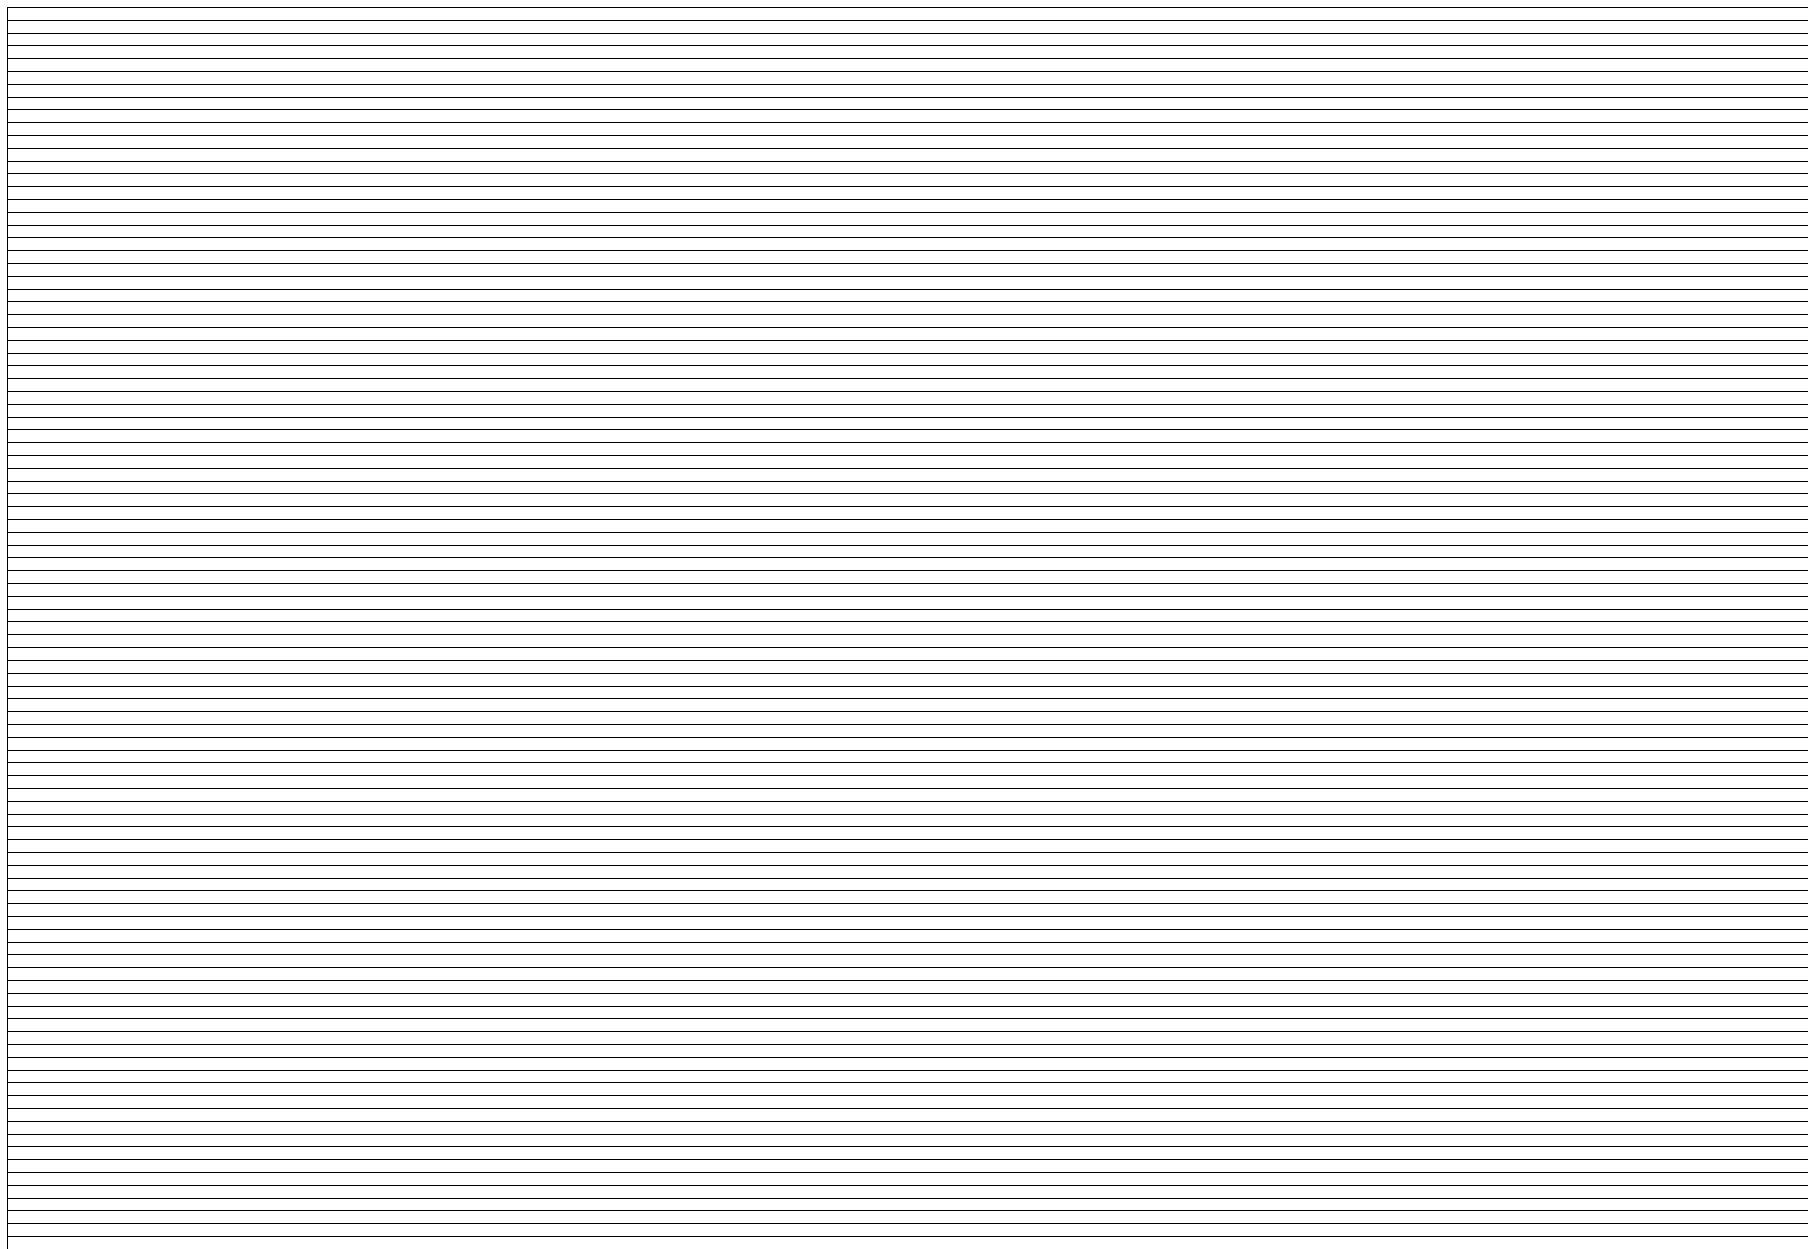

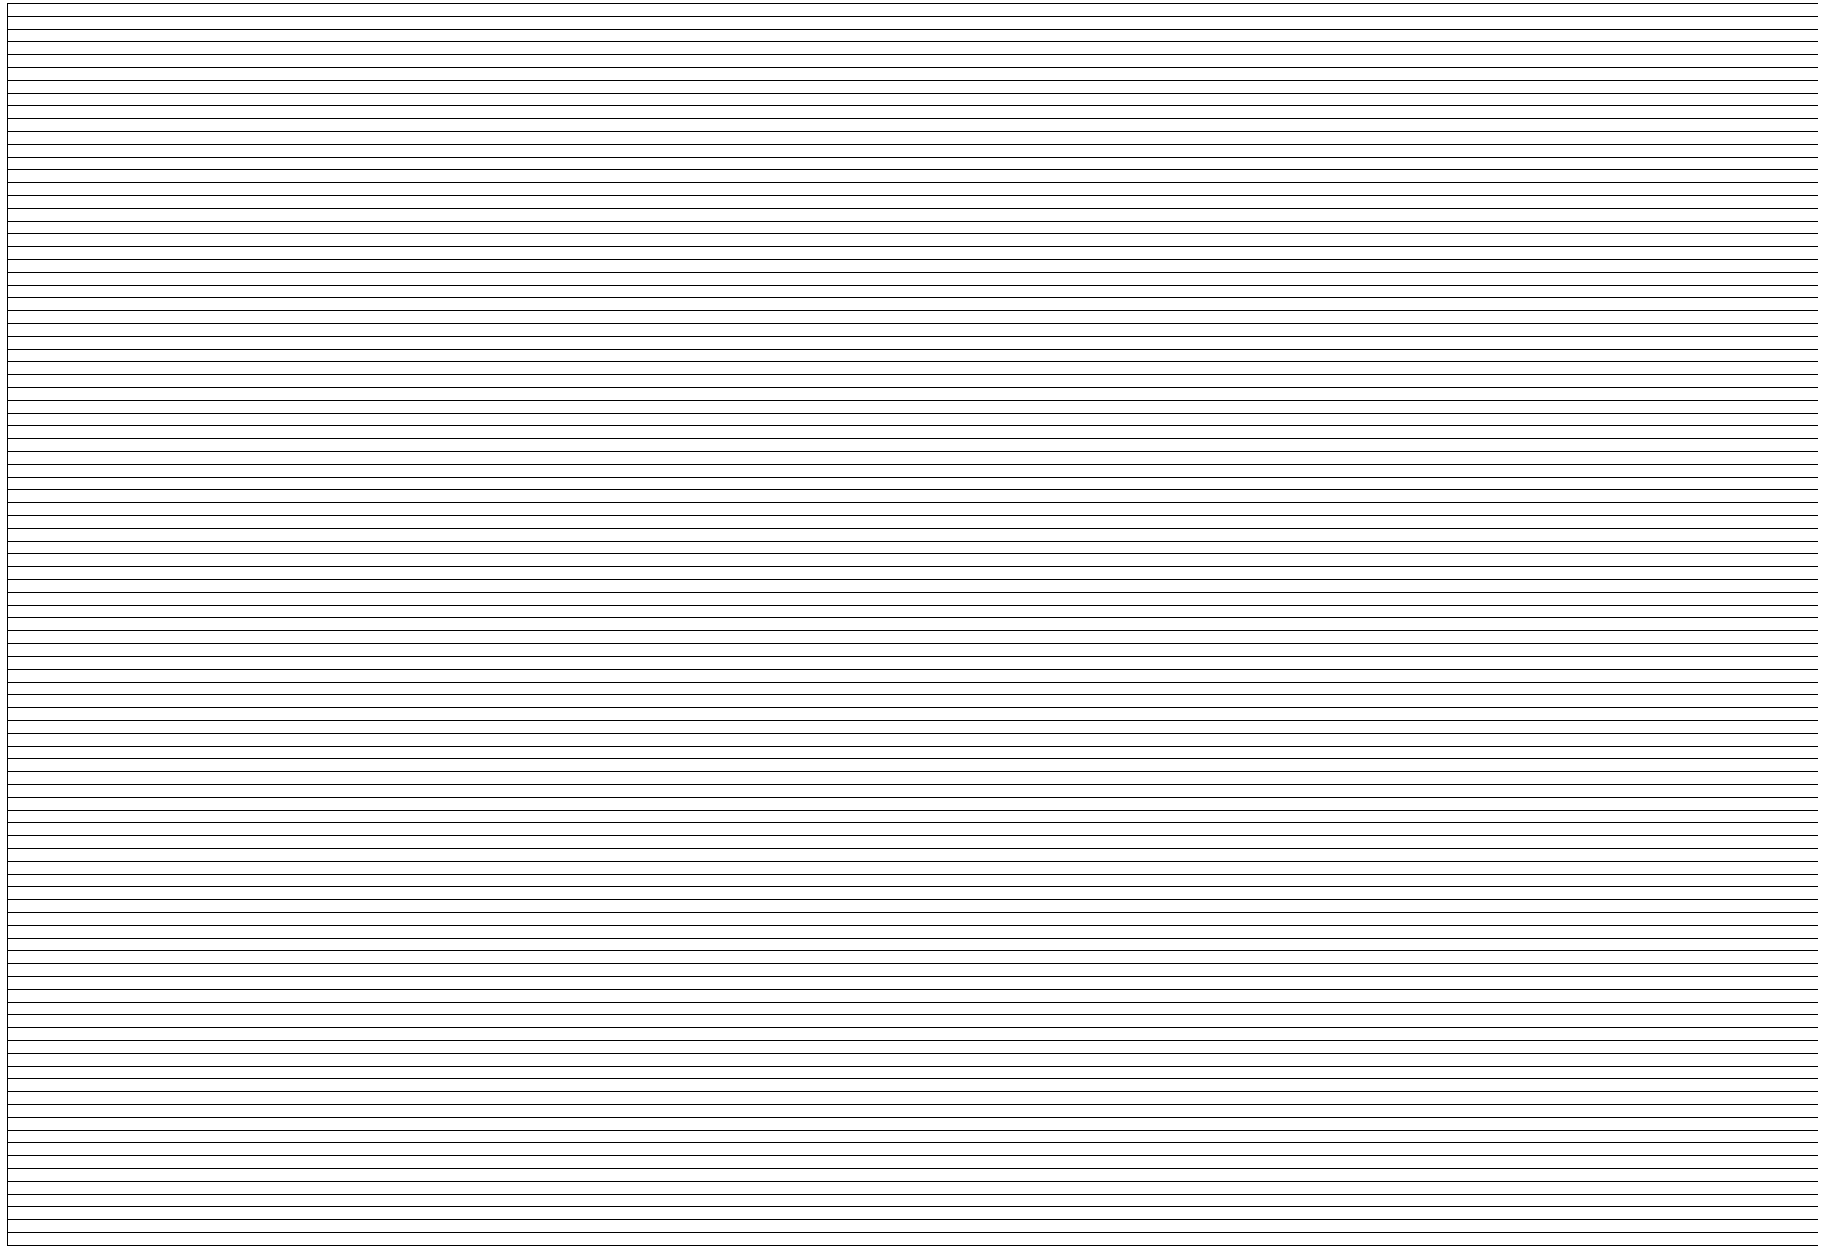

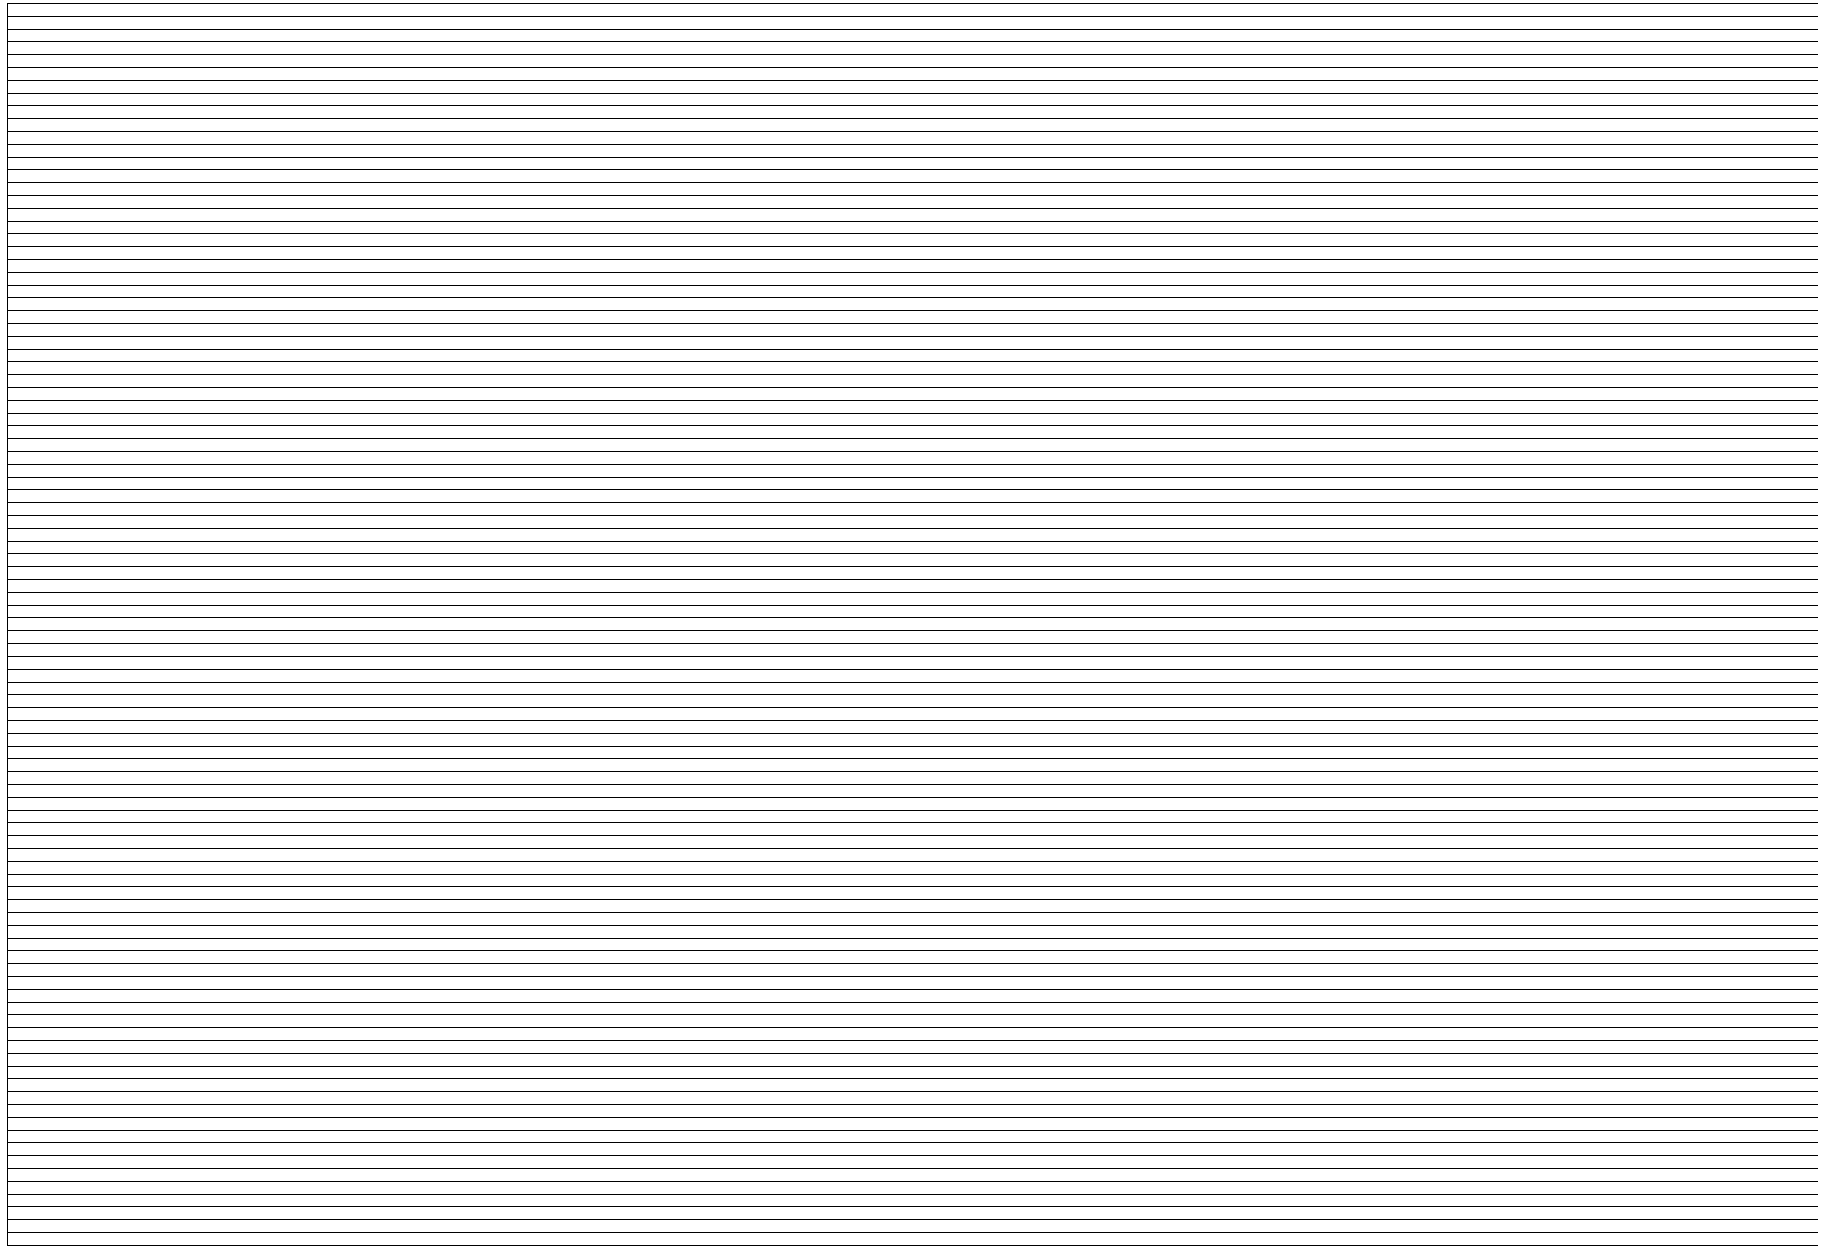

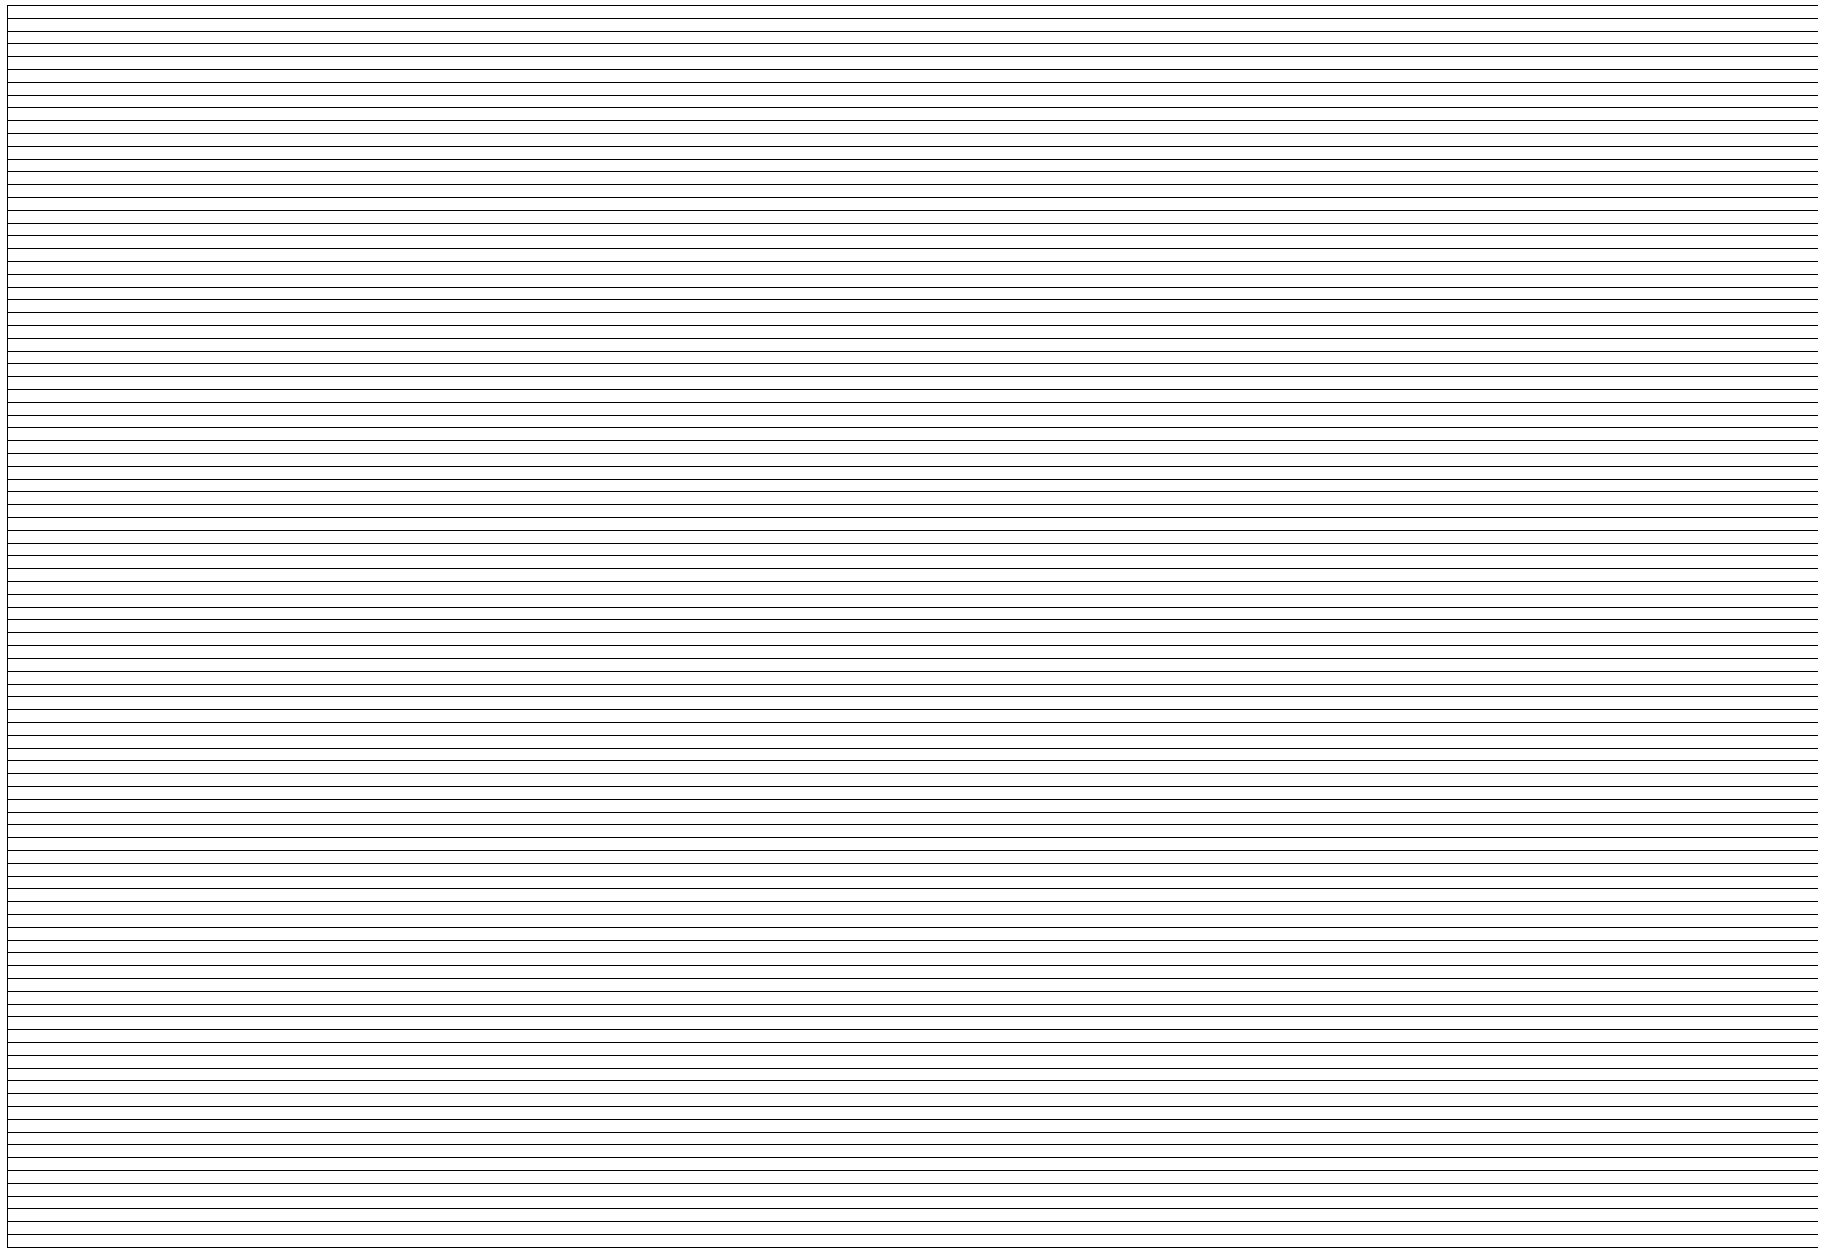

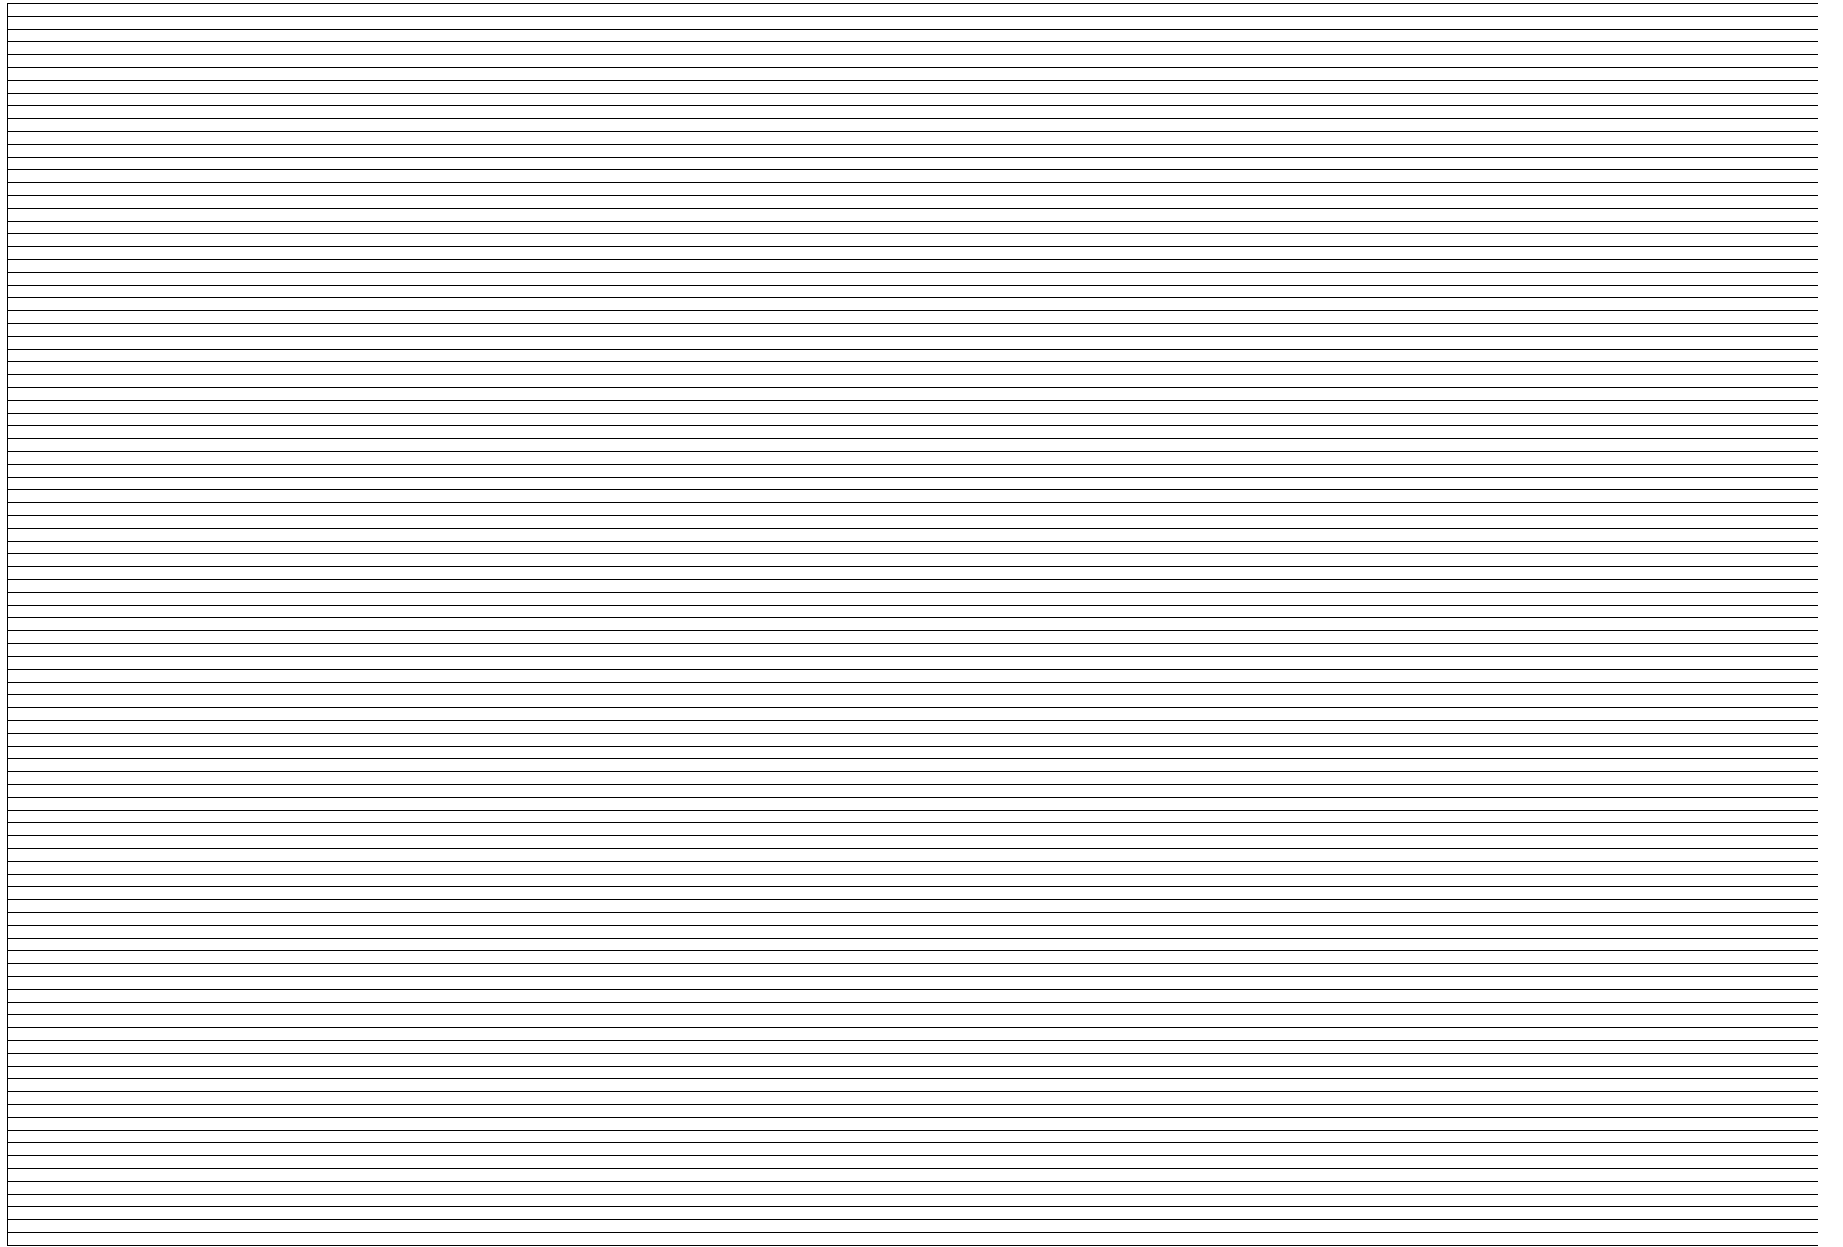

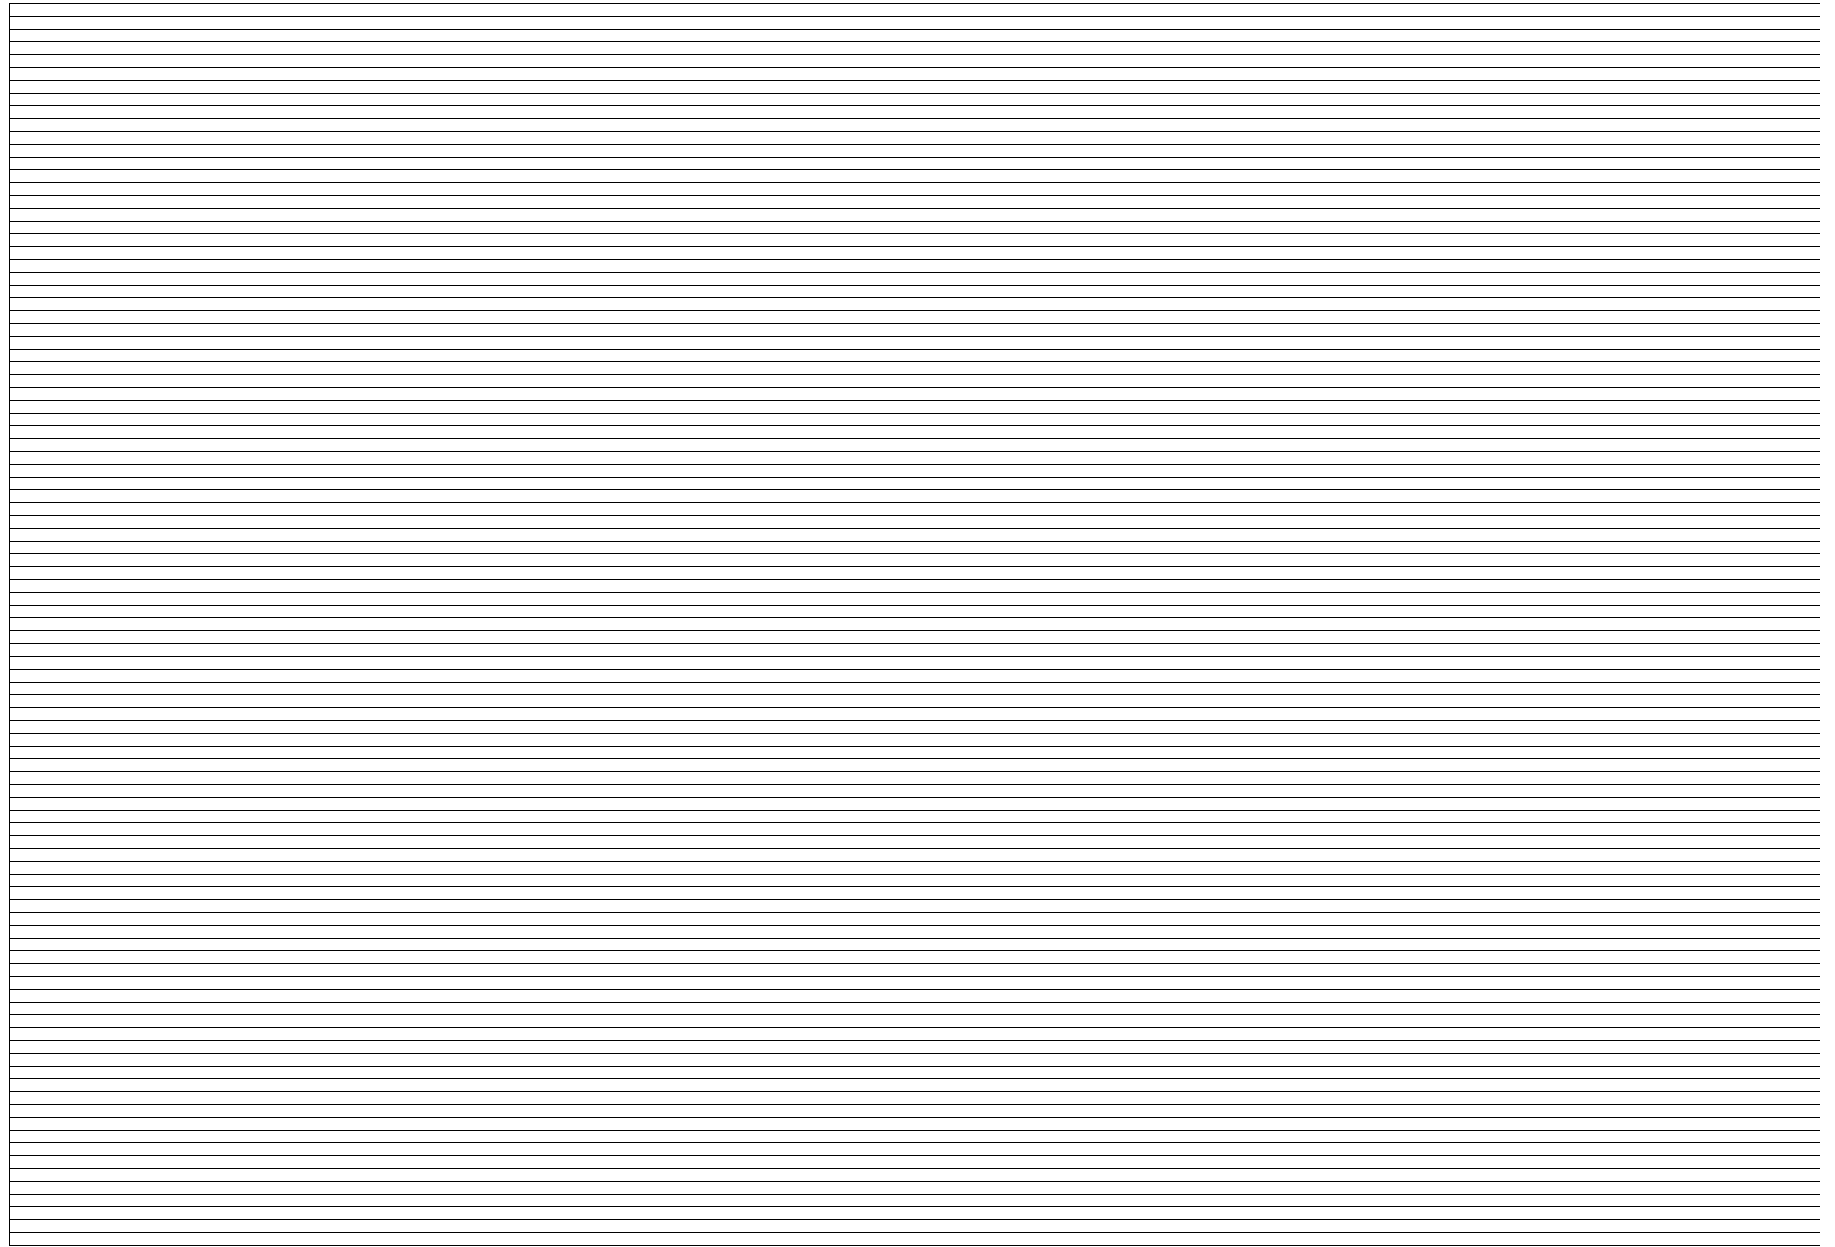

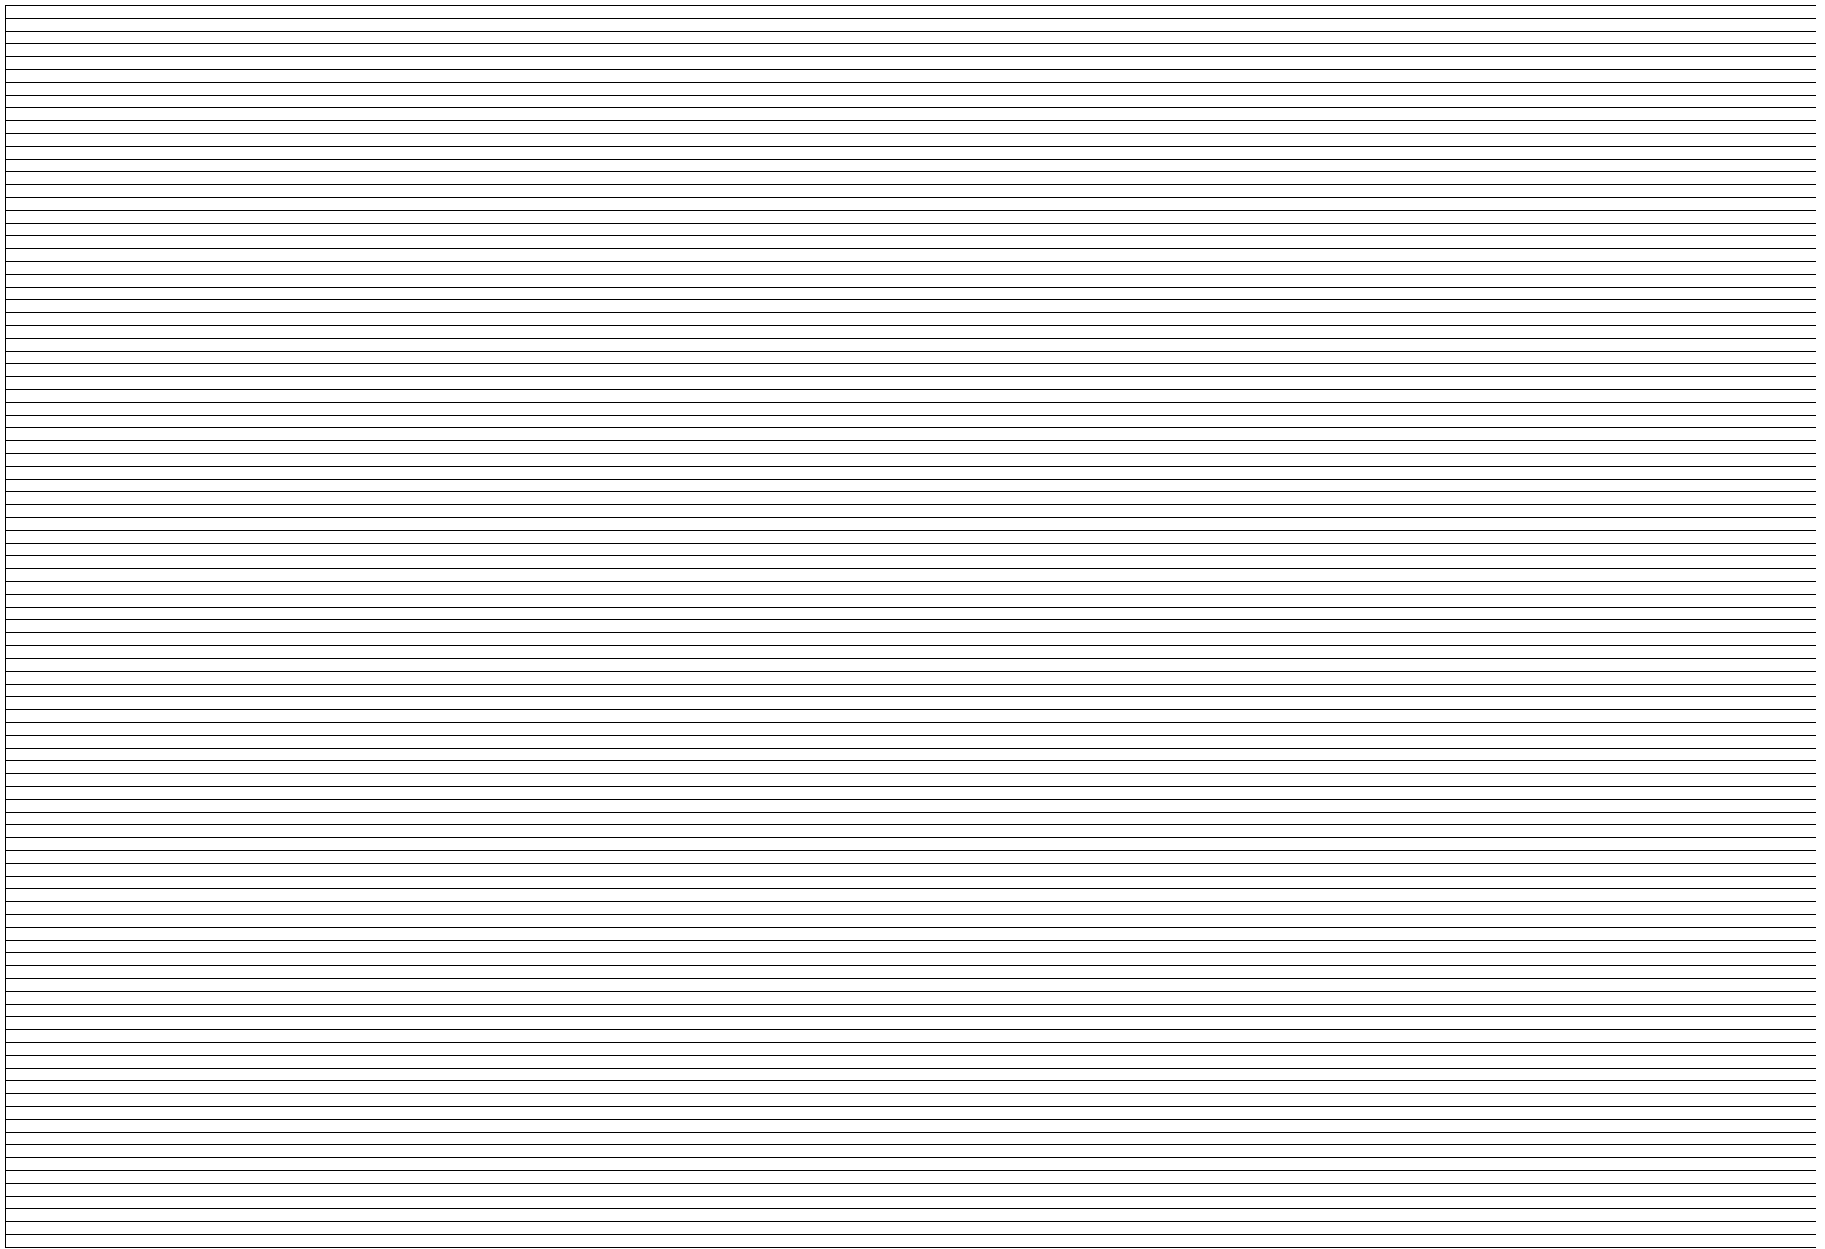

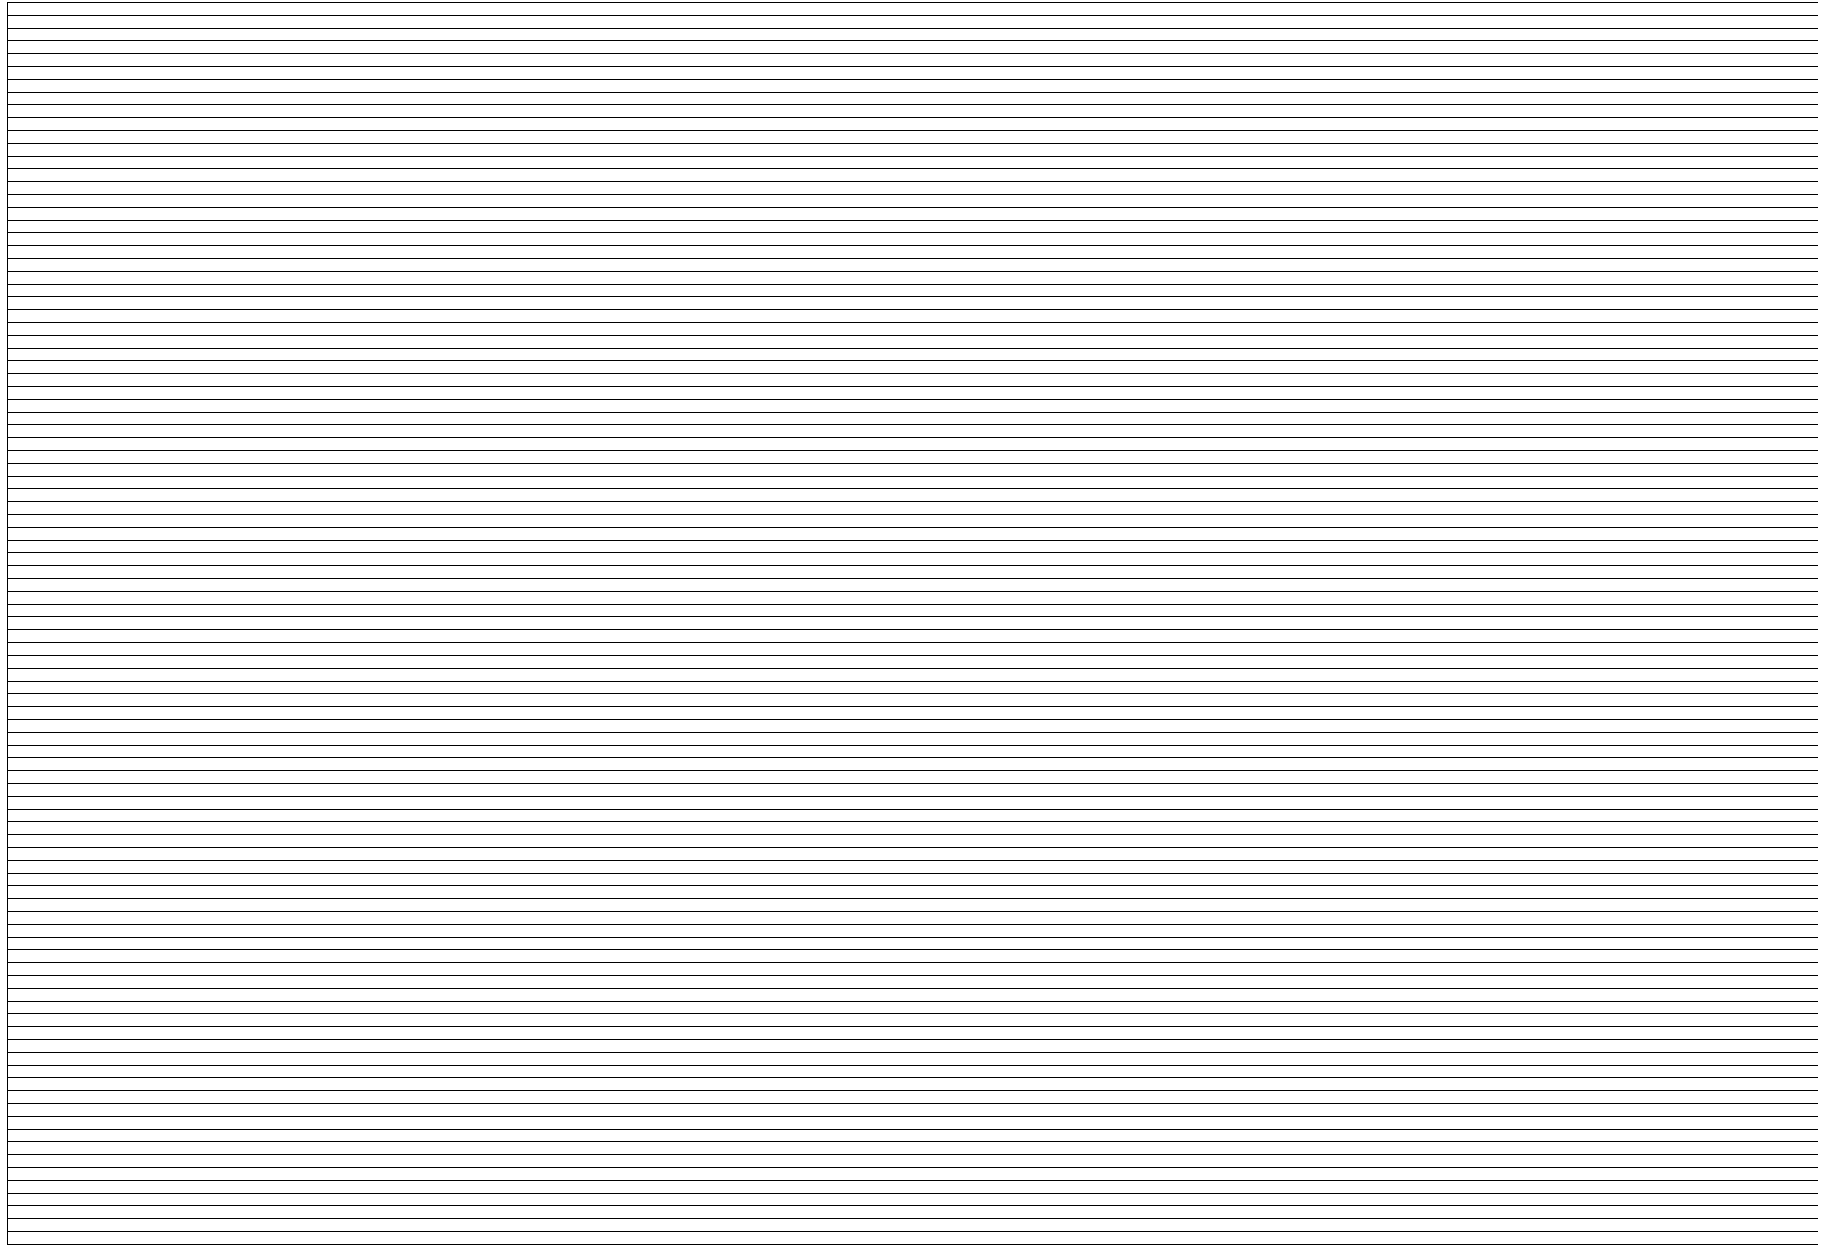

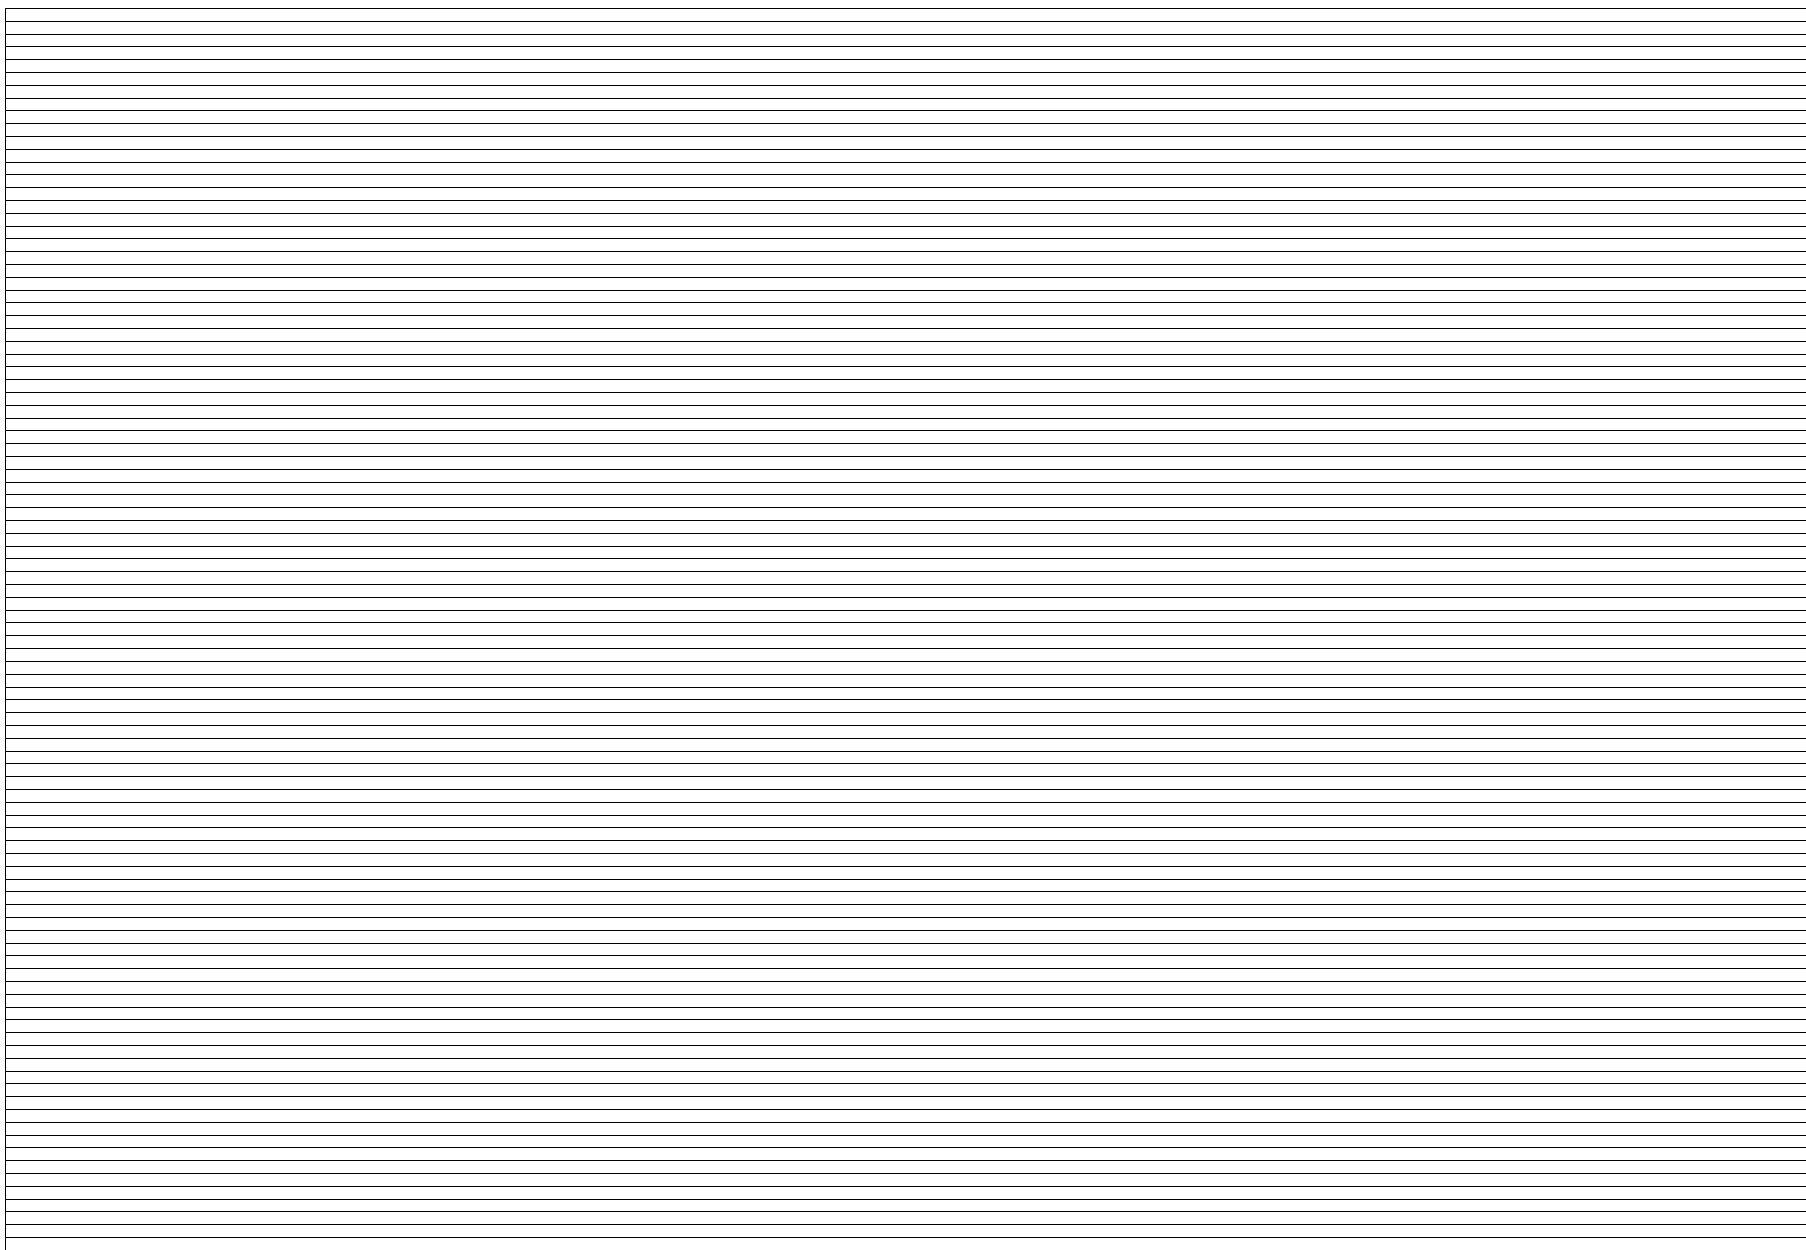

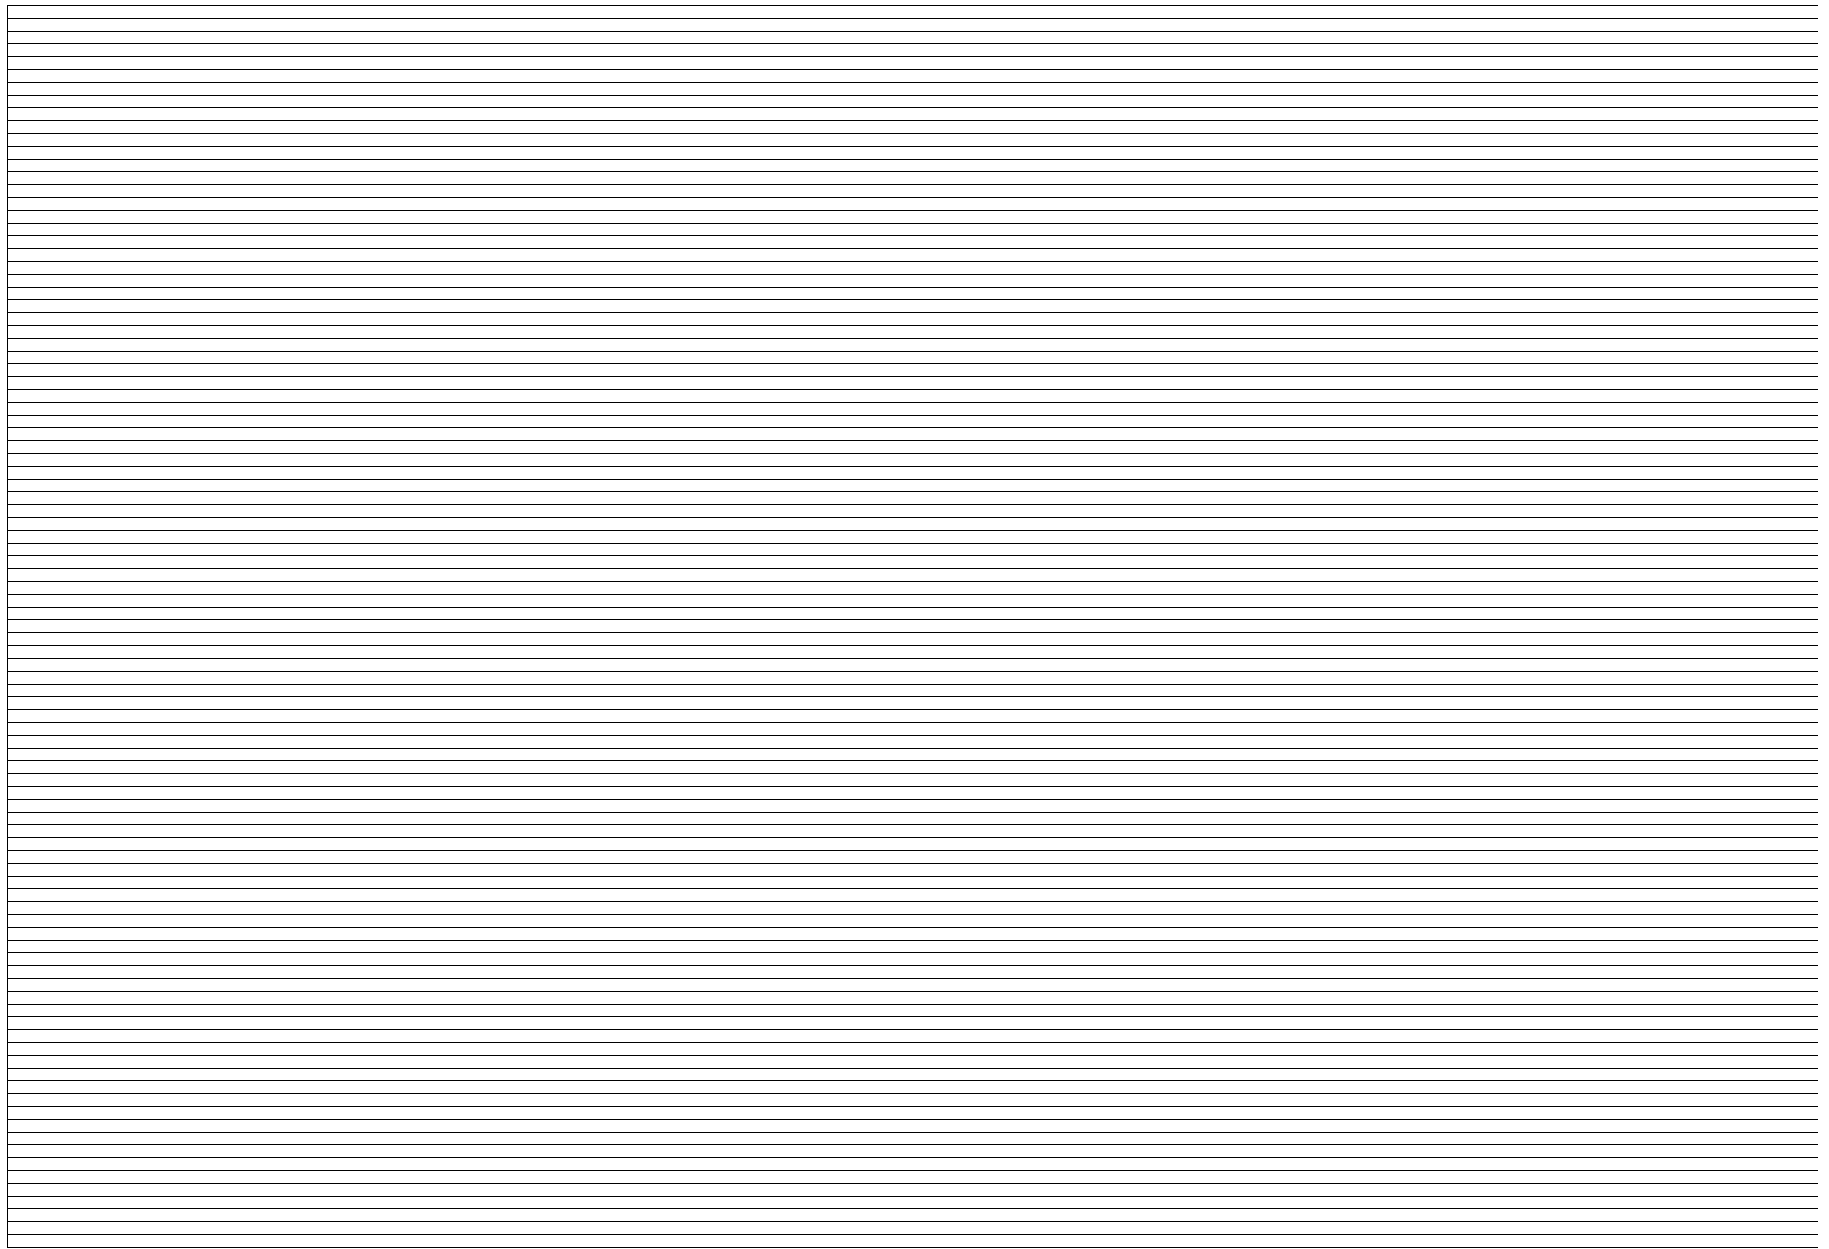

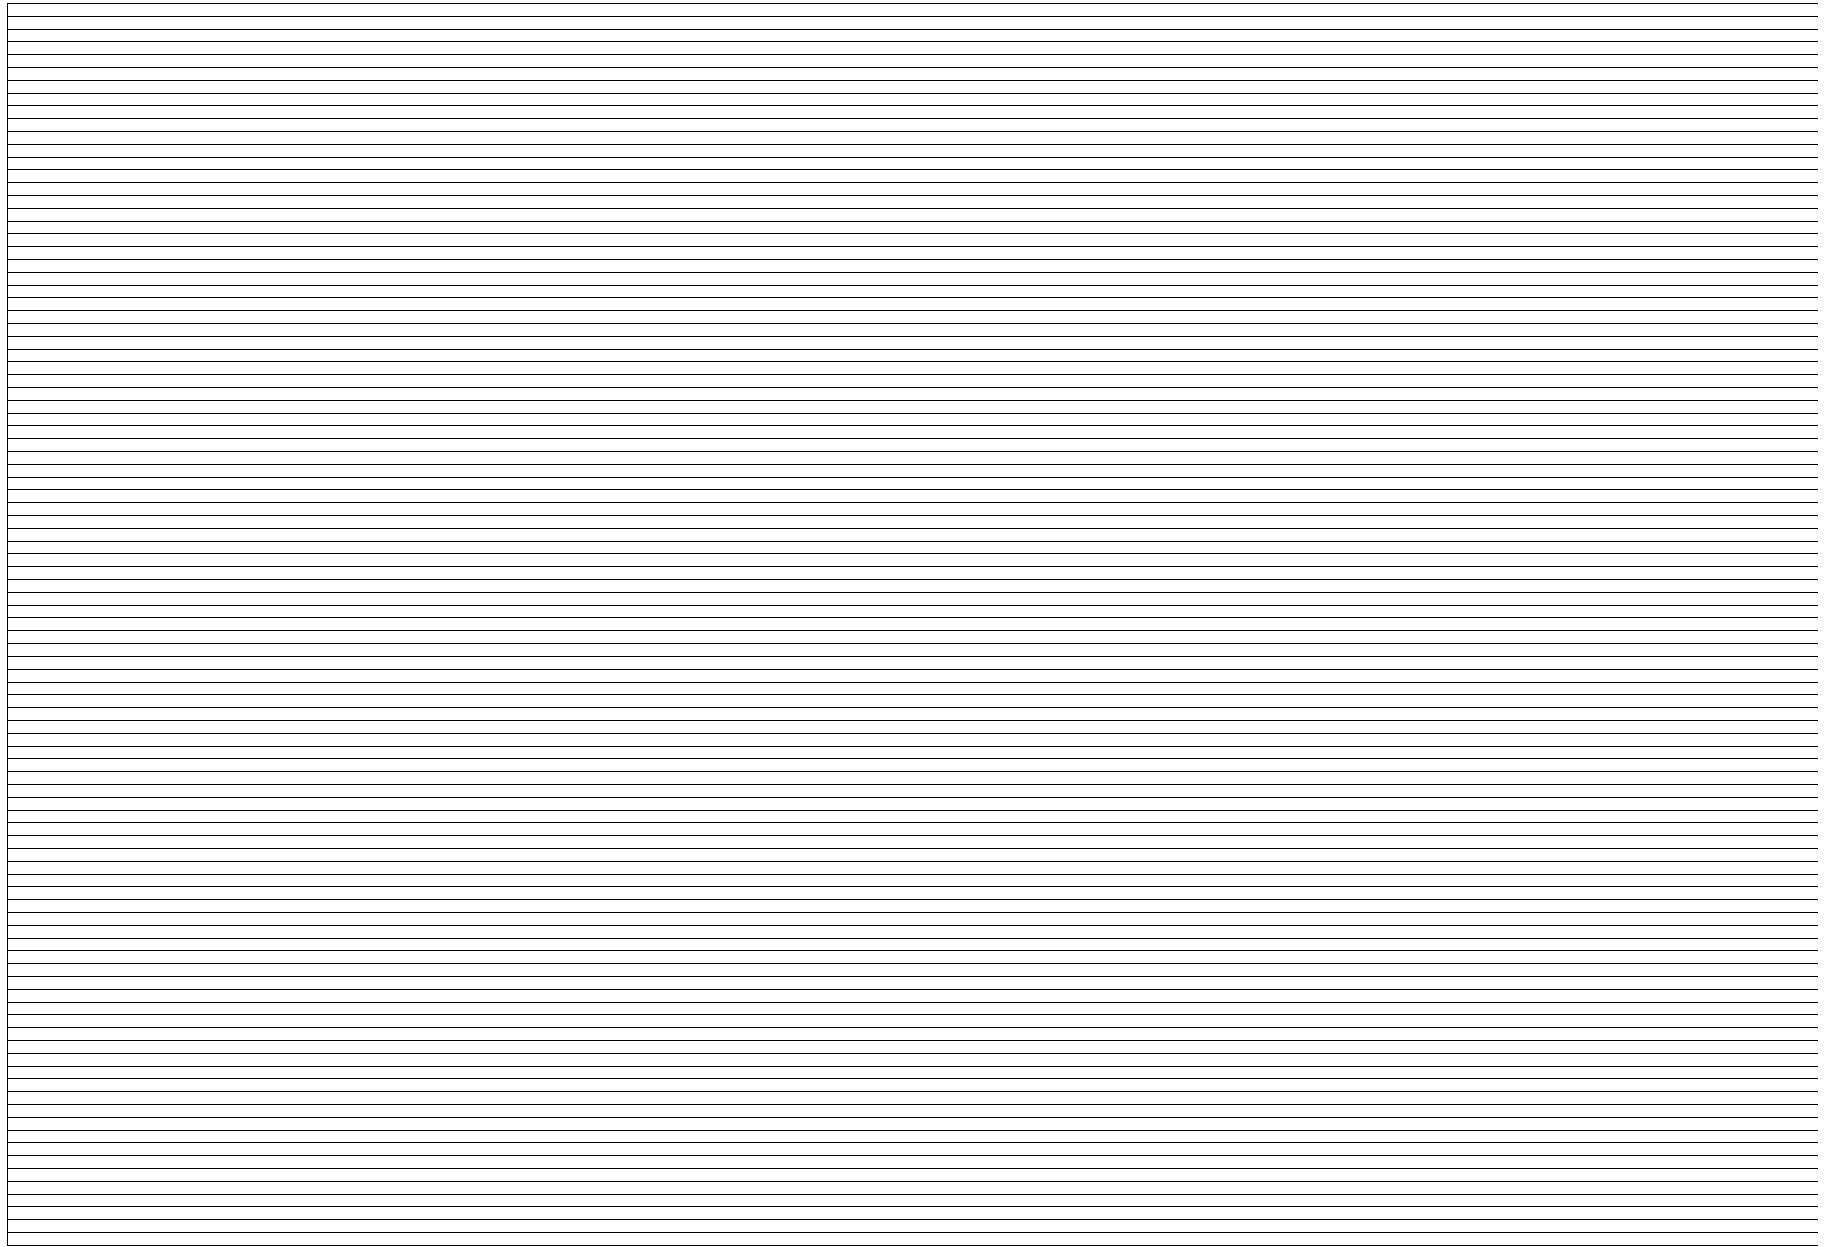

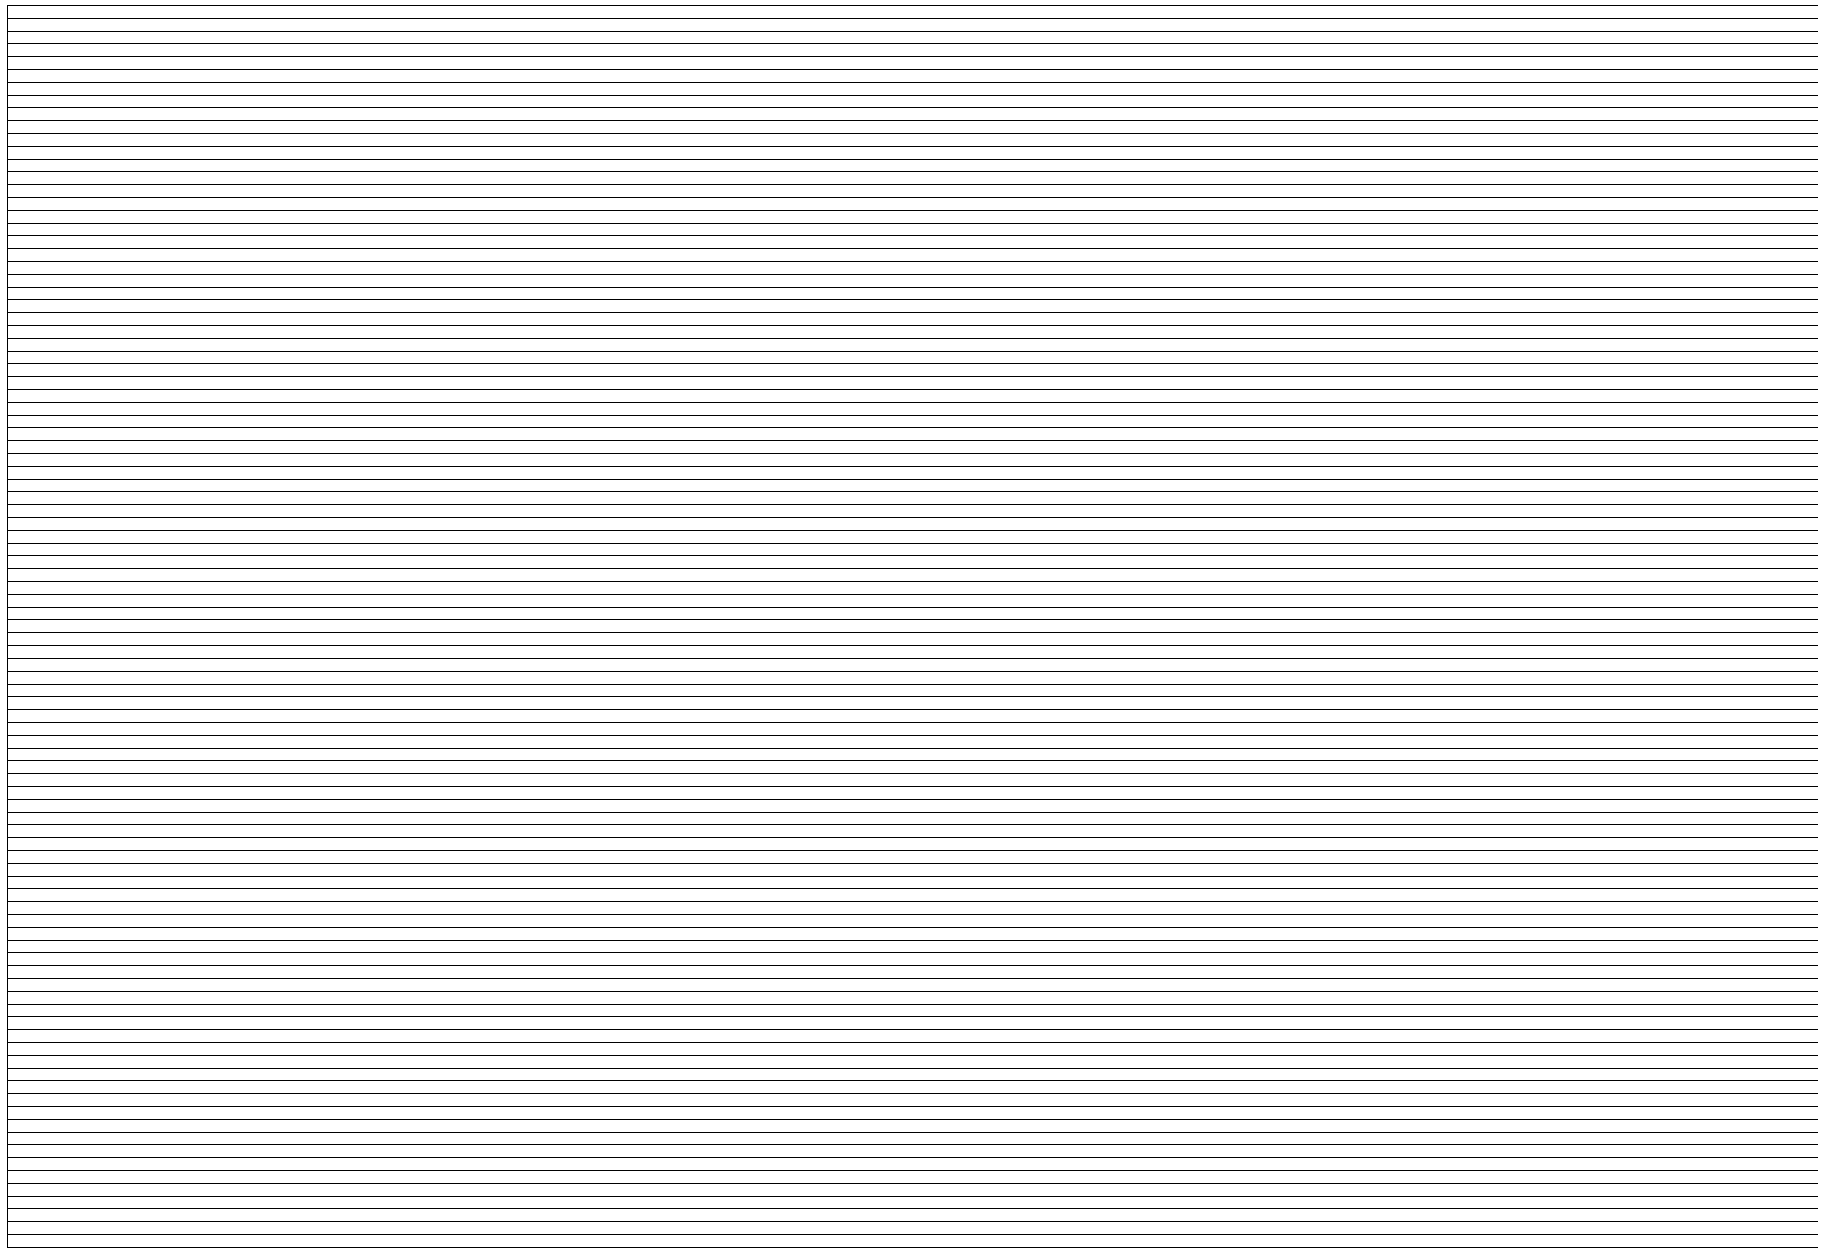

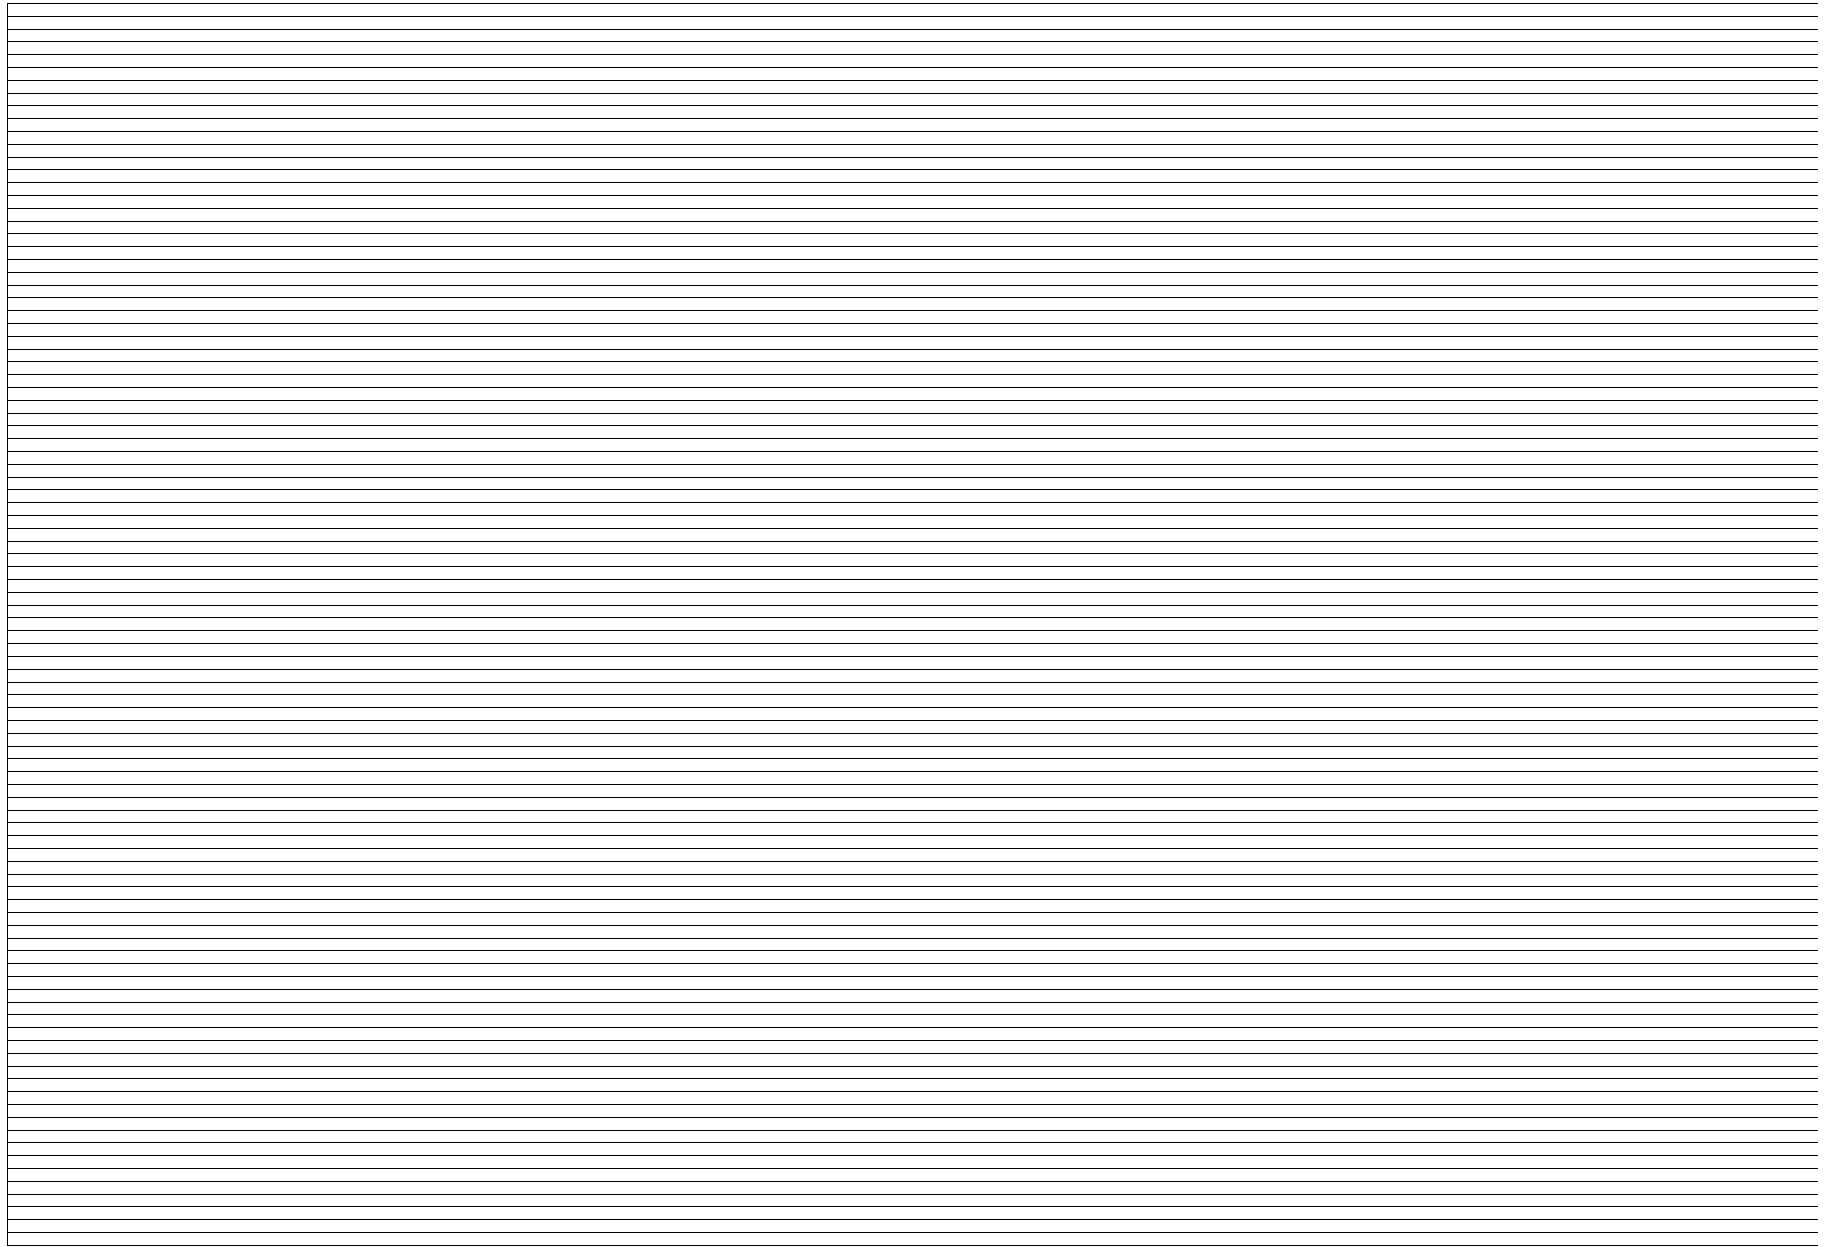

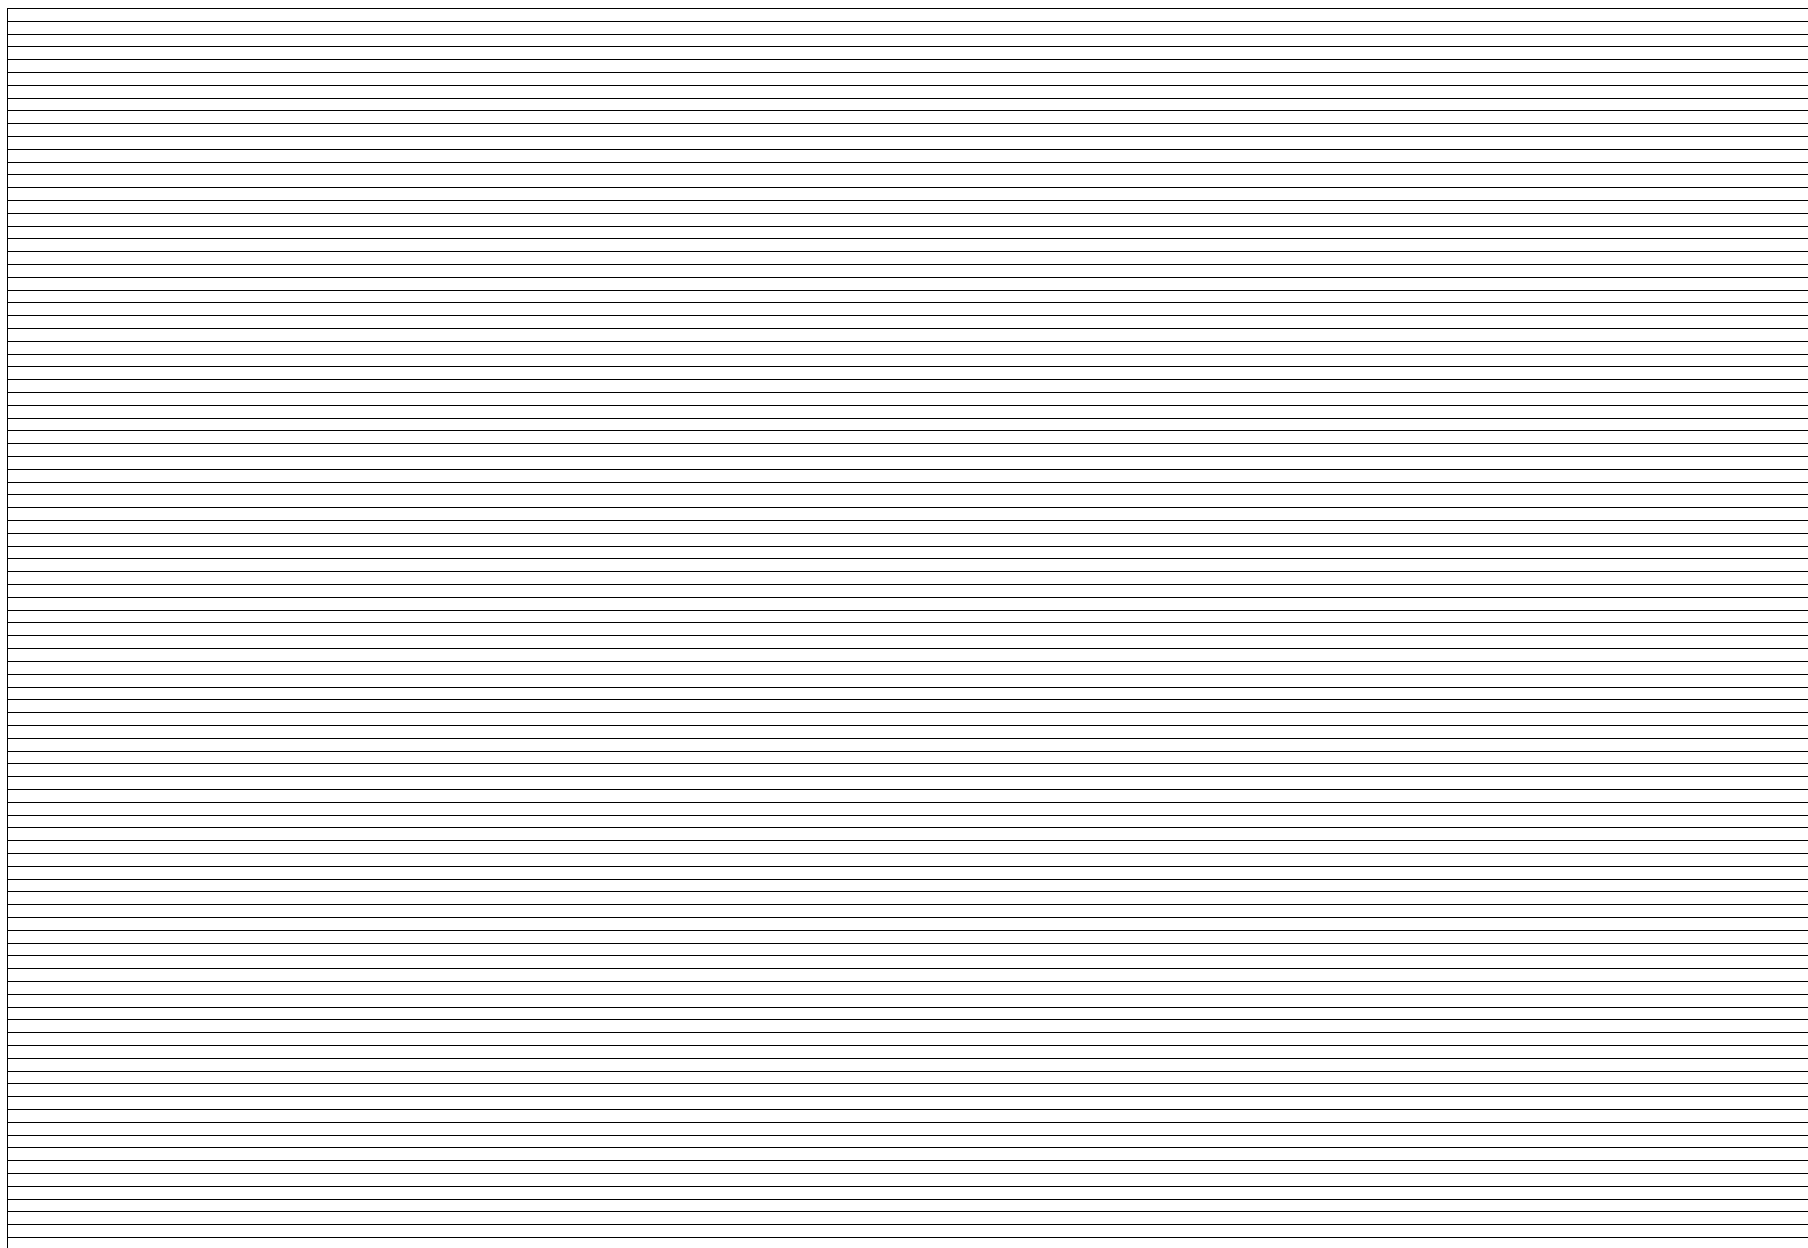

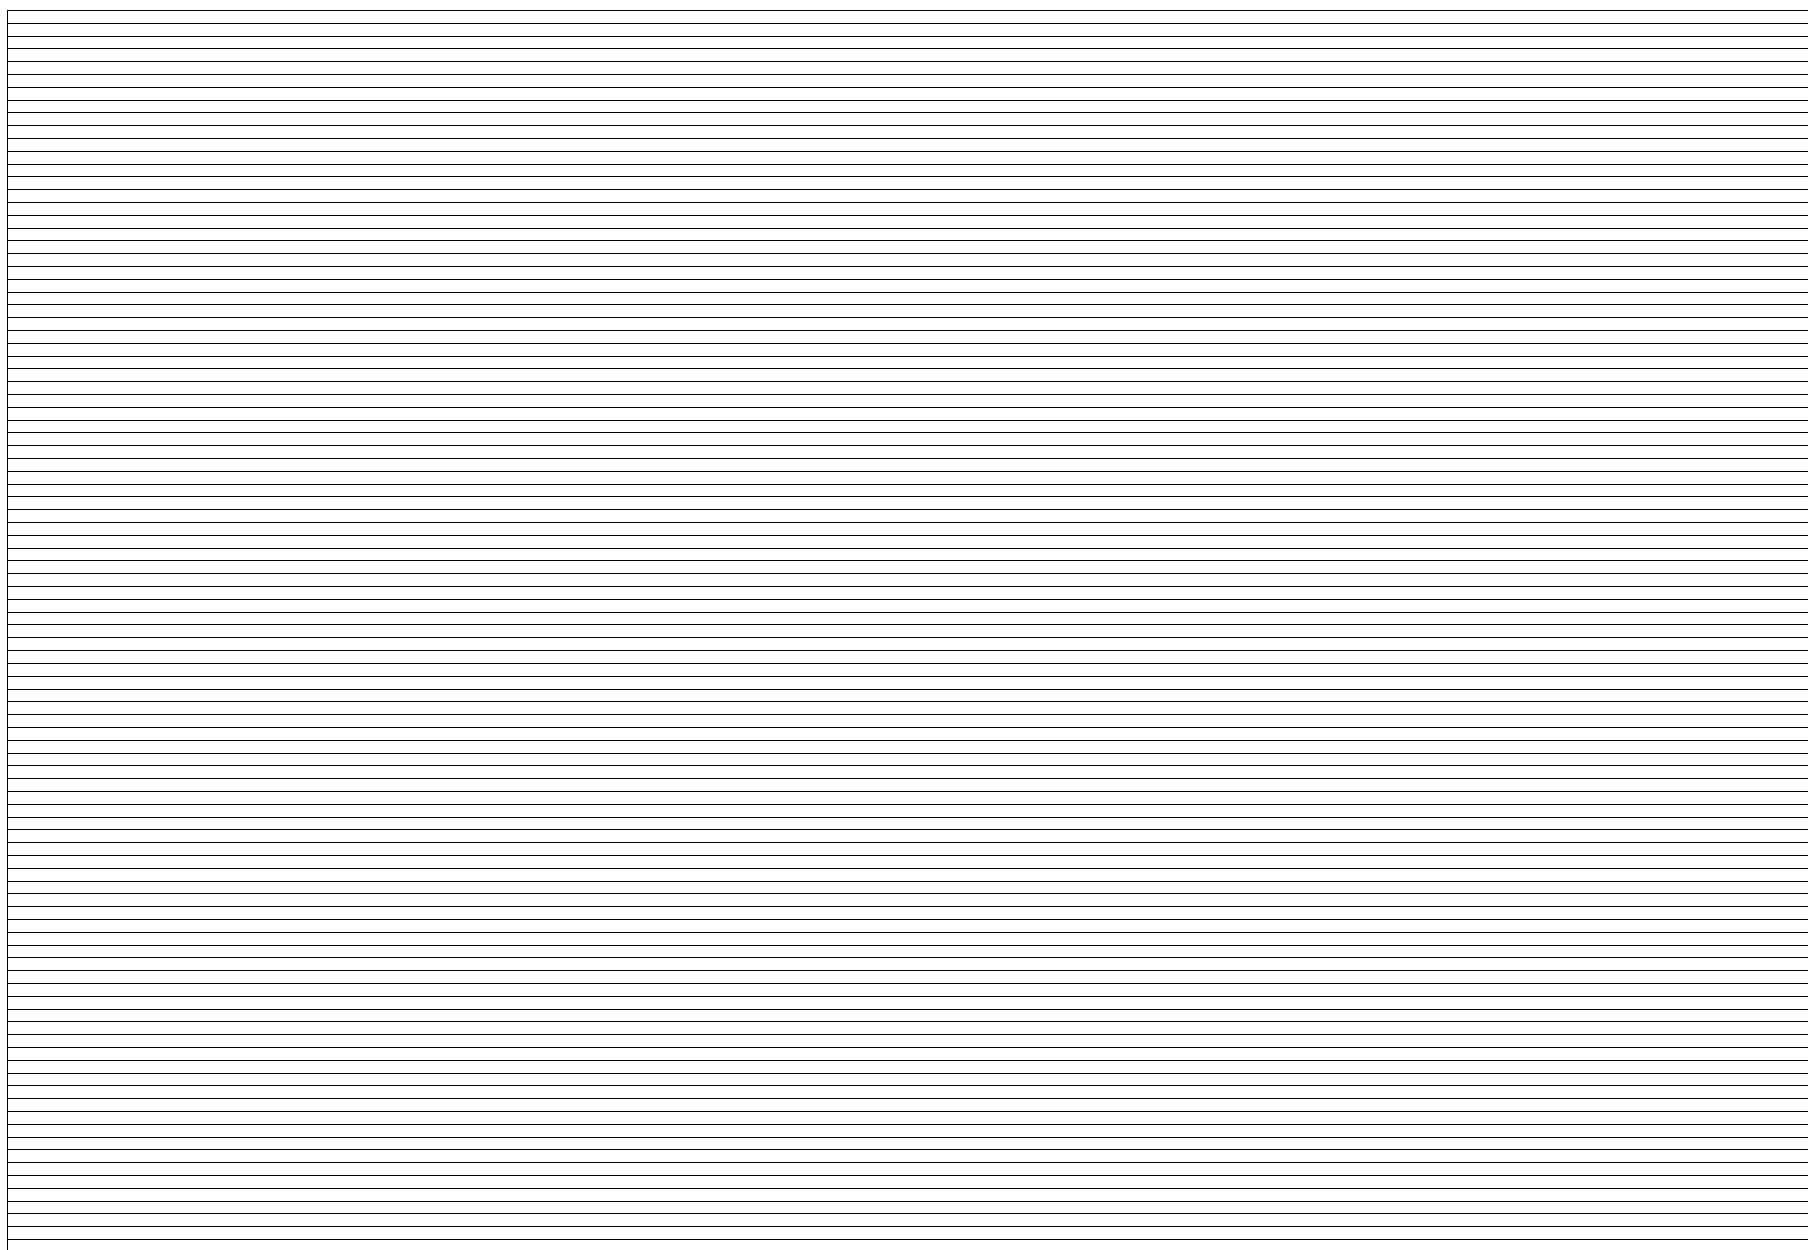

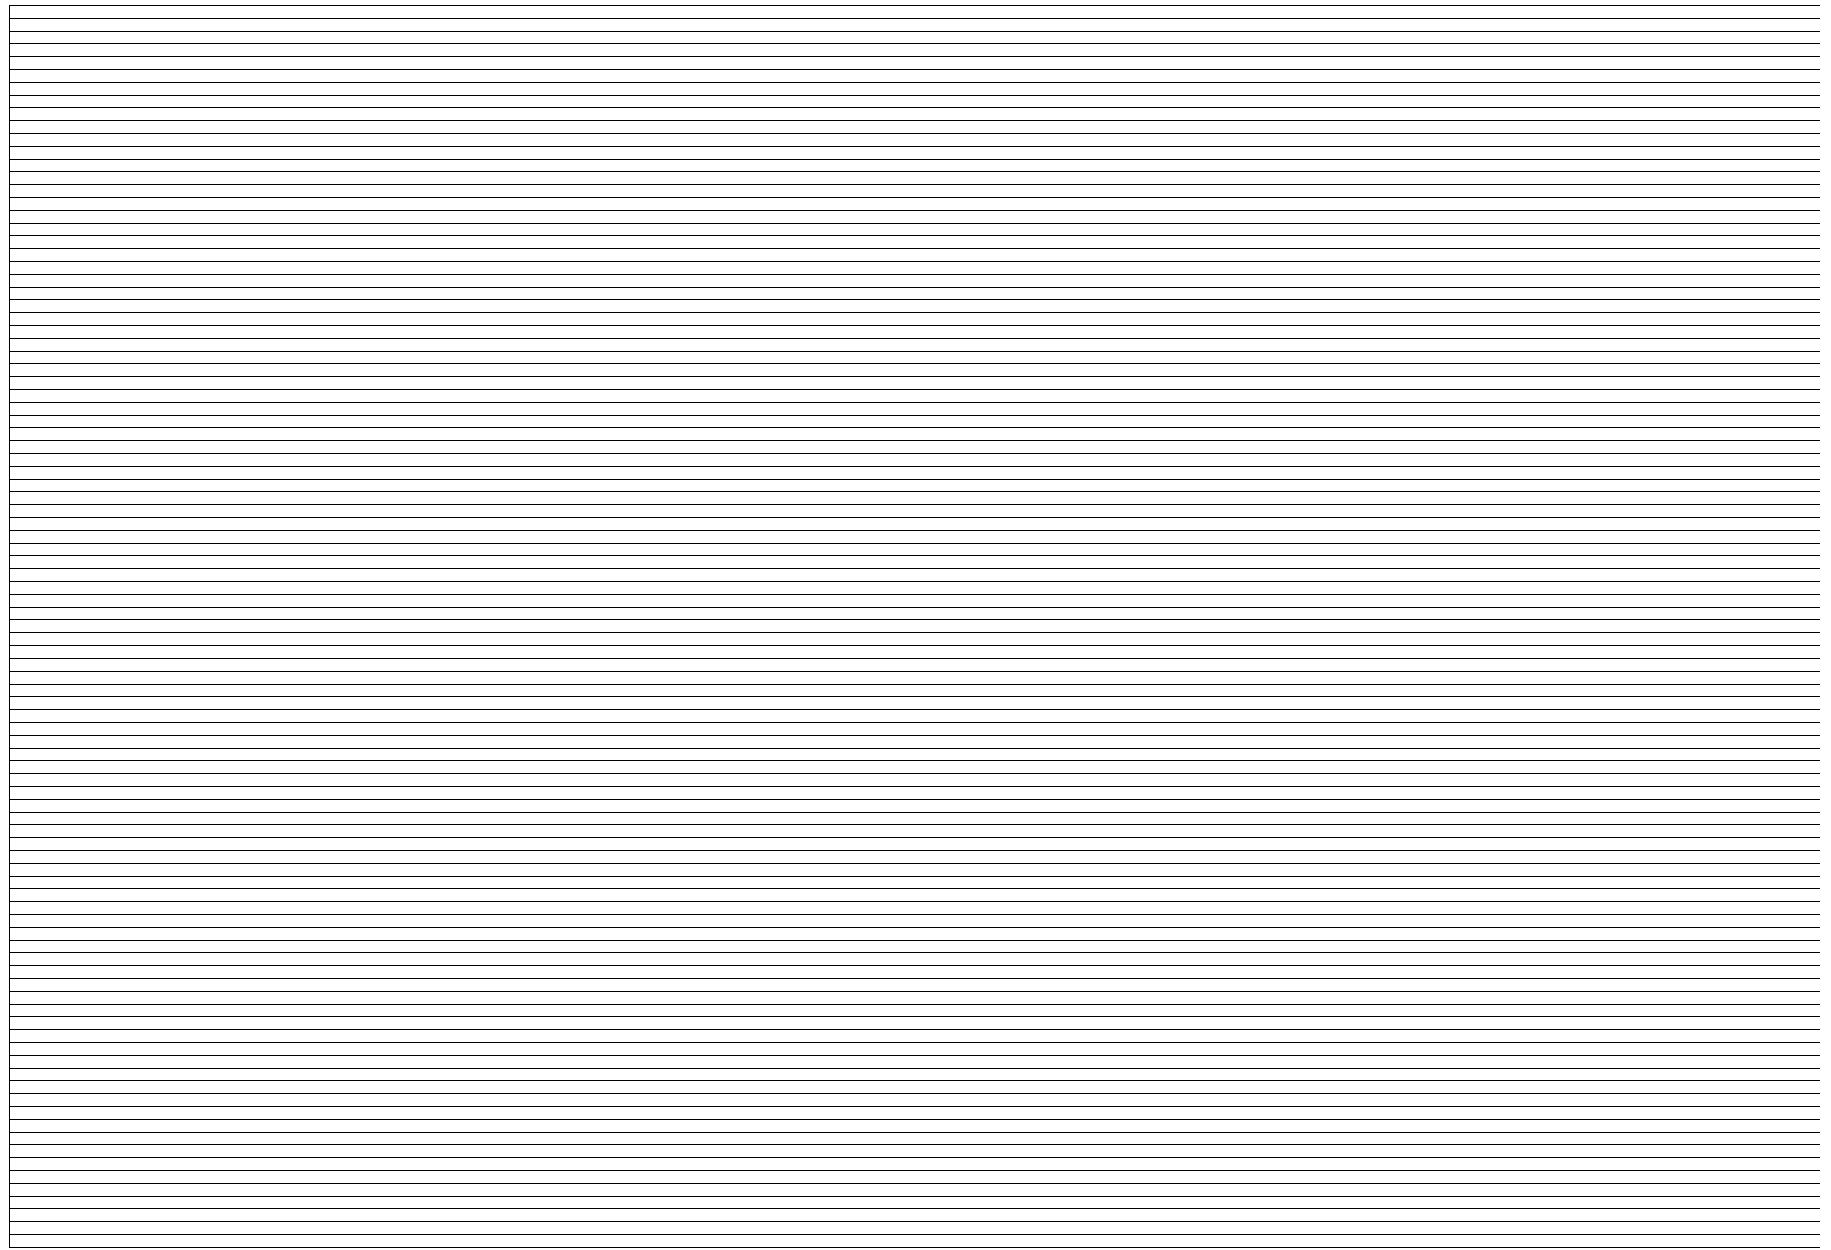

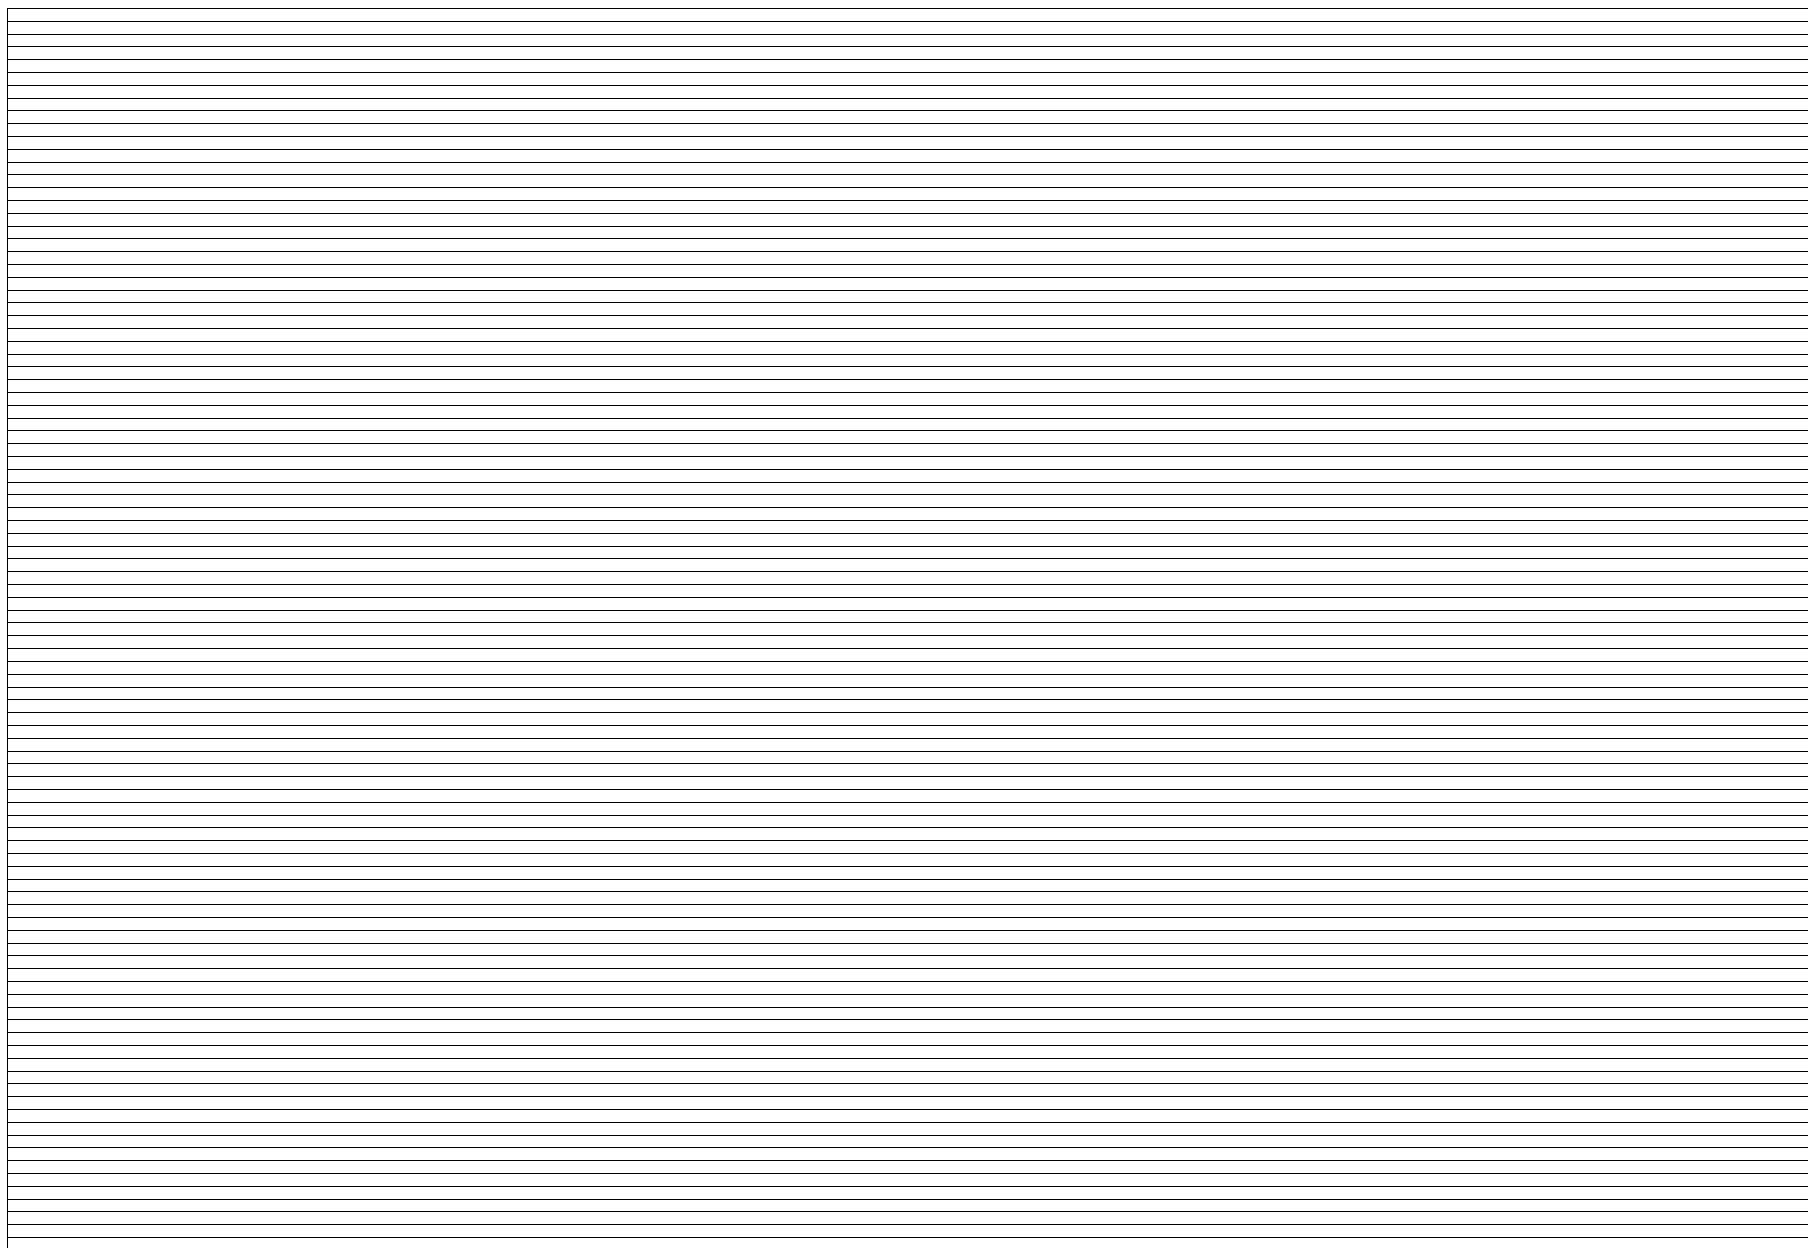

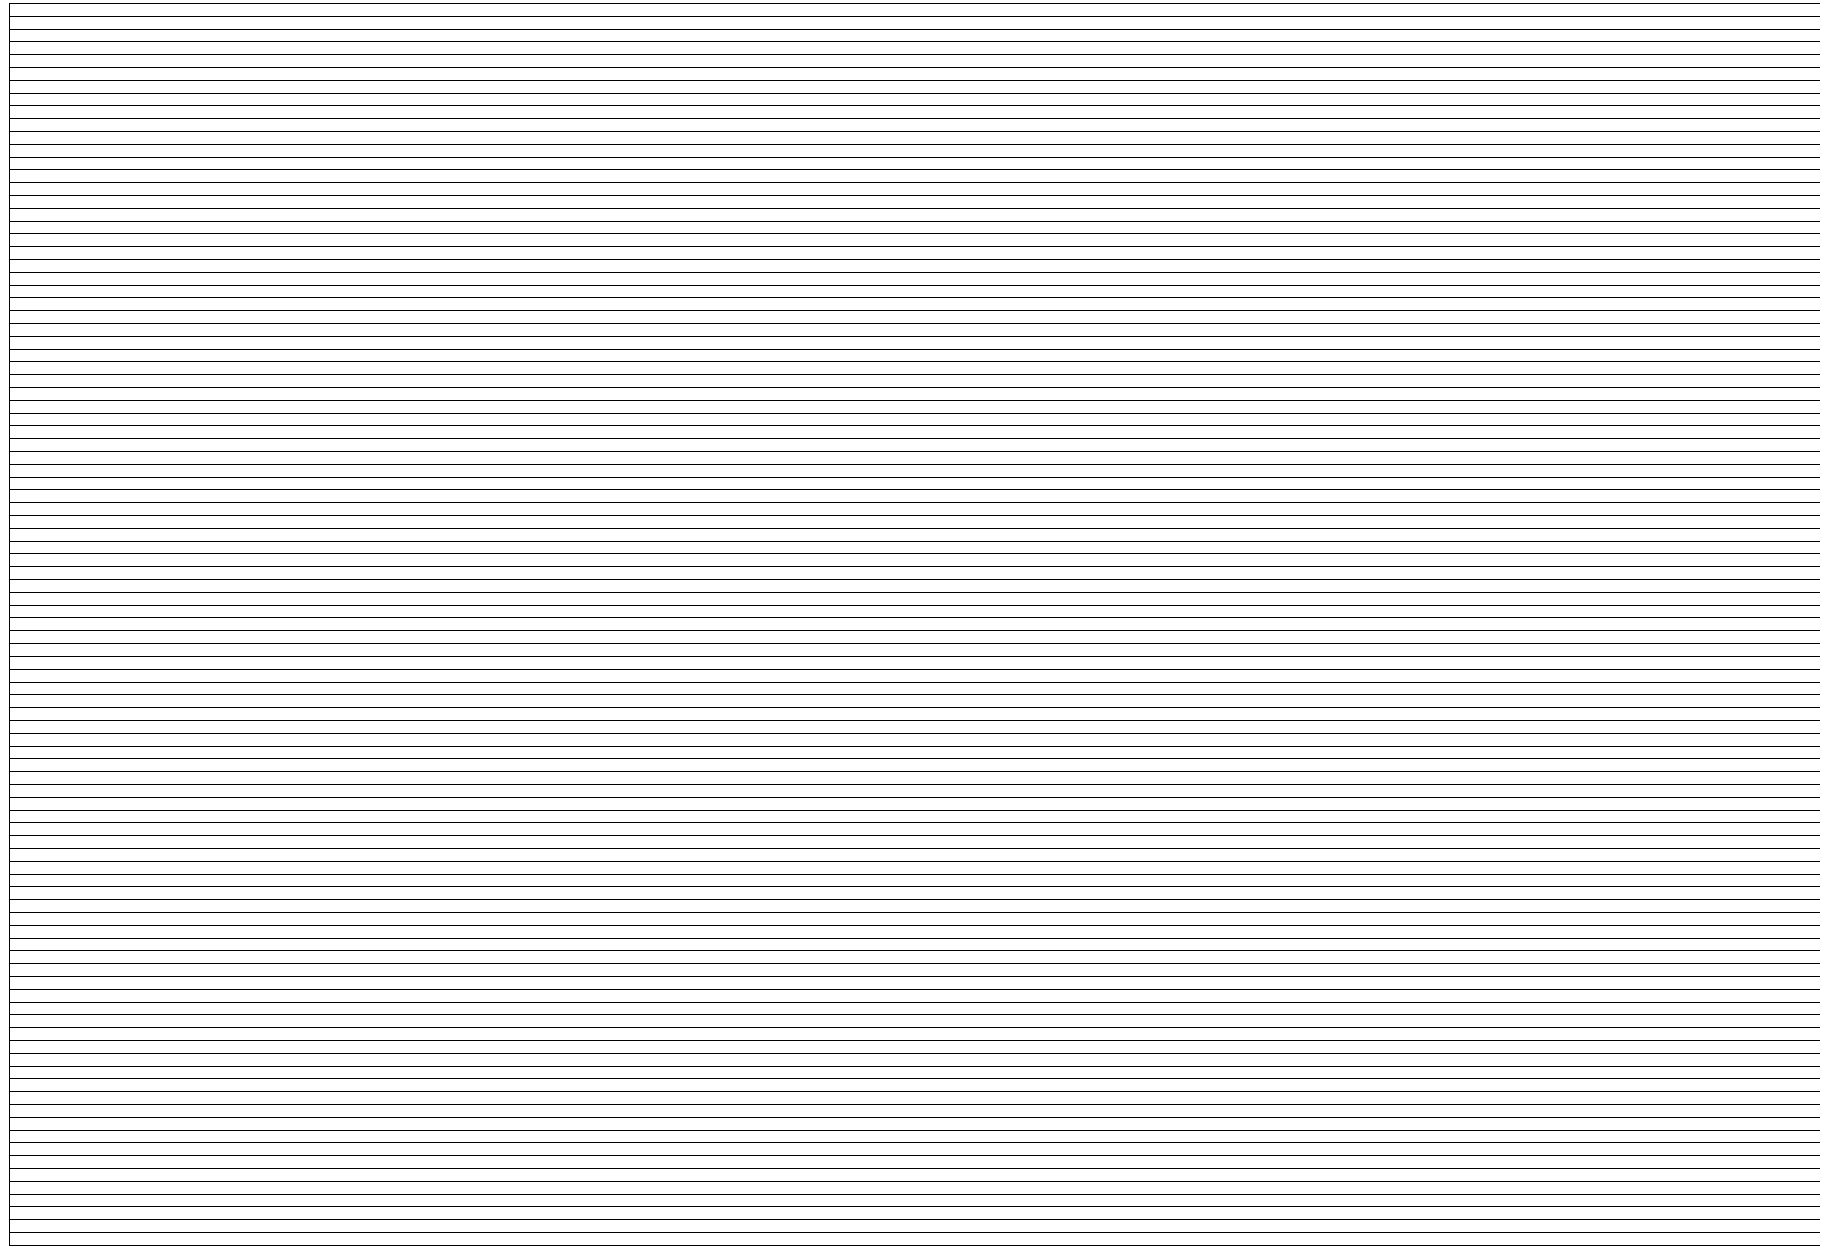

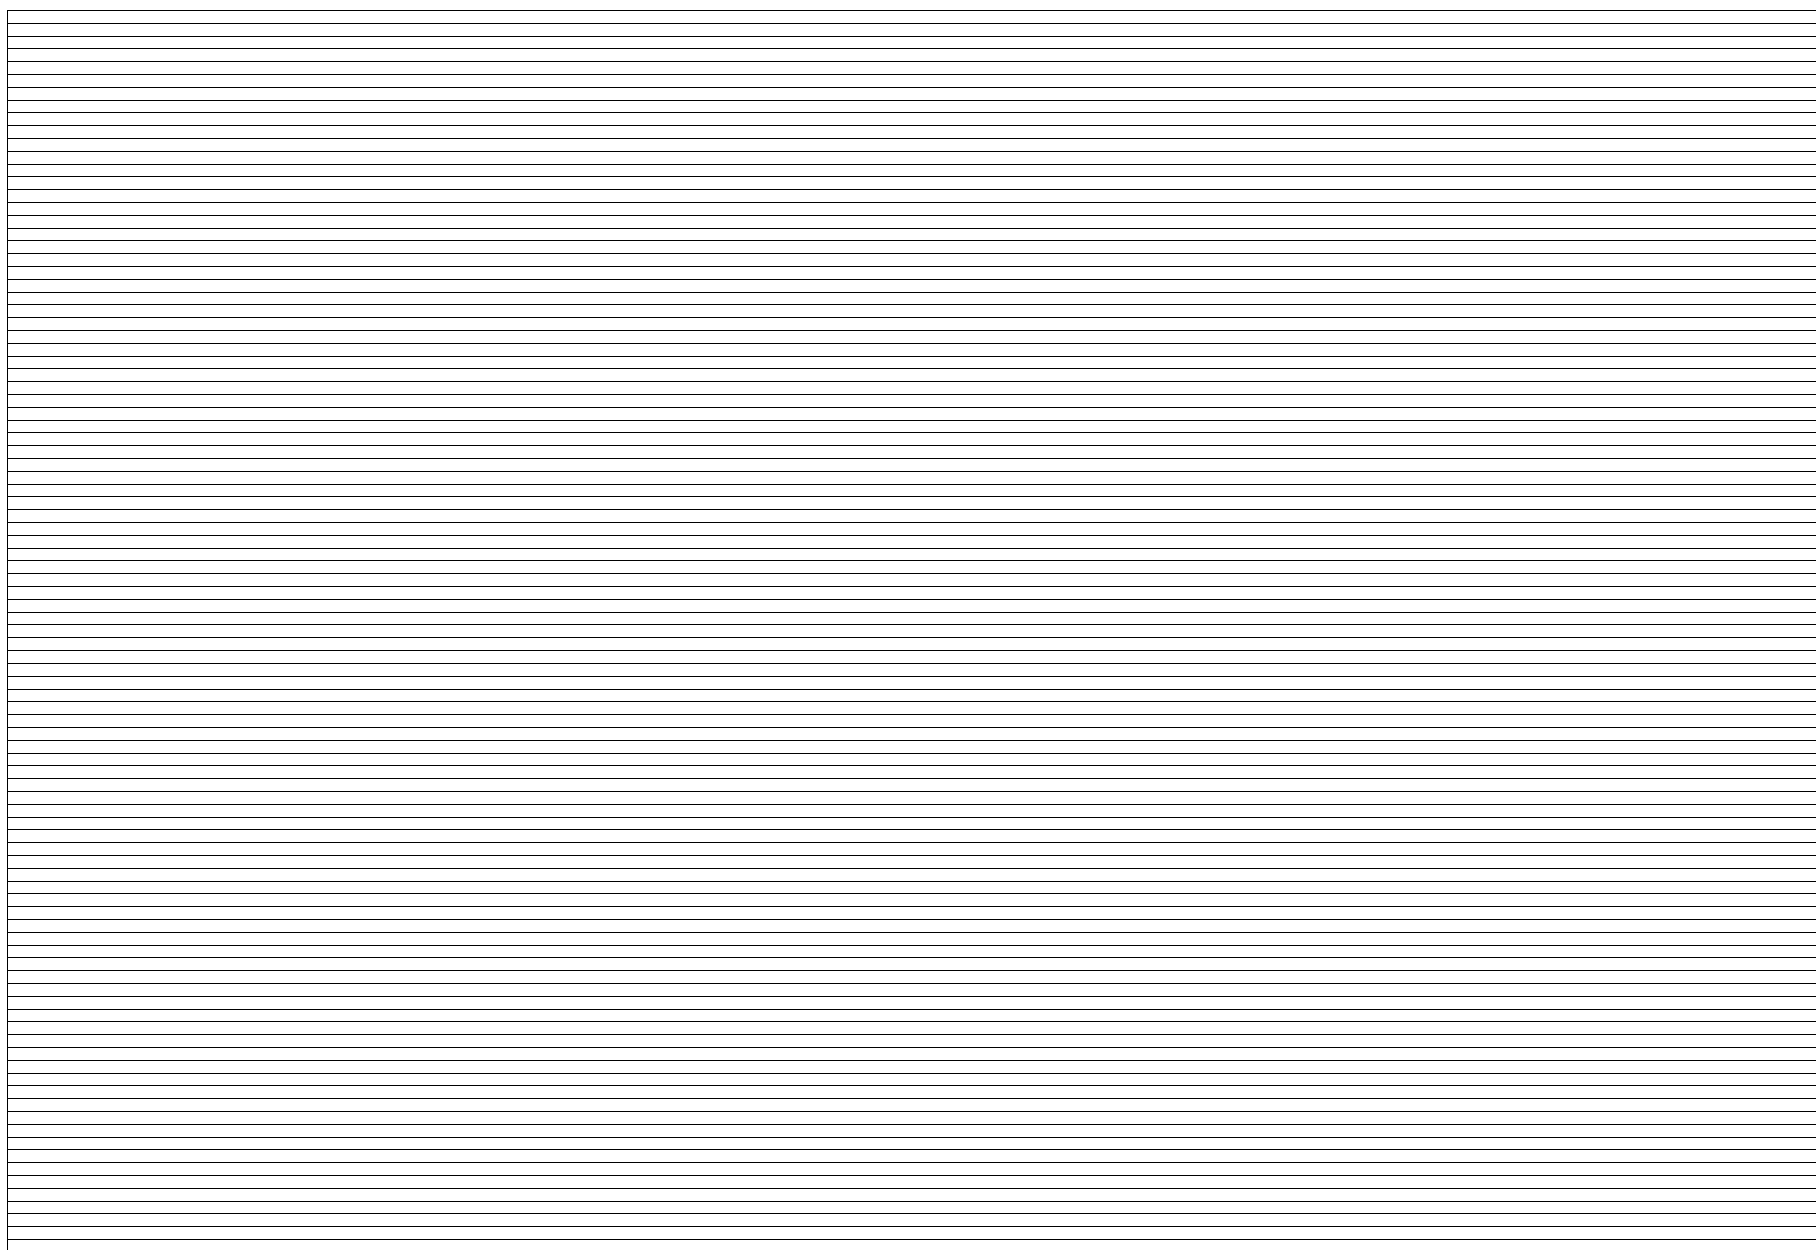

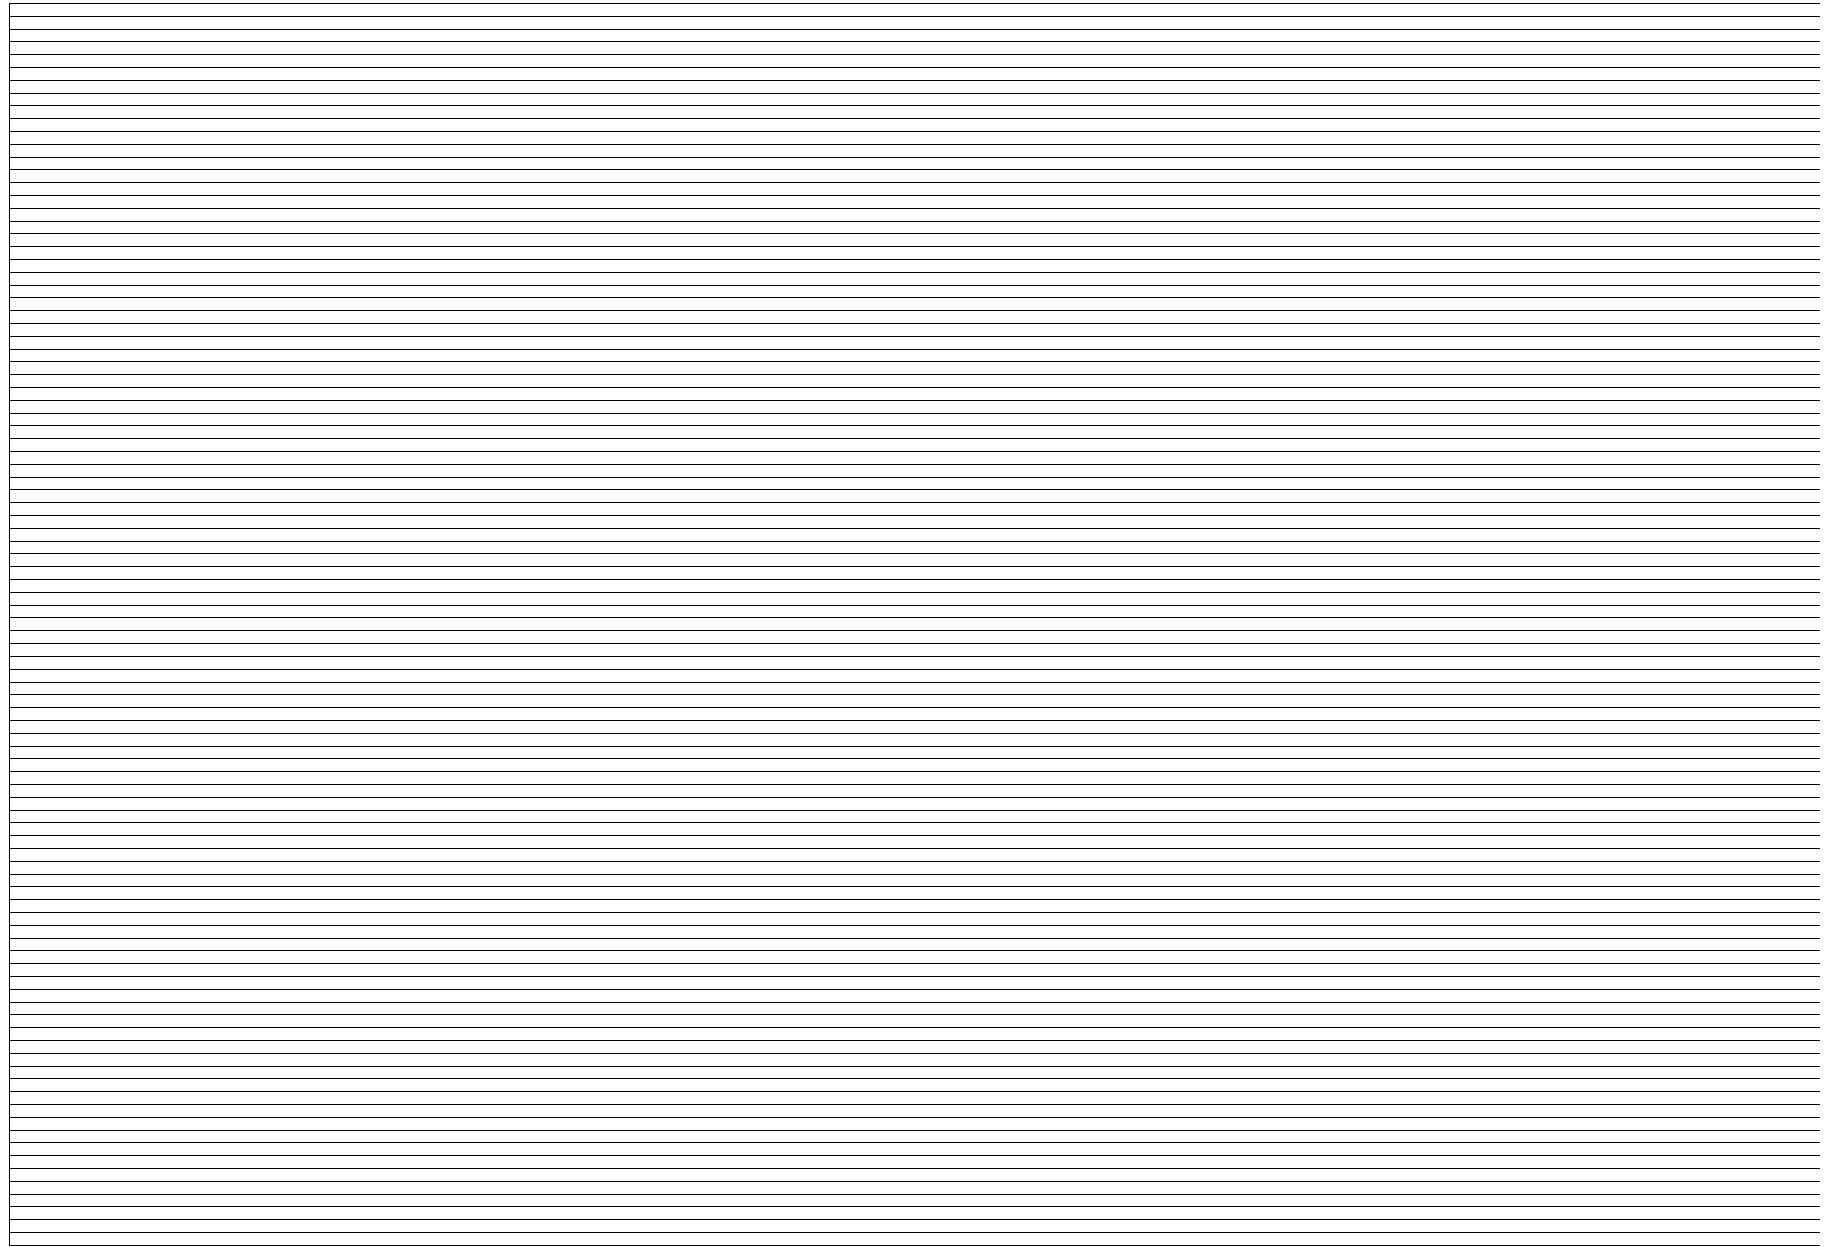

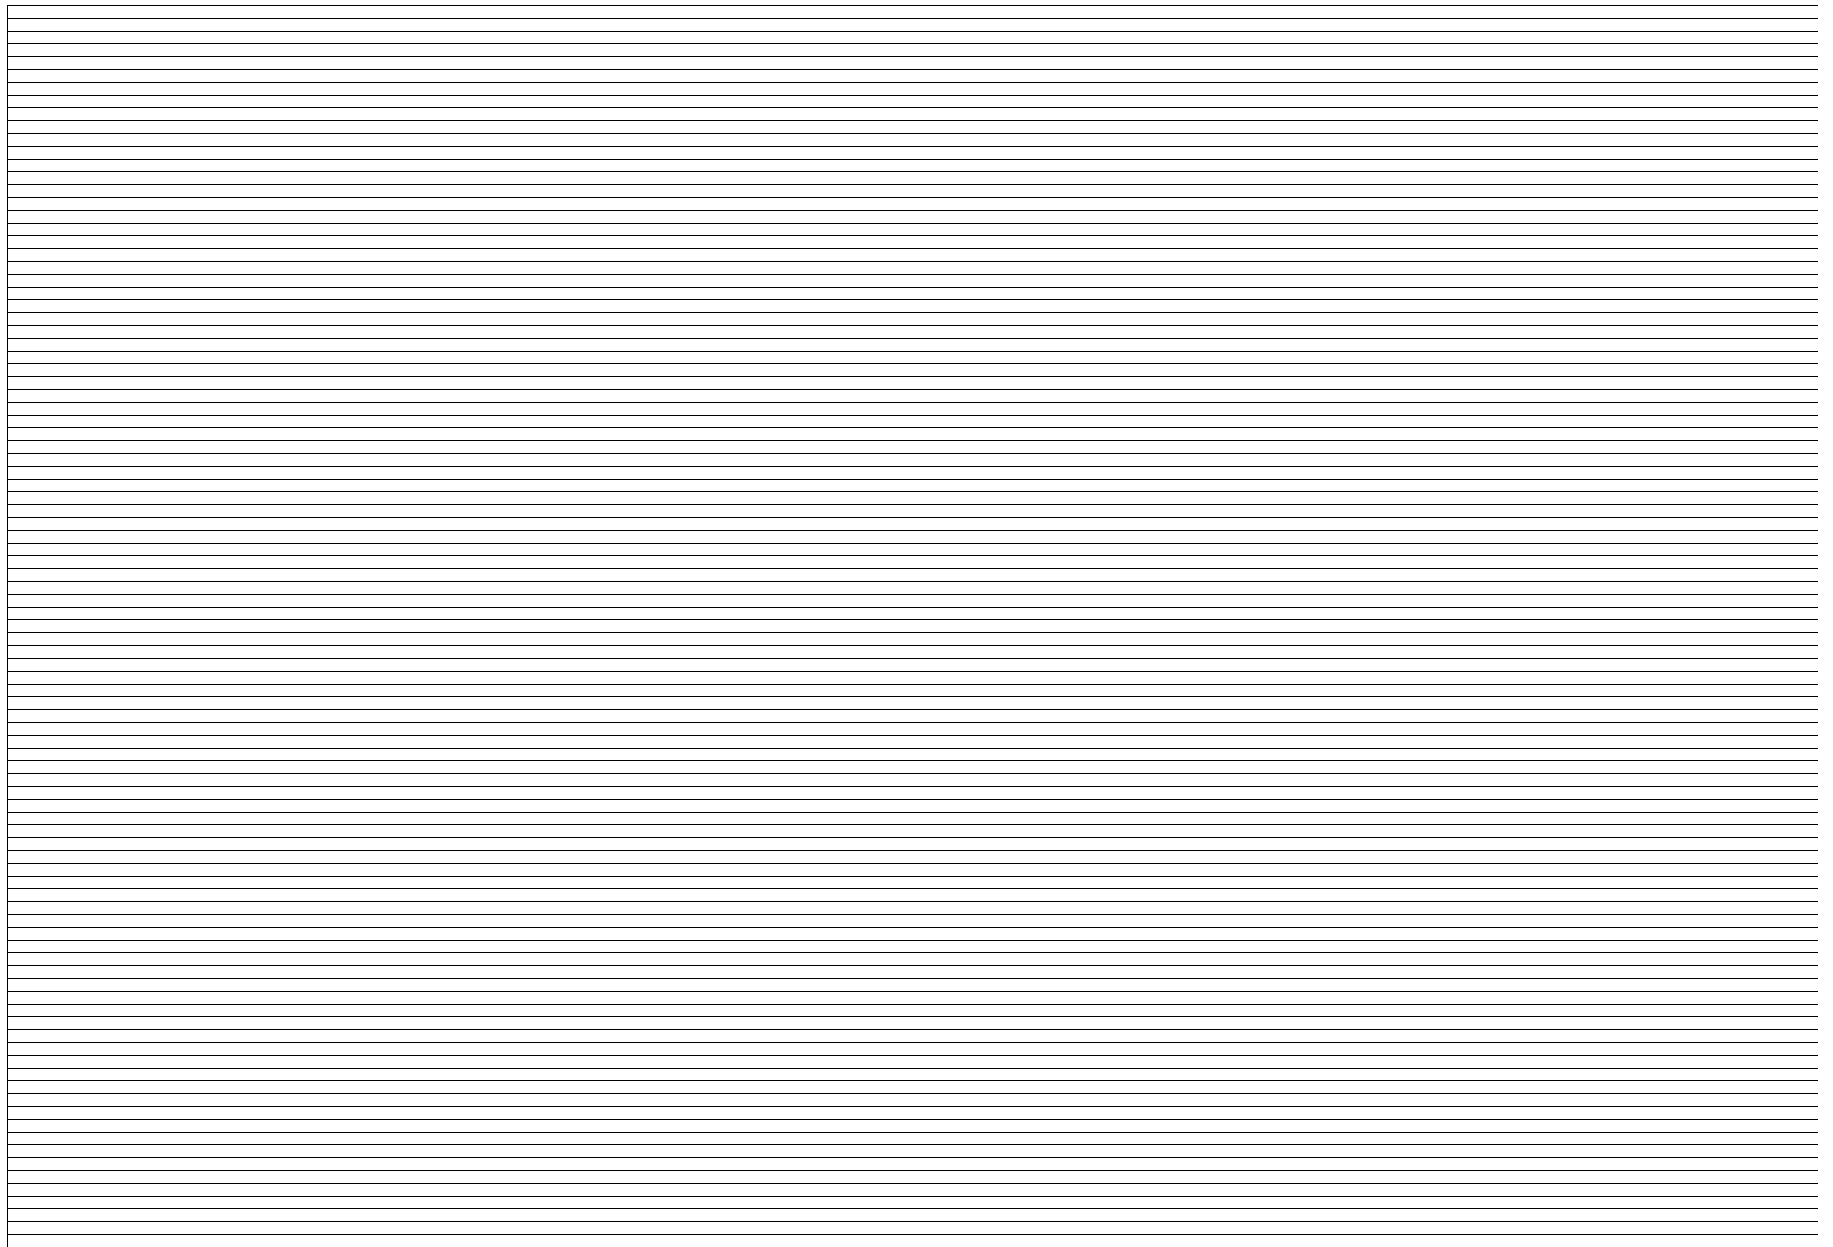

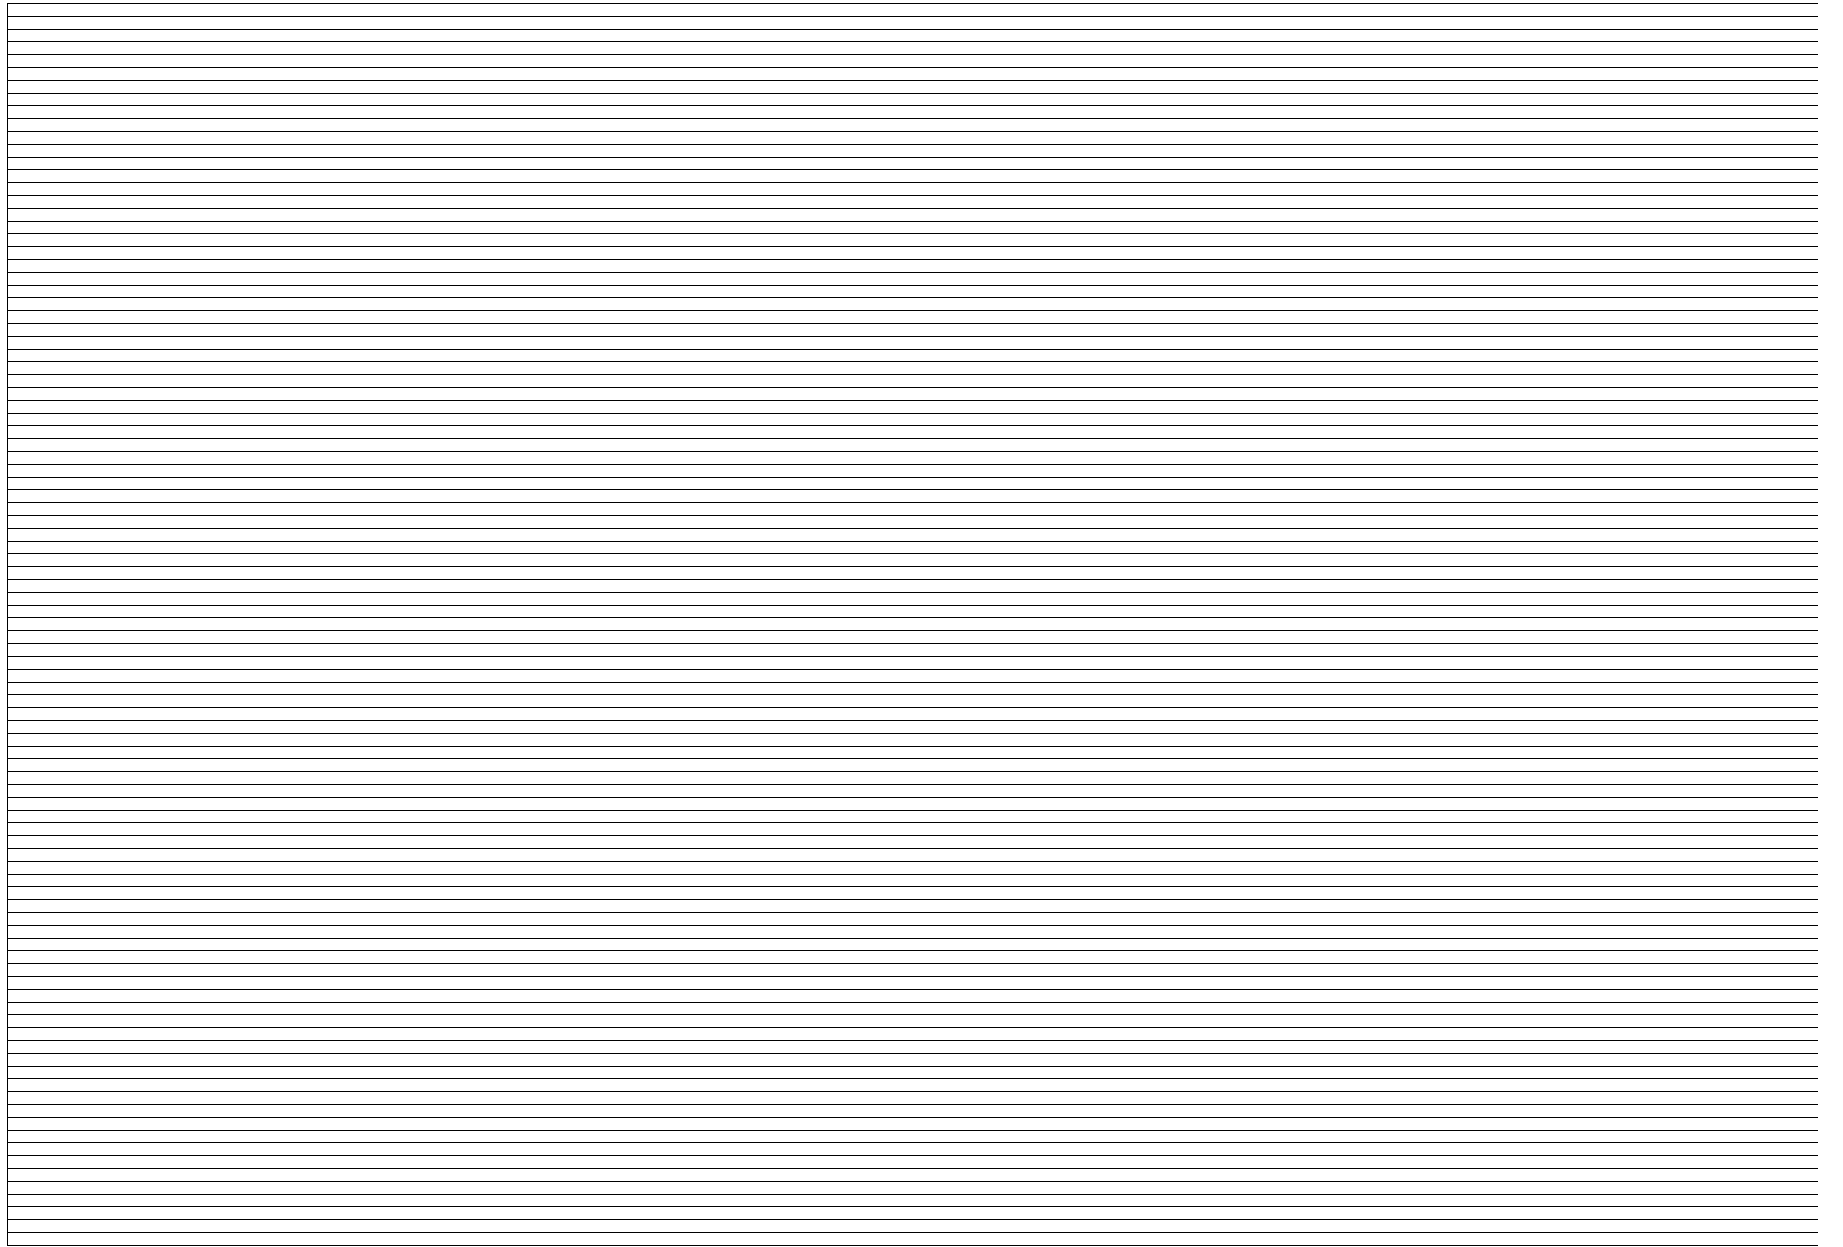

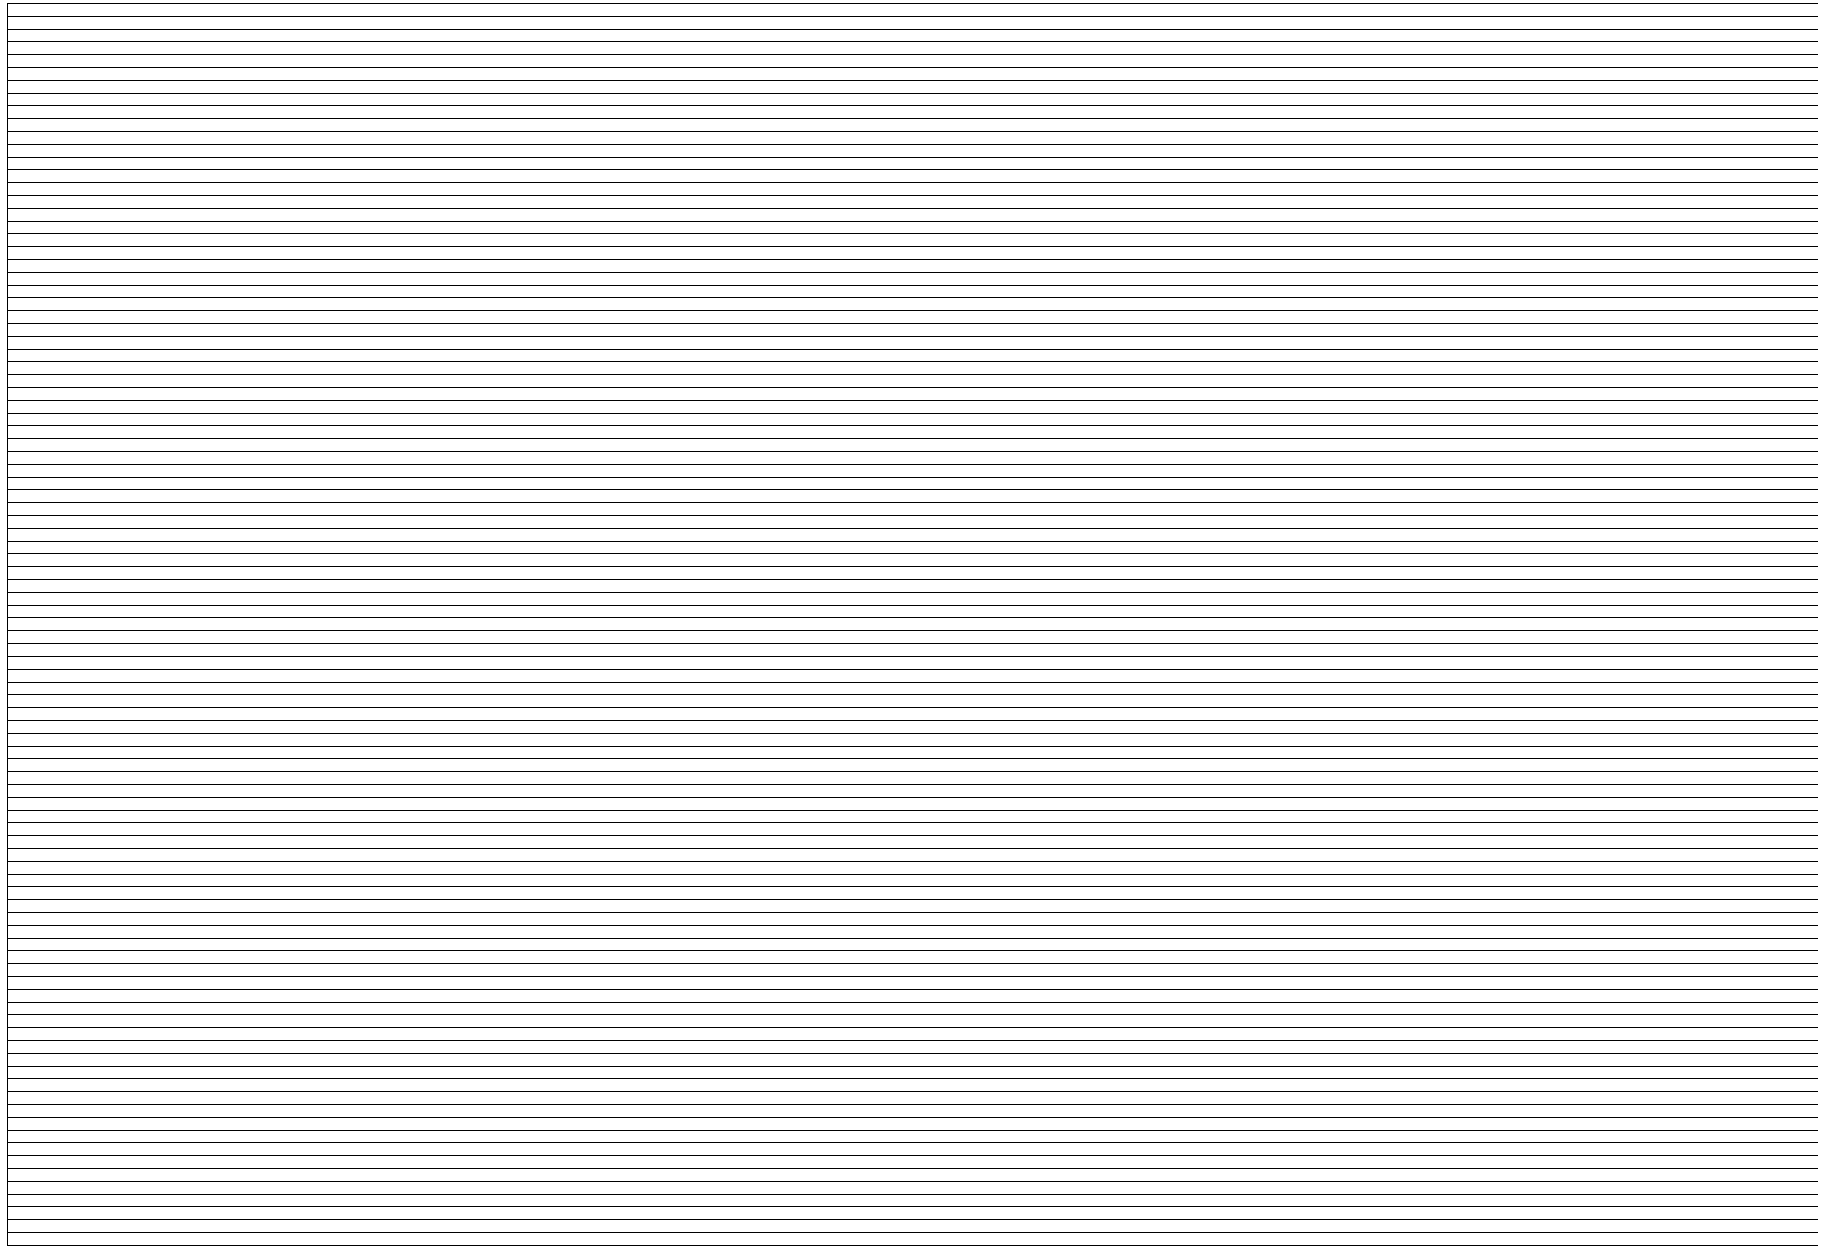

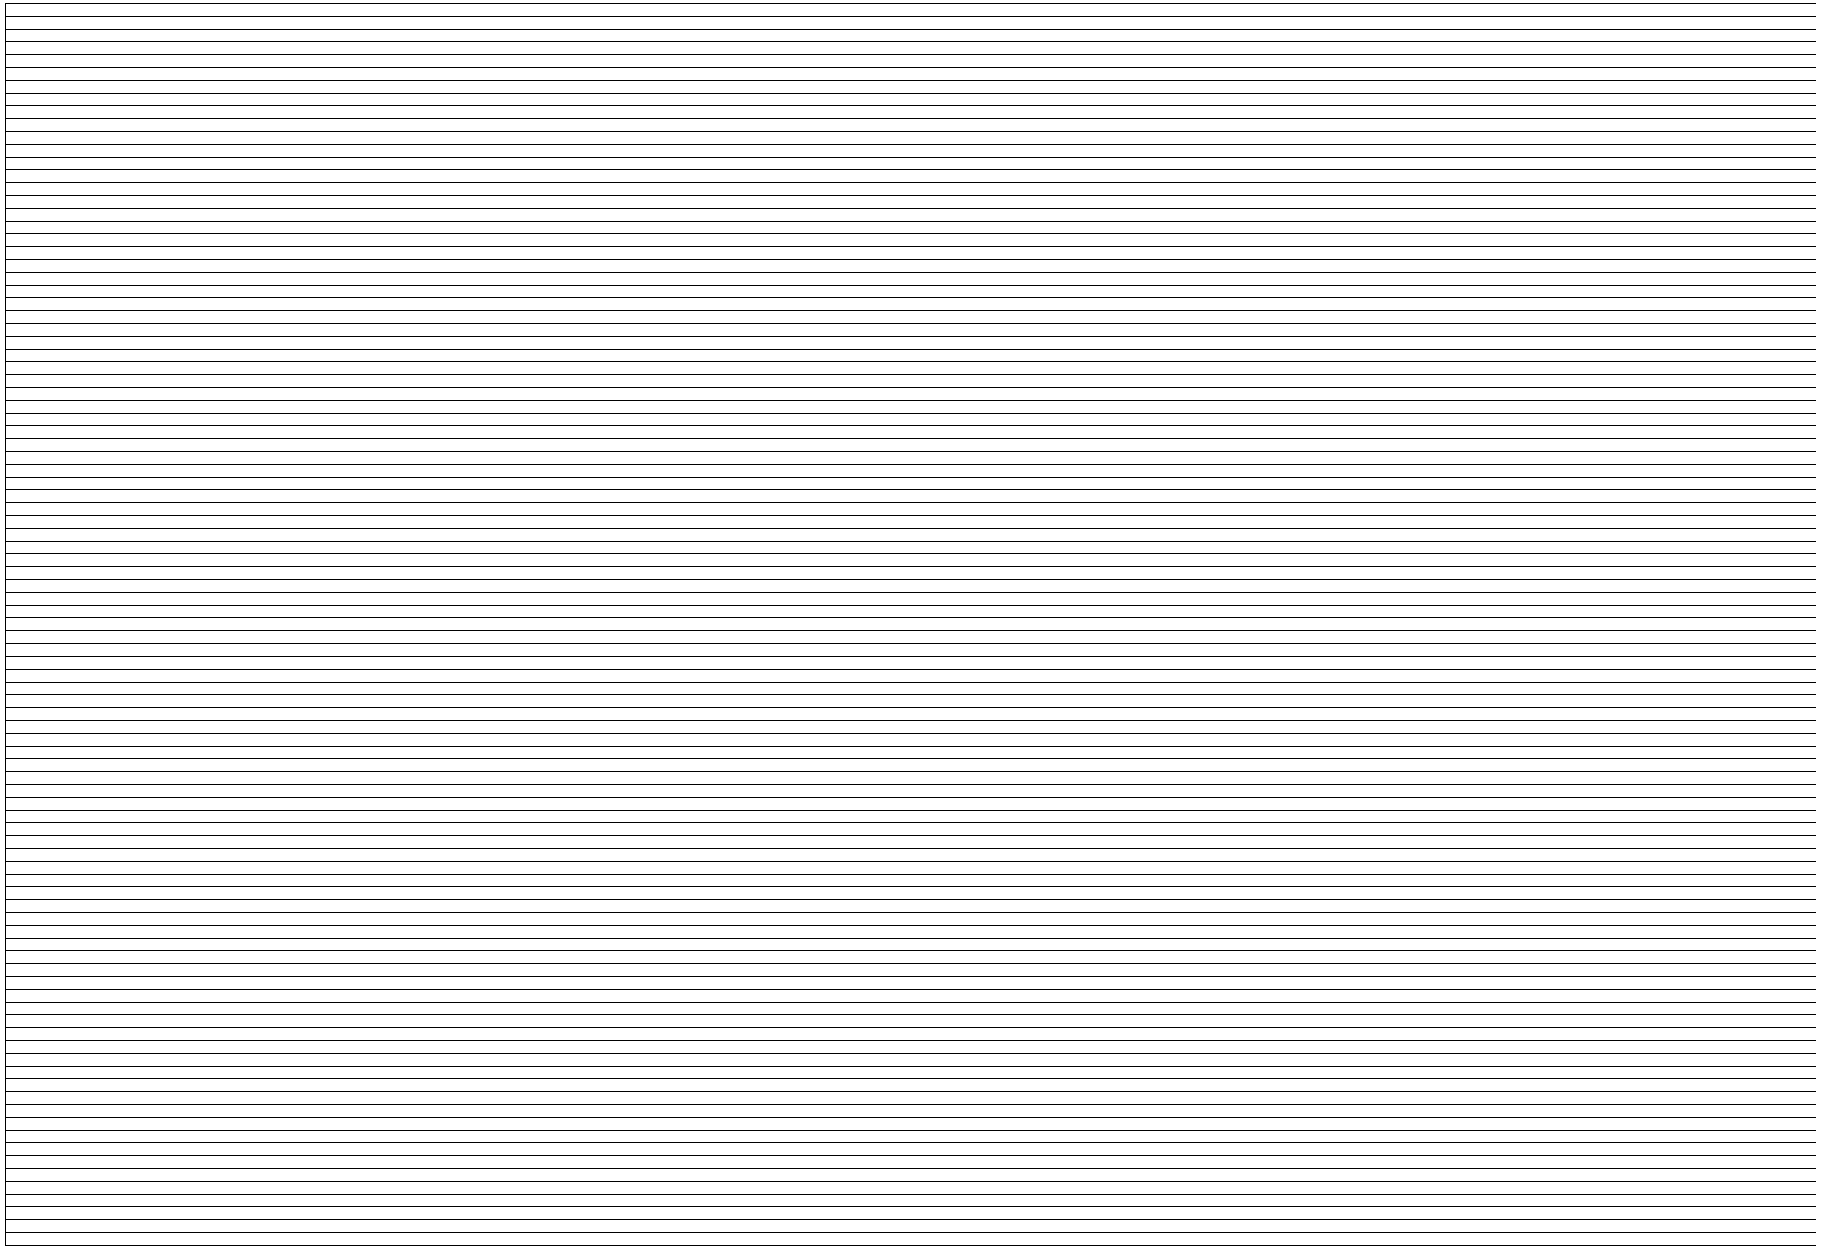

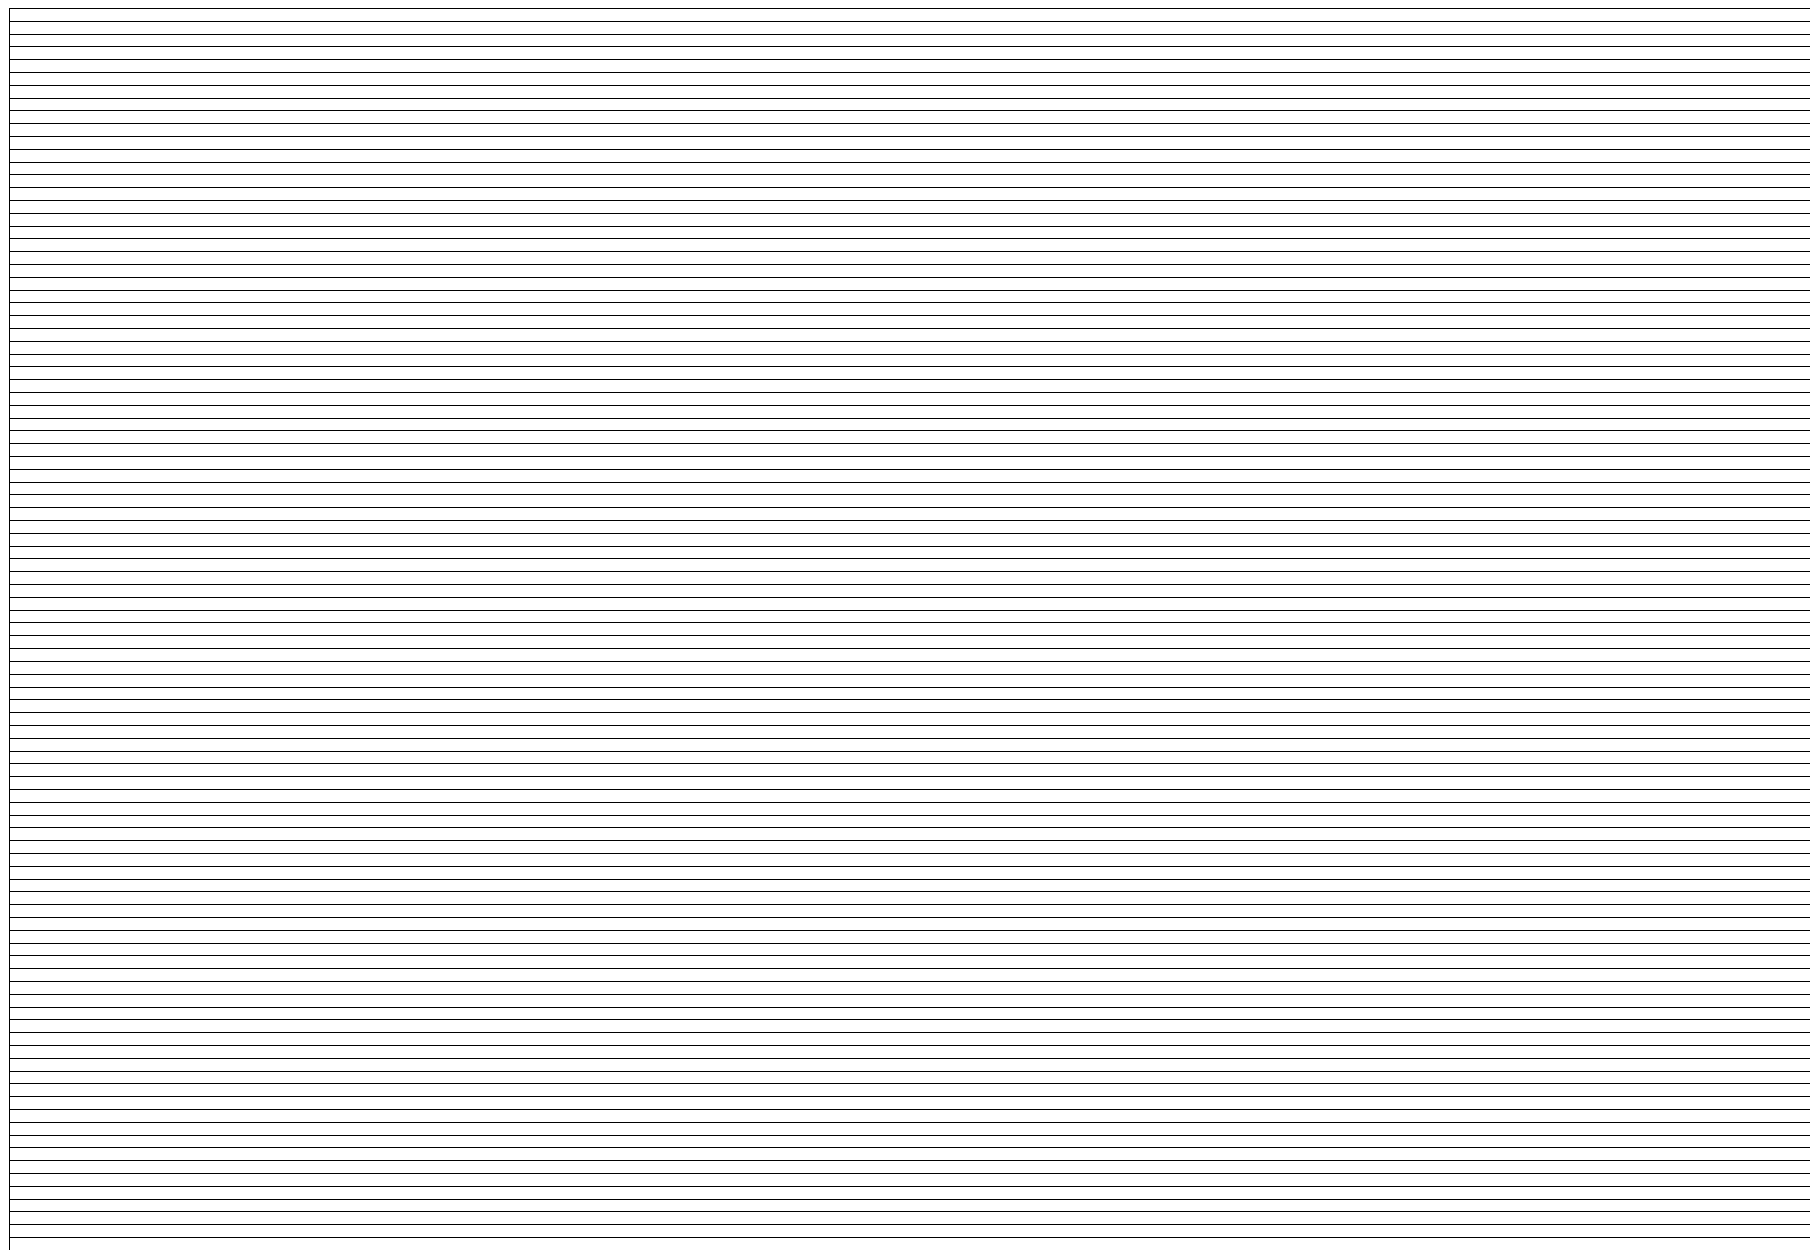

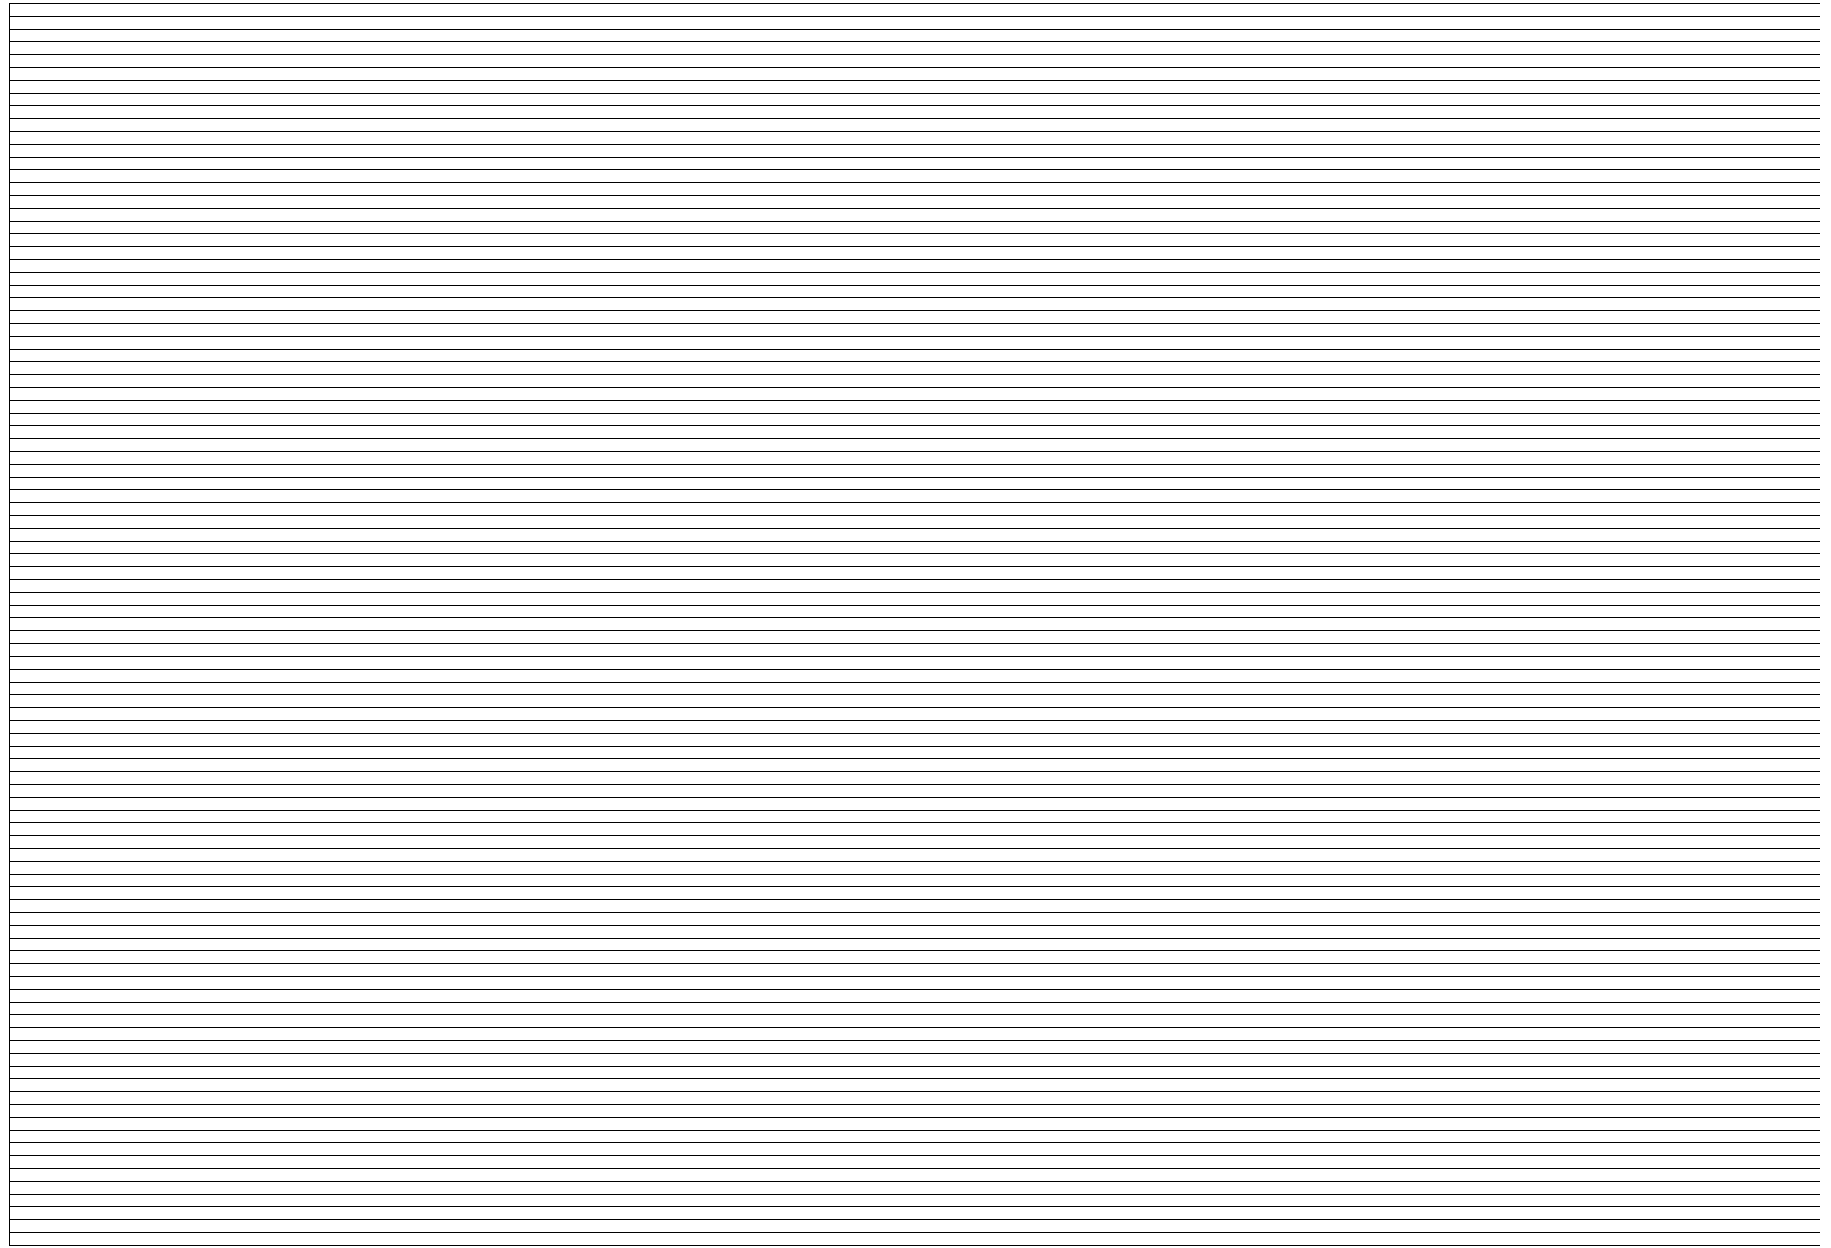

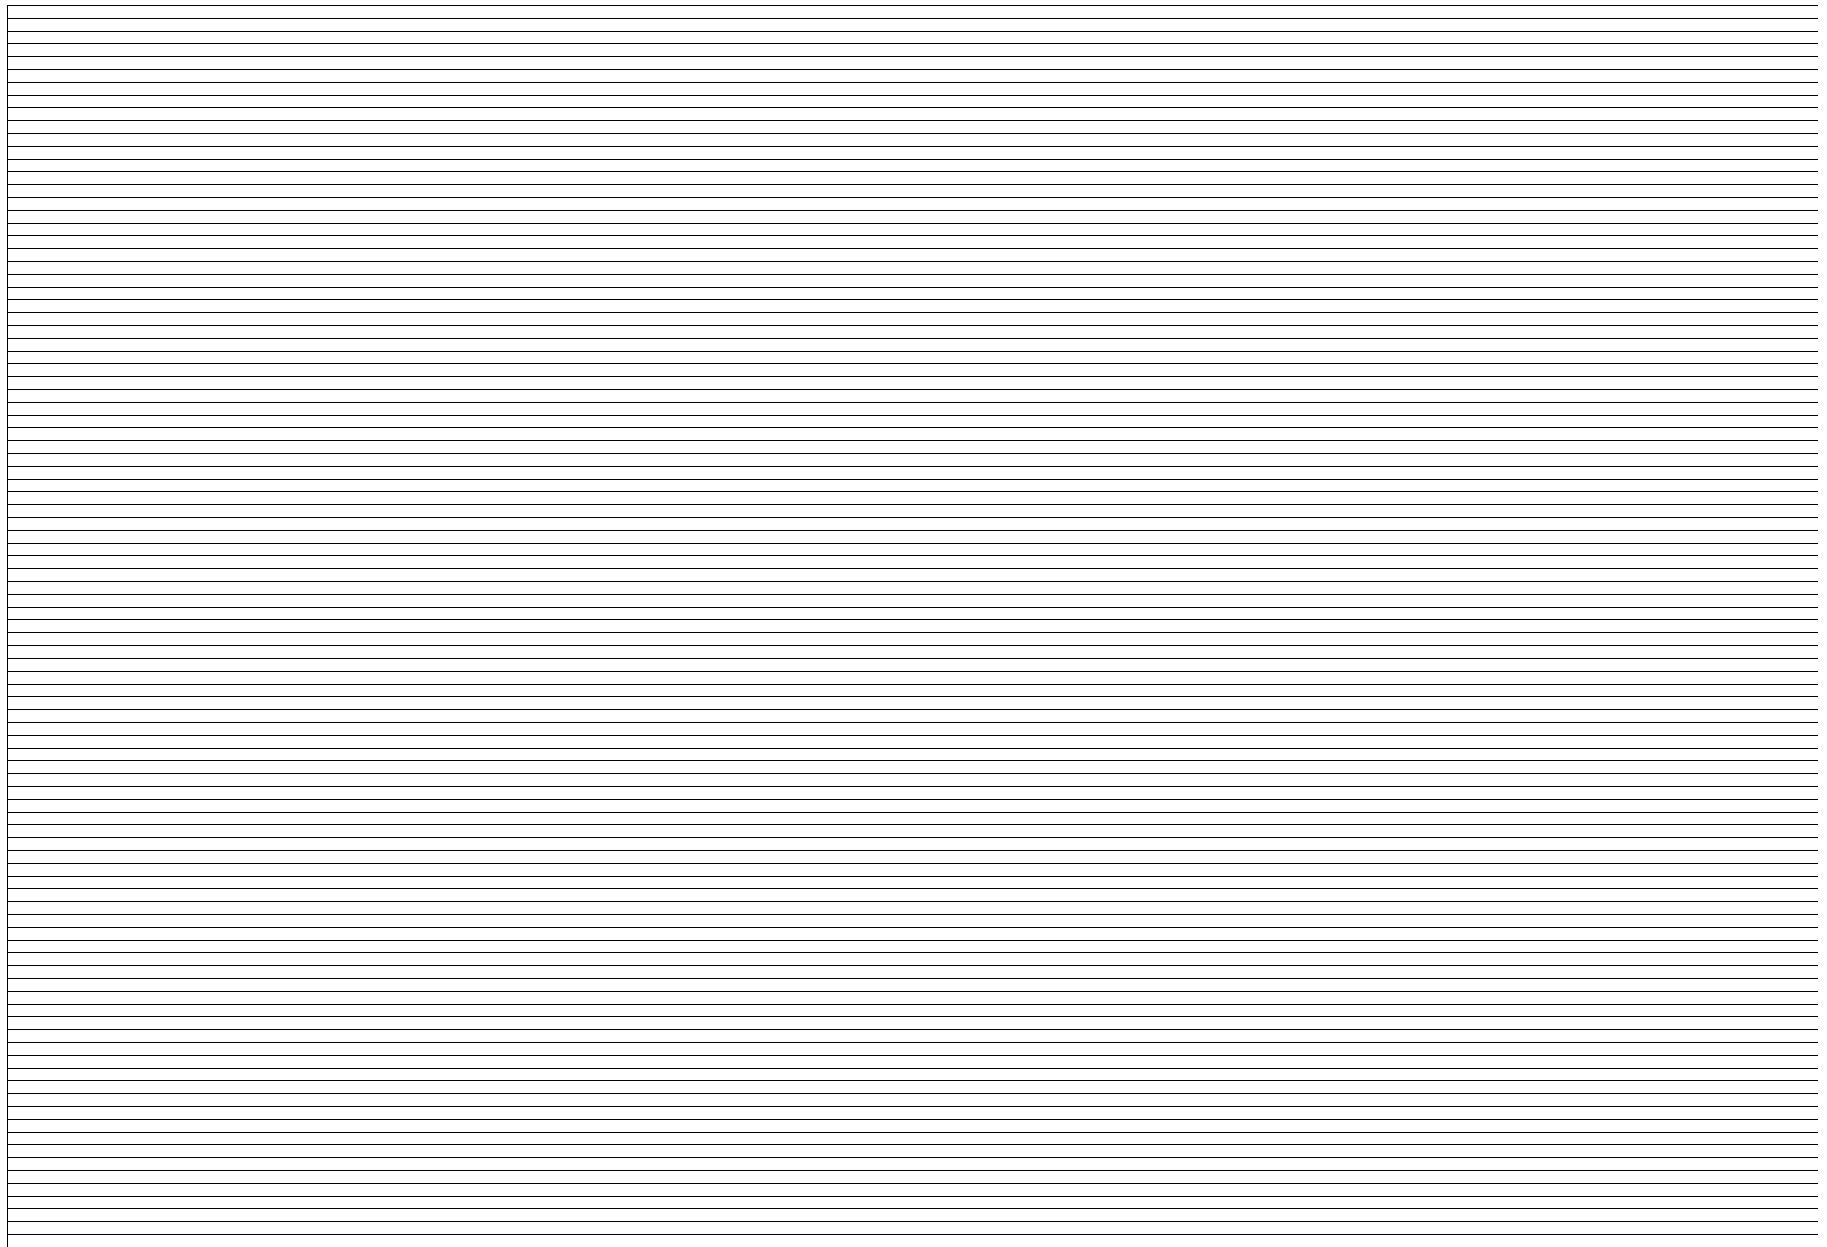

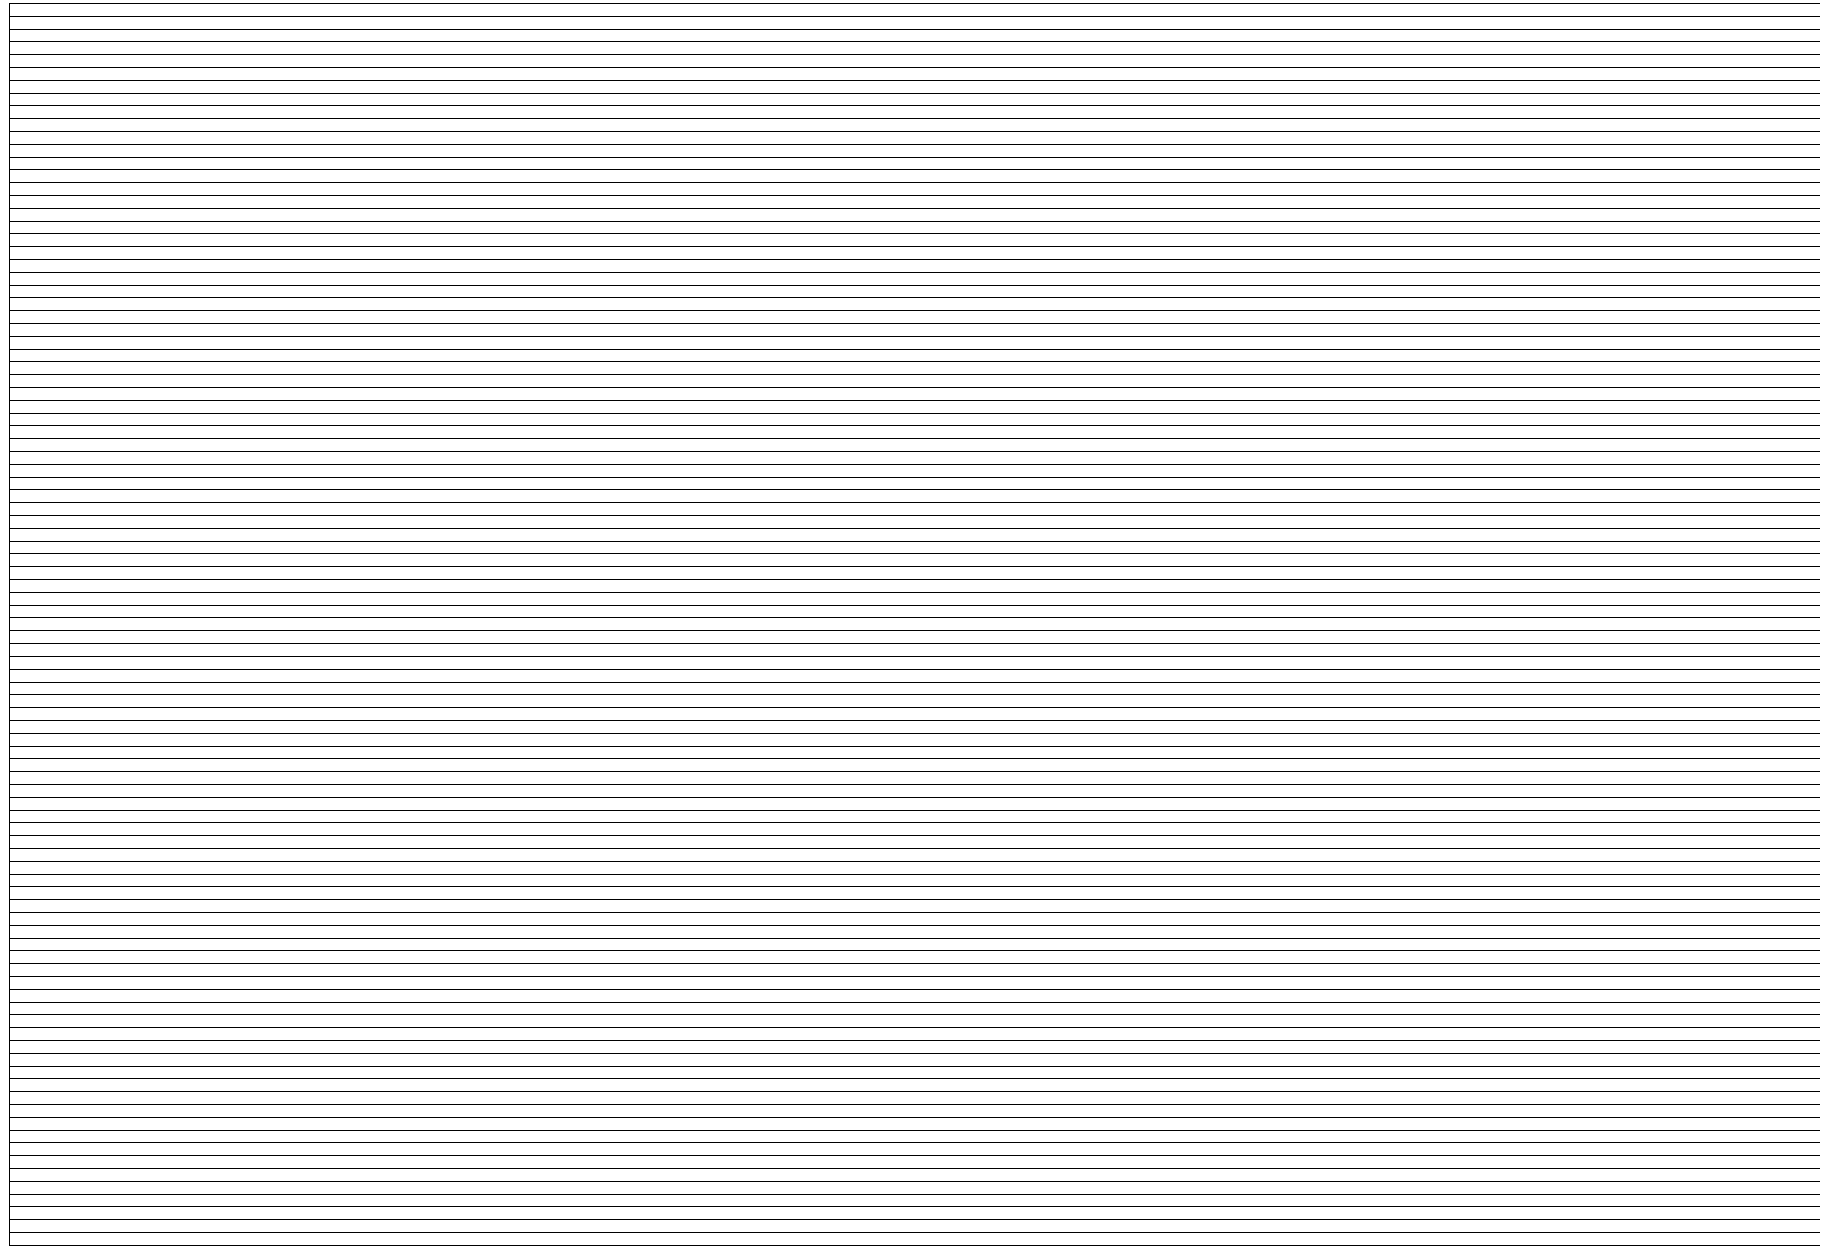

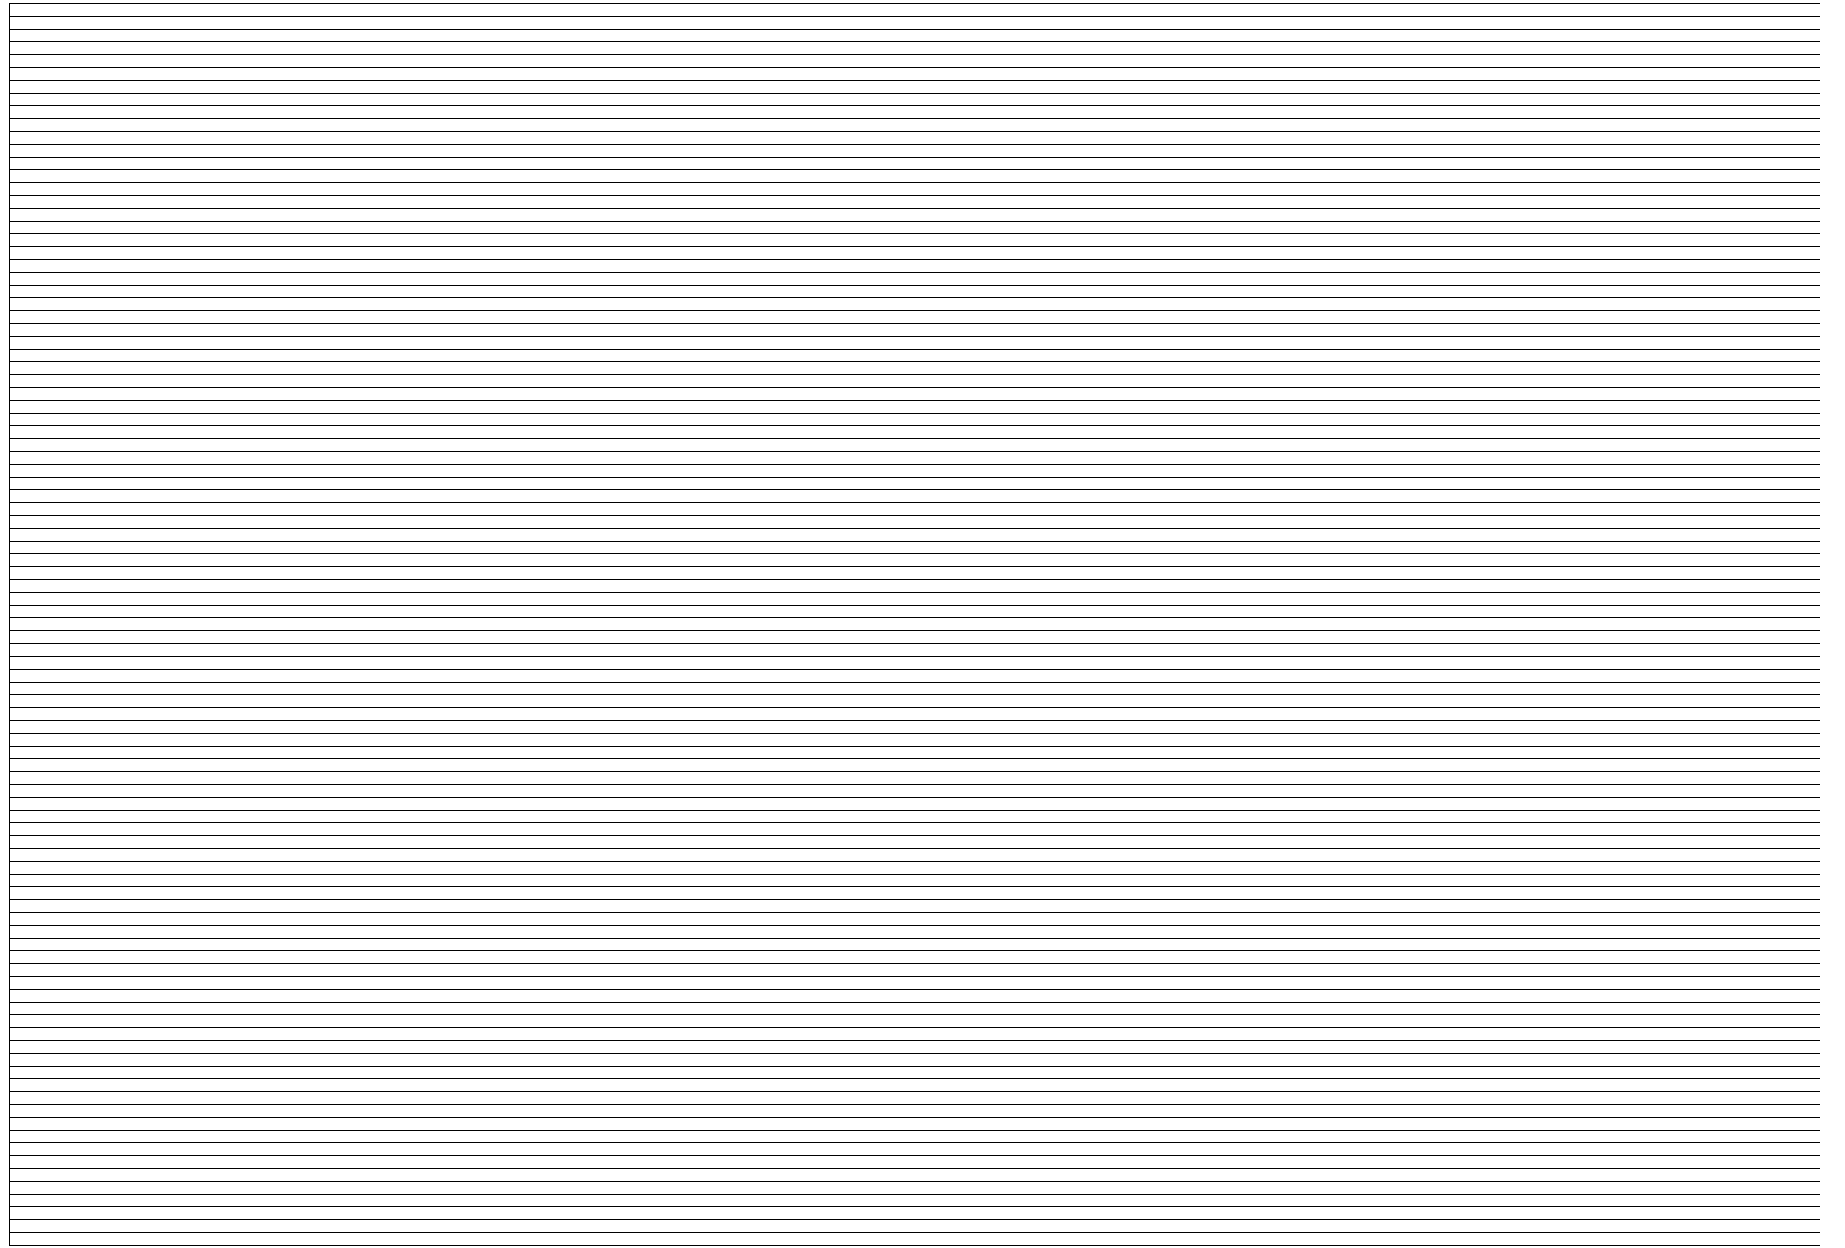

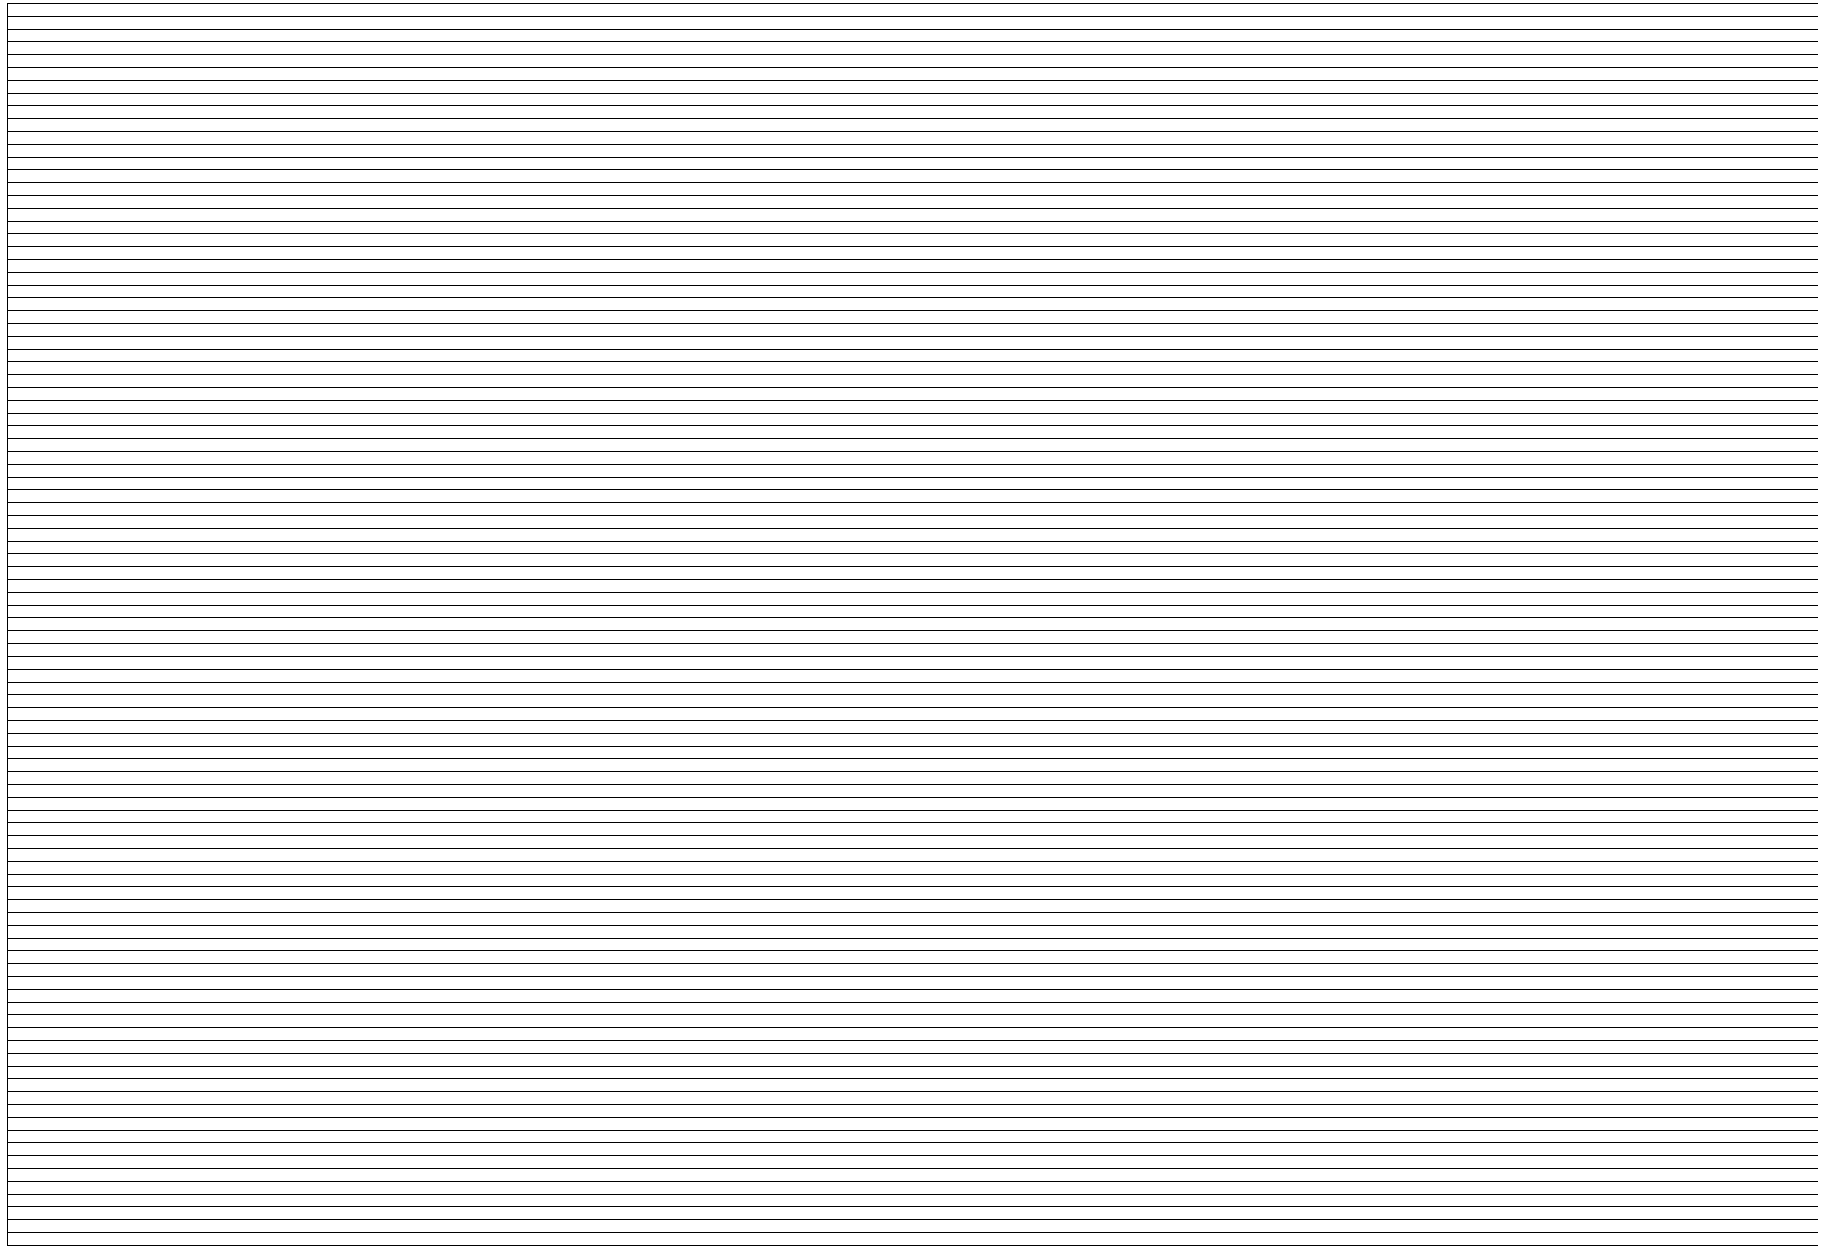

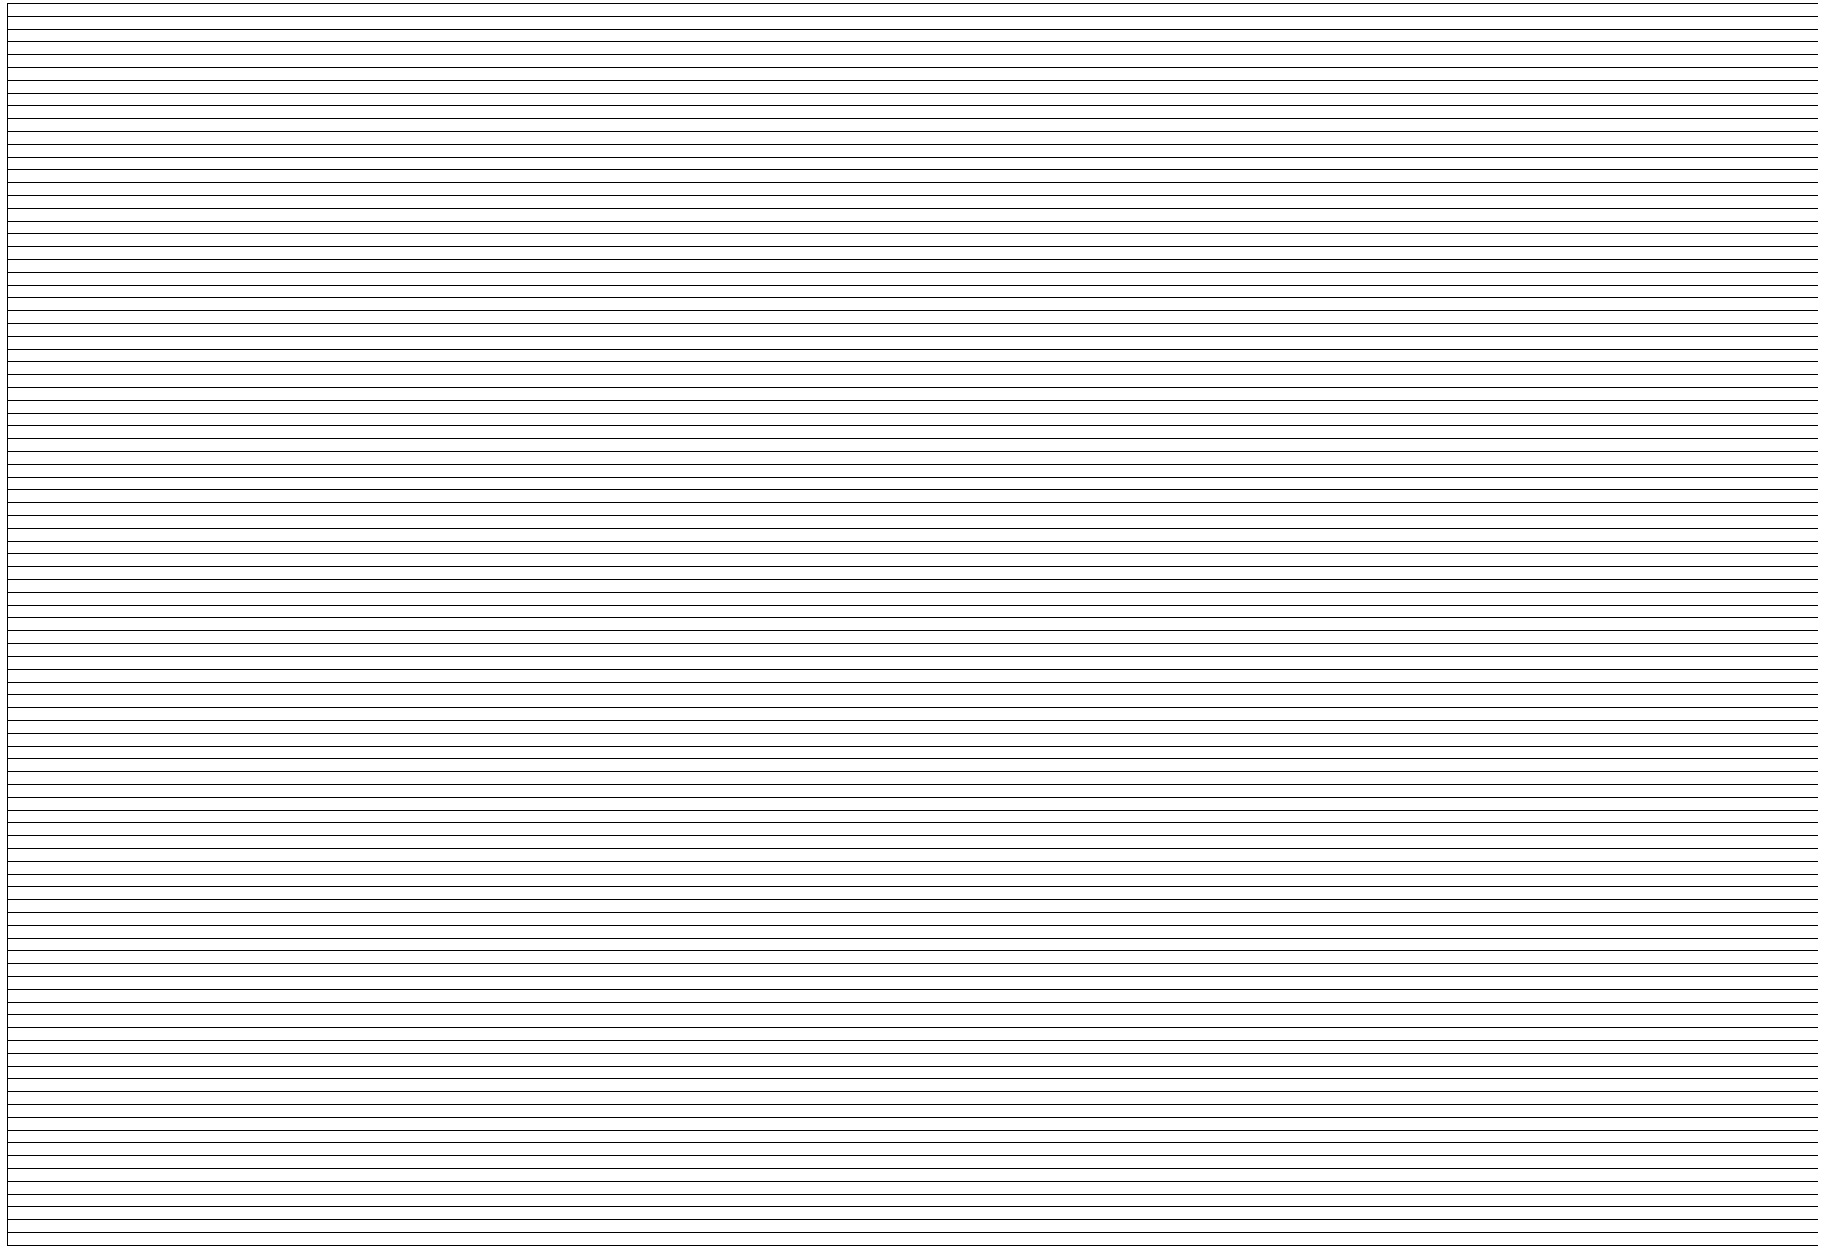

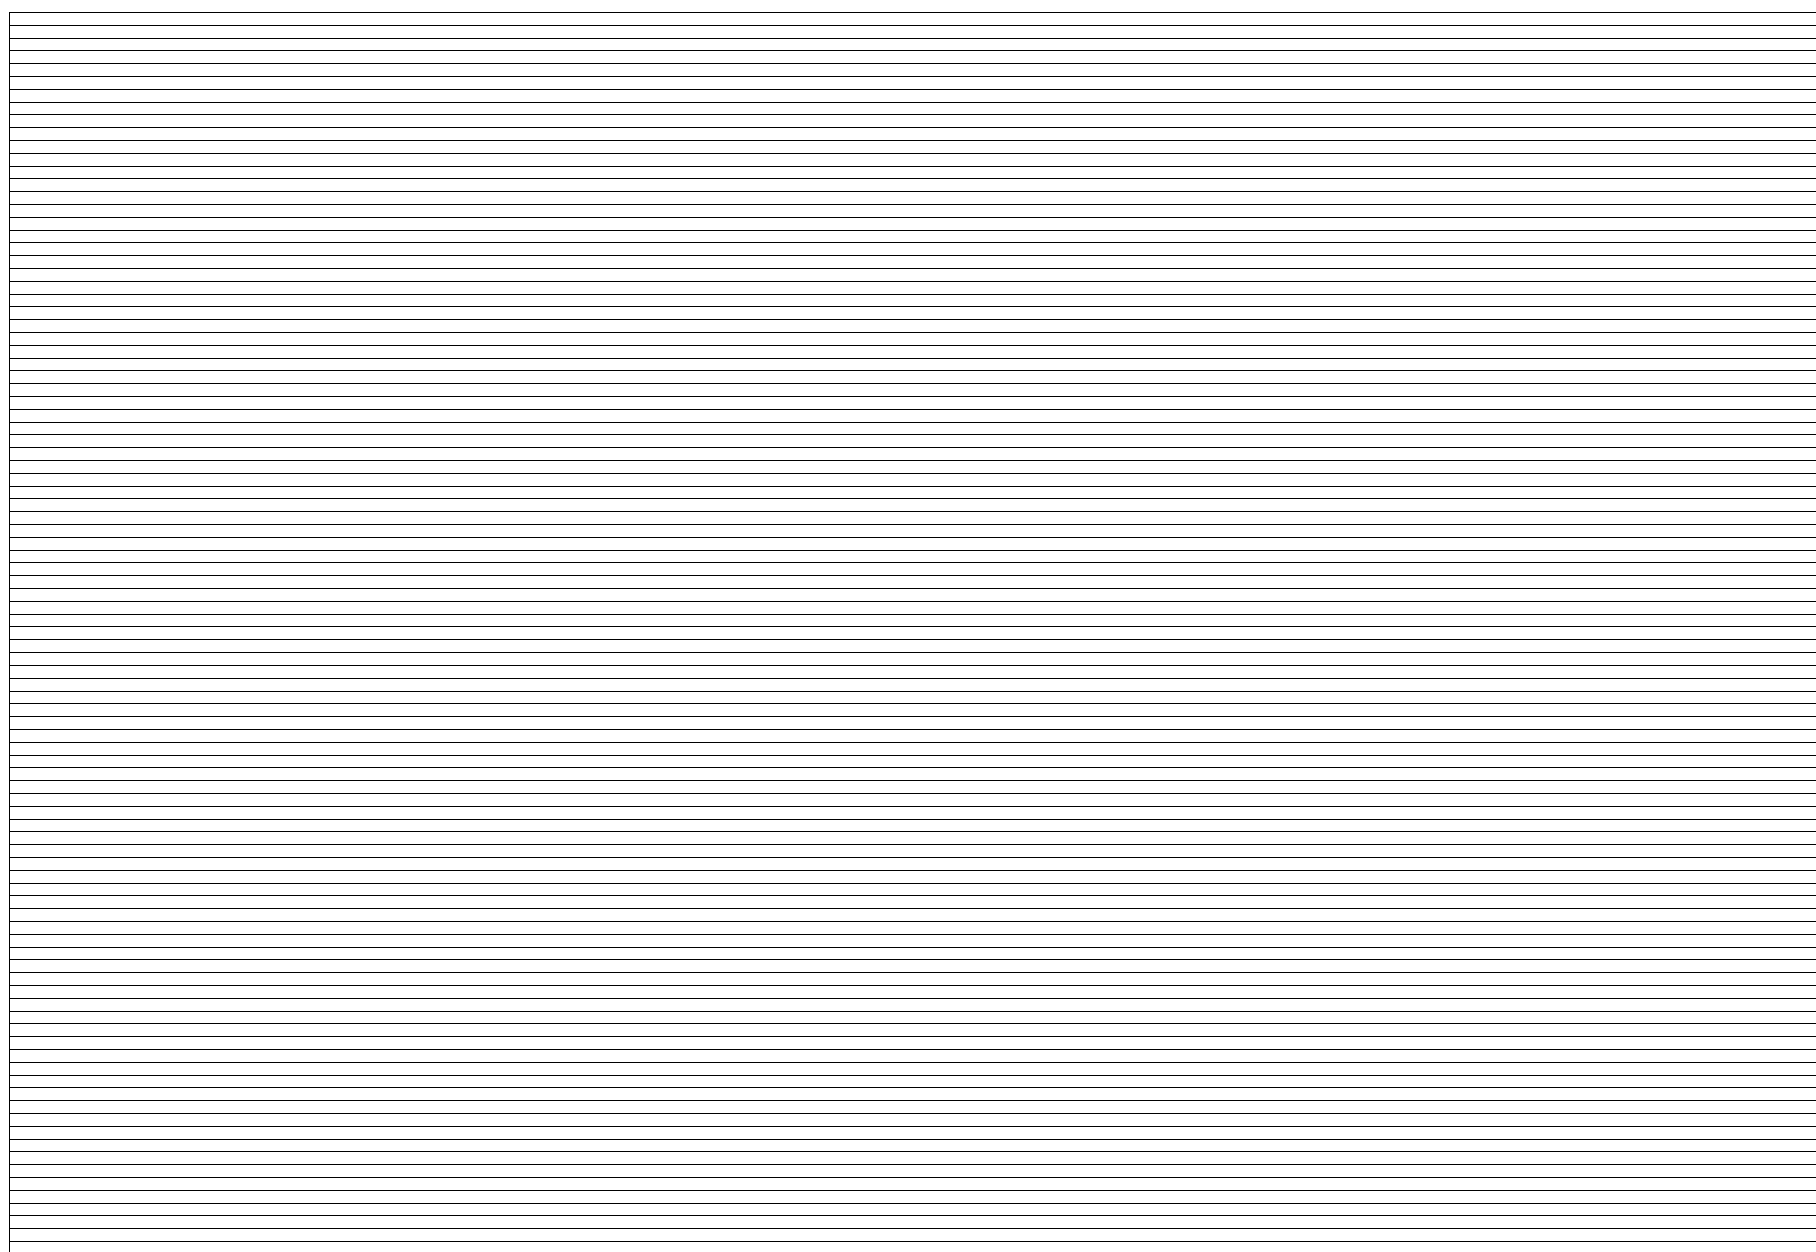

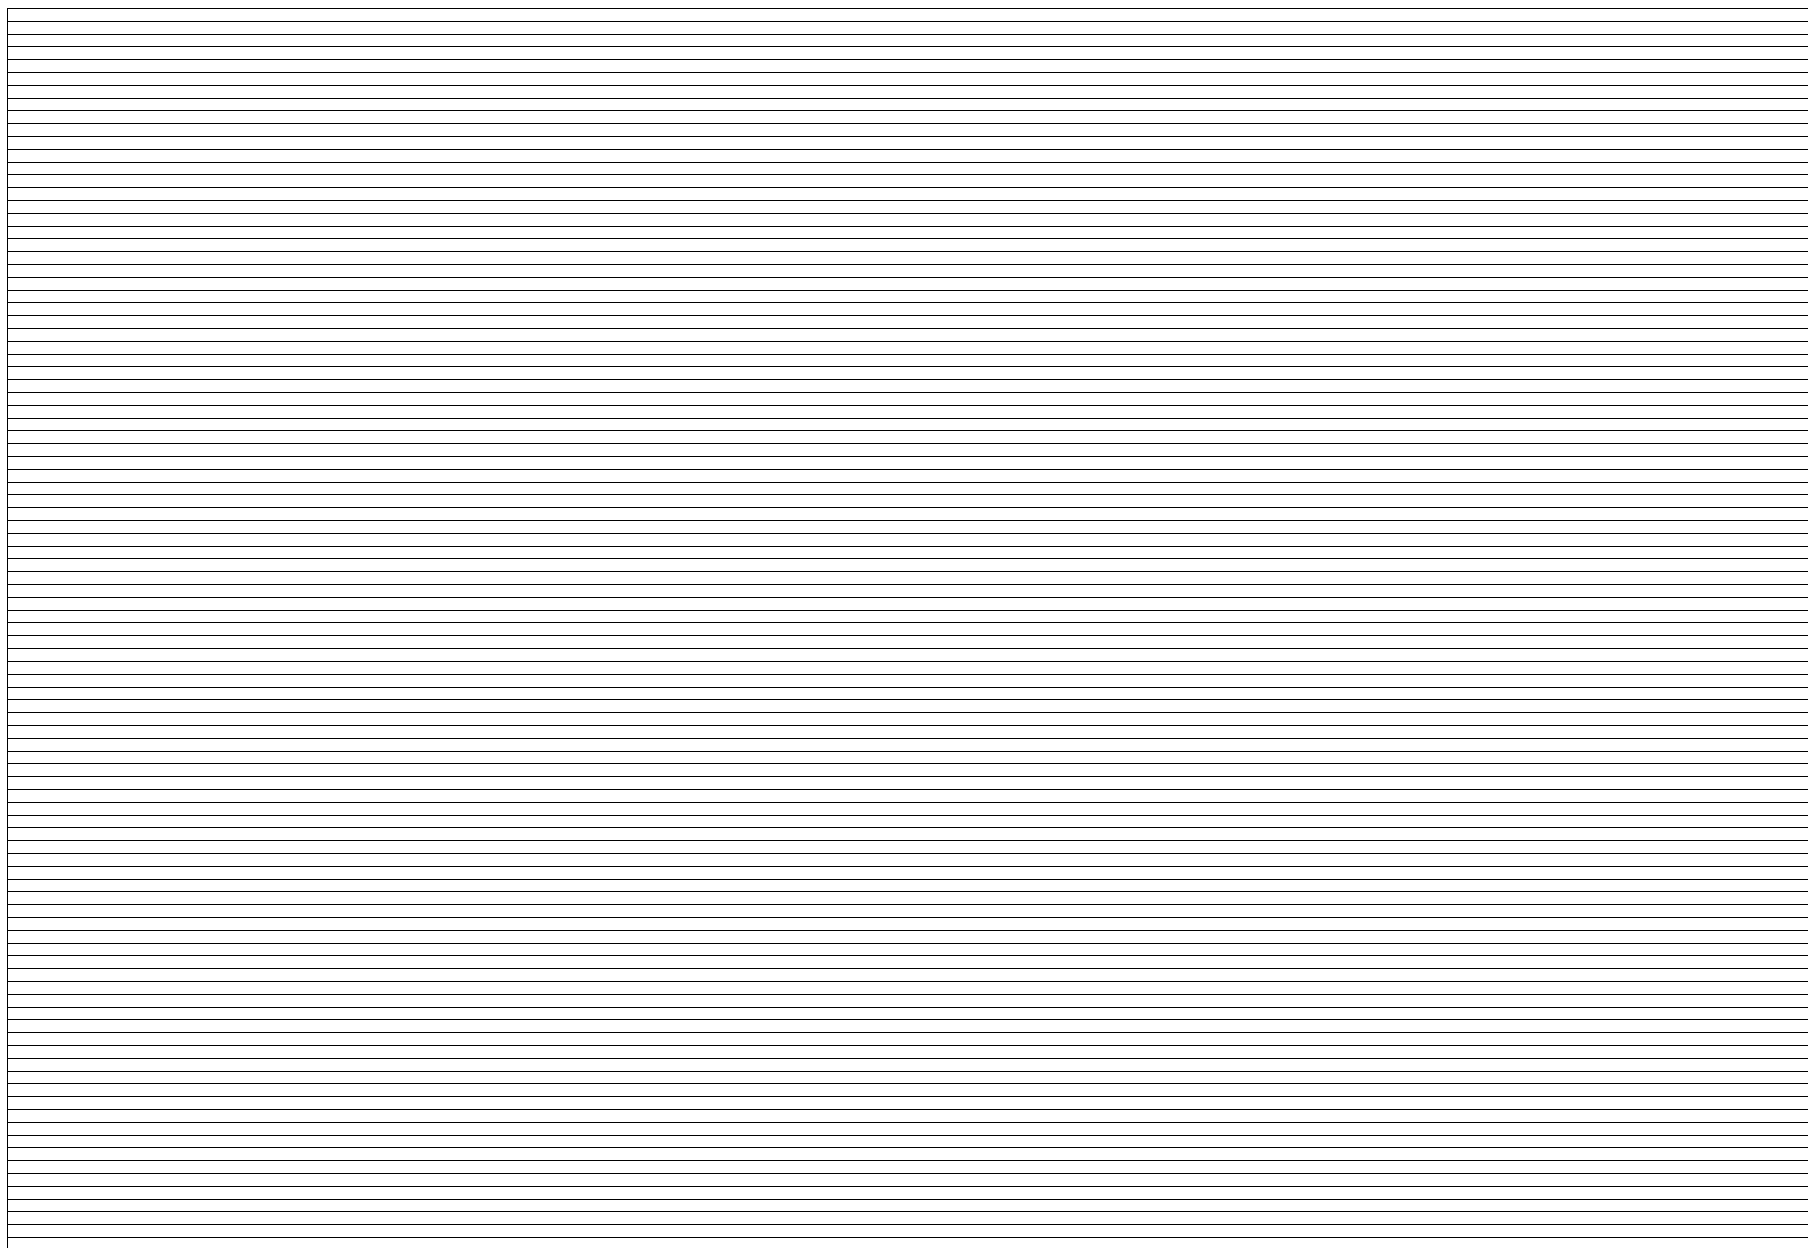

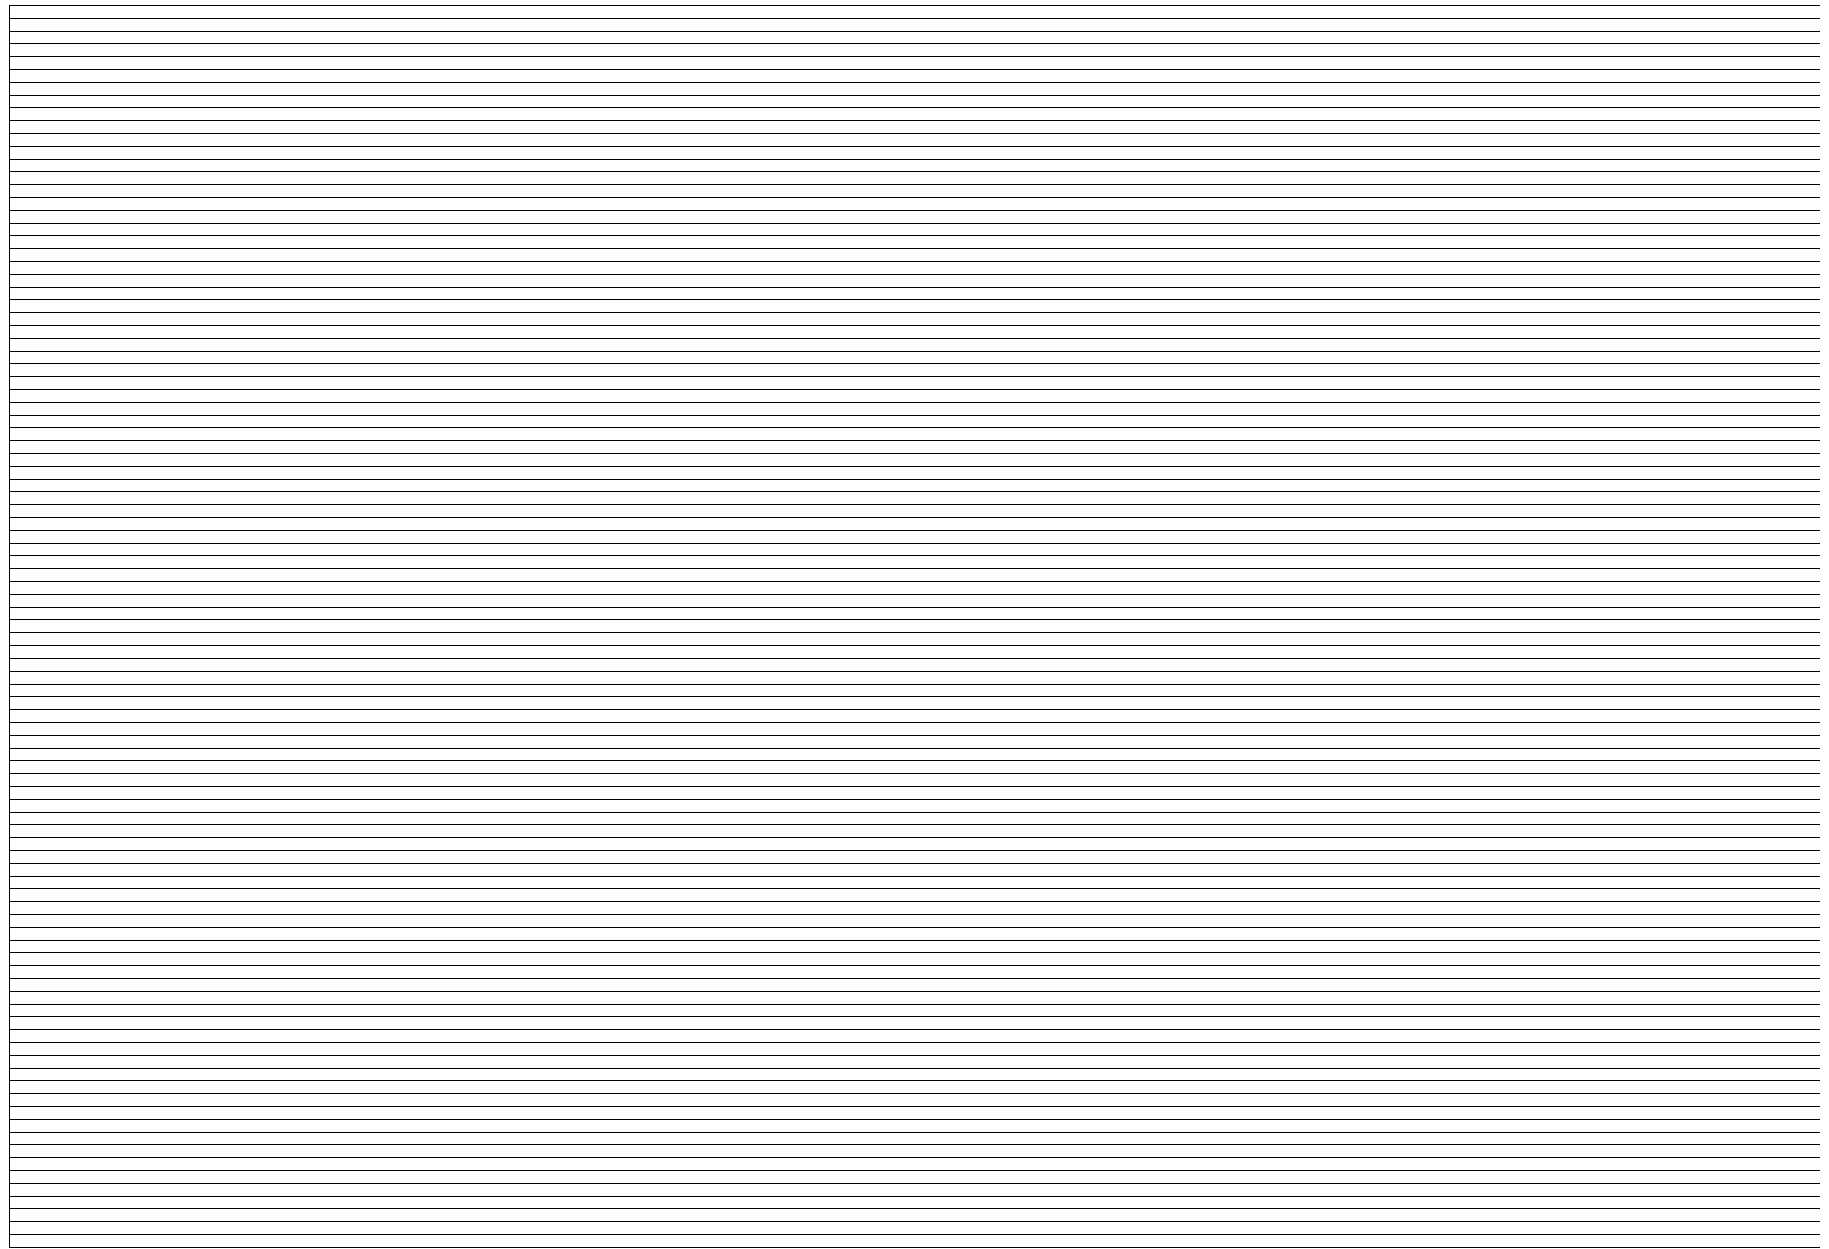

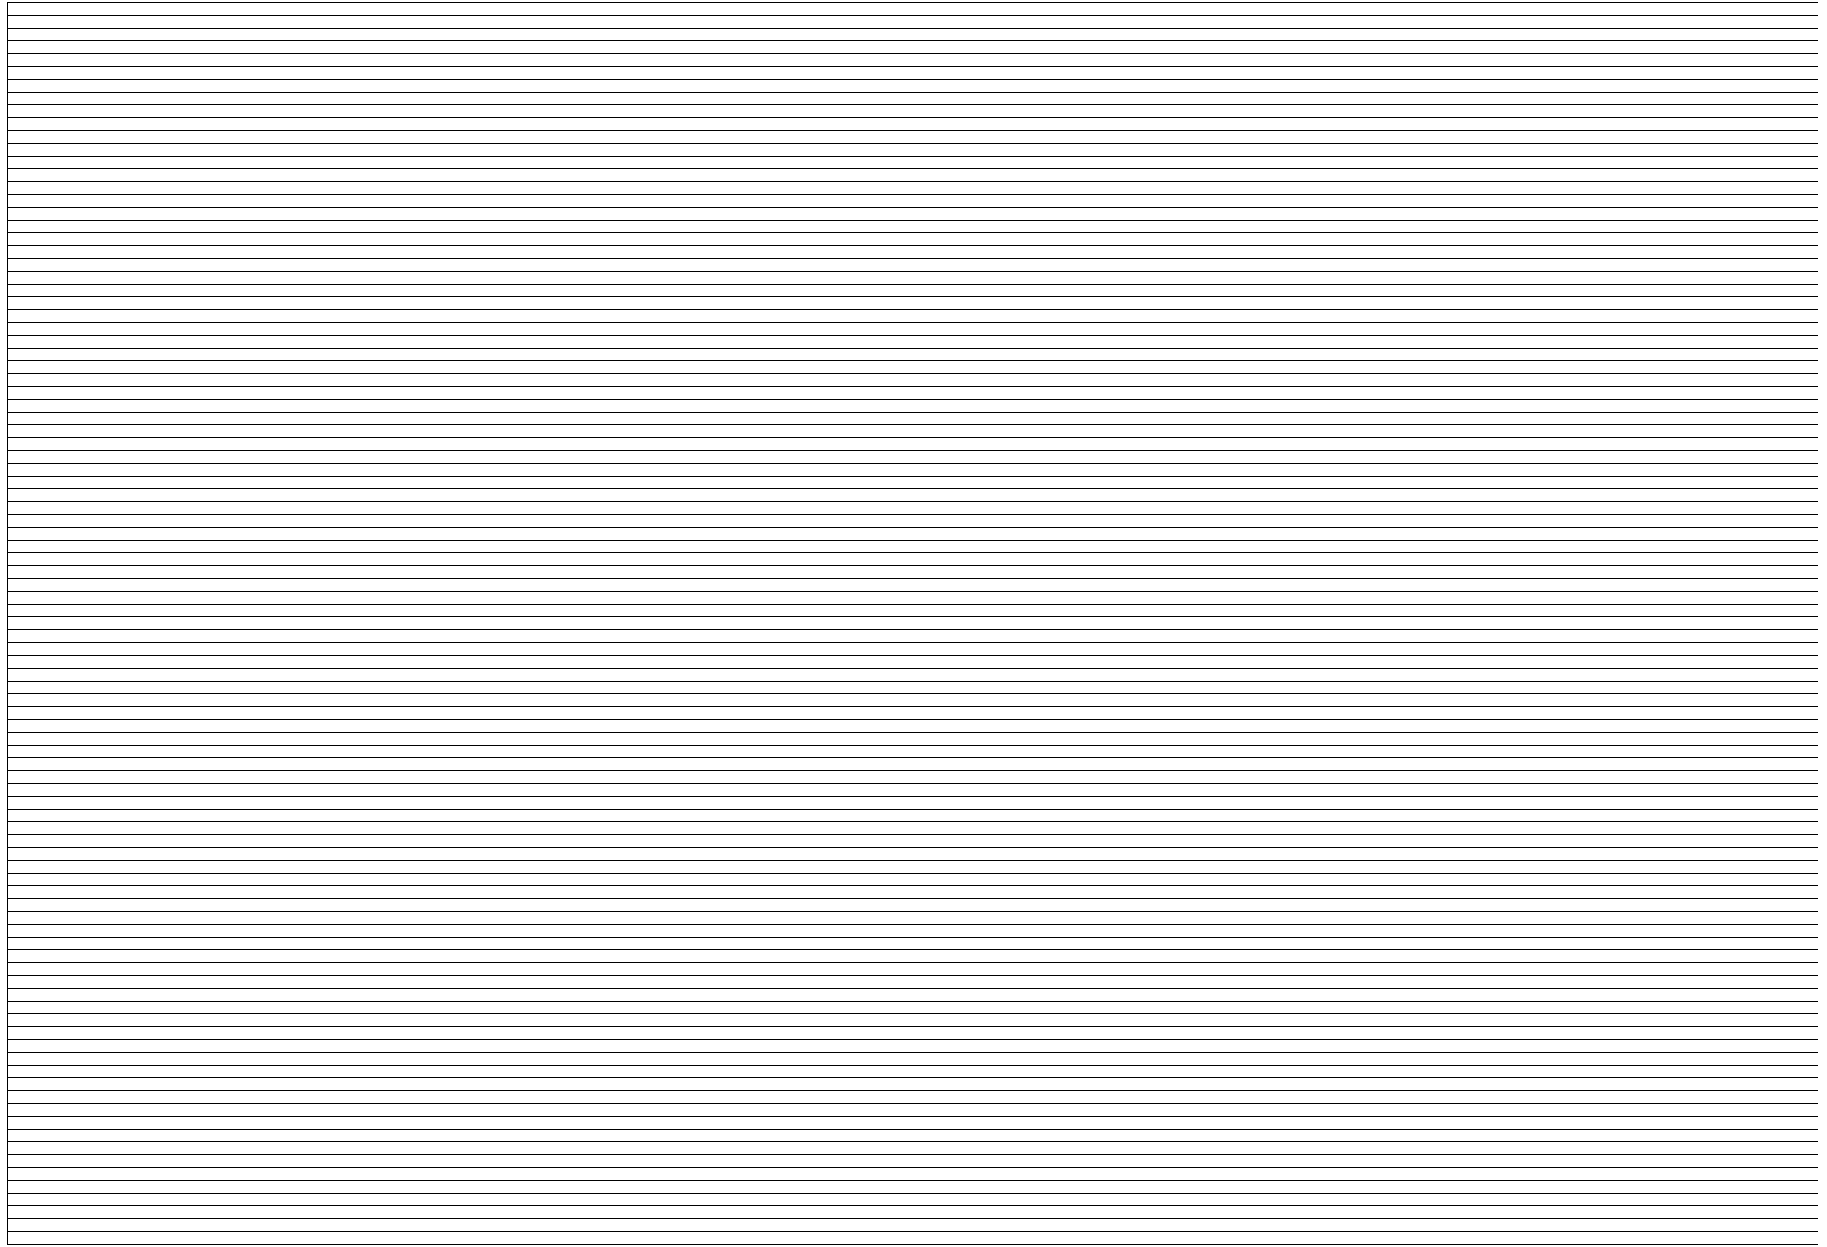

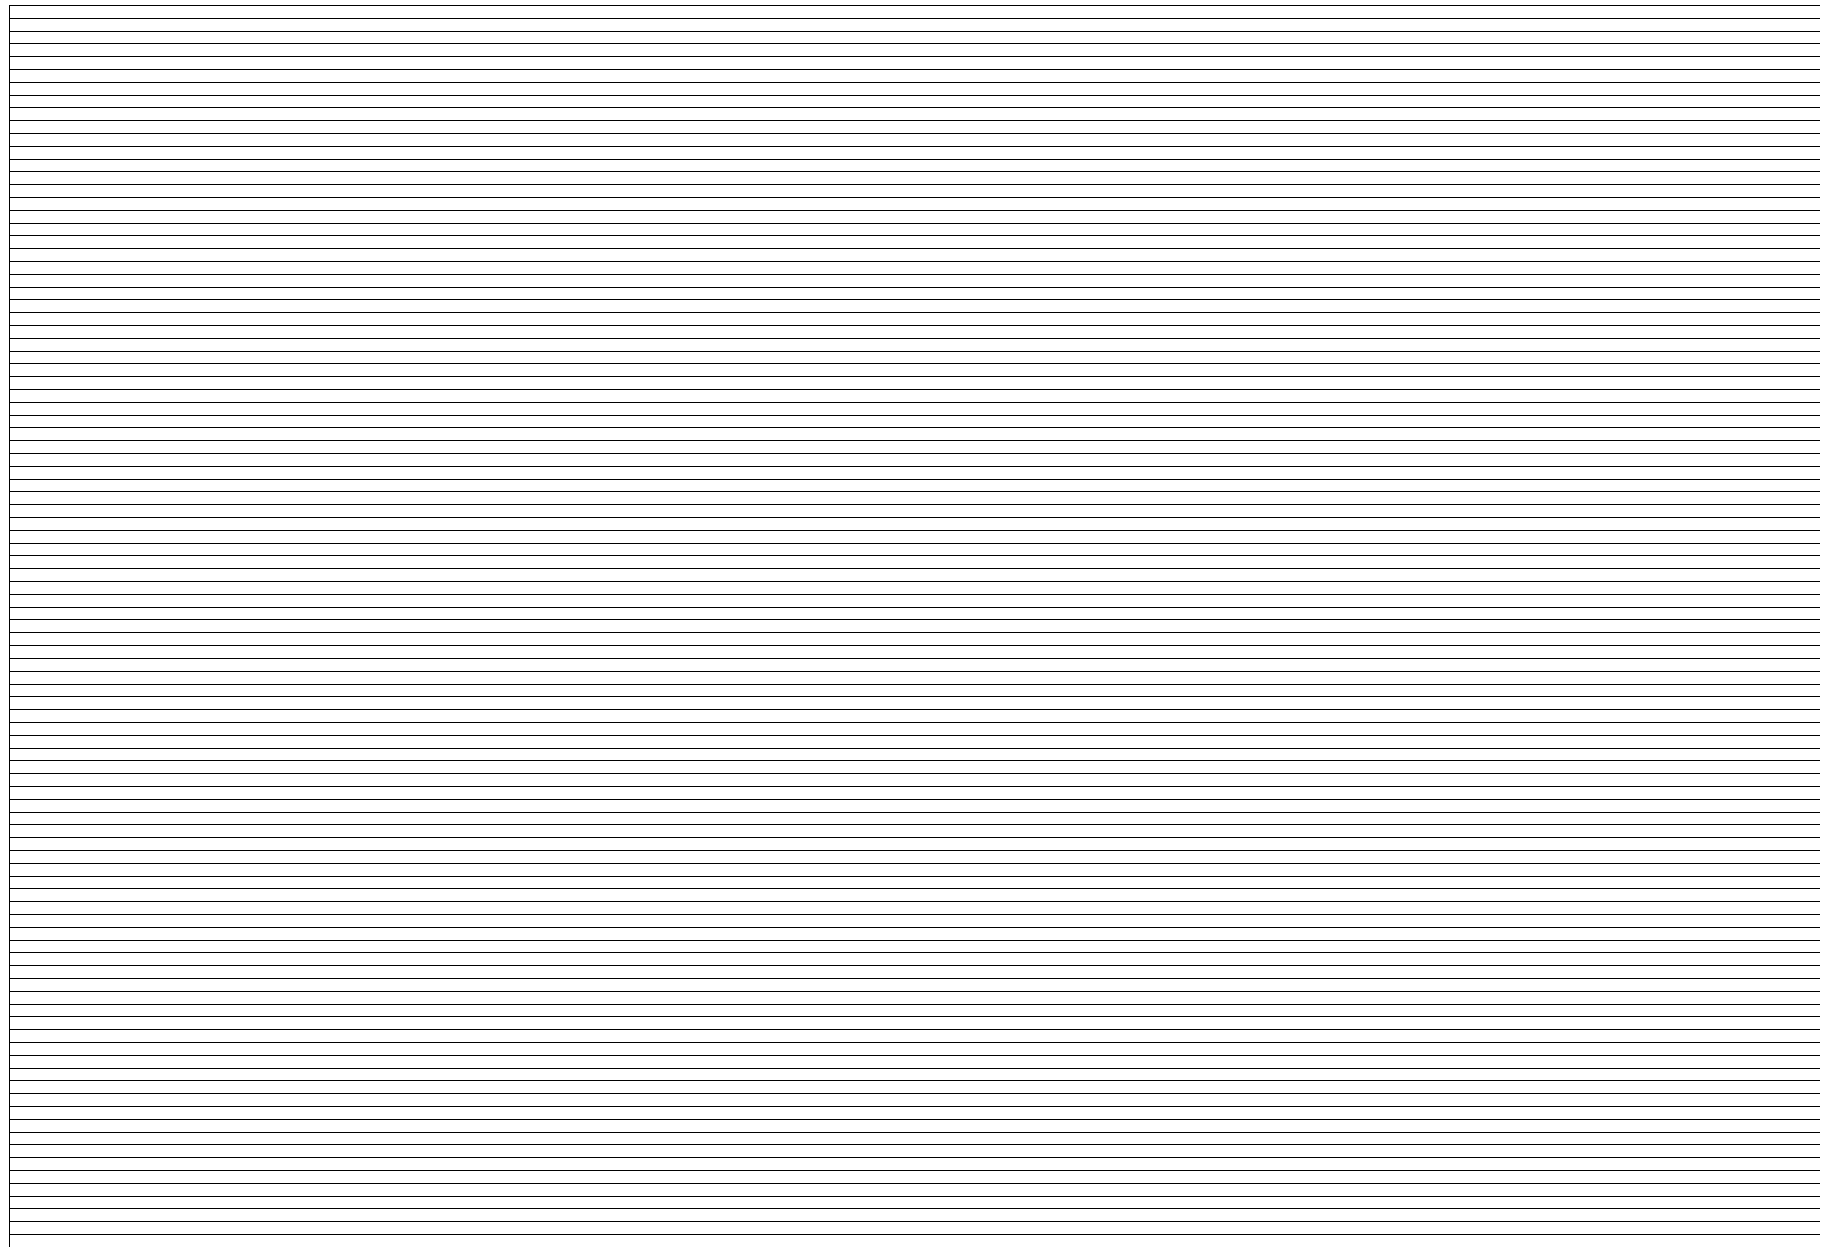

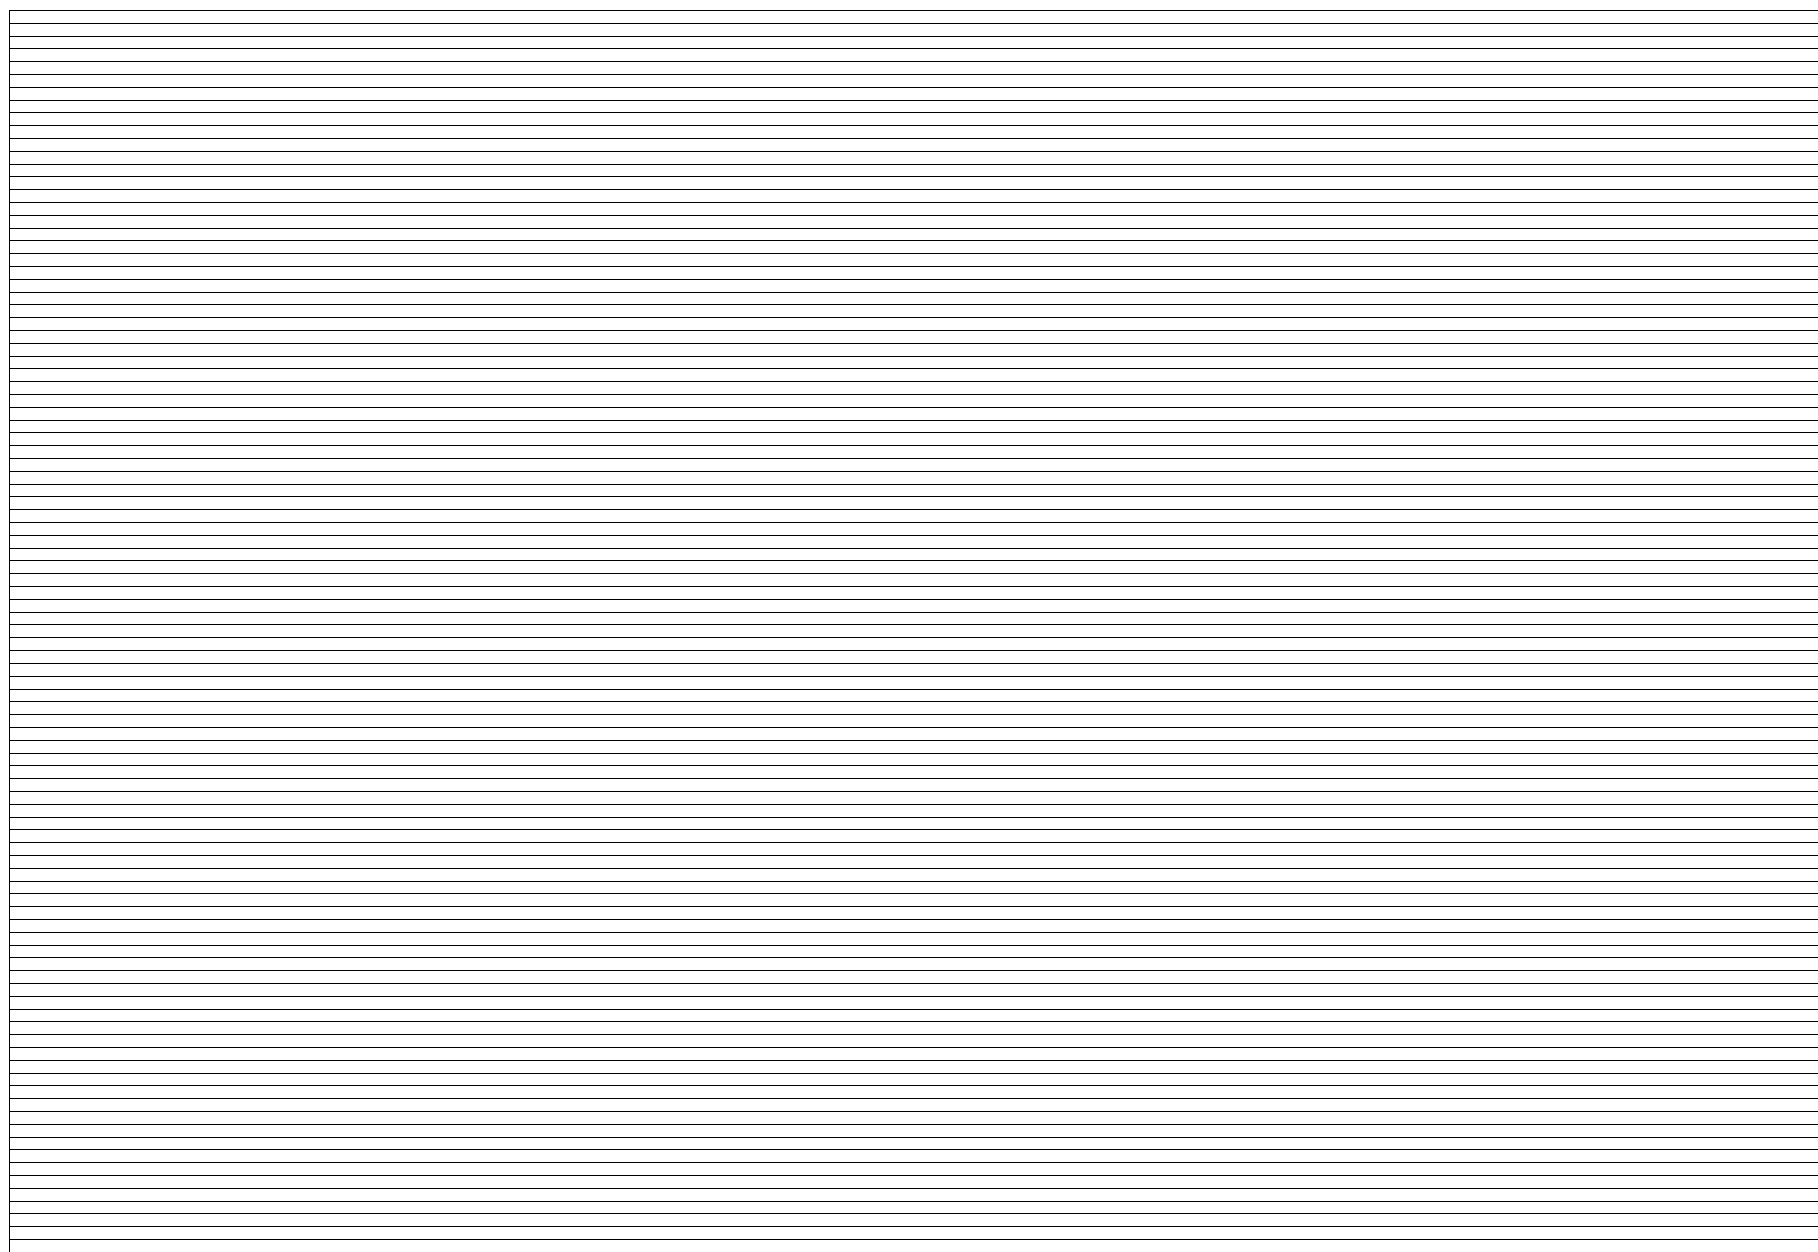

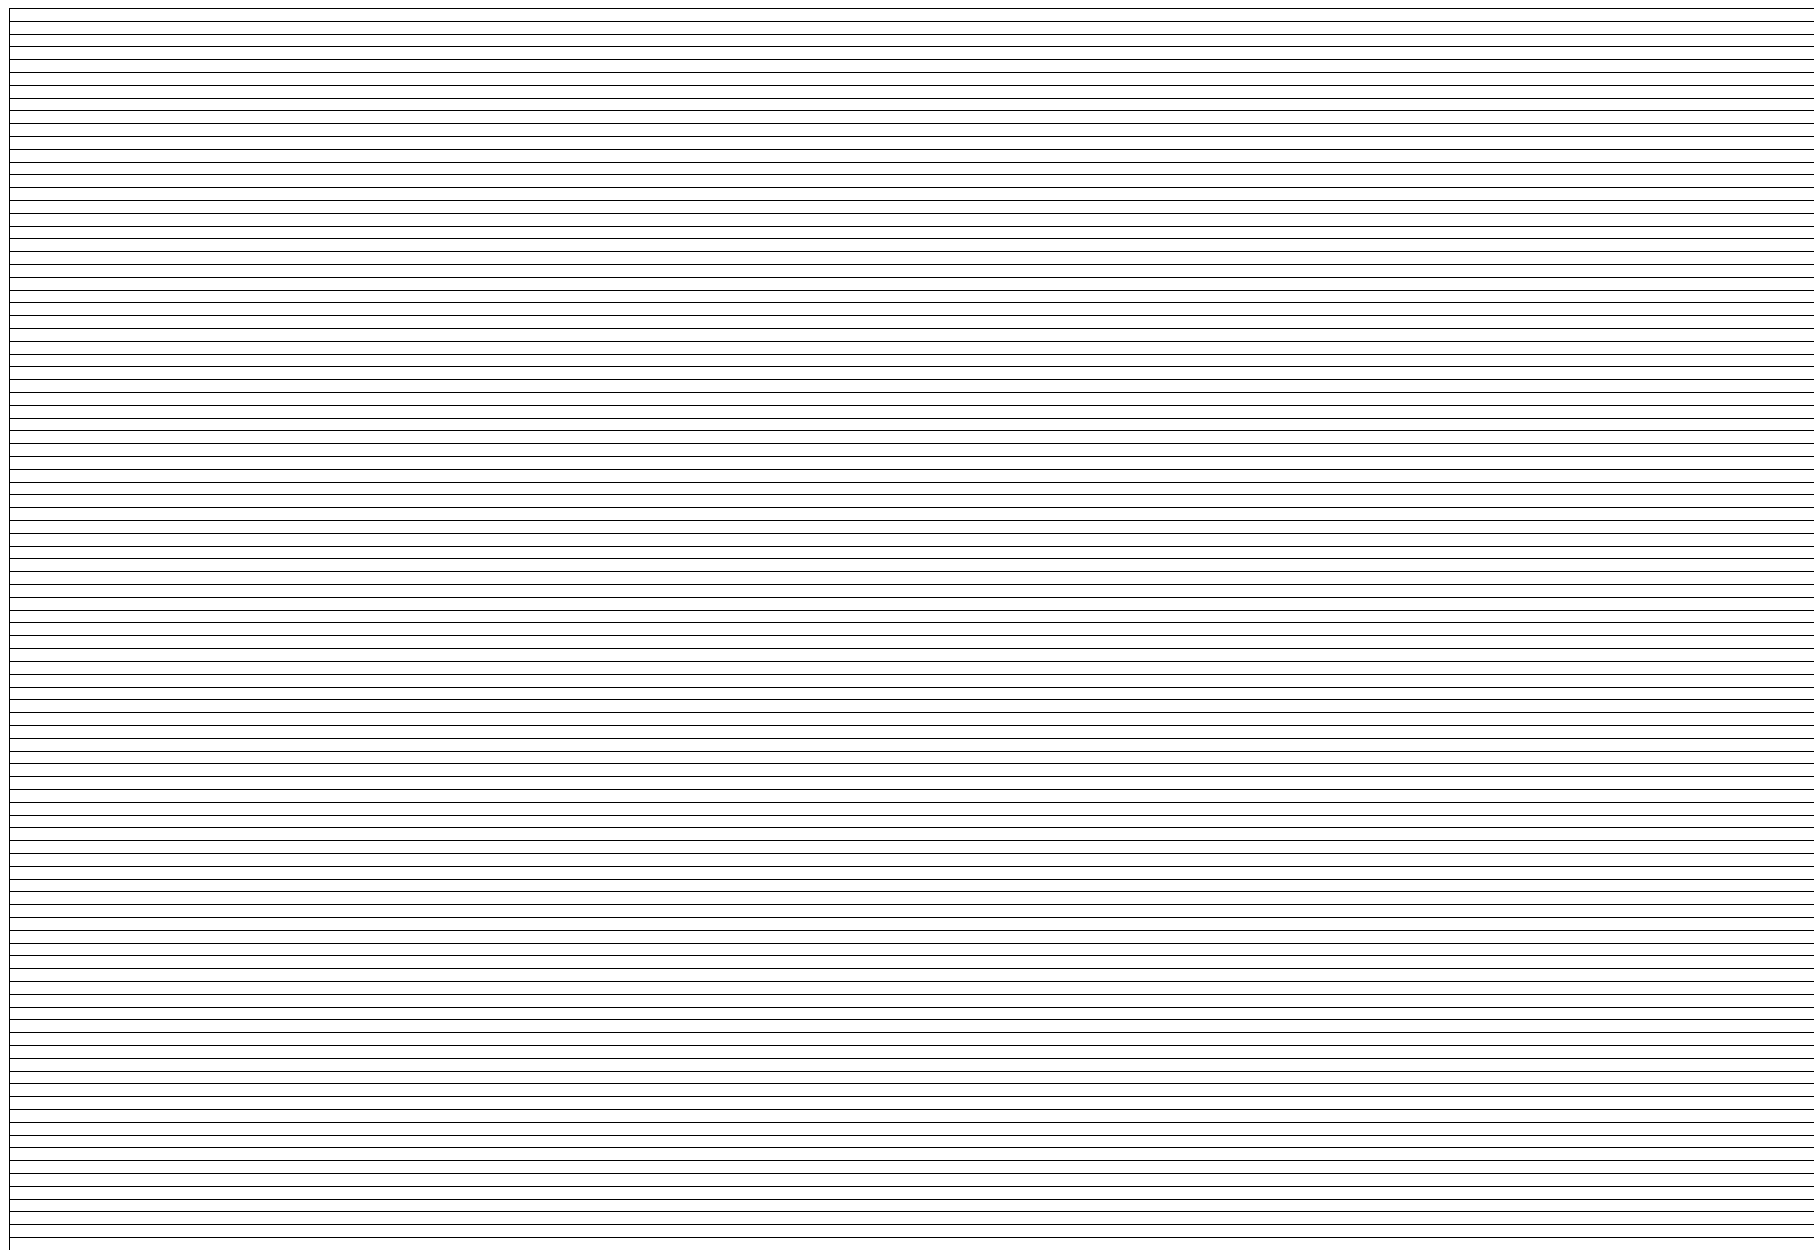

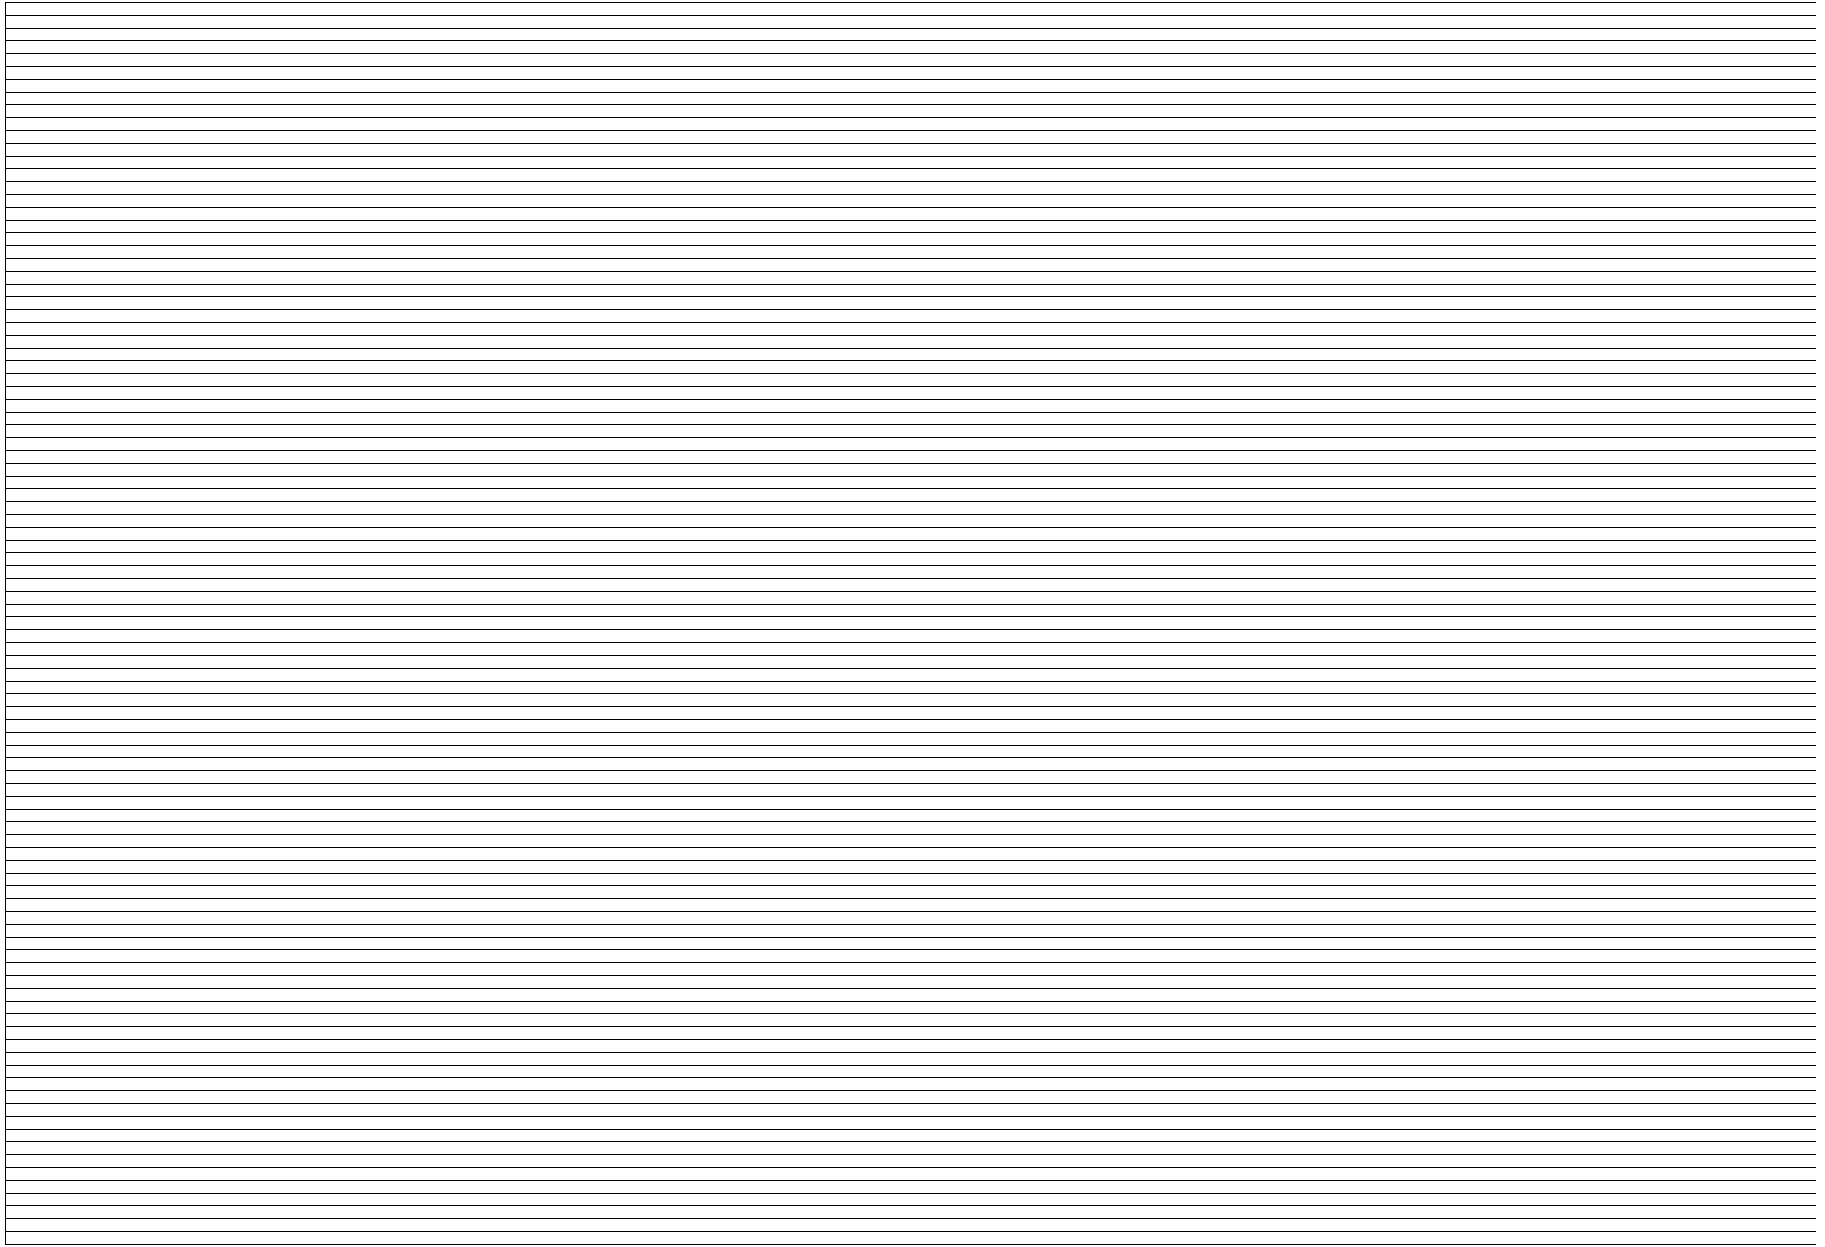

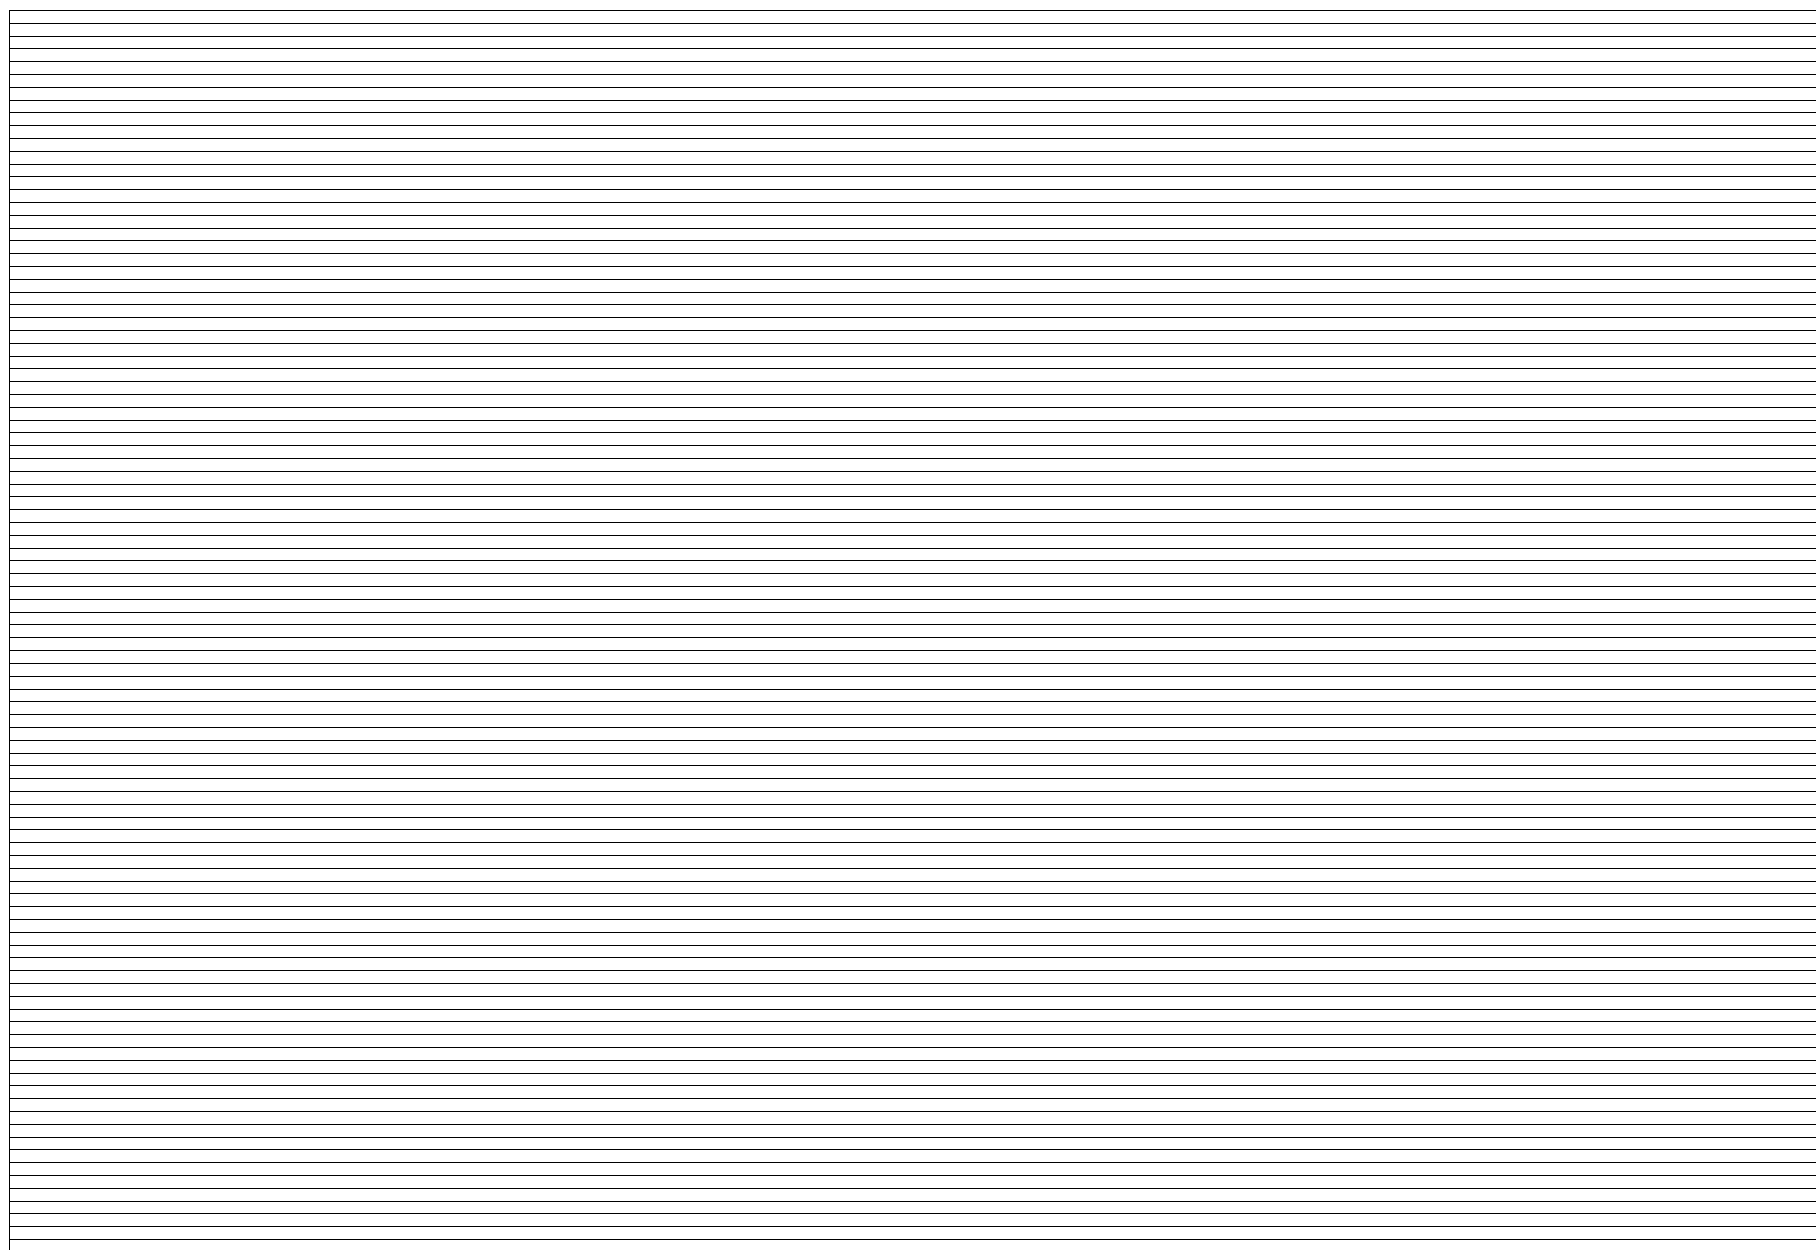

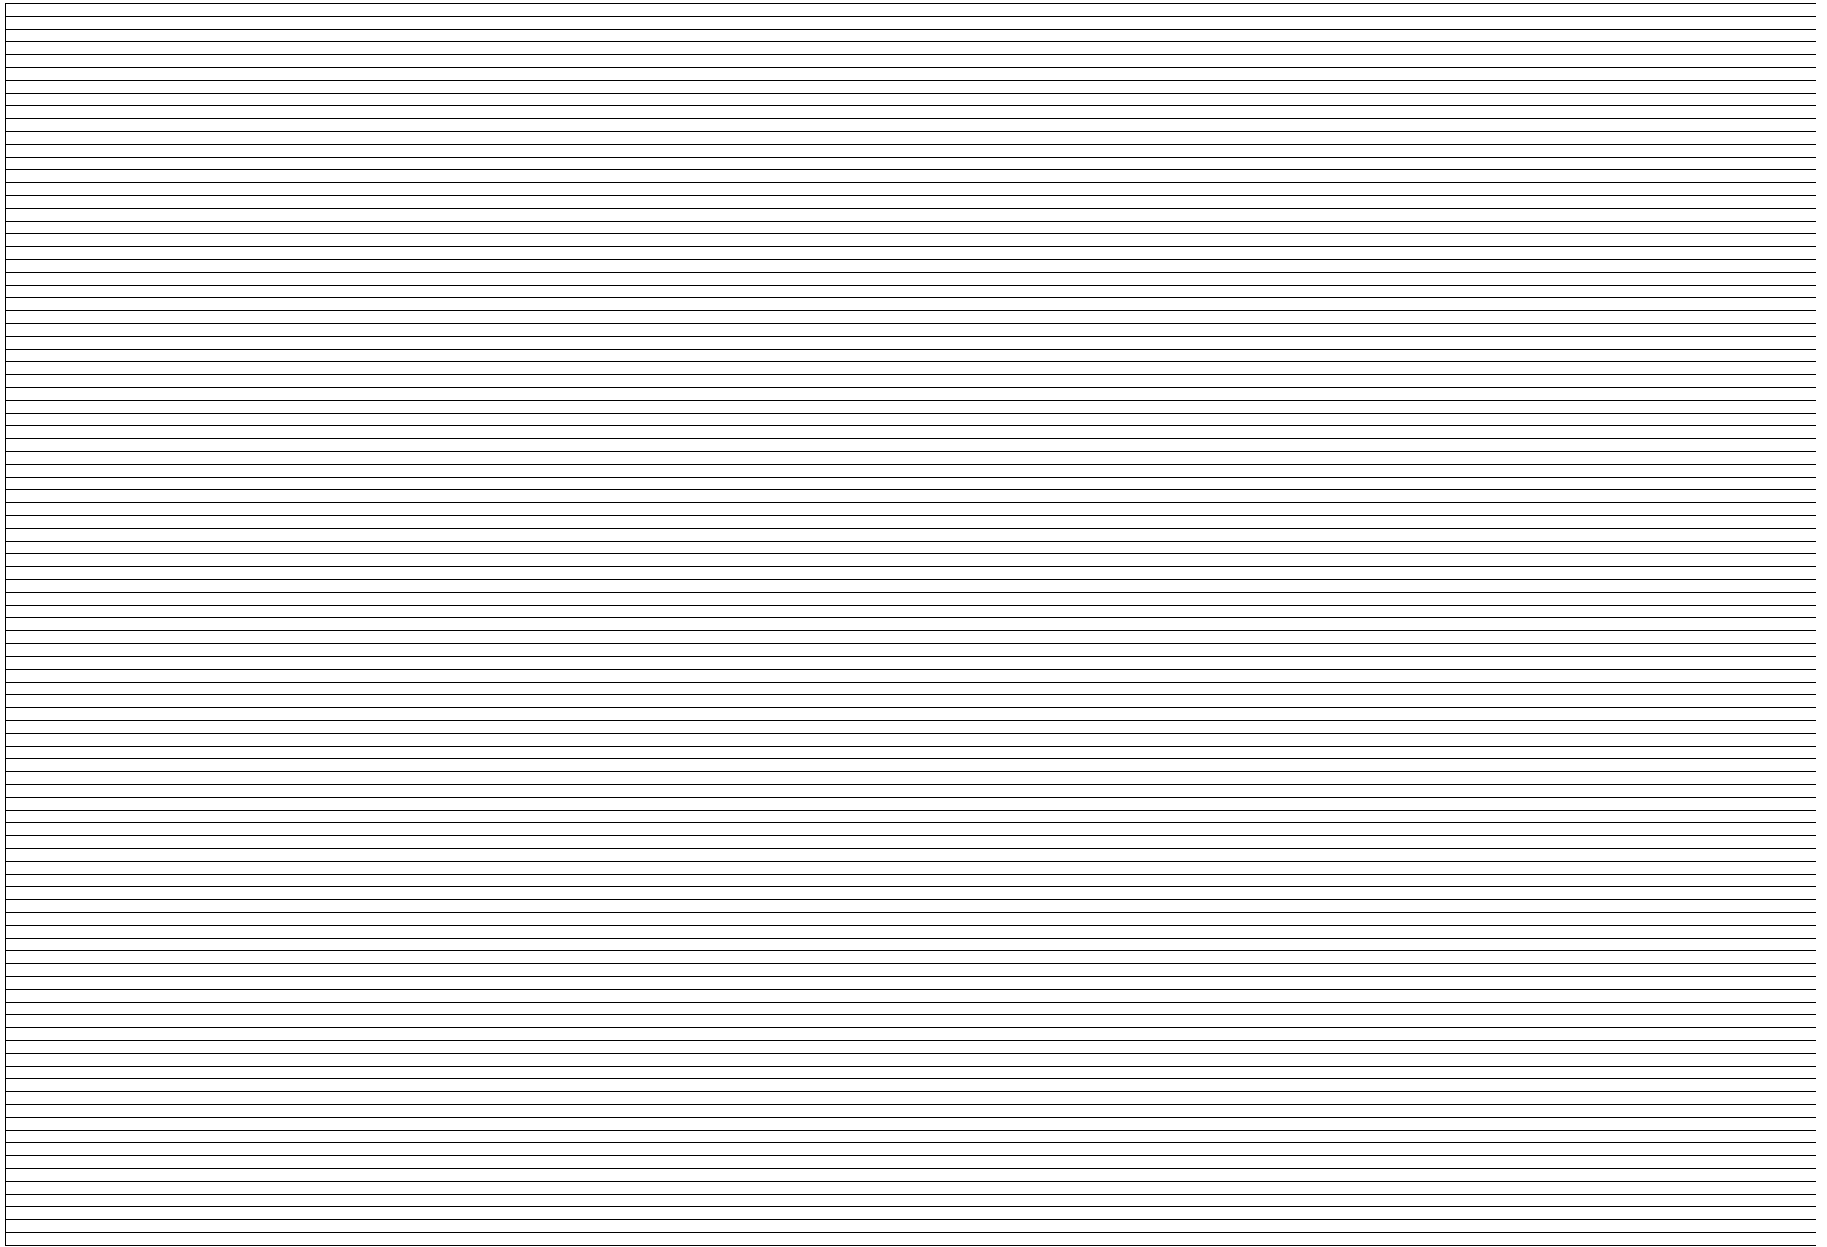

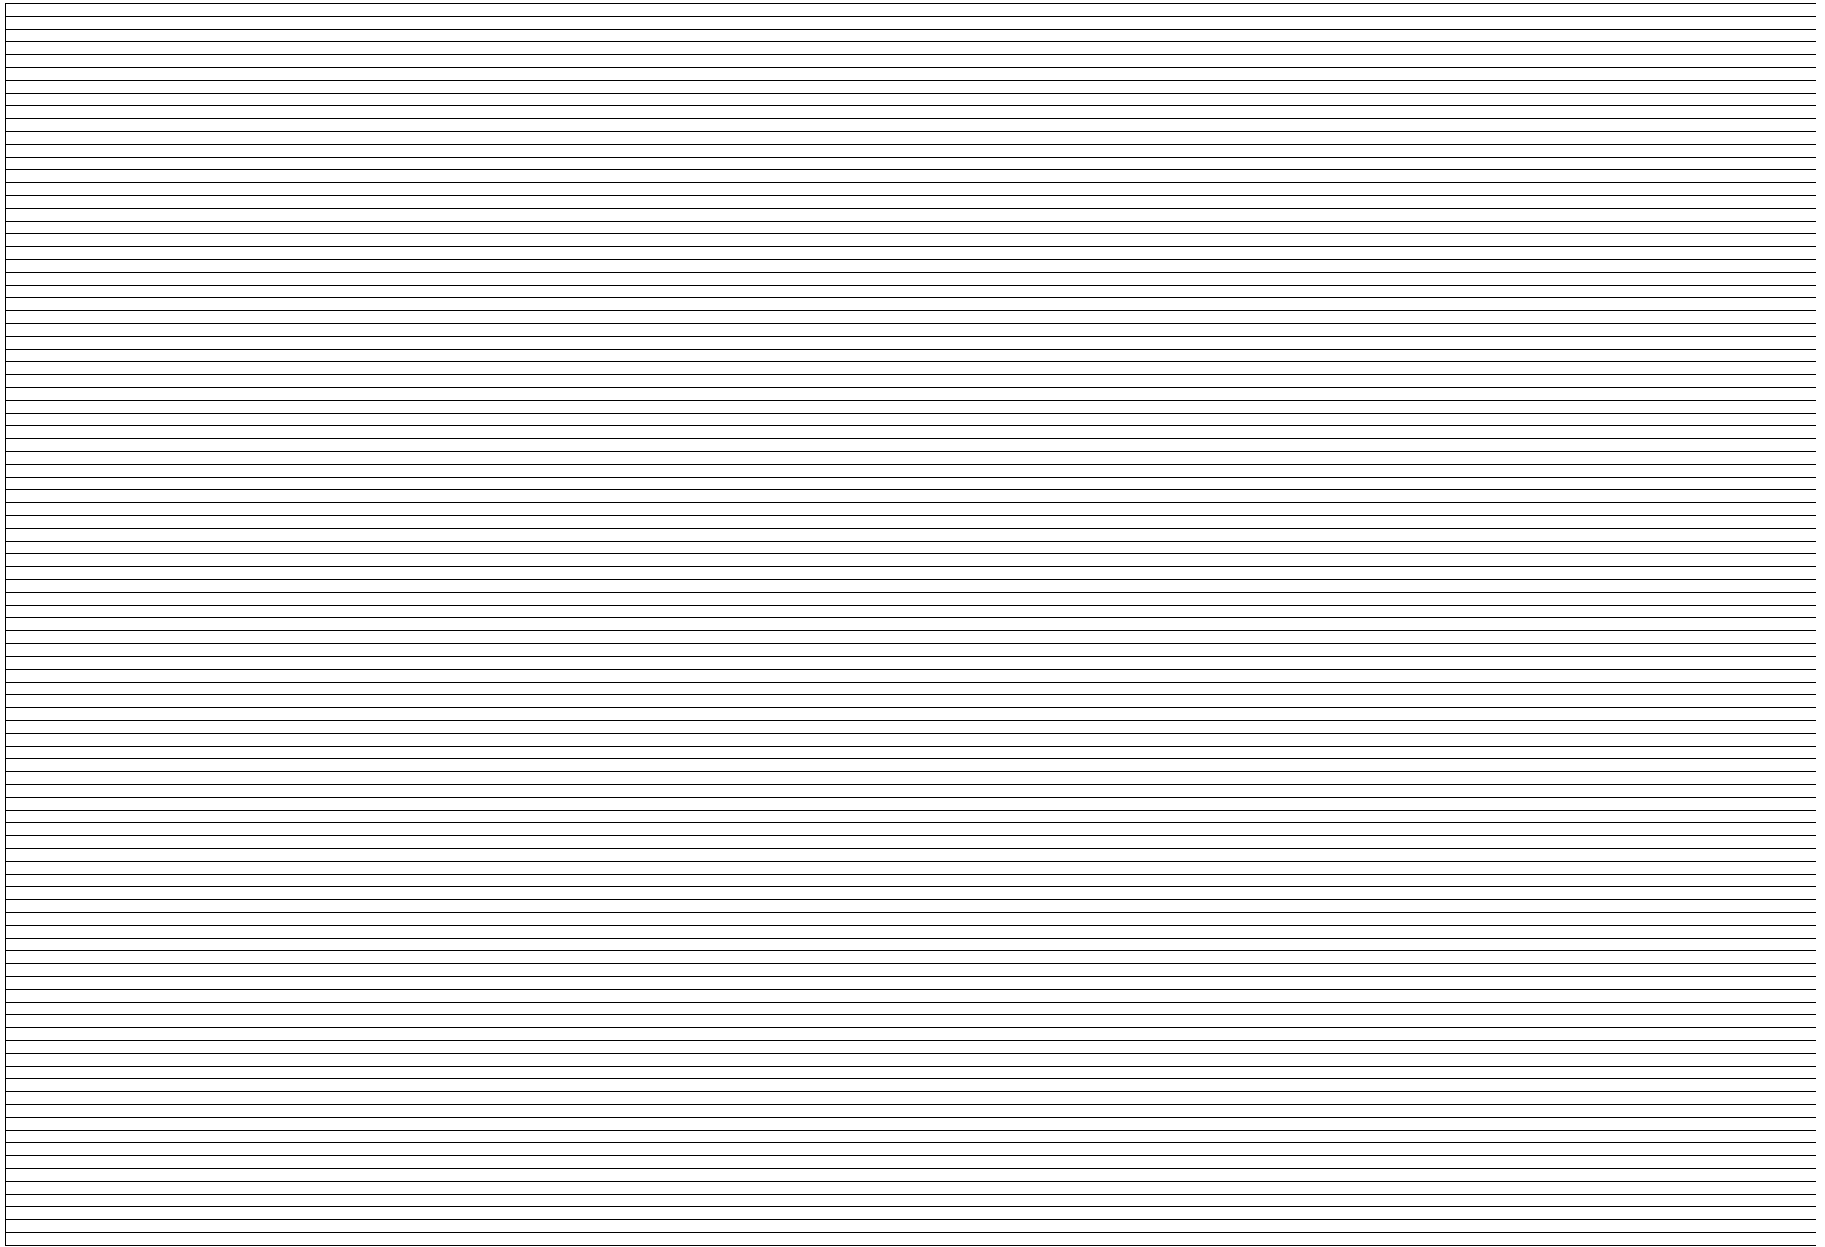

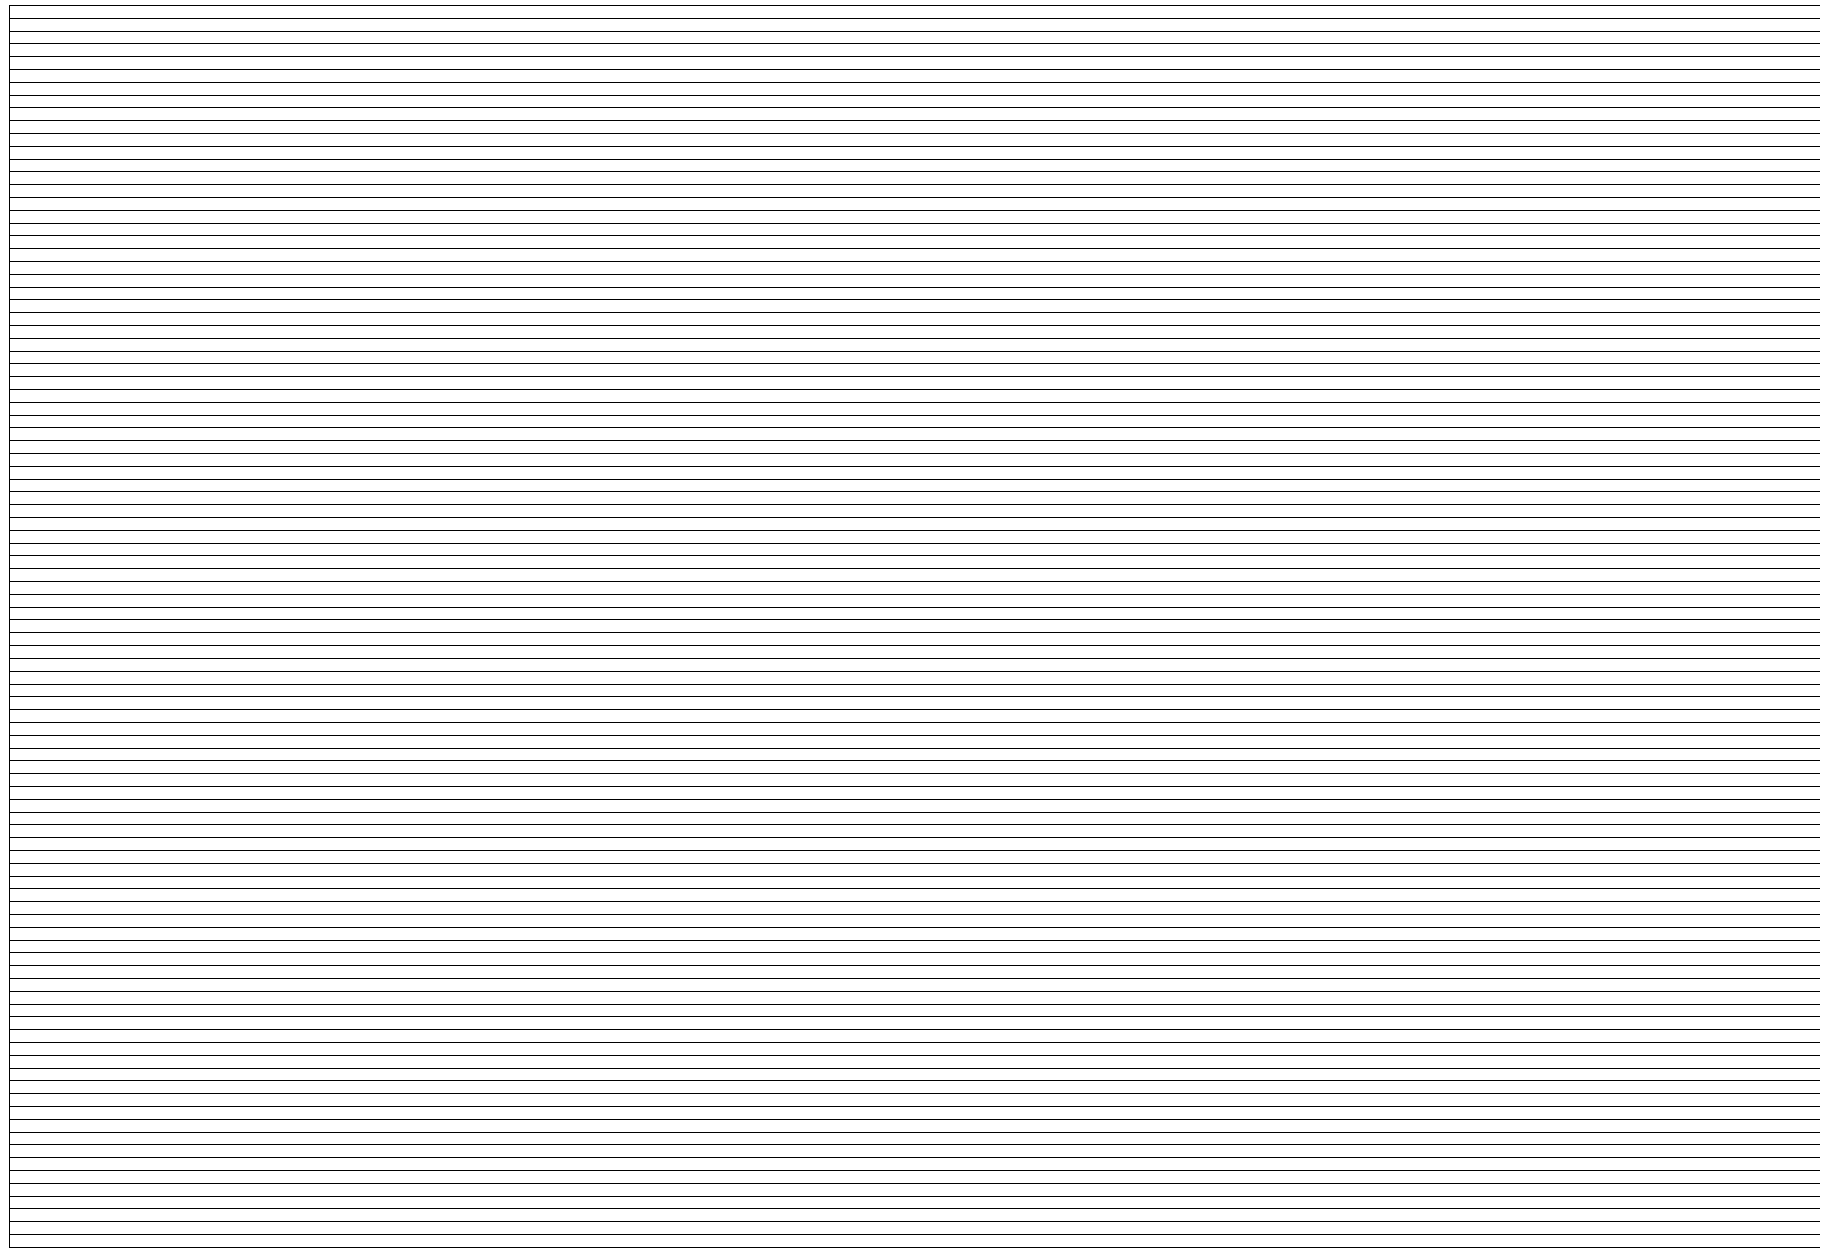

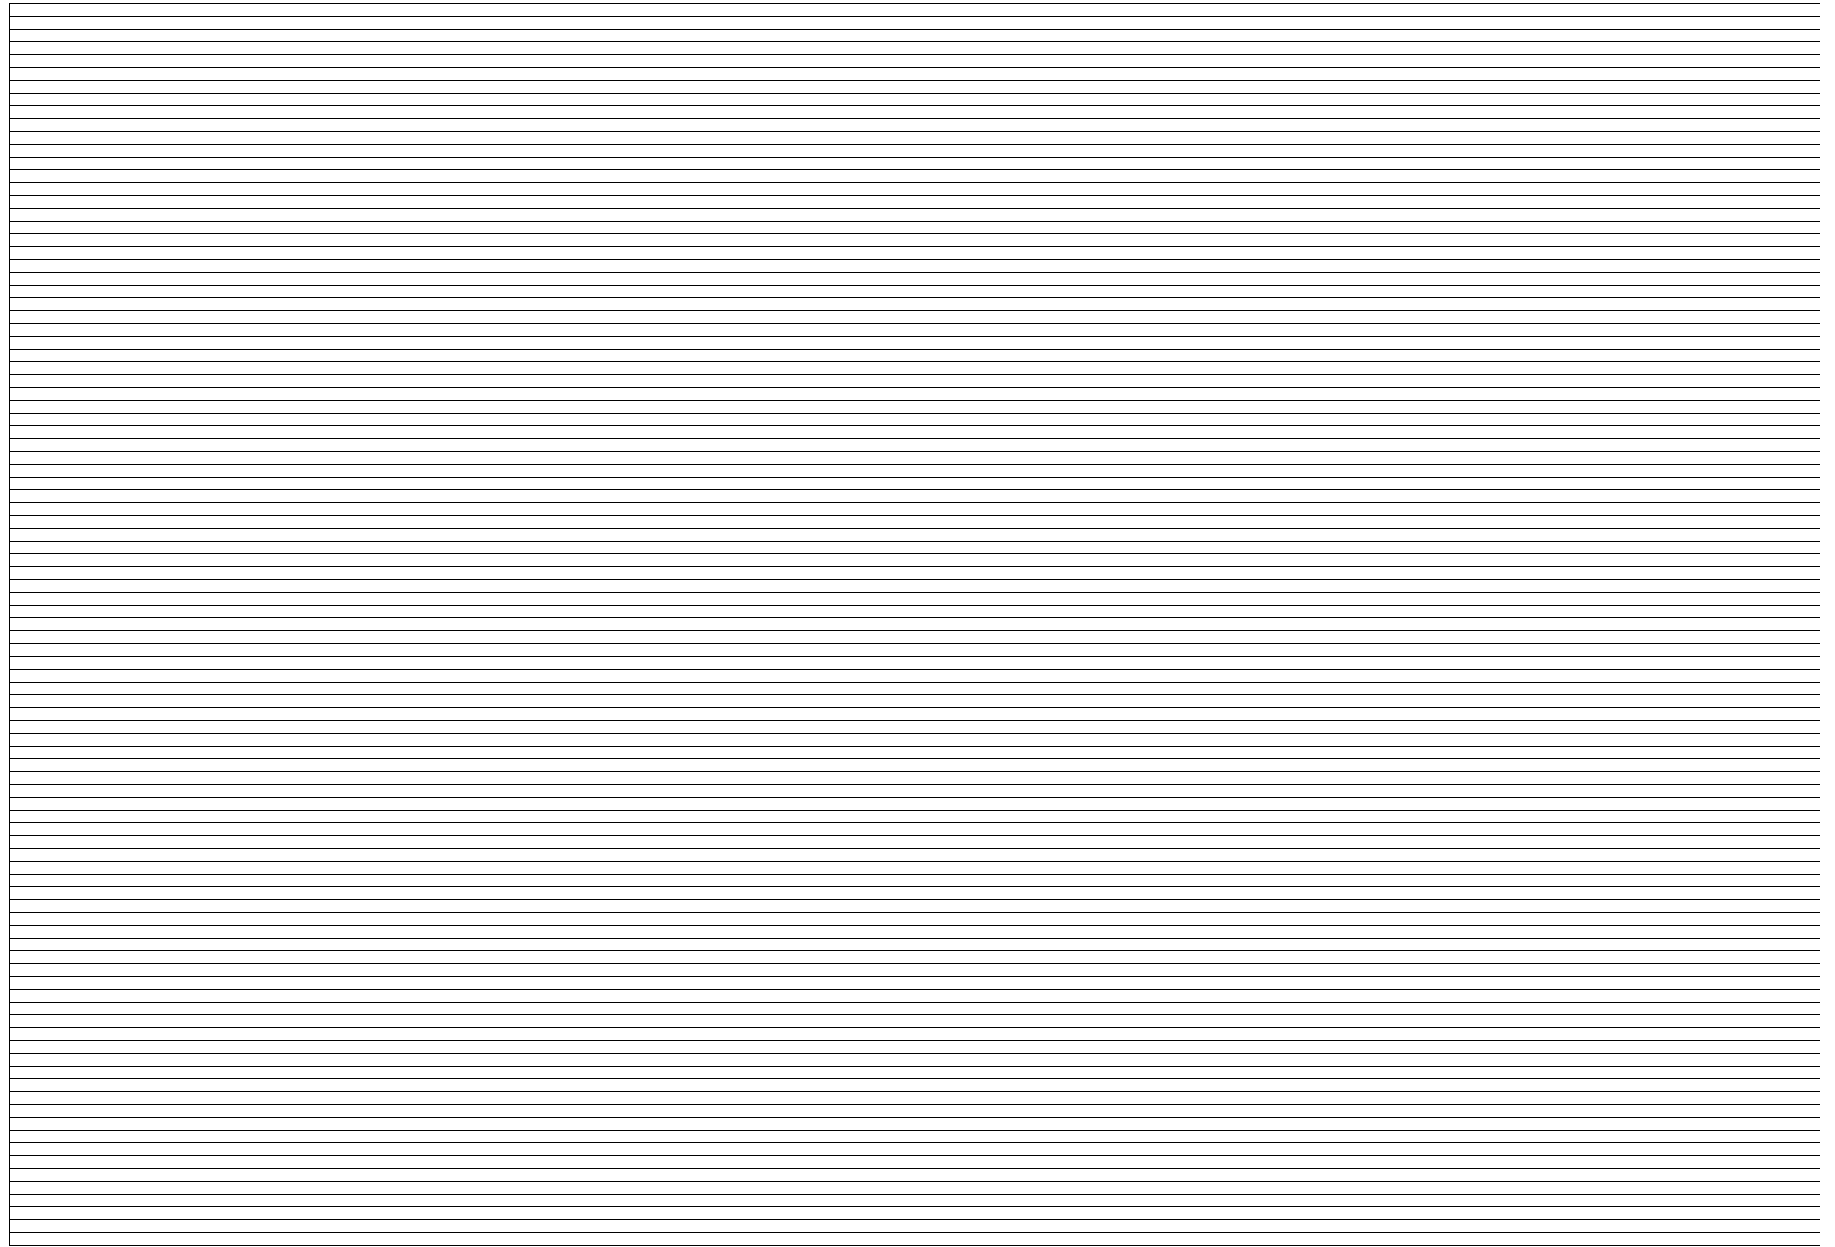

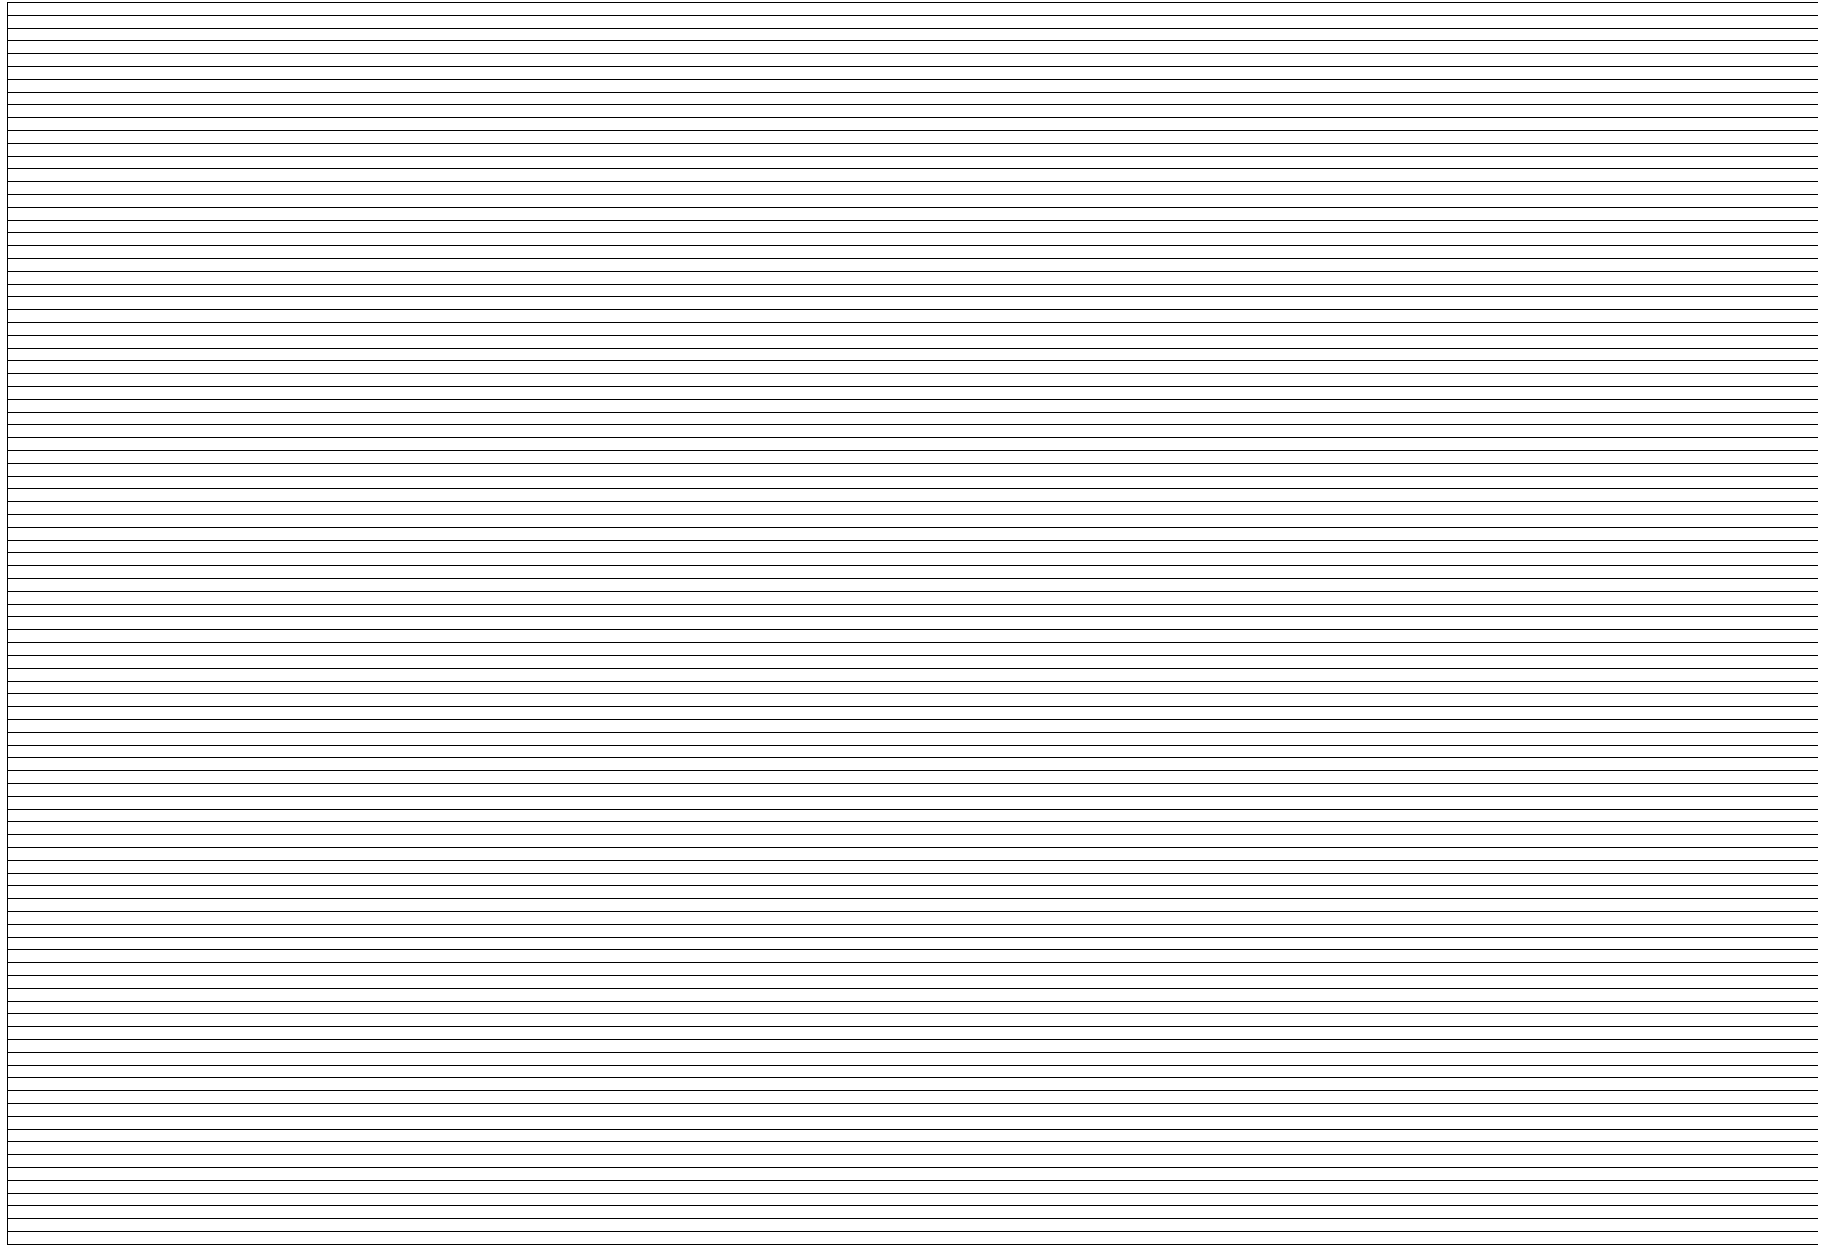

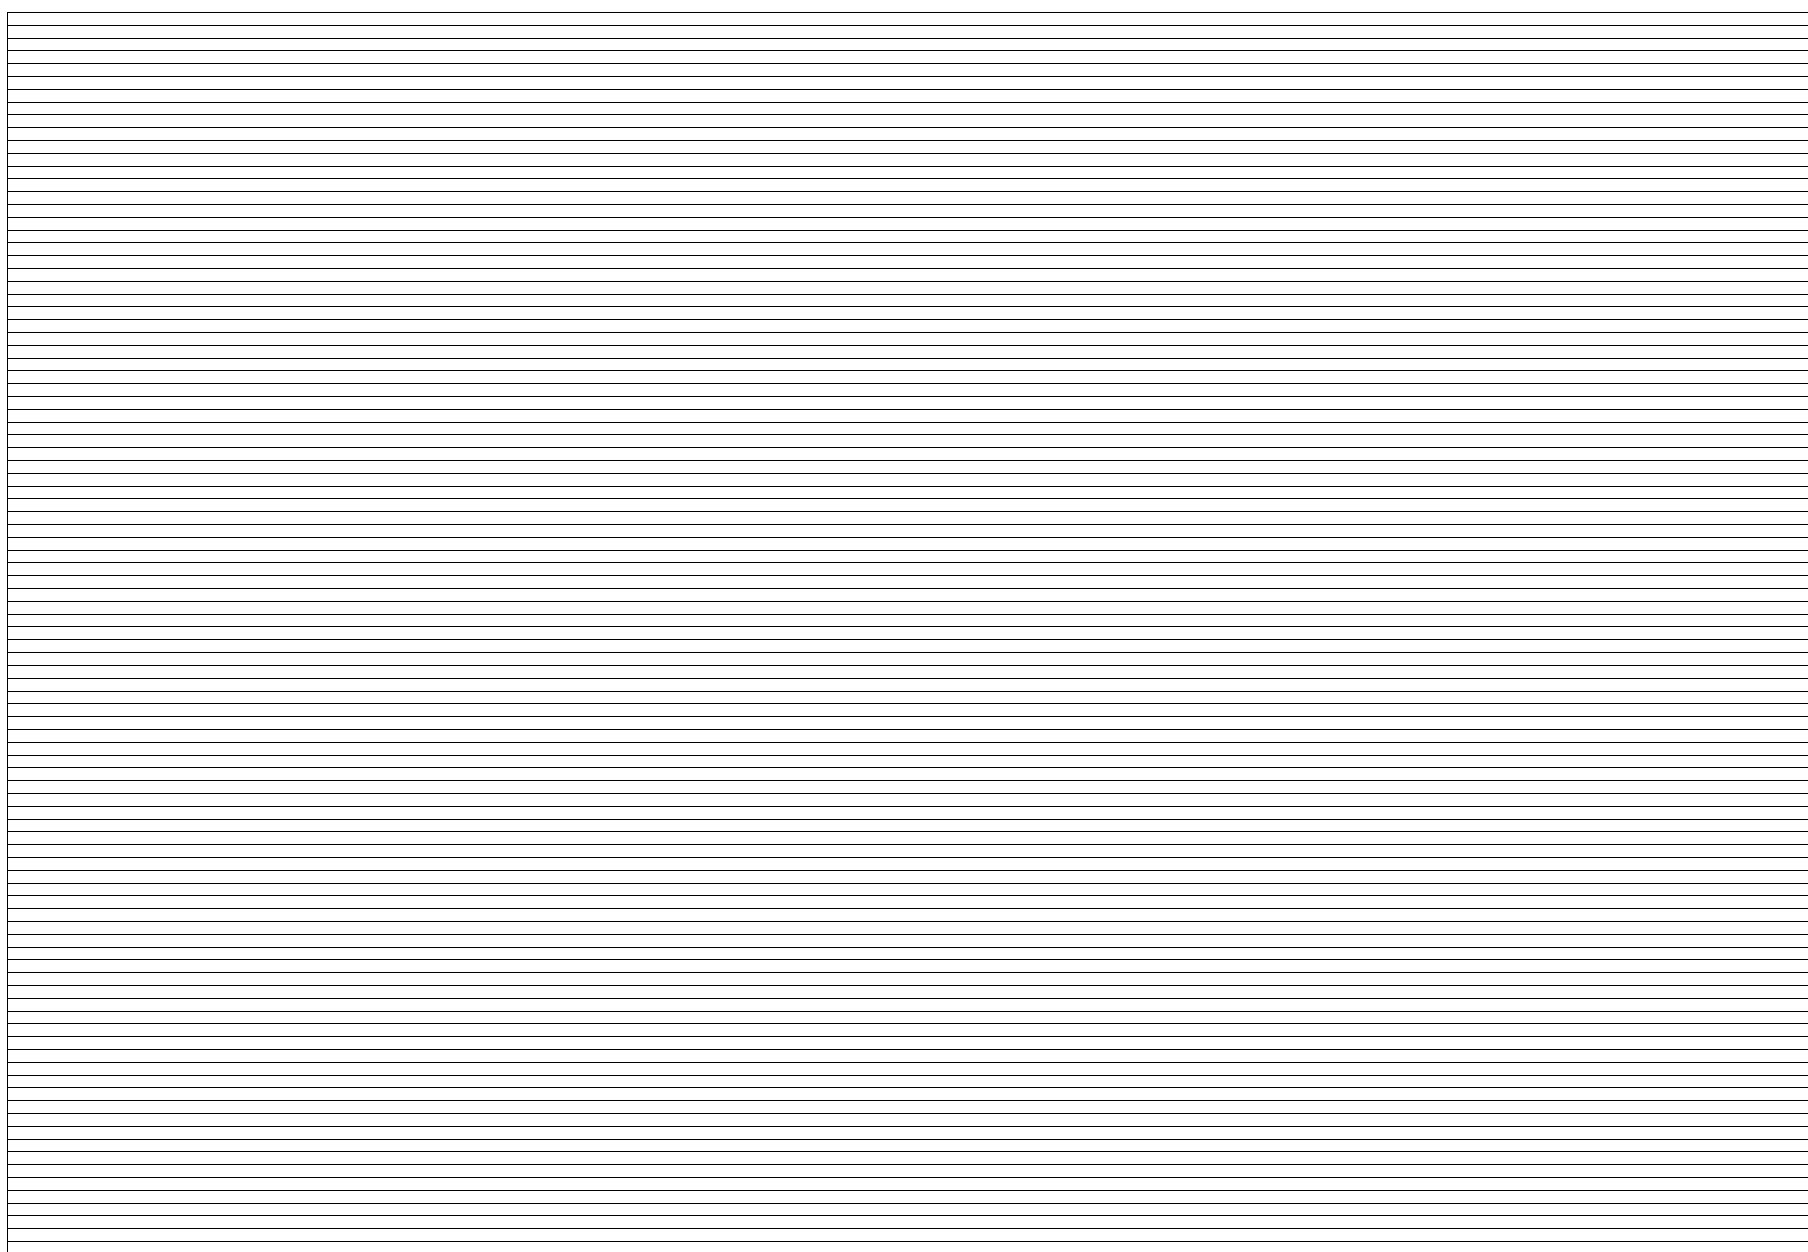

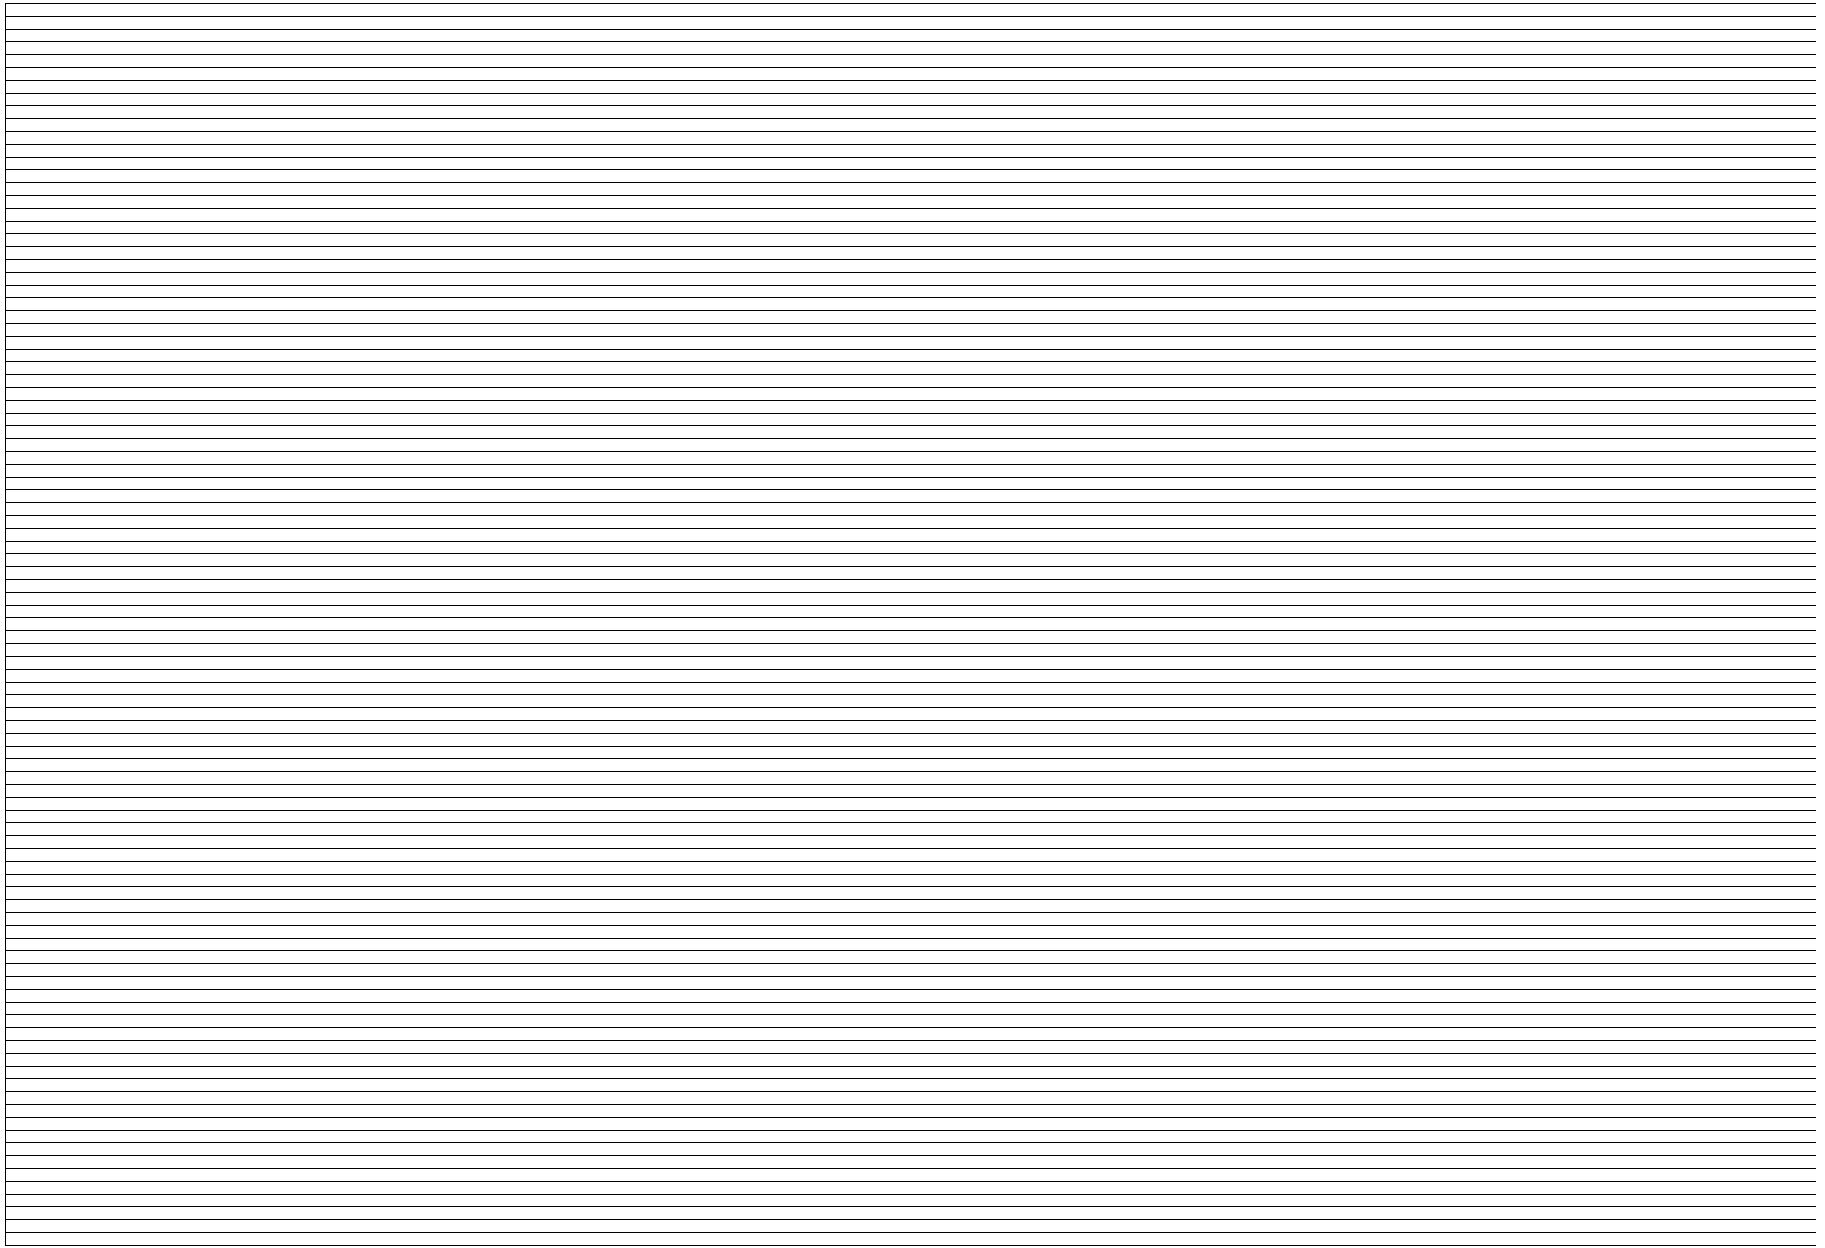

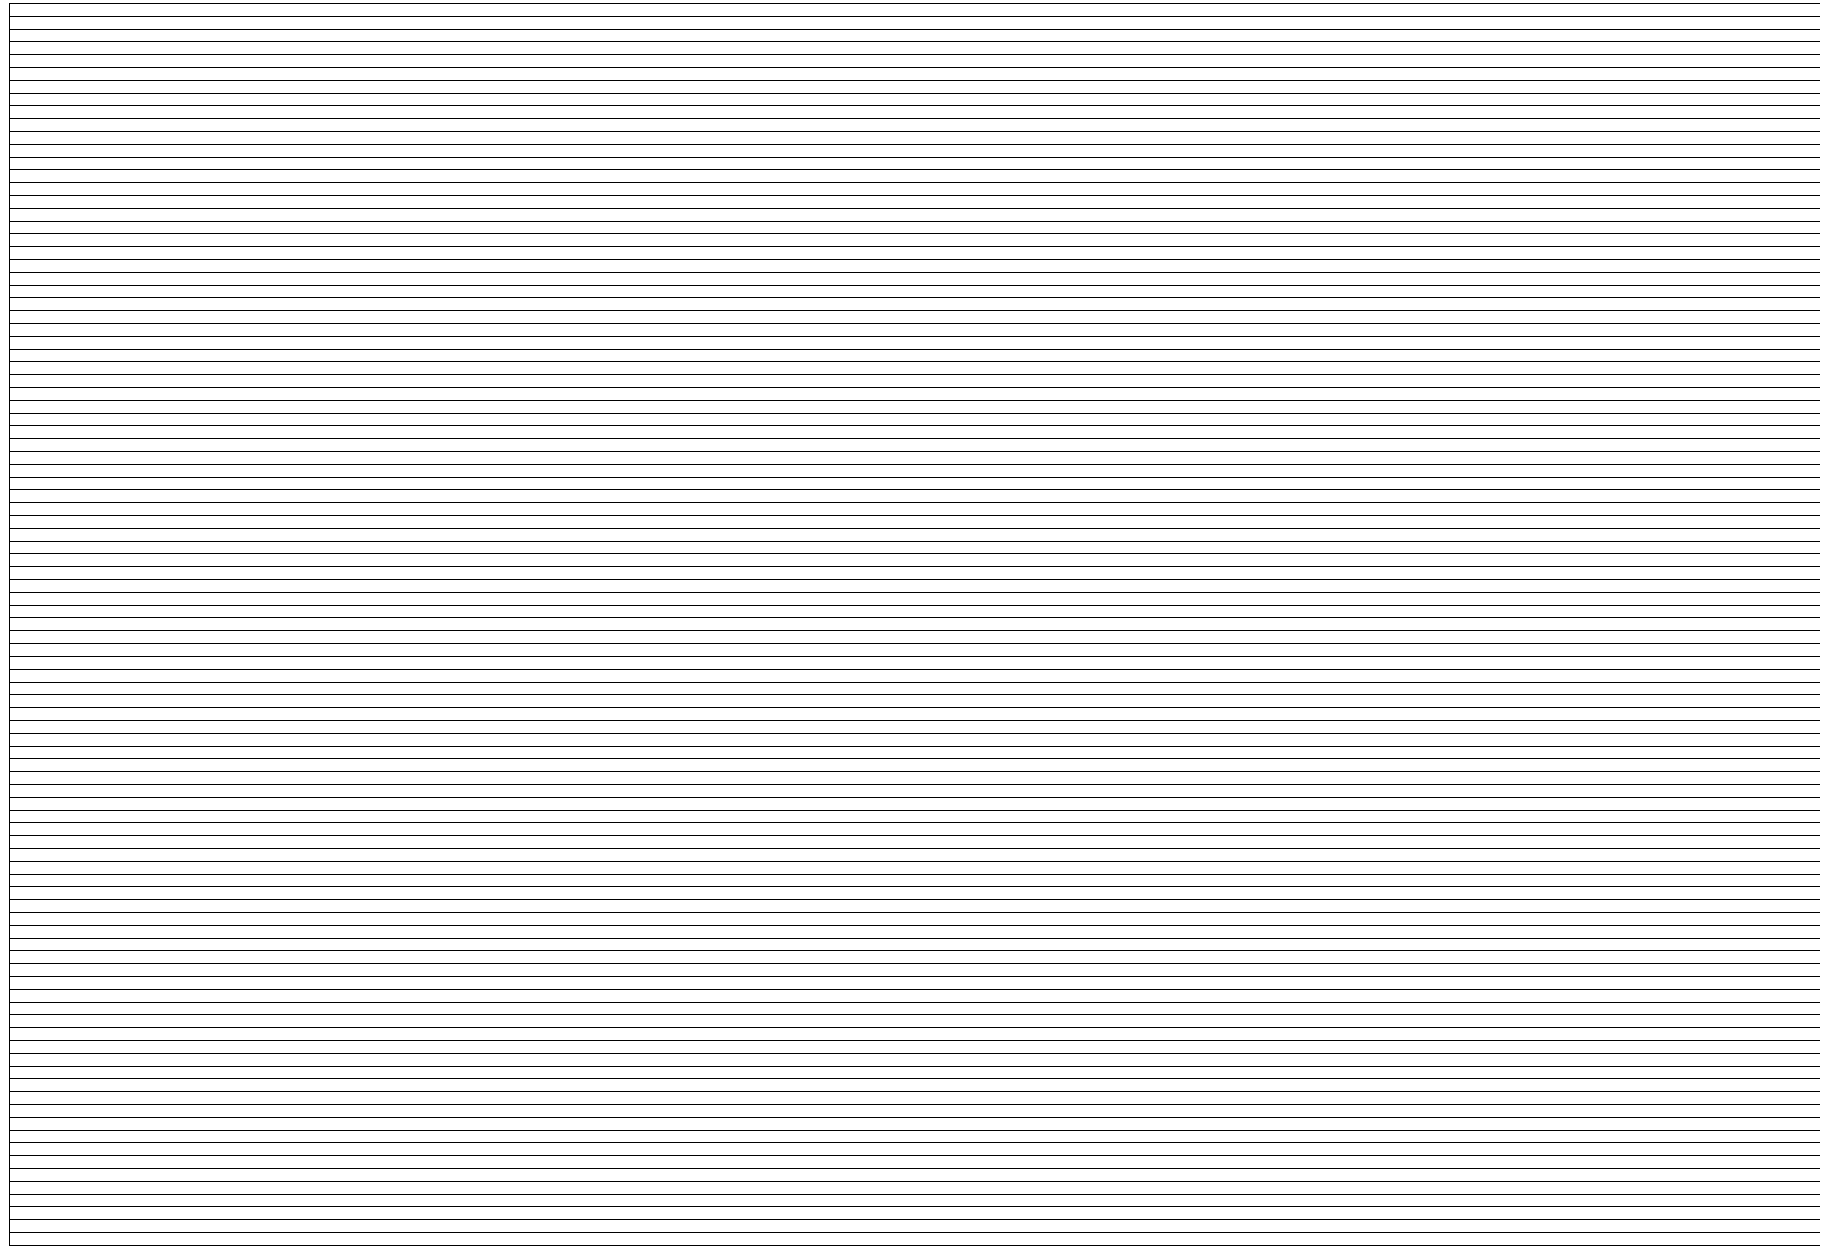

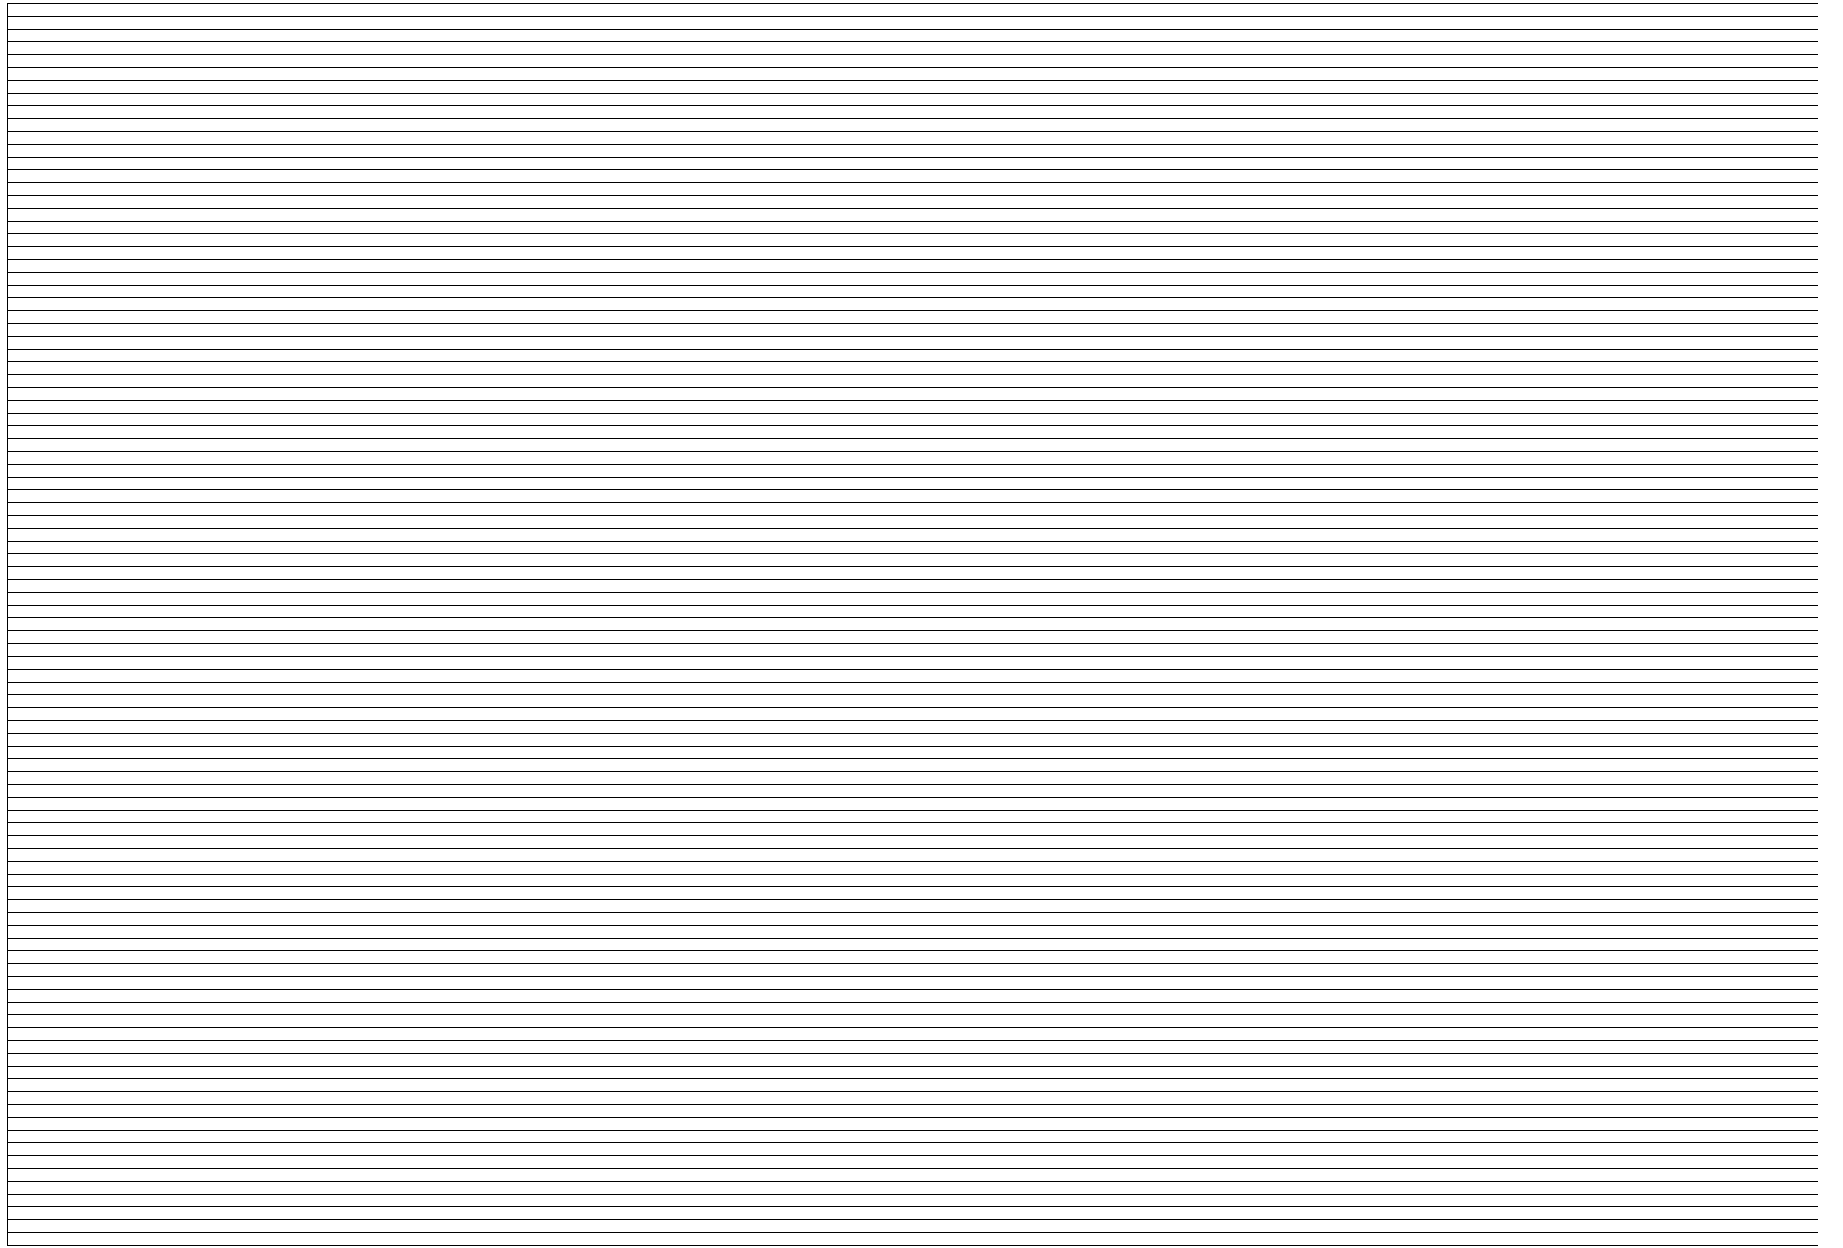

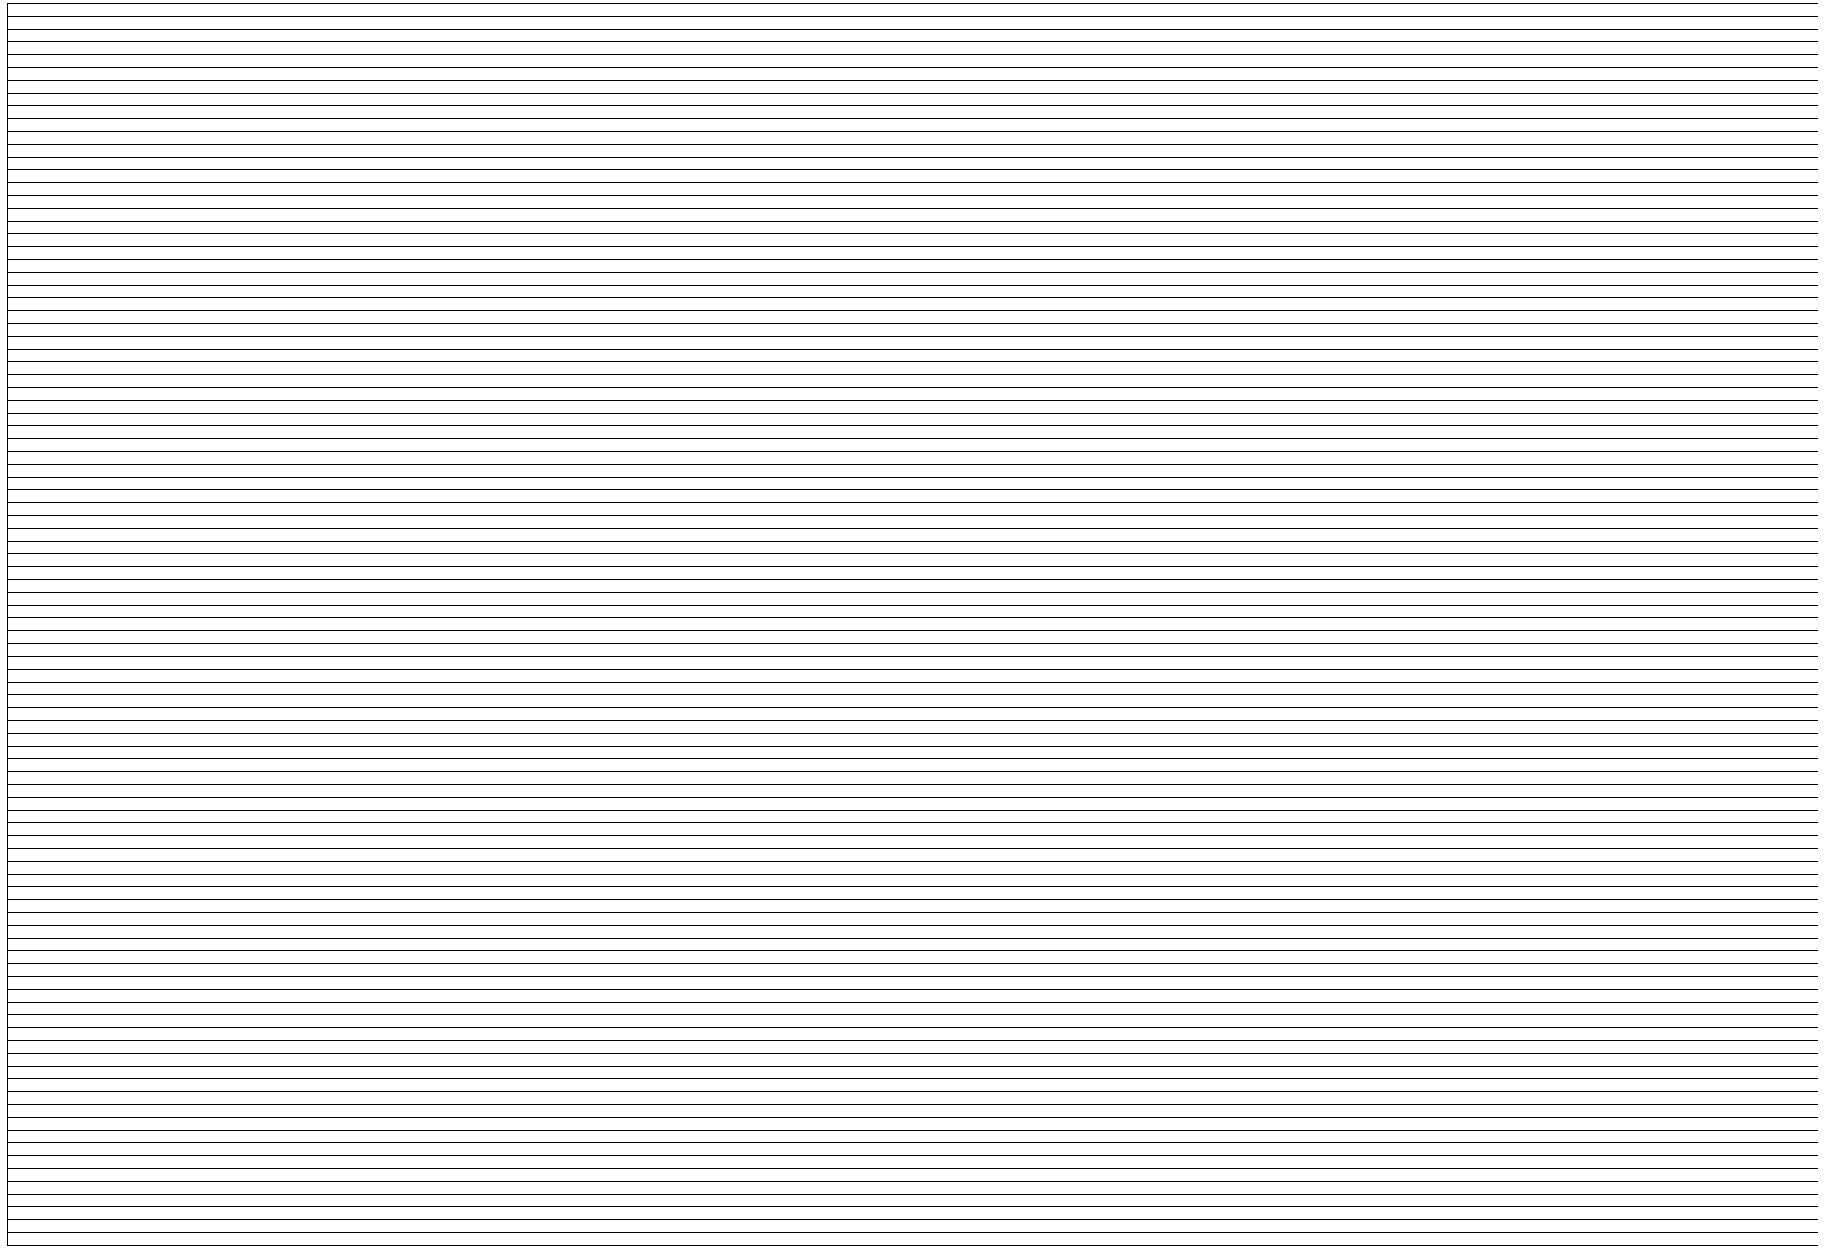

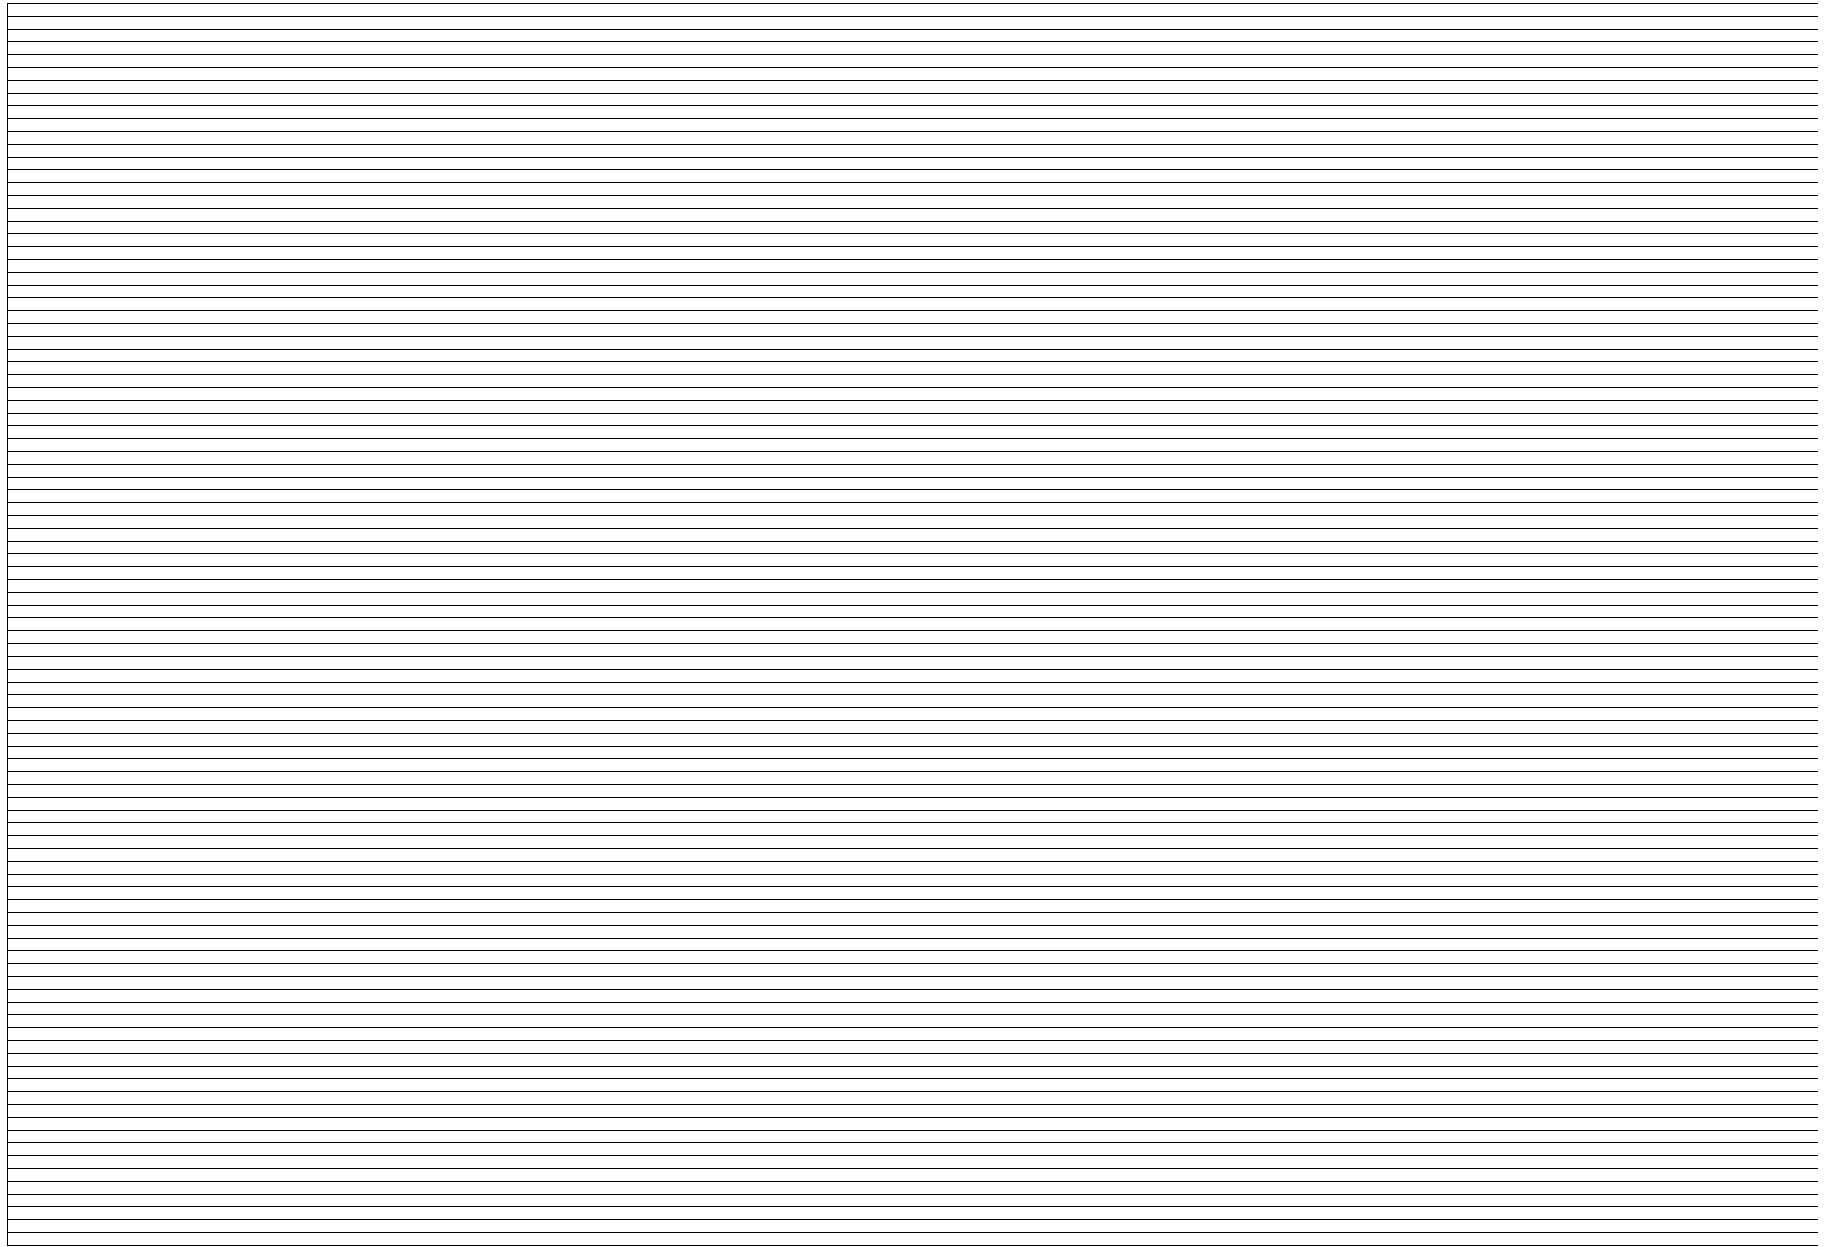

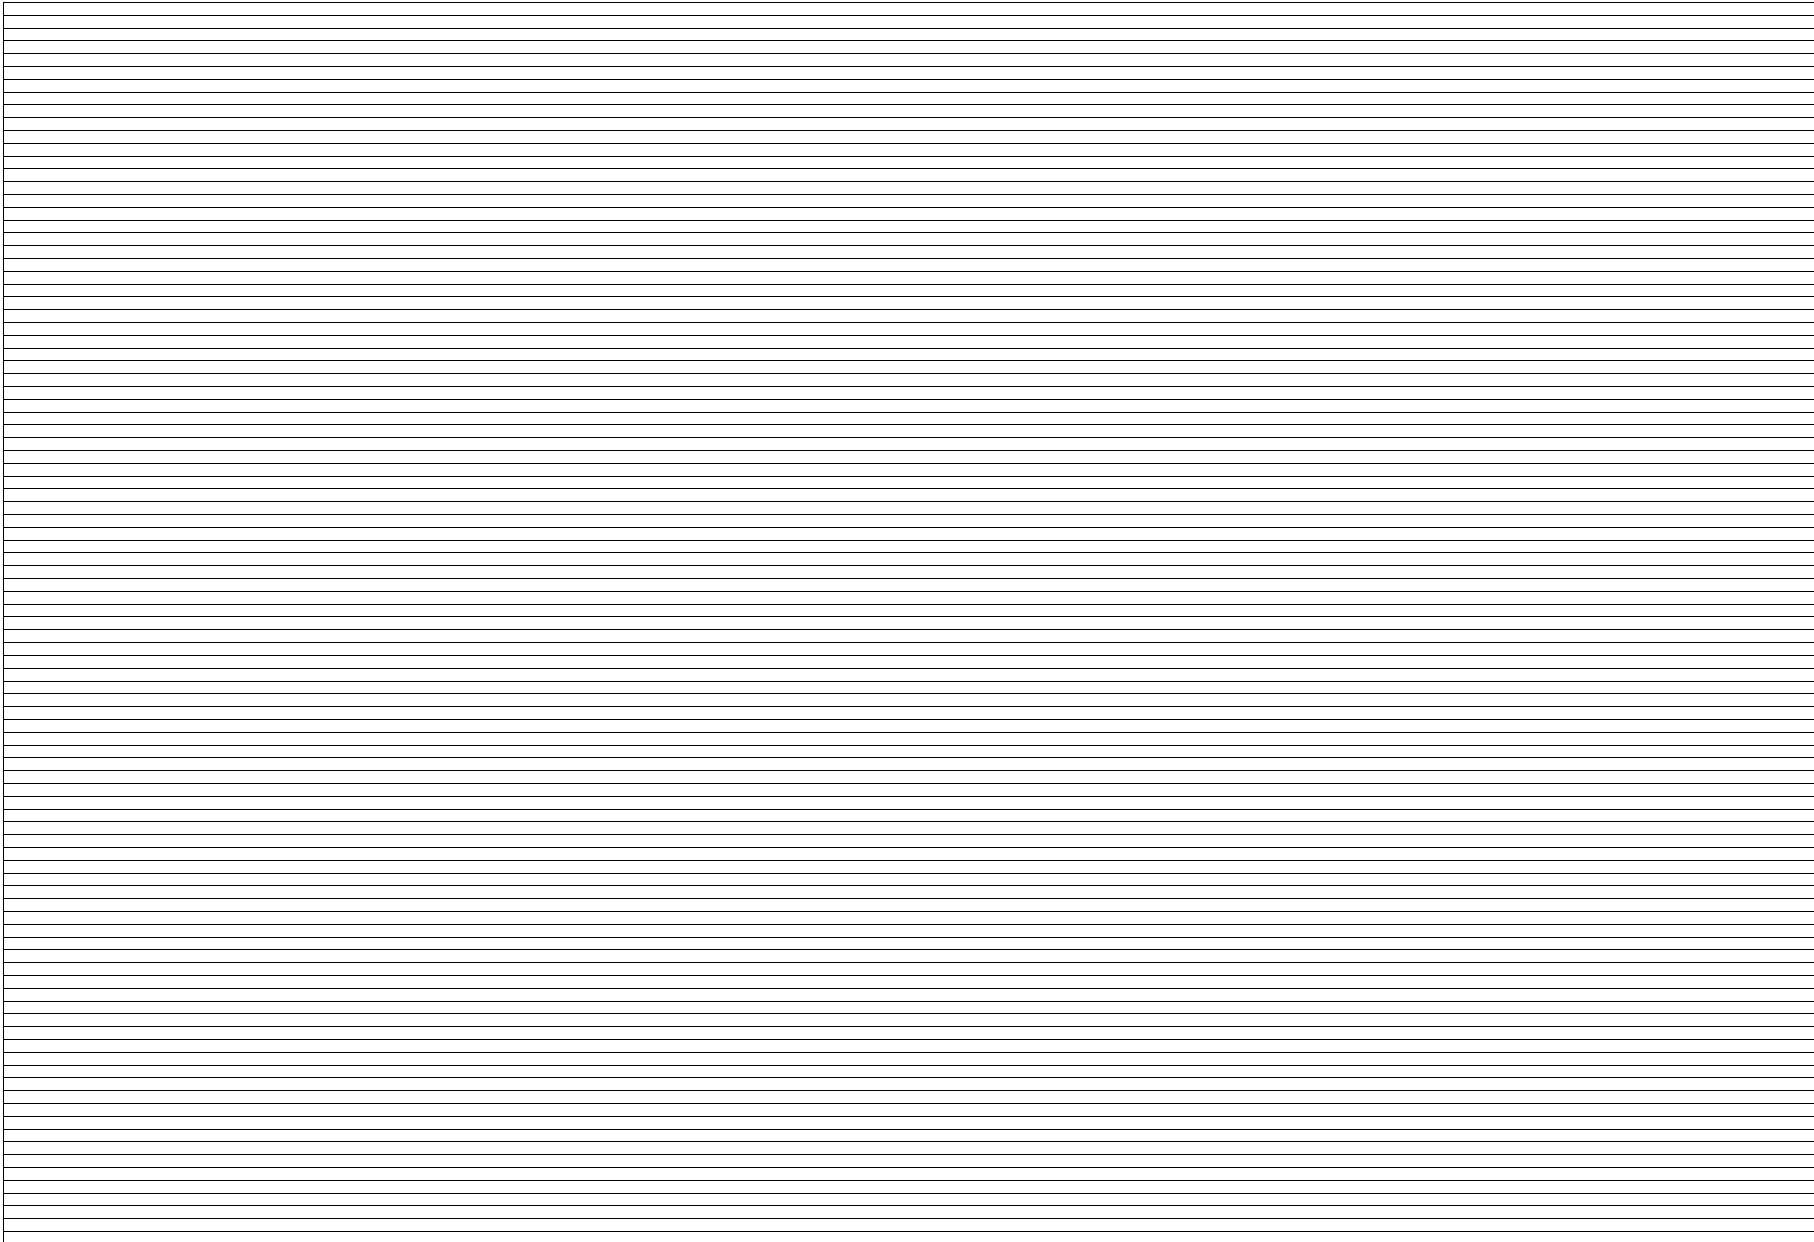

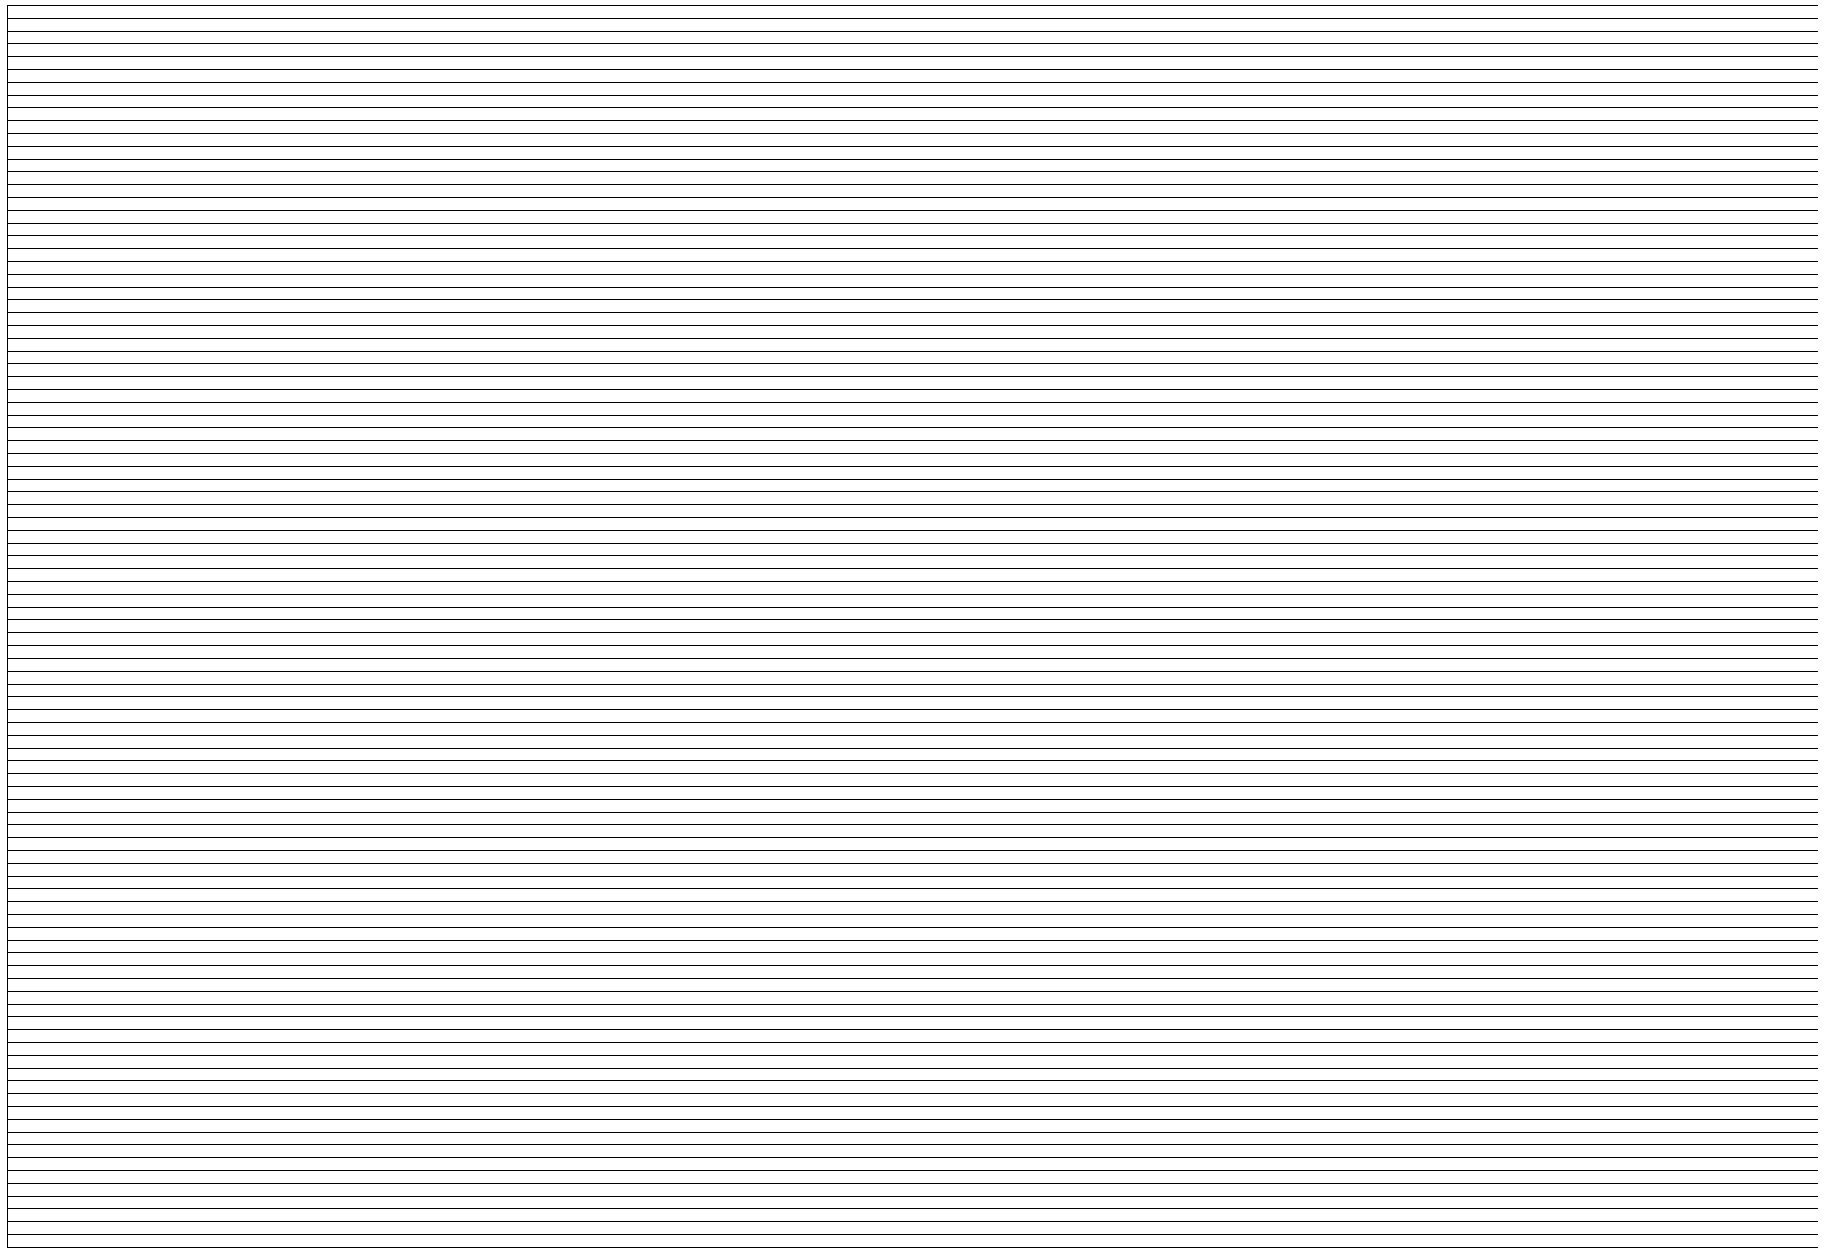

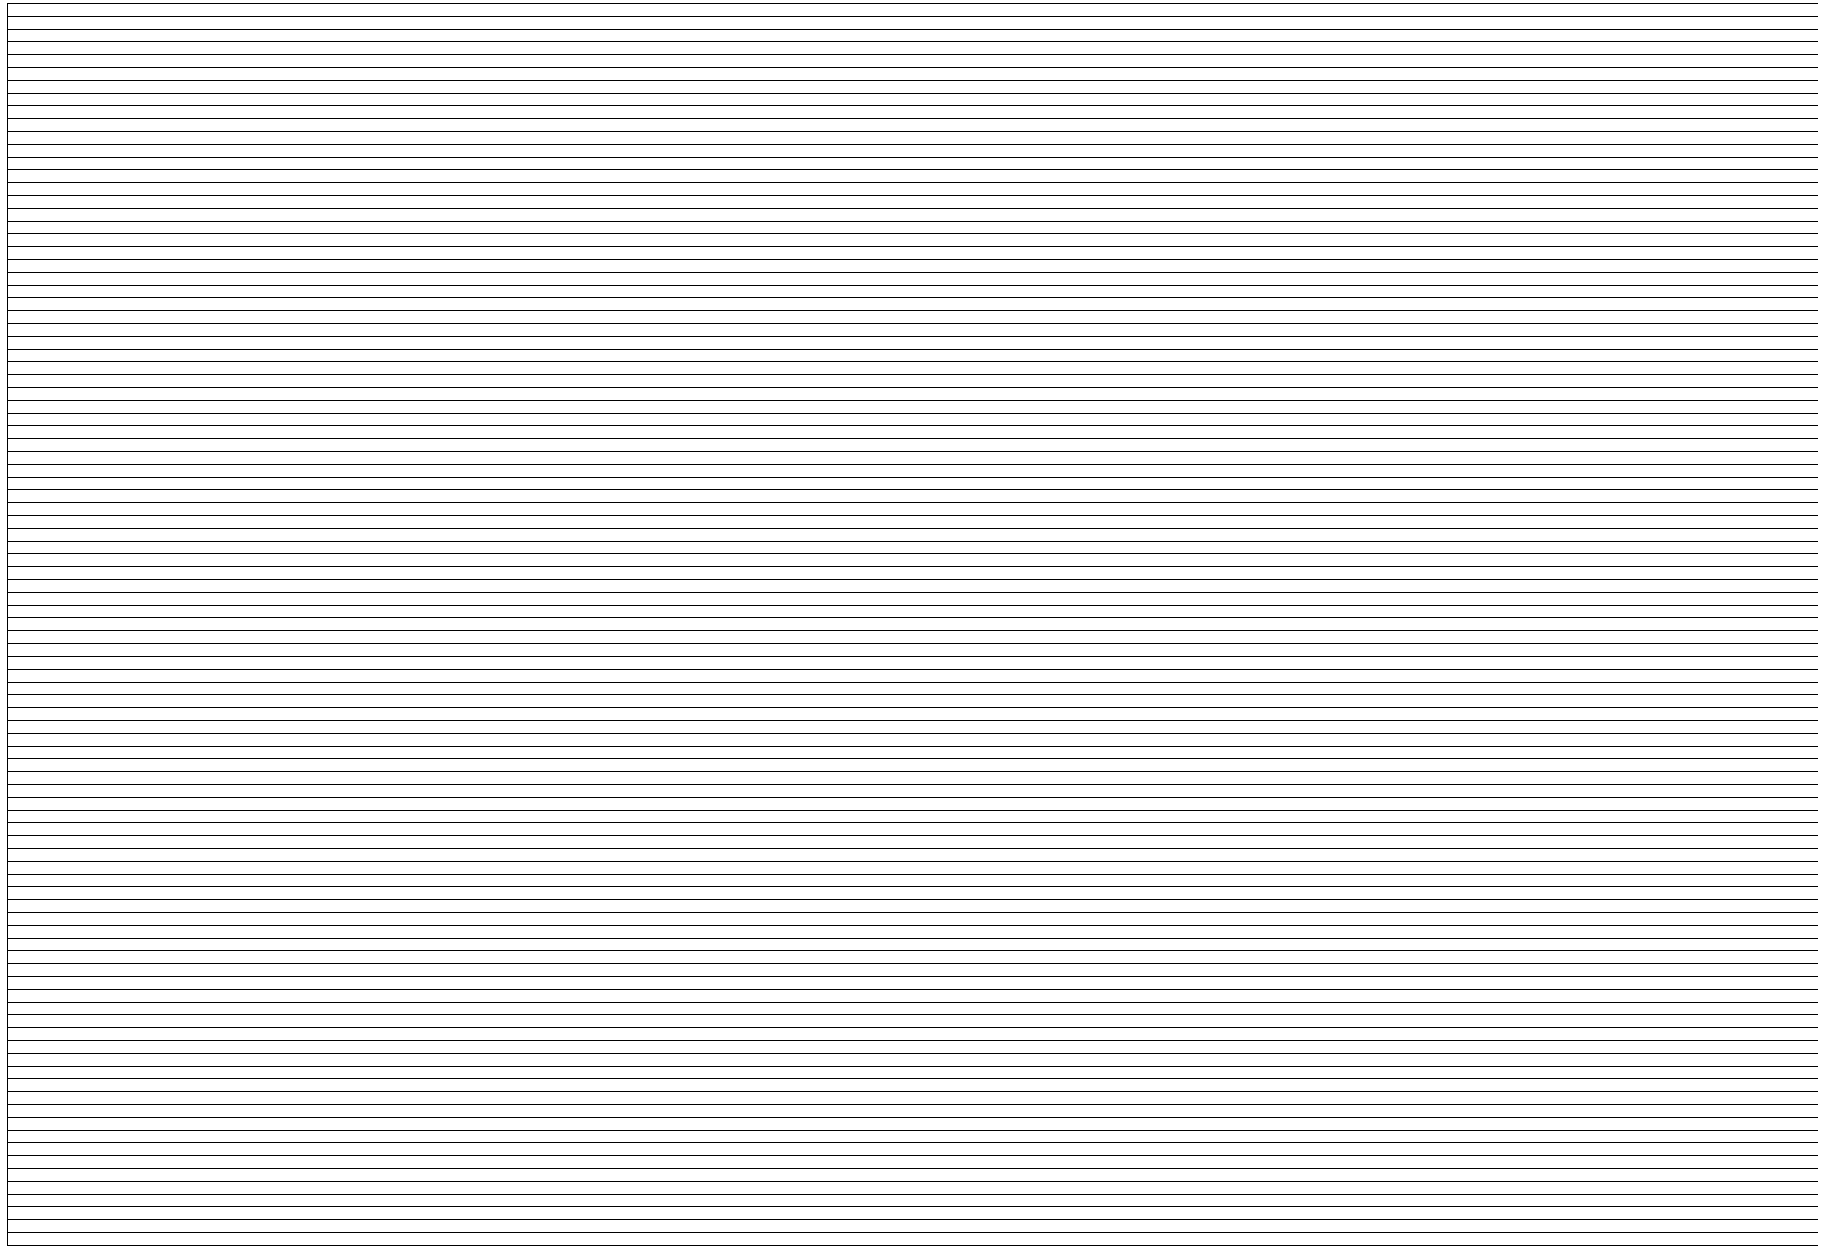

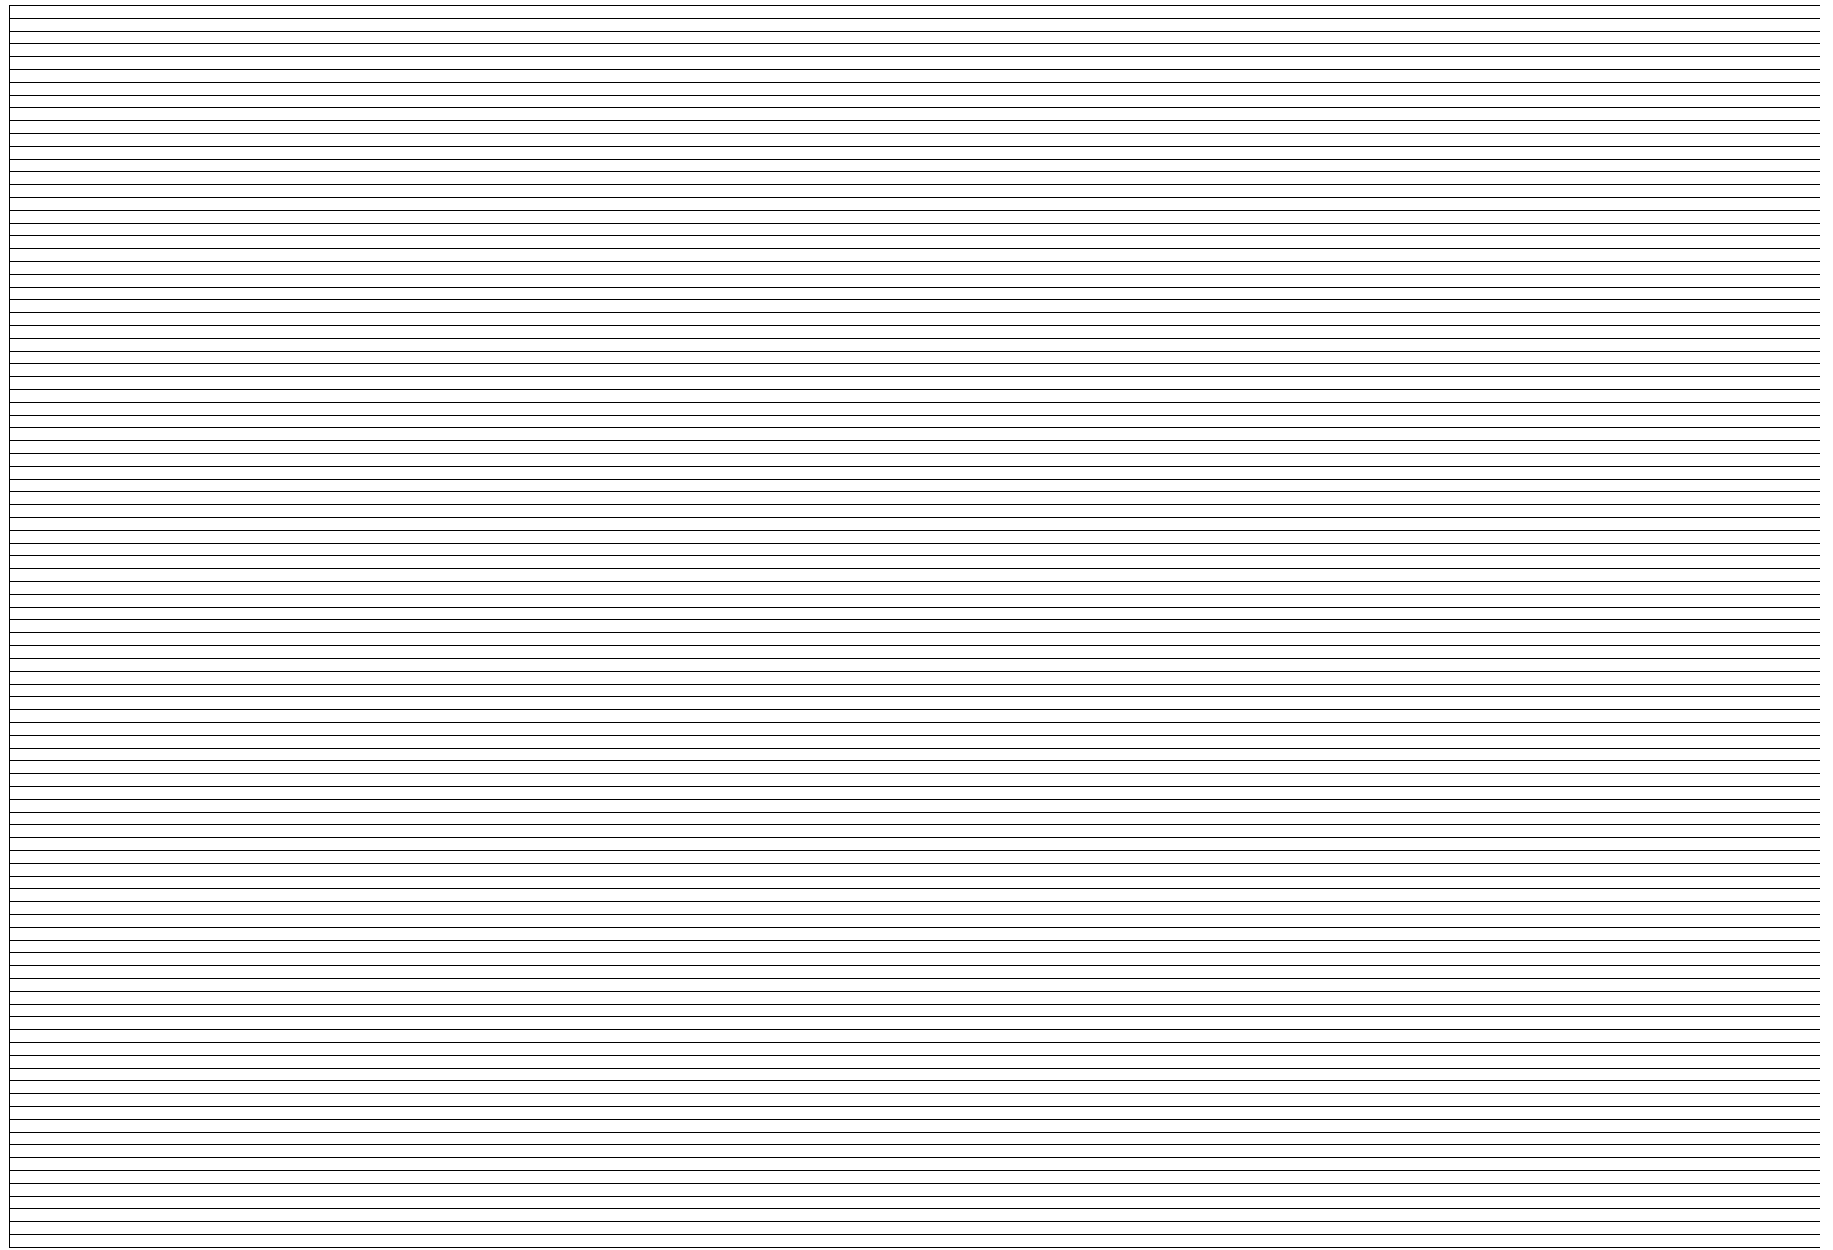

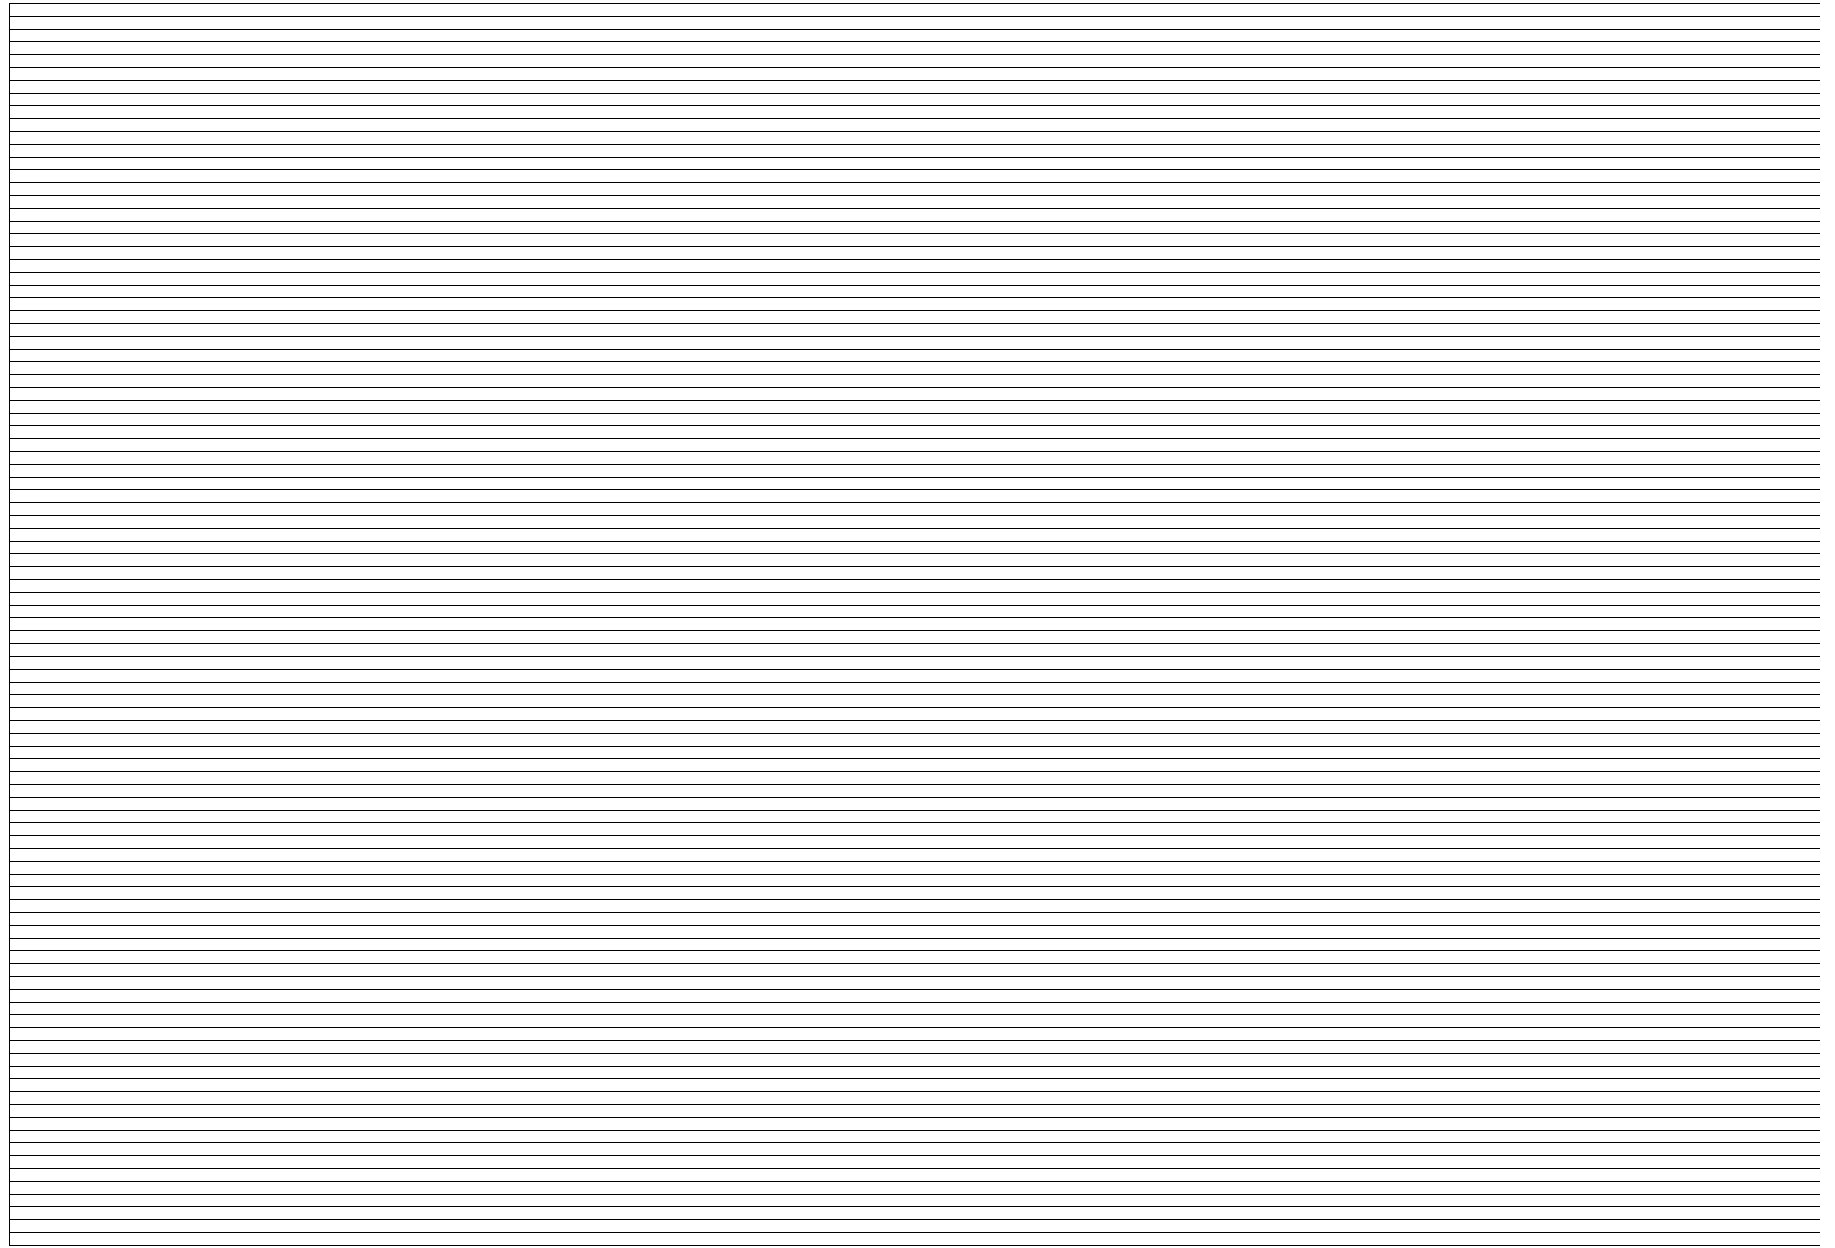

This image shows a large, empty table structure. The table is defined by a thin black border and consists of numerous horizontal rows and a few vertical columns. The rows are stacked vertically, and the columns are defined by vertical lines that are only visible at the far left and far right edges, suggesting a wide table with at least two or three columns. The interior of the table is completely blank and white.

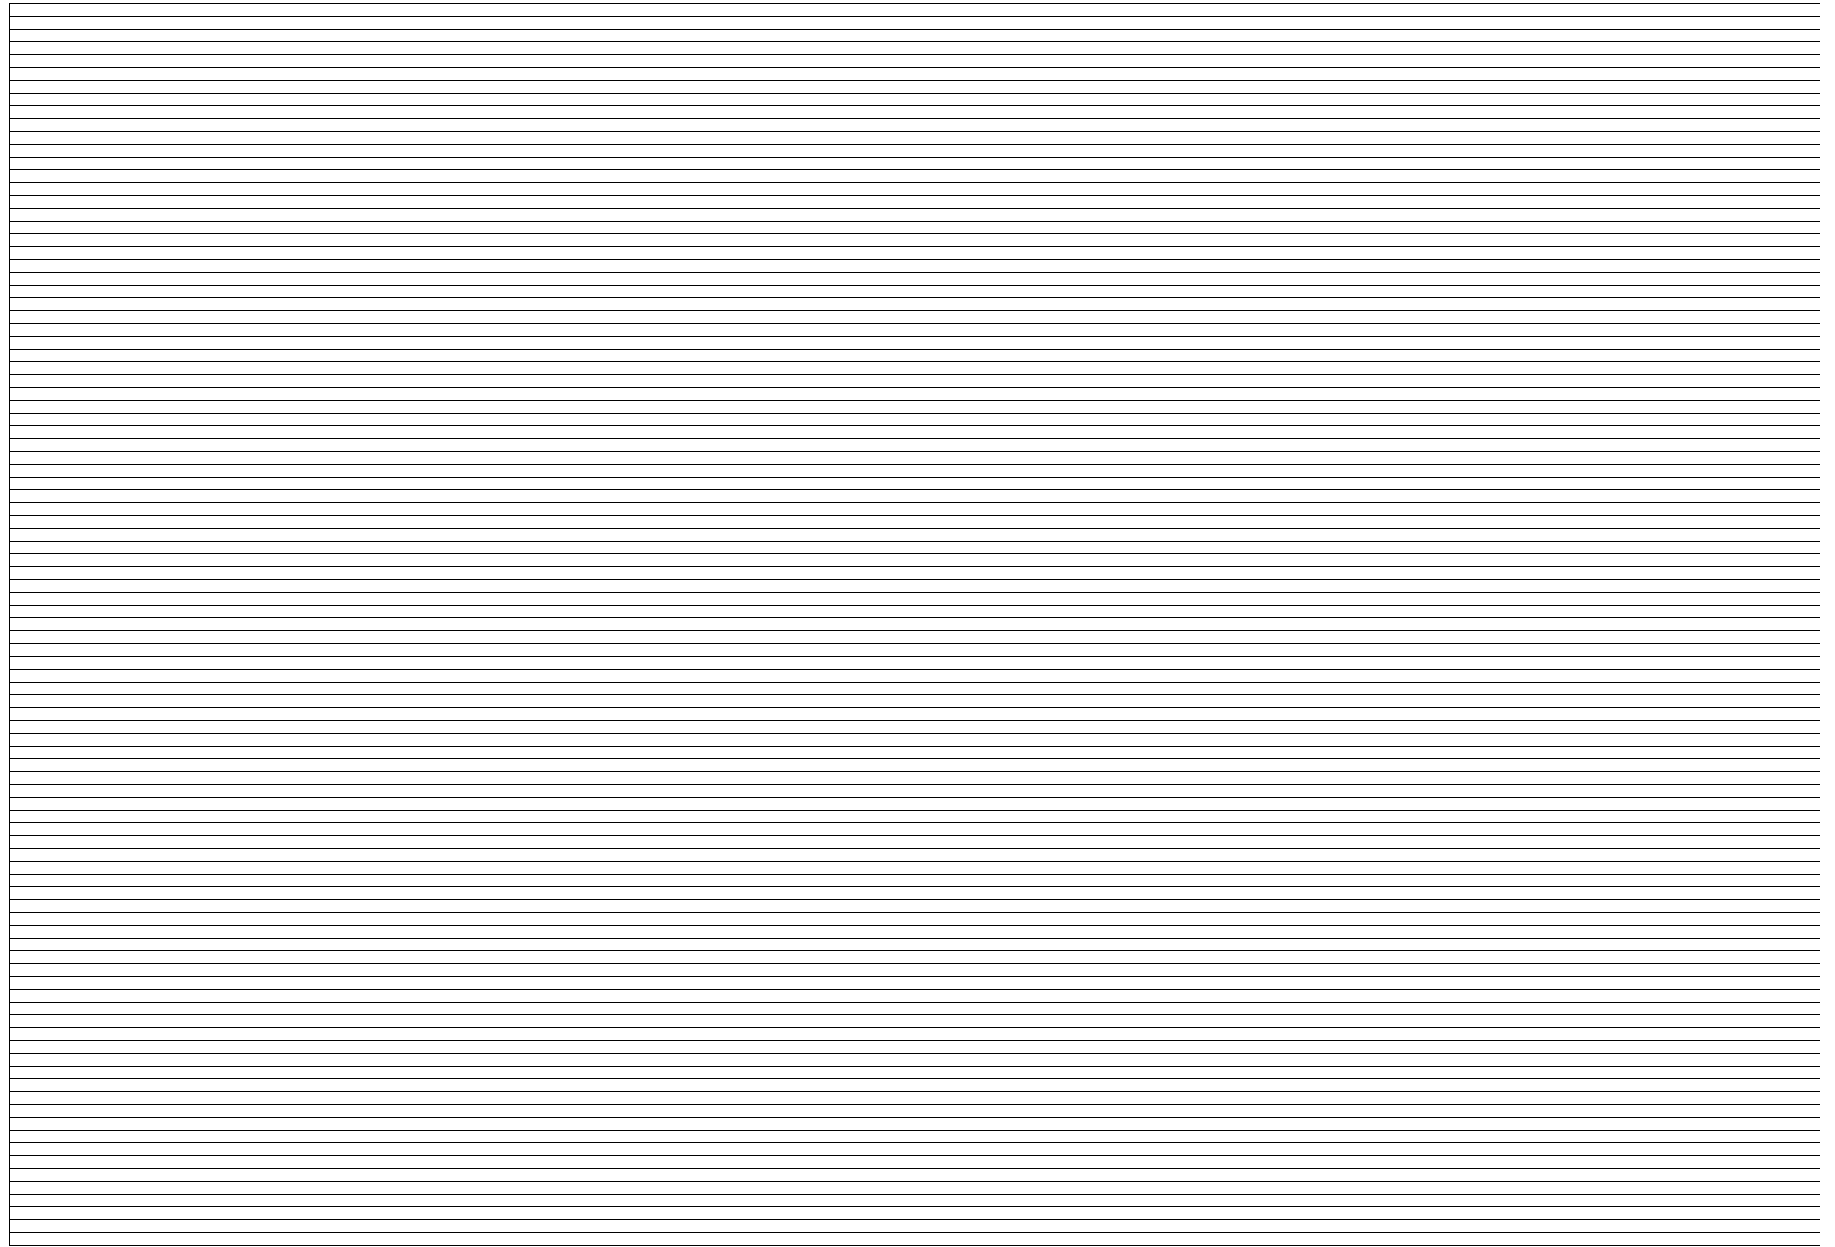

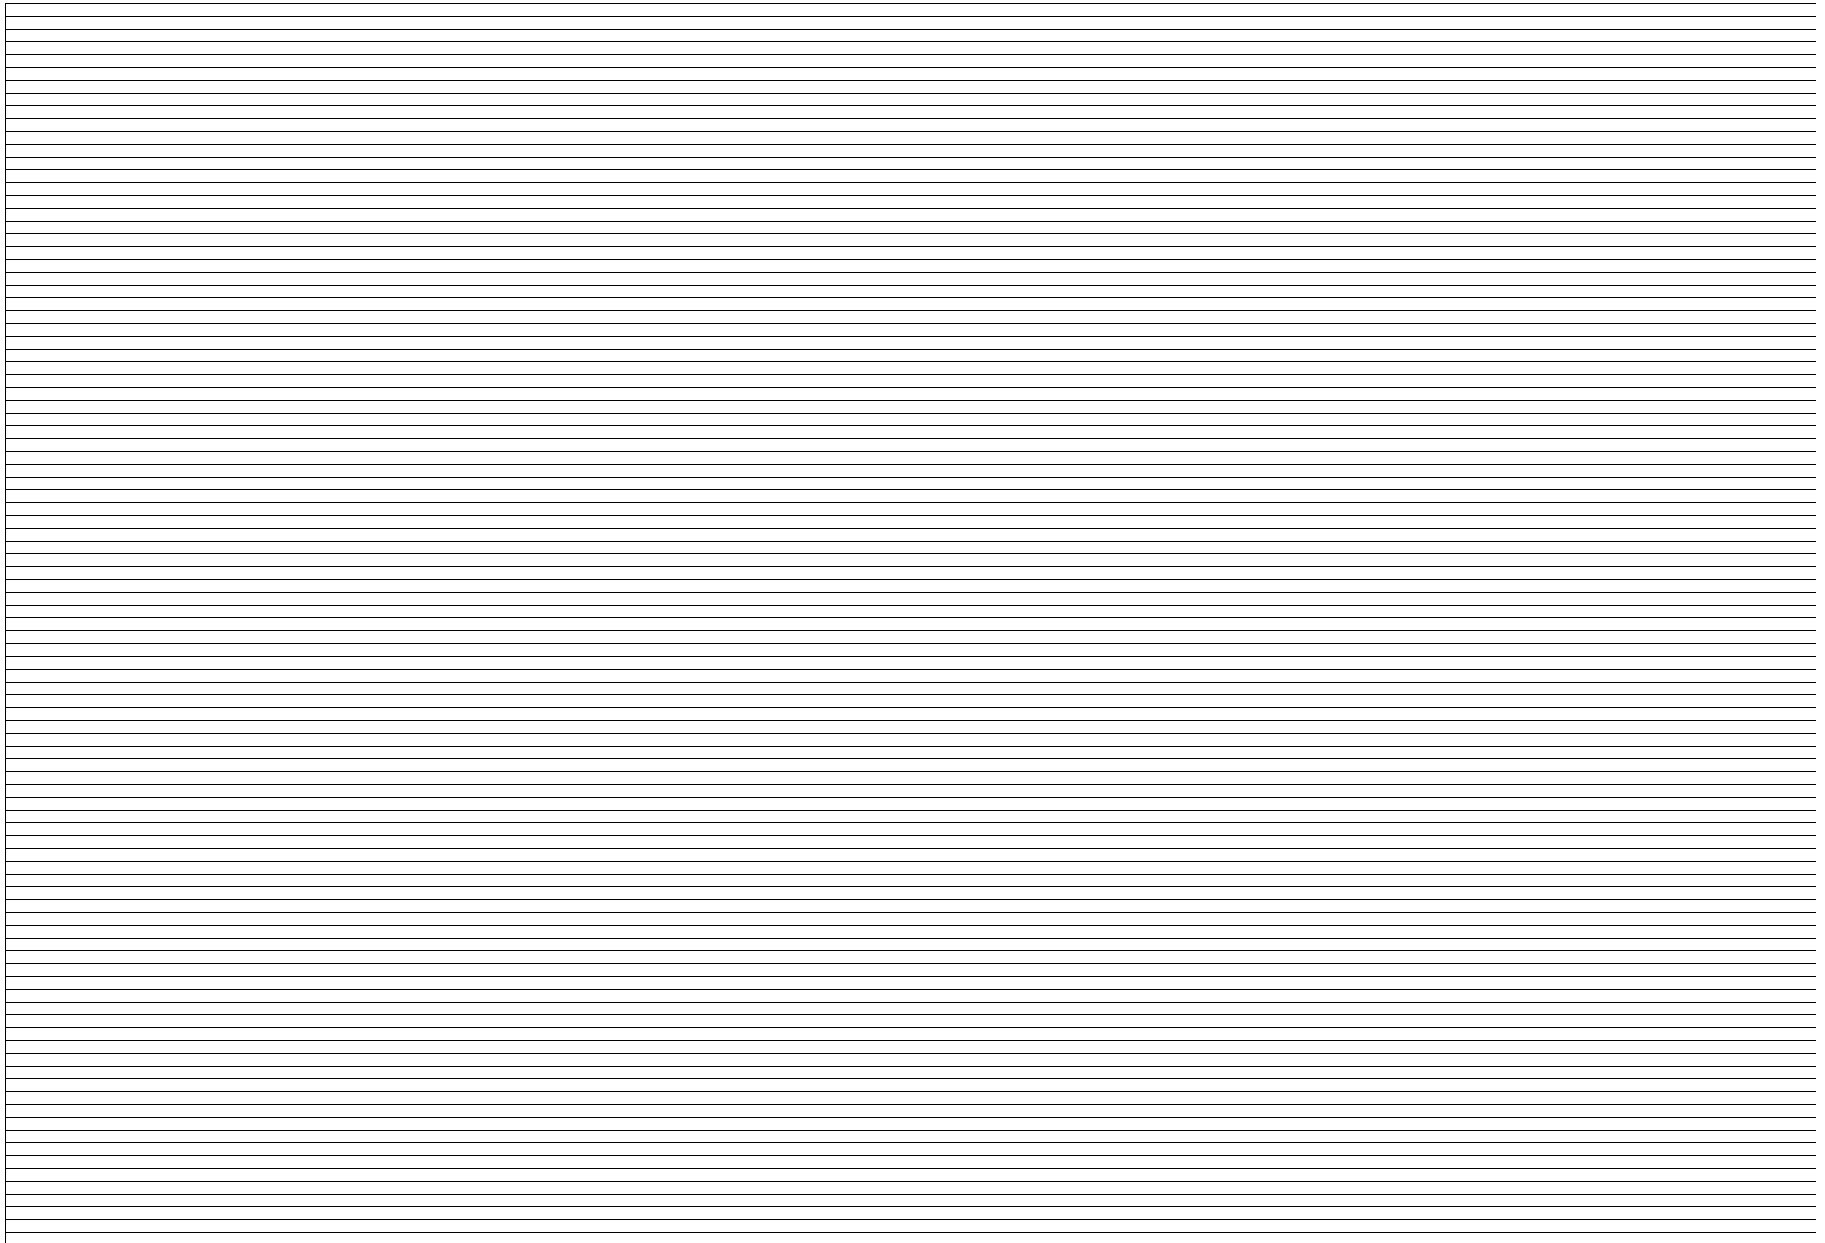

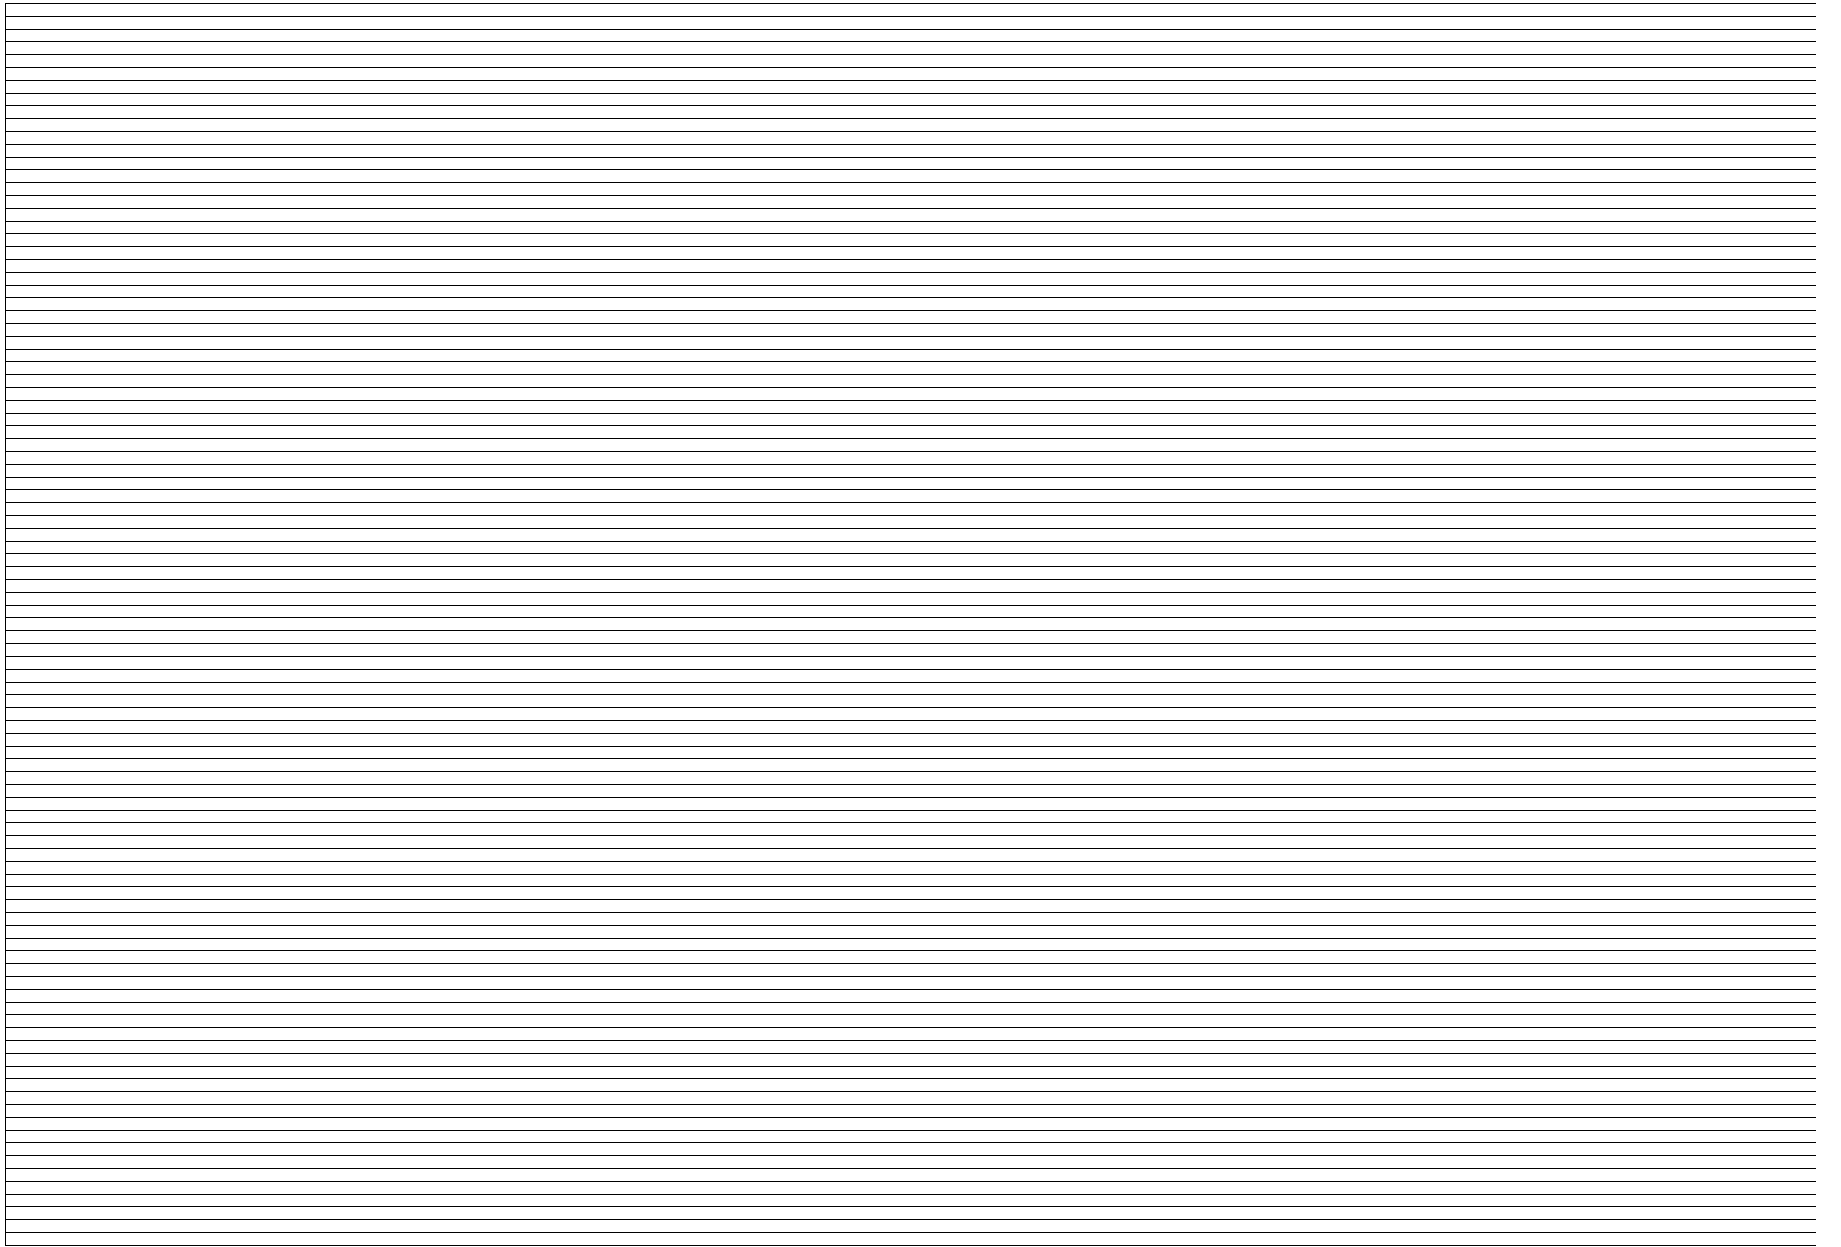

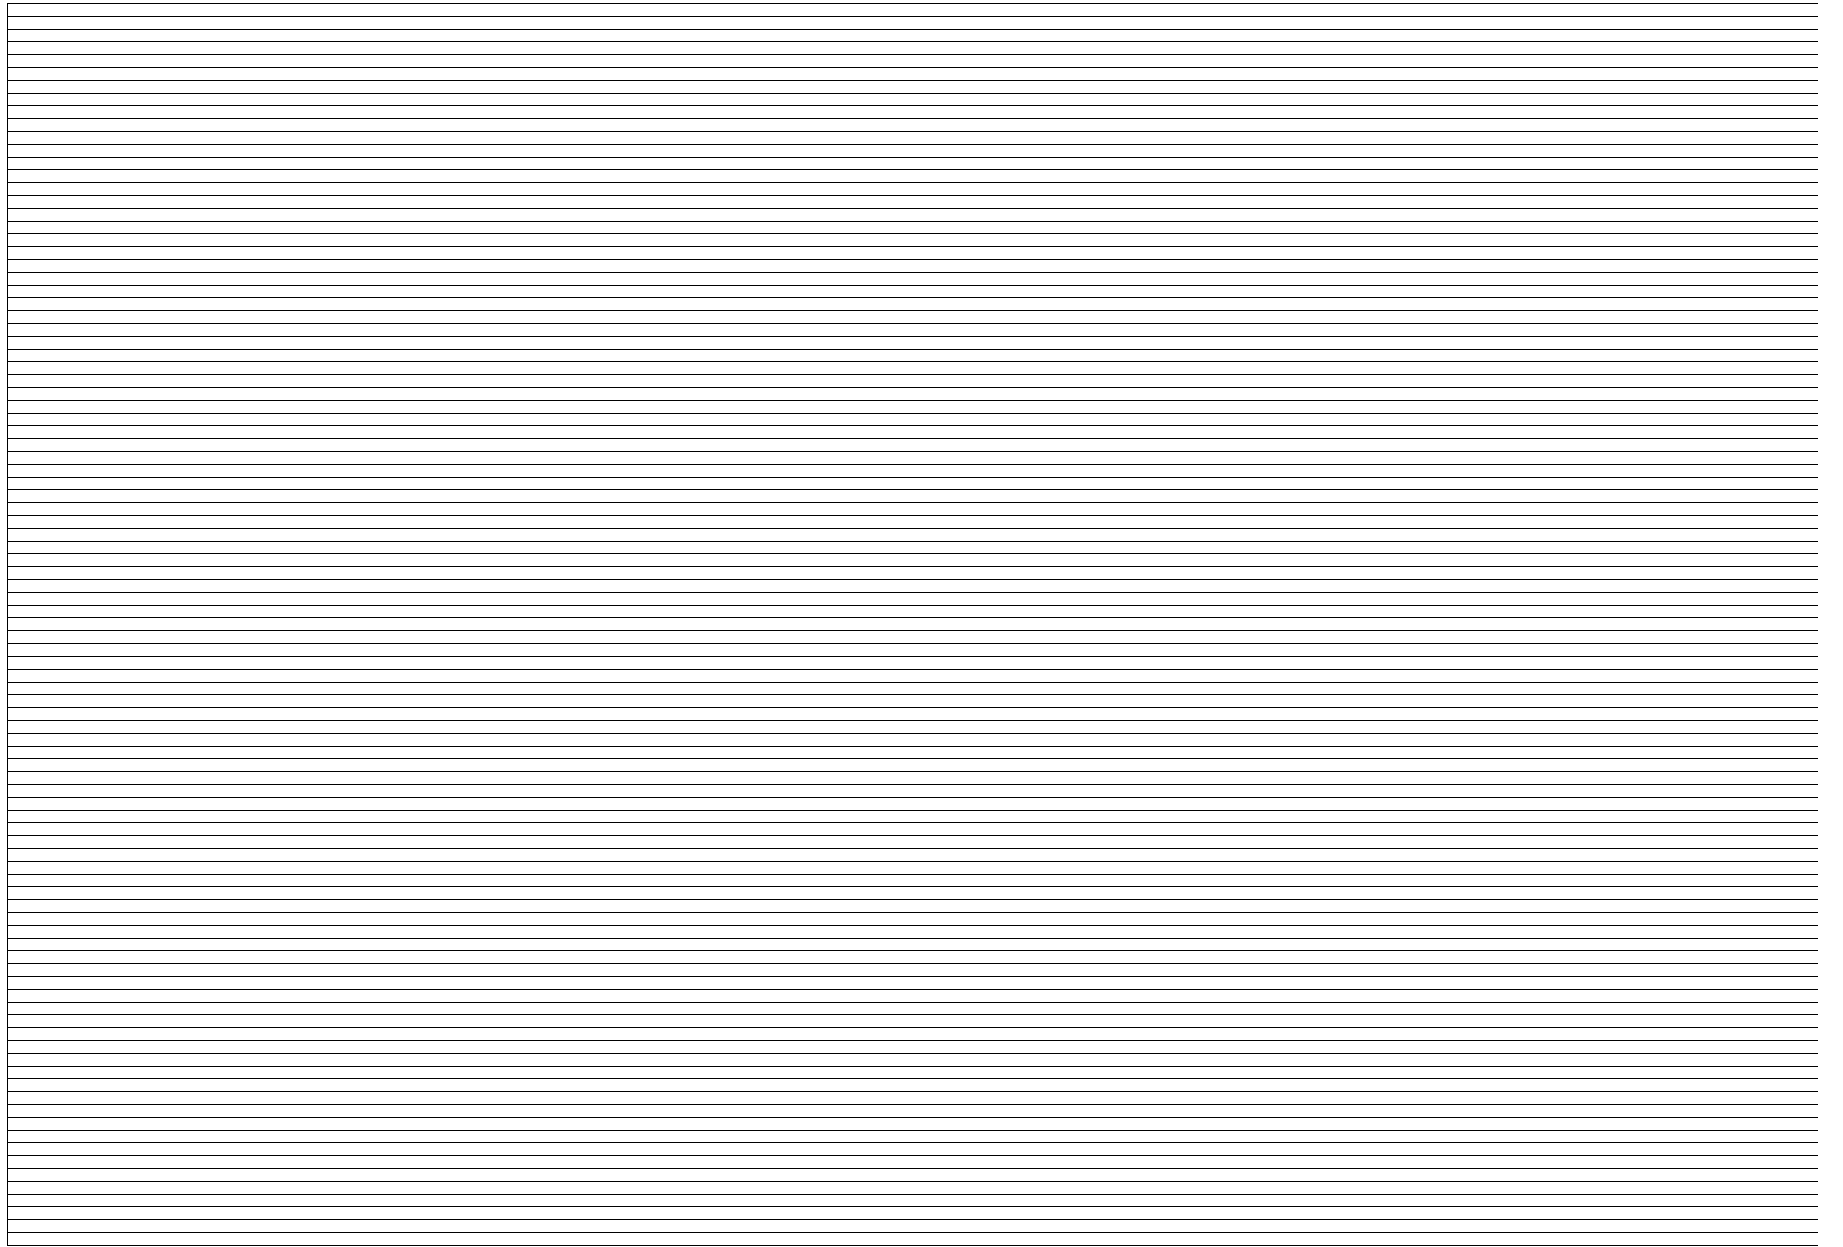

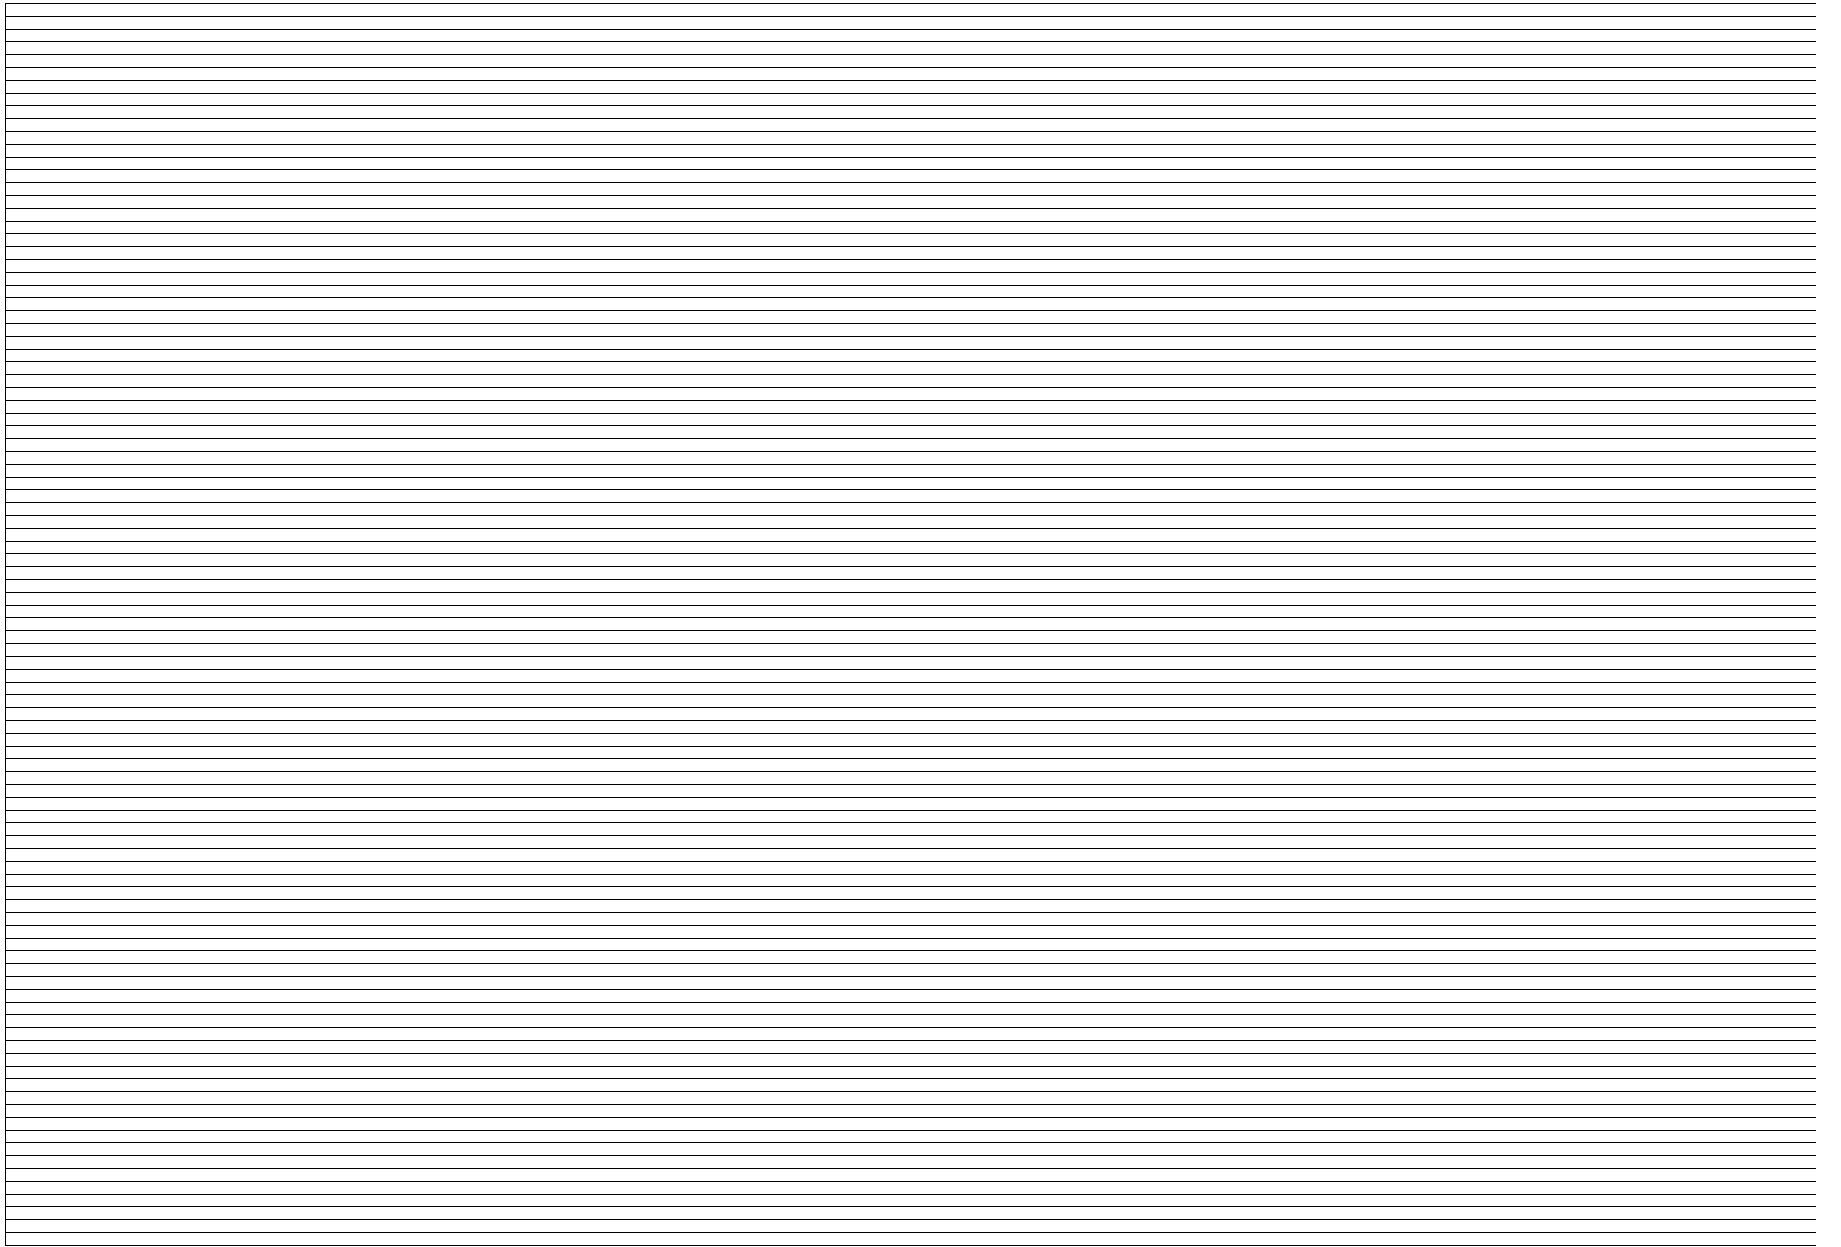

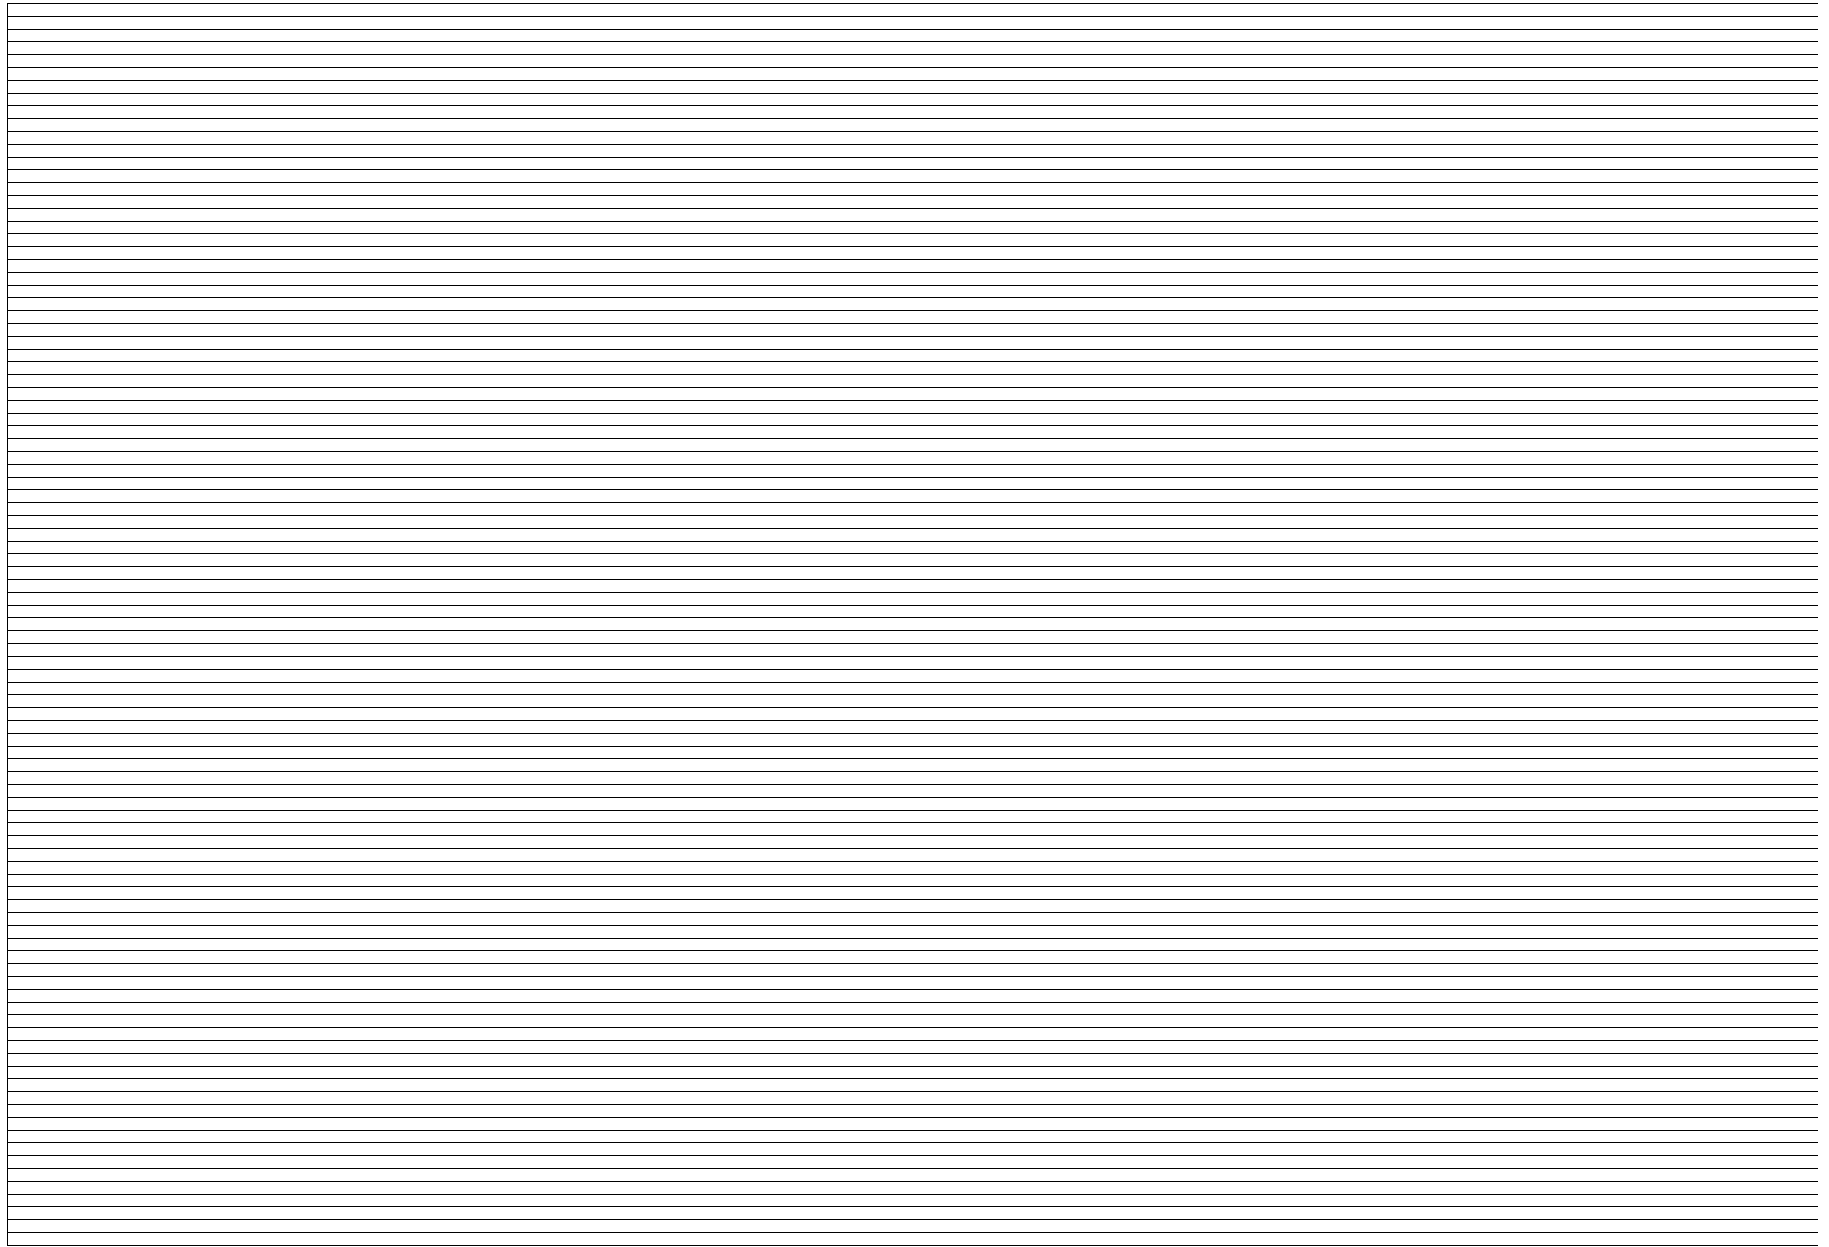

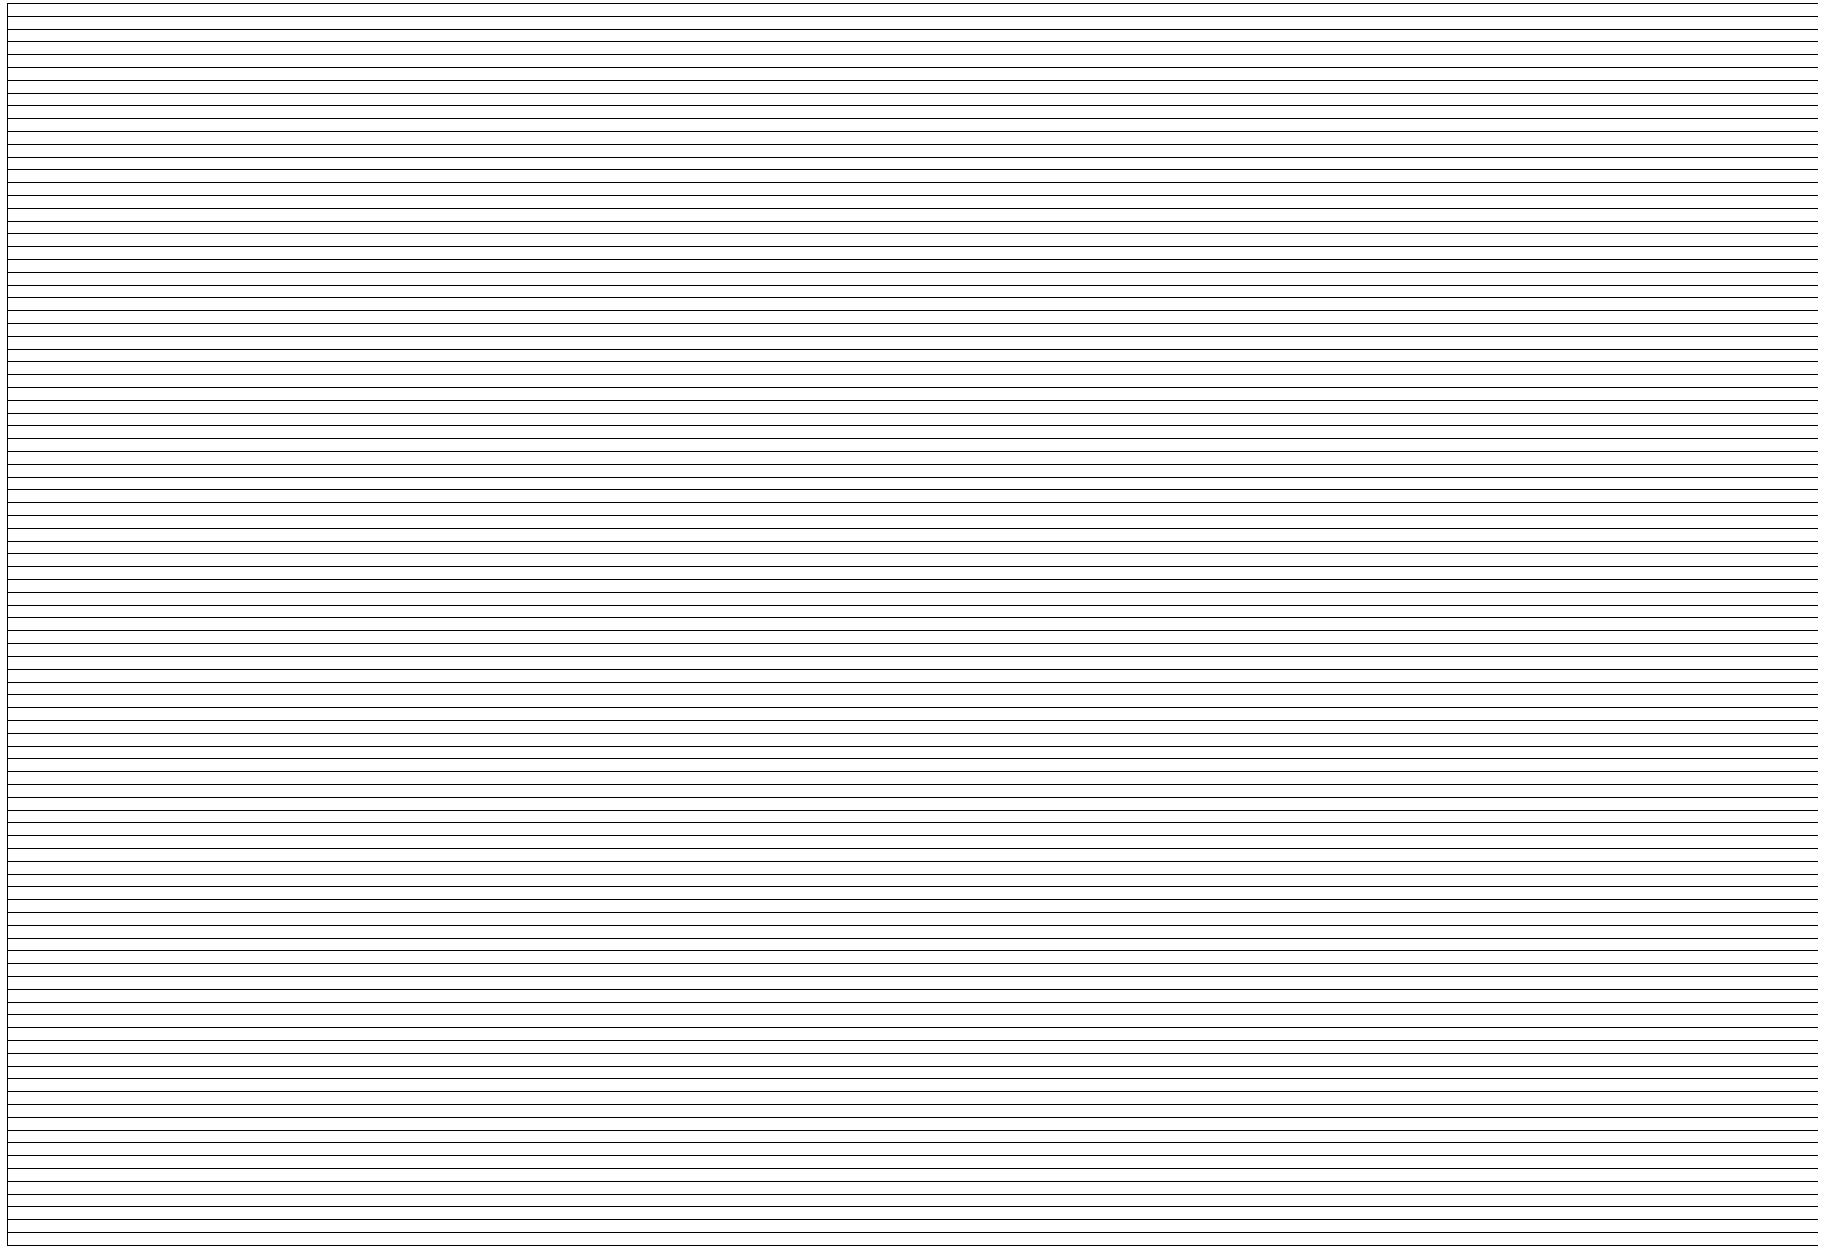

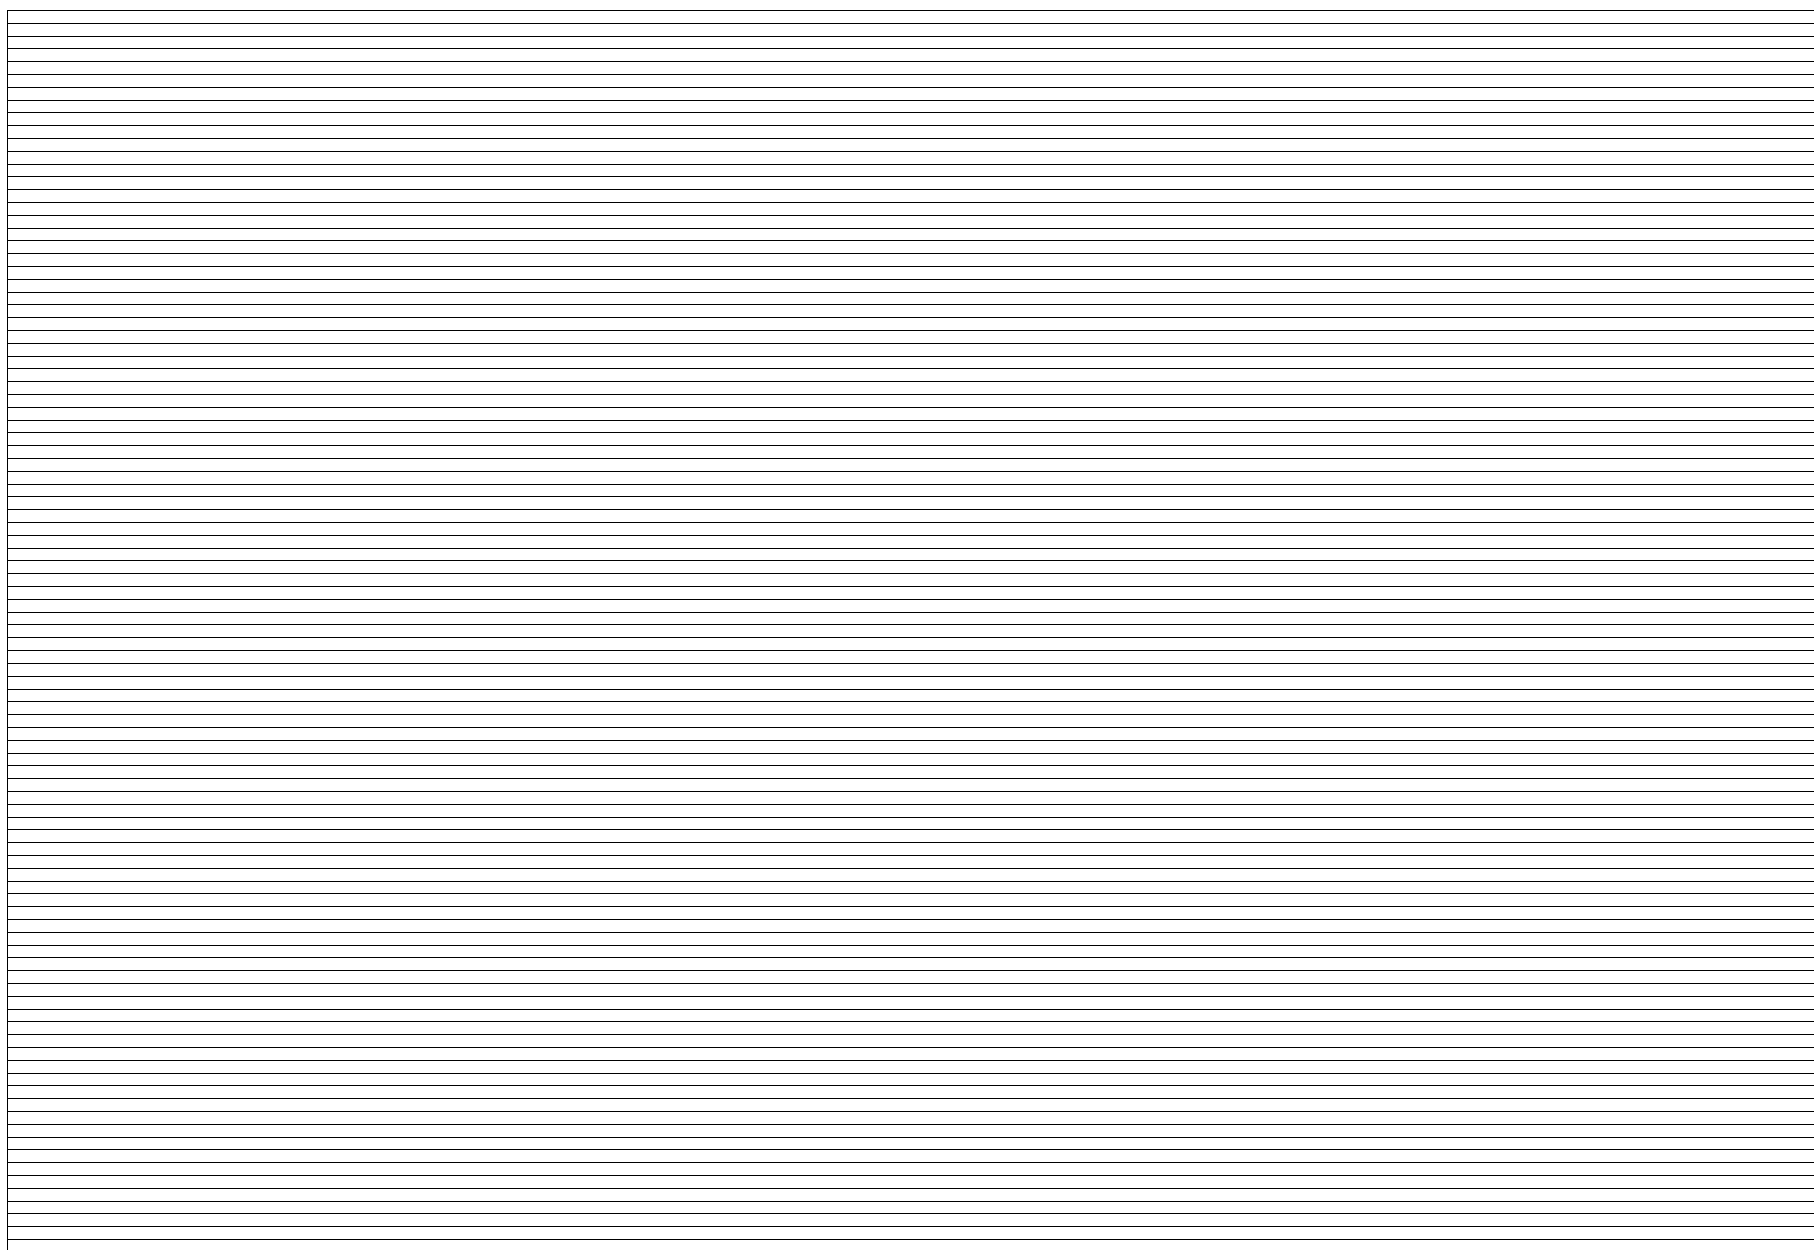

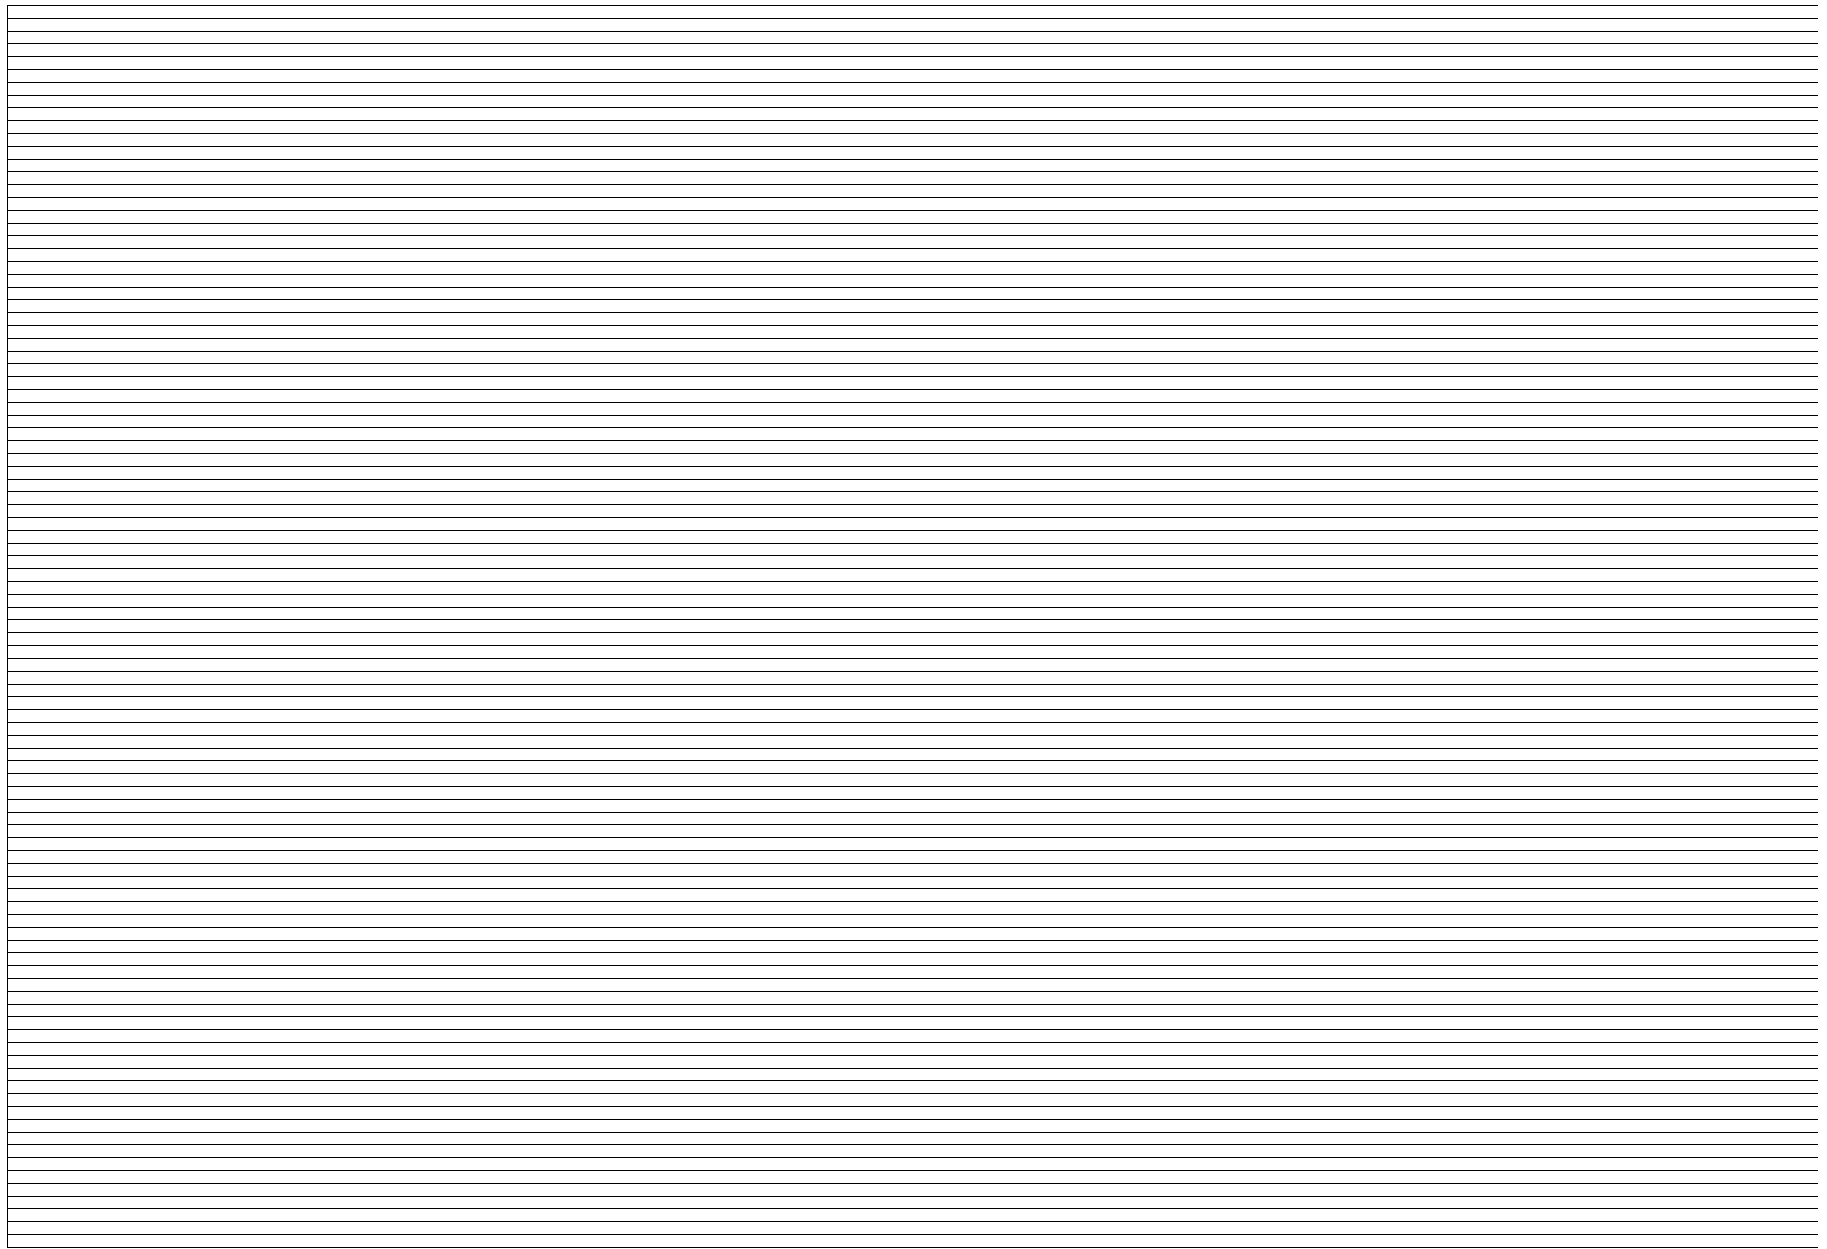

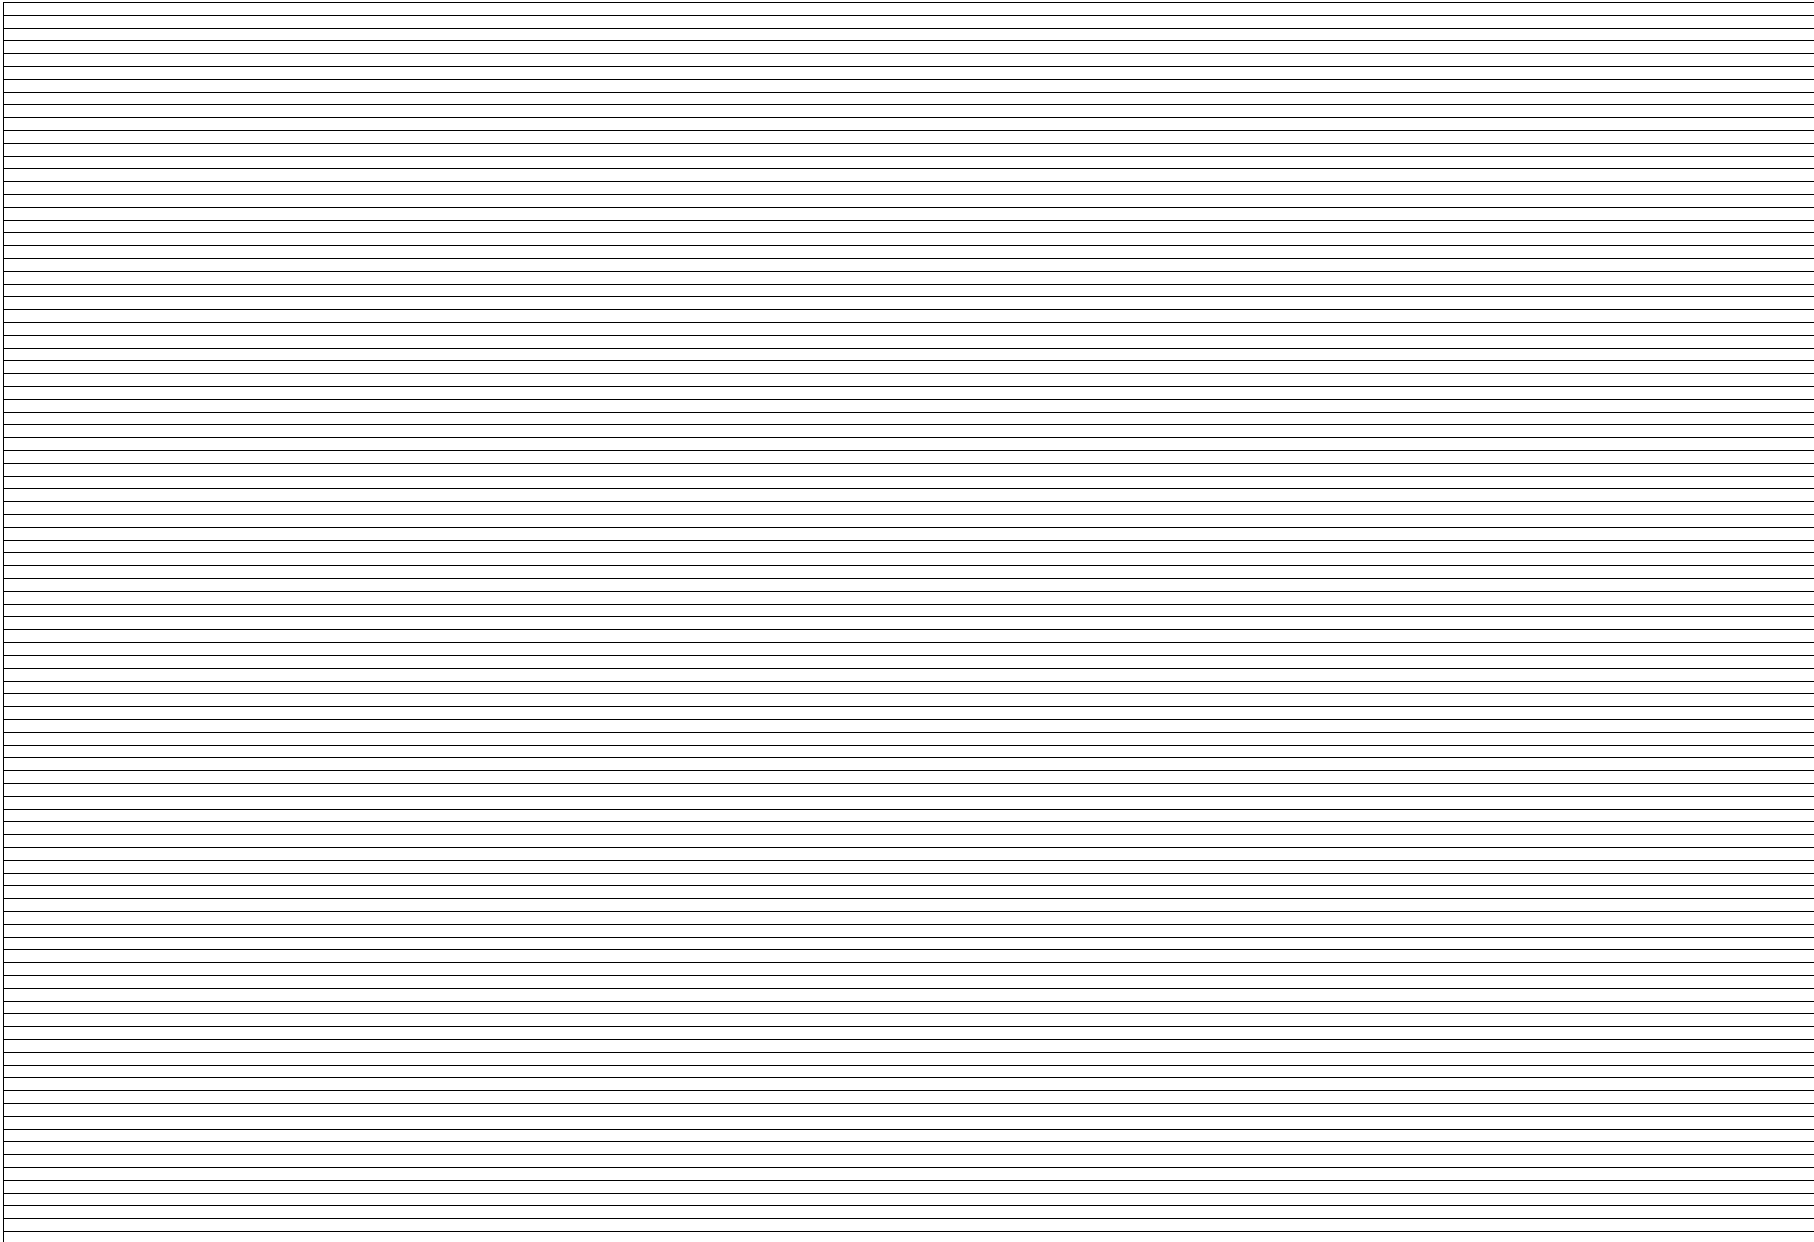

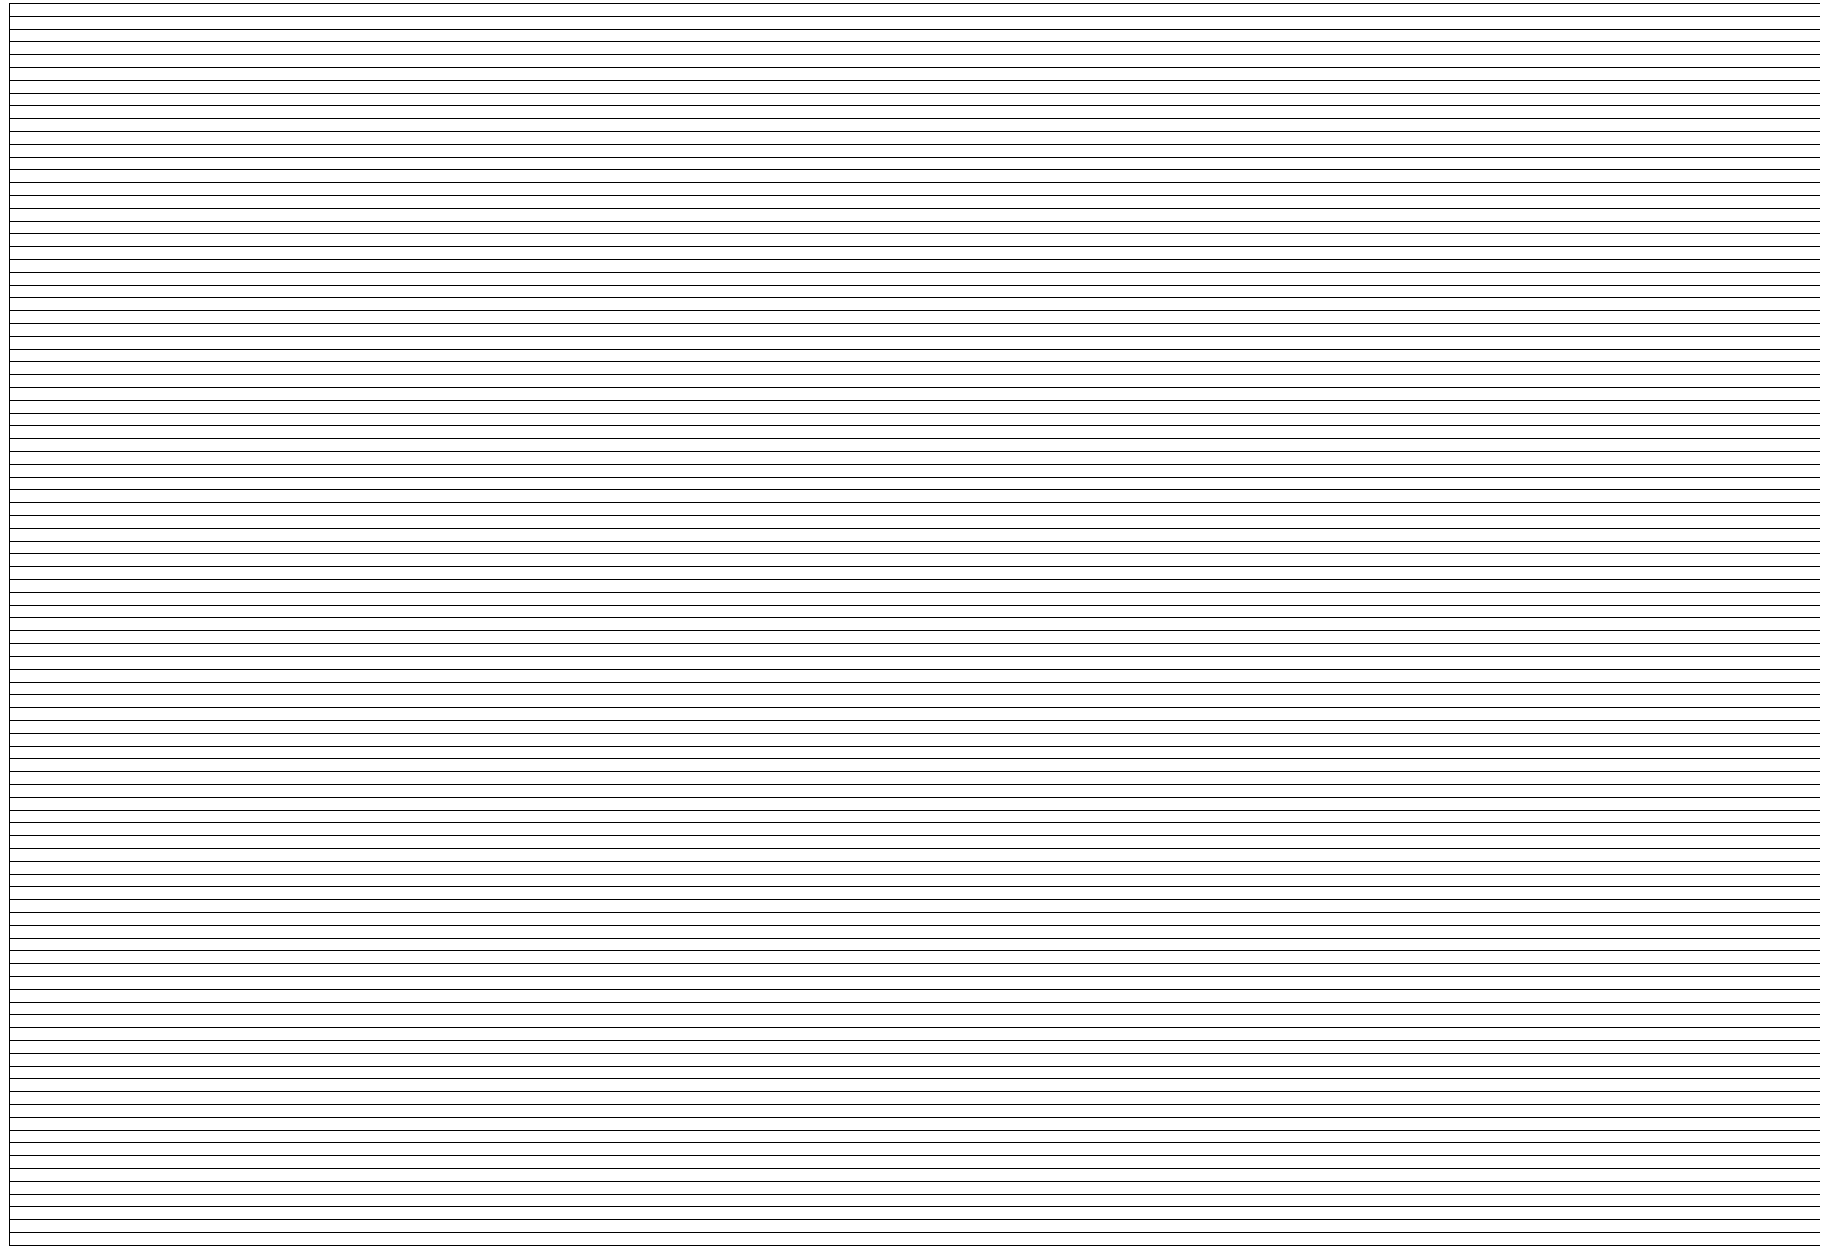

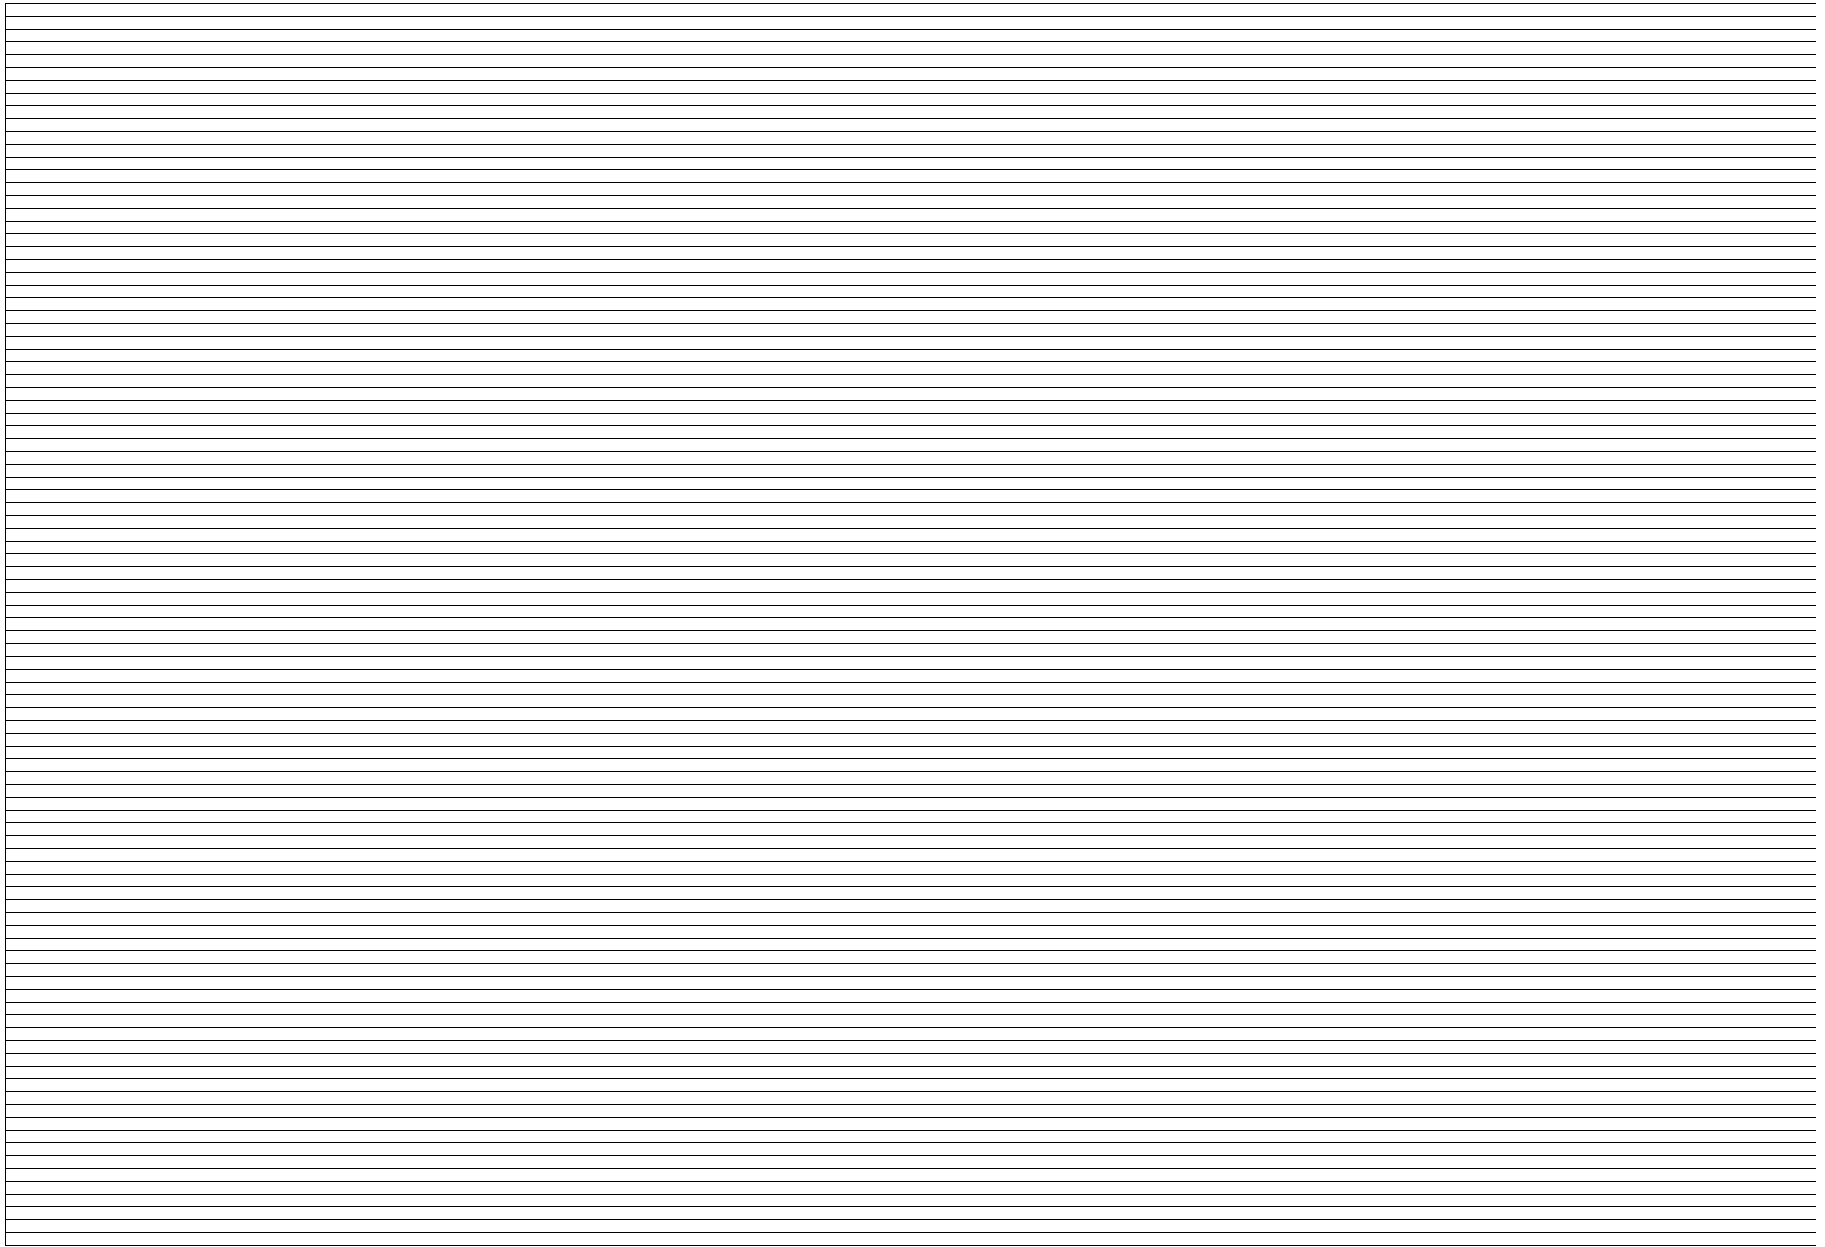

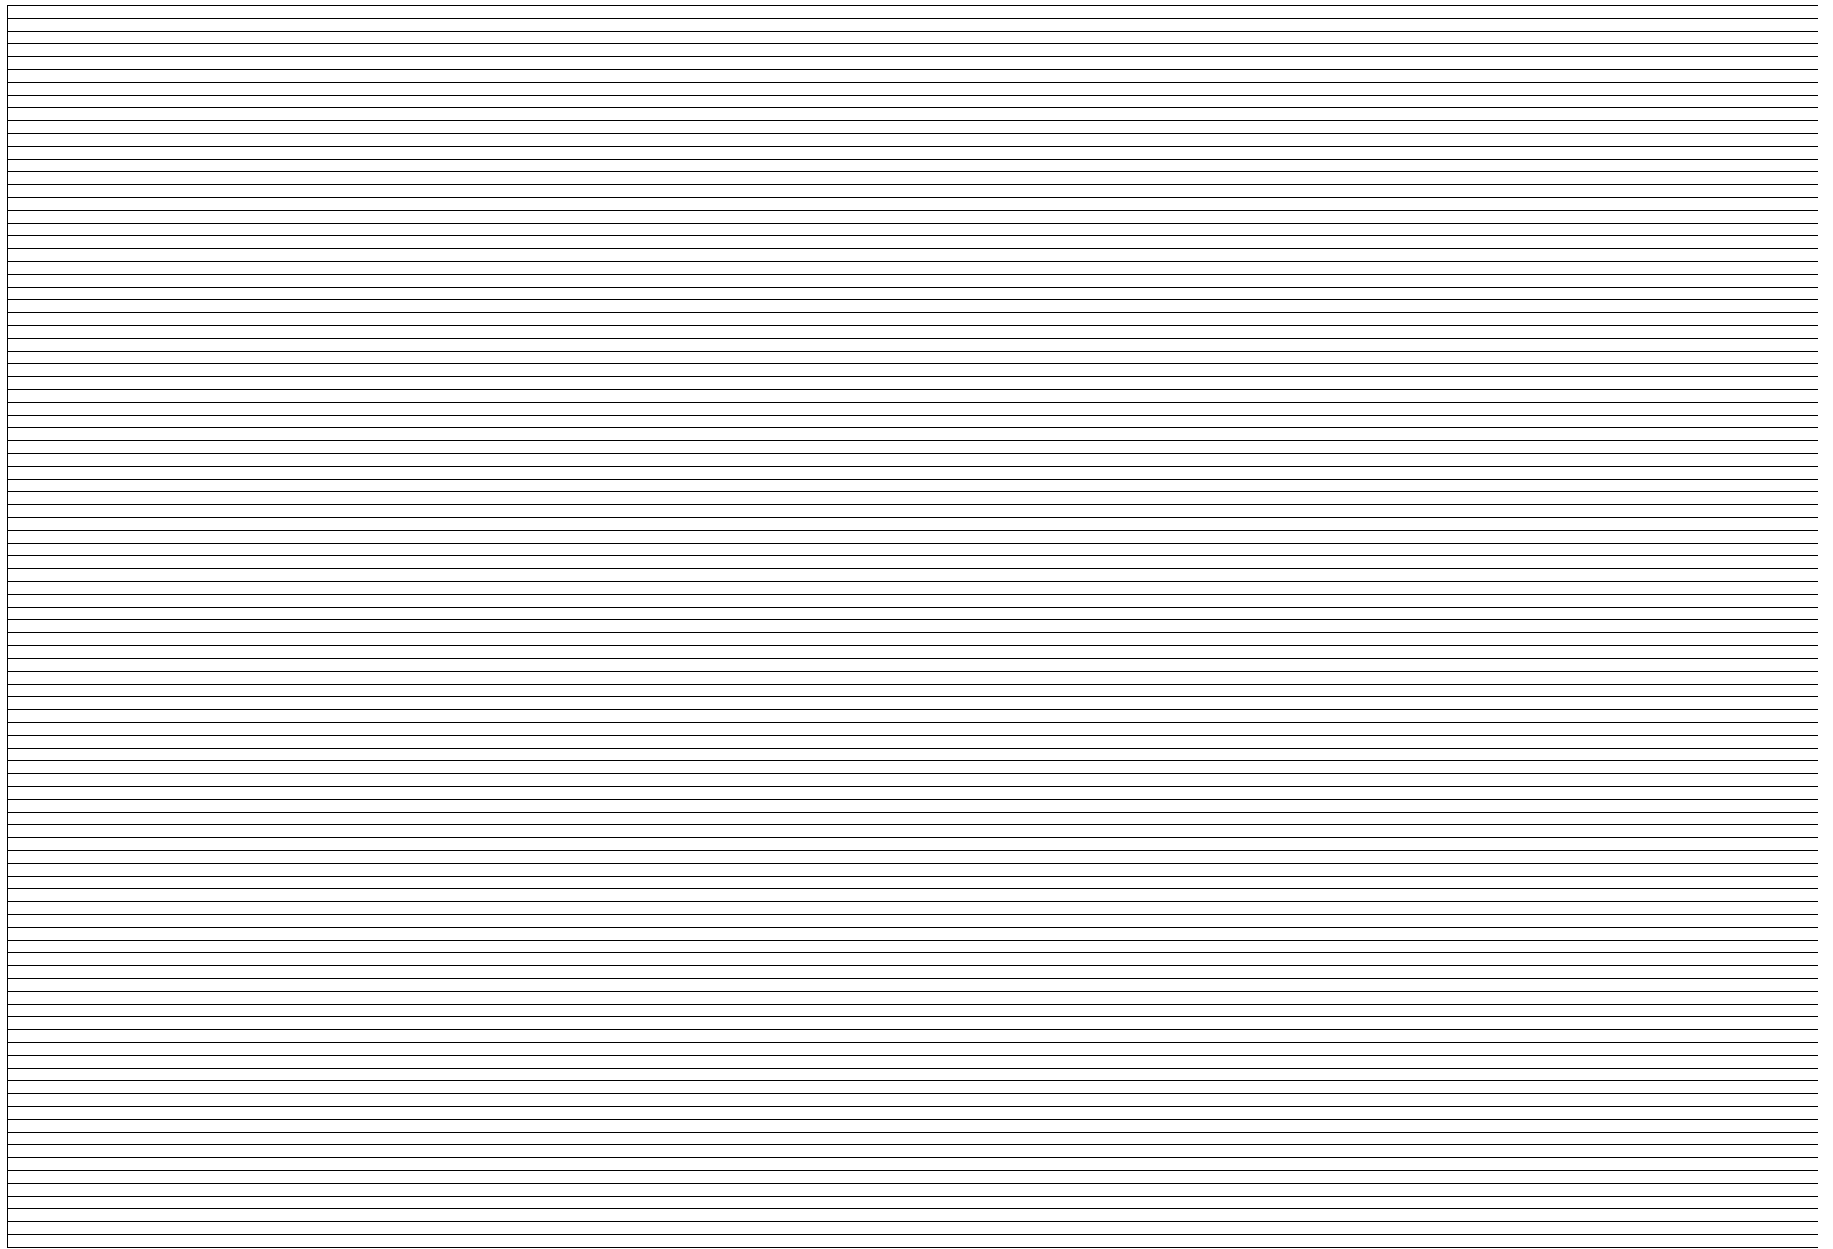

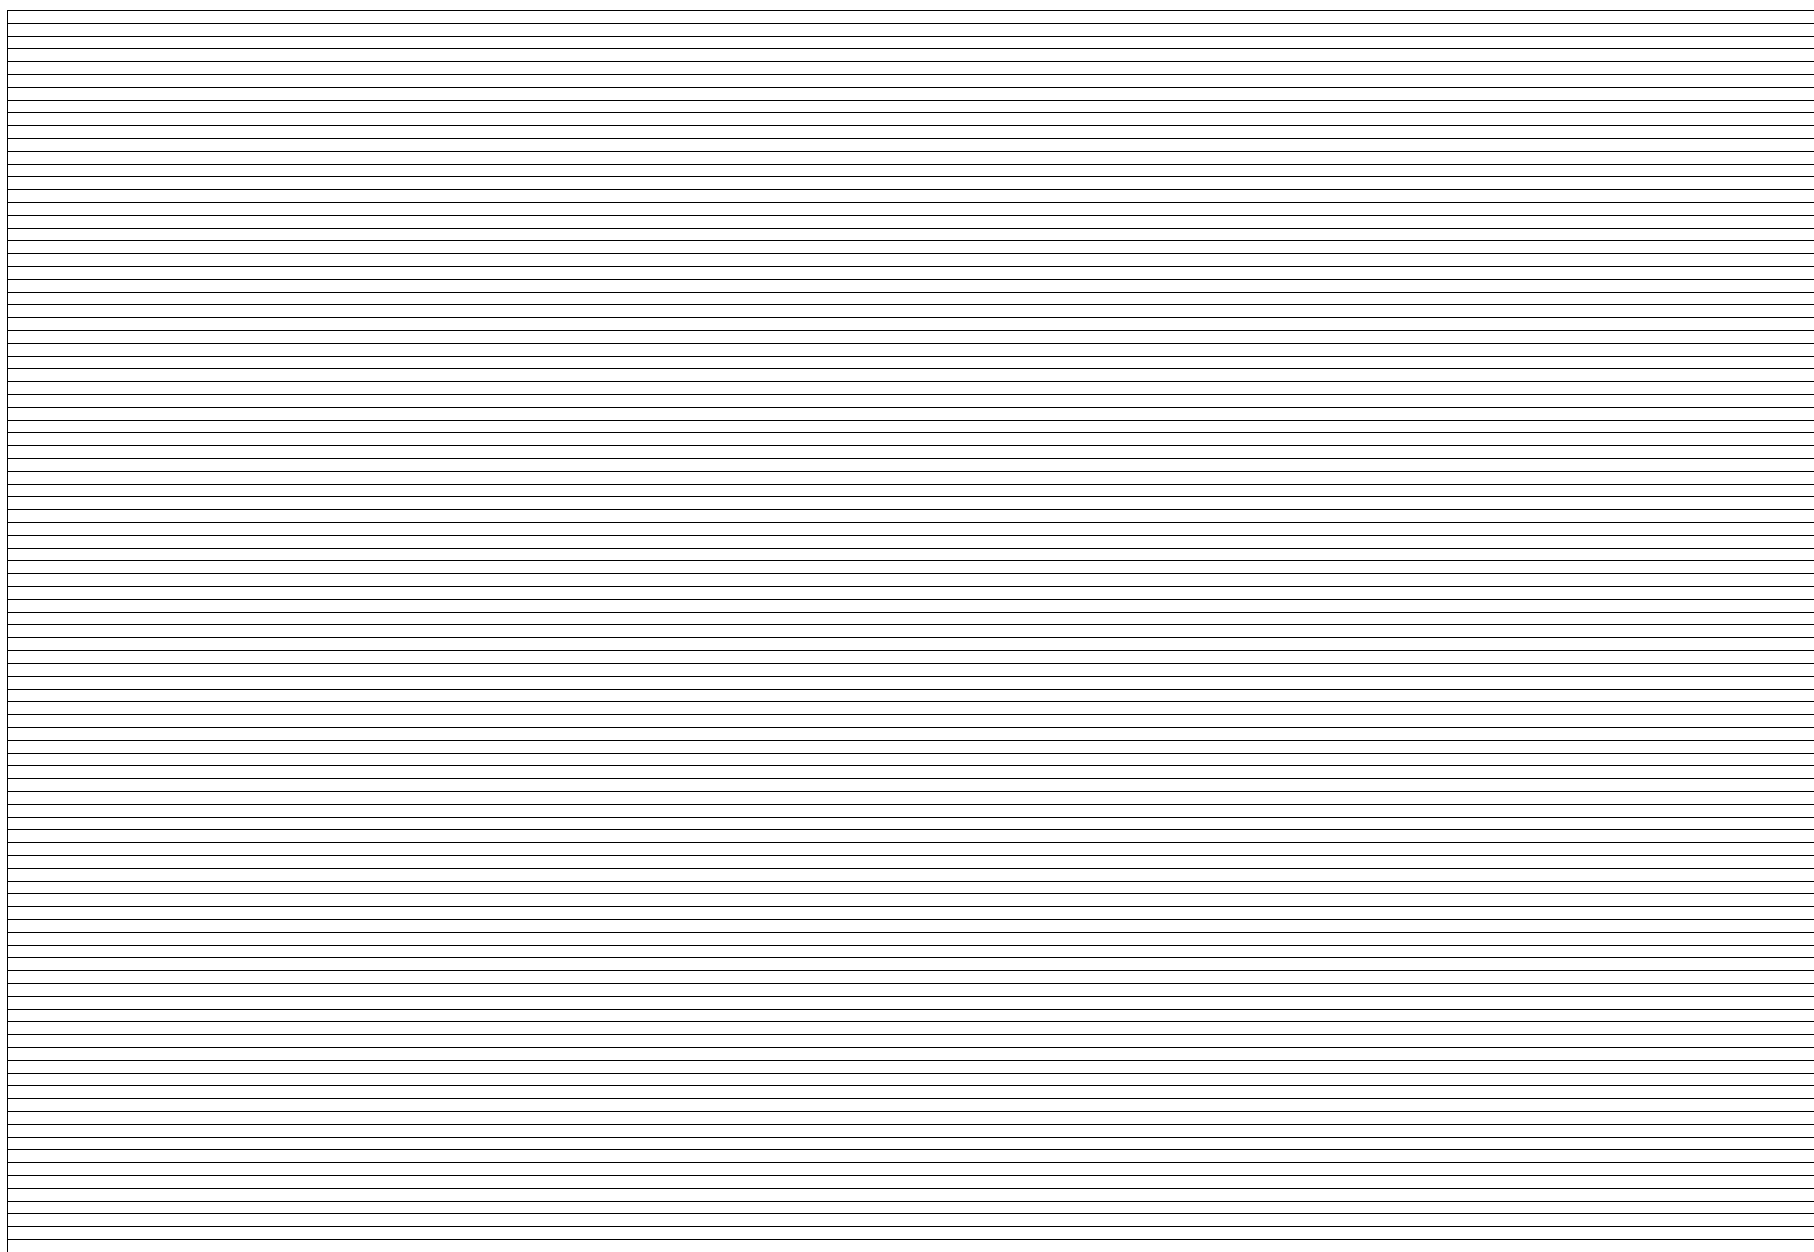

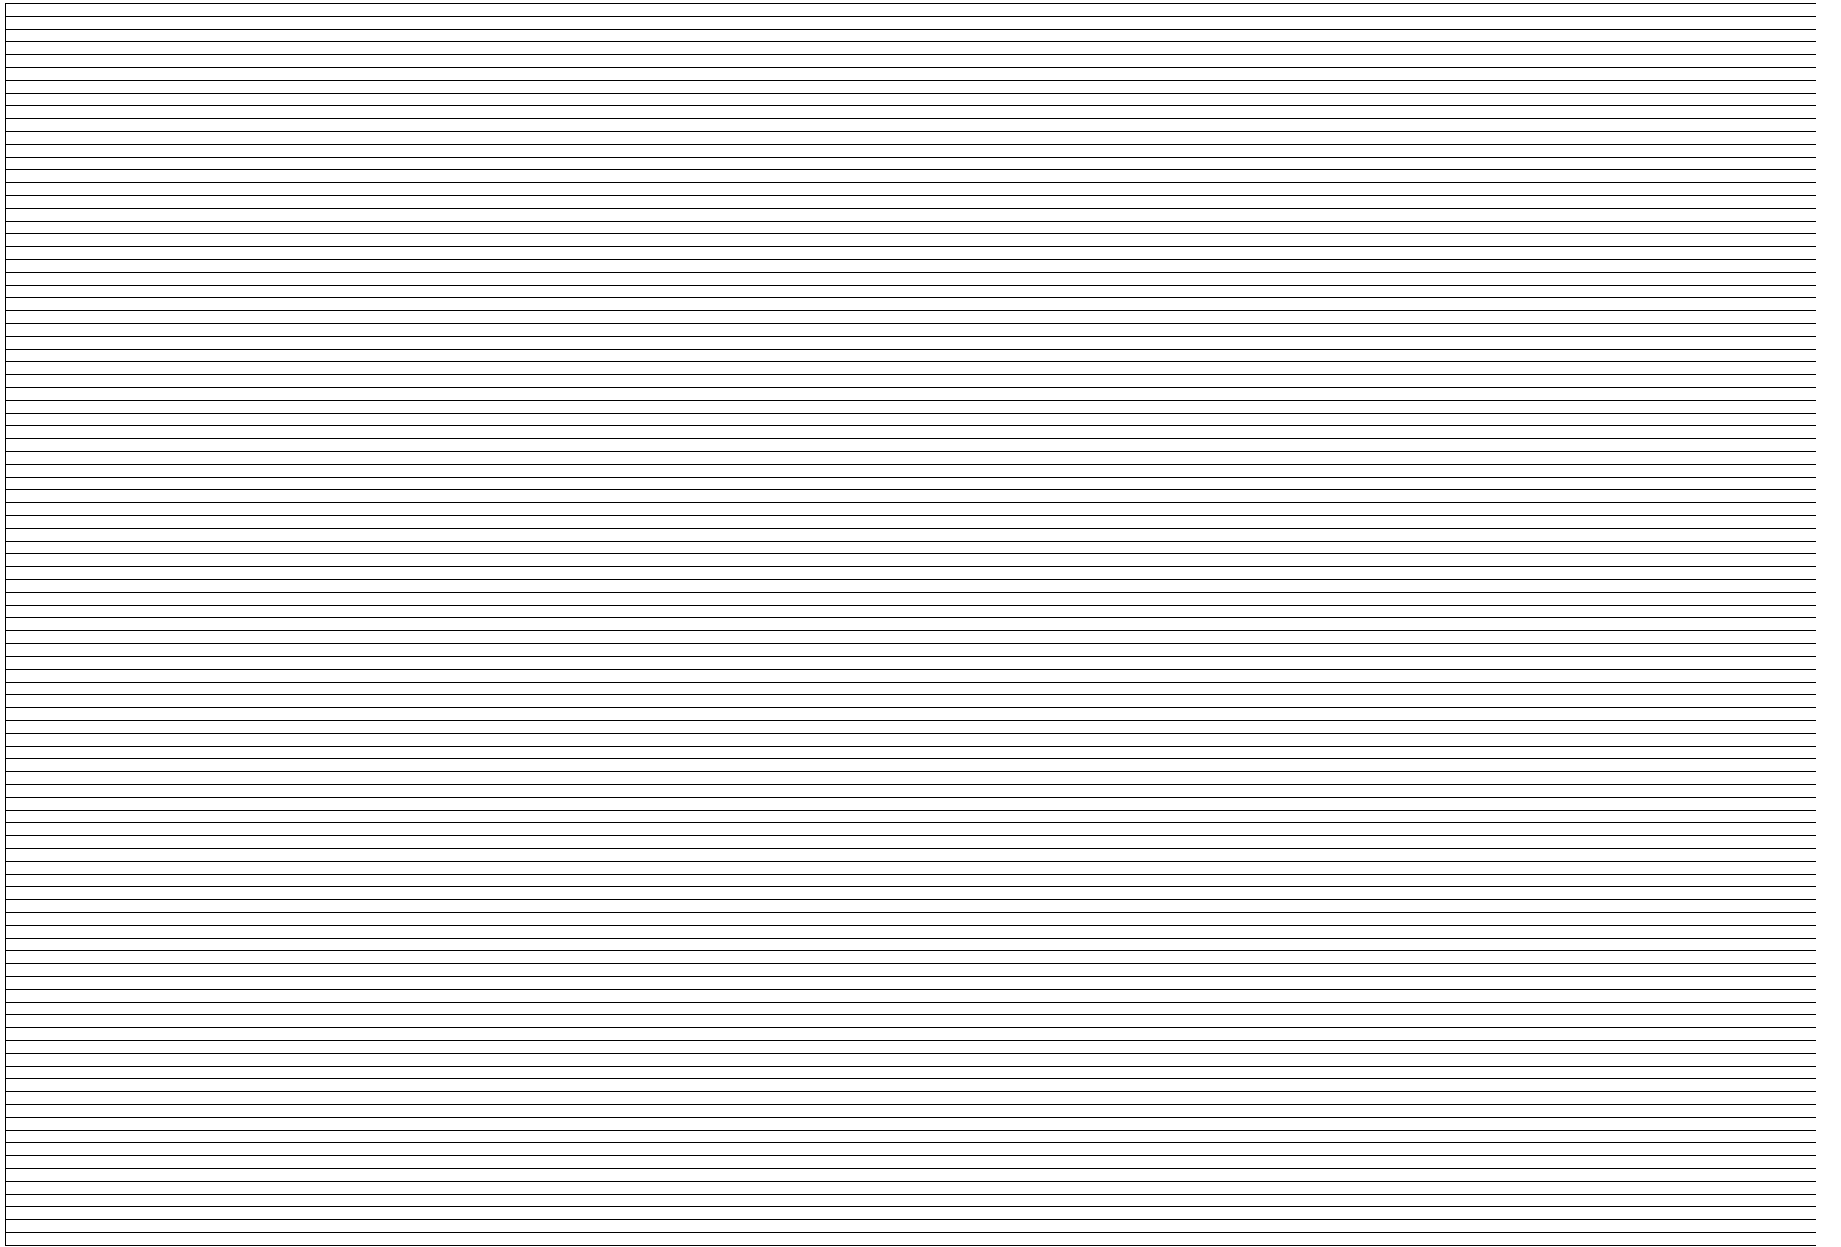

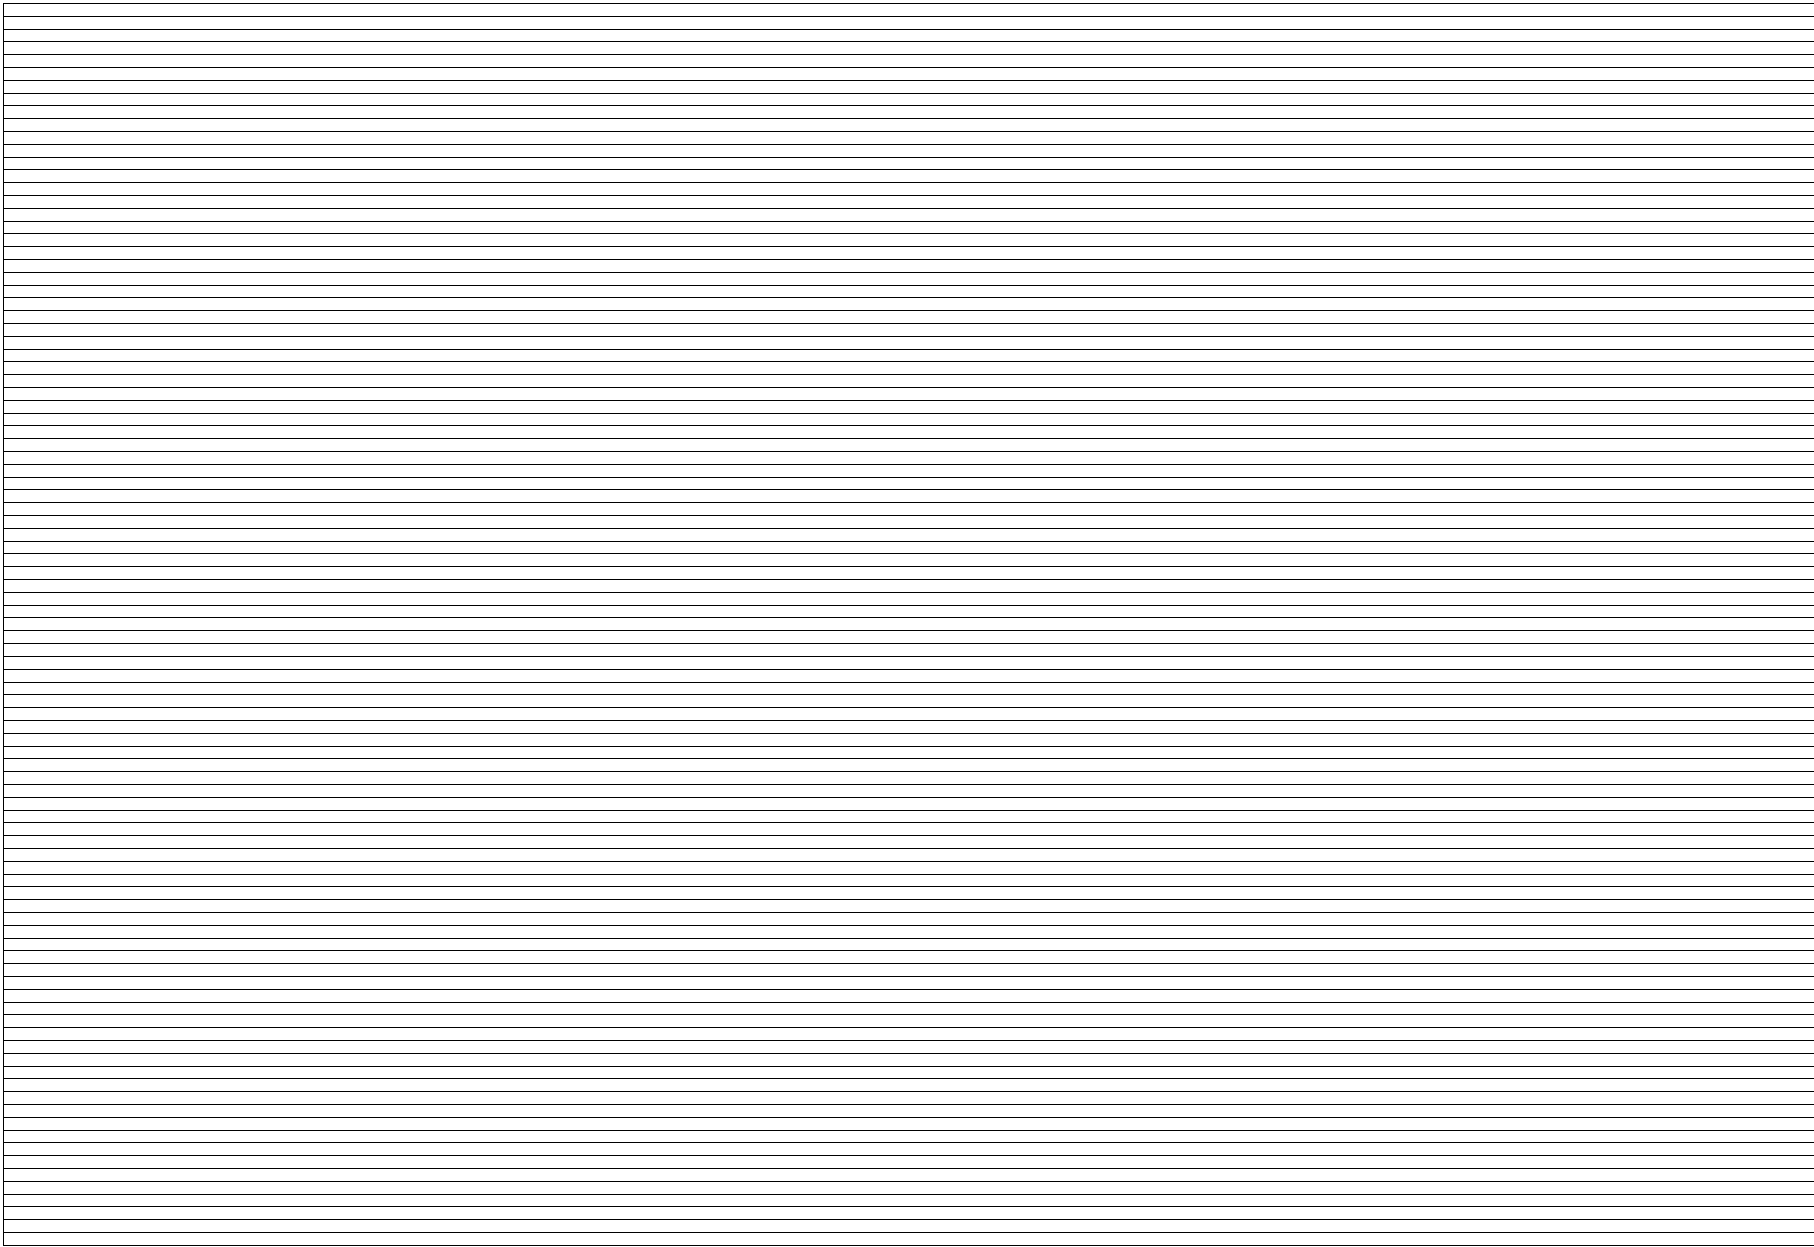

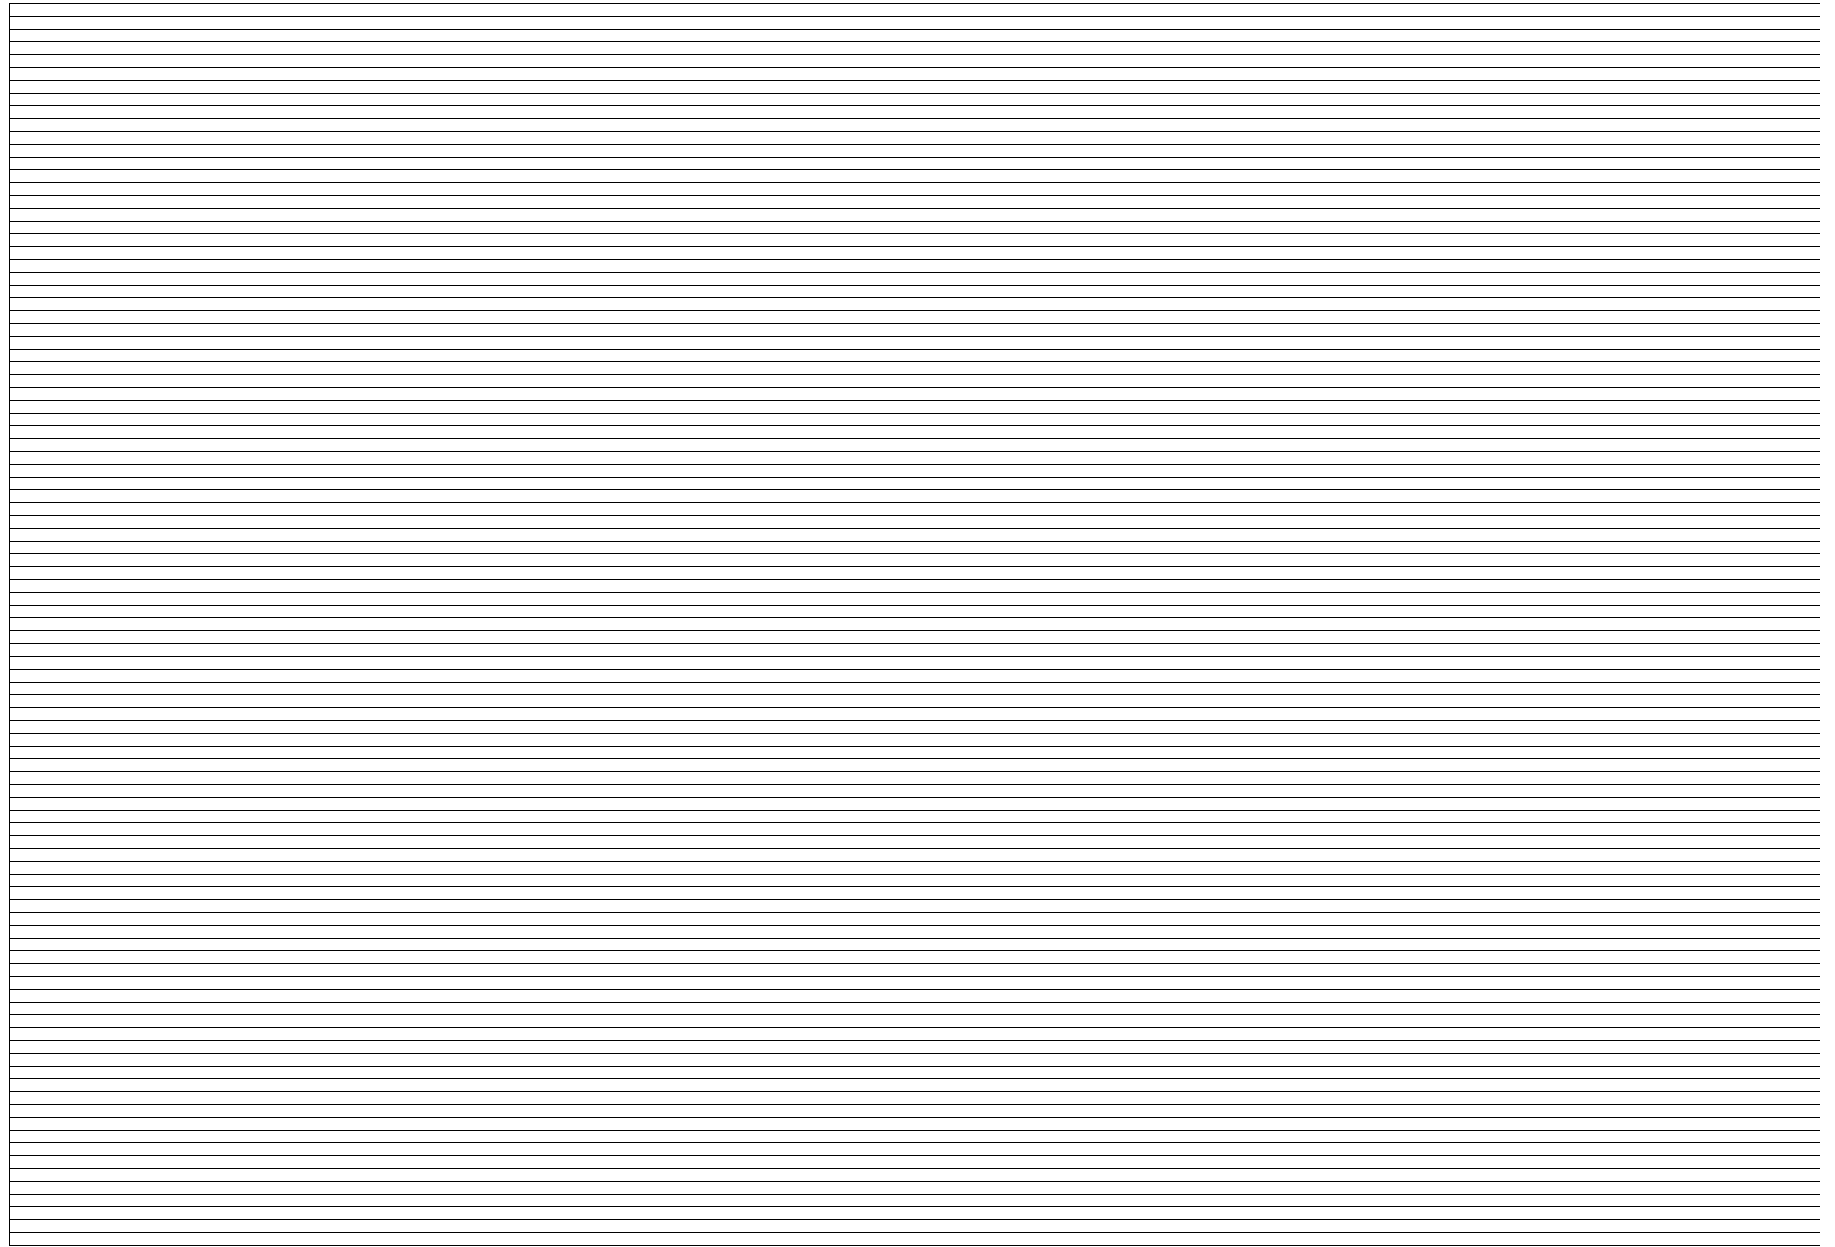

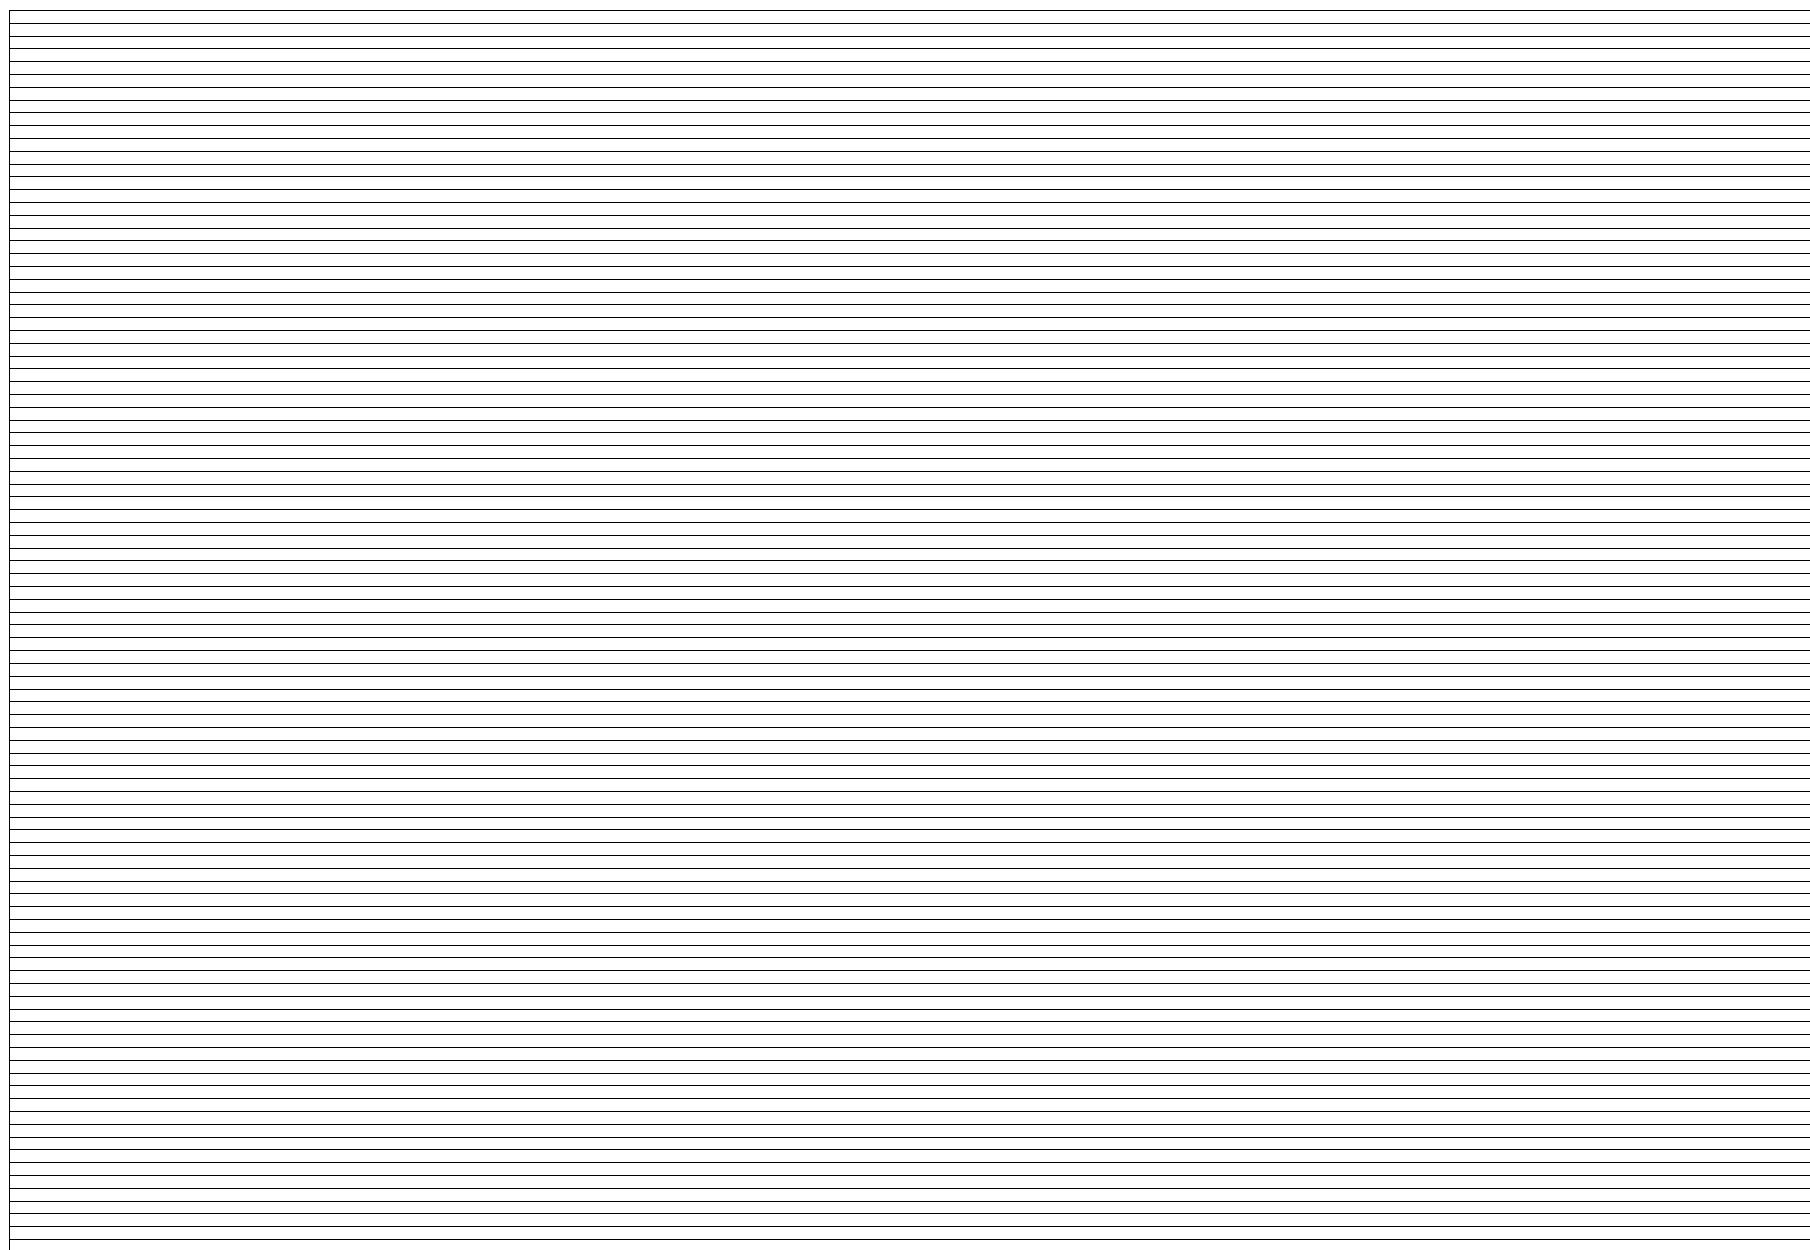

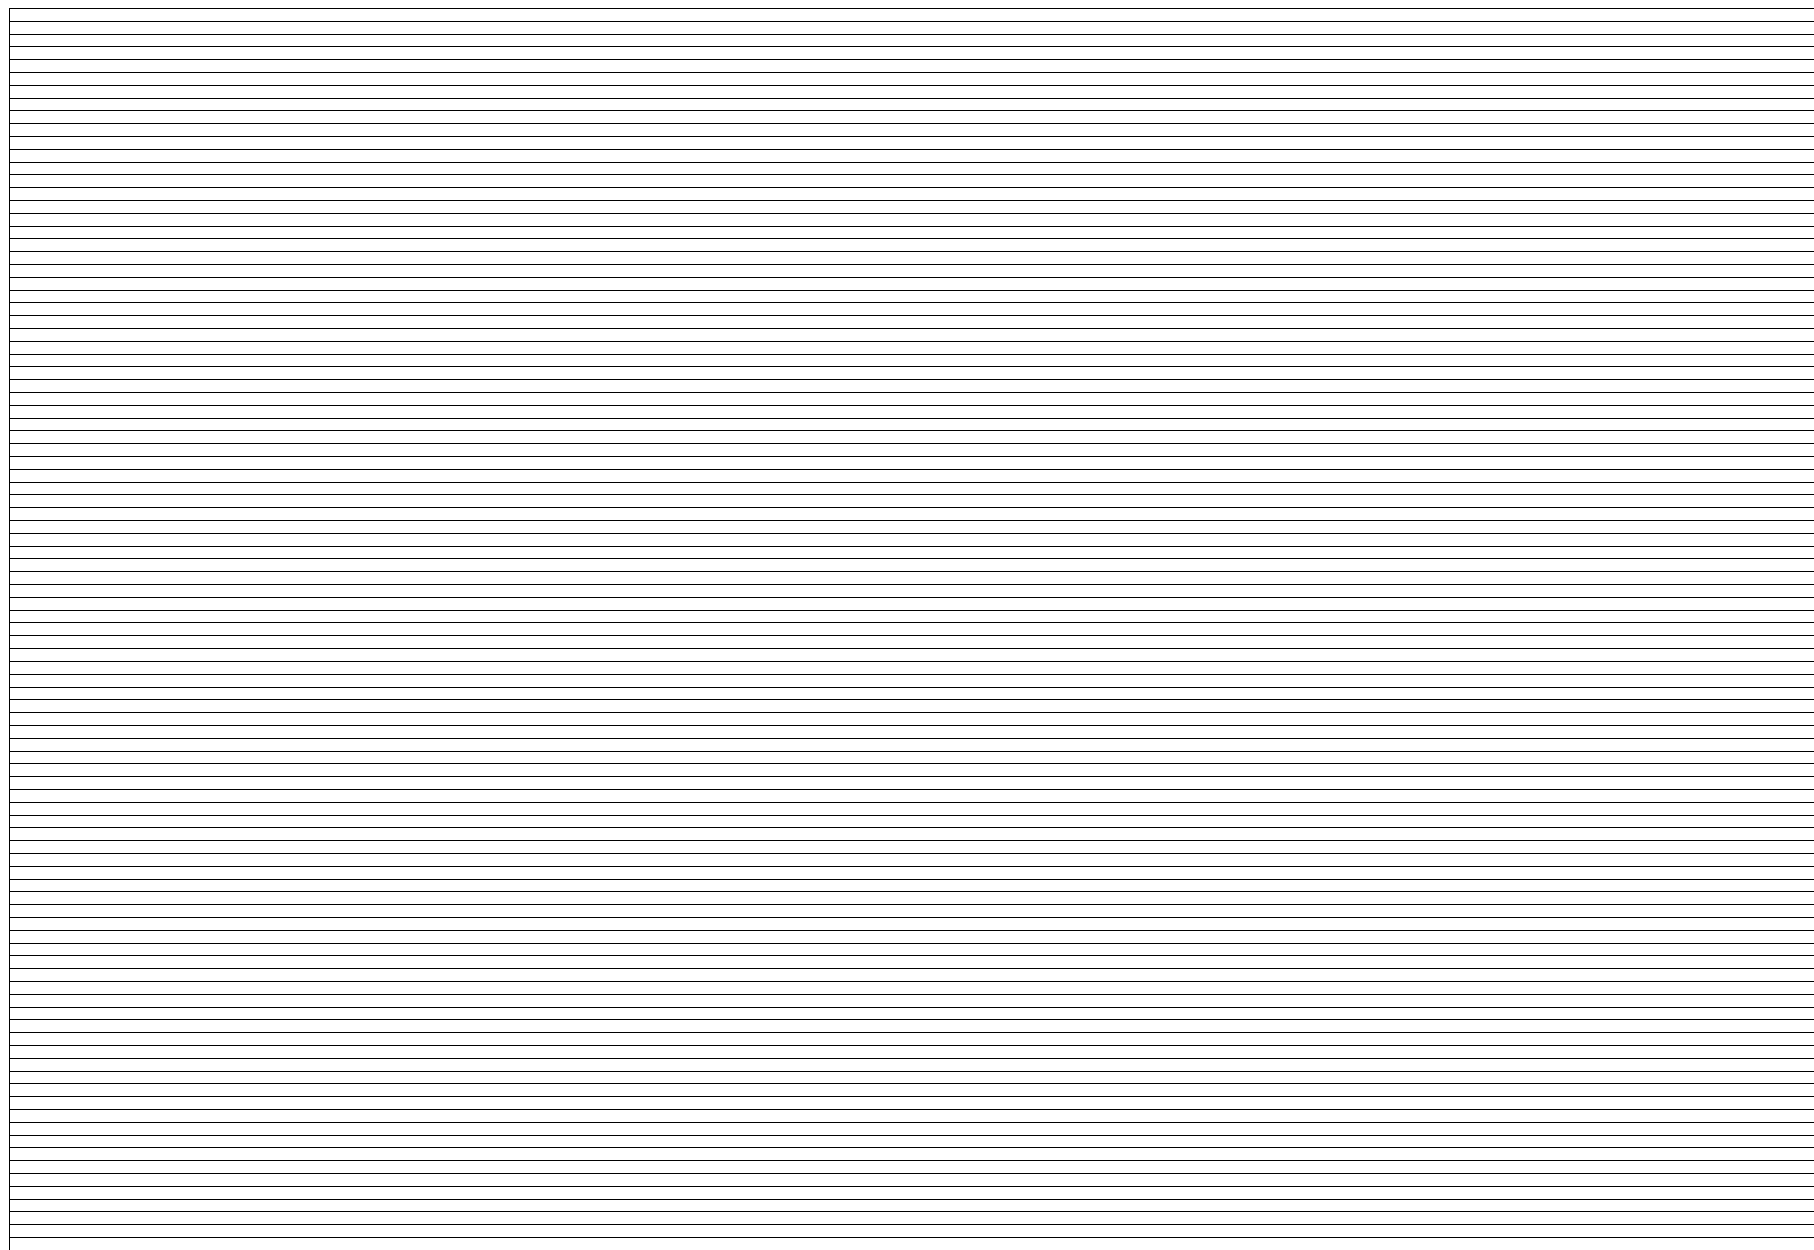

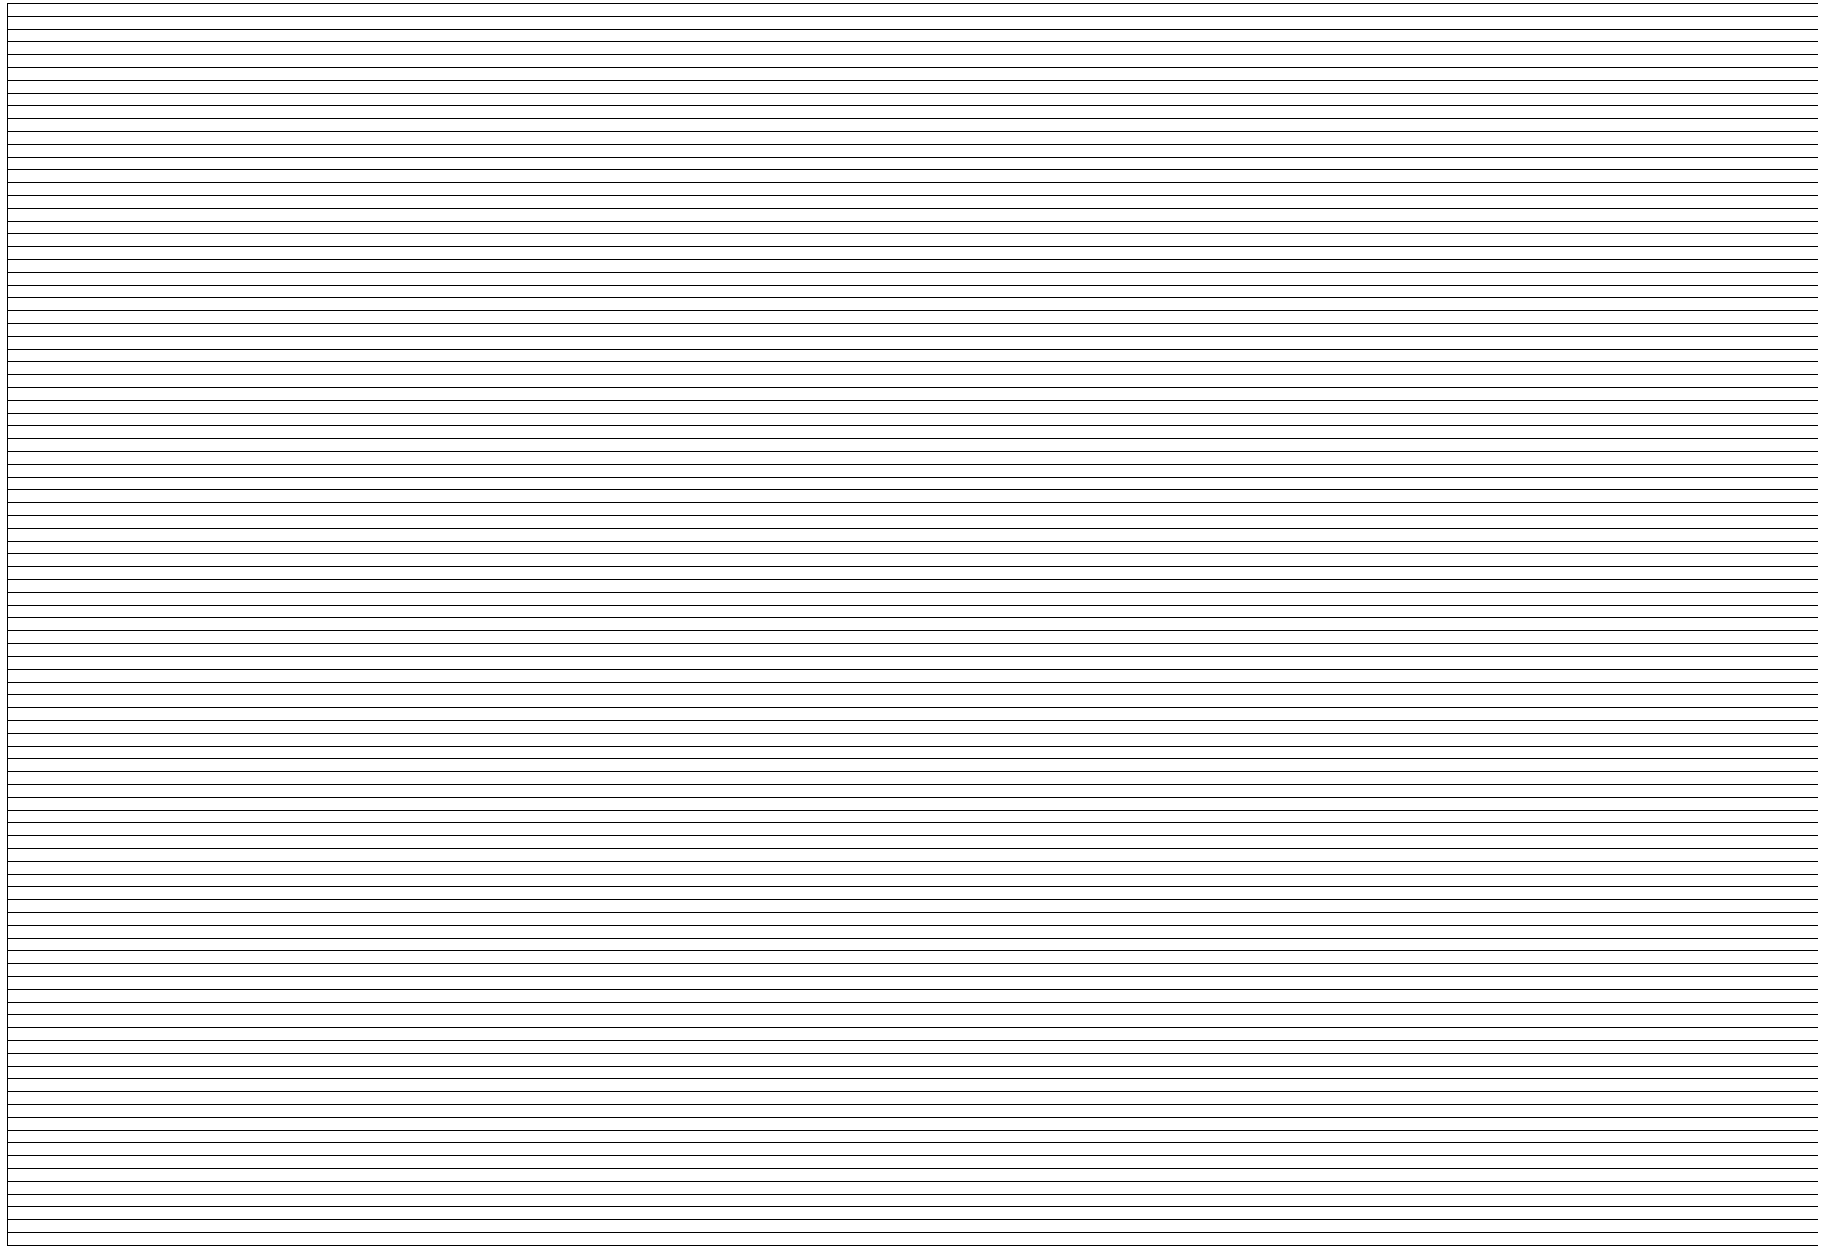

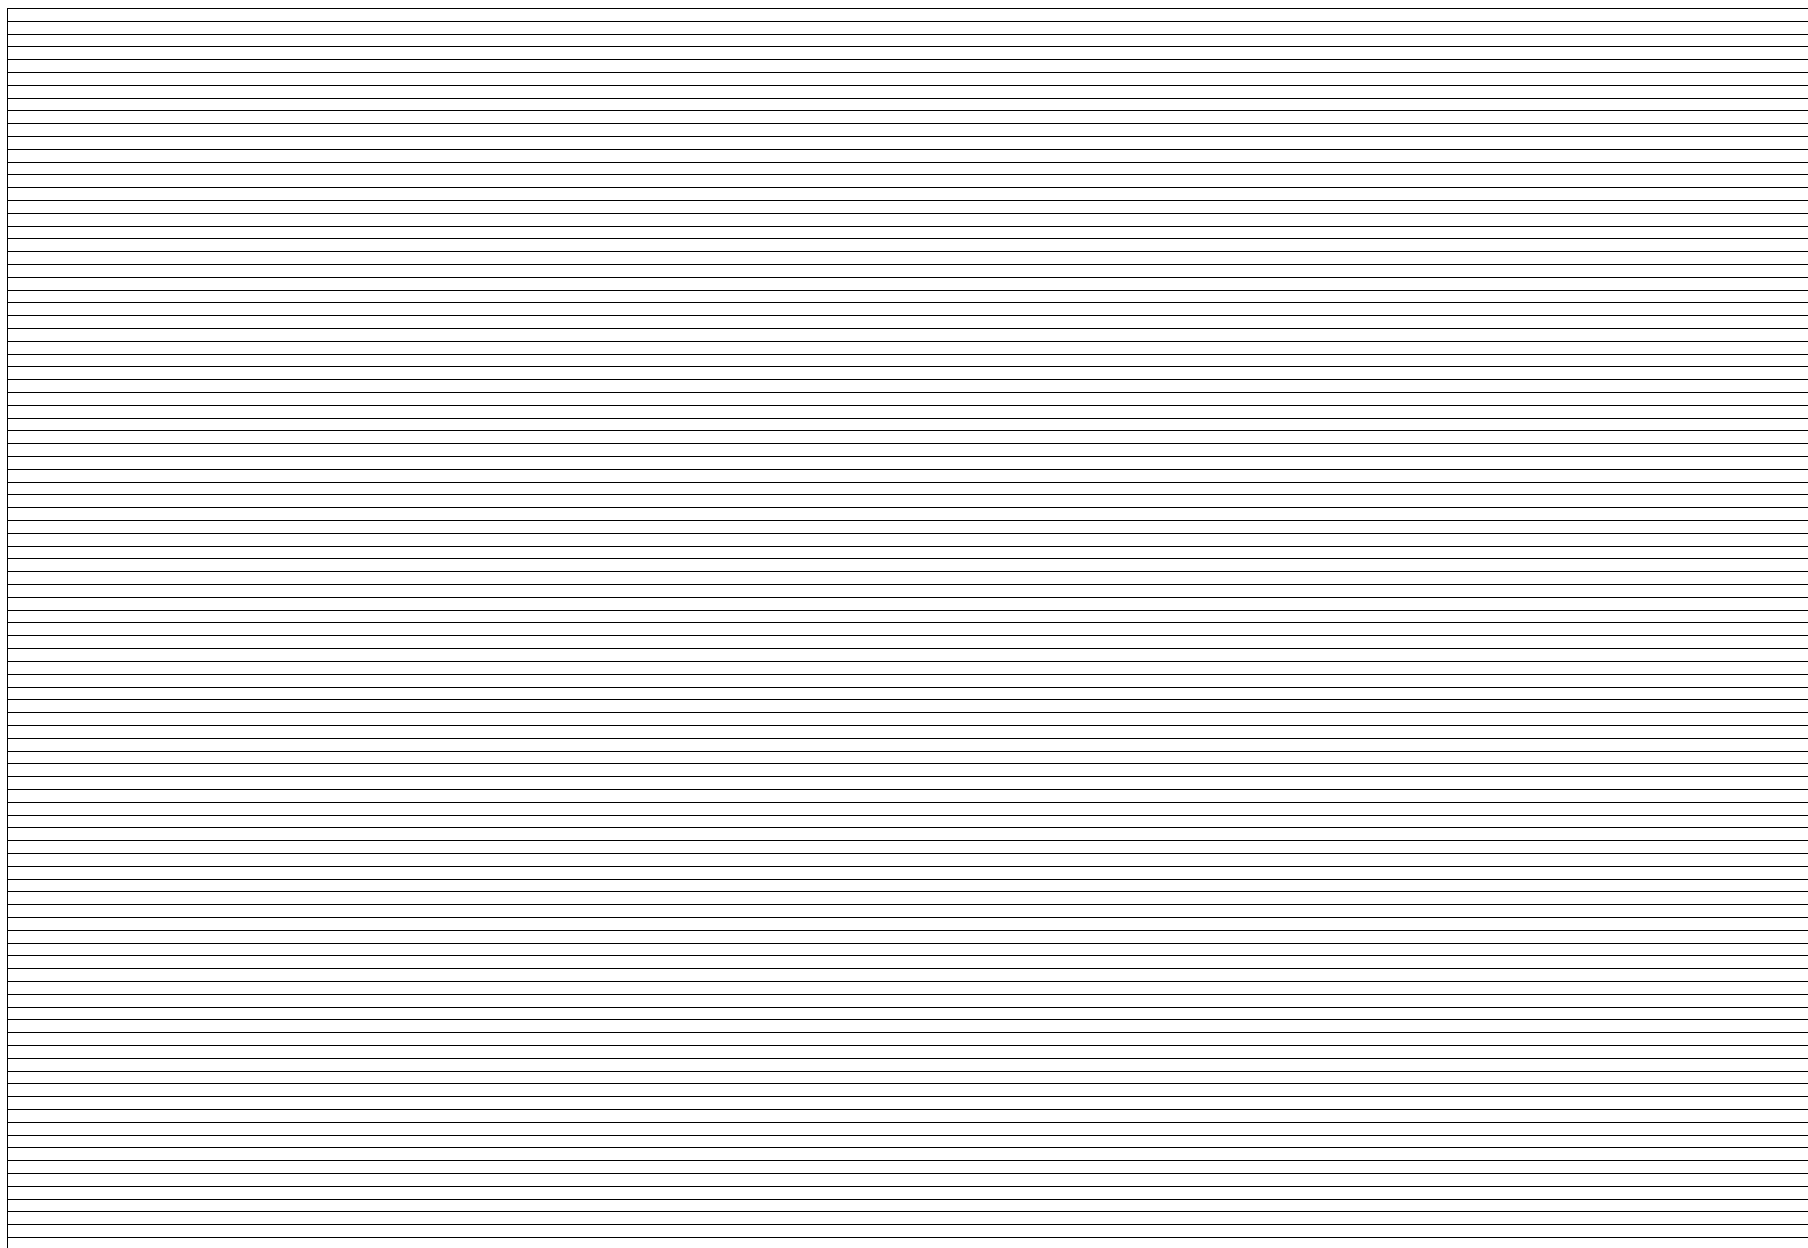

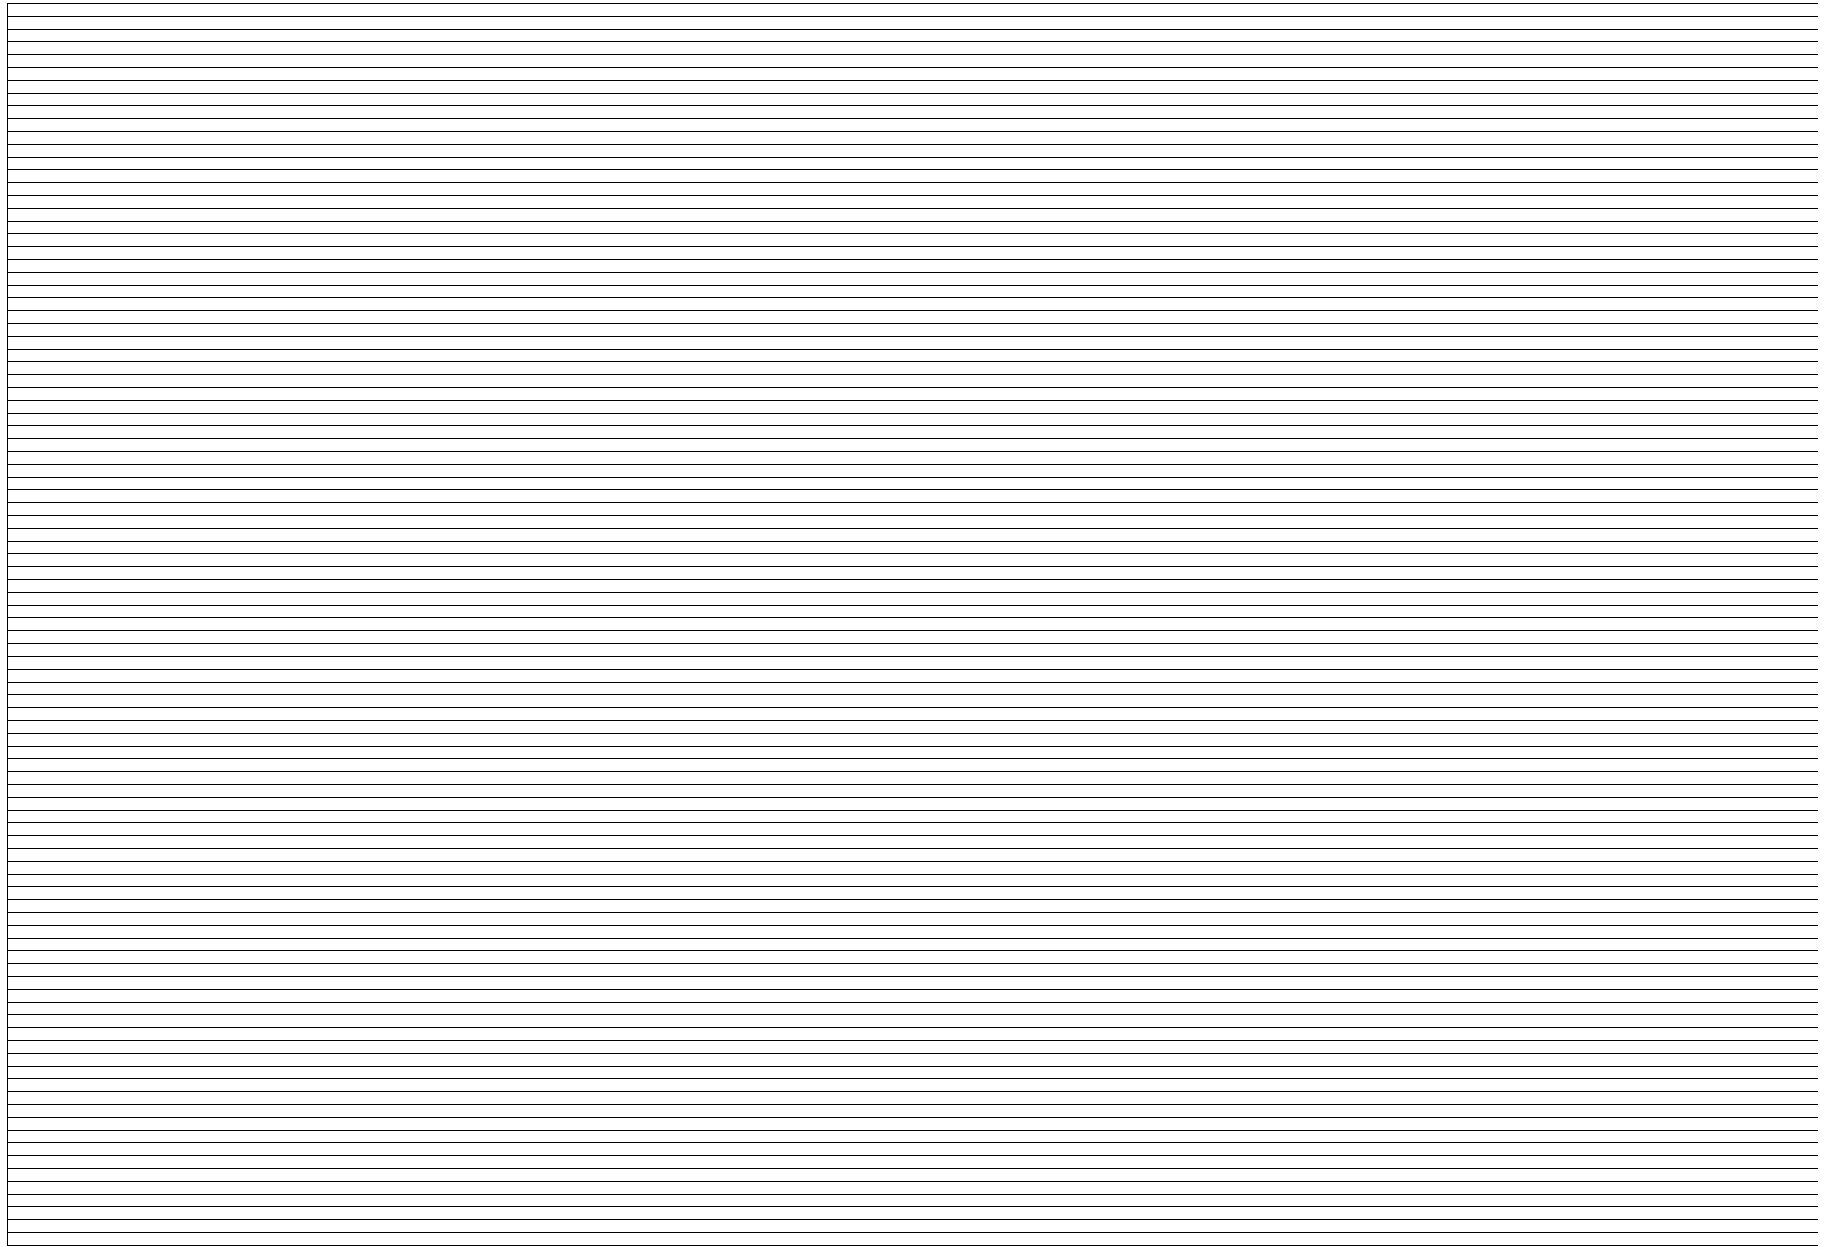

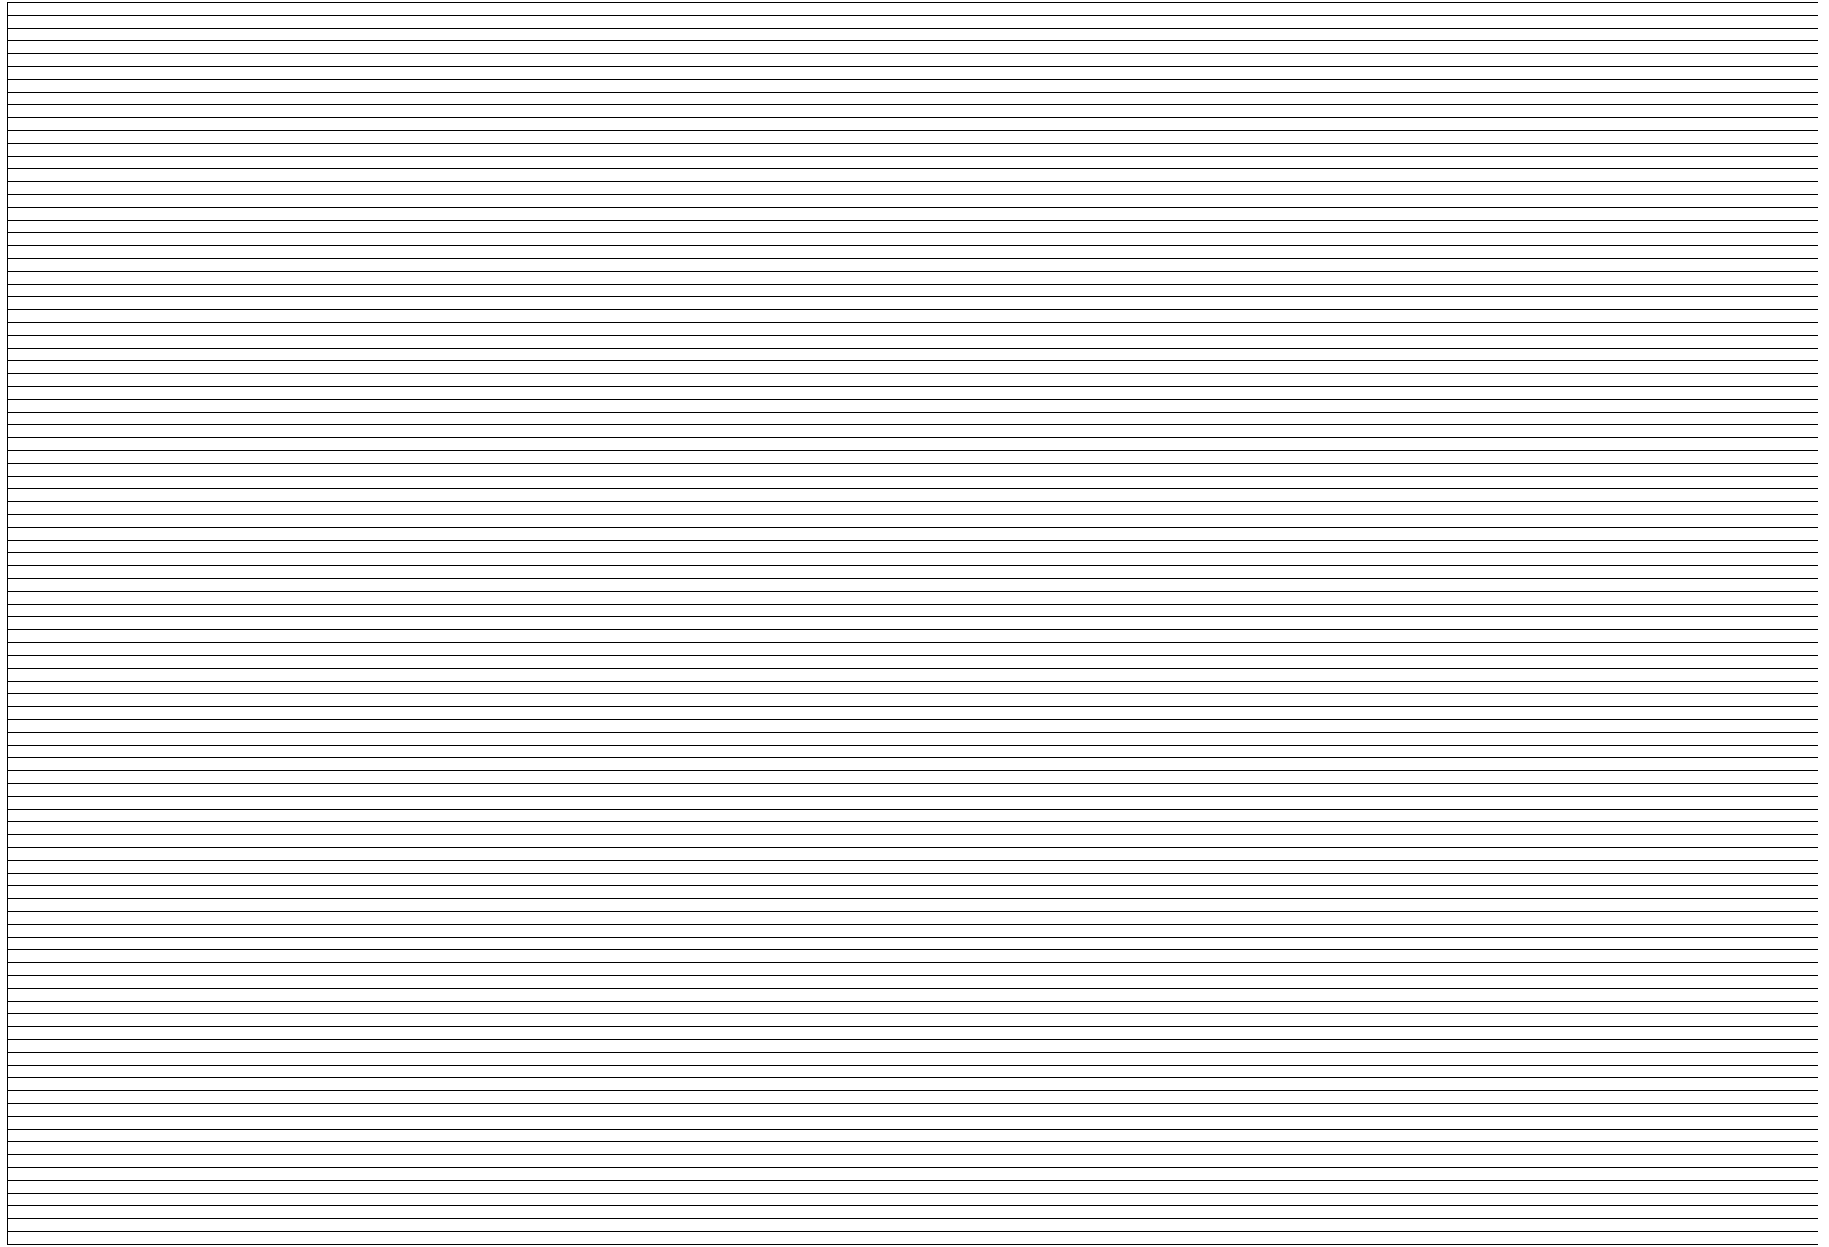

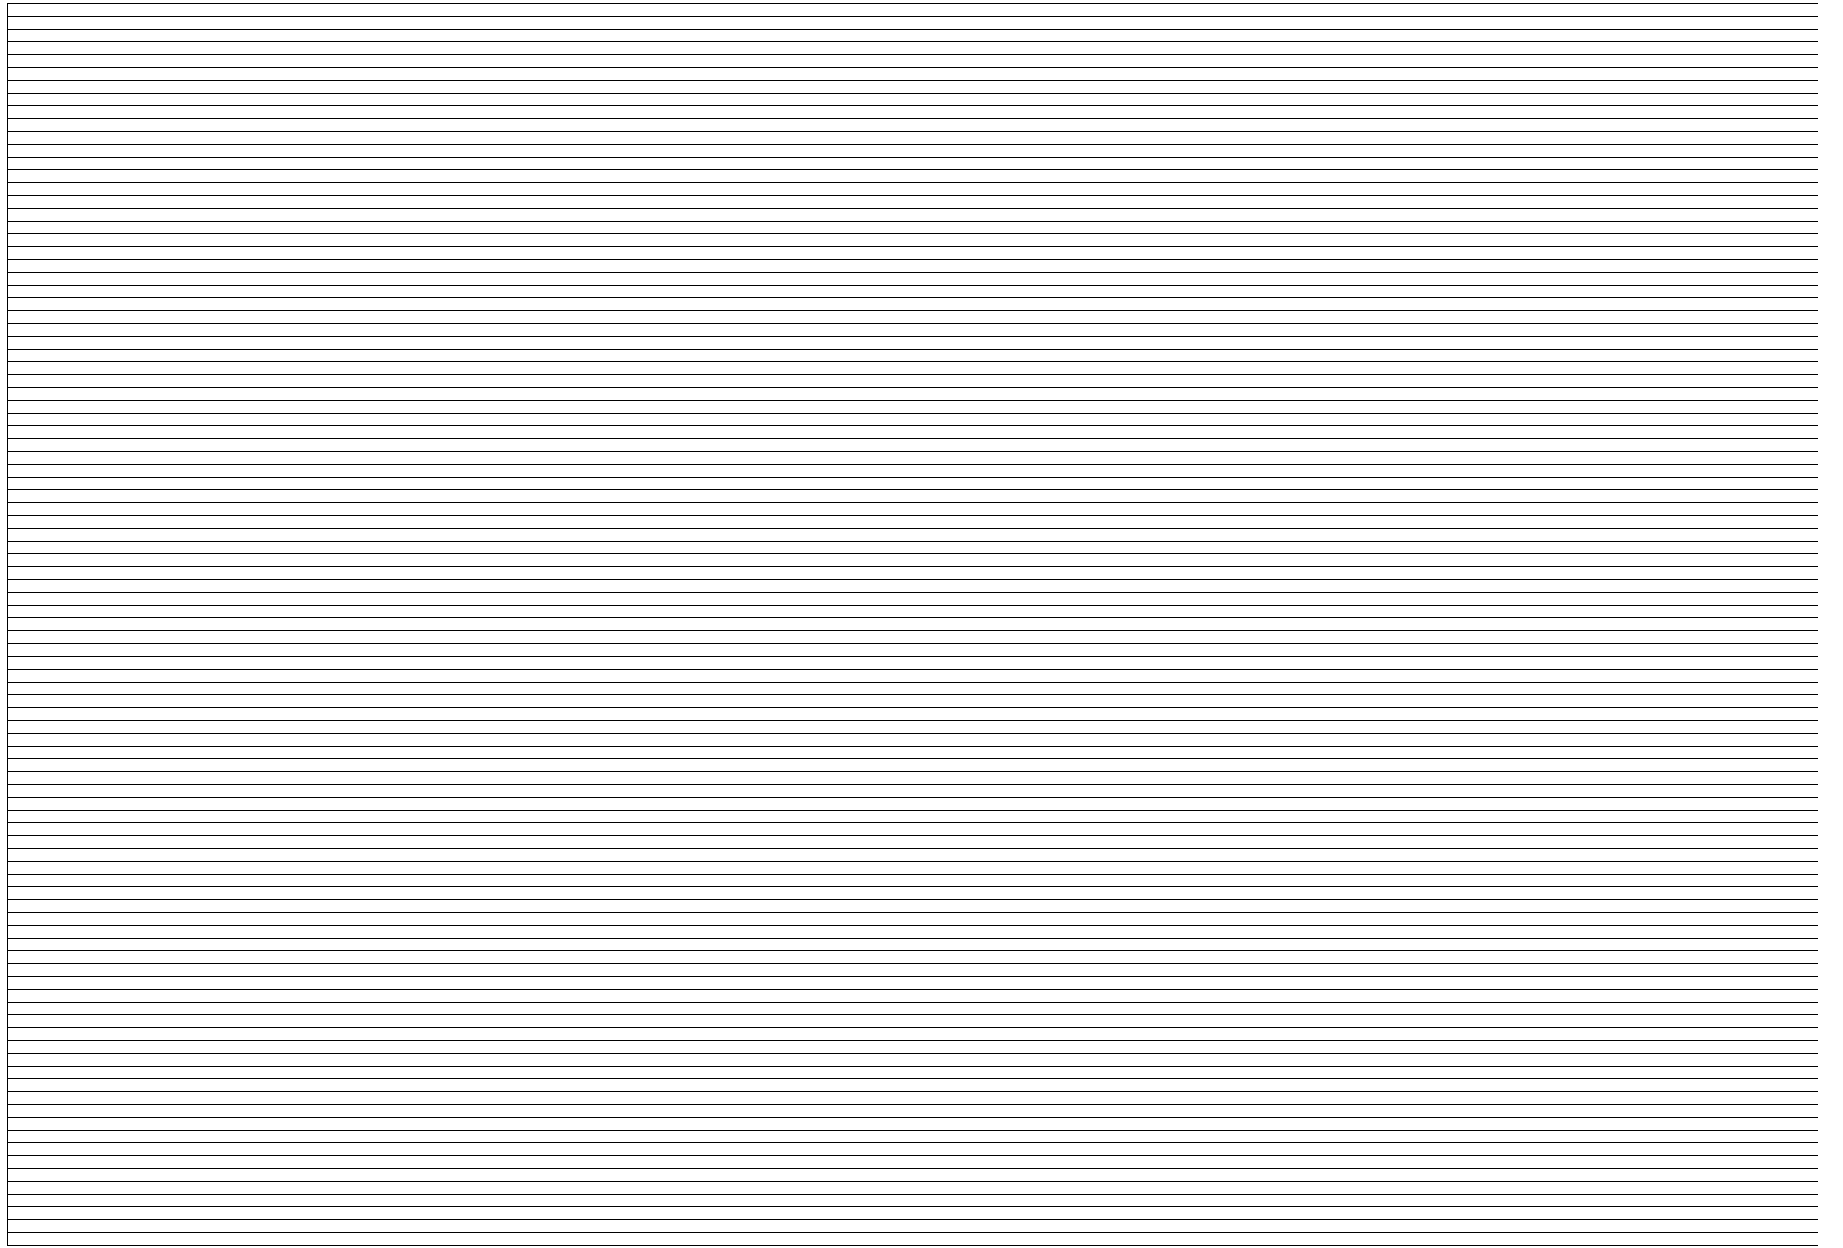

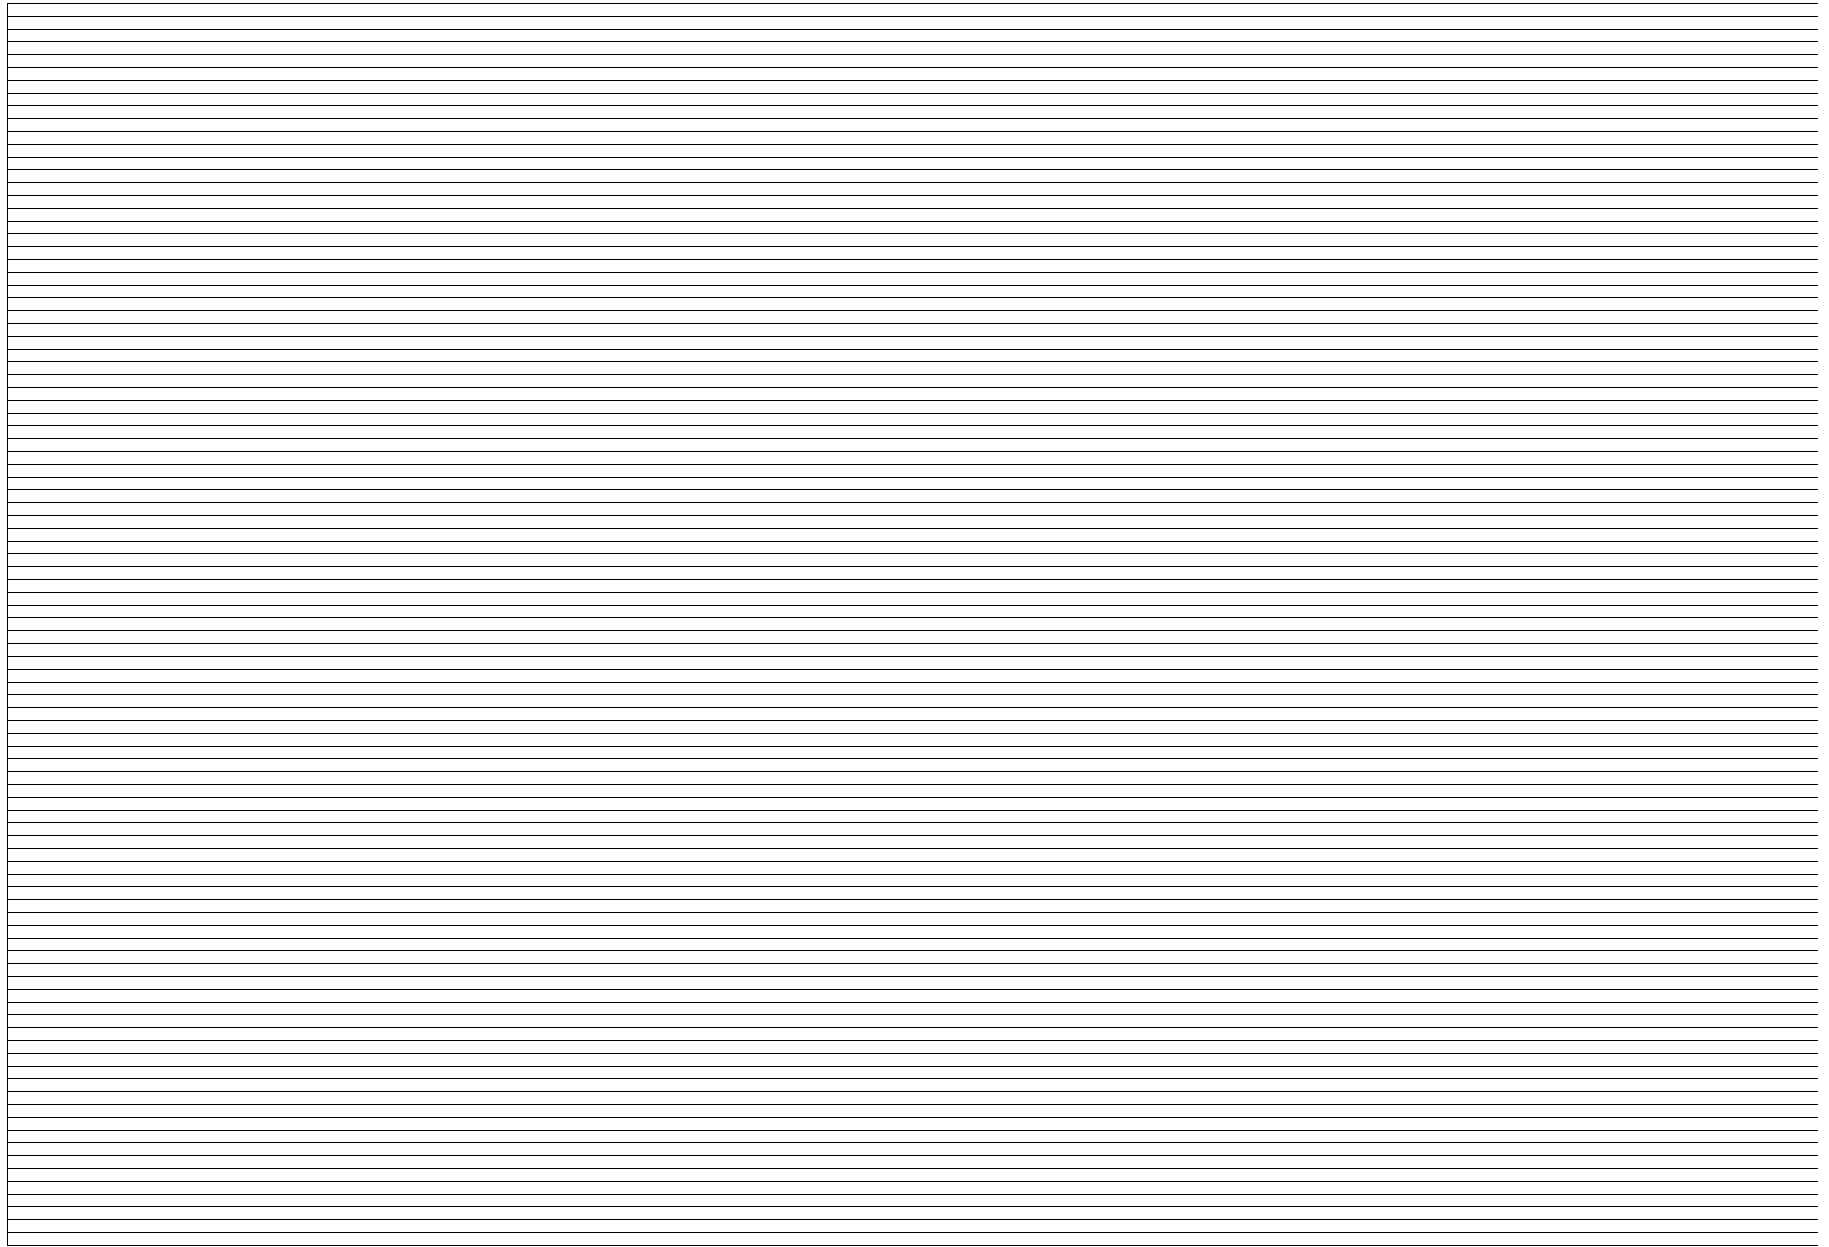

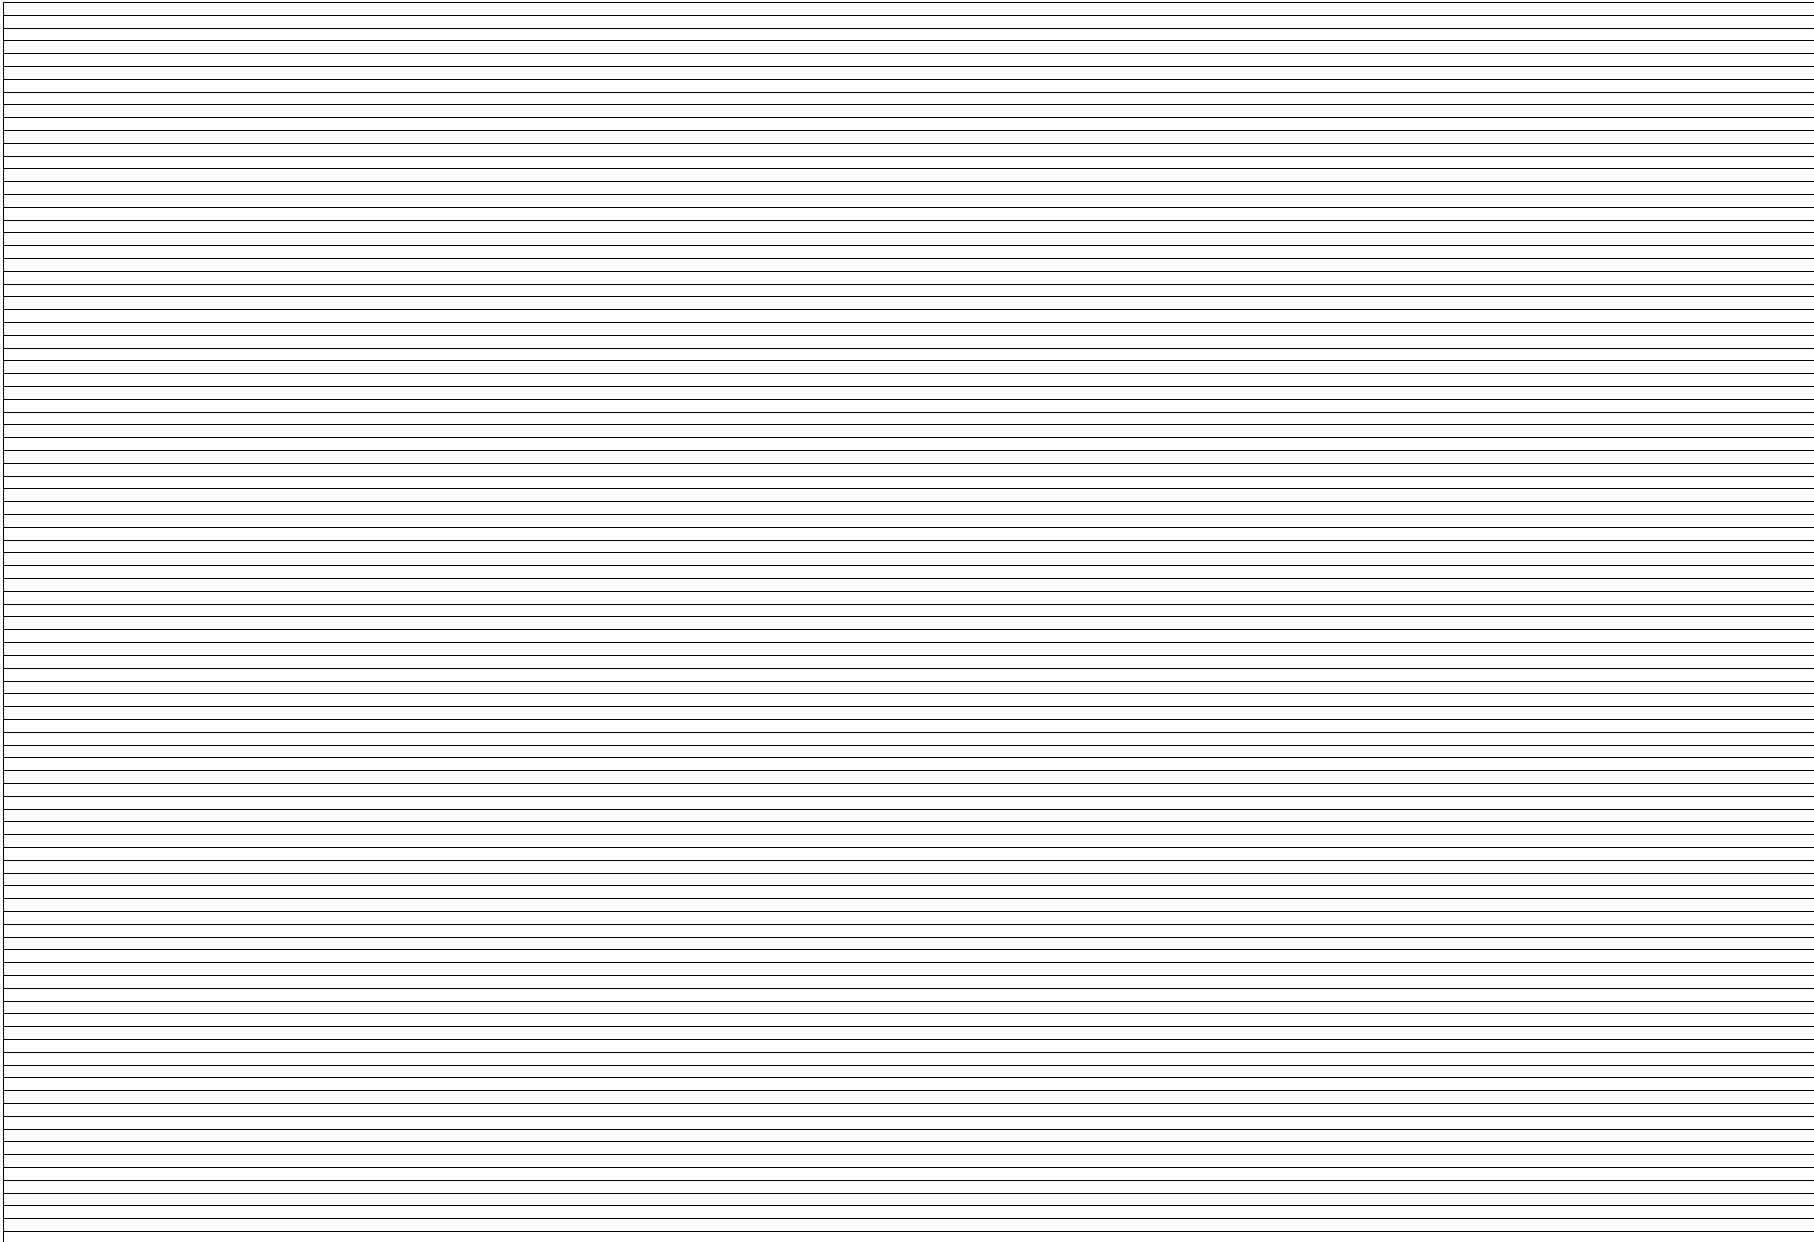

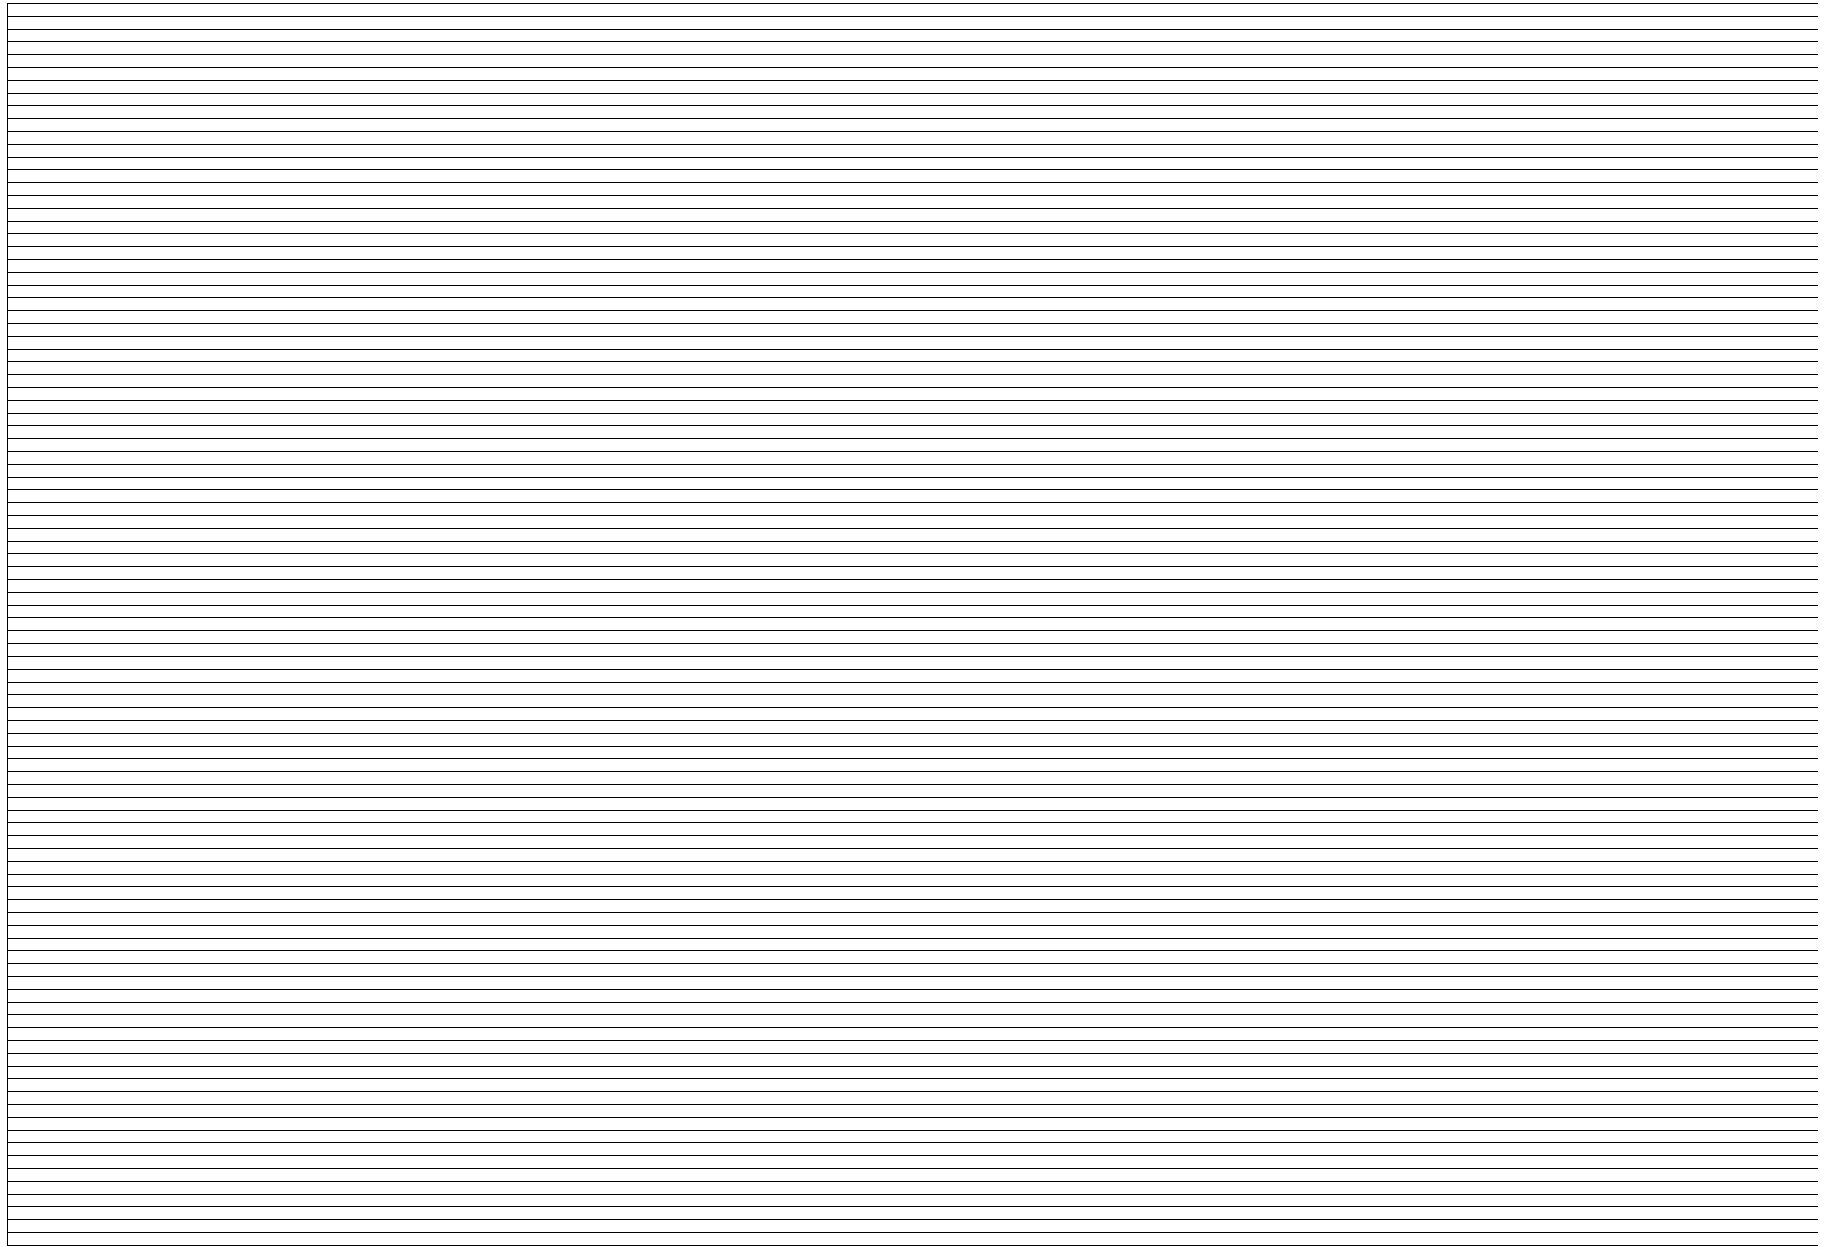

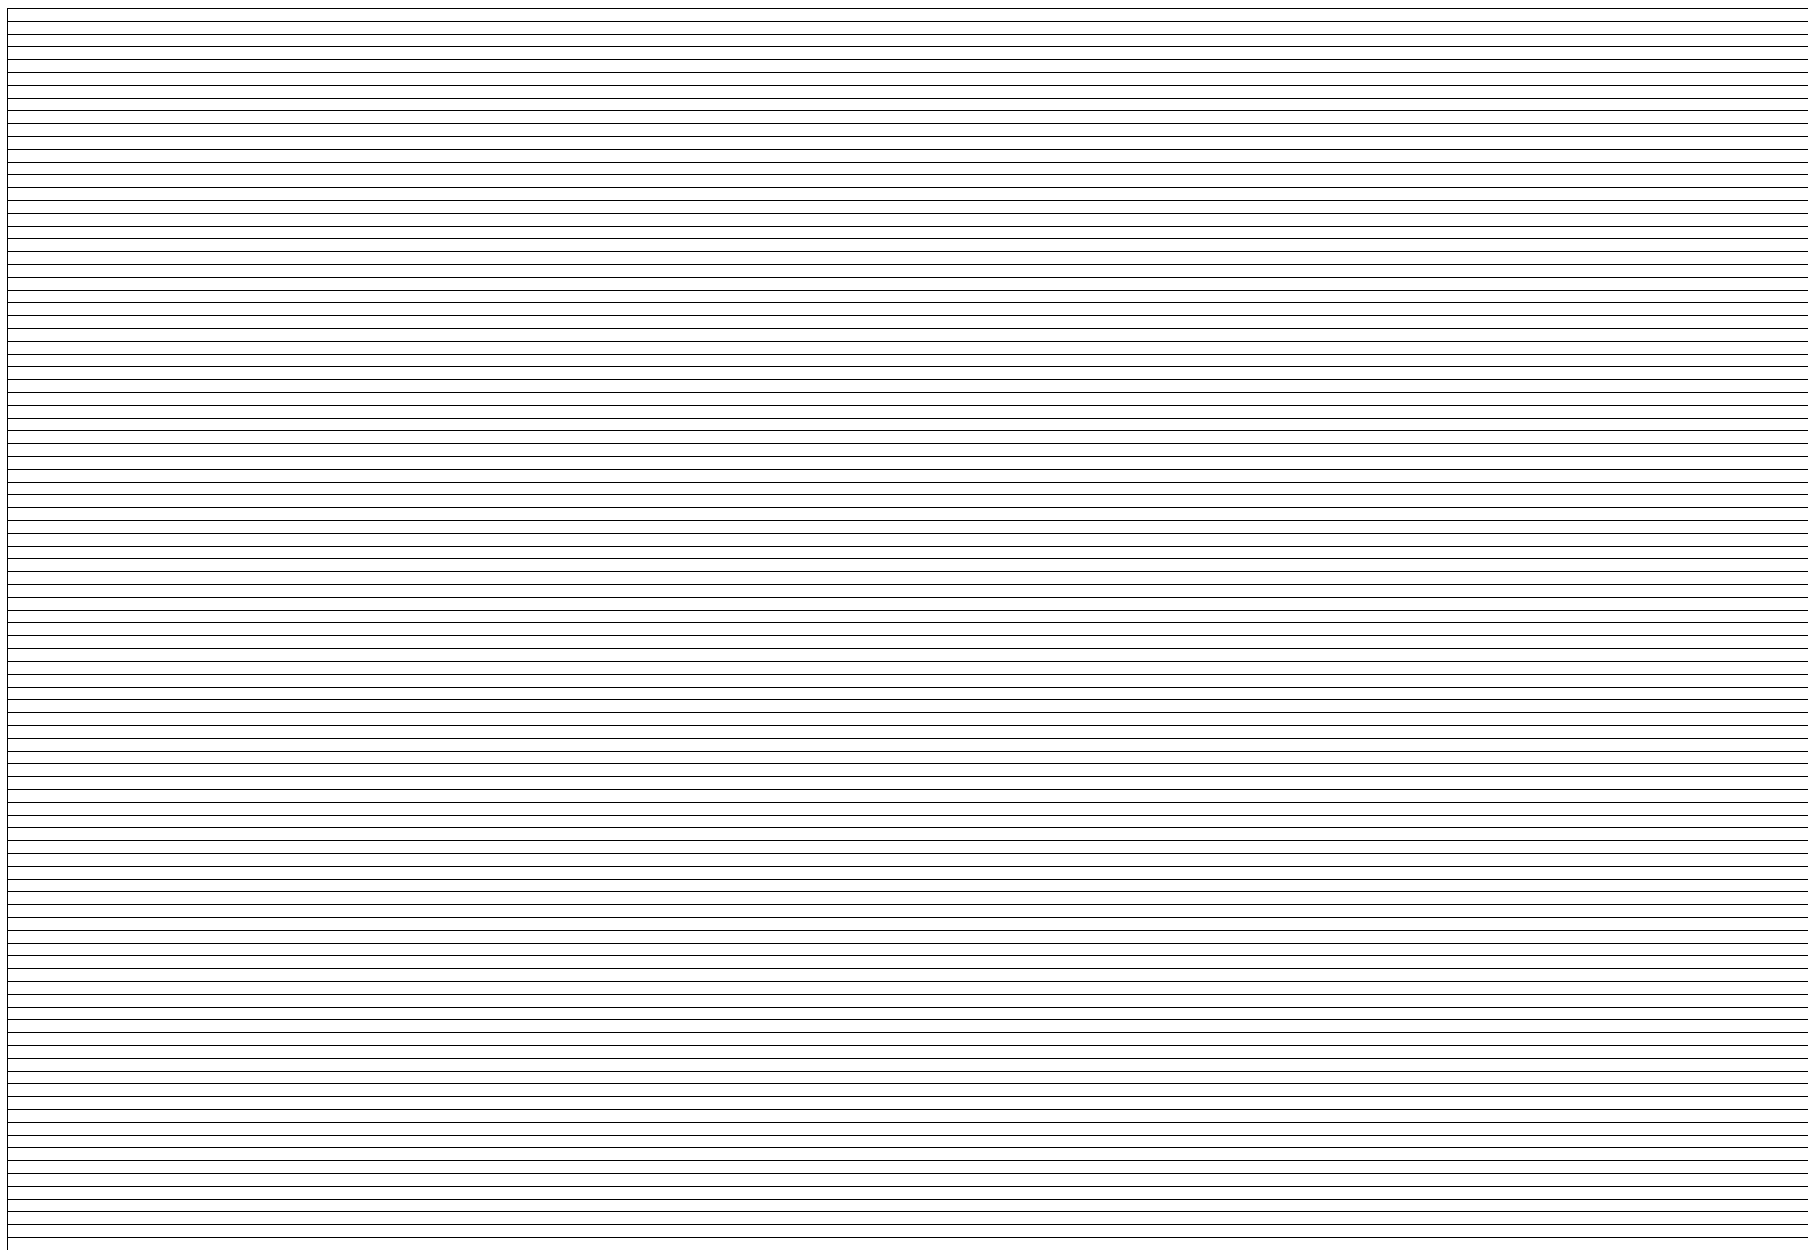

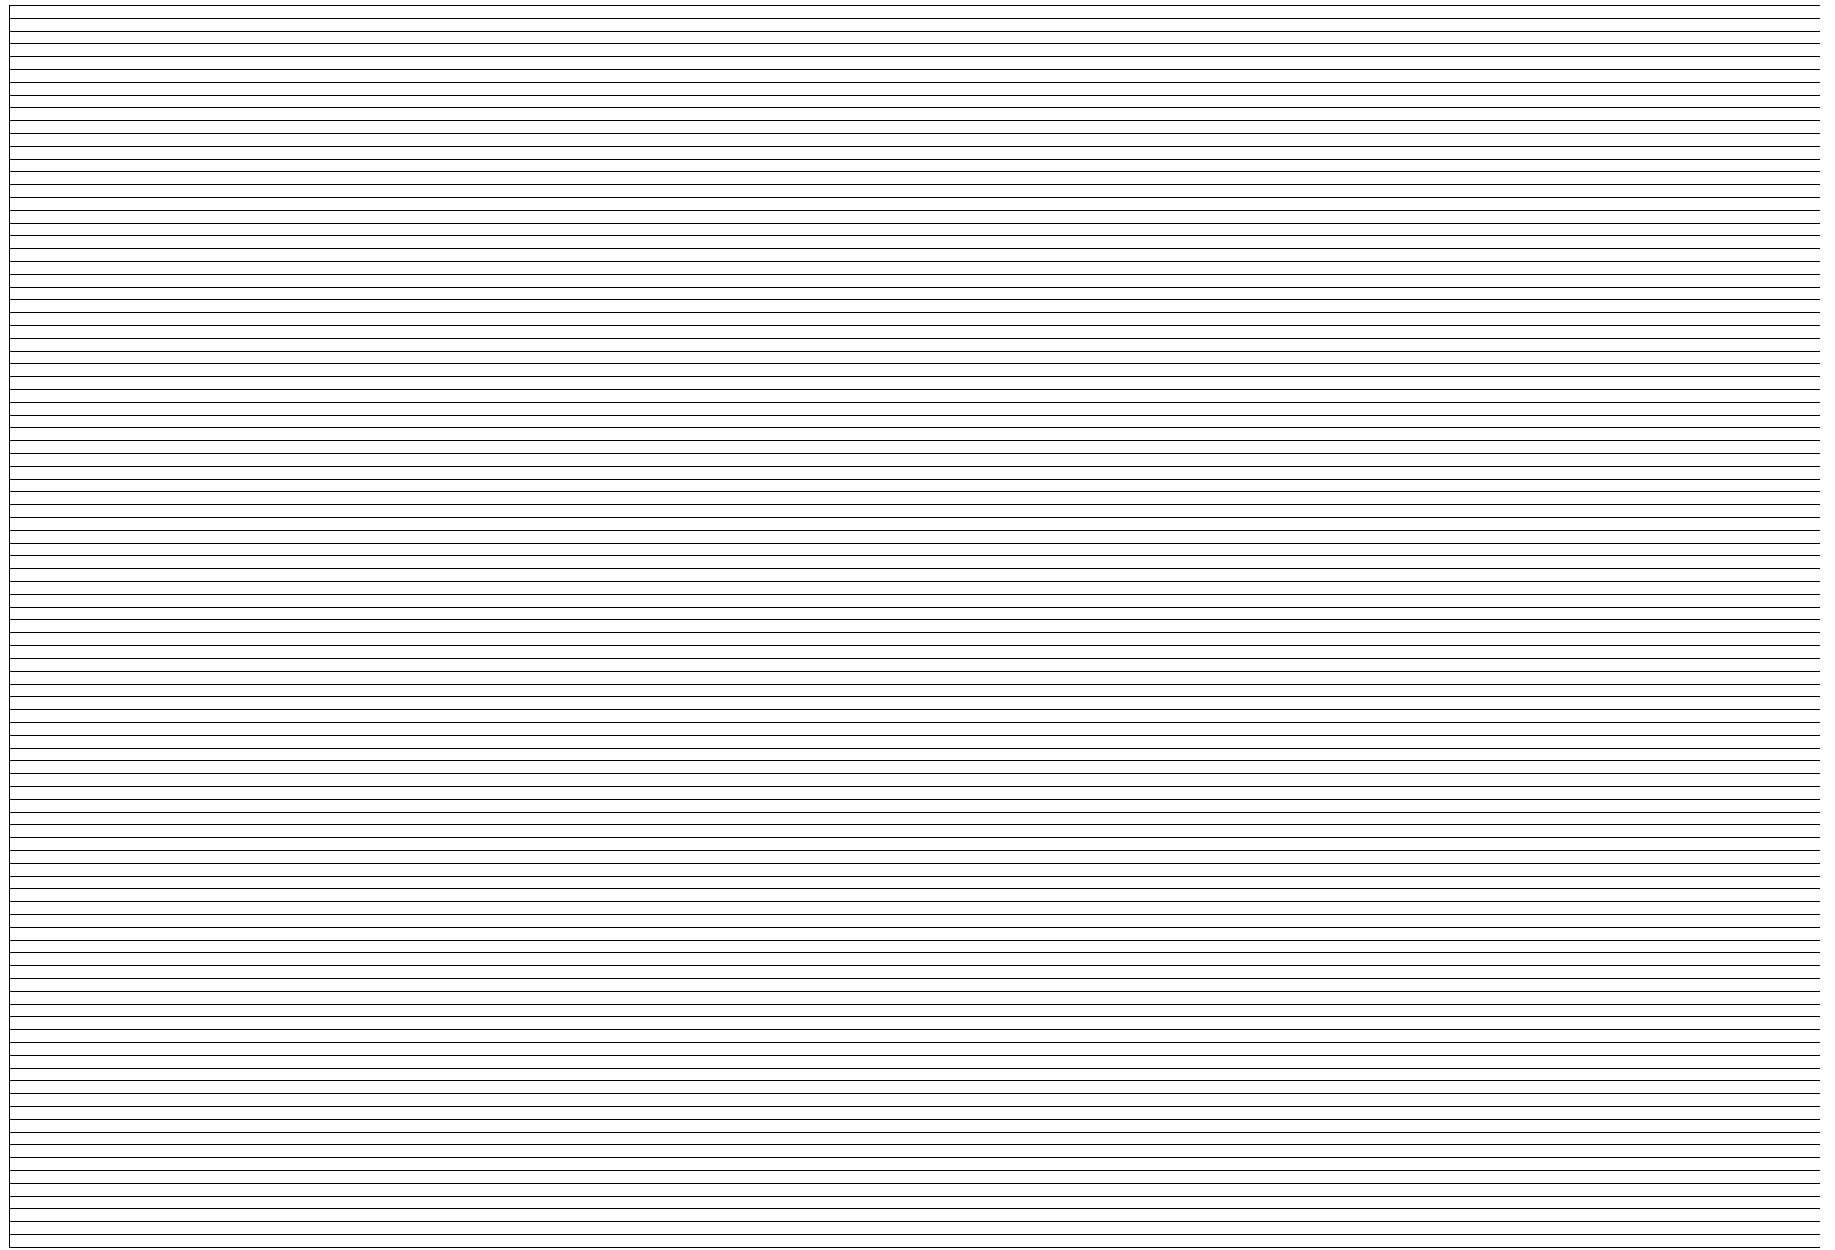

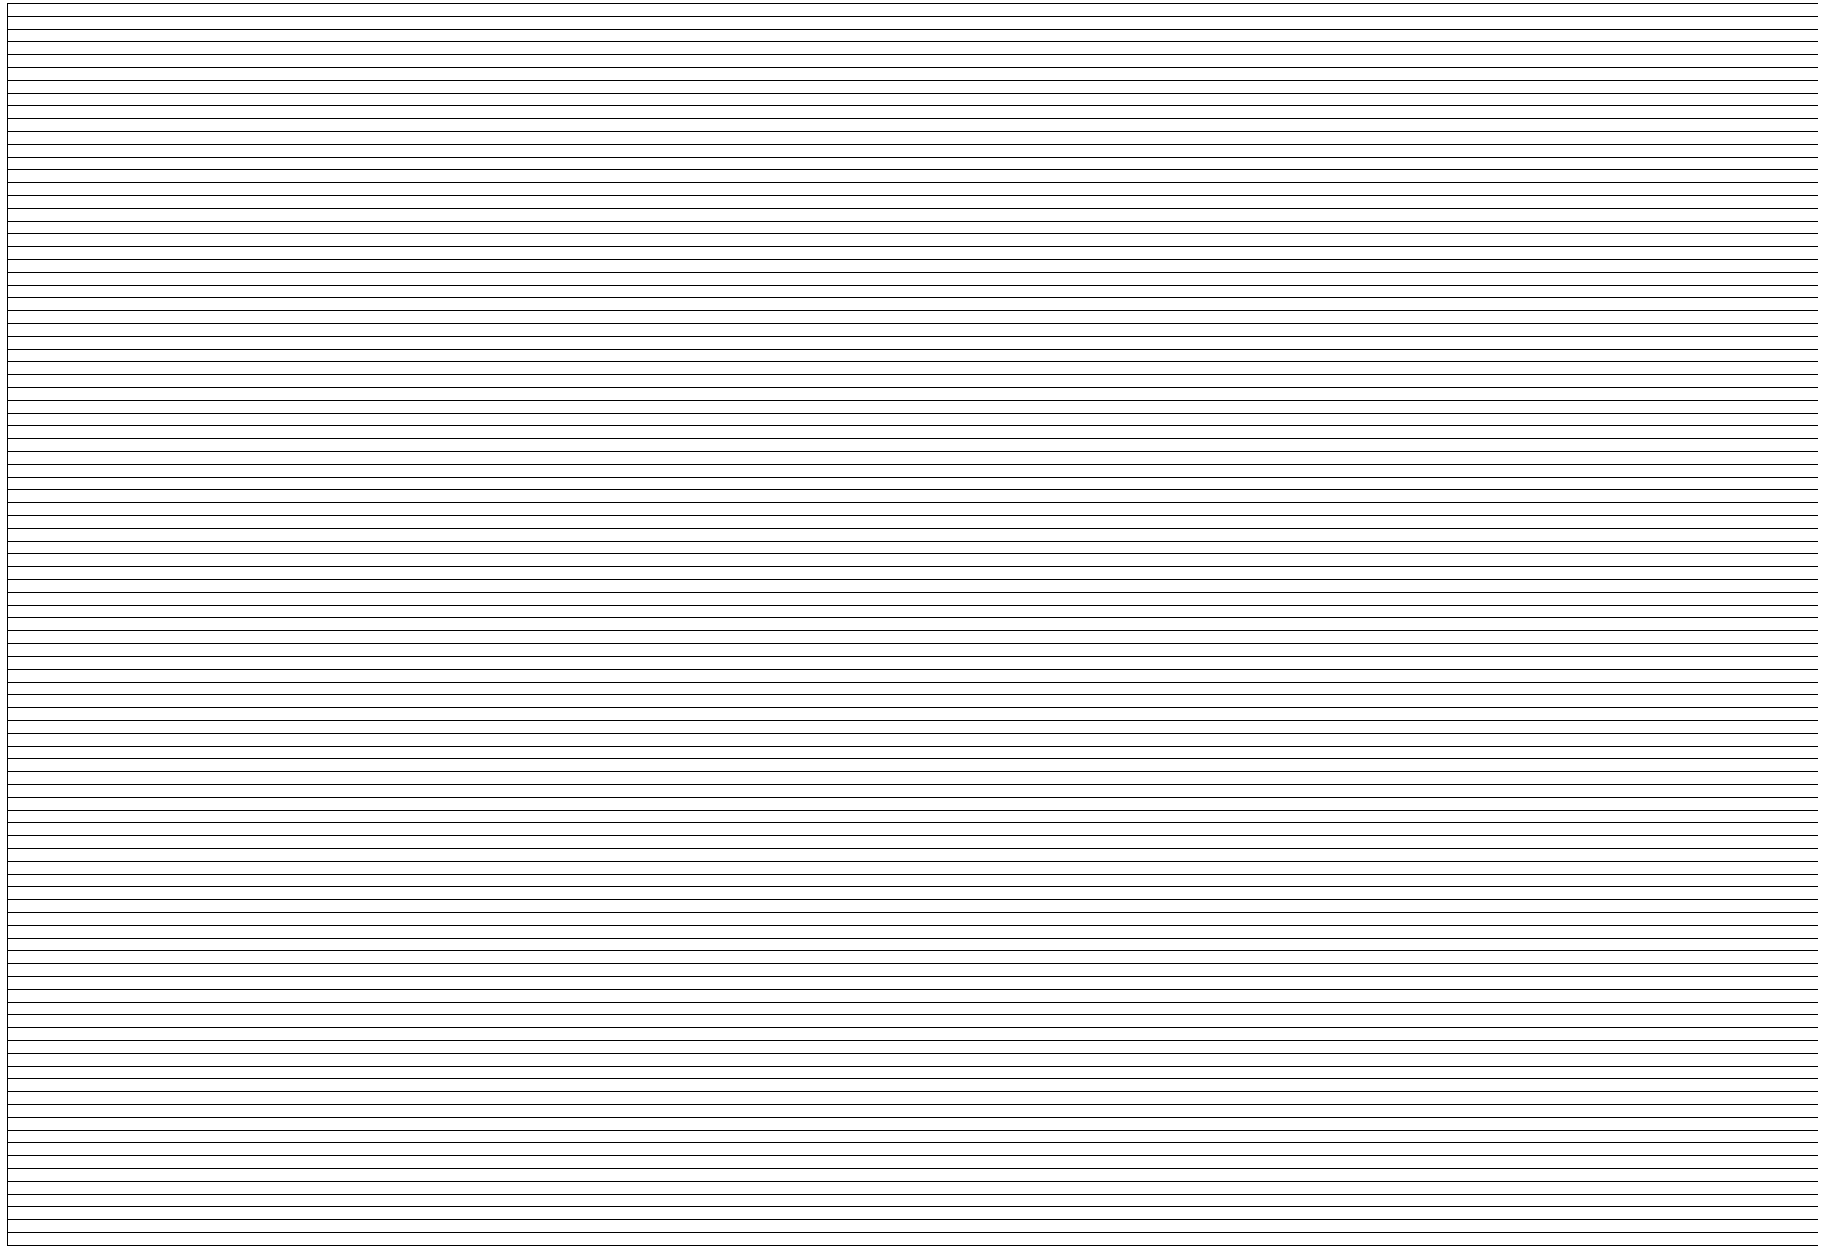

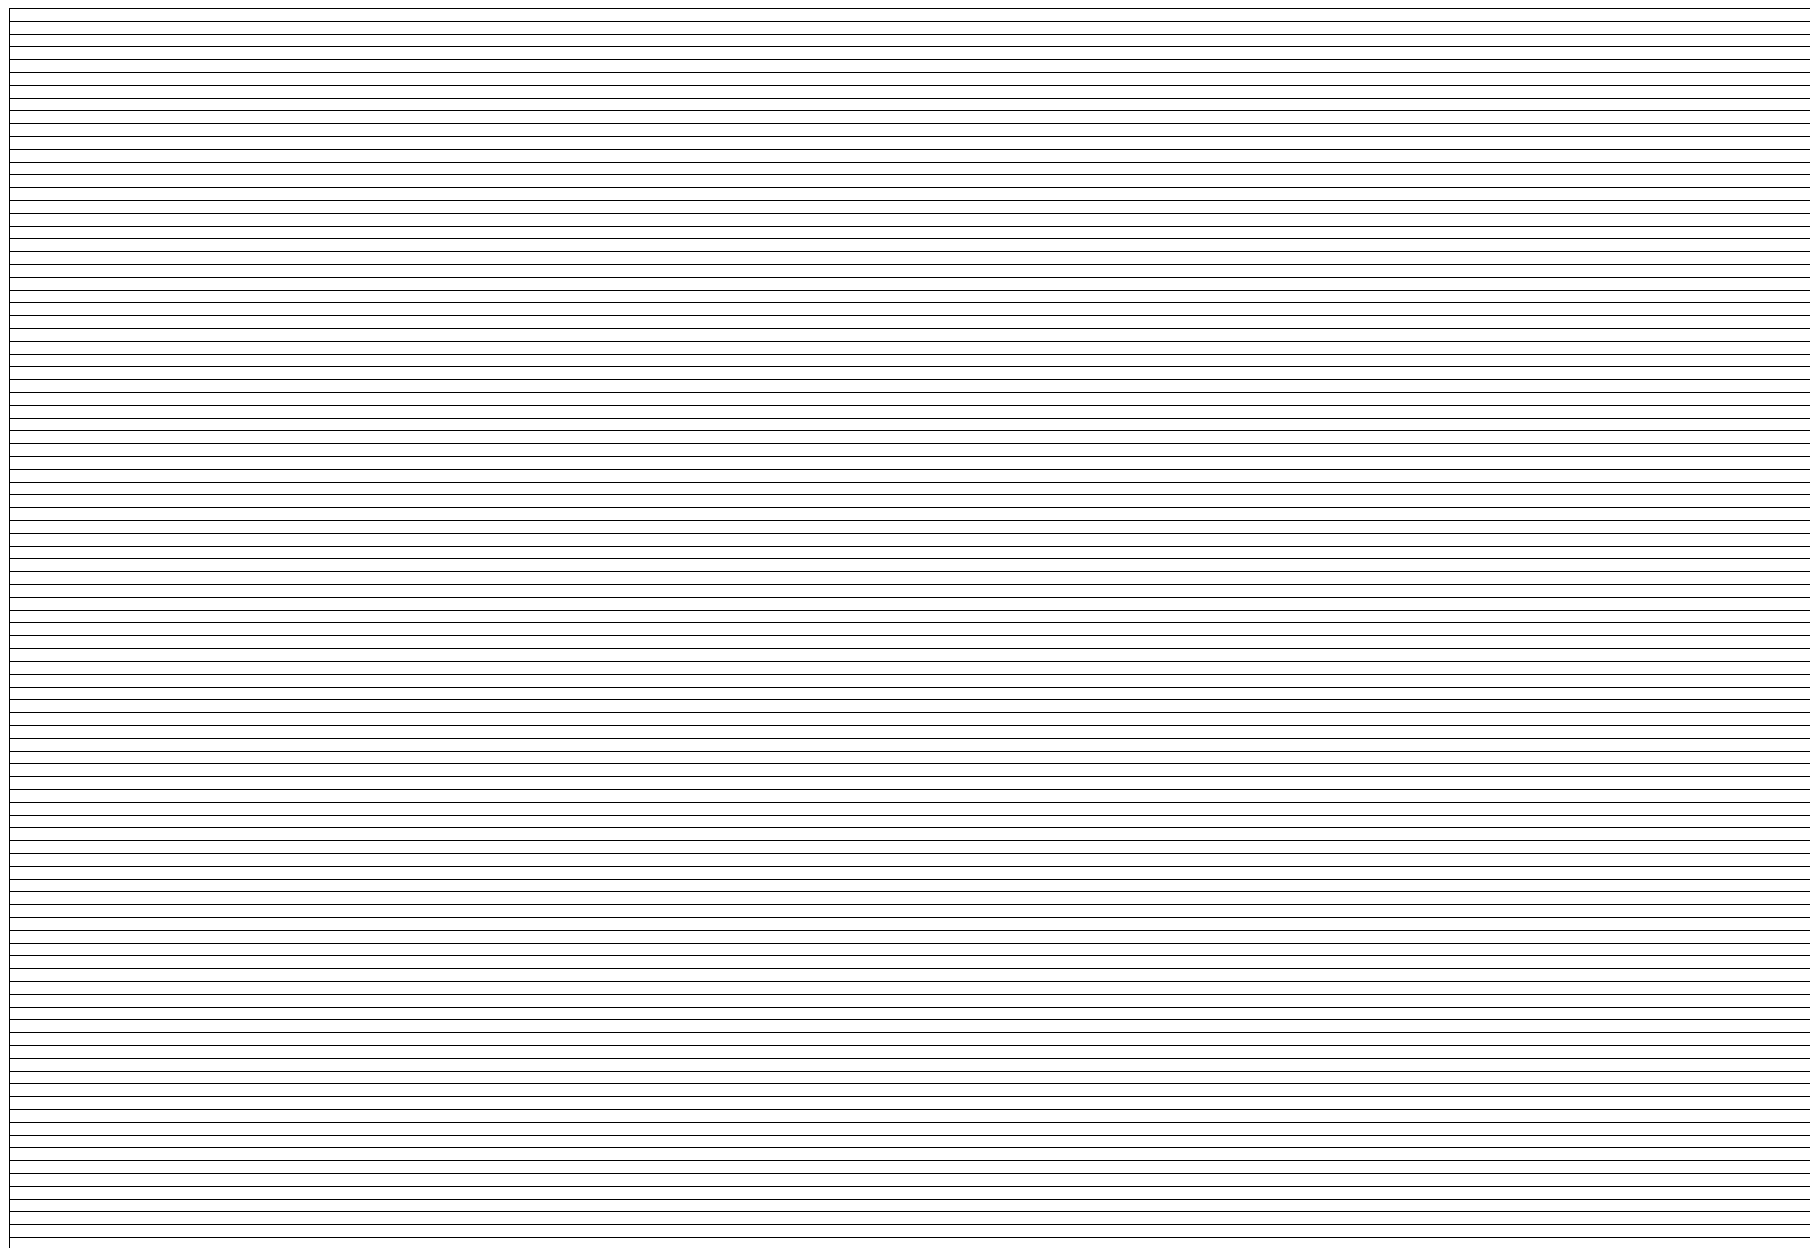

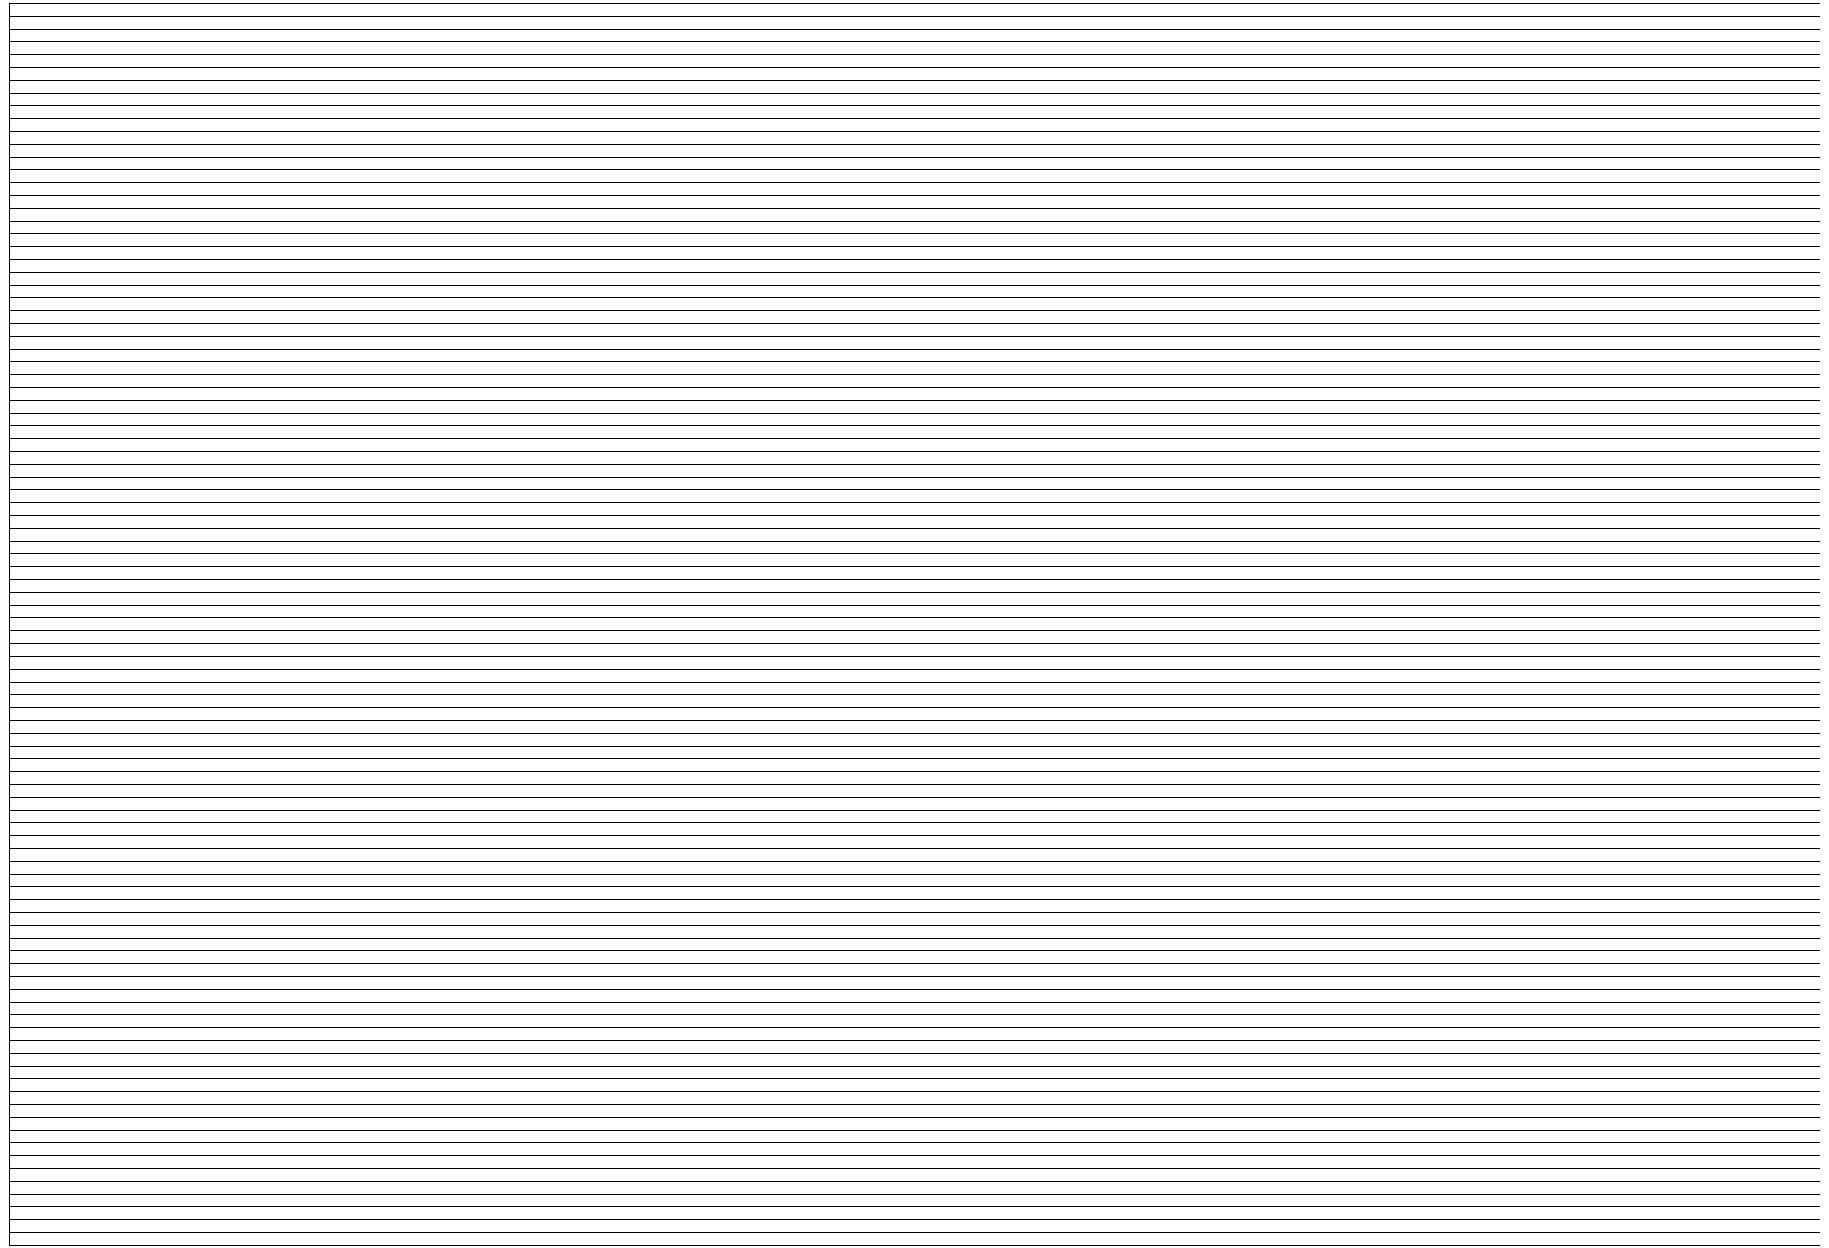

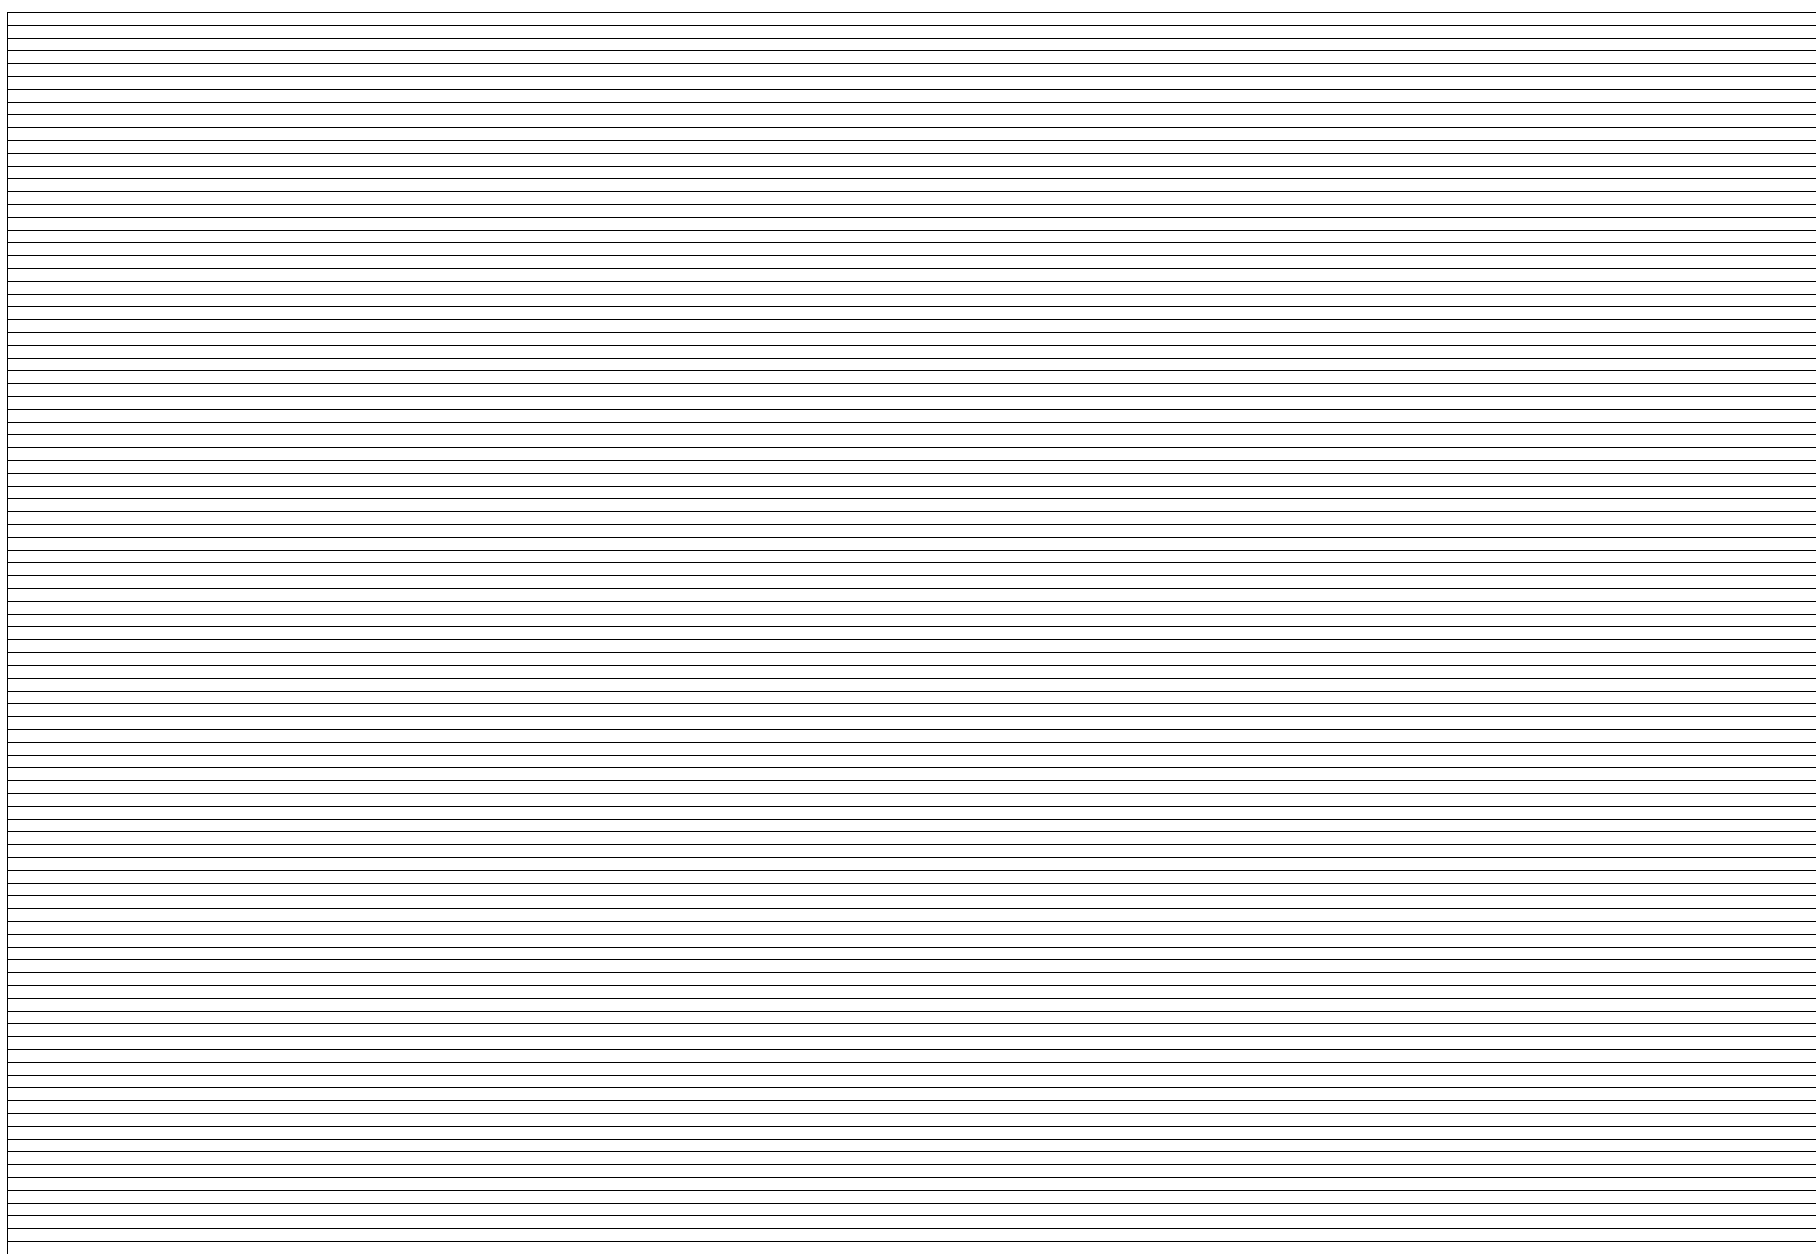

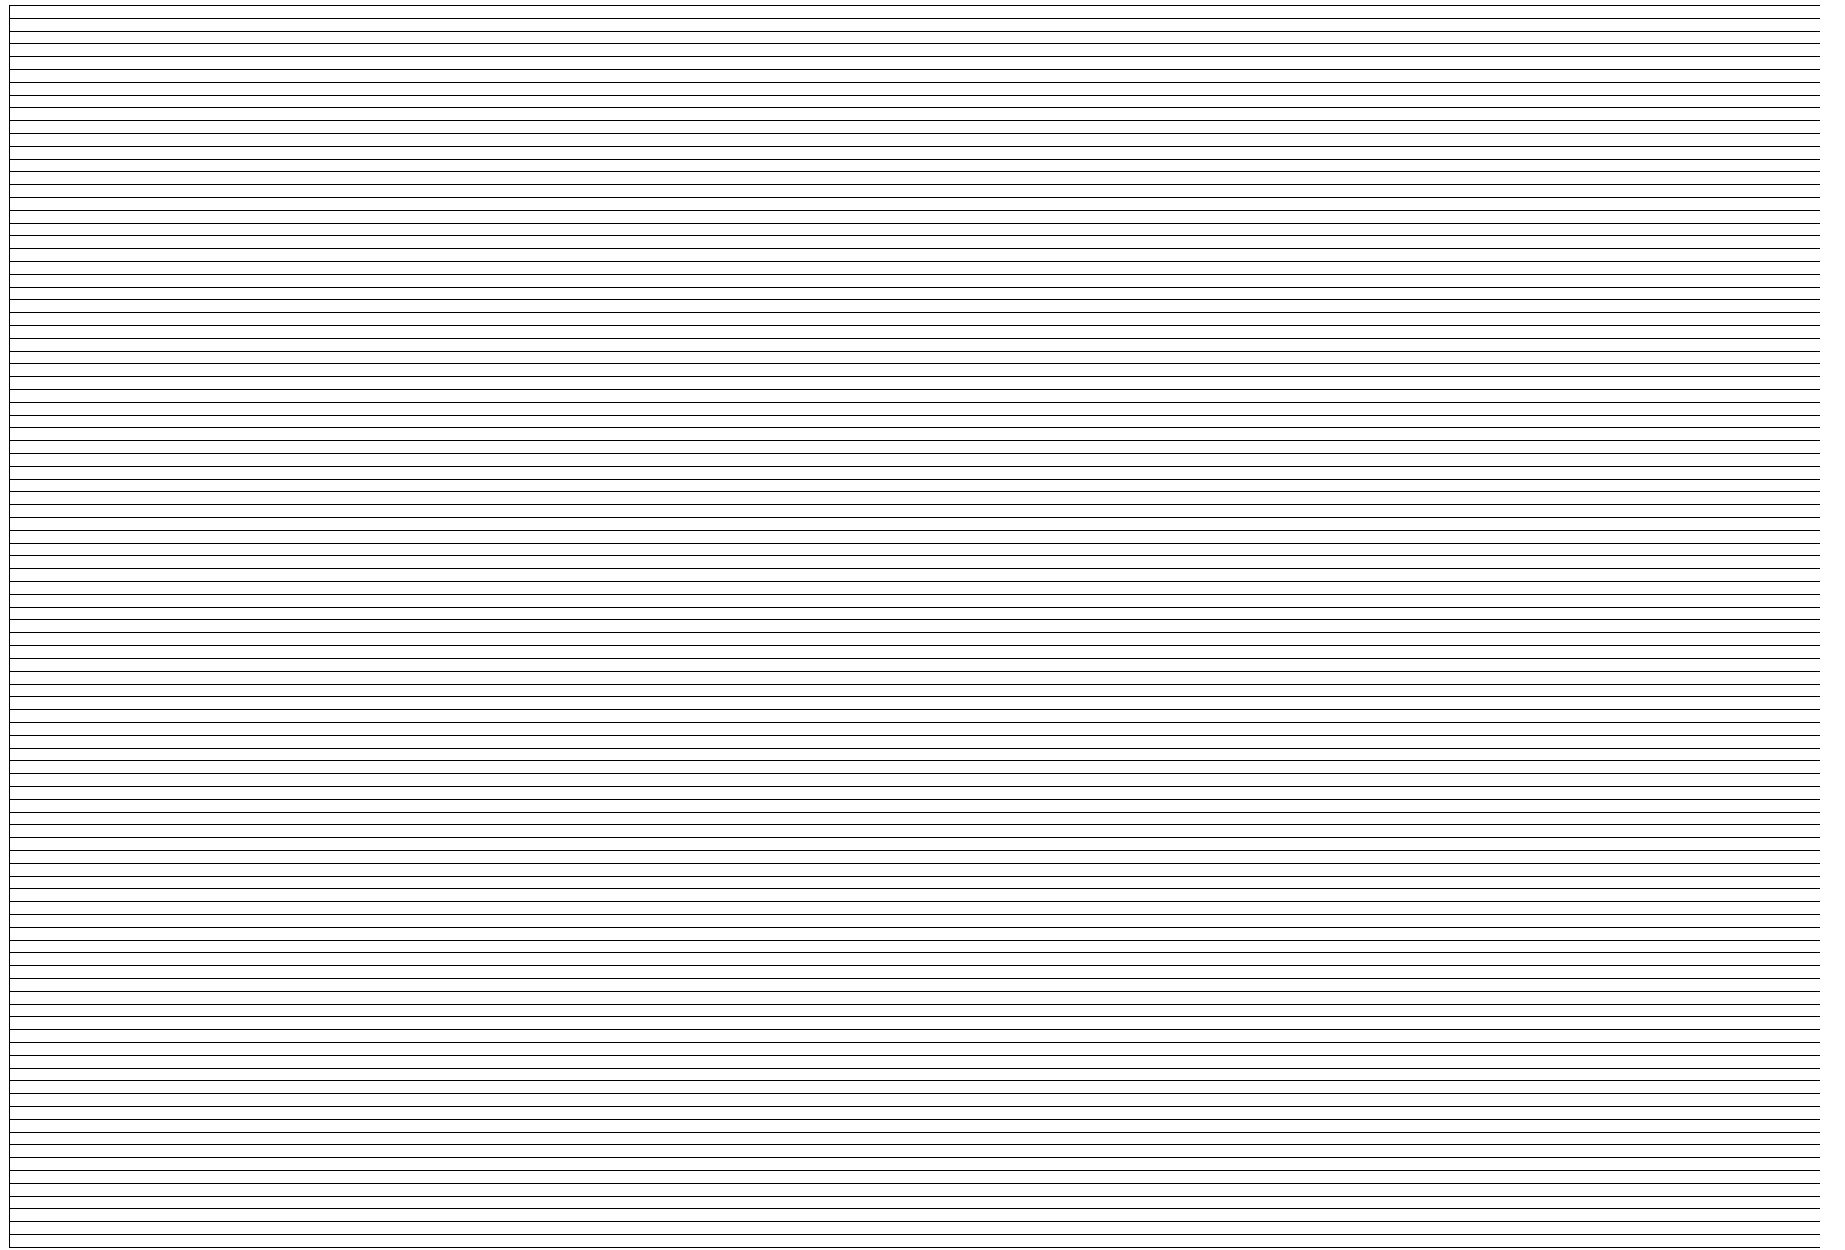

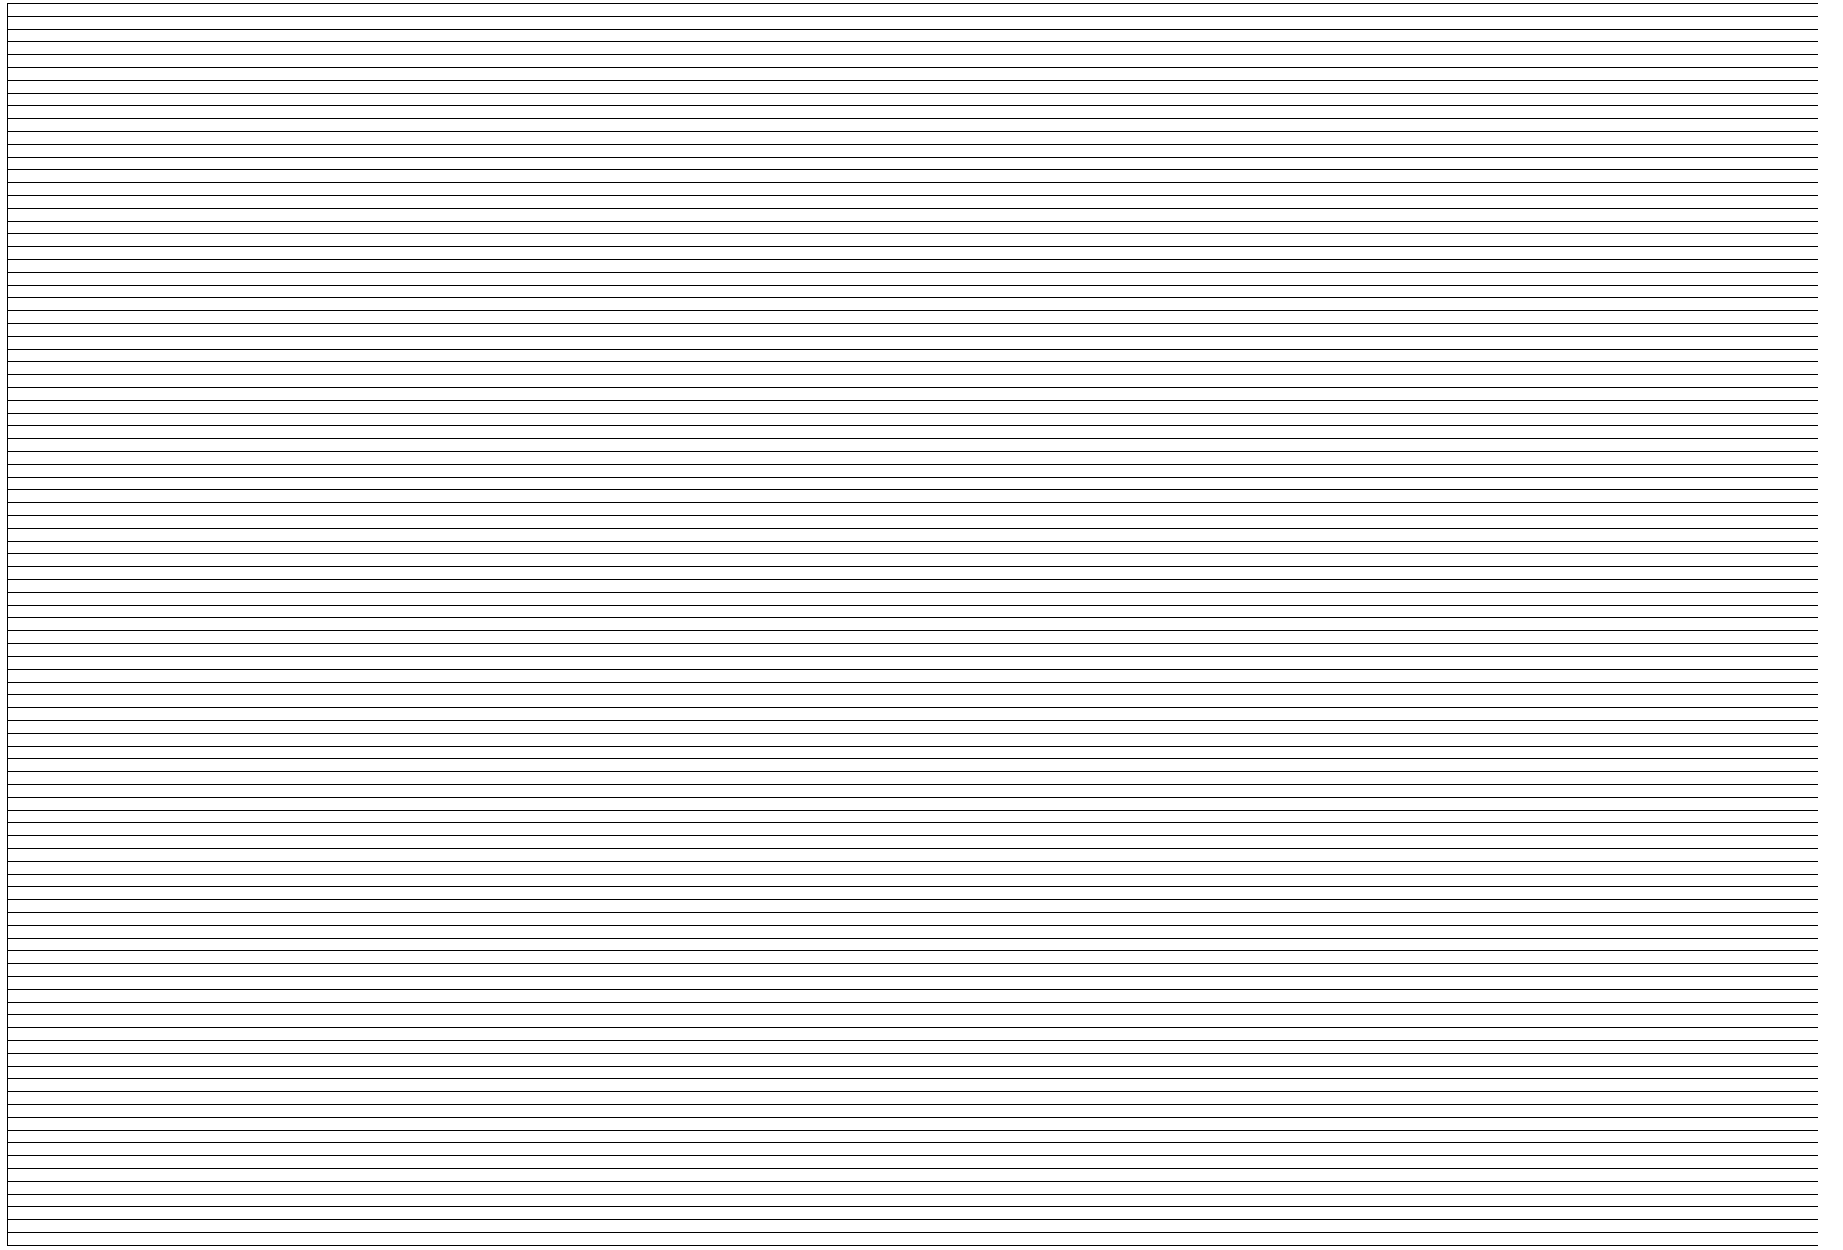

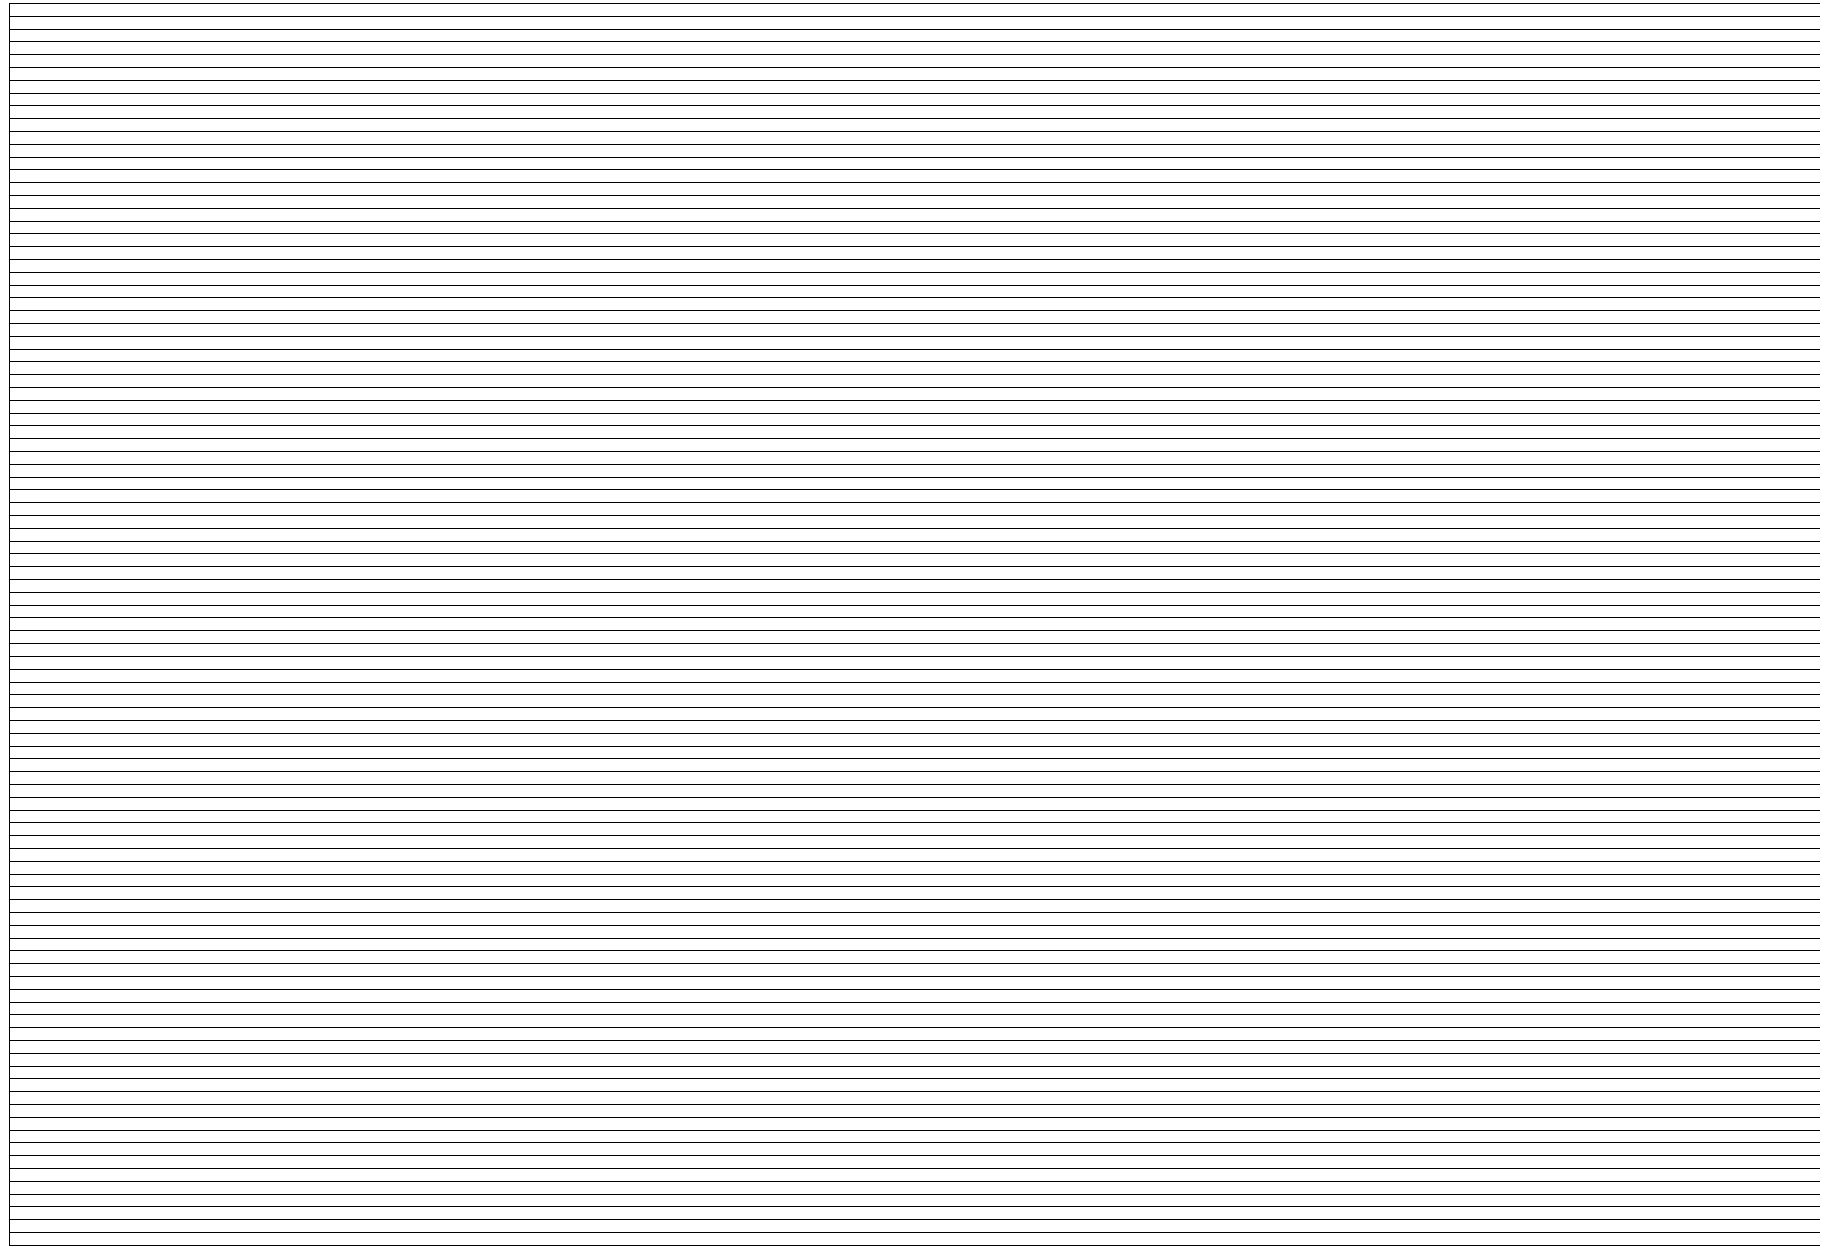

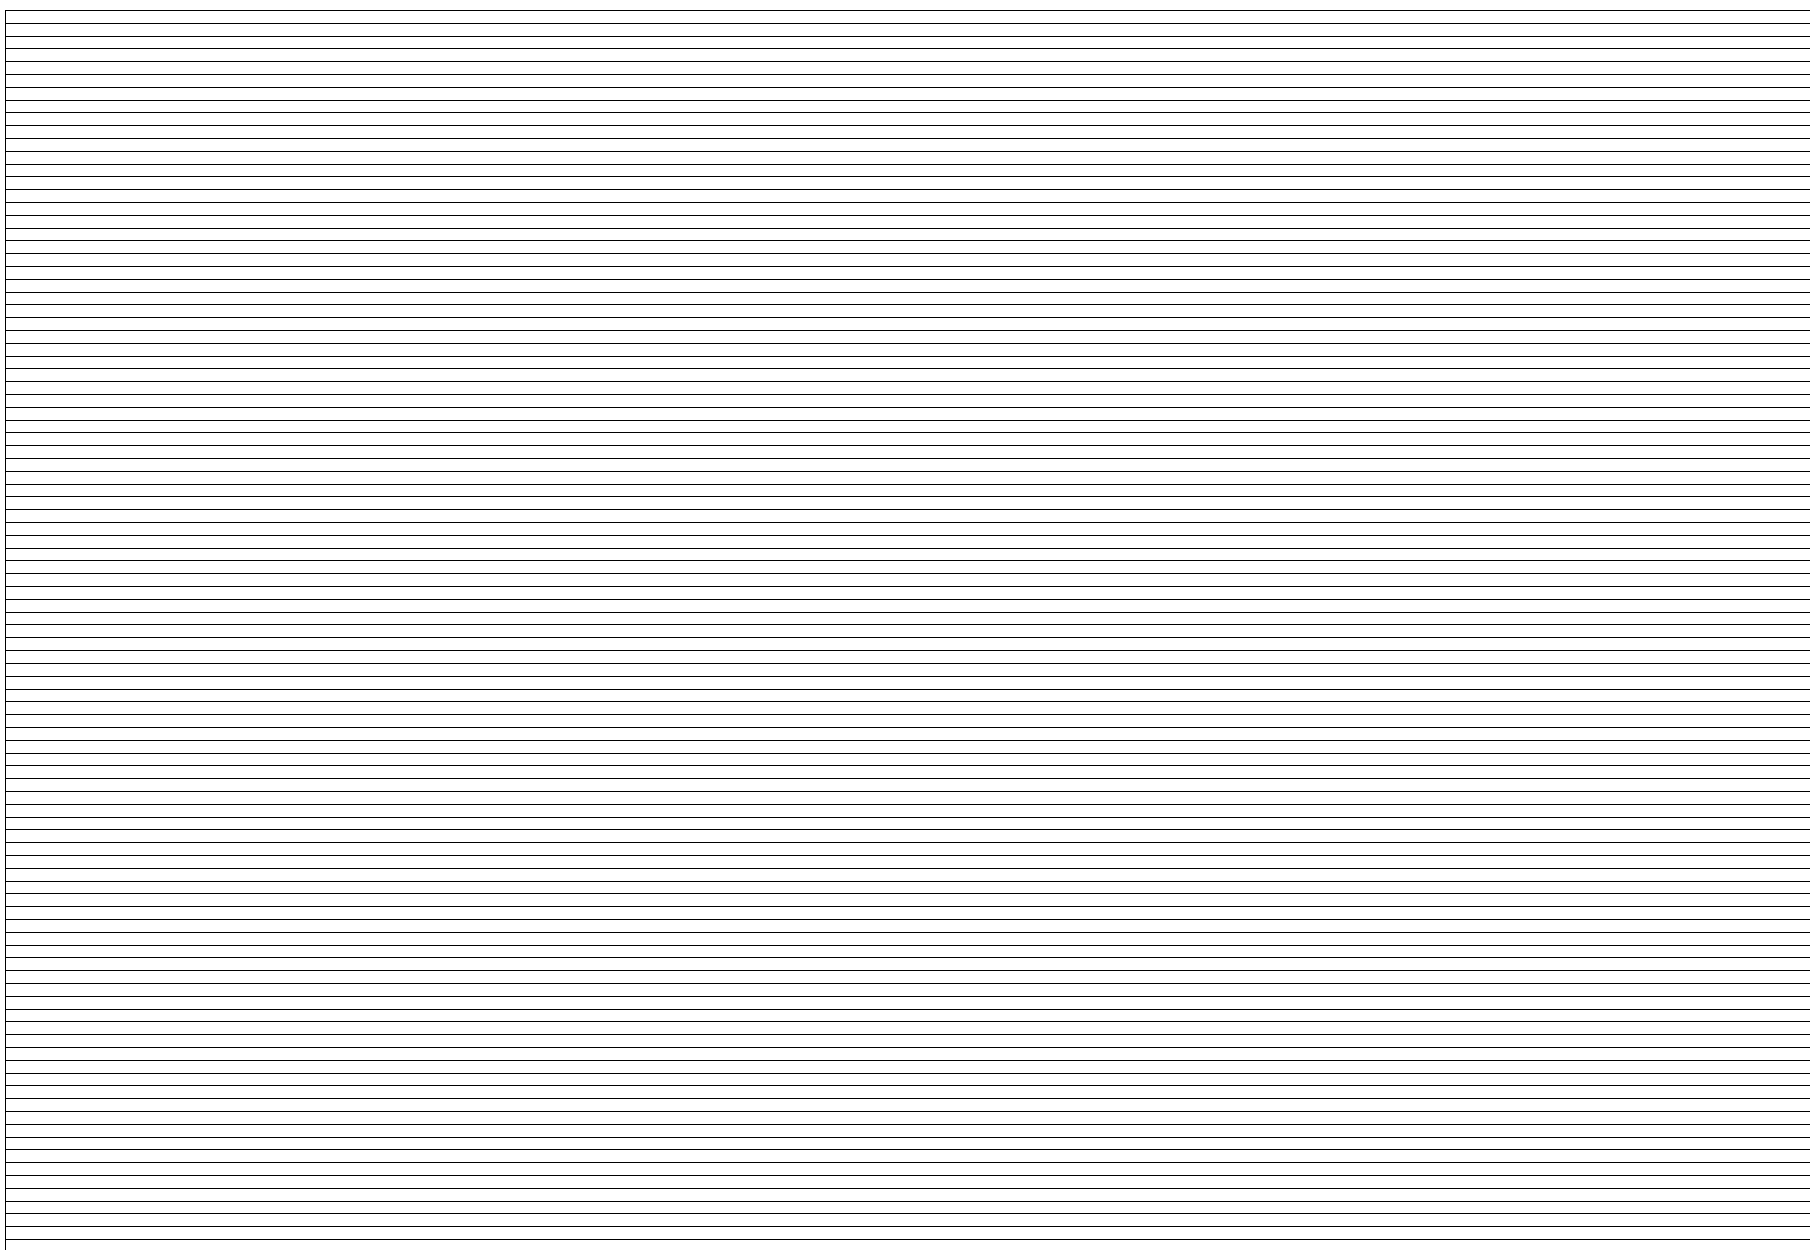

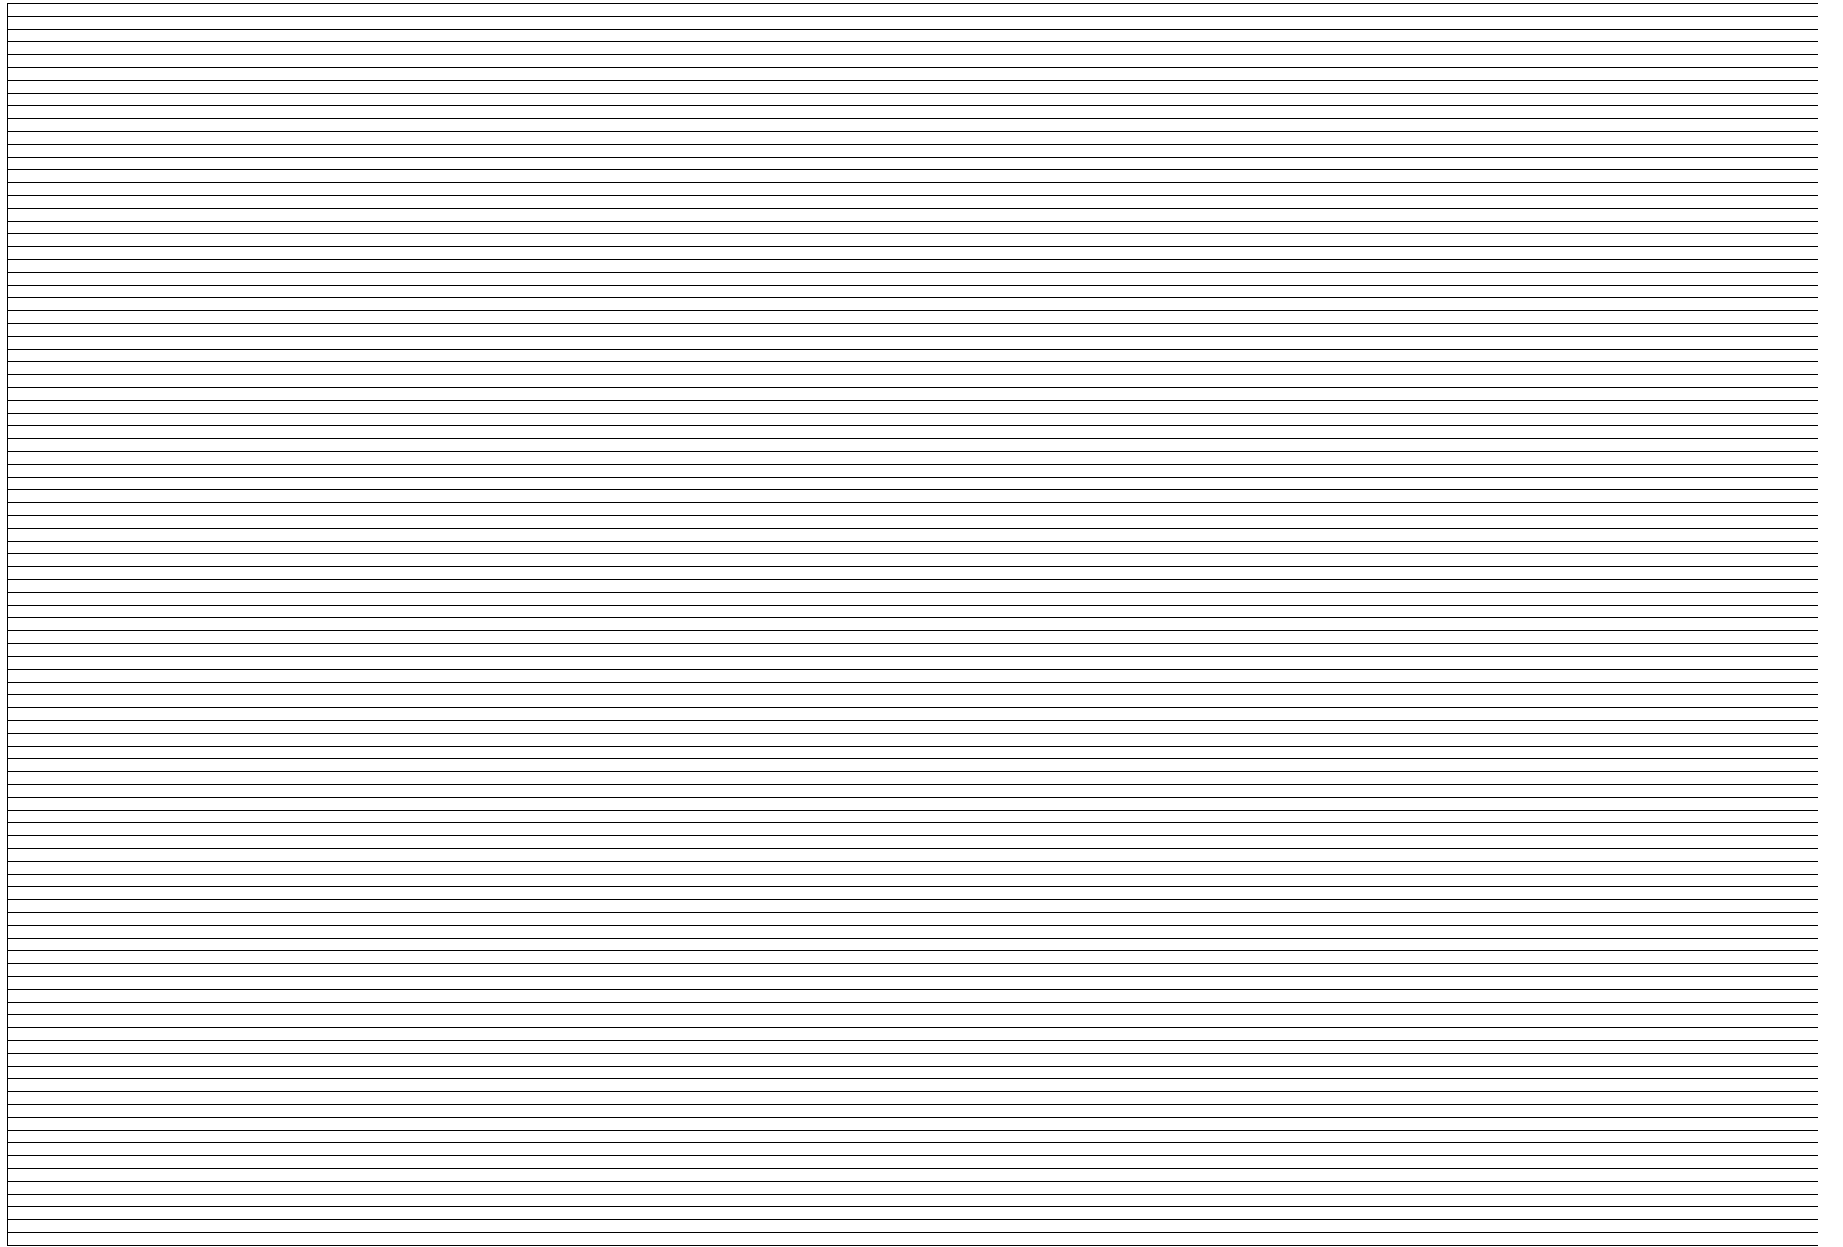

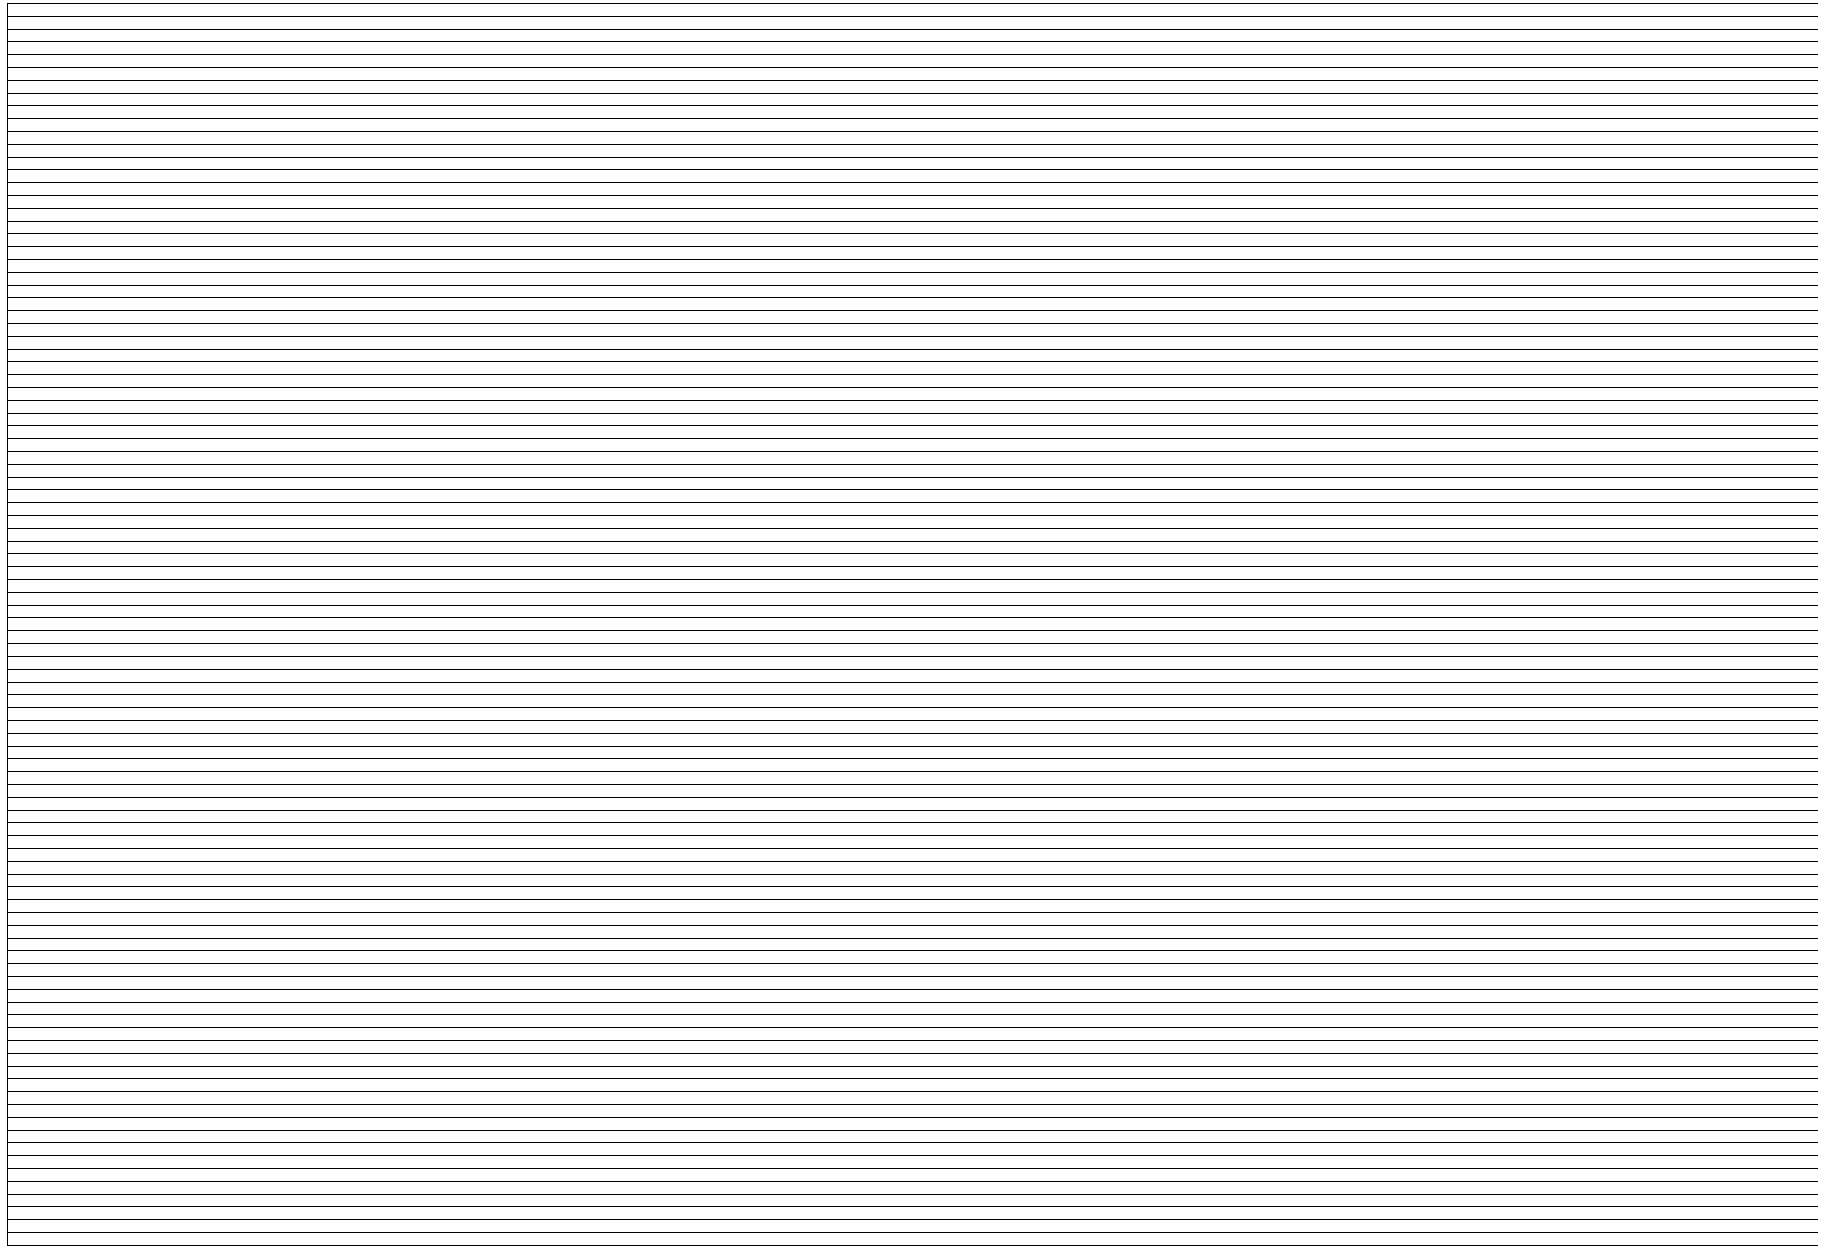

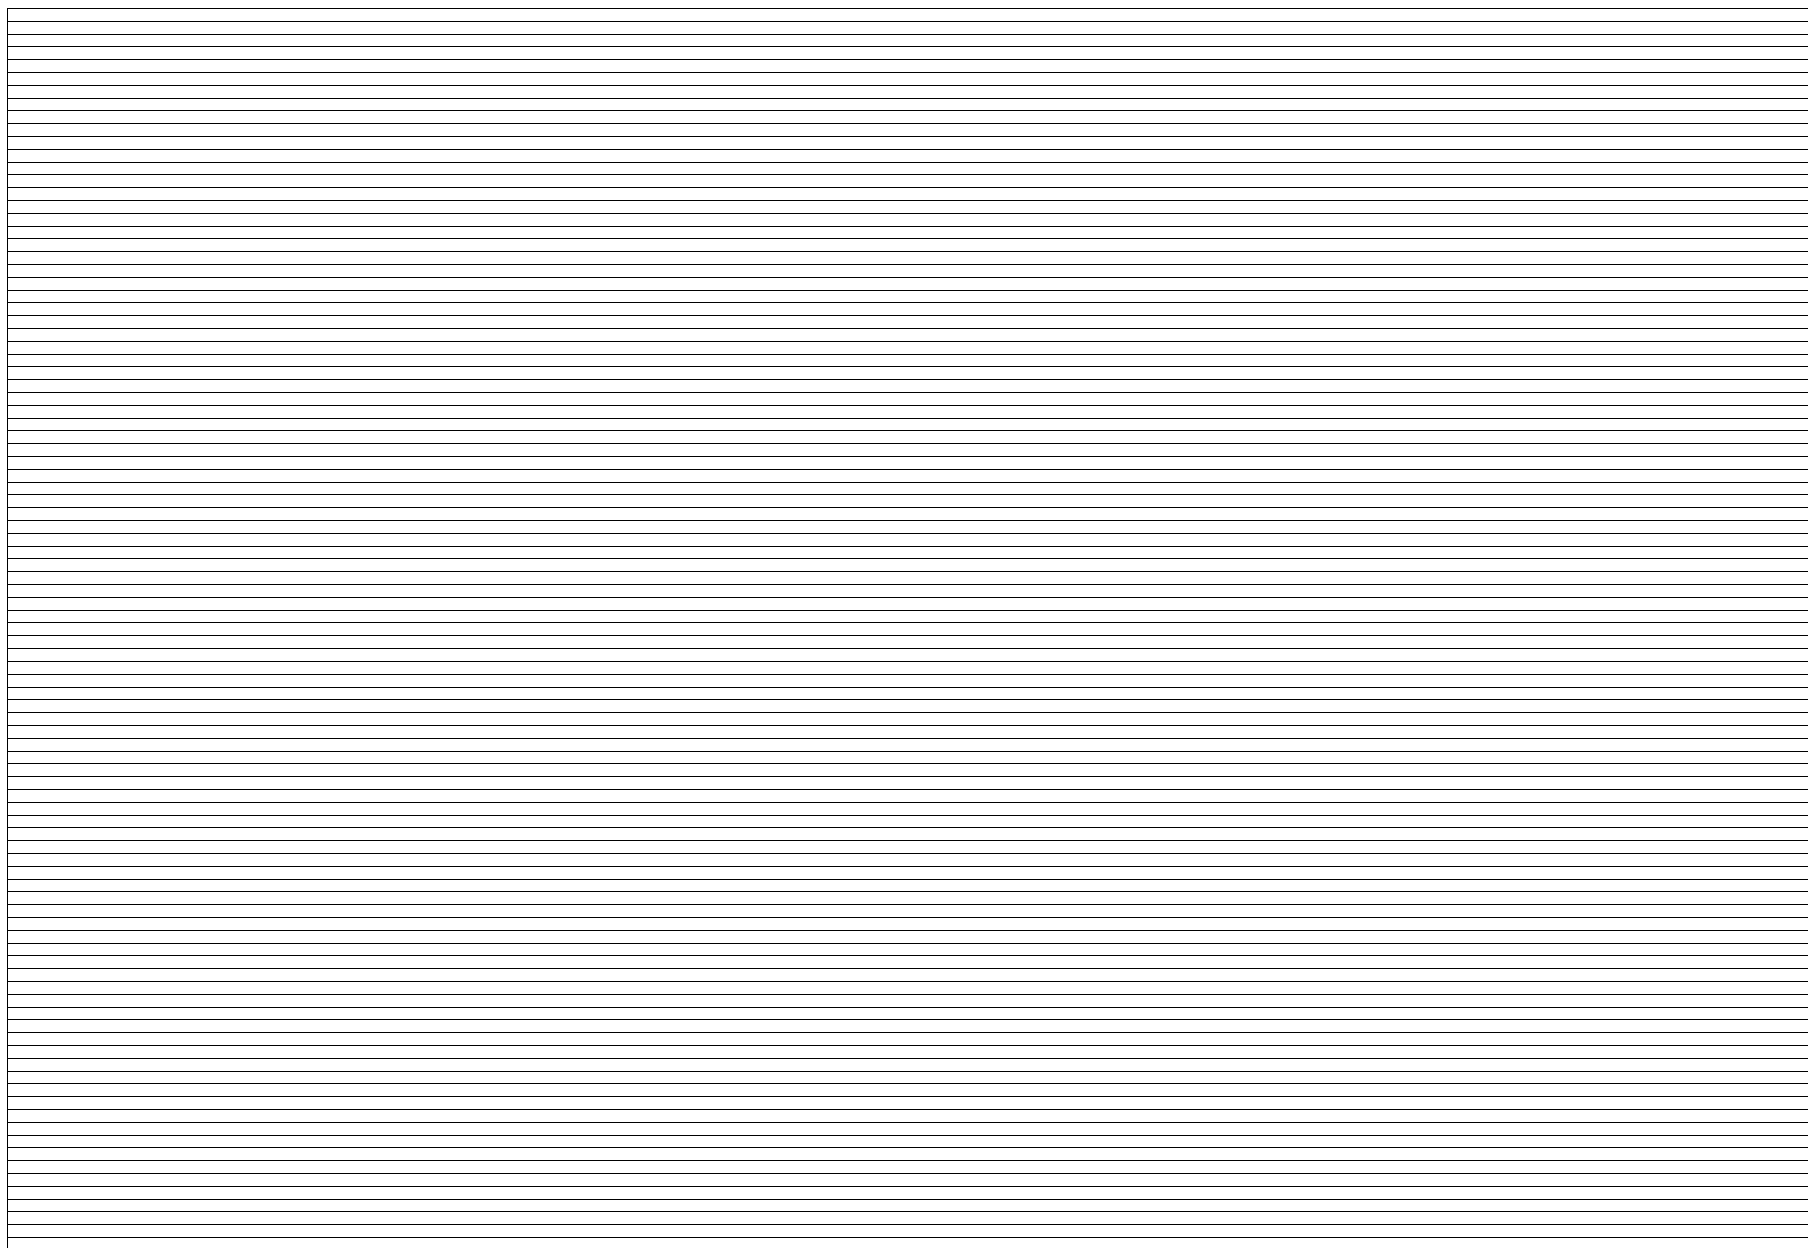

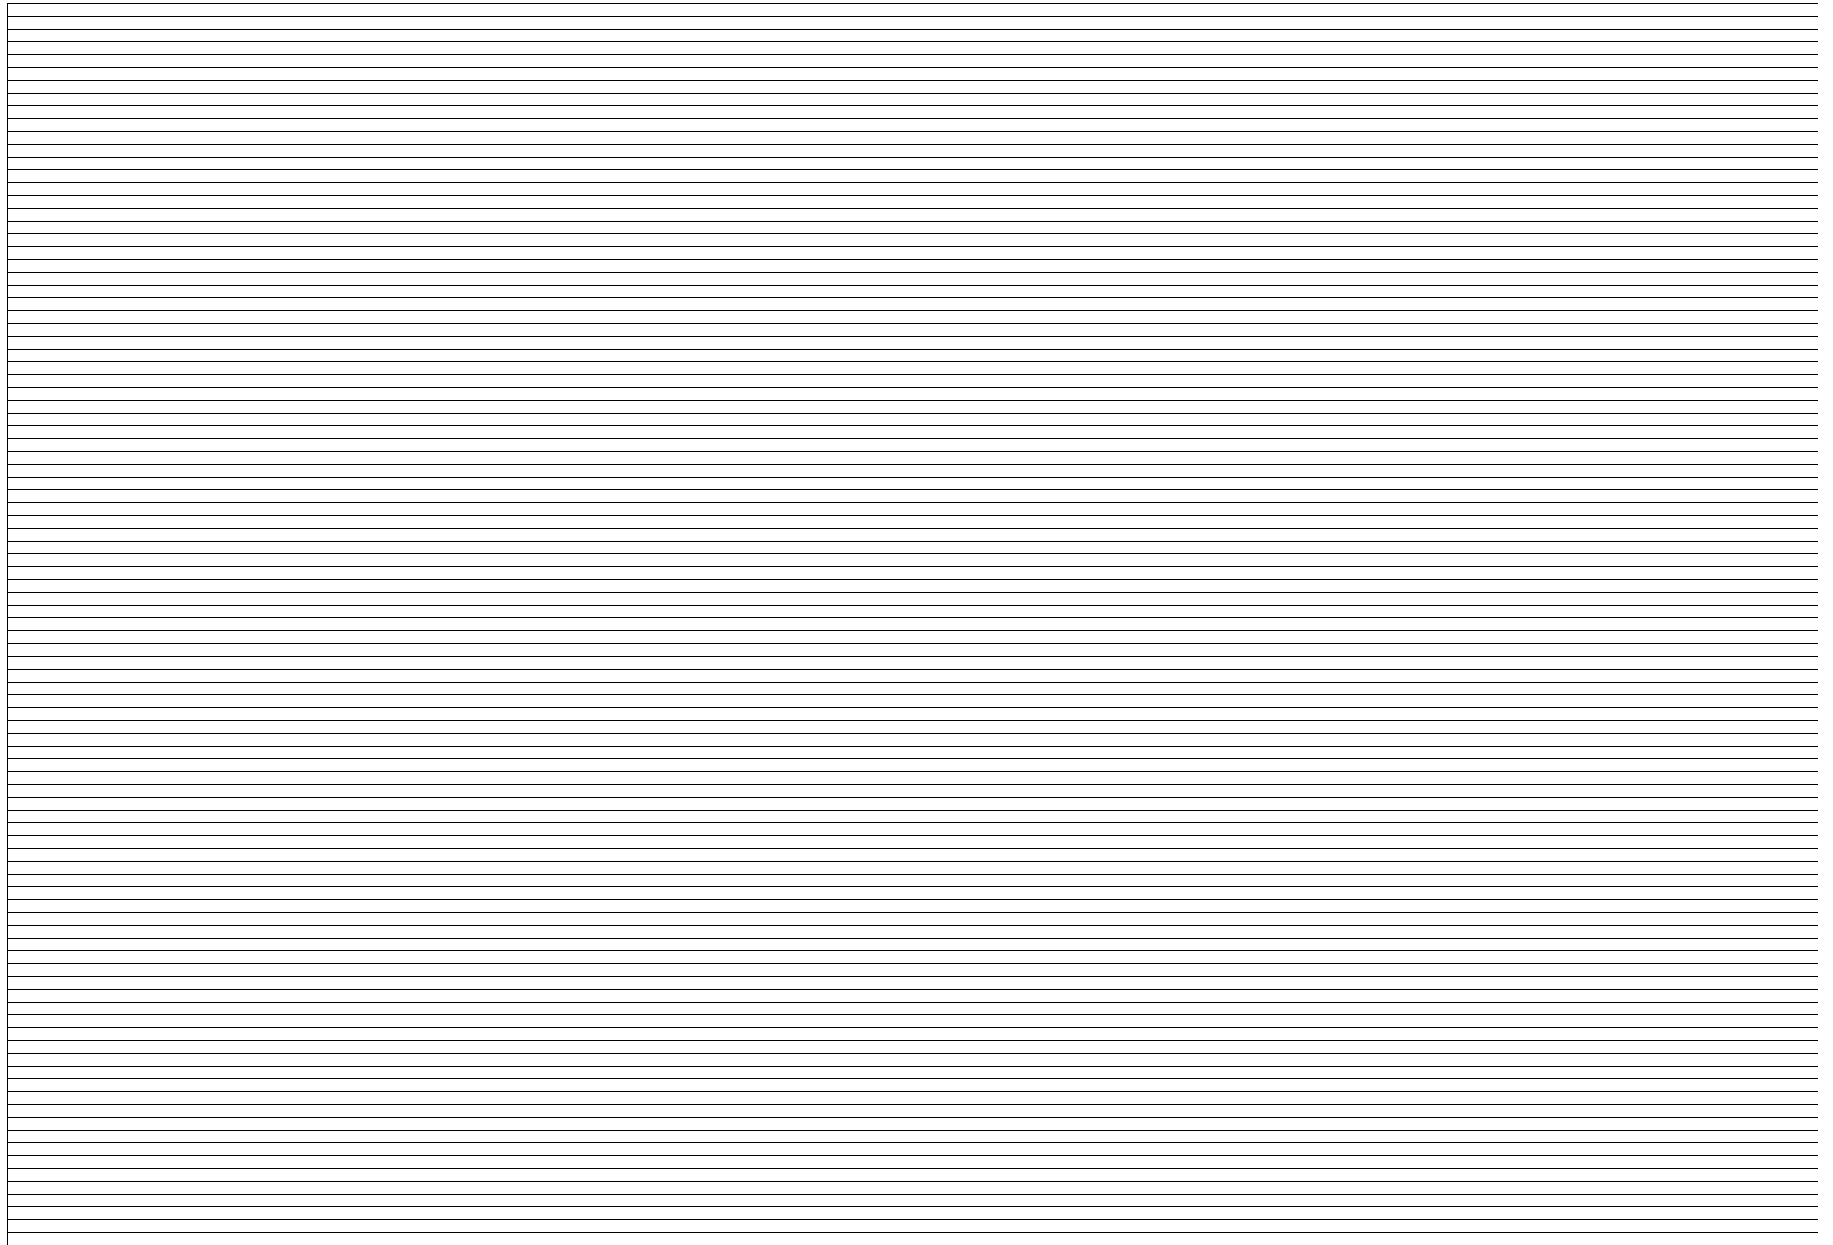

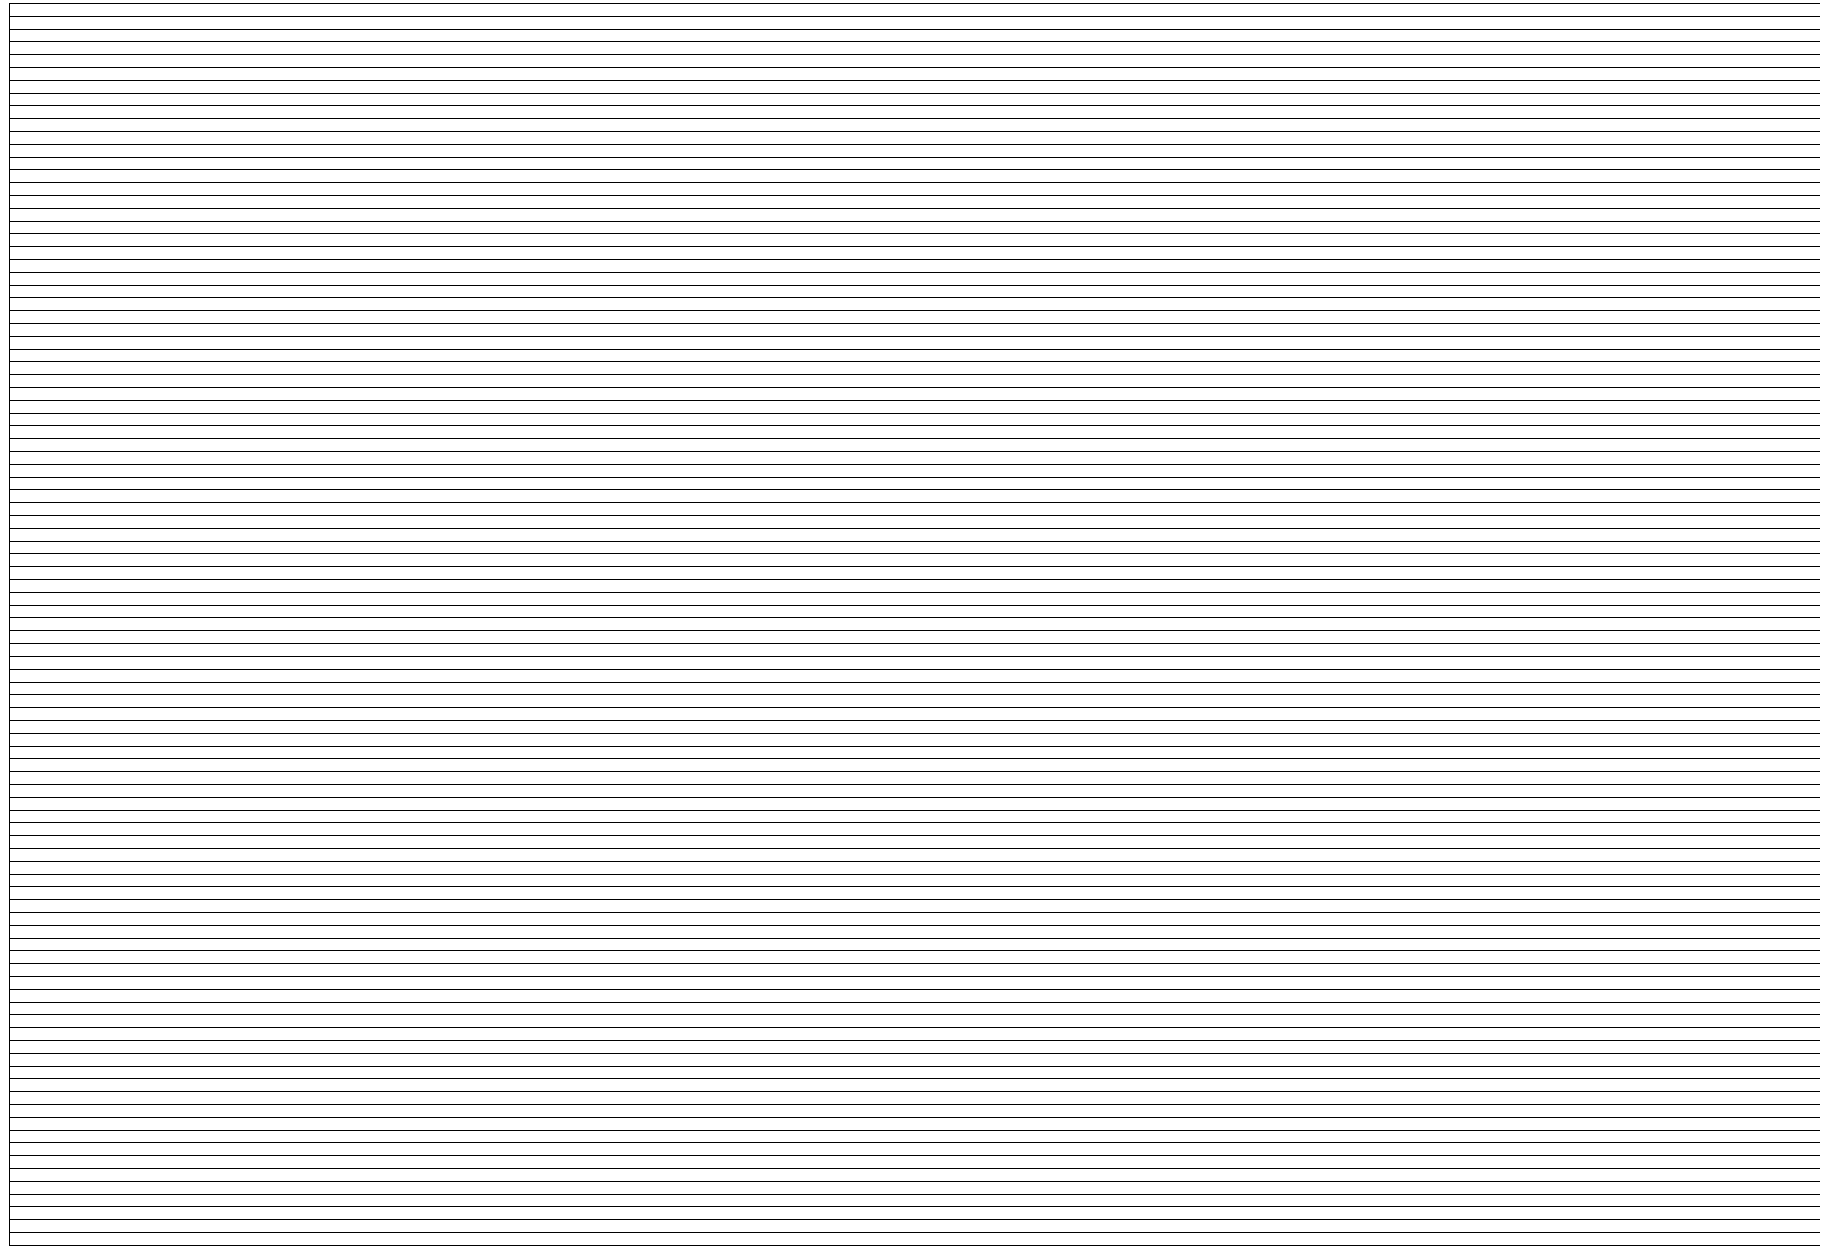

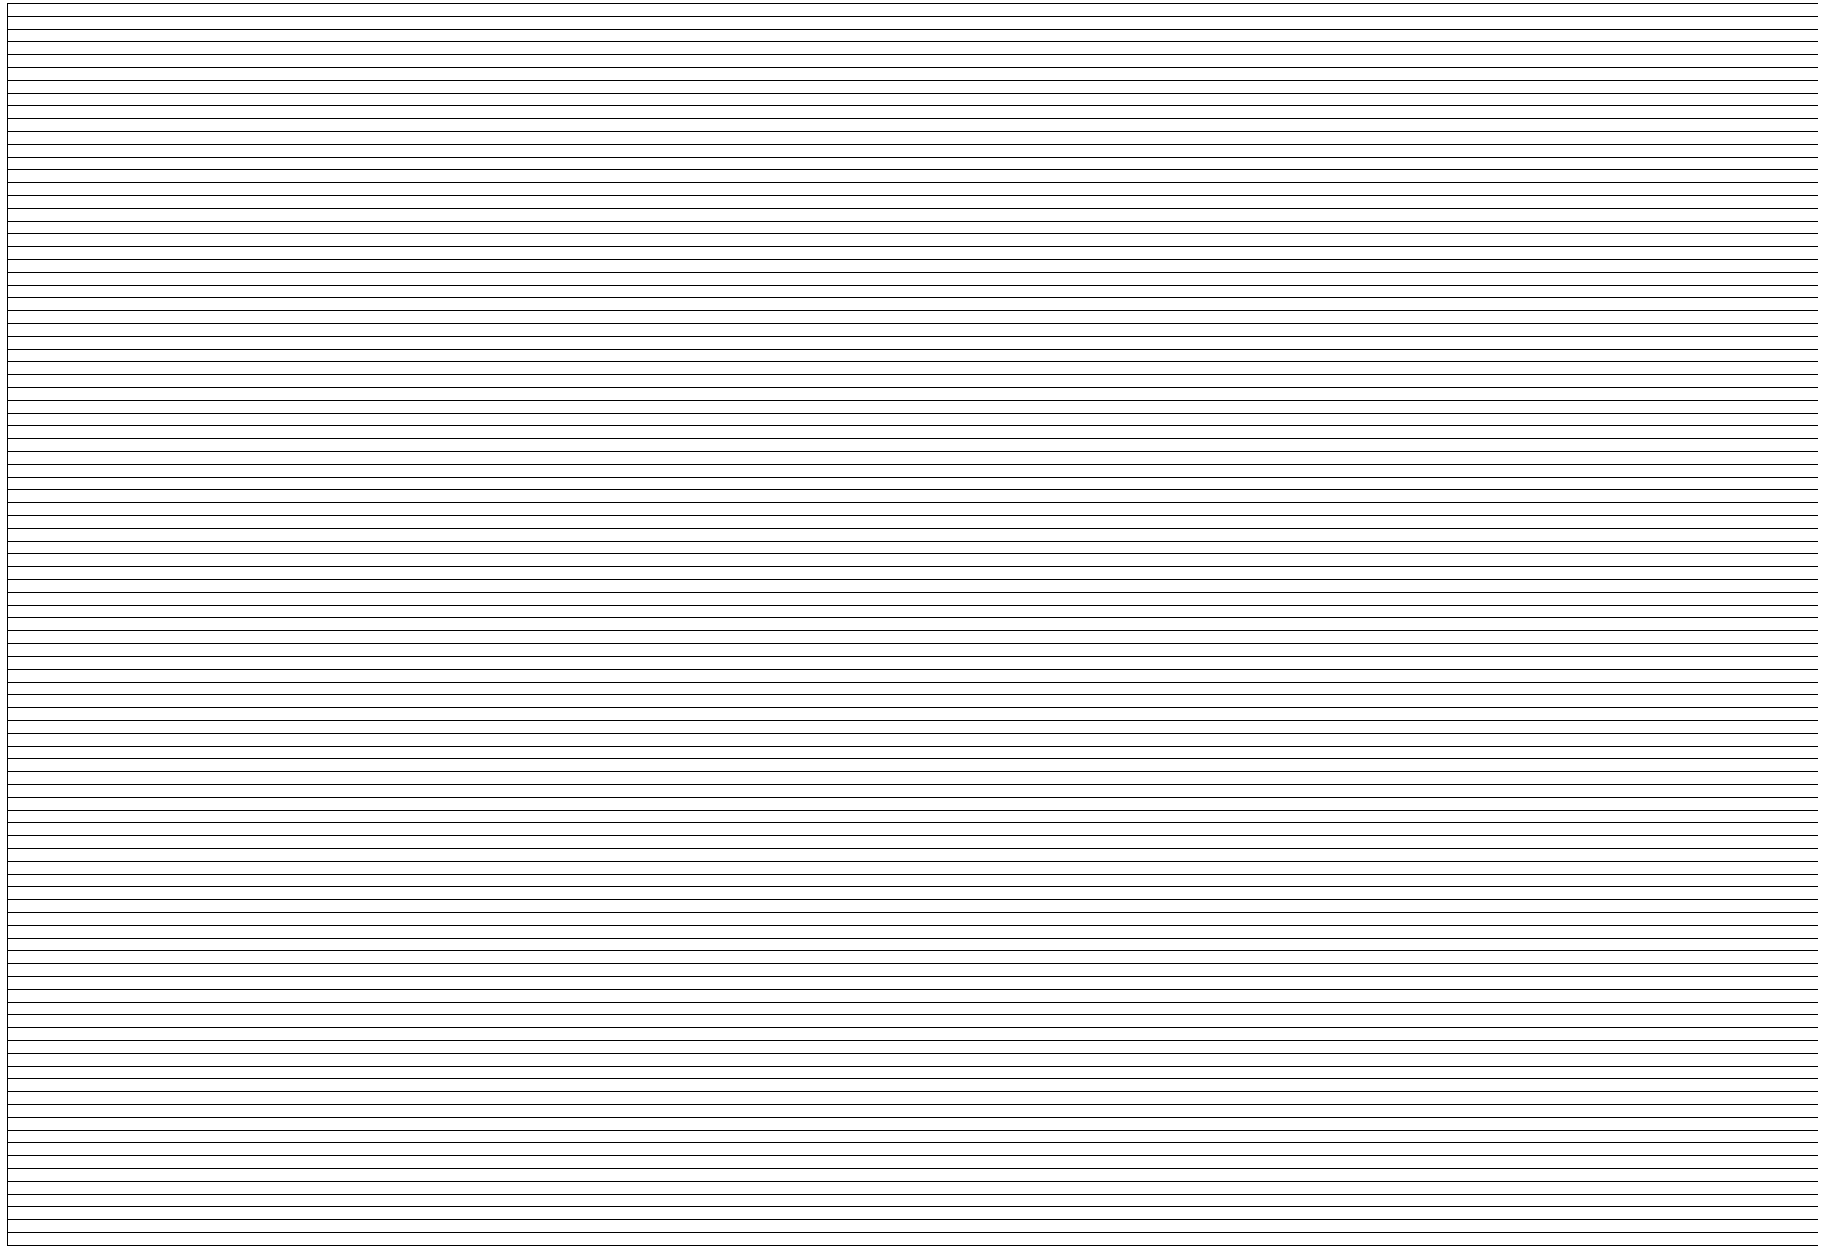

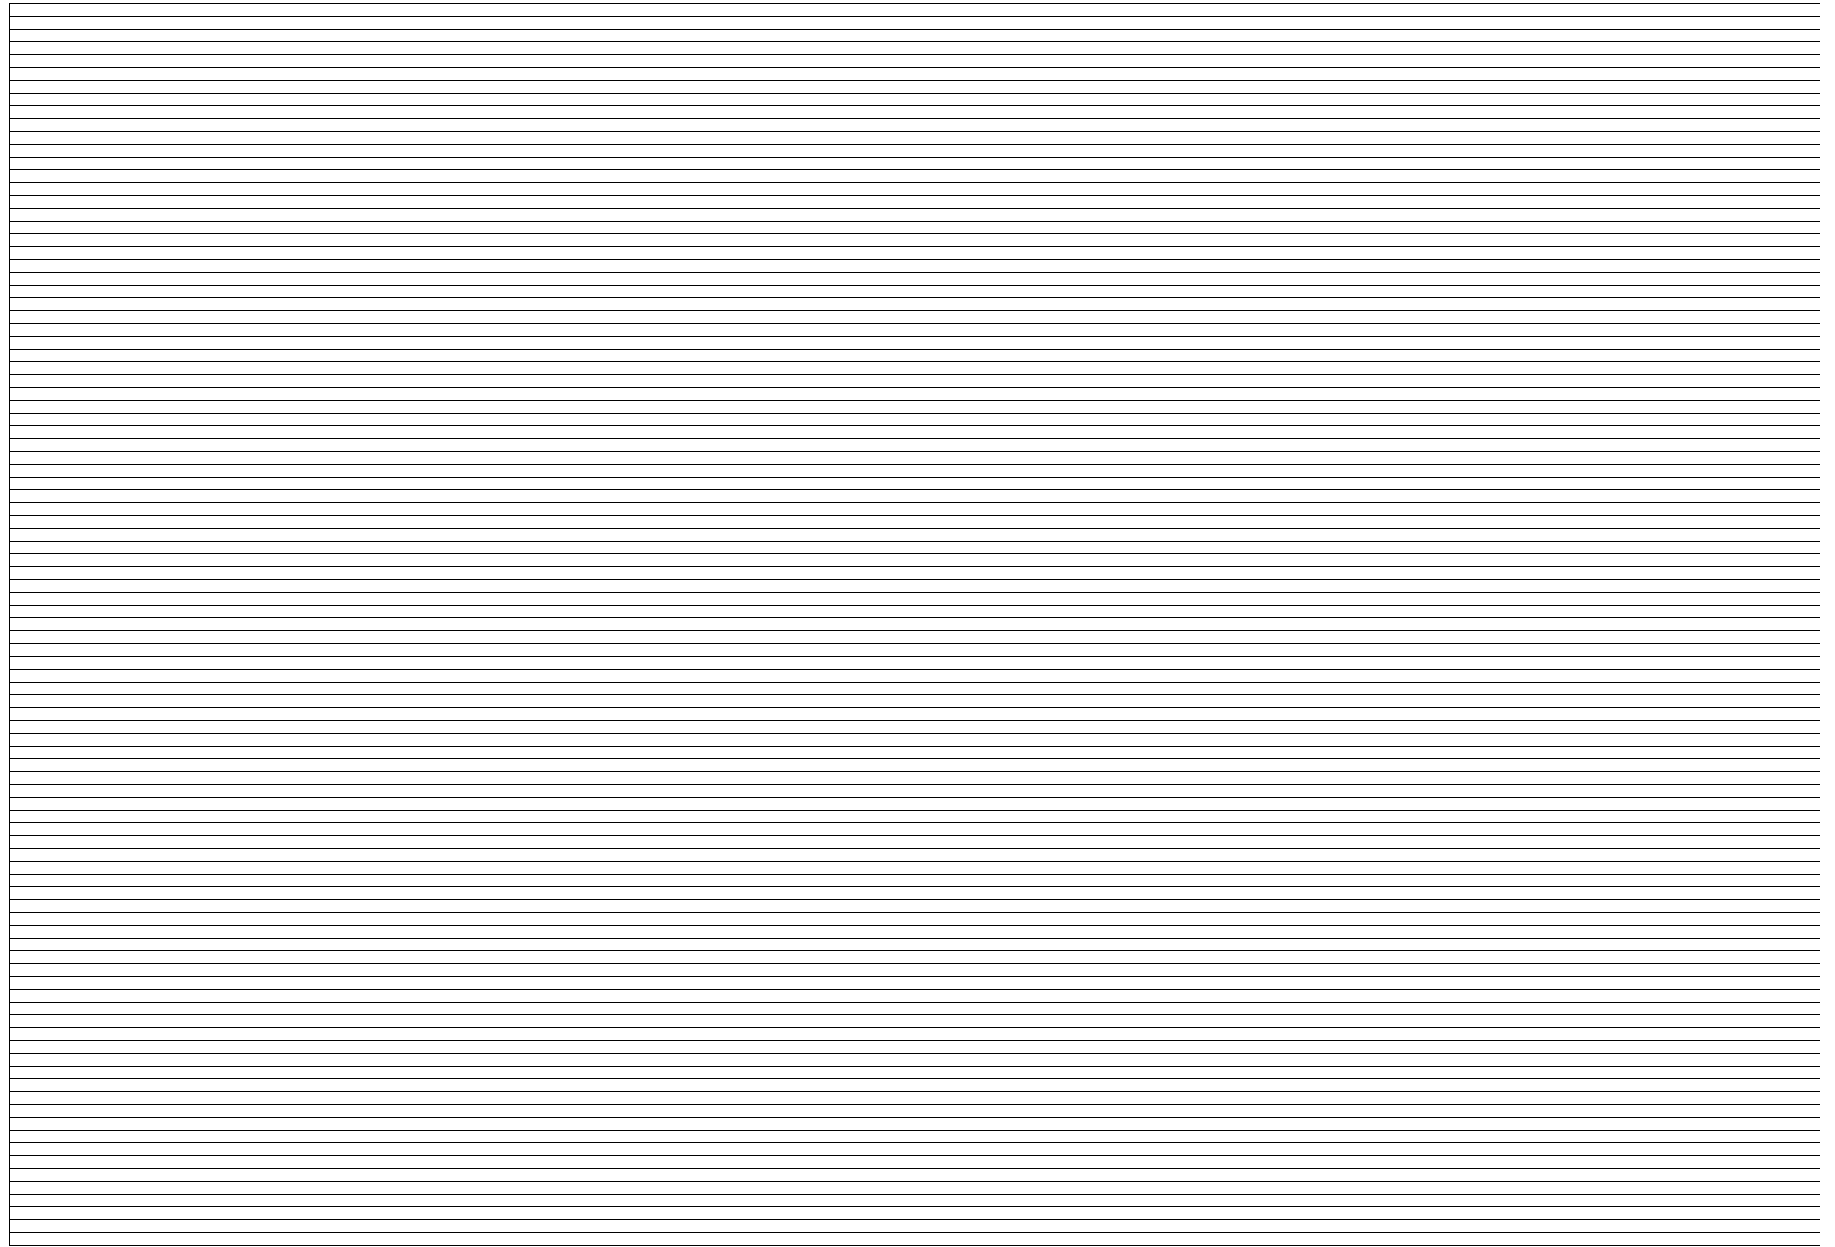

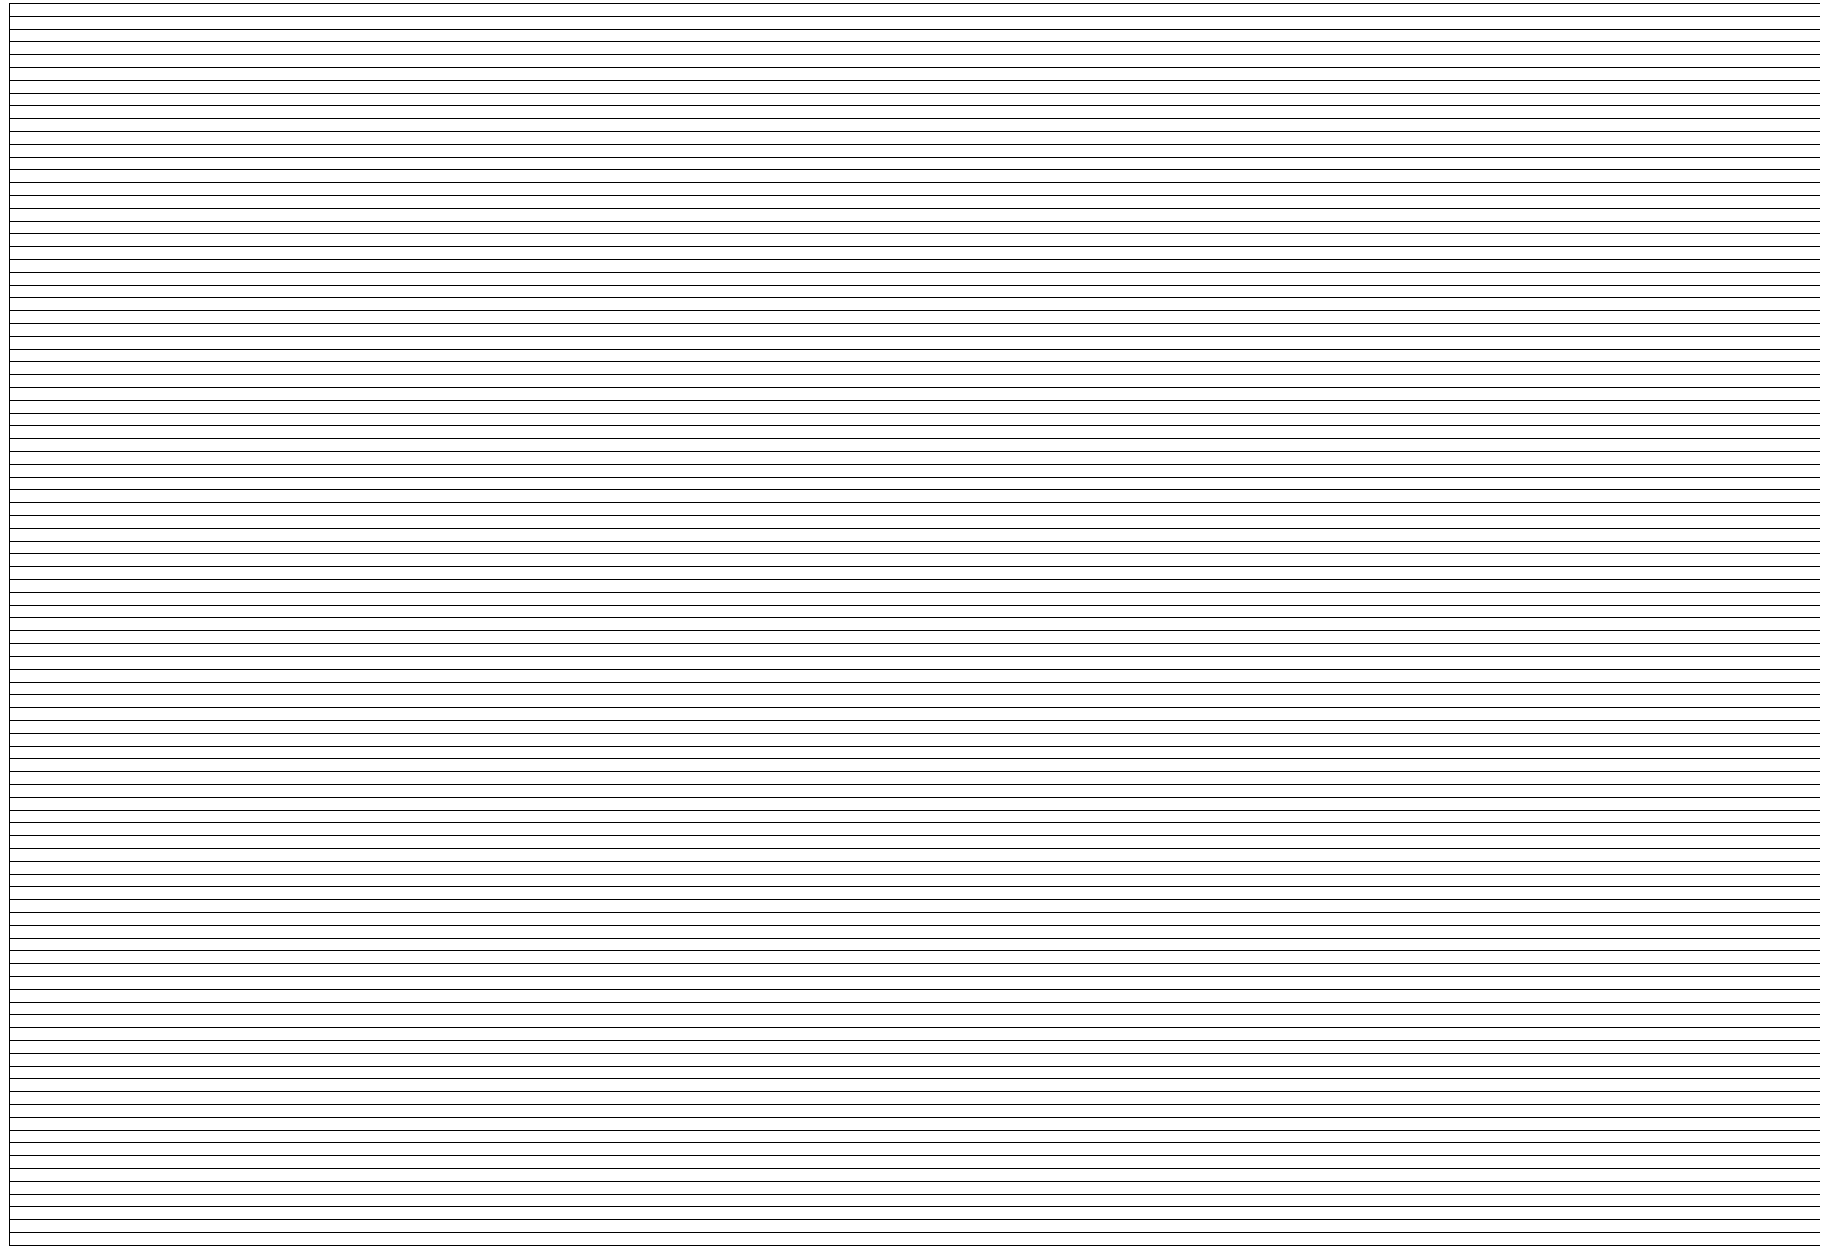

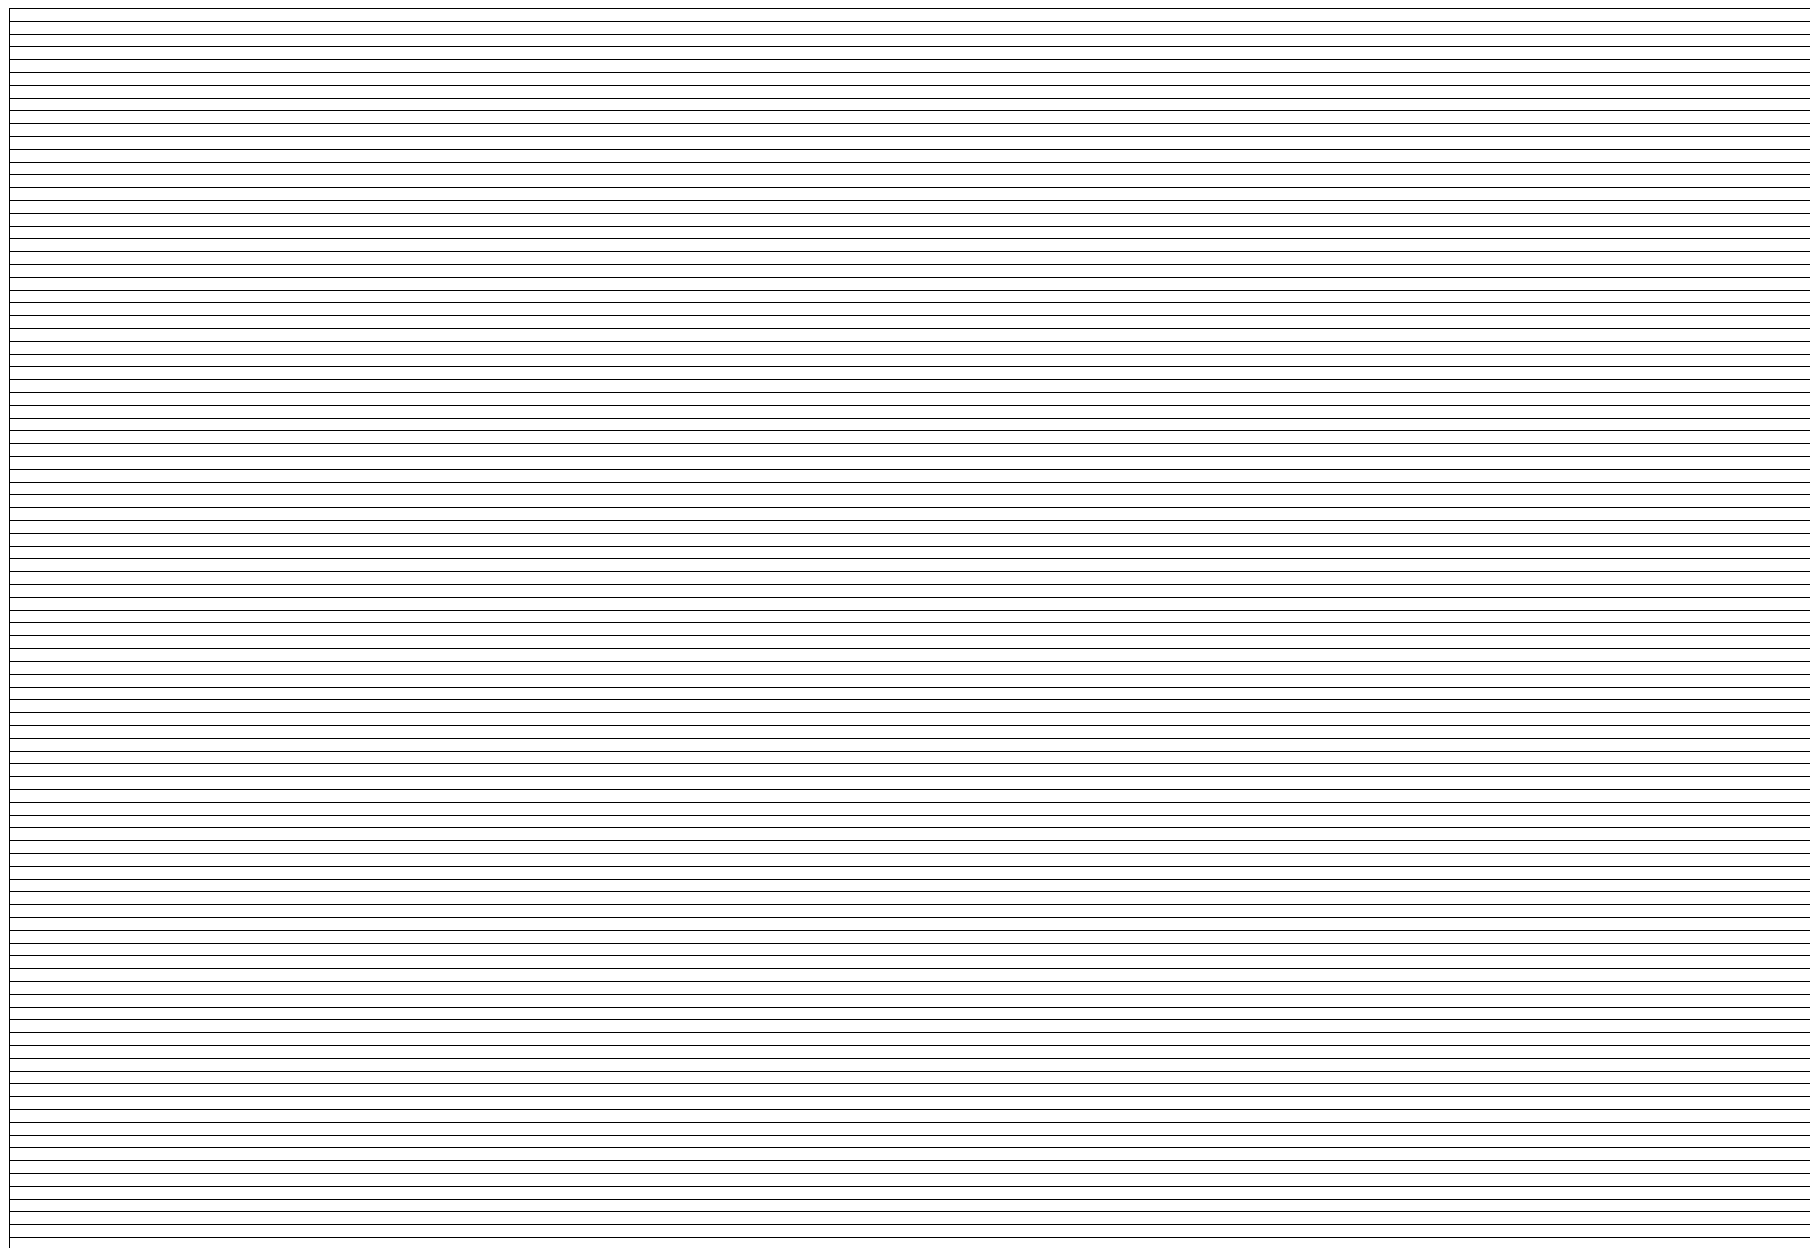

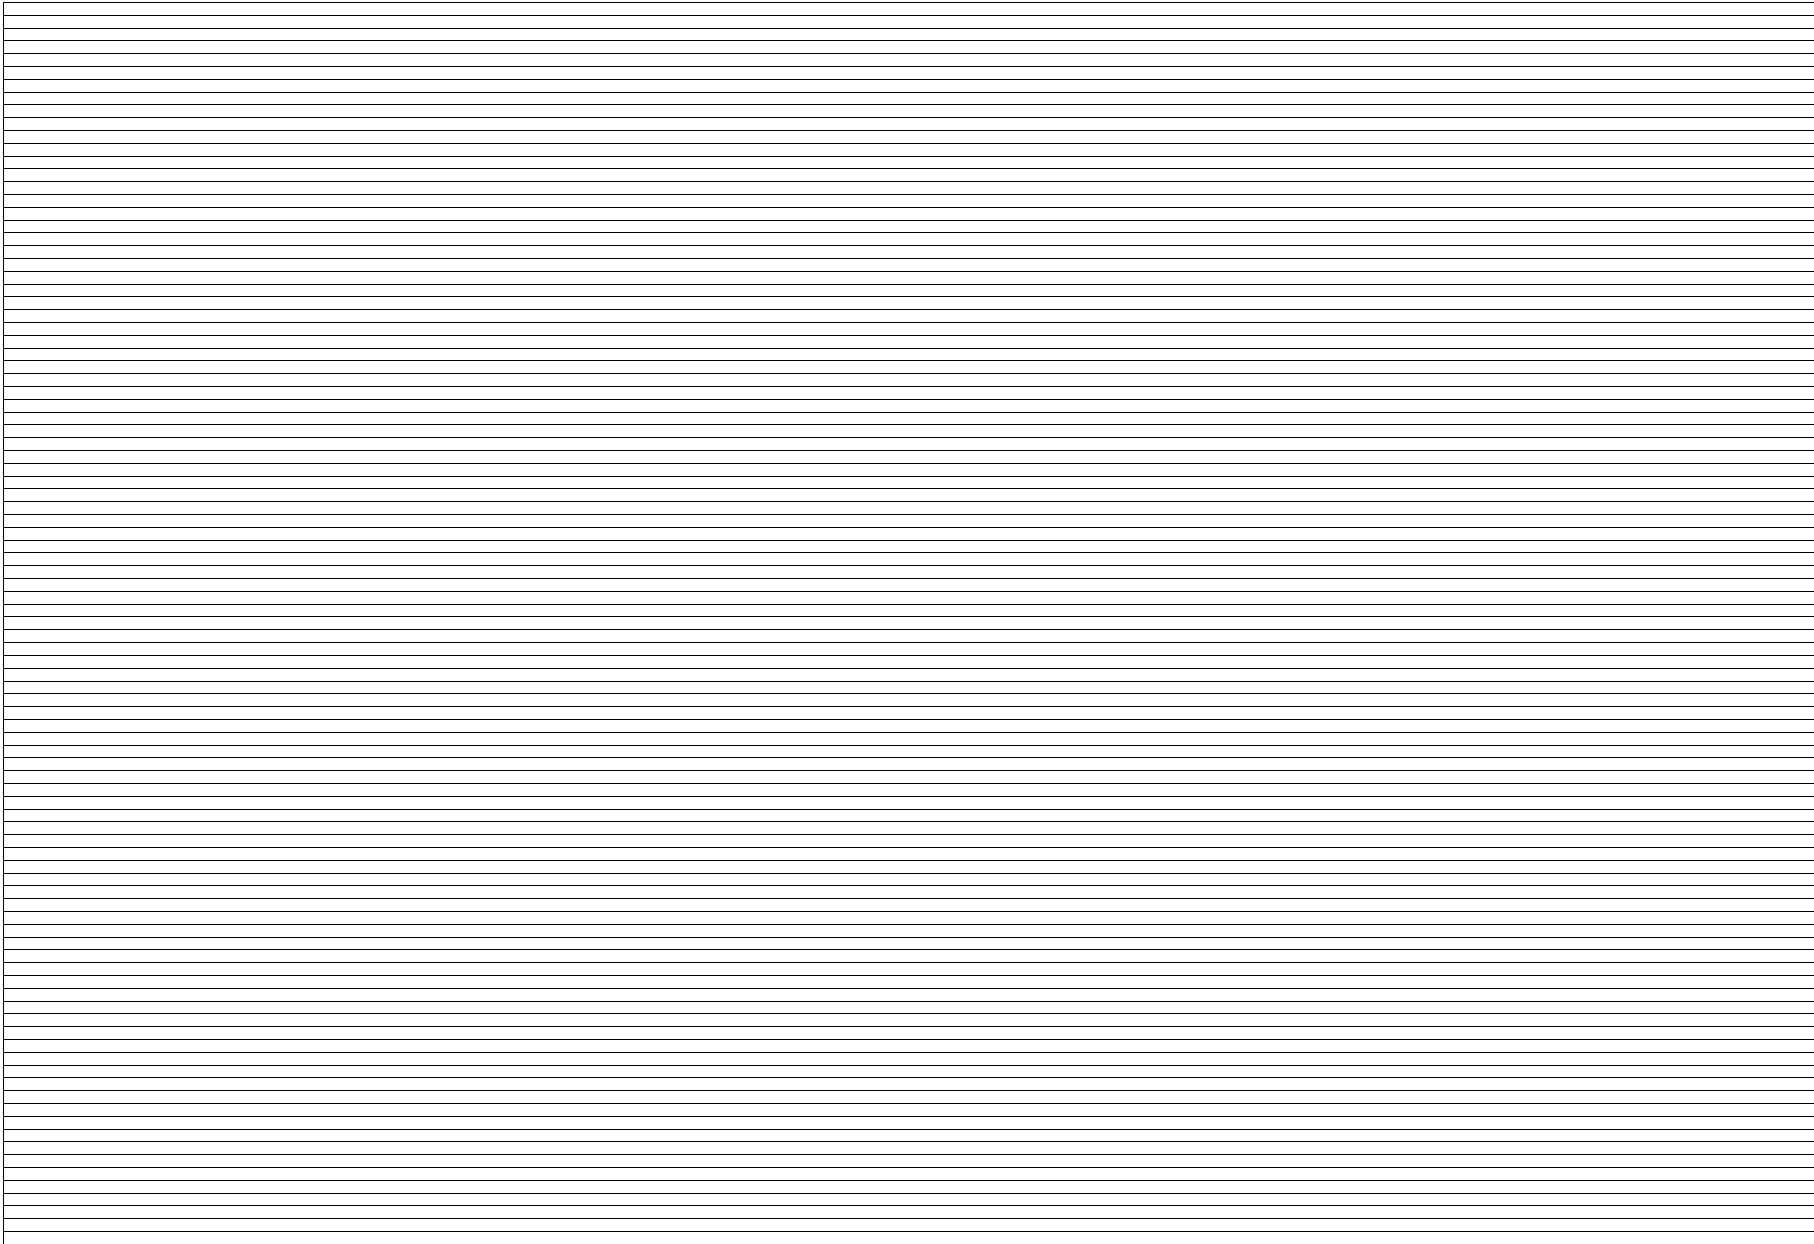

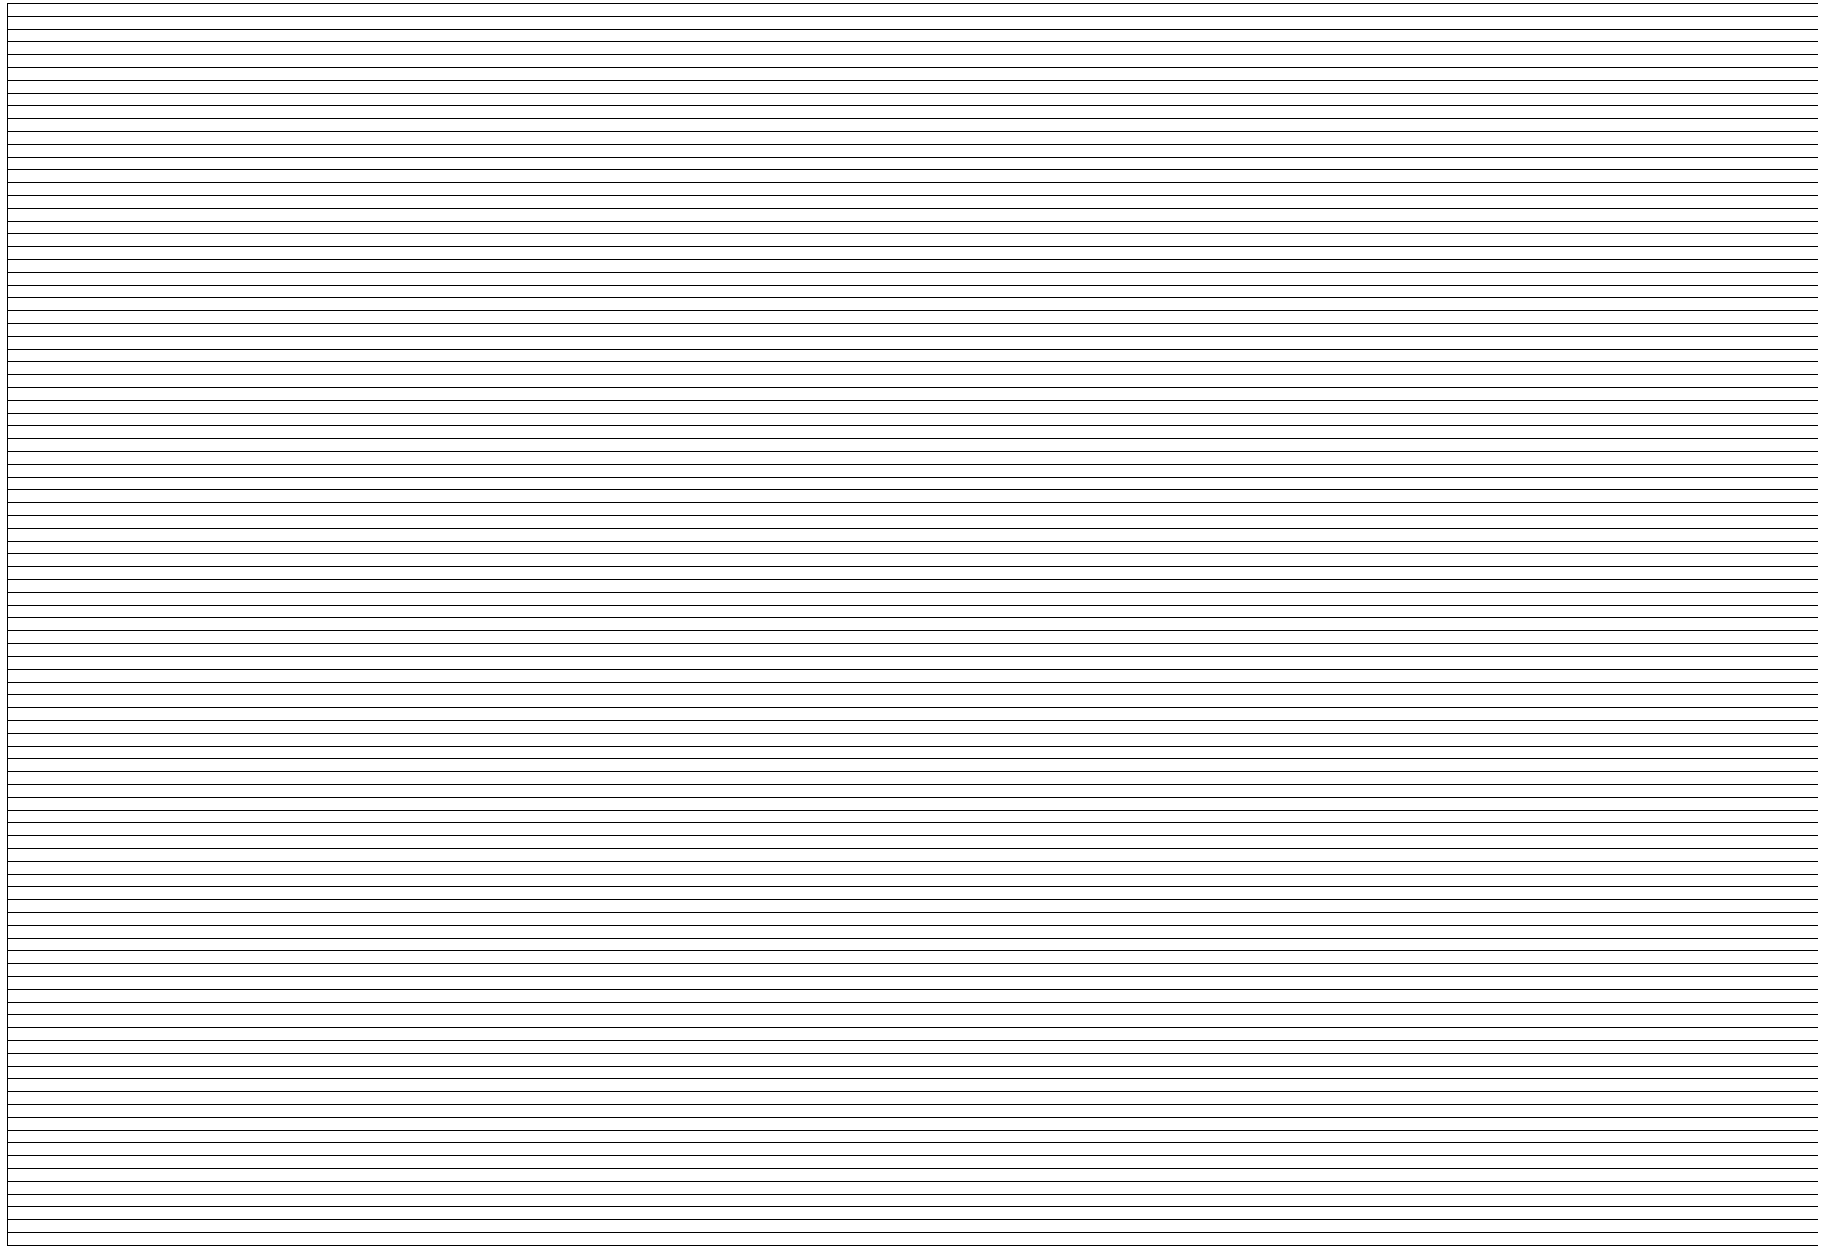

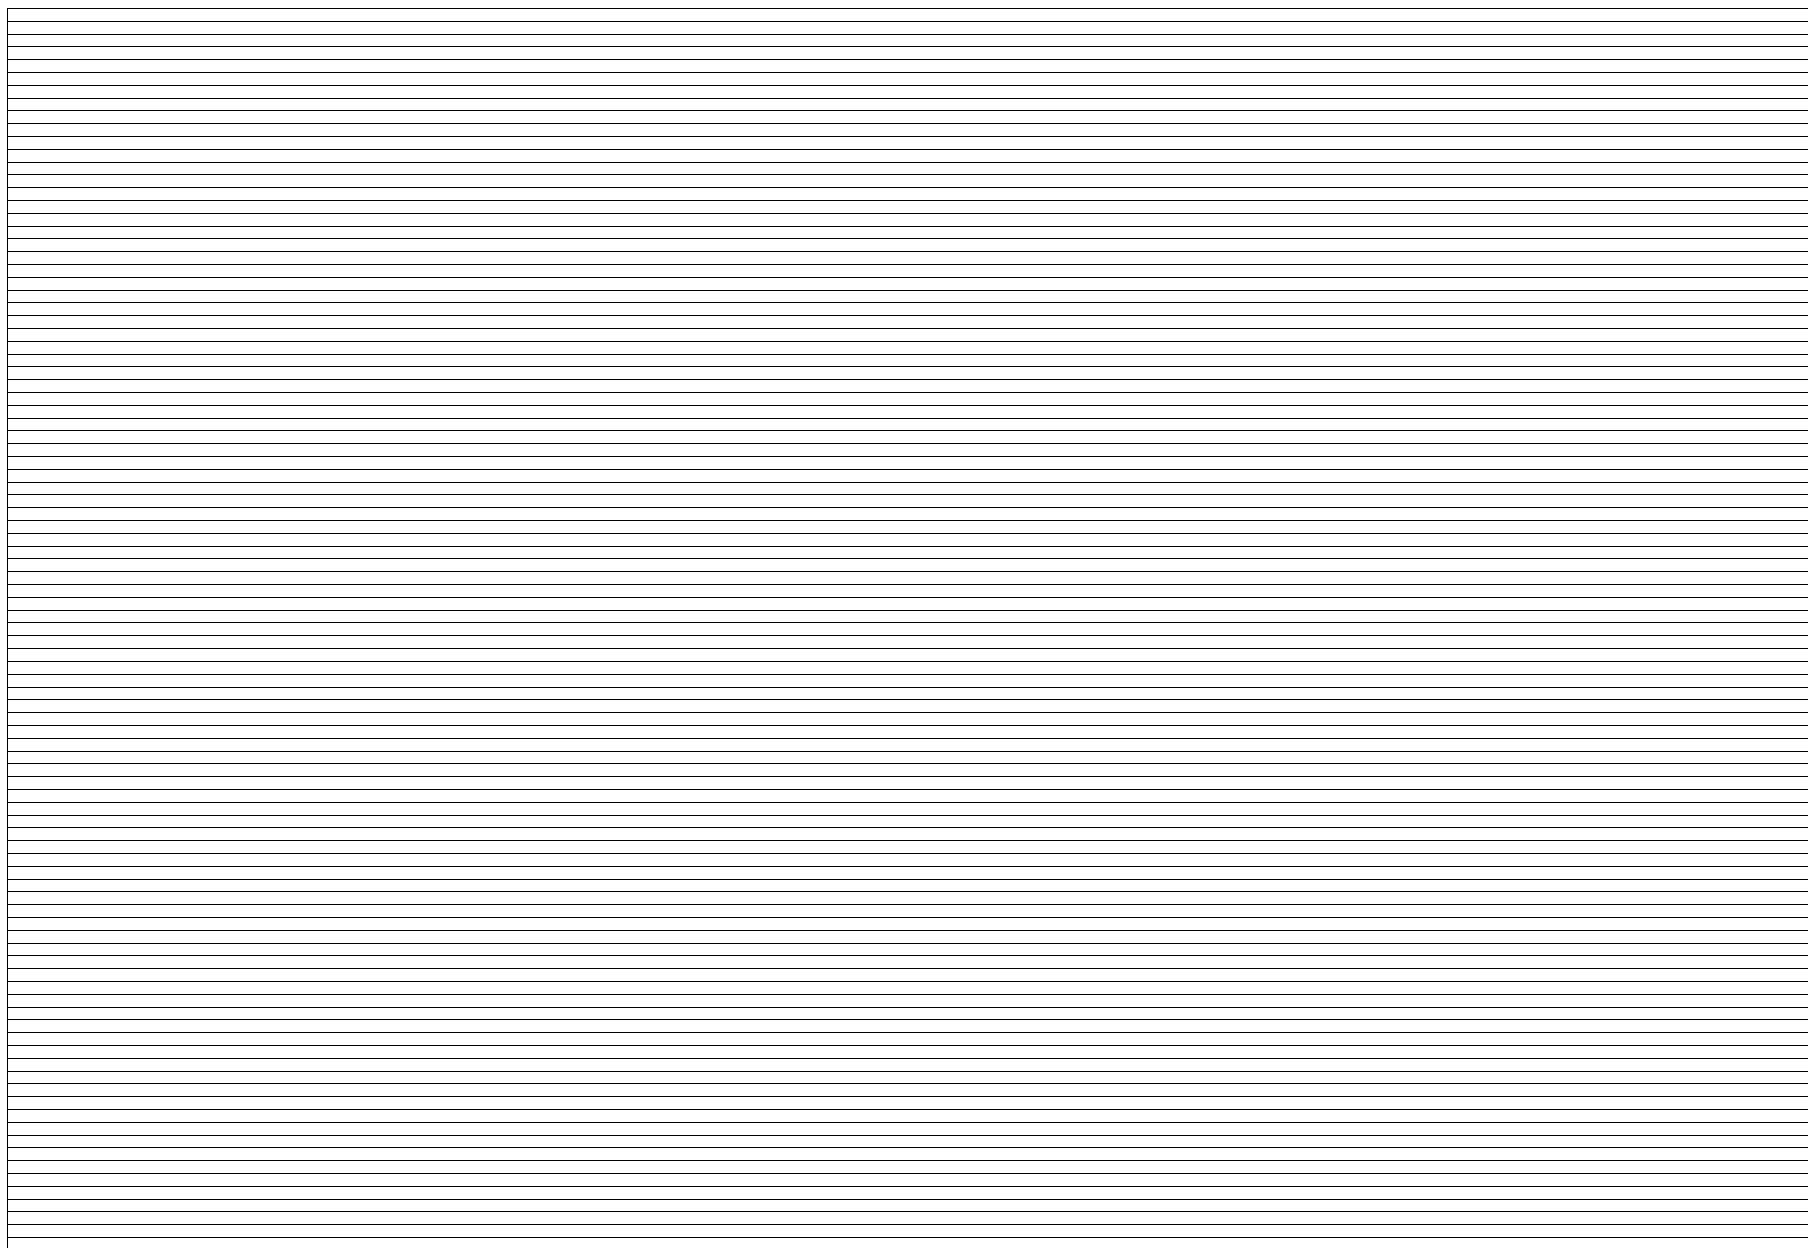

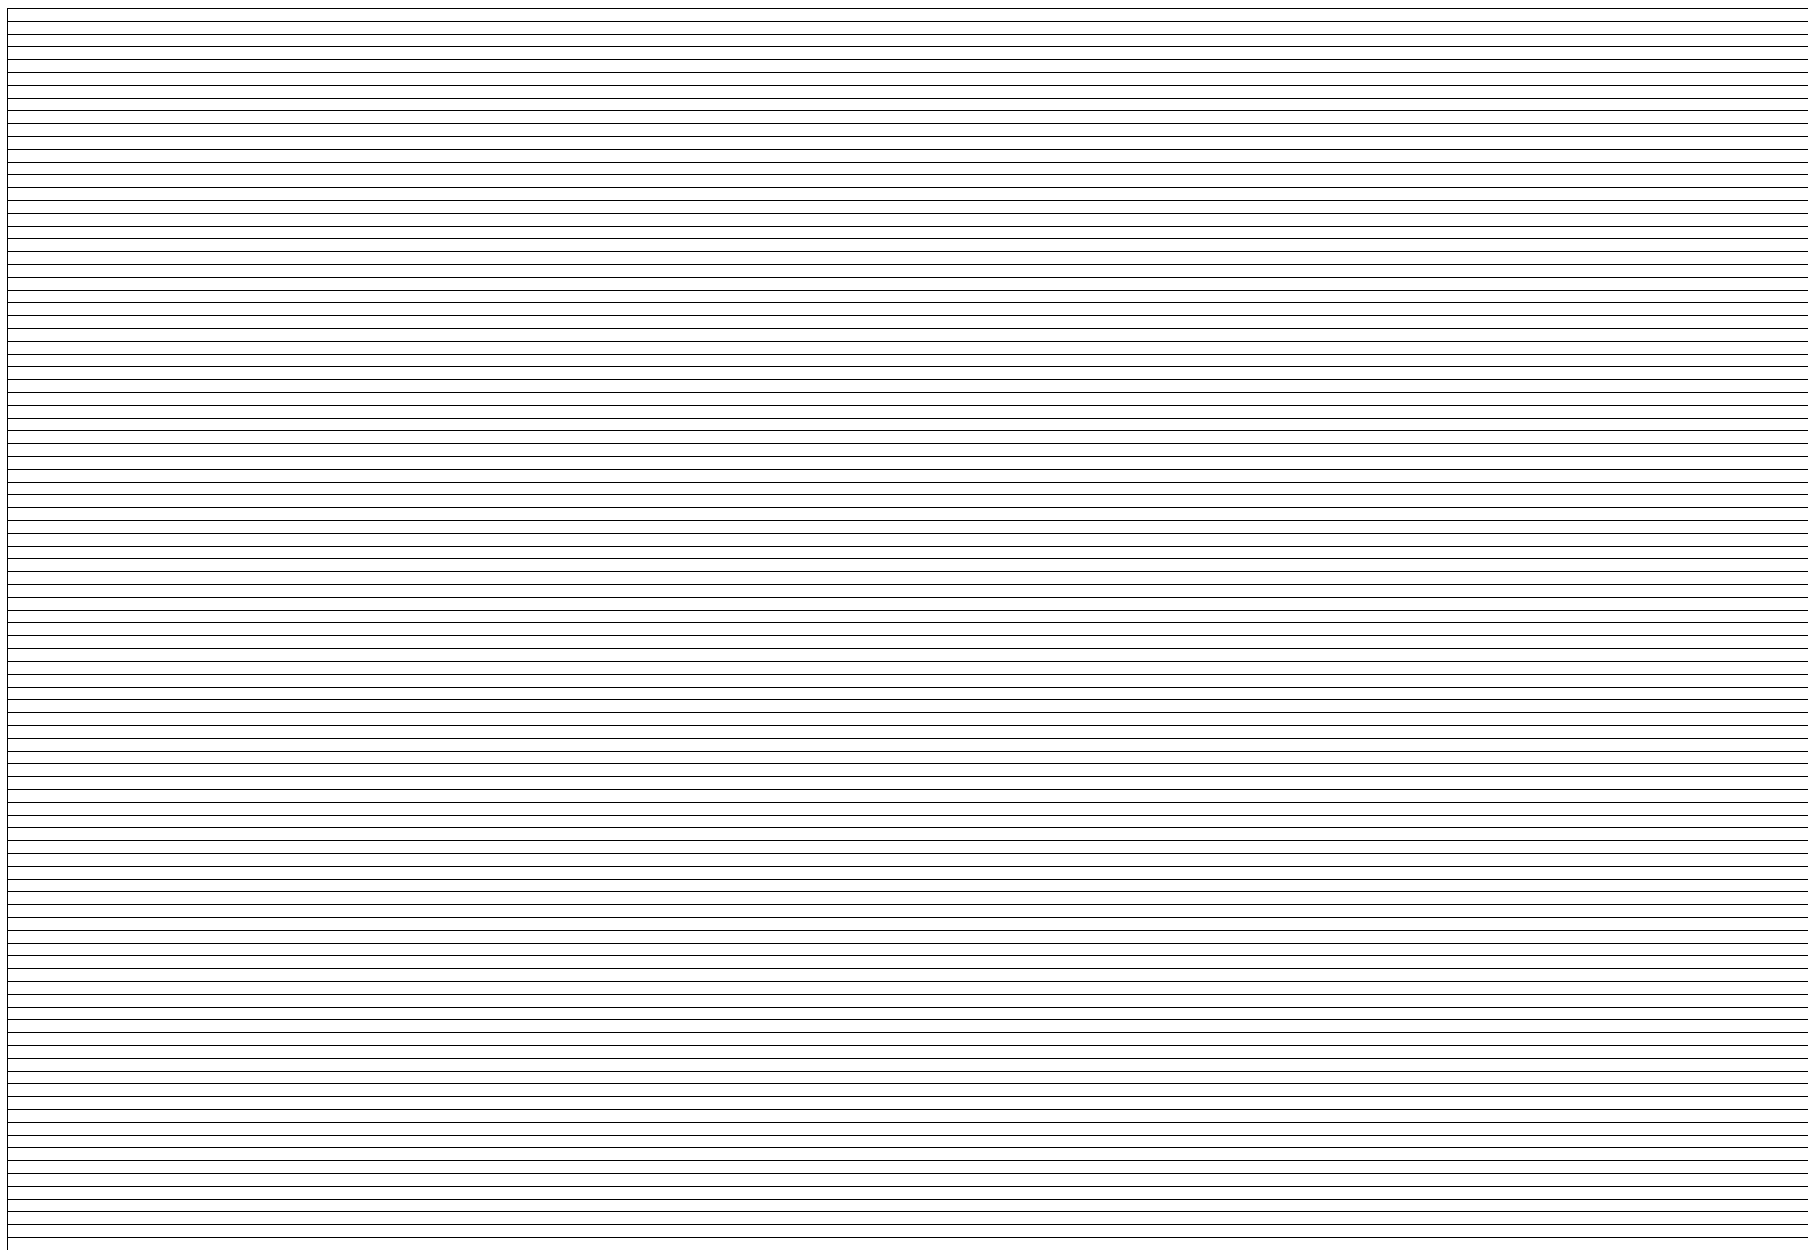

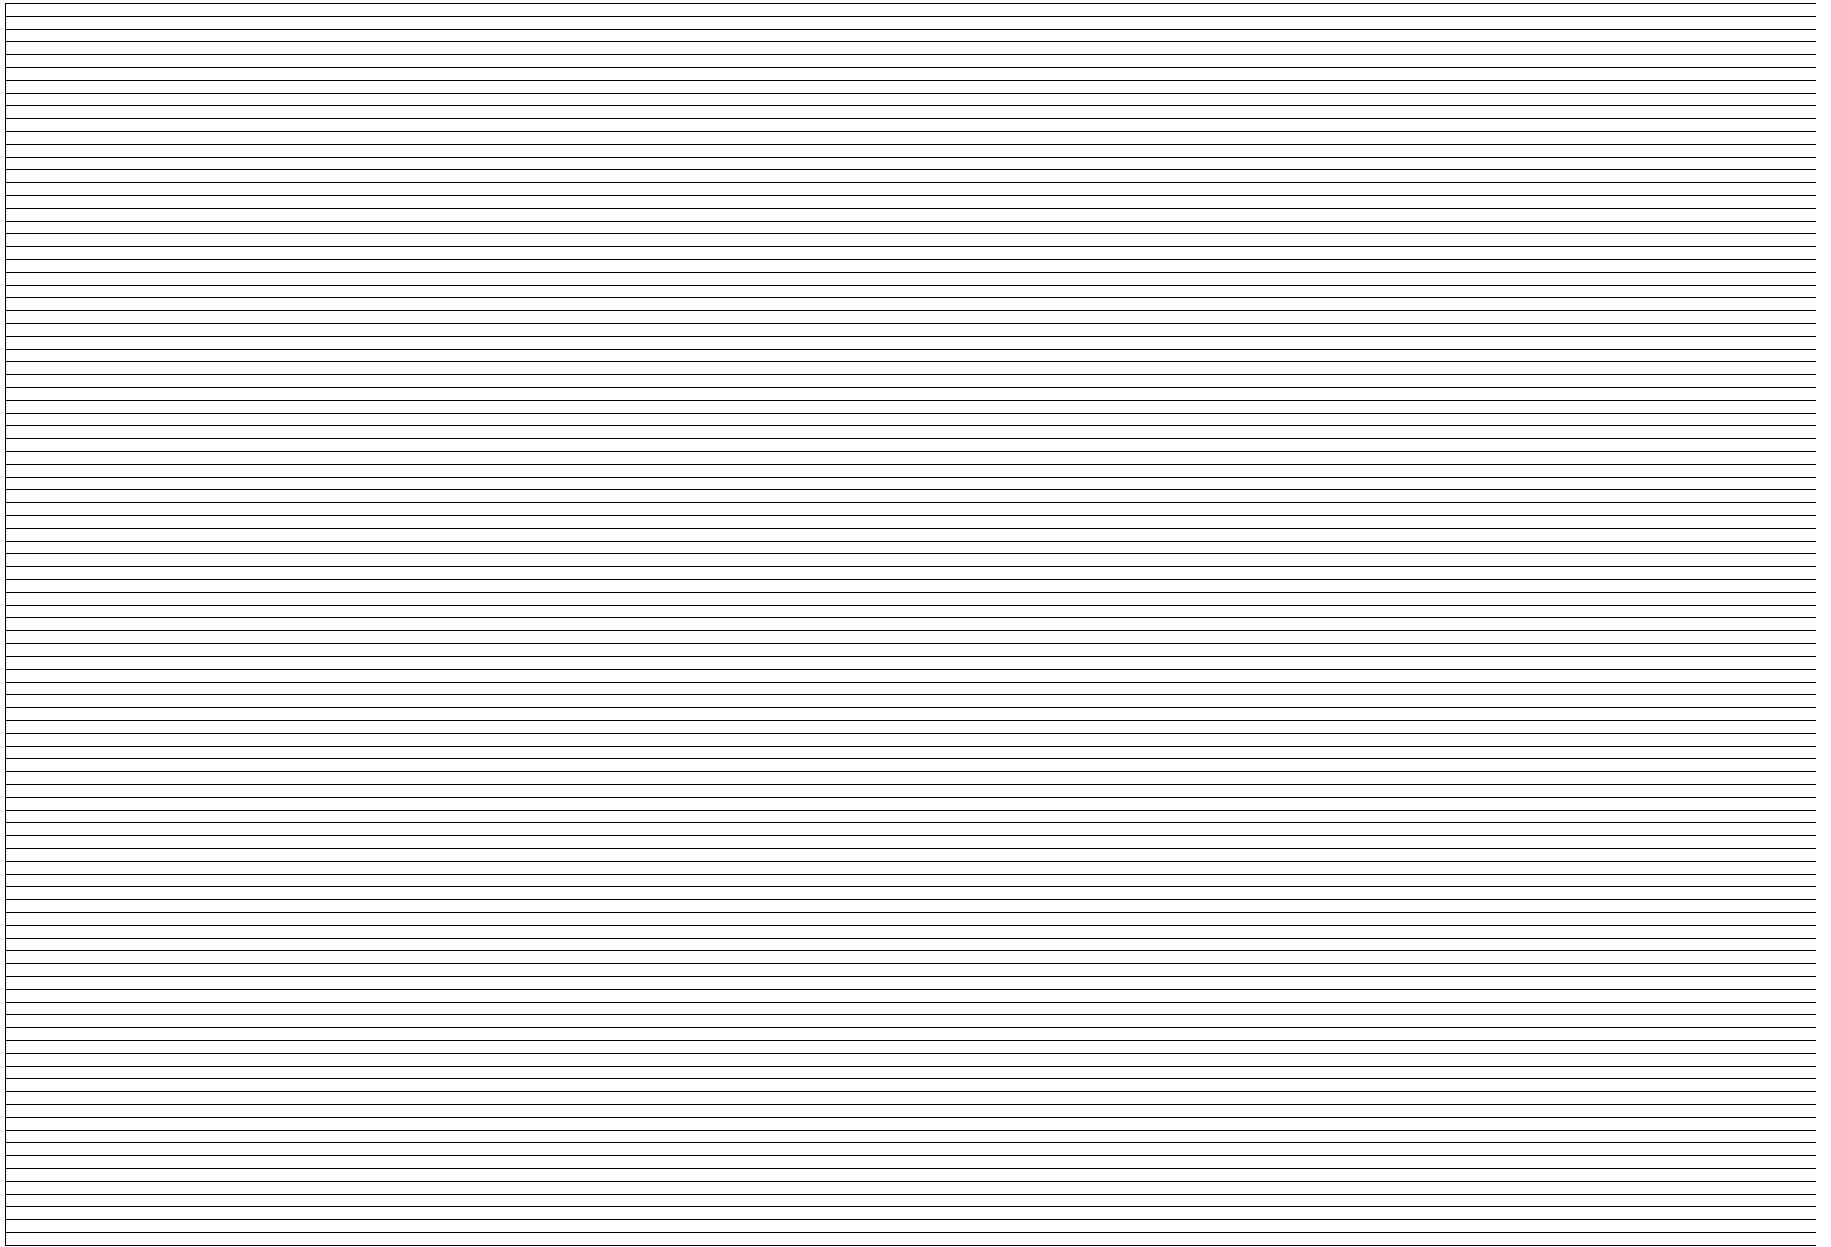

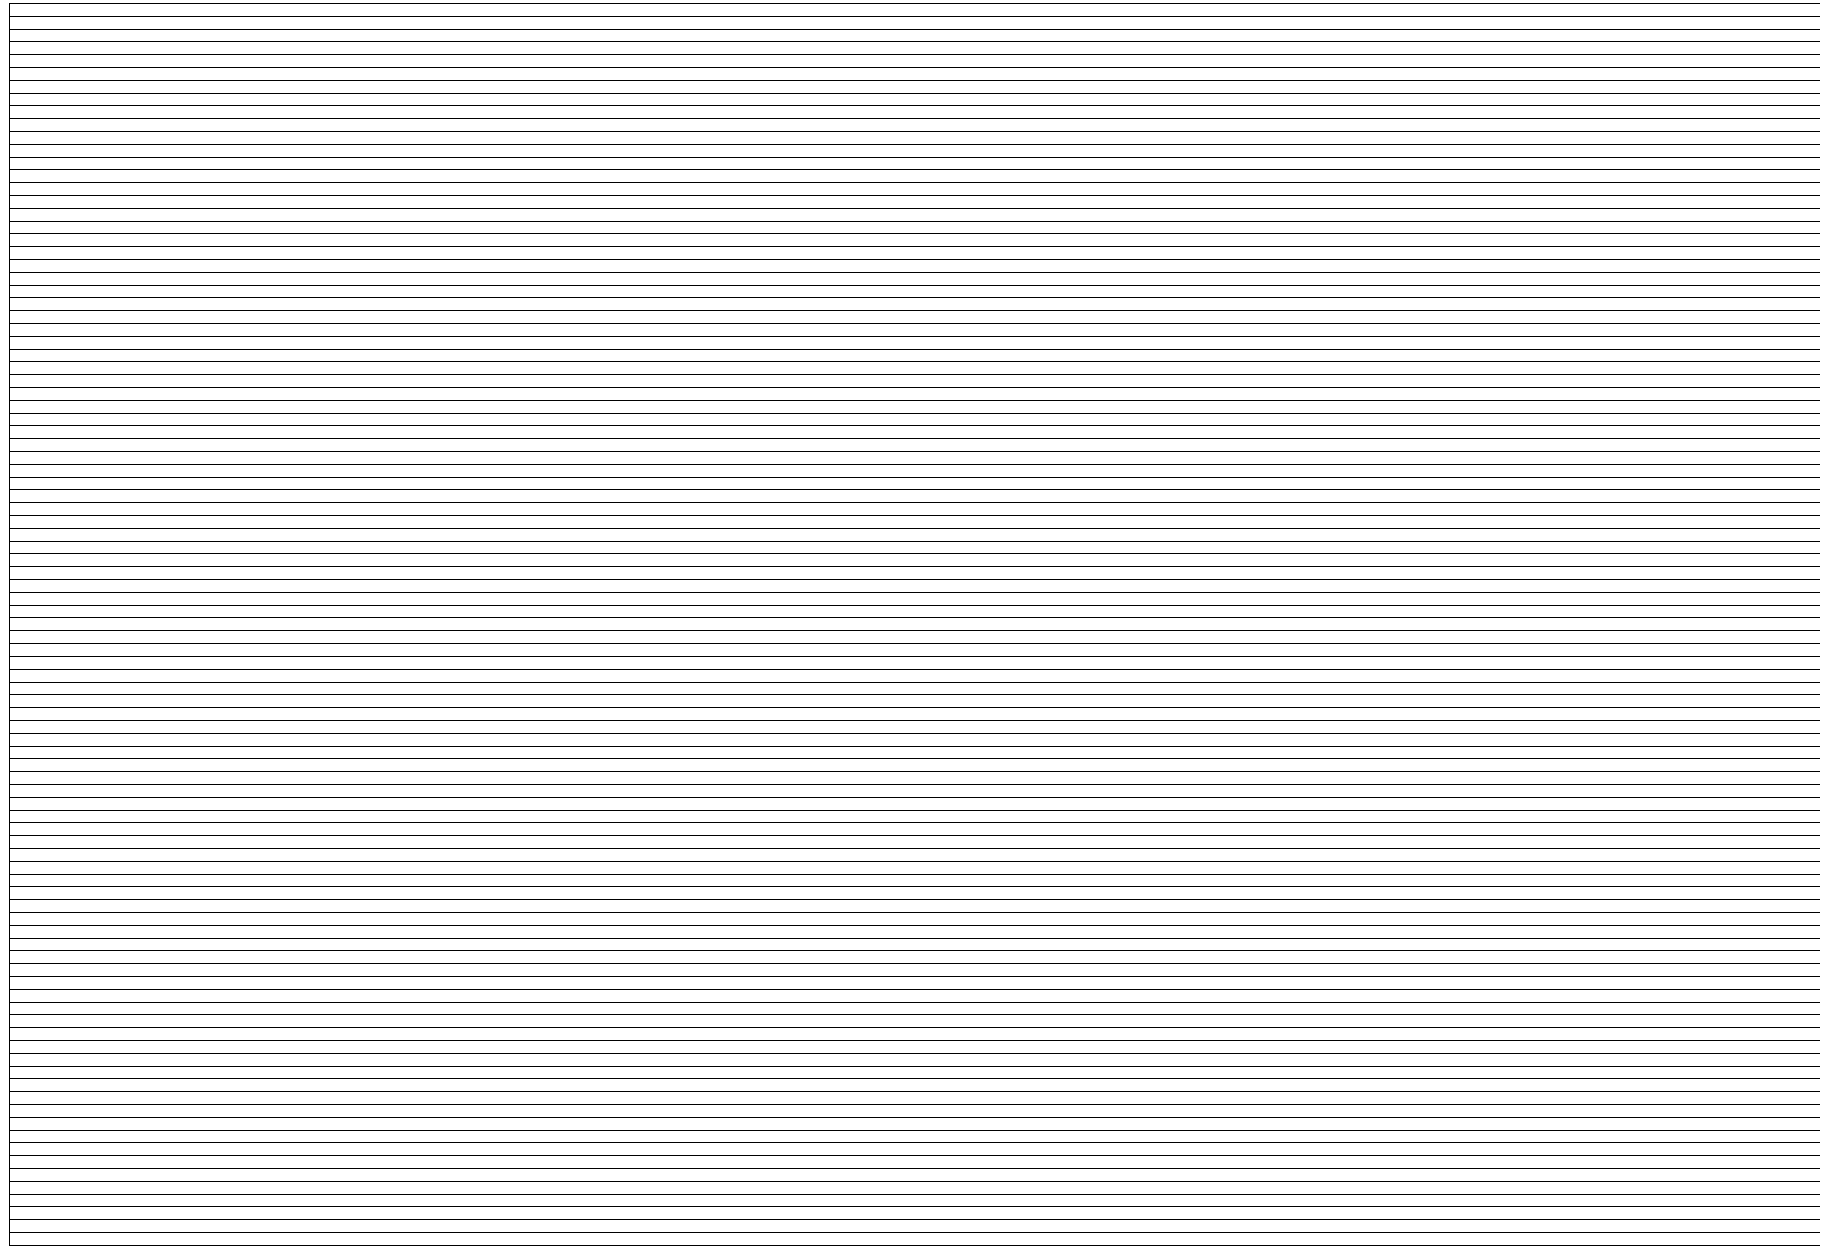

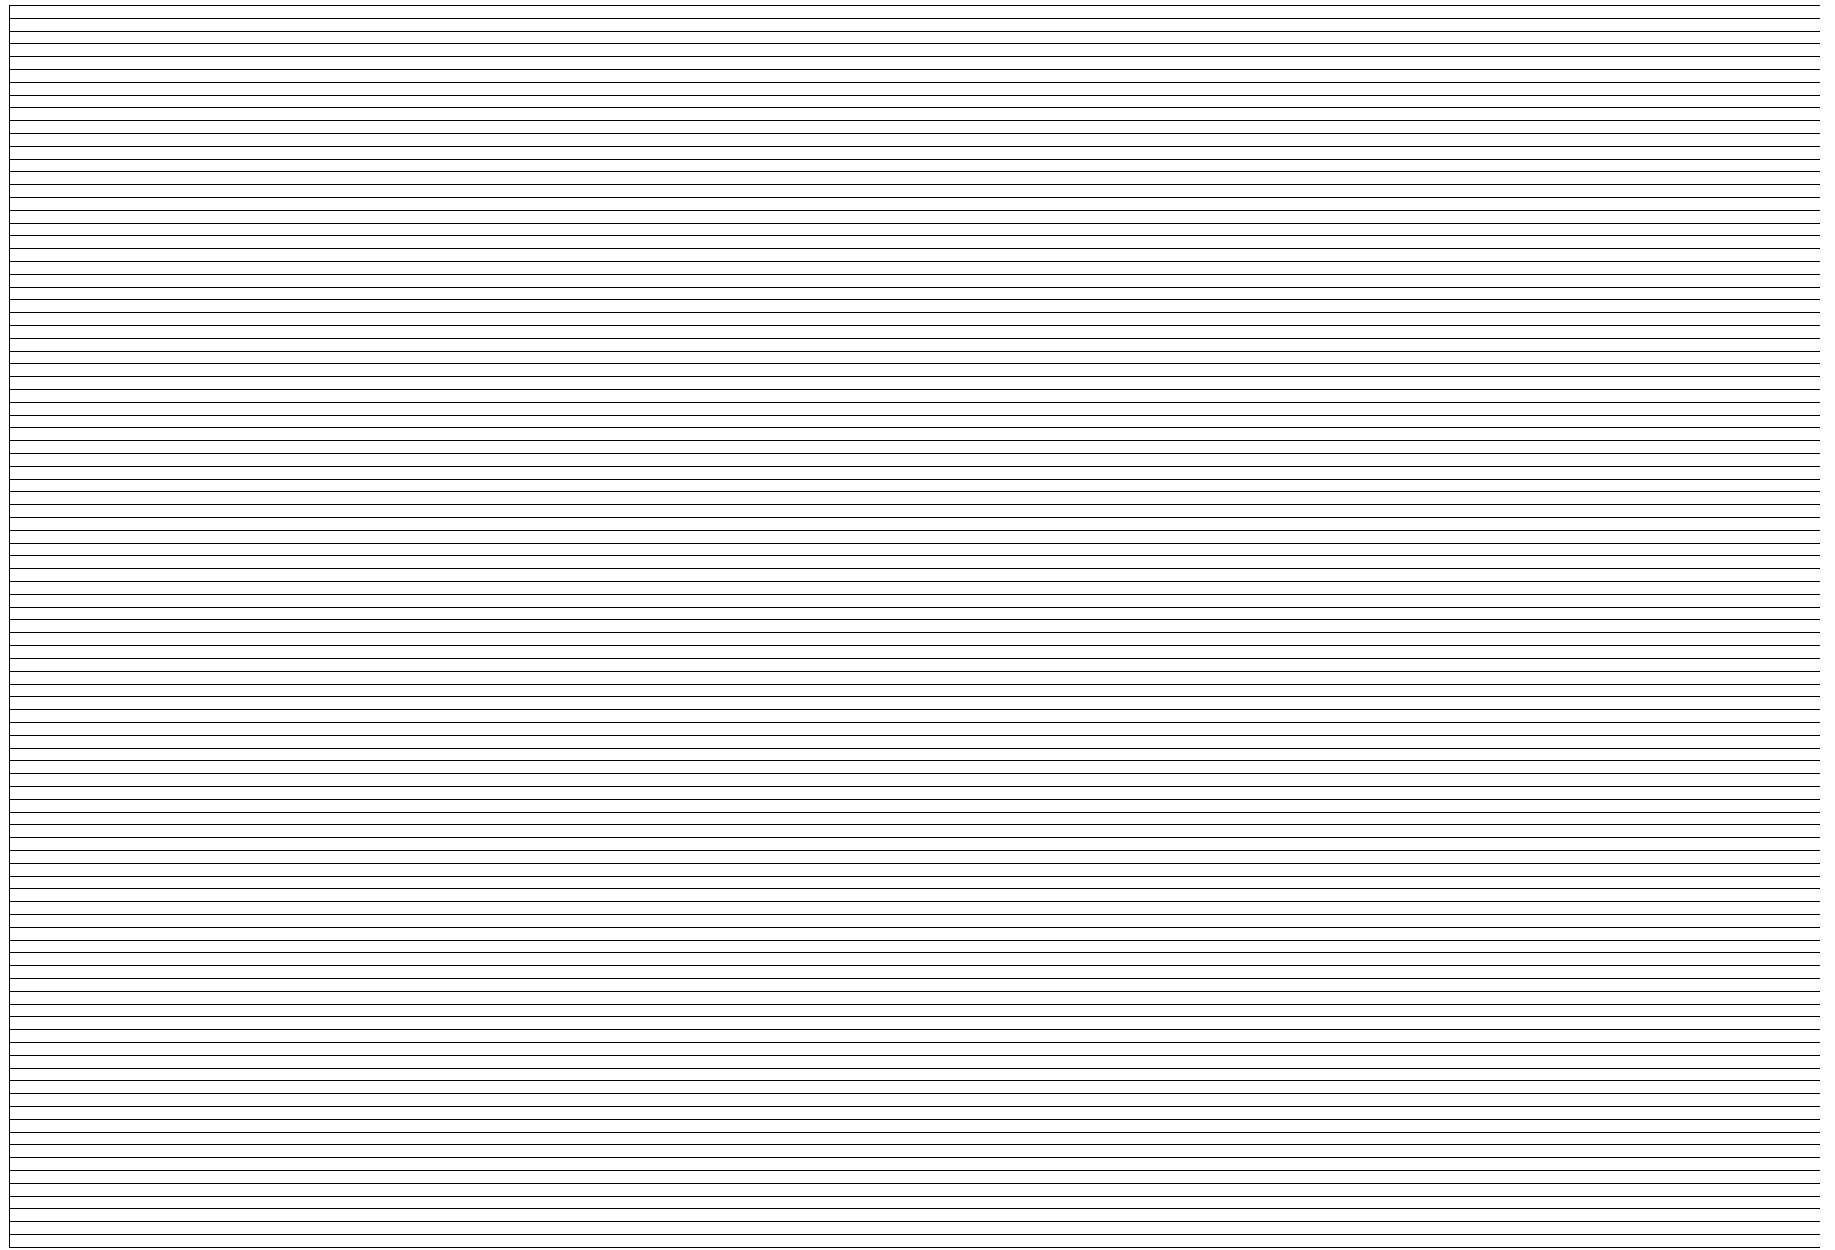

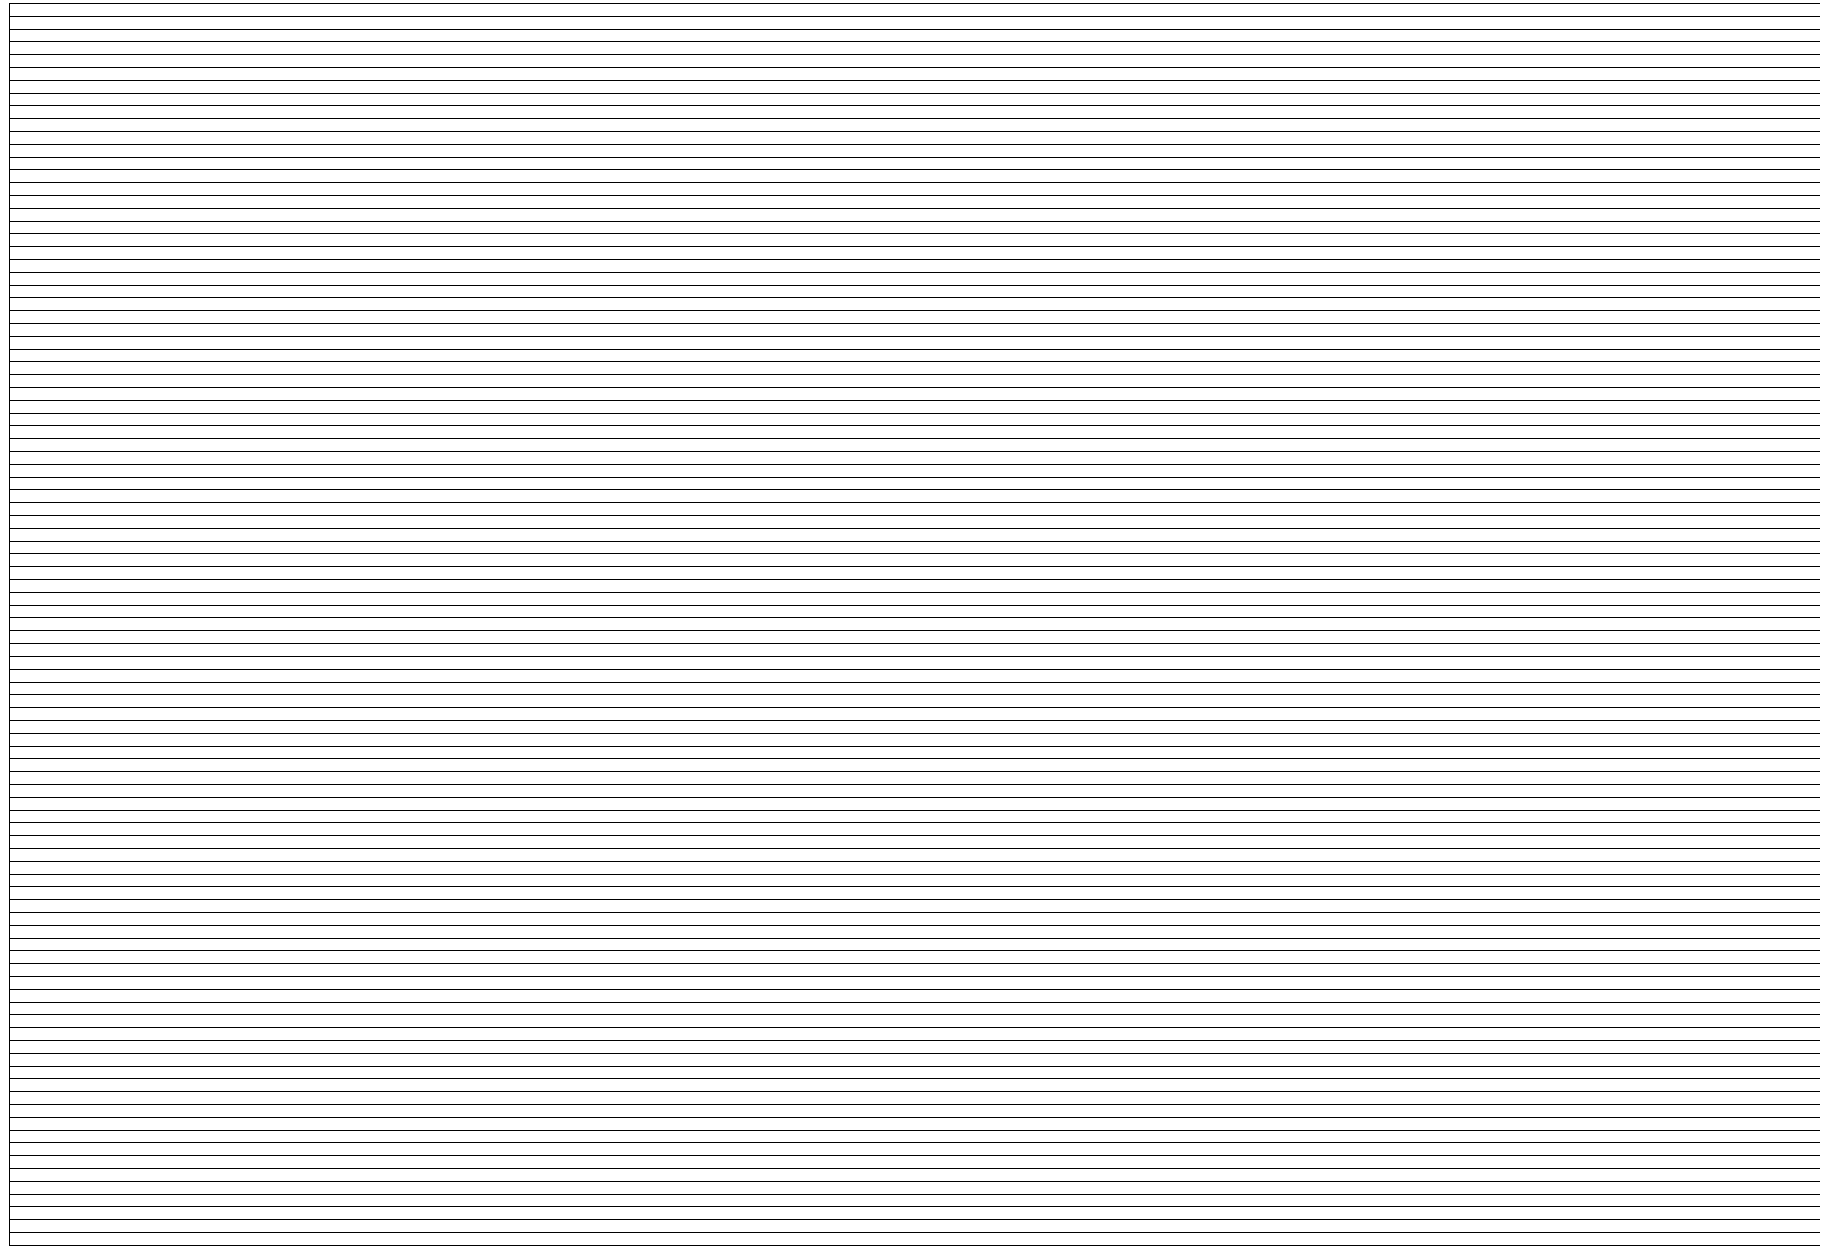

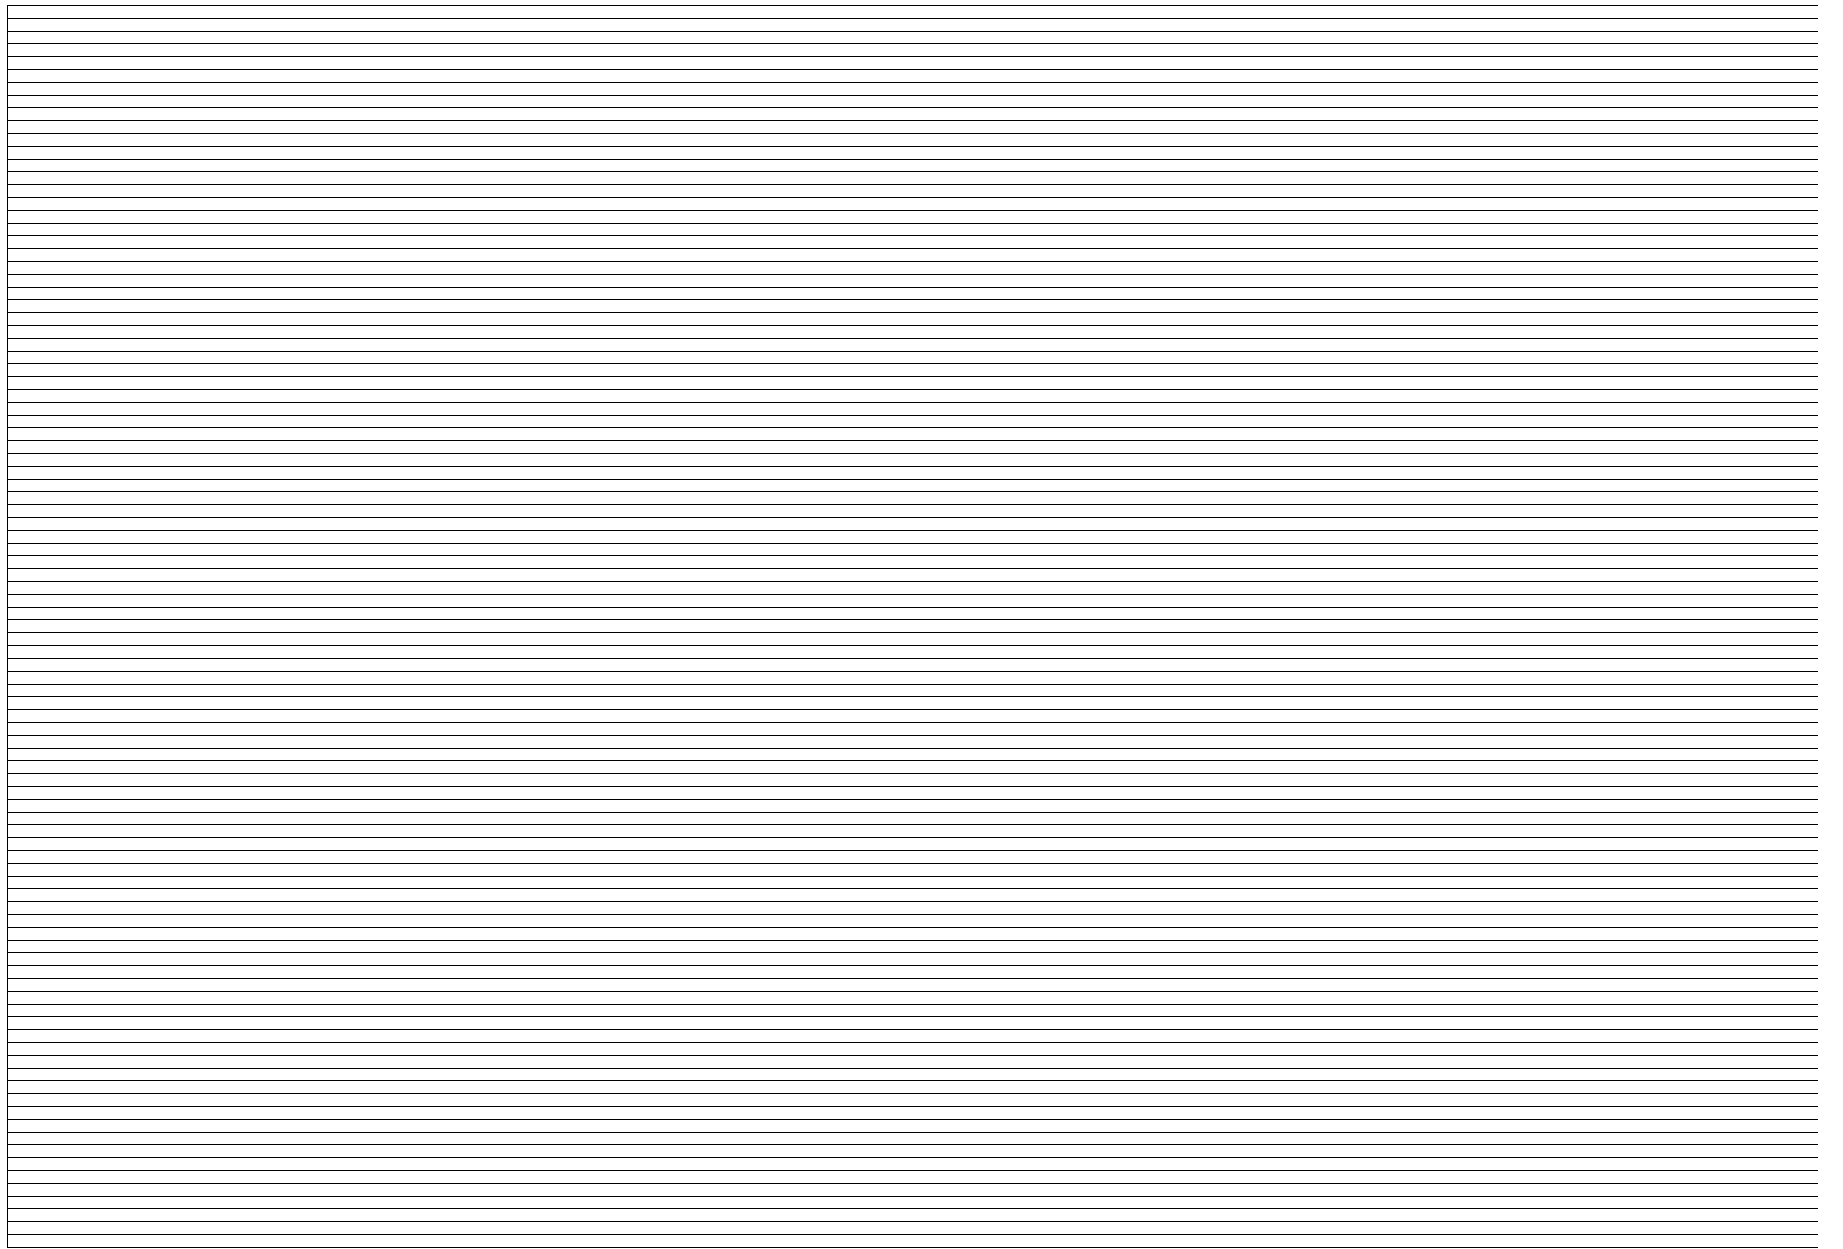

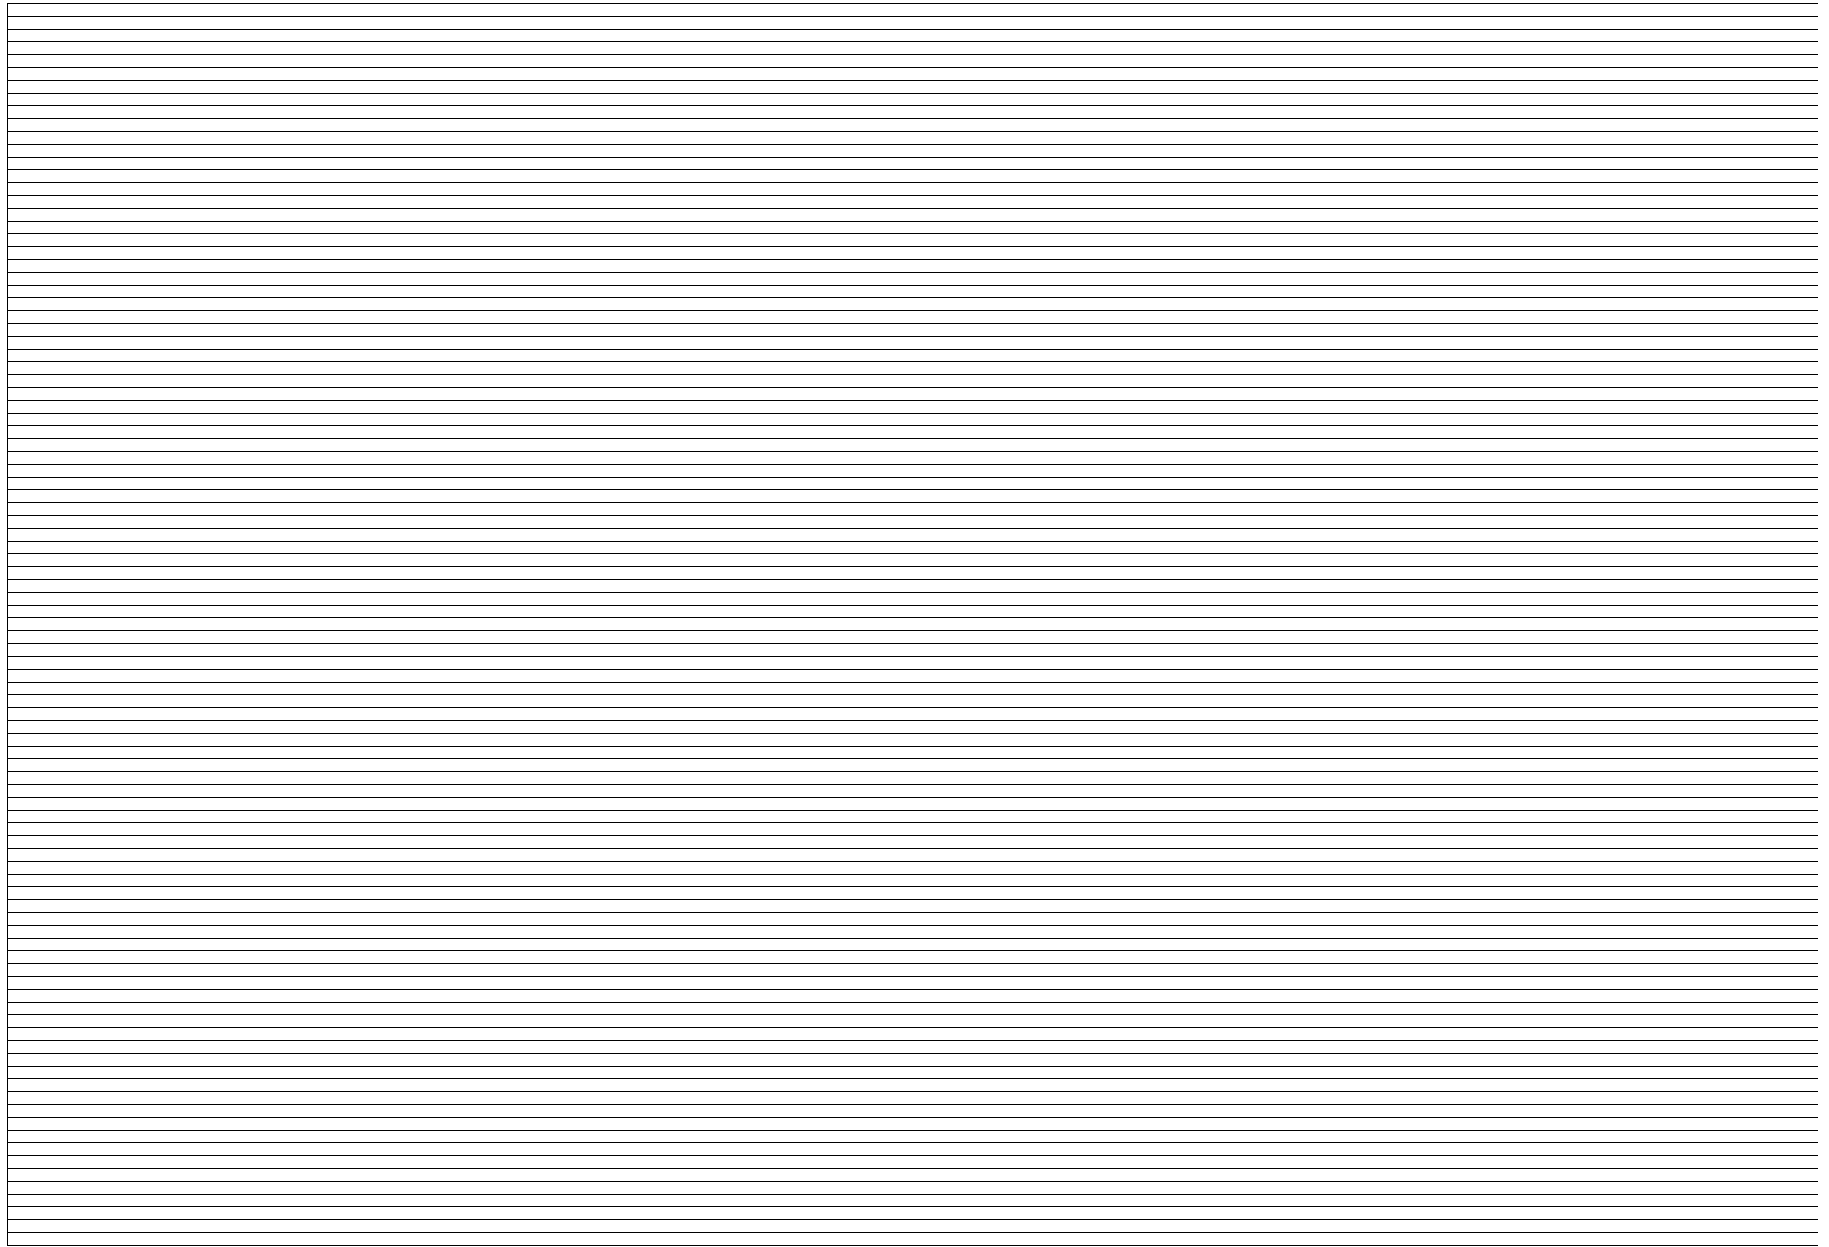

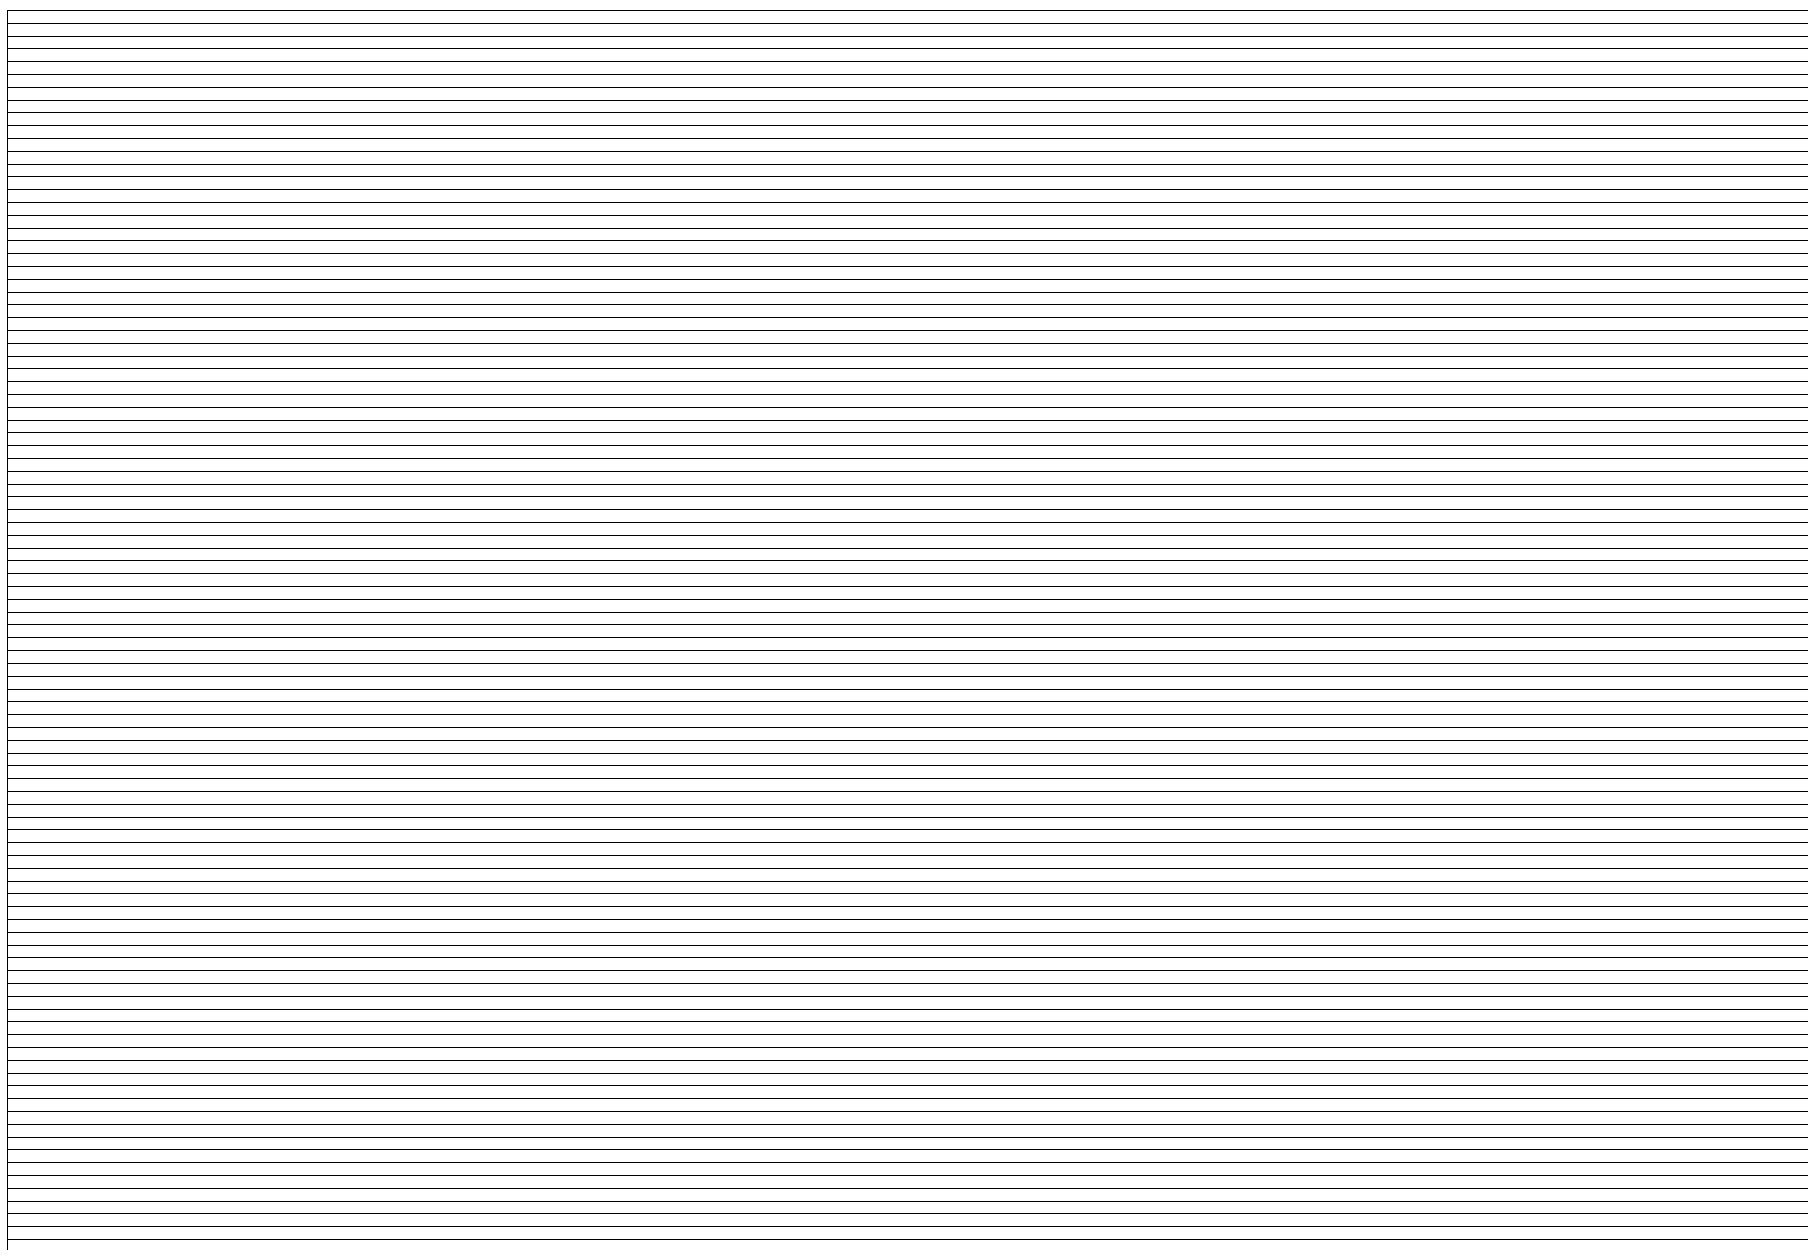

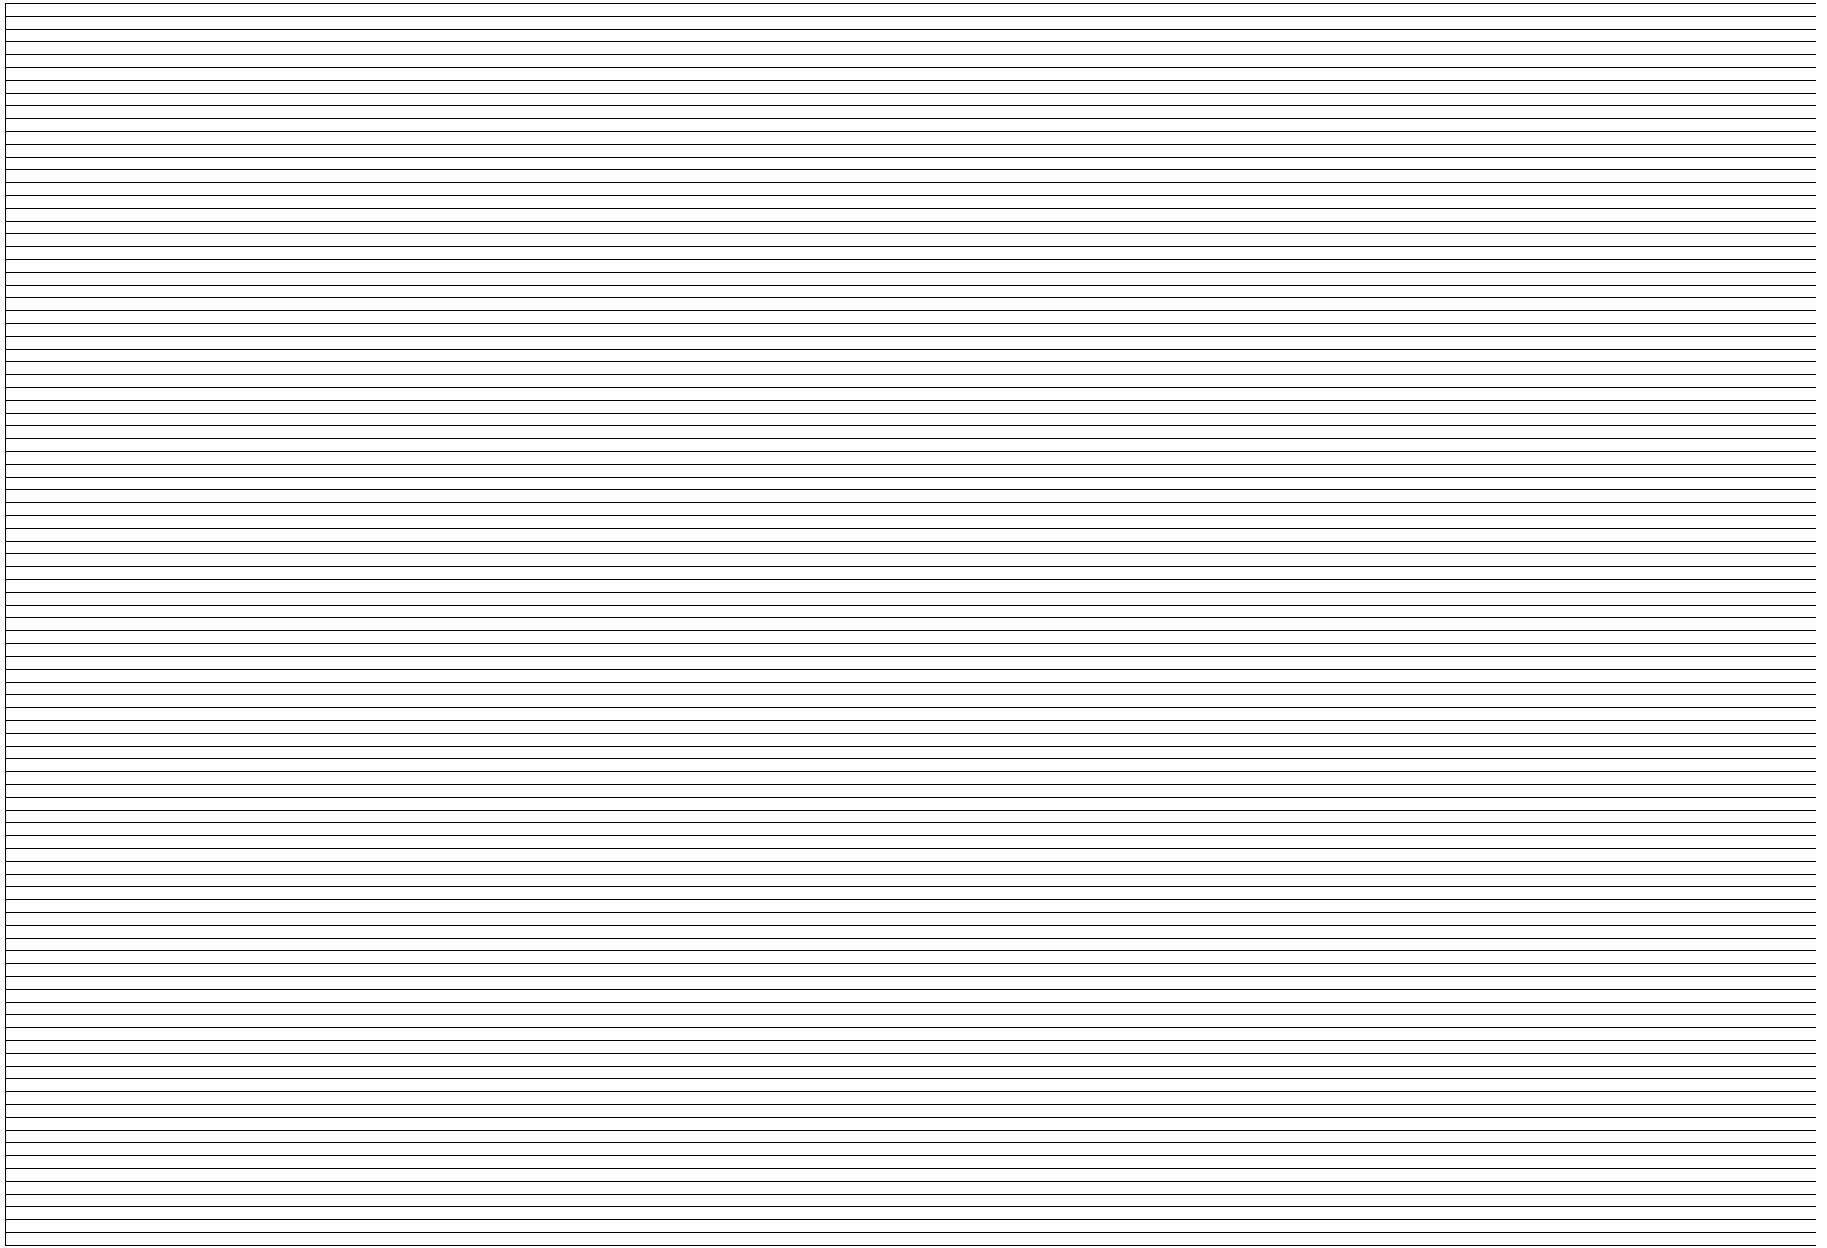

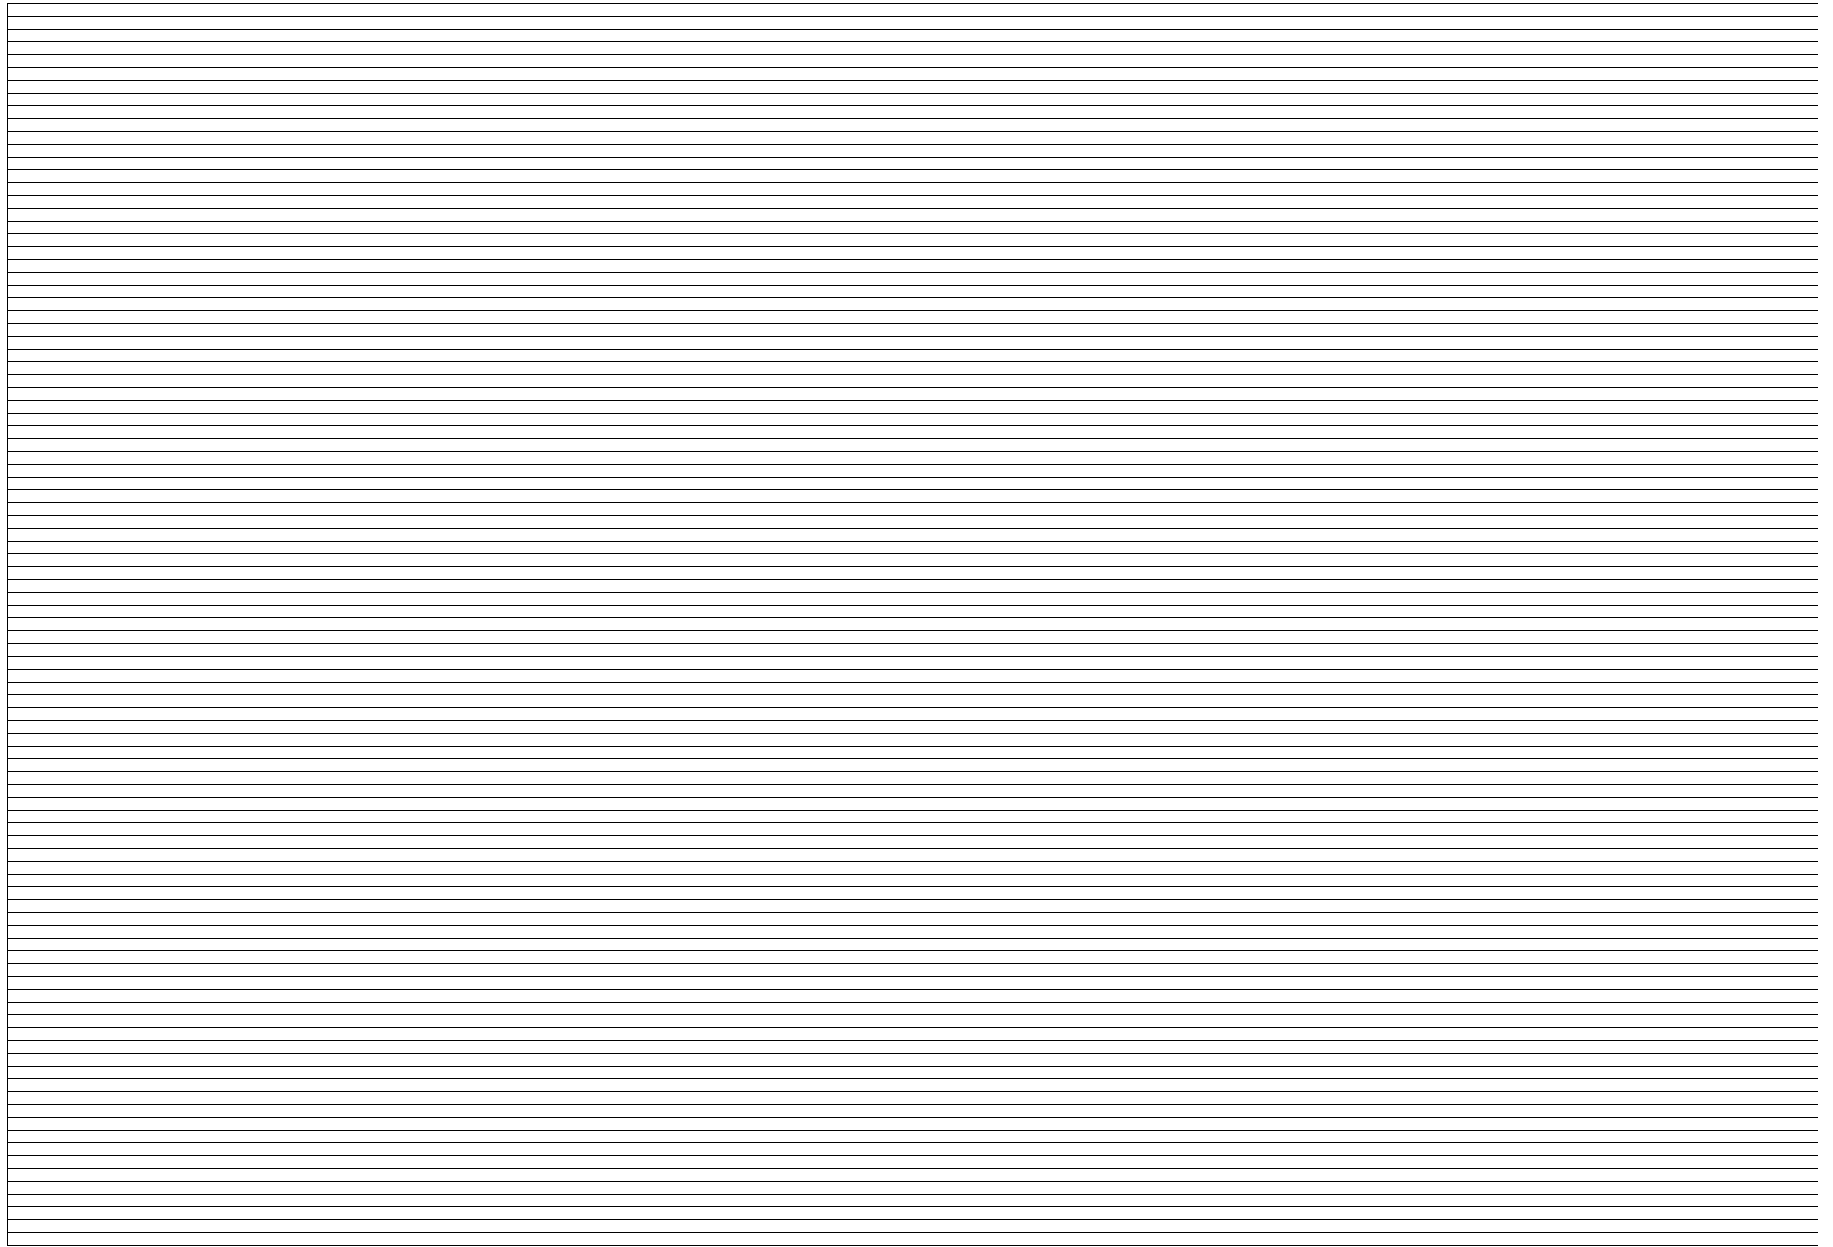

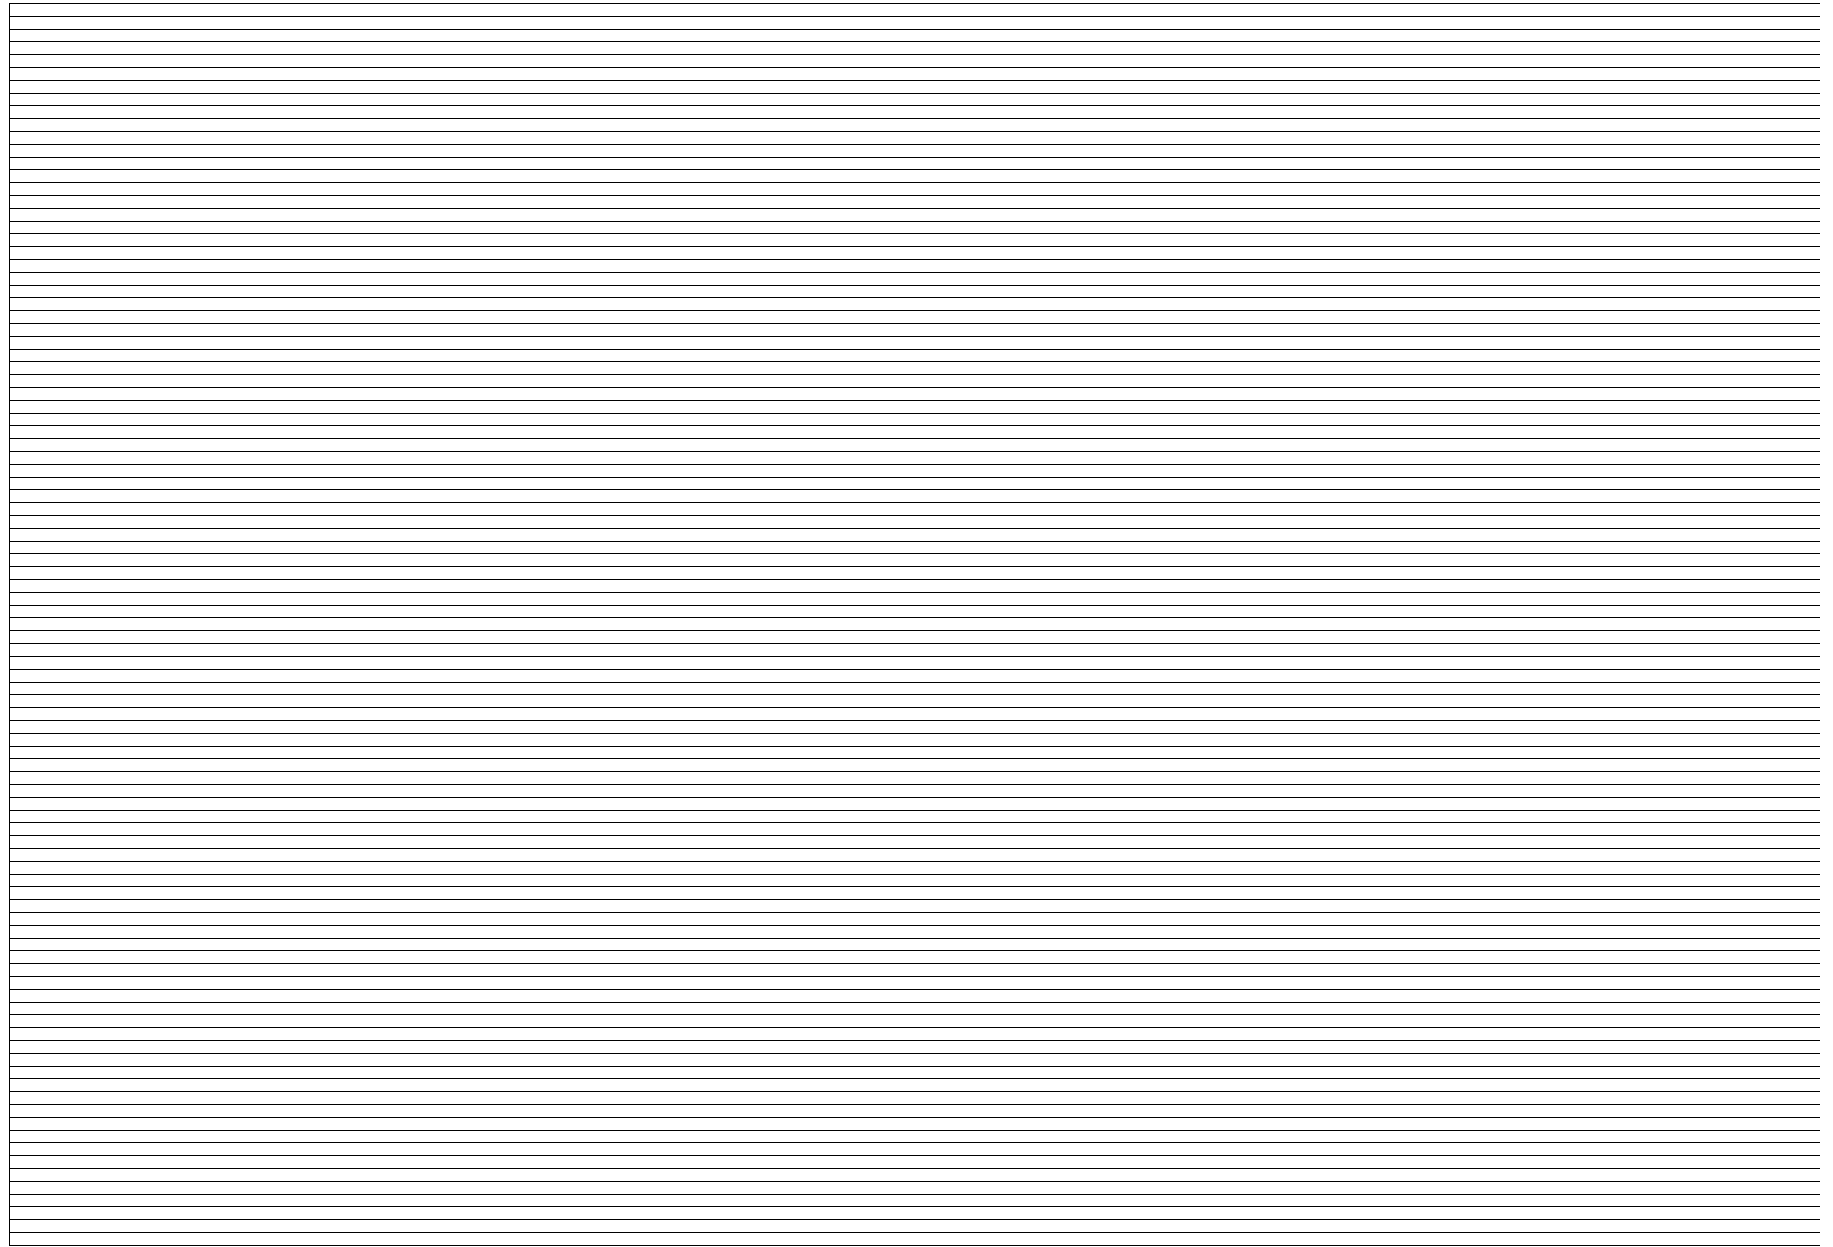

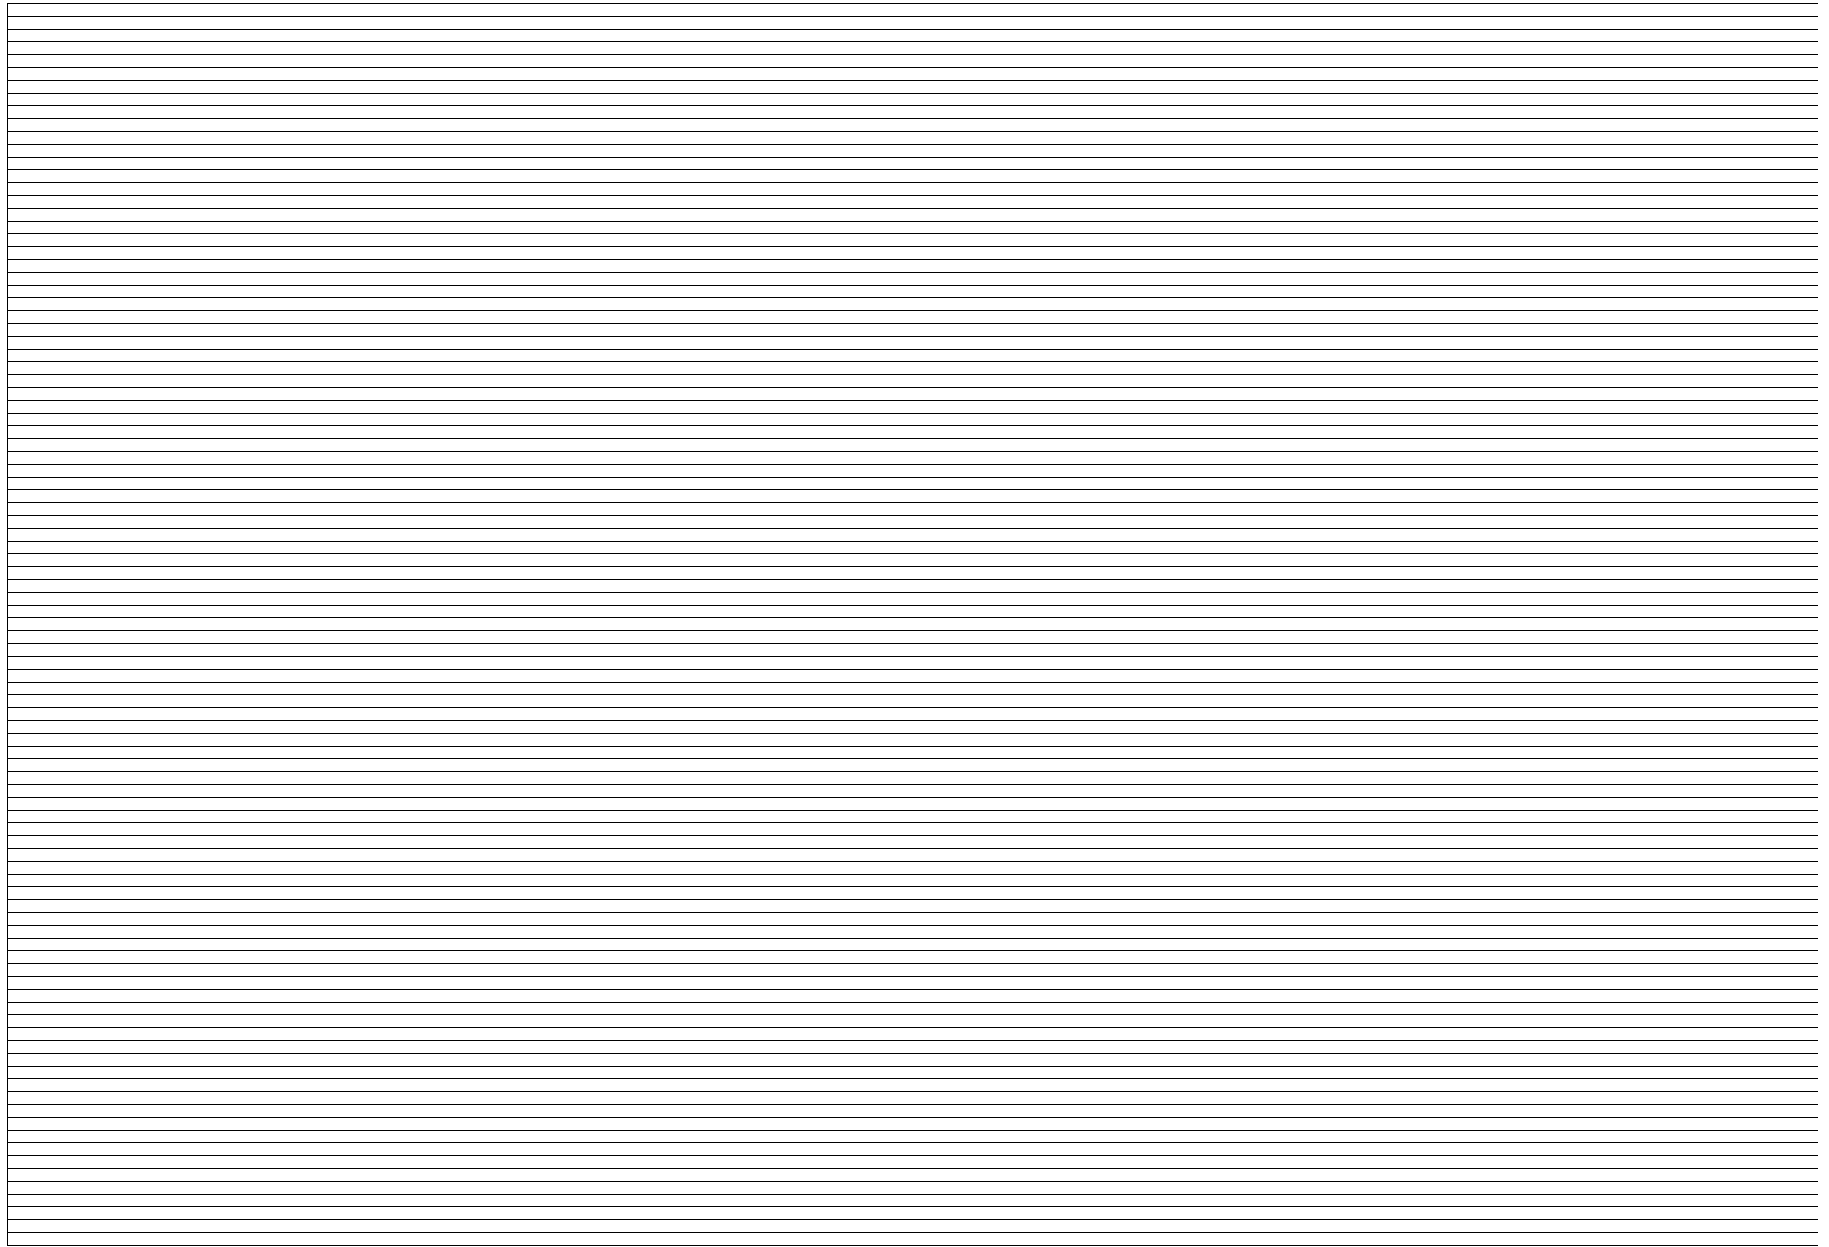

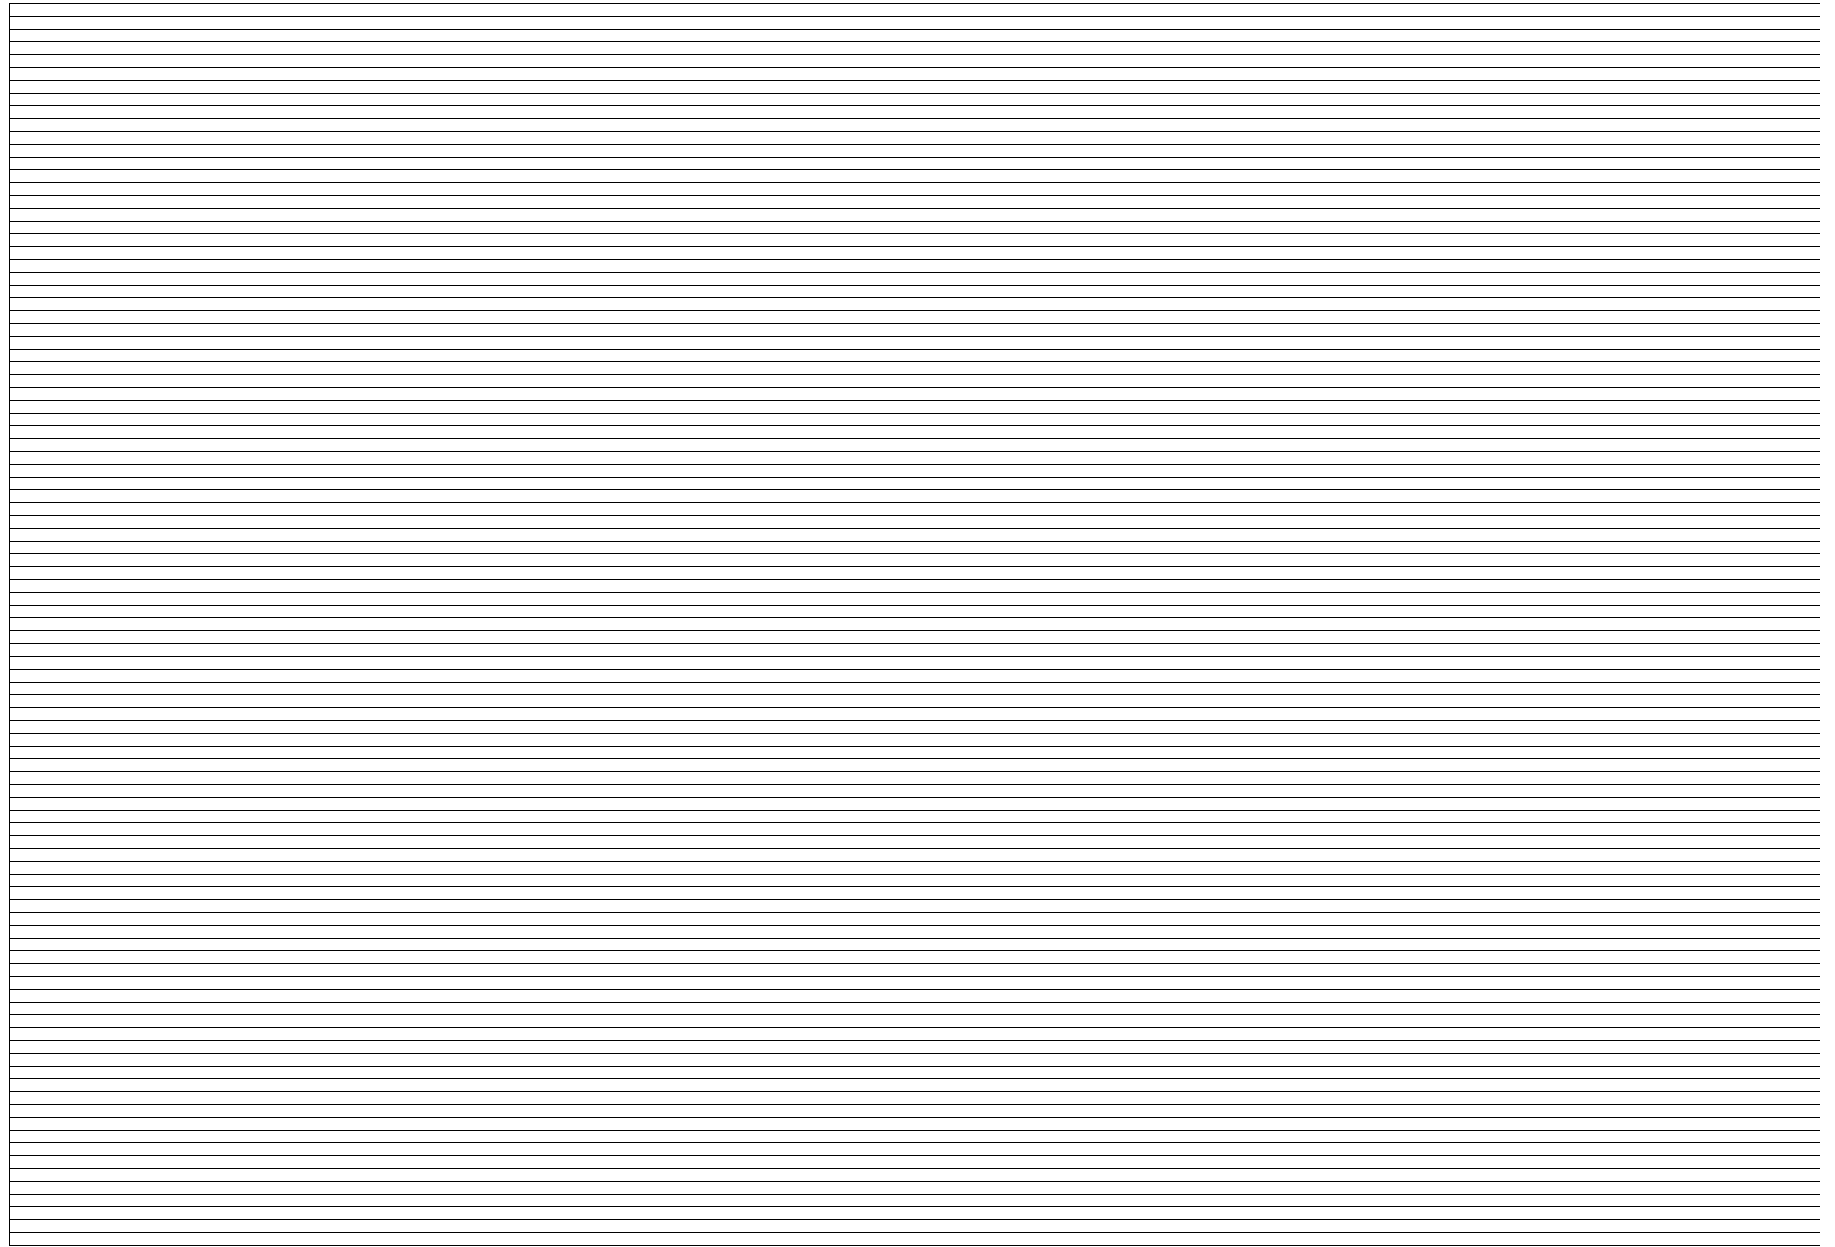

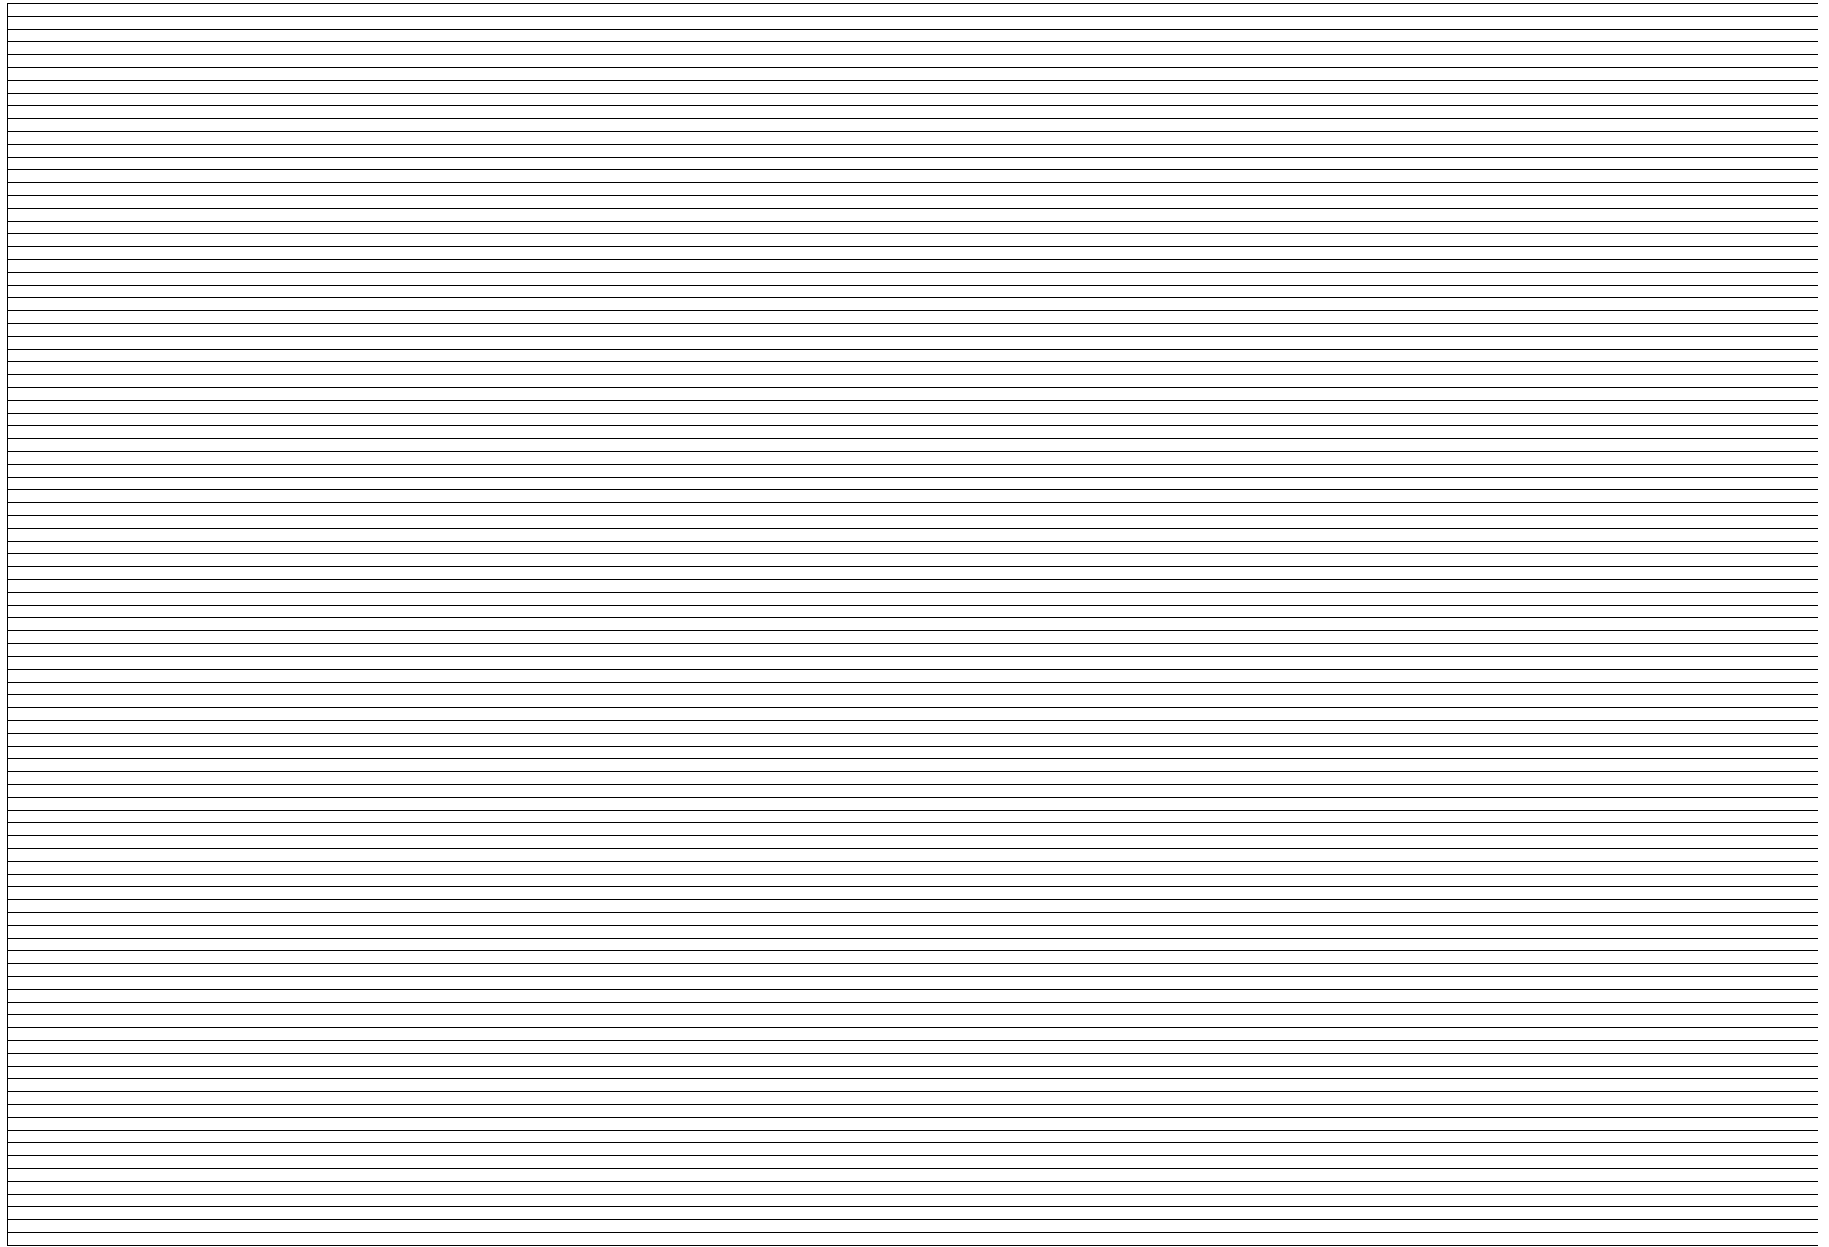

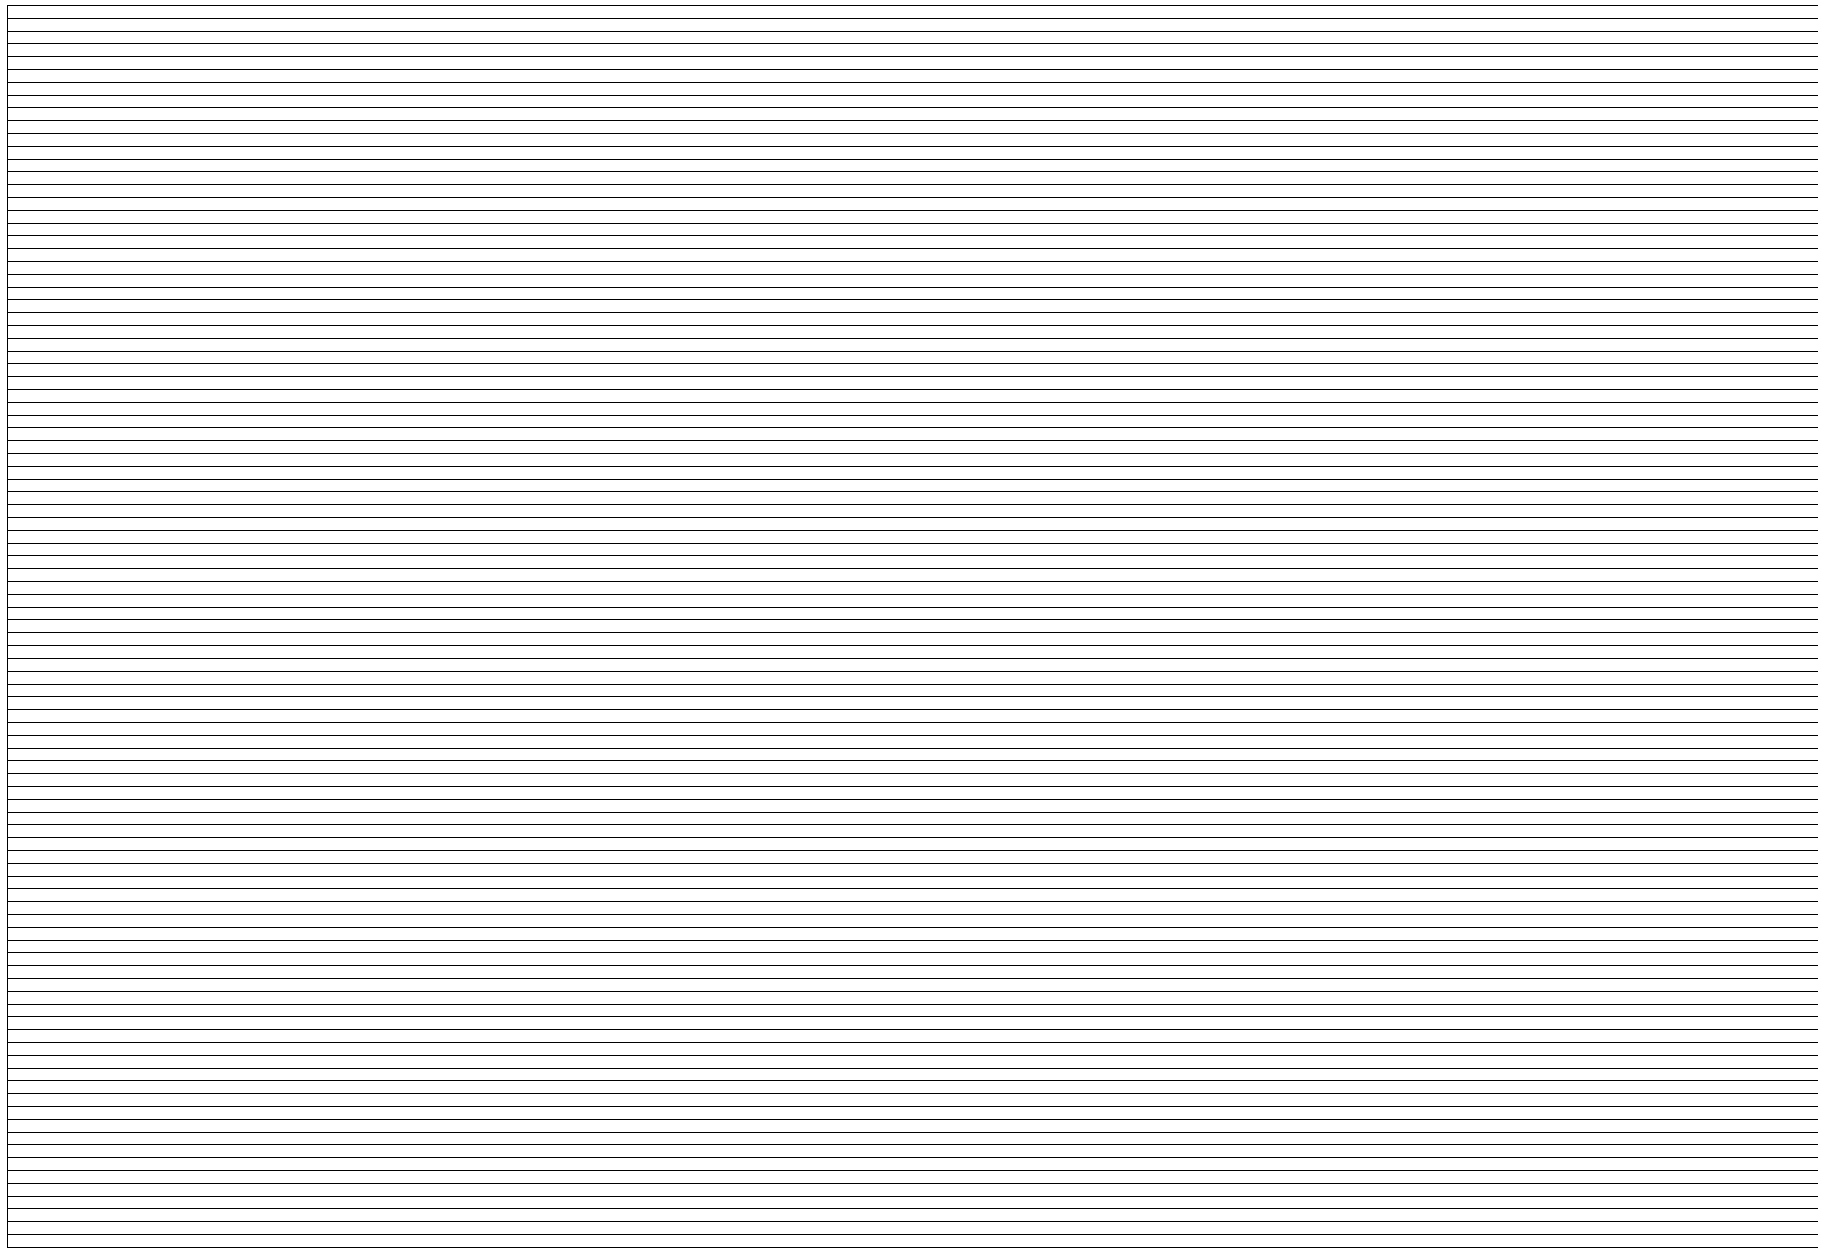

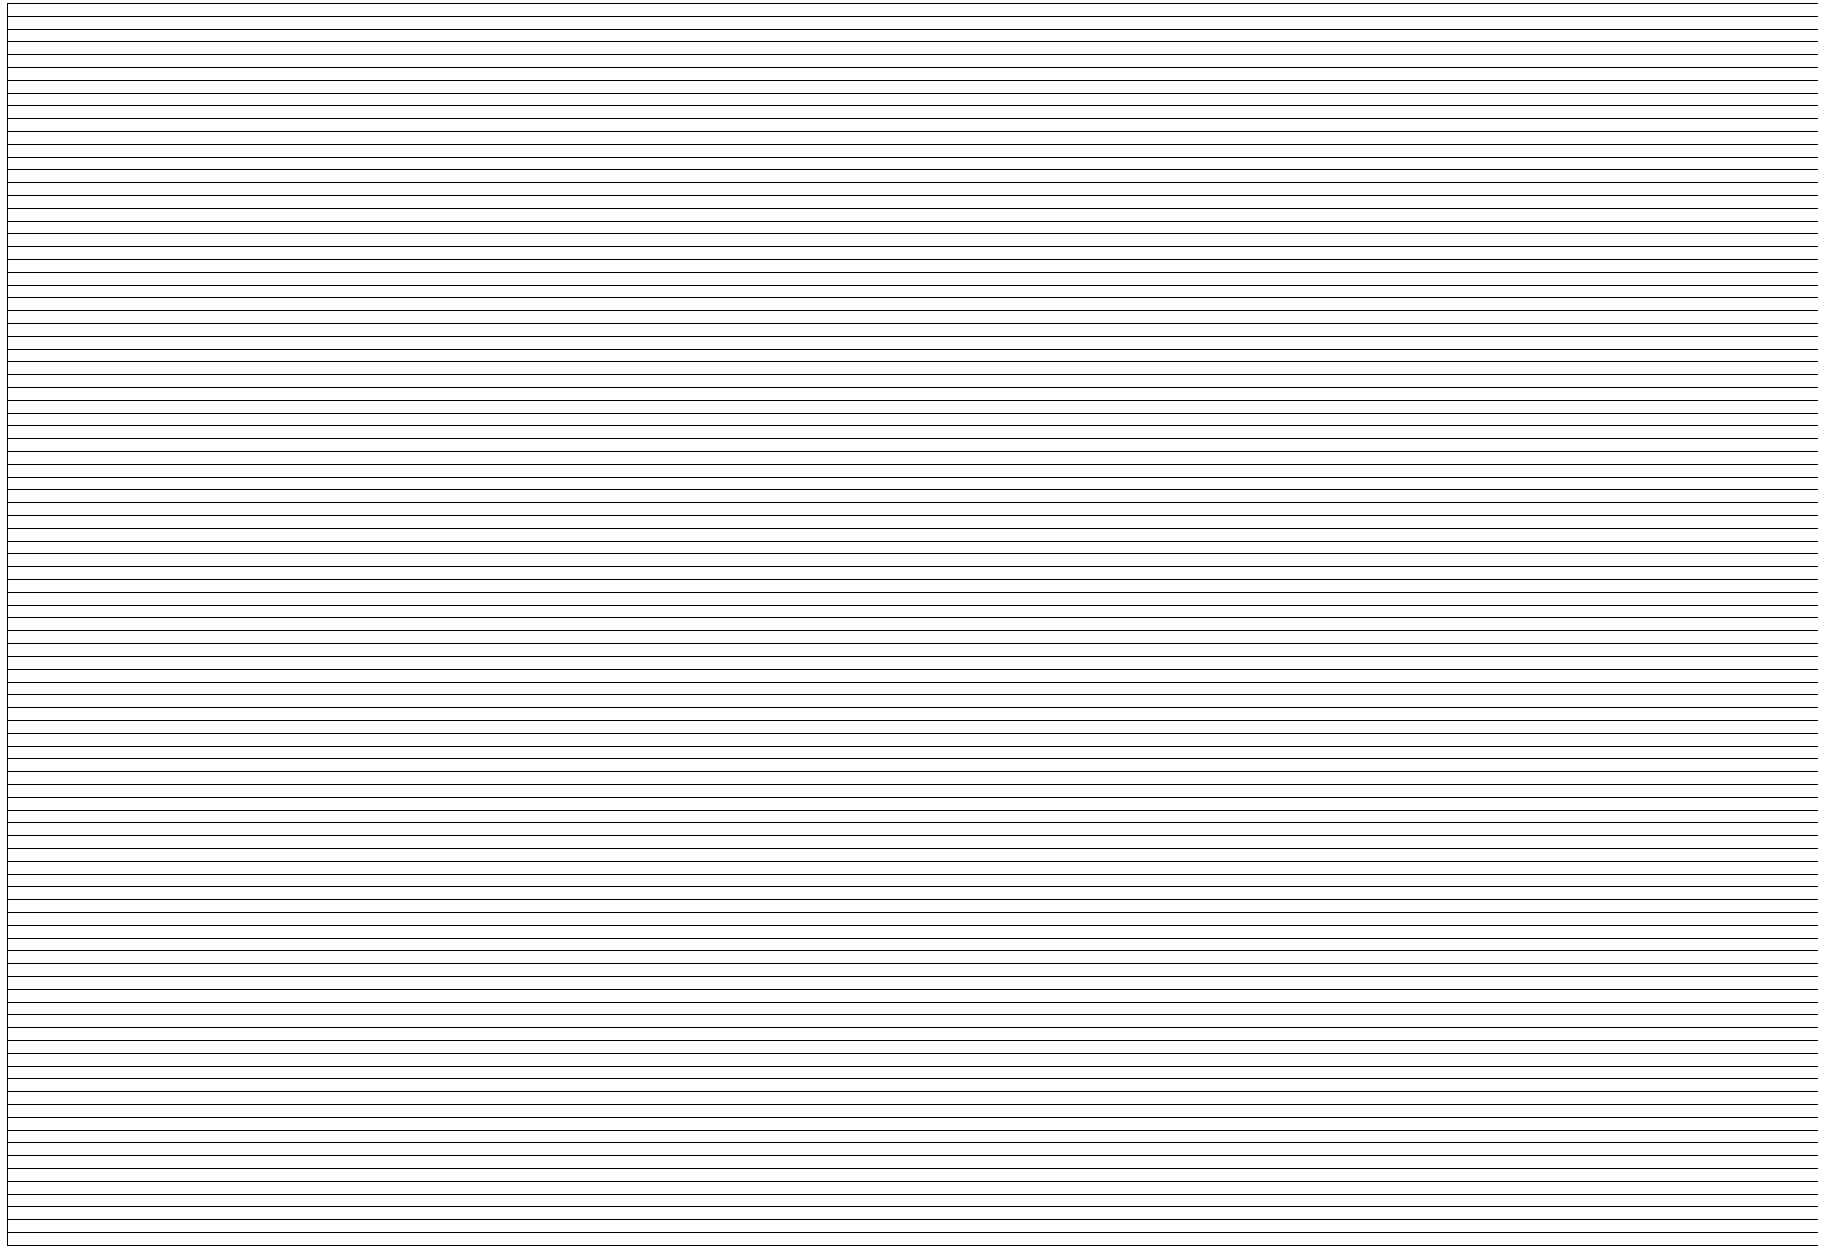

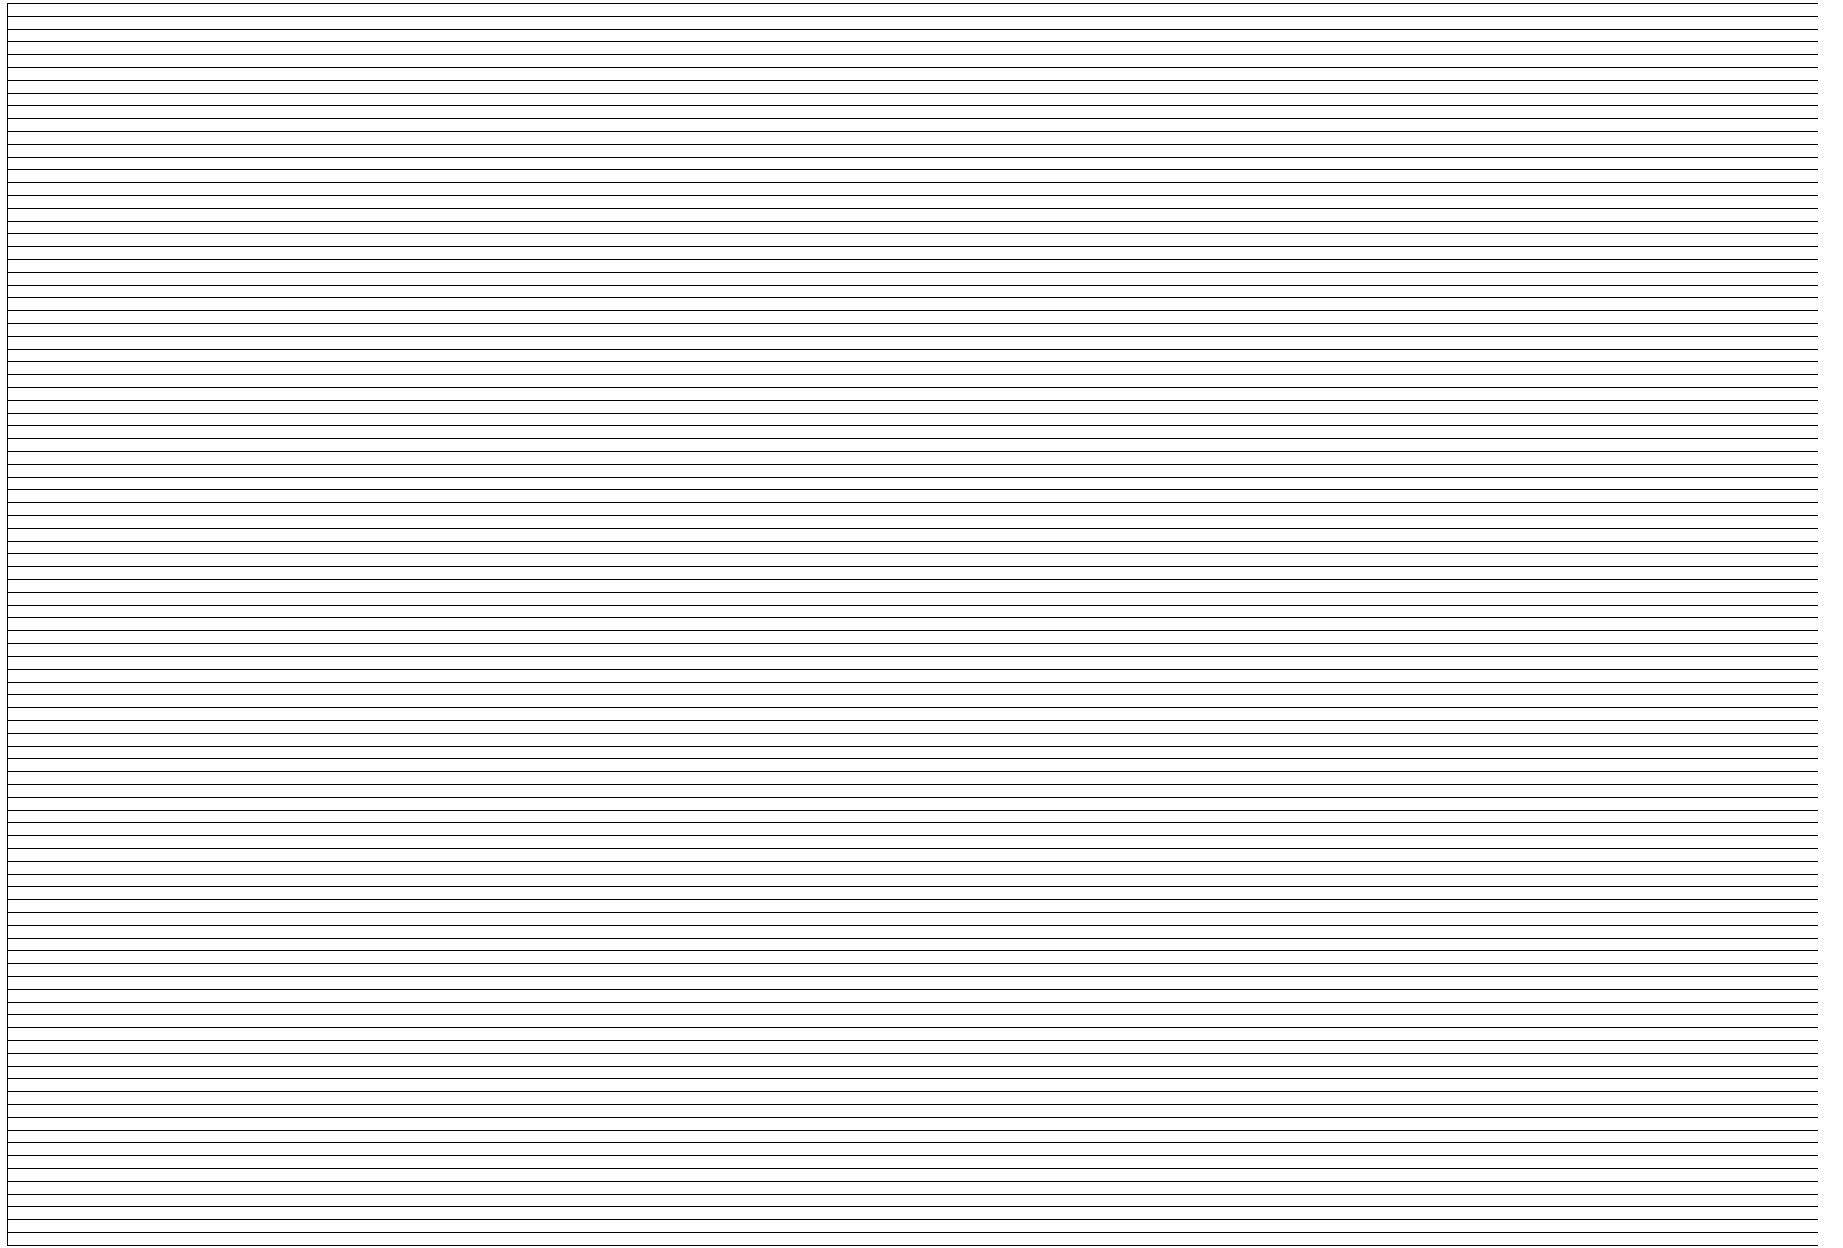

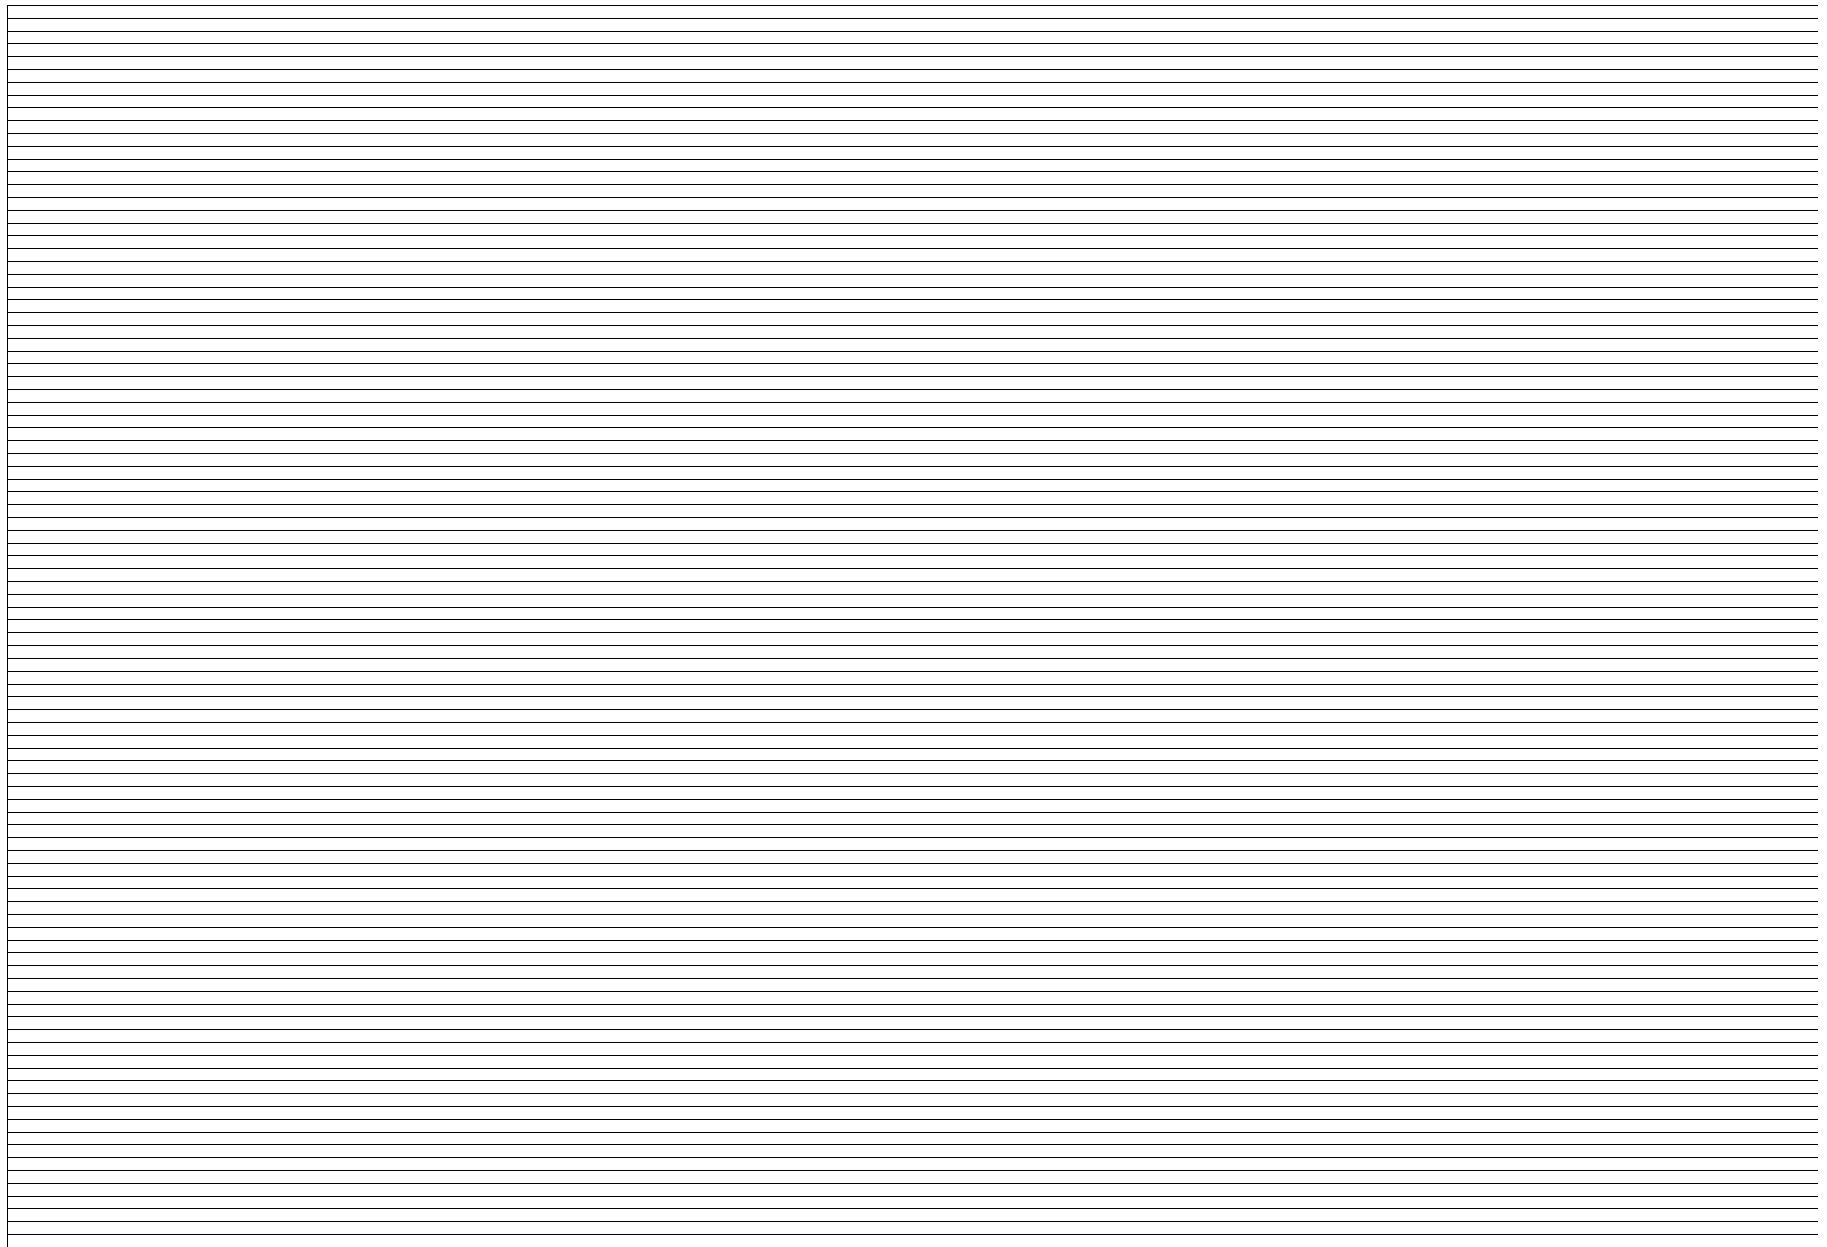

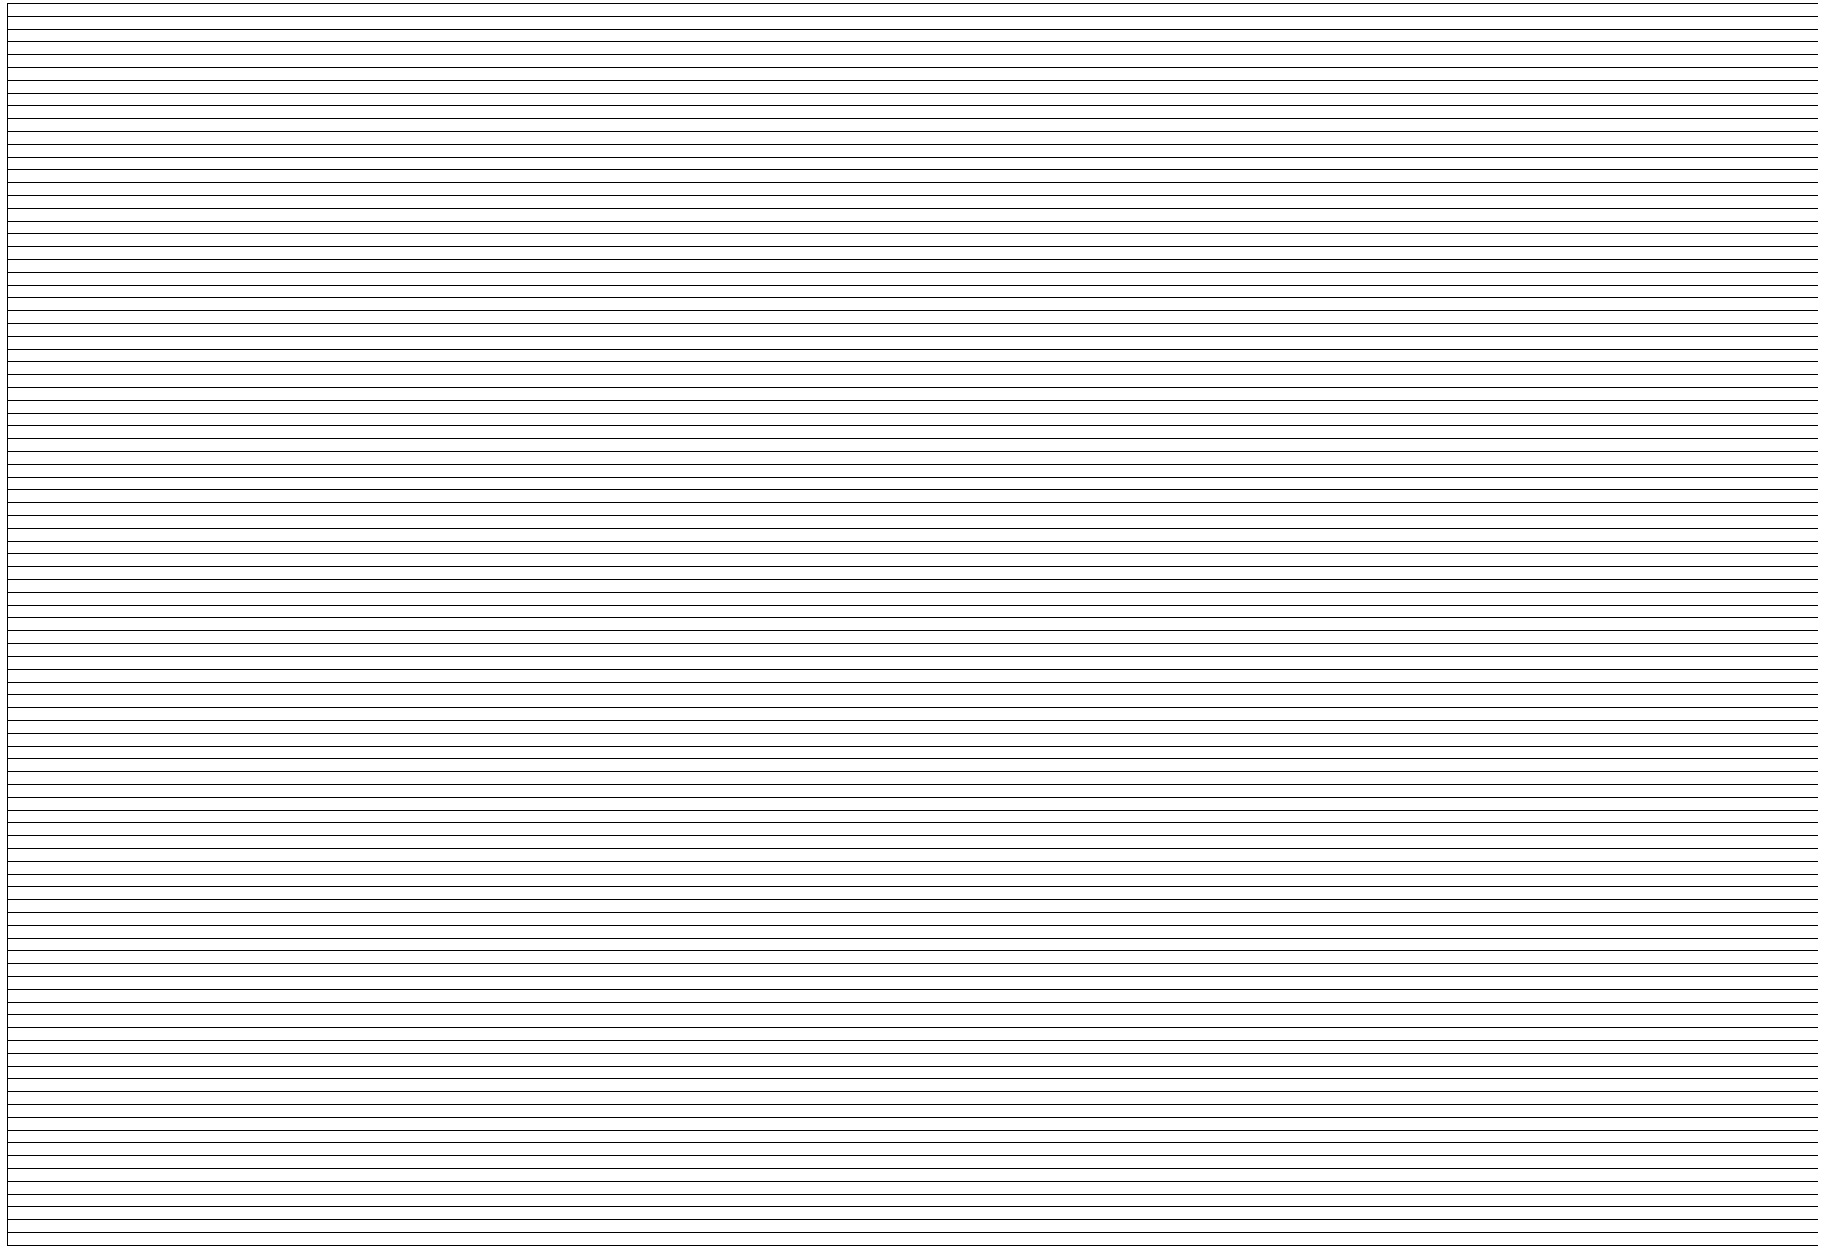

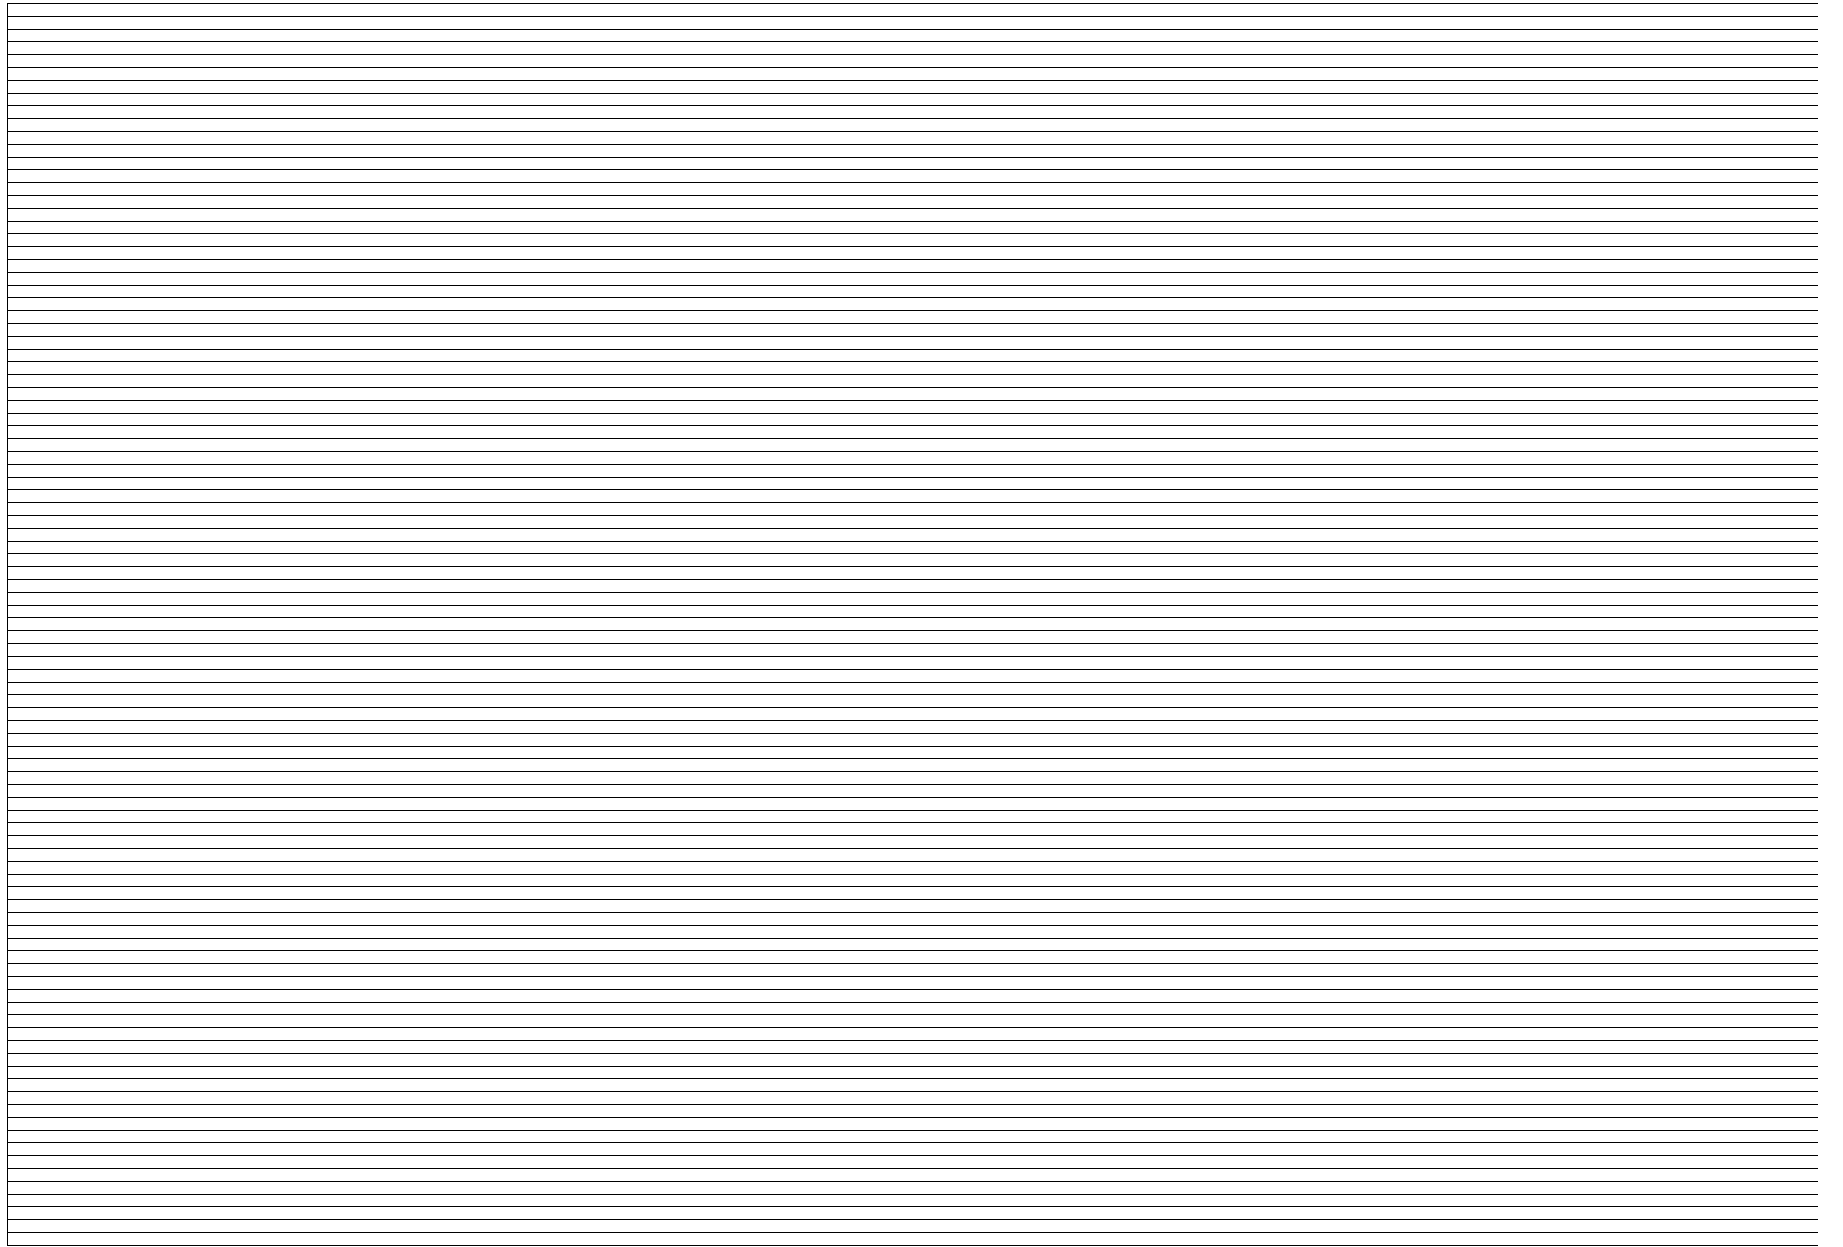

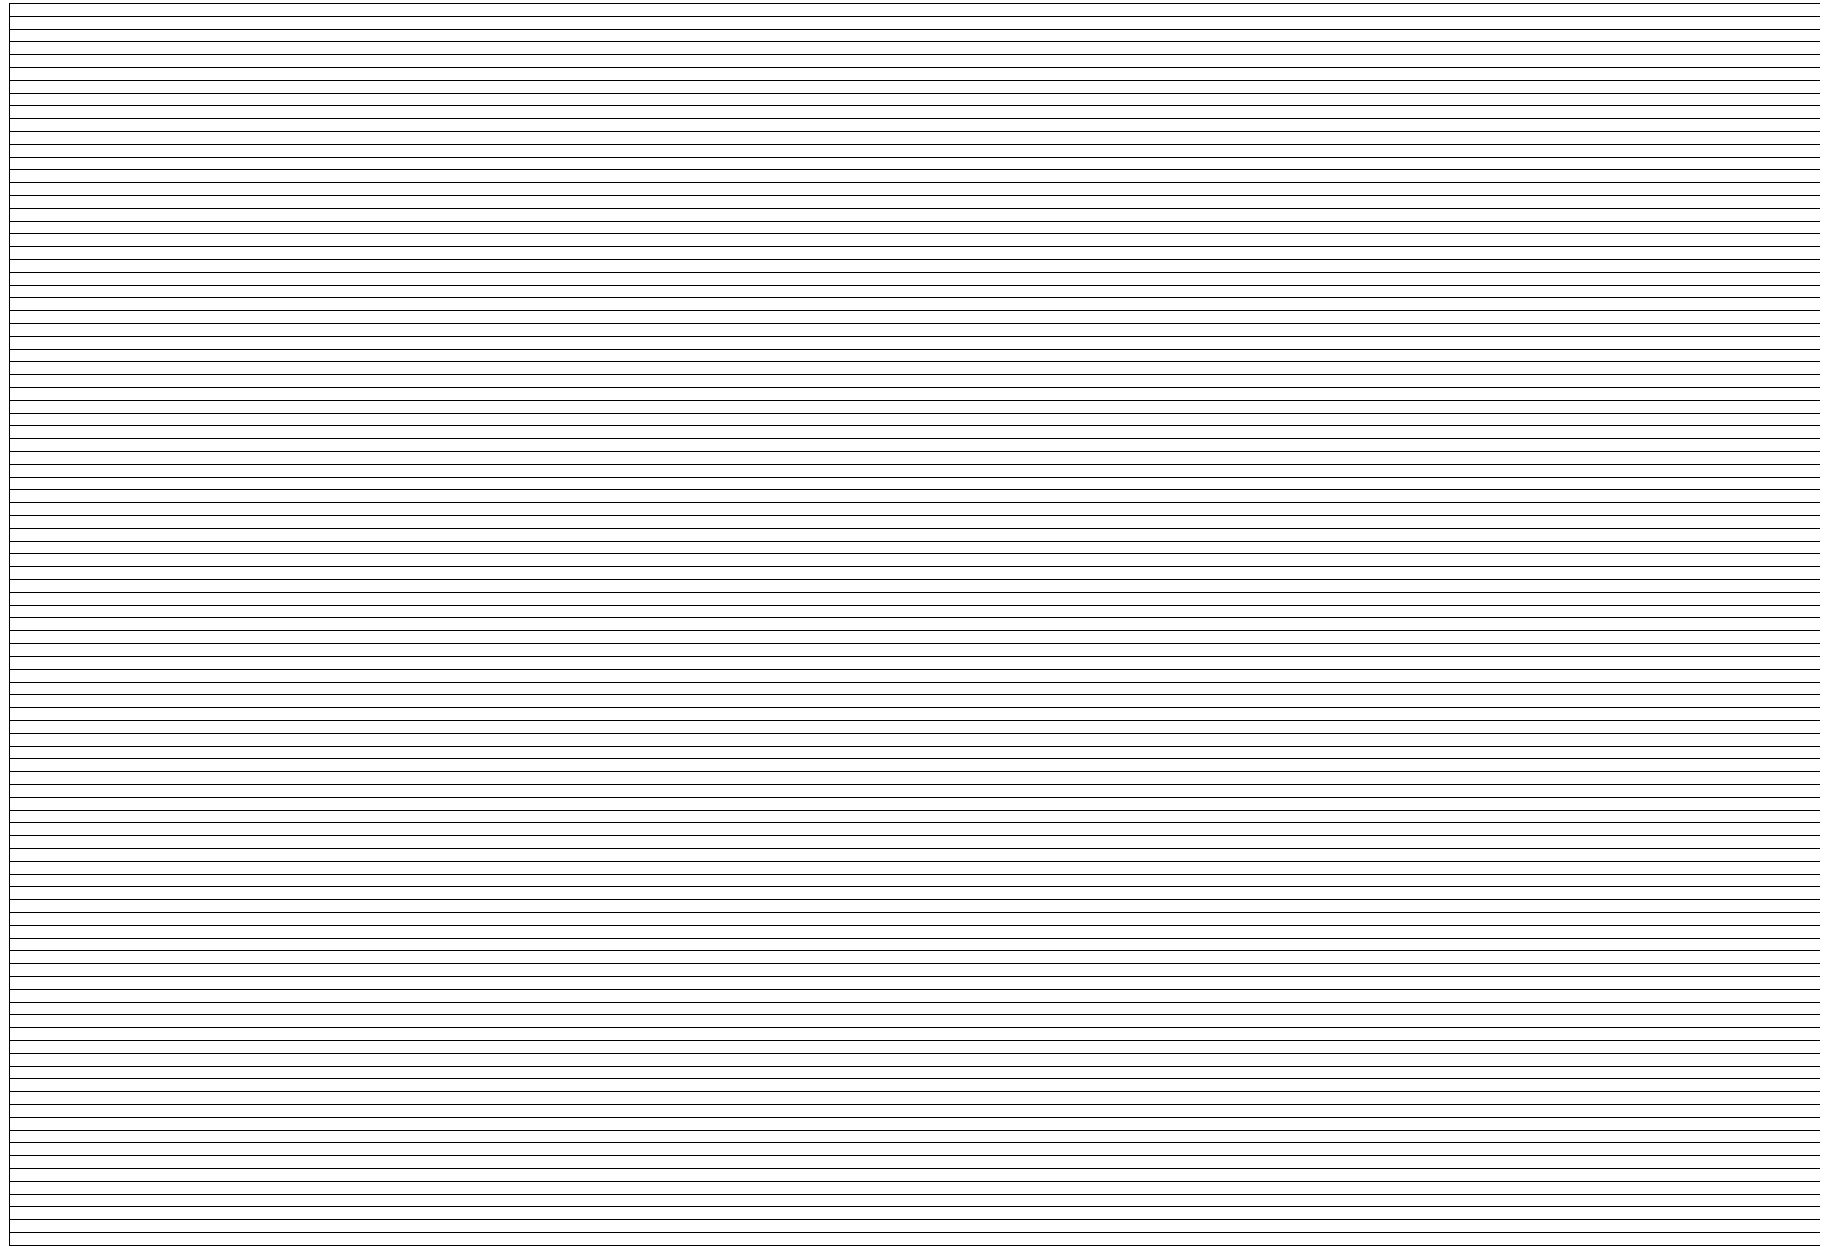

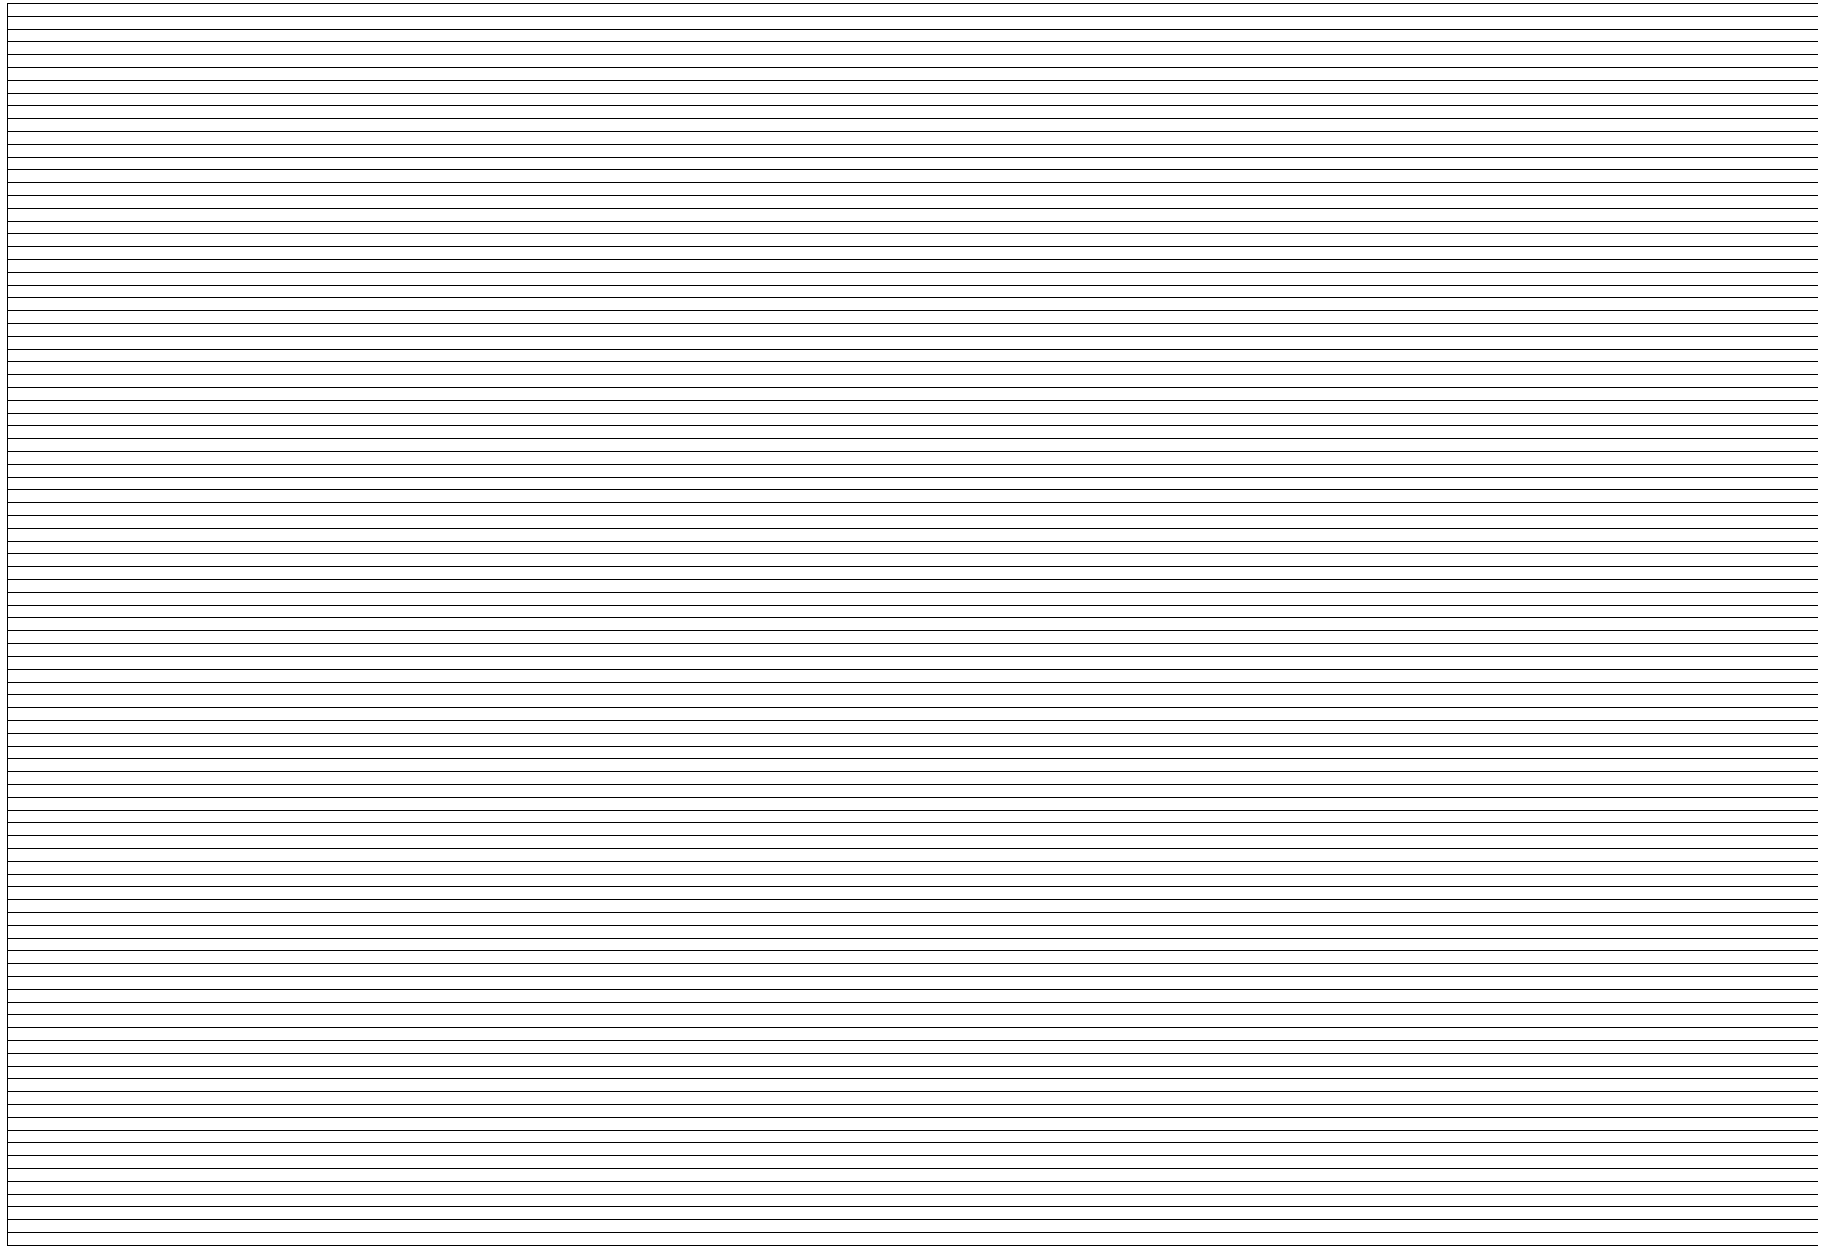

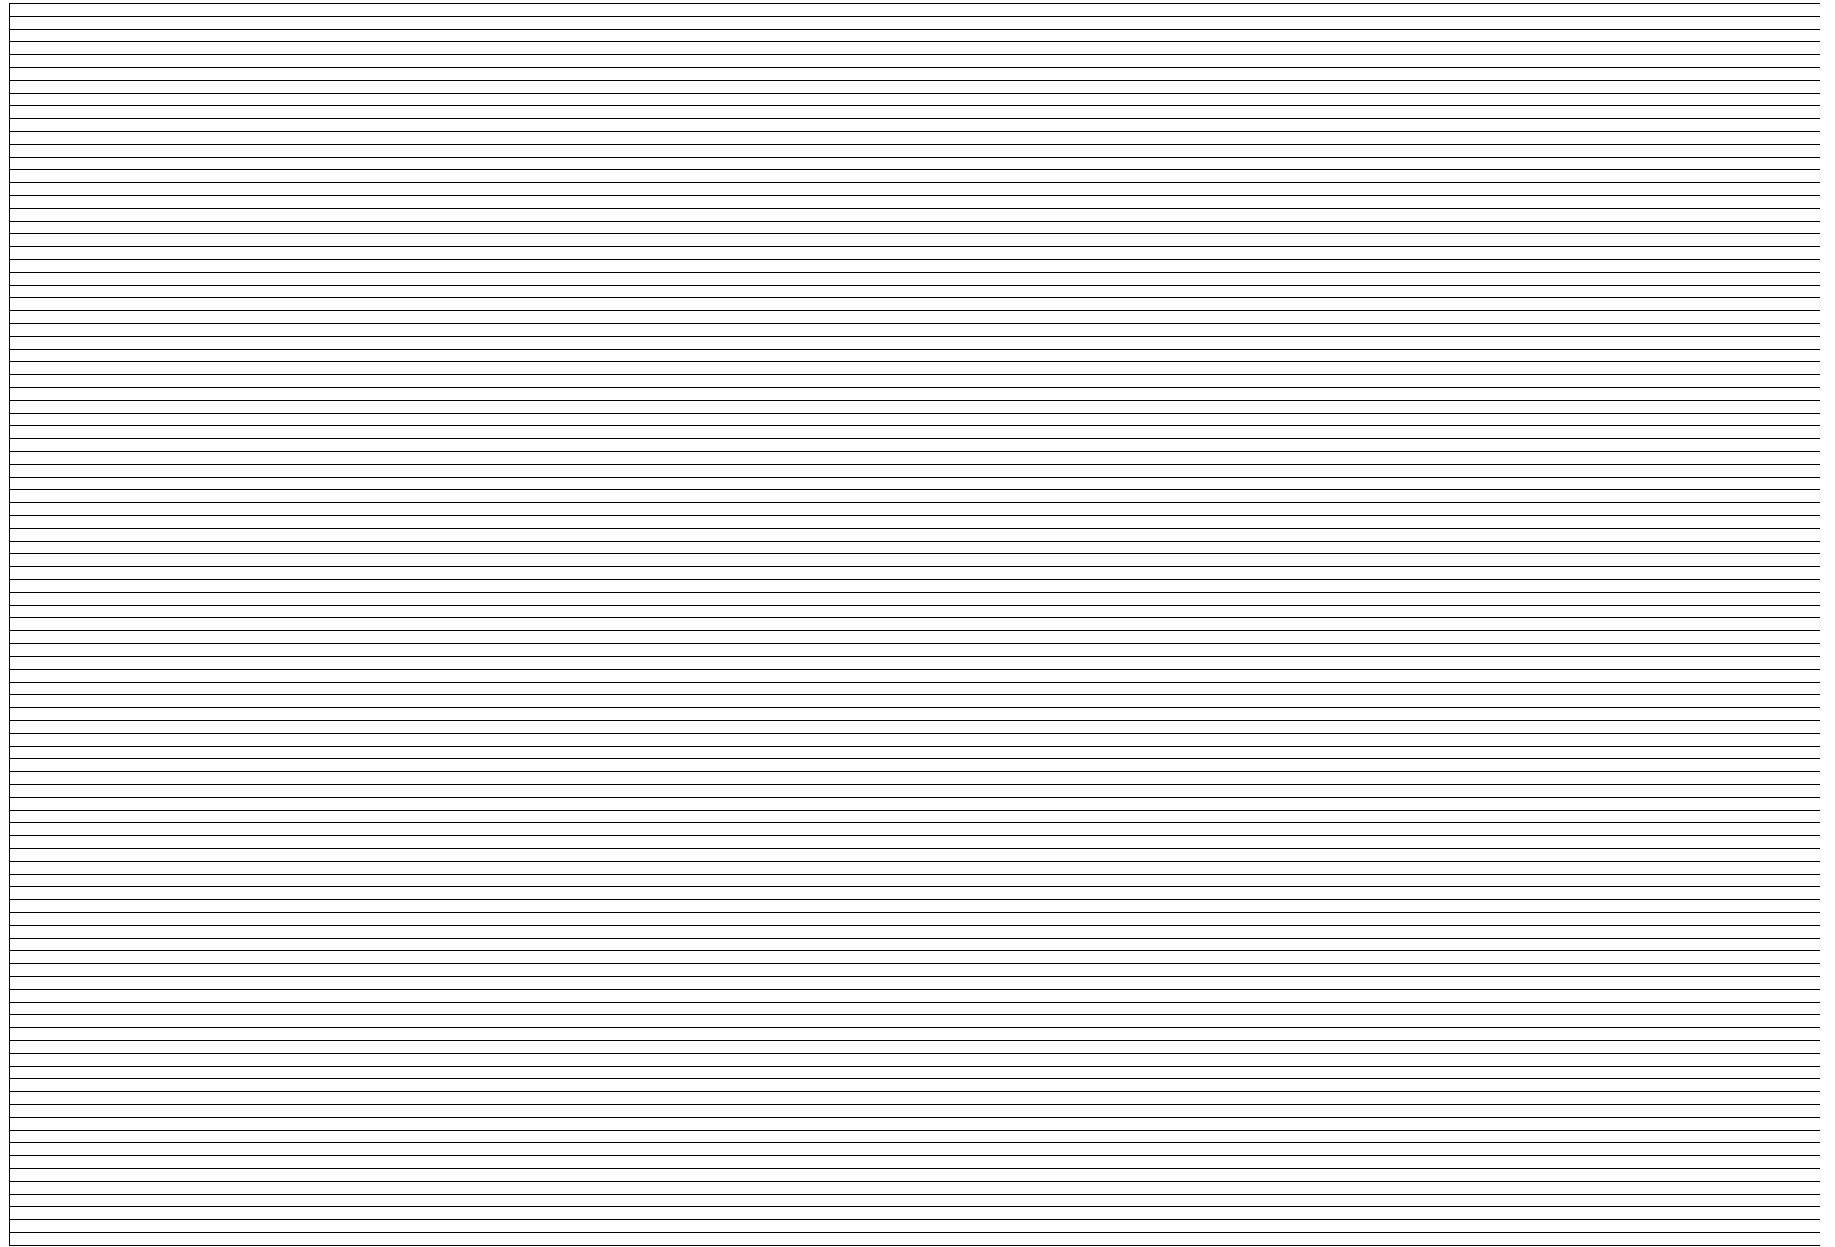

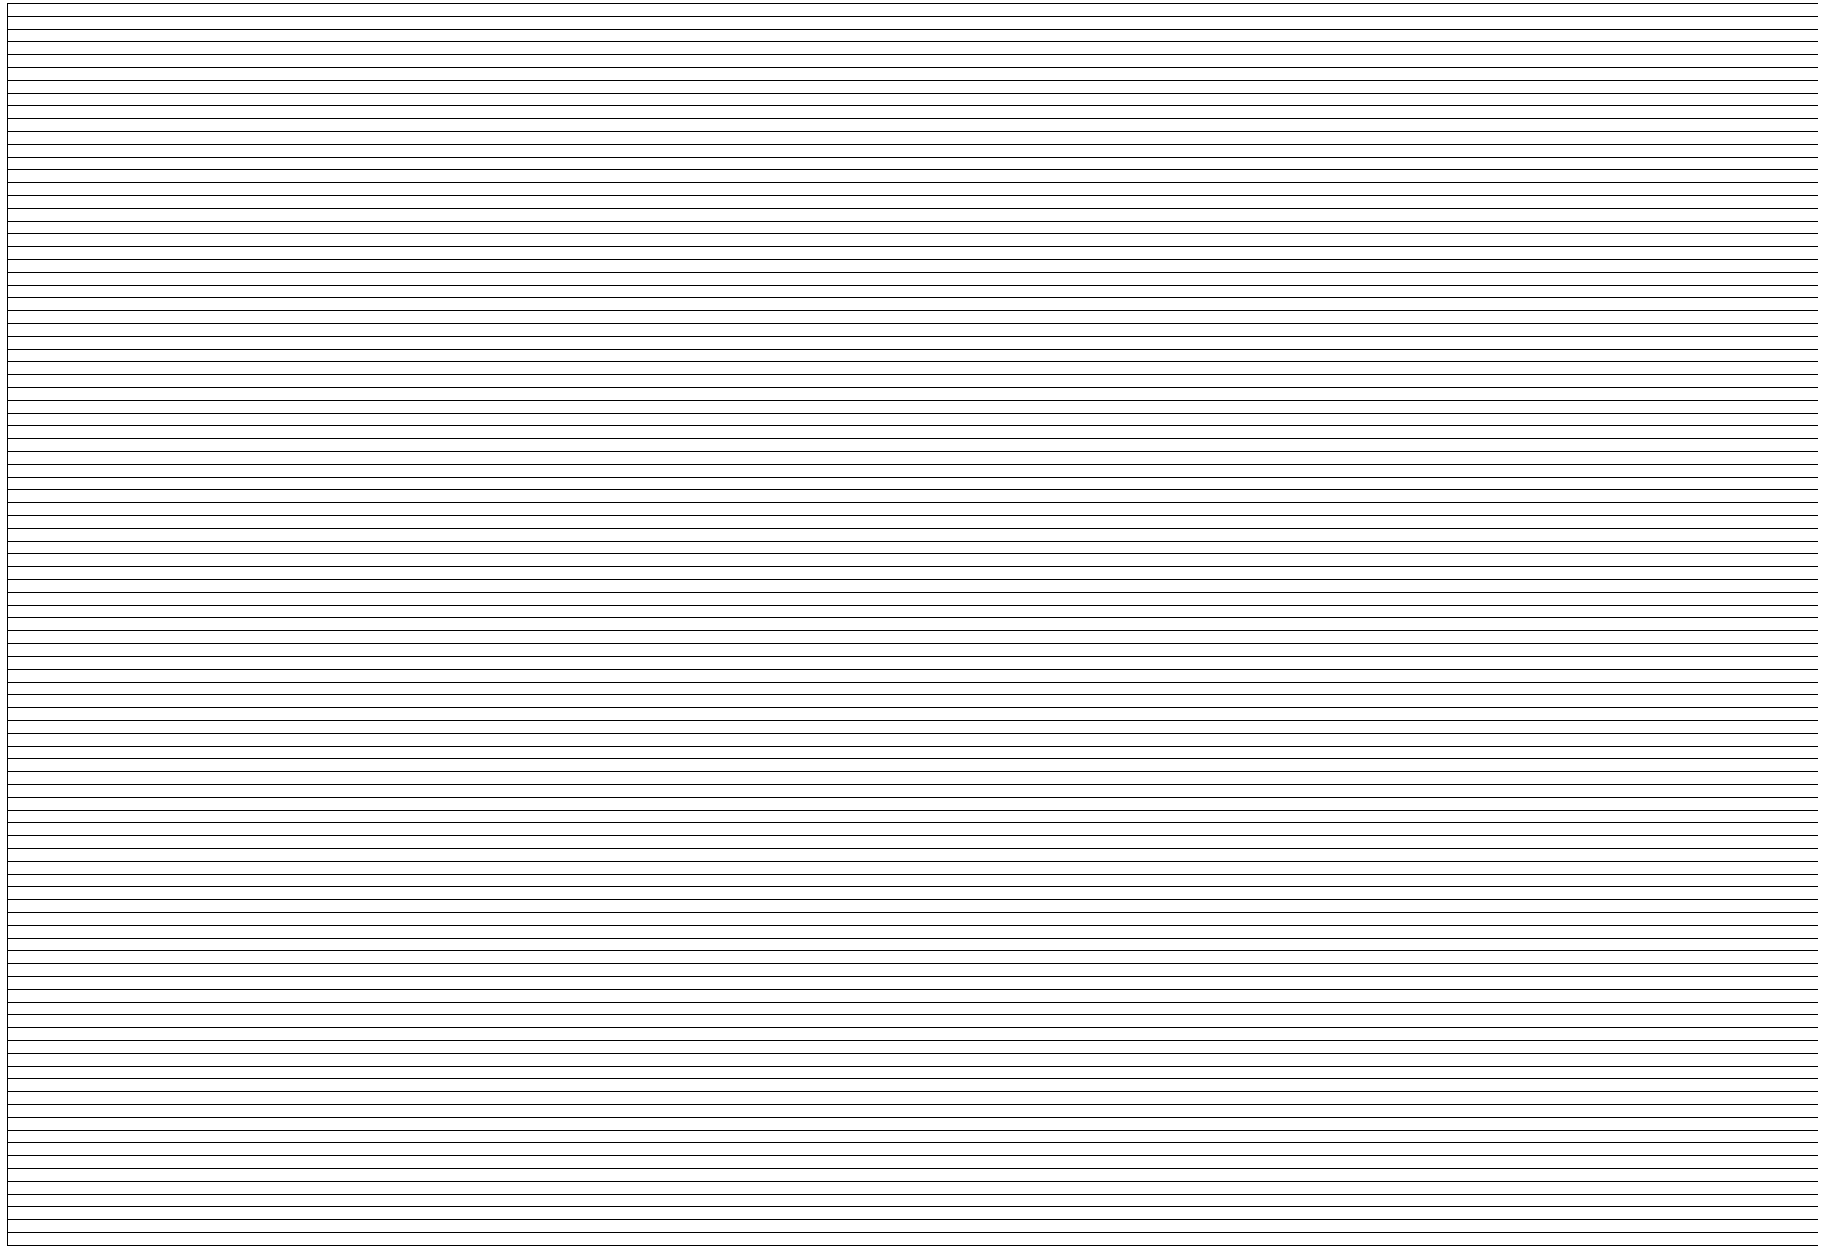

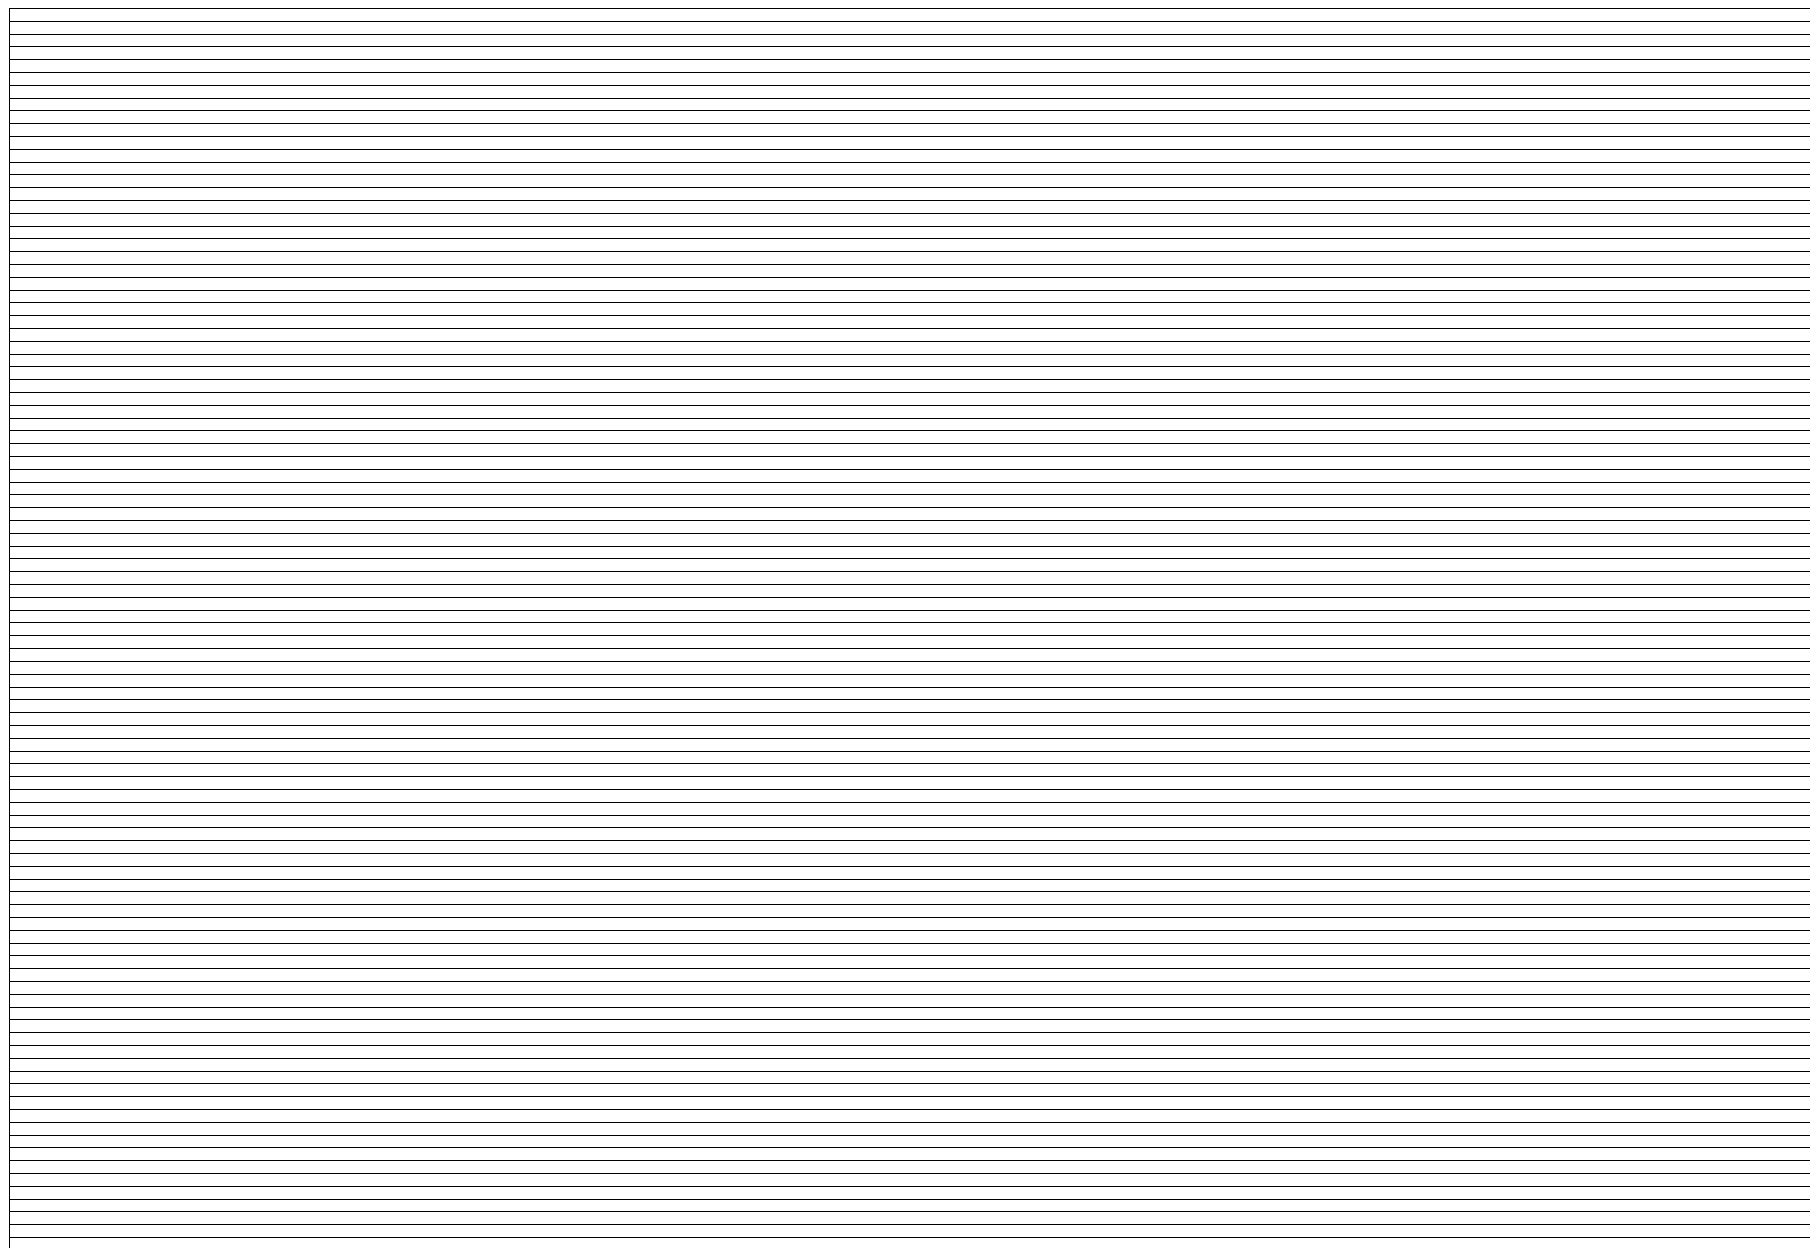

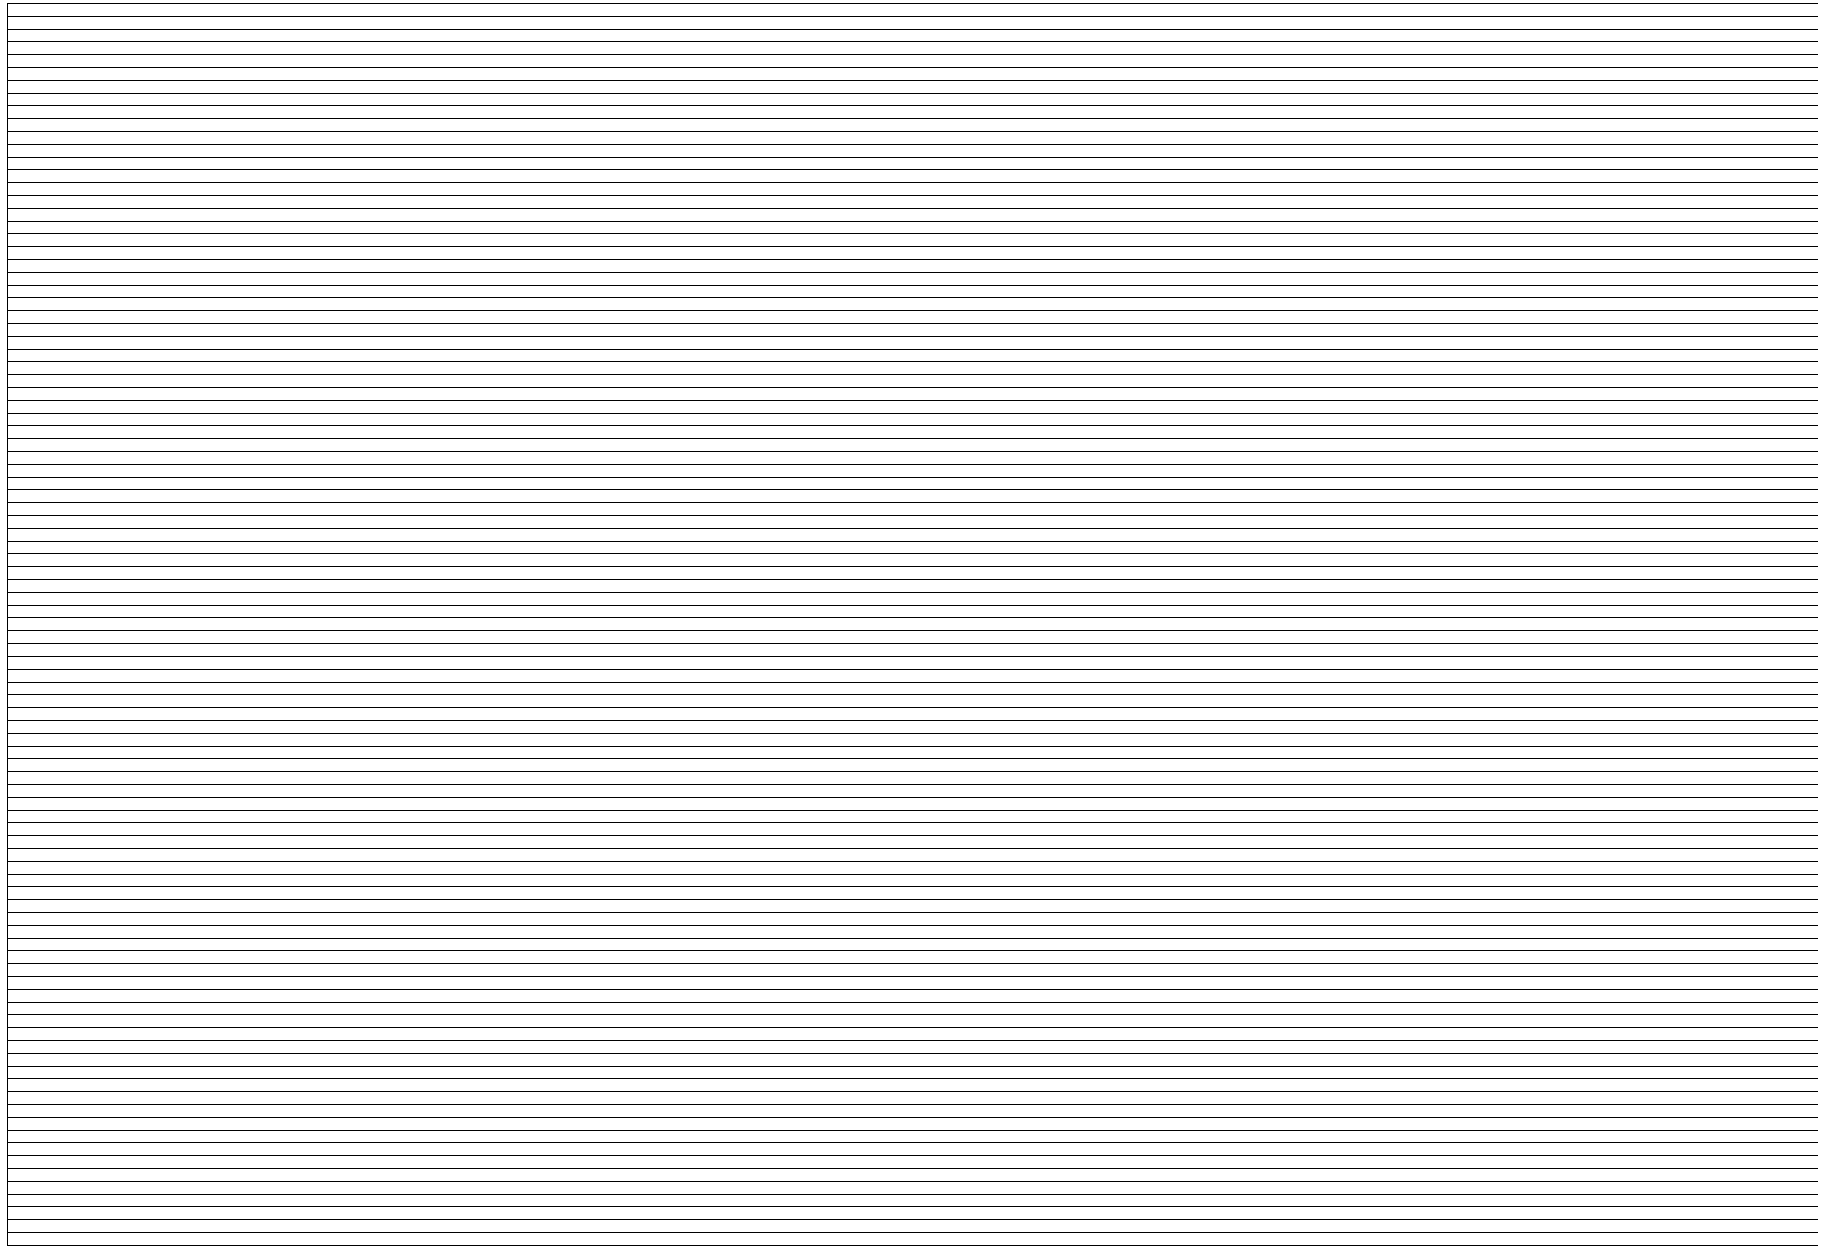

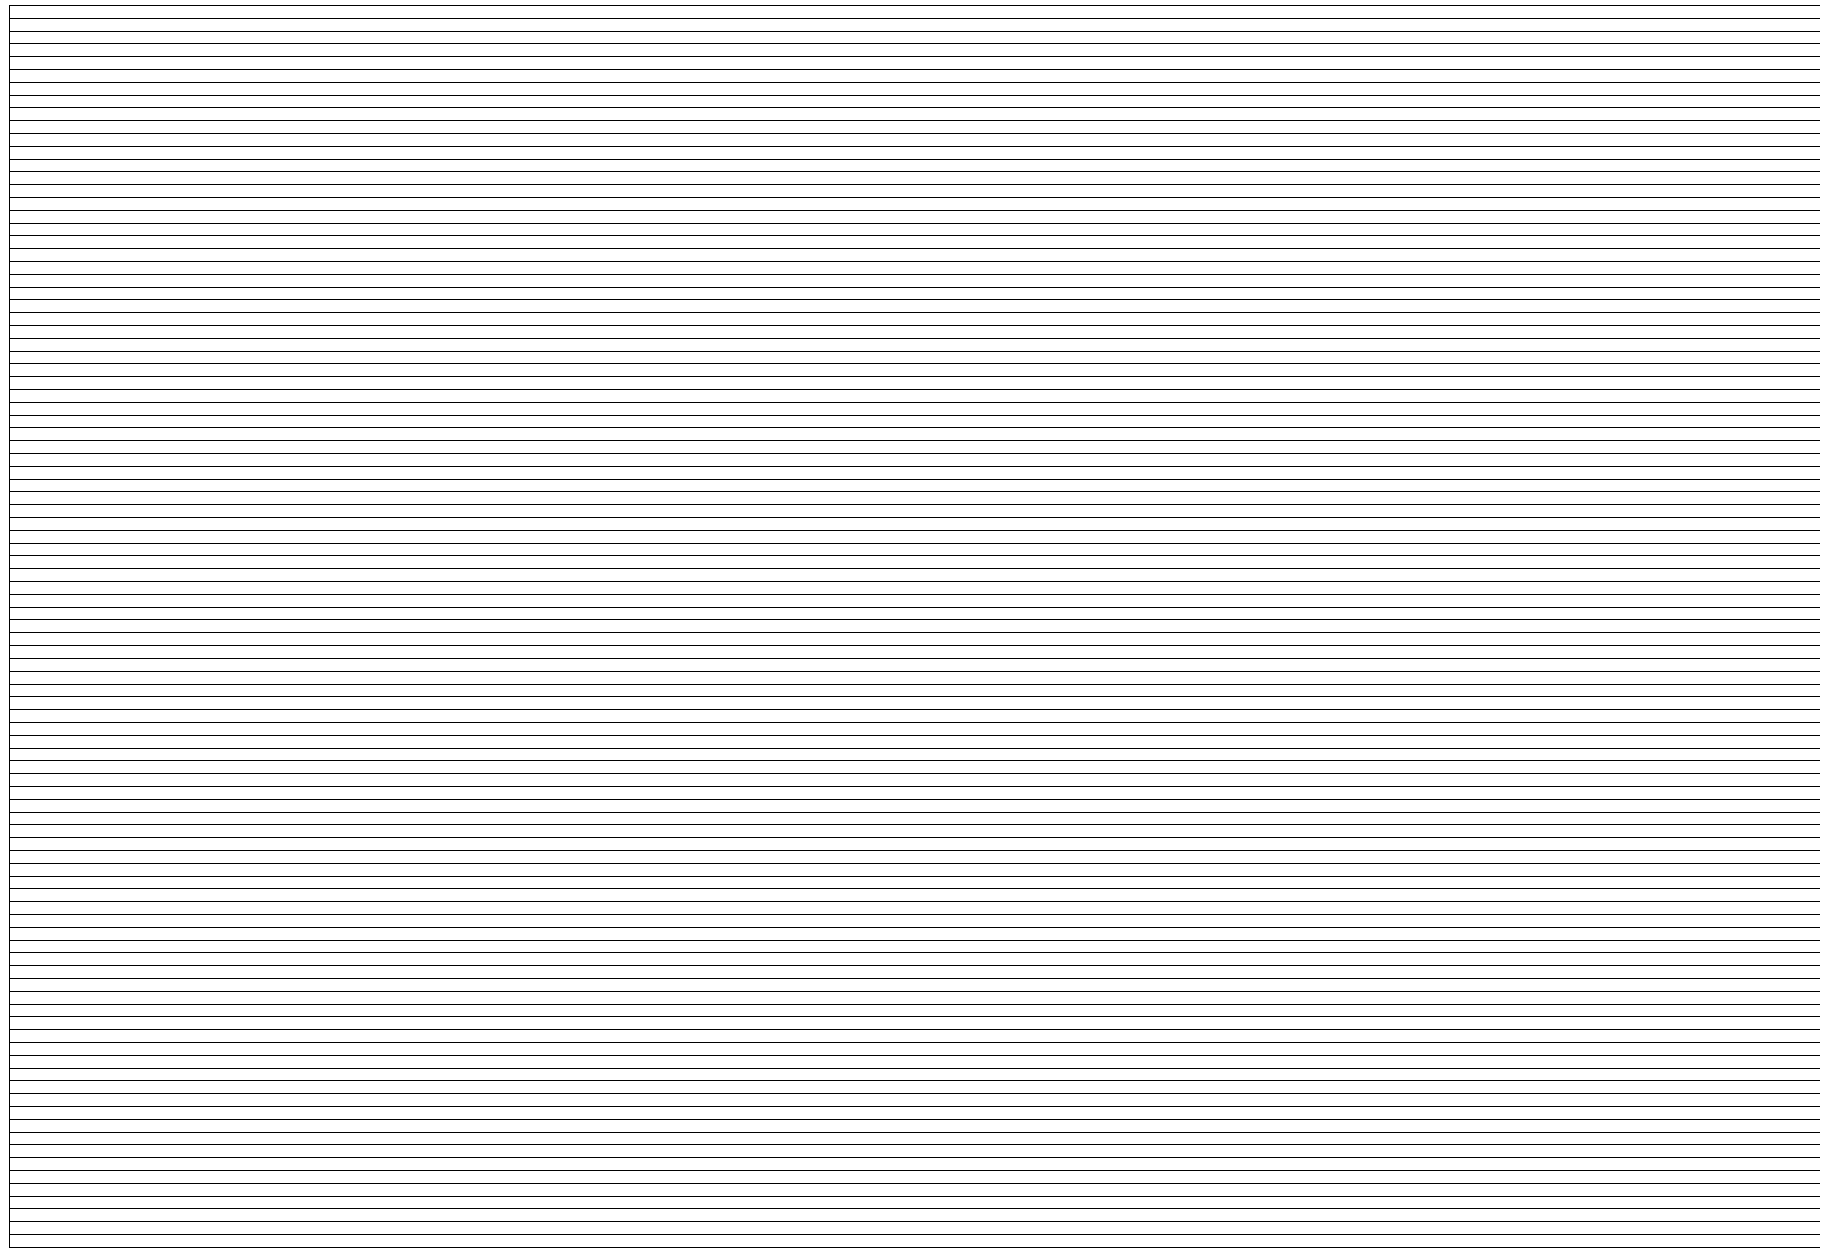

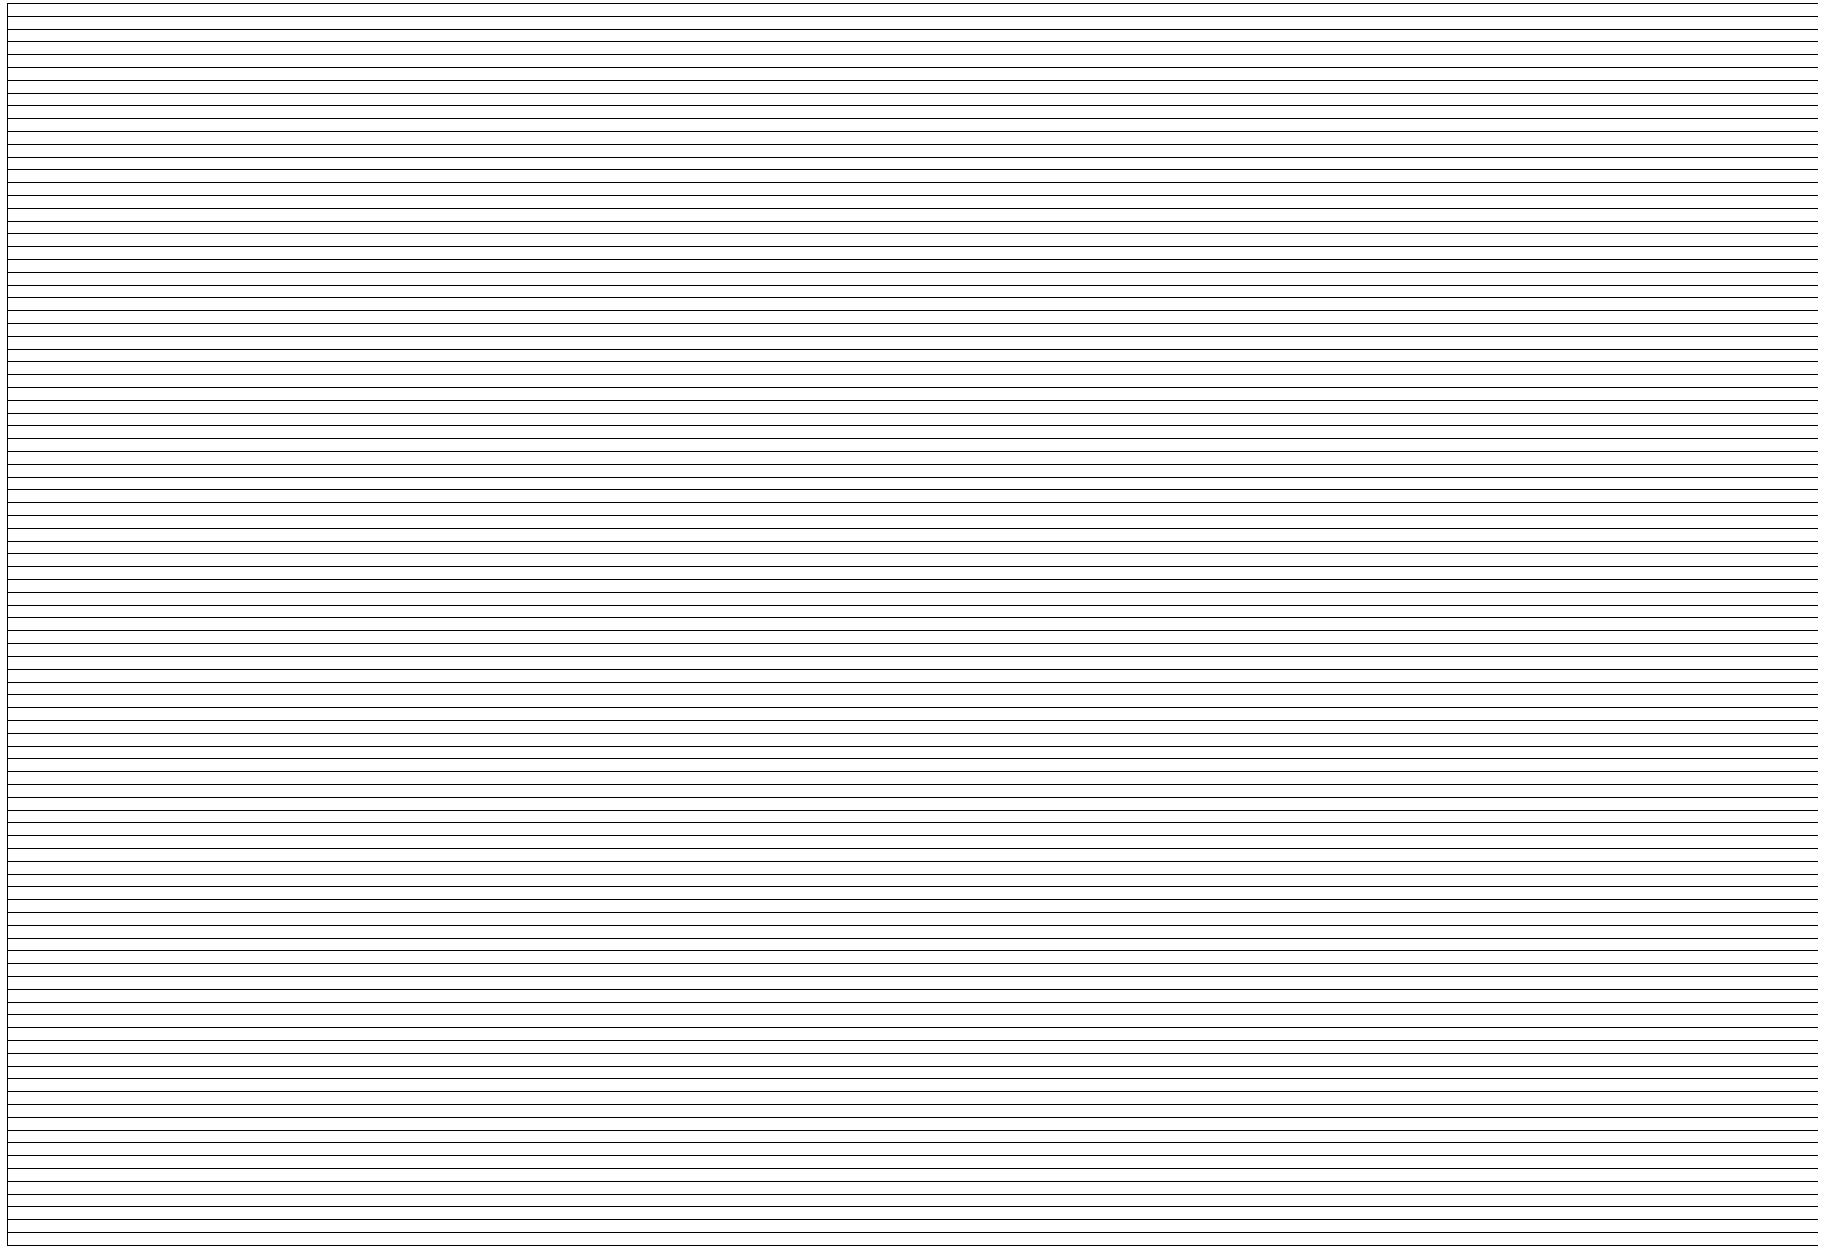

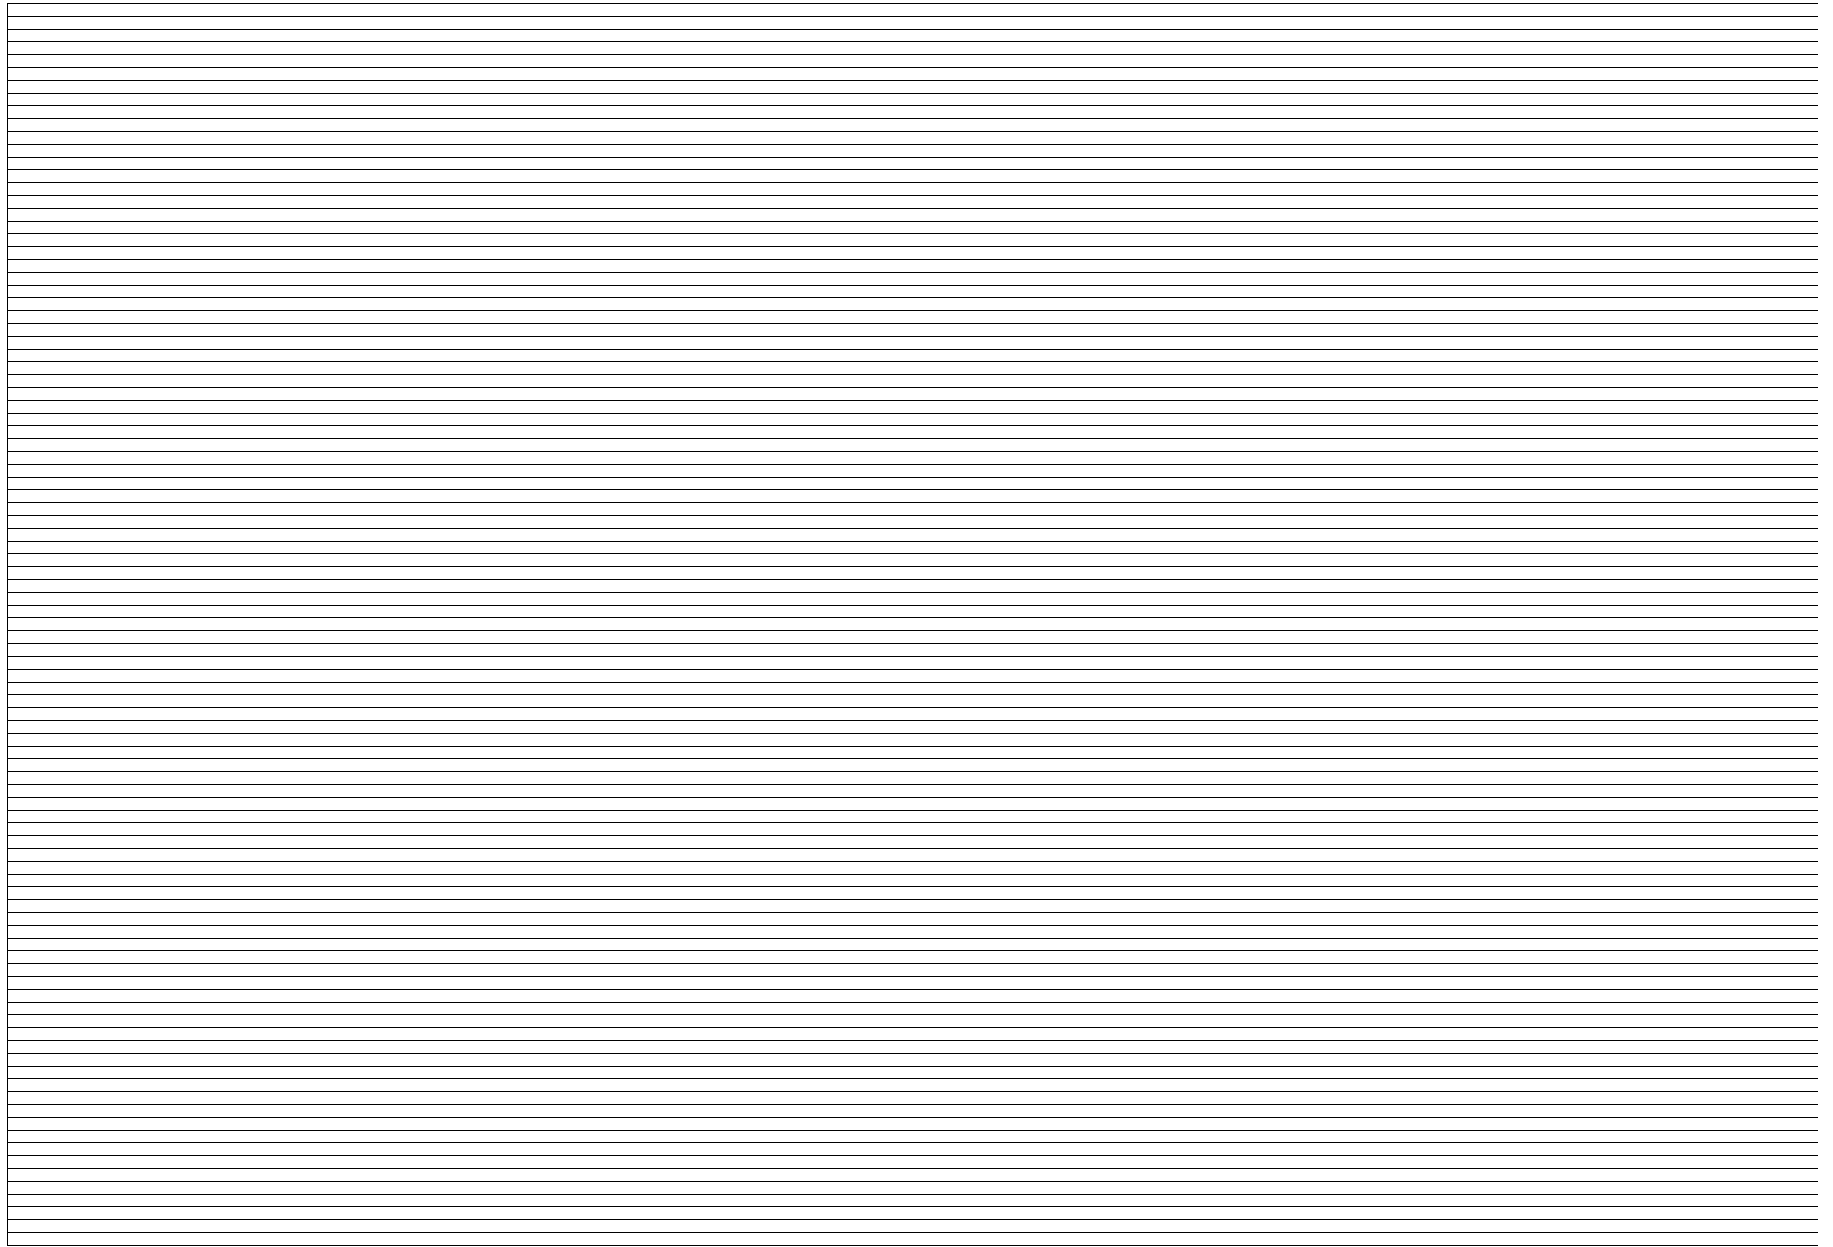

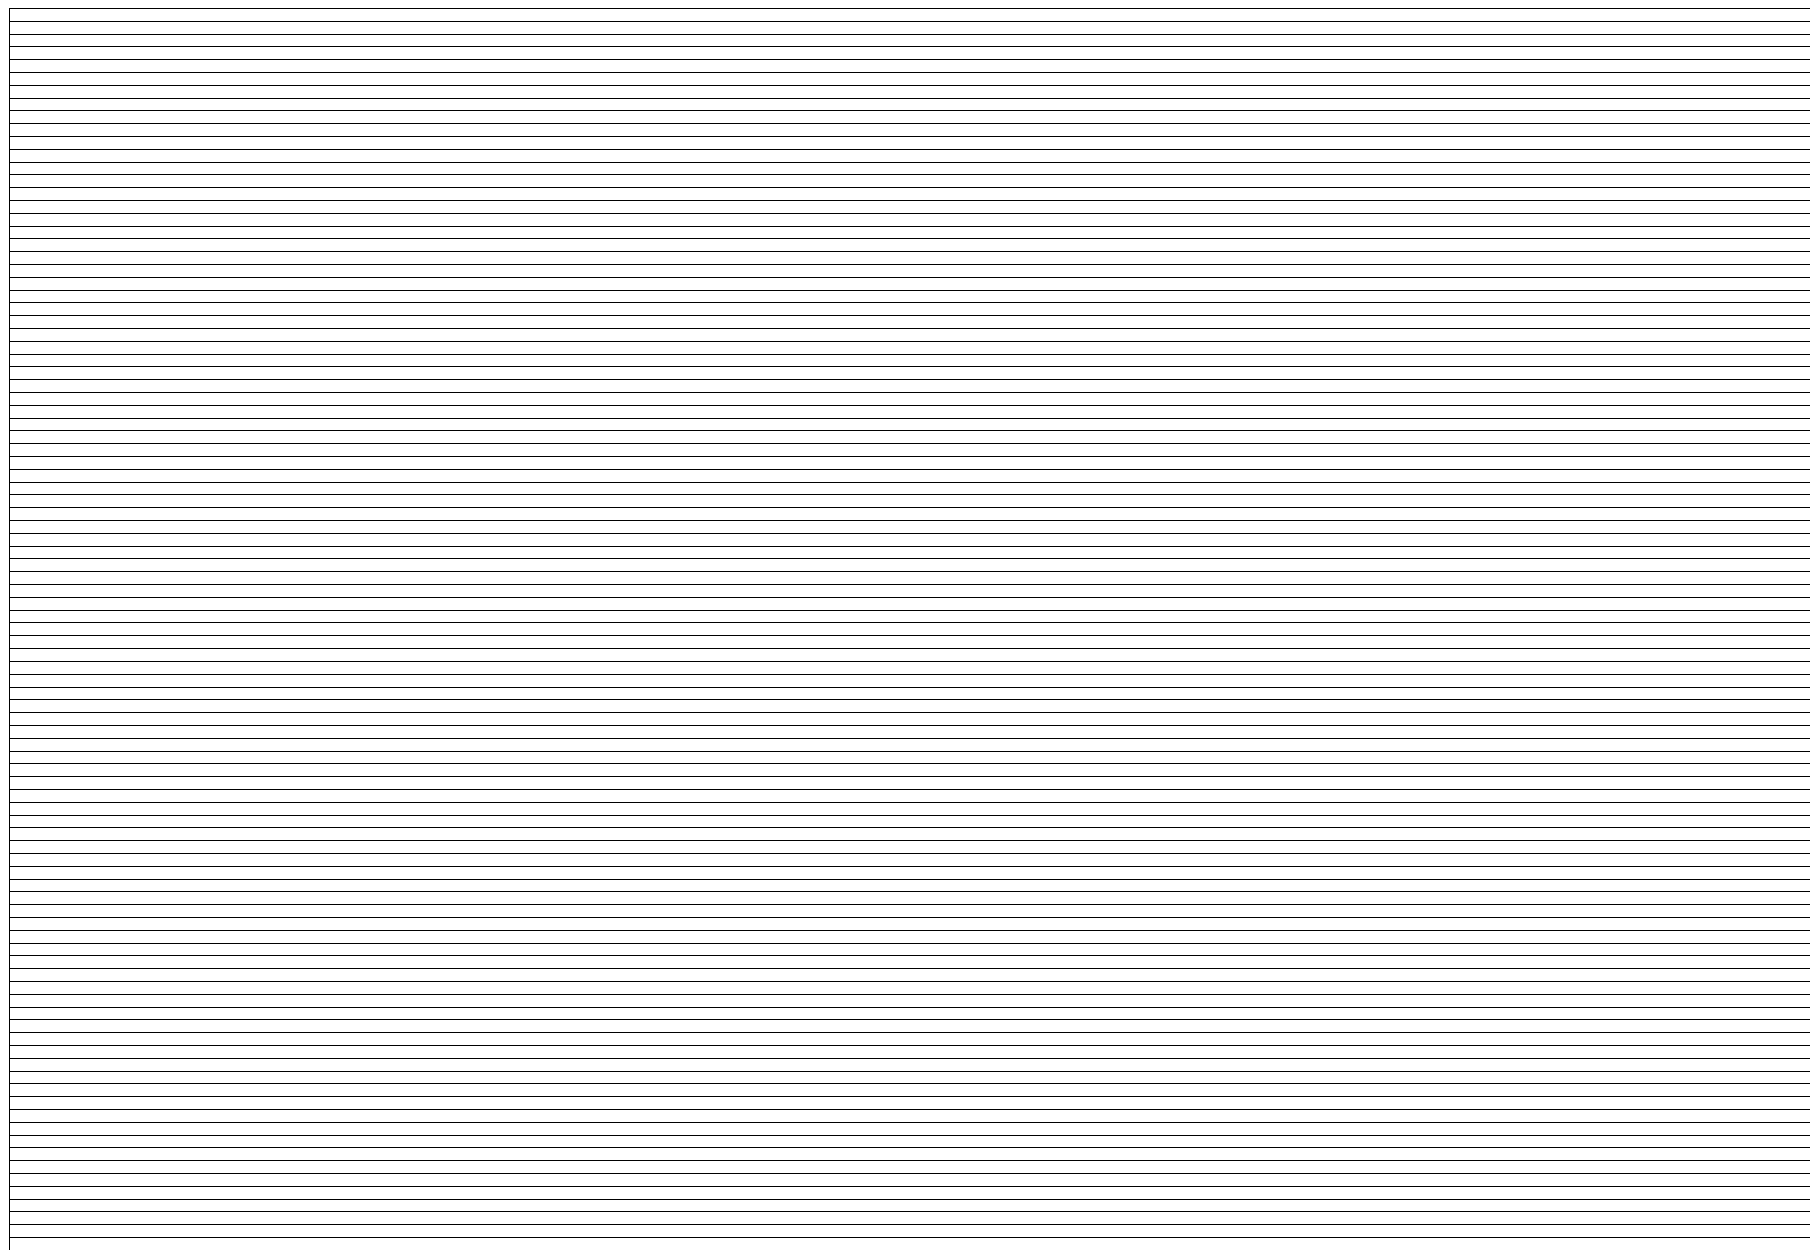

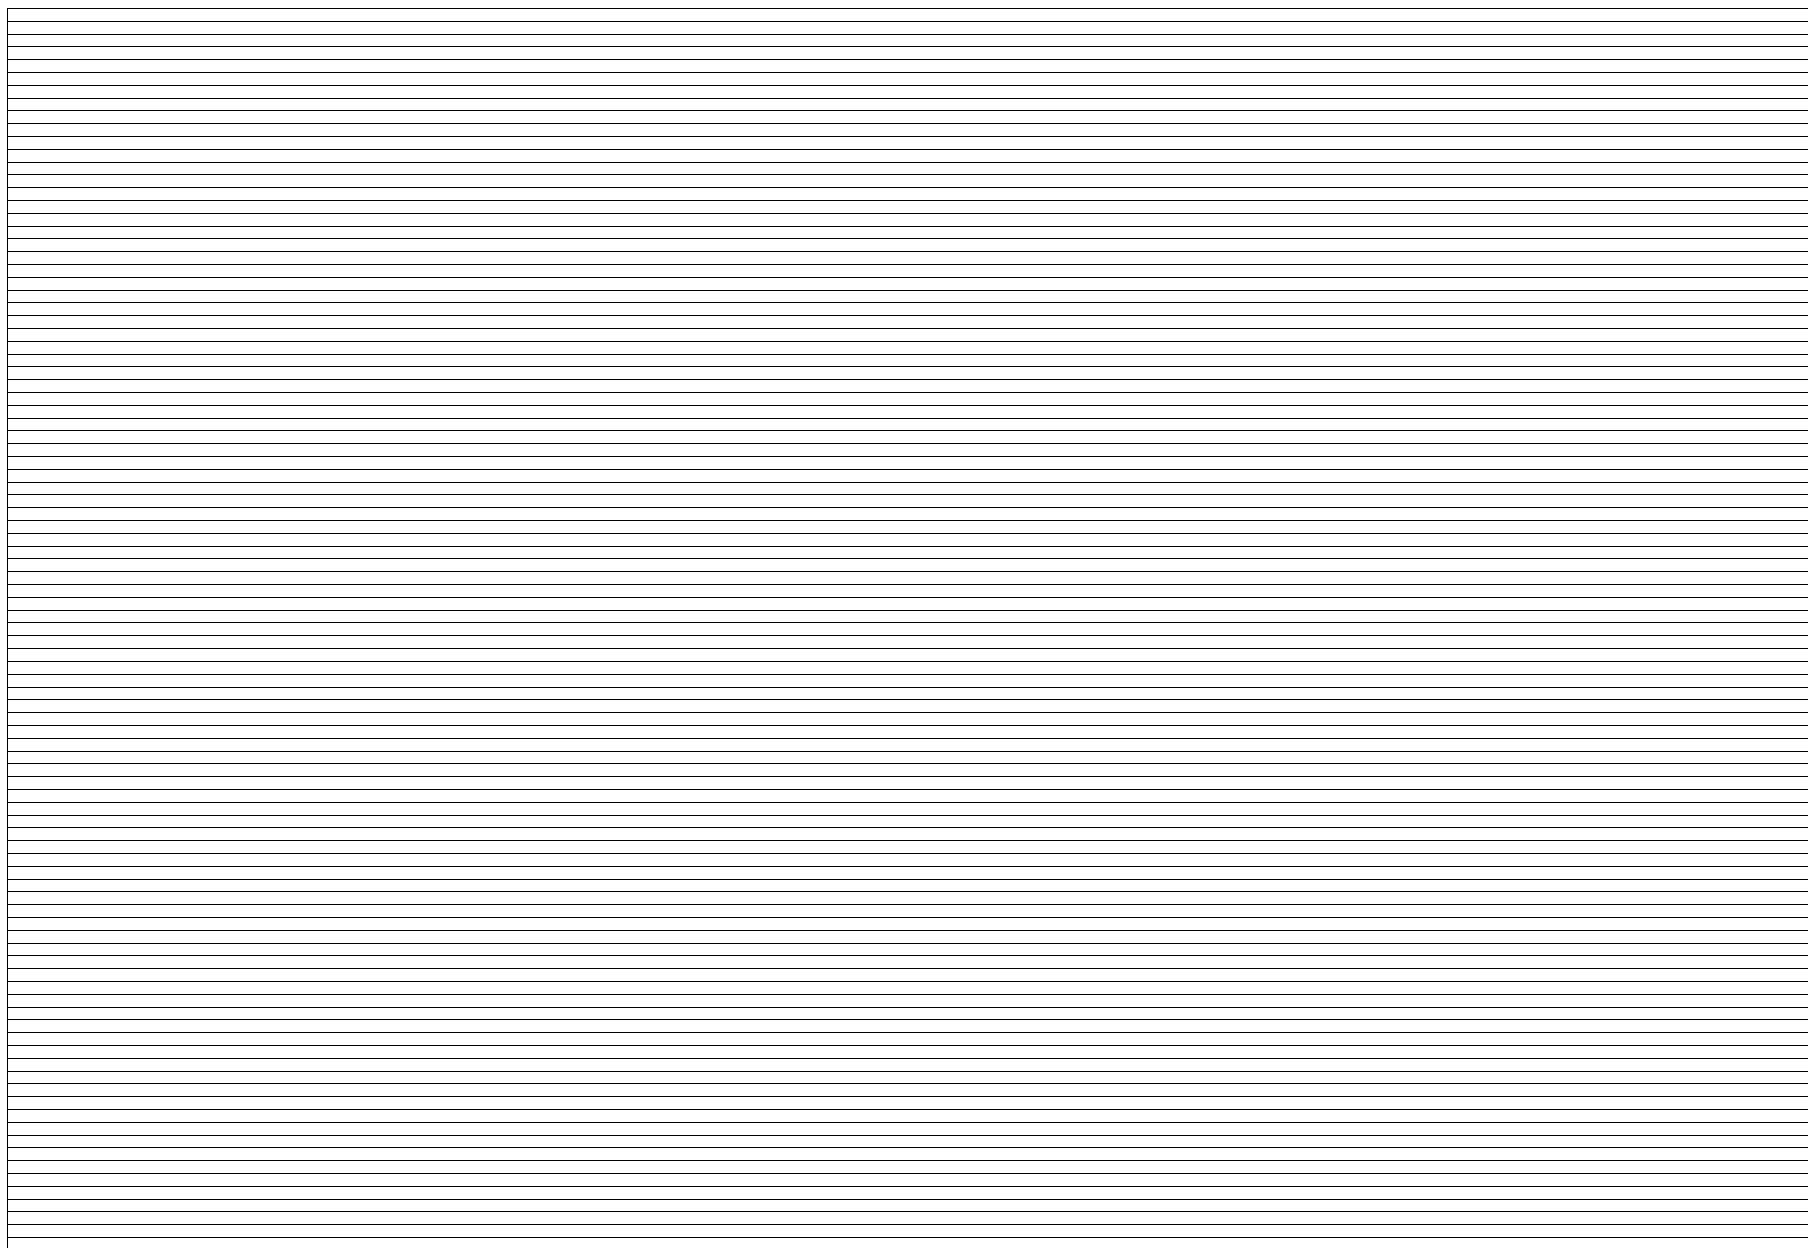

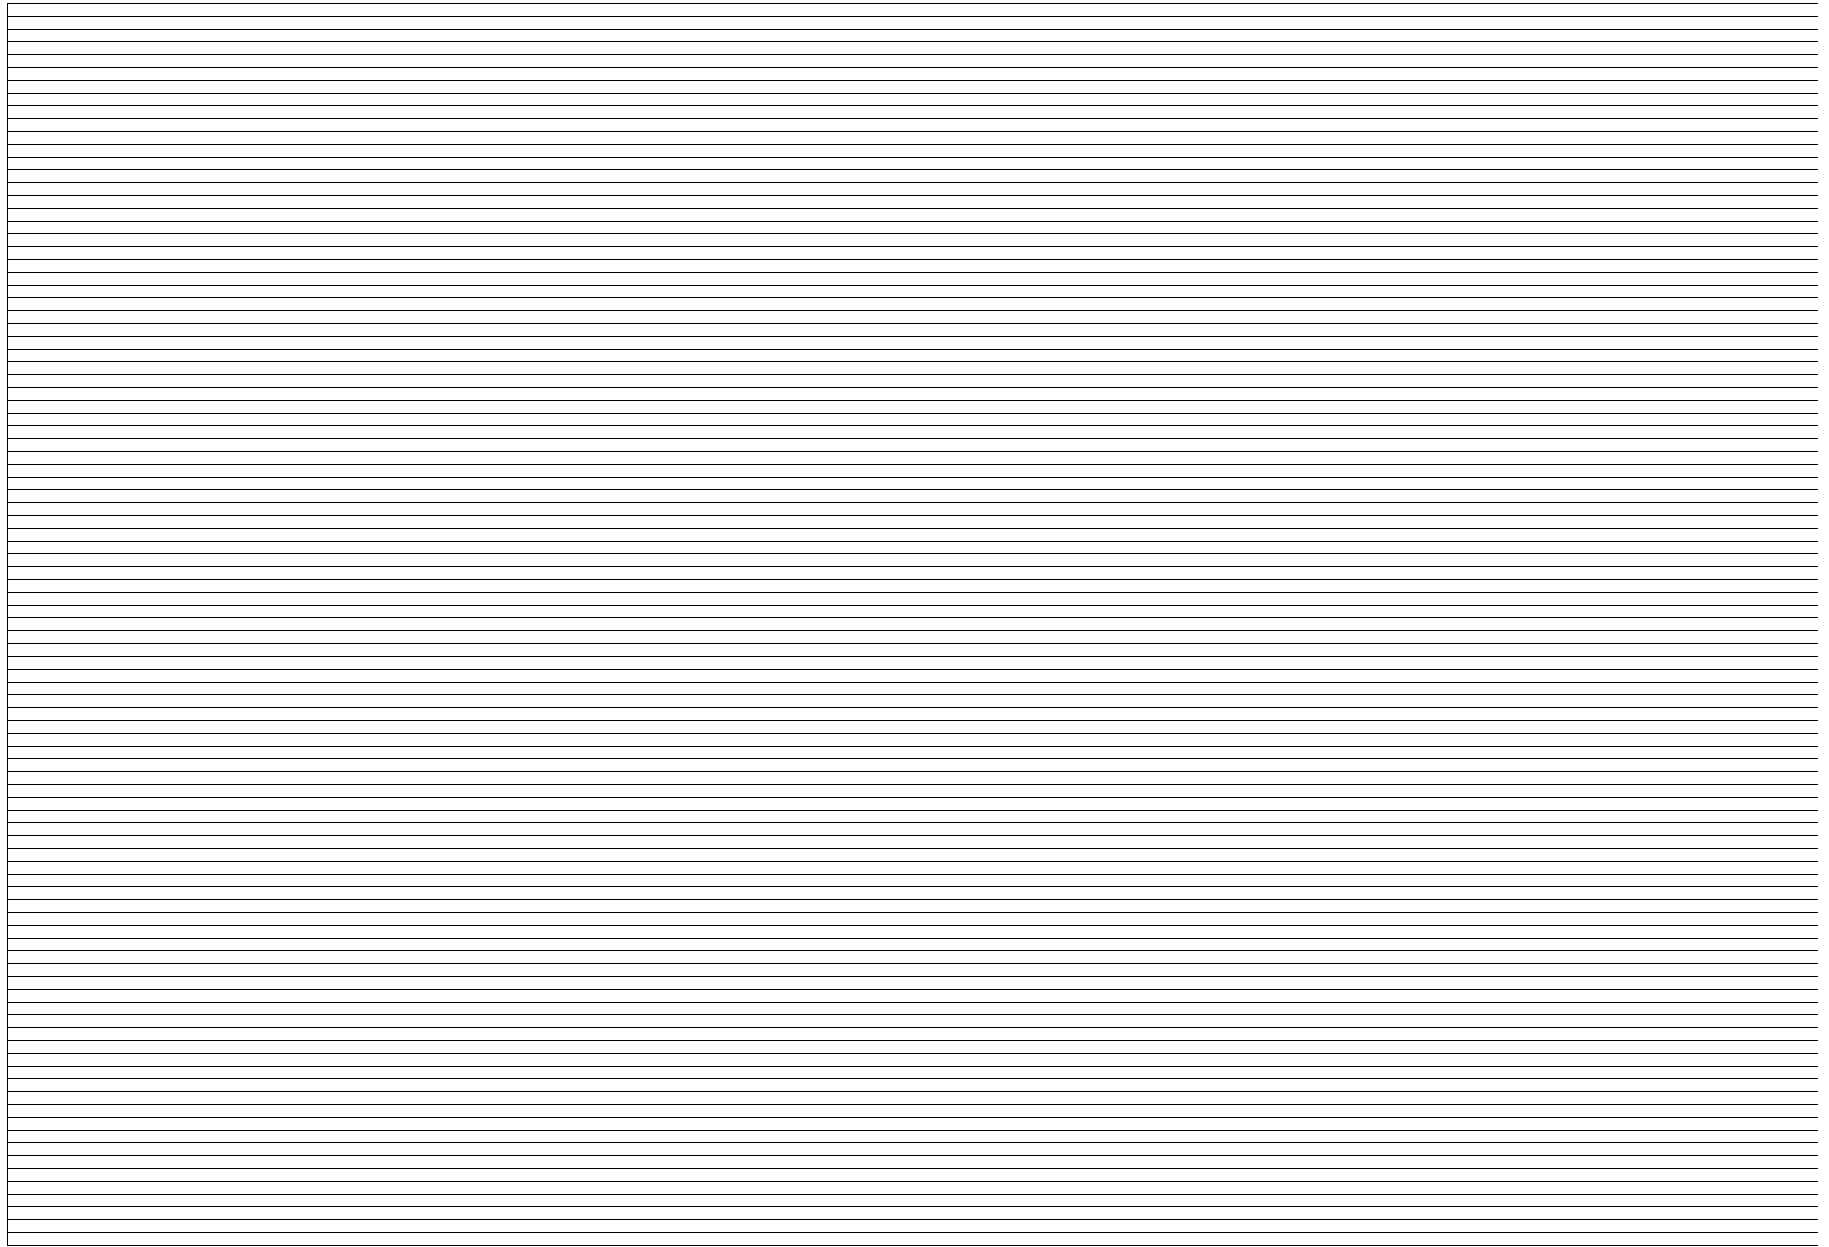

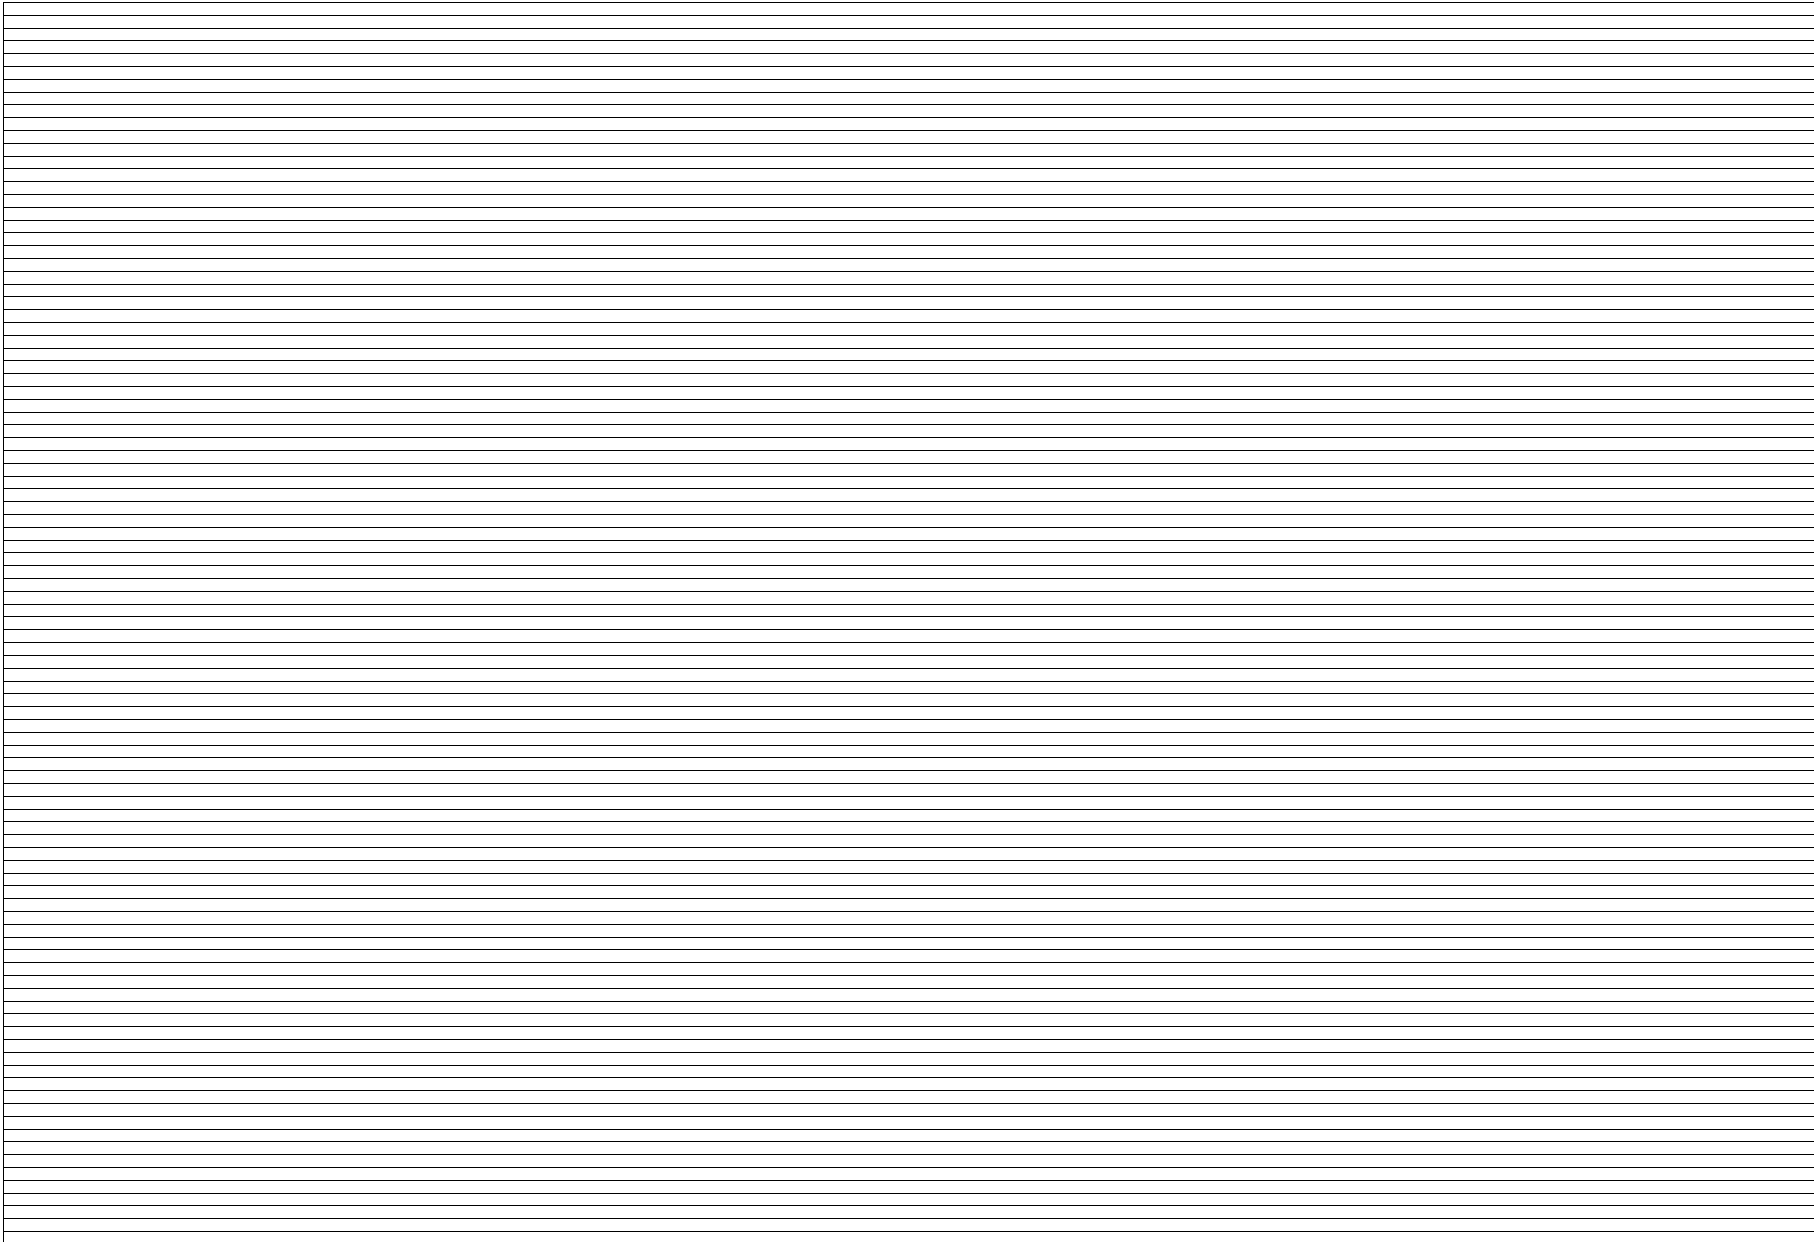

This image shows a large, empty rectangular frame with a thin black border, centered on a white page. The frame is perfectly rectangular and contains no text or other markings.
